Abingdon Presbytery in meeting assembled at Glade Spring, Virginia on the 23rd day of January, 1962.

The following resolution was duly offered, seconded and carried:

That whereas it has come to the attention of this Presbytery that Miss Anne Carter Preston, by will of record in the Clerk's Office of the Circuit Court of Washington County, Virginia, in Will Book 55 at page 265, did devise that after the death of Henry Preston an undivided $\frac{1}{2}$ interest in a 216.5 tract of land be sold

and that the proceeds be invested and go to the Carson Preston Memorial Fund to be used for Home Mission Work in Abingdon Presbytery, and that the Virginia Department of Highways is constructing a road through said property.

That Miss Henley Preston who owned one-half of said property in fee and had a life estate in the other one-half thereof has executed deed to the Commonwealth of Virginia and has been paid on the basis of total value for land taken in the right-of-way of said highway and any and all damages in the amount of \$27,362.00, her part being \$18,742.29. Further that the Department of Highways, Commonwealth of Virginia offers to pay for the benefit of Abingdon Presbytery for its interest in said land taken in the right-of-way of said highway the sum of \$8,619.71.

Now therefore be it resolved that M. L. Robinson, Francis Flanagan and Fred C. Parks are hereby appointed to represent this Presbytery in this matter, who shall investigate this matter and if they are satisfied that the offer of said sum of \$8,619.71 is reasonable for the interest of this Presbytery in the said land and any and all damages accruing thereto, then said committee is authorized and directed to petition the Circuit Court of Washington County, Virginia for authority to execute conveyance to the Commonwealth of Virginia and if said Court so grants approval then Bradley Roberts, George B. Kreger and John A. Blakemore, the Trustees of this Presbytery are authorized and directed to execute a conveyance to the Commonwealth of Virginia and to receive from said Commonwealth the sum of \$8,619.71 and deposit the same with Presbytery's Treasurer of Church Extension, to be invested, the income from which shall be used for Home Mission Work and said fund shall be known as the Carson Preston Memorial Fund.

The description to be used if conveyance is made is as follows:

"In Goodson Magisterial District, in Washington County, and described as follows:

Being as shown on Sheets Nos. 8 and 9 of the plans for Route 81, State Highway Project 8095-14, and lying on both sides of and adjacent to the northbound lane centerline from the lands of E. K. McNew at approximate Station 353 plus 80 to the lands of the Henley Preston and others at approximate Station 367 plus 32; also lying on both sides of the said centerline and adjacent to the lands of Henley Preston, and others from the lands of Henley Preston and others at approximate Station 367 plus 32 to the lands of Henley Preston and others at approximate Station 381 plus 46 and containing 15.84 acres, more or less land.

For a more particular description of the land herein involved, reference is made to photo copy of Sheets Nos. 8 and 9, showing outlined in RED the land to be conveyed in fee simple, which photo copy is of record in the Clerk's Office of the Circuit Court

of Washington County, Virginia in State Highway Plat Book No. 4, pages 62 and 63.

The interest herein proposed to be conveyed is a one-half ($\frac{1}{2}$) undivided interest subject to the life estate of Henley Preston, (which life estate and one-half undivided interest of Henley Preston has been conveyed by Henley Preston to the Commonwealth of Virginia for the consideration of \$18,742.29 by deed of record in said Clerk's Office in Deed Book 332 at page 255.

And further that whereas, all or part of said Route 81 has been designated as a Limited Access Highway in accordance with the provisions of Article 3, Chapter 1, Title 33 of the Code of Virginia 1950, as amended:

Therefore there is proposed that any and all easements of access, light or air incident to the remaining lands of the proposed grantor abutting upon said Limited Access Highway, and/or upon any of its ramps, loops, or connections at and with intersecting highways, the line or lines along which said easements herein proposed to be conveyed are as follows:

From a point on the proposed north limited access line opposite approximate survey Station 353 plus 45, the lands of E. K. J. S. Gillespie

Moderator

Preston Orr Sartelle

Clerk

It was moved and carried that Presbytery hear Mr. Emory Widener, Jr. on the subject of the partition of the Preston Estate. His resolution was adopted as follows:

WHEREAS, Anne Carter Preston died testate several years ago in Washington County, Virginia, her will providing that her one-half undivided interest in certain lands in Washington County, Virginia, should go to Henley Preston for life and then be sold after the death of Henley Preston, the proceeds of such sale to be held for the use and benefit of the Abingdon Presbytery; and

WHEREAS, Henley Preston, the owner of the remaining interest in said lands, has made request of said Abingdon Presbytery that said lands be partitioned in kind, so that she may

improve or dispose of her fee simple interest in said lands, should she so desire, and

WHEREAS, the Presbytery is of the opinion that said lands ought to be partitioned as requested by Henley Preston;

NOW, THEREFORE, be it resolved that Bradley Roberts, John A. Blakemore and George B. Kreger, Trustees of the Abingdon Presbytery, be, and they hereby are authorized to negotiate with, and if possible agree with, Henley Preston upon a partition in kind of said lands formerly belonging to Anne Carter Preston. Said Trustees are specifically authorized to agree upon the metes and bounds of partition in kind, and to enter into and execute a partition deed for the purpose of partitioning said lands. Should Court approval be necessary or advisable on account of said partition, said Trustees are authorized to enter into, prosecute, or defend such suit or cause as may be necessary or proper, and in addition, are authorized to do all things incidental to the execution of this resolution, including, but not exclusively, submitting the metes and bounds division of said lands to a panel to be selected by the parties.

REPORT FROM PRESBYTERY'S COUNCIL

The Moderator, Ruling Elder J. S. Gillespie, relinquished the chair to Rev. Angus Shaw, while he presented the report from Presbytery's Council. The report and recommendations were approved as follows:

TO THE JANUARY, 1962, STATED MEETING OF ABINGDON PRESBYTERY:

Presbytery's Council reports to Presbytery as follows:

(1) At the July, 1961, (205th Stated Meeting) of Abingdon Presbytery the following resolution and direction to Presbytery's Council was received and adopted:

"Resolved:

1. That whereas the January stated meeting and the July stated meeting of Presbytery are, with a high degree of regularity, the longest meetings of Presbytery,

2. And whereas the sacrament of the Lord's Supper and the retiring moderator's sermon presently consume approximately one hour of each meeting of Presbytery as presently constituted,

3. And whereas the election of four separate moderators a year tends to do less than justice to the dignity and responsibility of that office,

4. And whereas our adjoining Presbytery to the south has experienced decided benefits in changing to a schedule of two stated meetings and two adjourned meetings per year,

"Therefore:

The Presbytery of Abingdon direct its Presbytery's Council

to give serious attention to the idea of designating the April and October meetings of Presbytery as stated meetings, and the January and July meetings as adjourned meetings; thus conserving time when time is most scarce, and adding dignity and experience to the office of the moderator through less frequent rotation."

Pursuant to the direction of Presbytery, Council has given serious attention and study to the proposals of this resolution through action of a special committee of the Council appointed for the purpose and in two regular meetings of the Council. As a result of this consideration and study, Council makes the following recommendations to Presbytery:

RECOMMENDATIONS:

1. That the Council recommend to Presbytery that the above resolution, referred by it to the Council for study, be acknowledged as containing two points worthy of implementation by the Presbytery — namely, less frequent rotation of the moderatorial office, and also the more expeditious disposal of the business of the court (especially at the Winter and Summer Stated Meetings) — and that these two points be implemented by means of the following four recommendations.

2. That the Council recommend to Presbytery that the Presbytery undertake to implement Chapter V, Article 3, on page 13 of Presbytery's Manual —

" . . . Let all of the constituting agencies of the Presbytery consider carefully mimeographing their reports for distribution and only reading to the Presbytery their recommendations." —

by (A) instructing the Stated Clerk, acting as parliamentarian and expender of the proceedings of the court, to insist upon this provision as the ordinary policy of the Presbytery; and

(B) by strongly urging all Committees, Commissions and Boards of Directors that a quantity of copies of the report of said Committee, etc., be supplied to the Stated Clerk two weeks prior to the Stated Meeting of Presbytery so that copies may be mailed by him to each church in the same envelope with the docket of Presbytery.

3. That the Council recommend to Presbytery that the Presbytery direct Presbytery's Council to determine the hour at which meetings of Presbytery shall convene, in light of such factors as the volume of business docketed, the place of meeting, the season, etc. This need not alter the present provisions of Presbytery's Manual (Chapter 1, Article 2, on page 7 of the Manual.)

4. That the Council recommend to Presbytery that the Presbytery adhere to Chapter IV, Article 14, on page 12 of Presbytery's Manual, which states:

"The Council shall review all recommendations of constituting committees of the Council before they may be presented to Presbytery;

and that the Stated Clerk, acting as parliamentarian and expeditor of the affairs of the court, be instructed to insist upon such adherence as the ordinary policy of the Presbytery.

5. That the Council recommend to Presbytery that the Manual of the Presbytery be amended as follows: On page 8 of the Manual, Chapter III, under the heading of "Moderator," the entire first numbered article be substituted and replaced with these words —

"The Moderator shall be elected at each stated meeting of Presbytery. The Moderator to be elected shall ordinarily be nominated at the stated meeting prior to the one at which he is elected; it being stipulated, however, that the Moderator of the Winter Stated Meeting shall ordinarily be the moderator-in-nomination for the Spring Stated Meeting, and that the Moderator of the Summer Stated Meeting shall ordinarily be the moderator-in-nomination for the Fall Stated Meeting. Two moderatorial sermons shall be heard per year, one at the Spring Stated Meeting and one at the Fall Stated Meeting."

(2) Presbytery Council has approved the removal of the office of the Executive Secretary of Presbytery from the Presbytery's manse to a location in a down town business building in the City of Bristol, Virginia. As an office location for the Executive Secretary of Presbytery, Council has arranged for the rental of Room 401 in the Reynolds Arcade Building in the City of Bristol at a monthly rental of \$20.00 per month and electrical service charge of \$2.50 per month. Presbytery's Council expresses its thanks and appreciation to Dr. R. T. L. Liston, President of King College, and to Miss Sue E. DeLaney, Manager of the Reynolds Arcade Building, for their helpfulness and cooperation in making available this office space at the cost stated.

(3) The last sentence of the first paragraph of the minutes of the 206th Stated Meeting of Abingdon Presbytery, as same appears on page 8 of the printed minutes of that meeting, was amended by action of Presbytery's Council to read as follows: "After a prayer and the singing of a hymn, Mr. Ben Williams preached the opening sermon at the request of the Moderator who announced to Presbytery that this was a trial sermon. Presbytery then proceeded to its enrollment."

(4) Council nominates to the Committee on Nomination of the Presbytery Reverend E. D. Wadsworth and Reverend Harry S. Topham as minister members of the committee, Mr. Wads-

worth to serve until 1965 and Mr. Topham to serve until 1964 in completing the unexpired term of Reverend P. O. Sartelle. Council nominates Mr. Henry W. Hutton, Sr., of the Glade Spring Church, as an Elder member of Presbytery's Committee on Nominations.

(5) On account of building and moving now in progress at the Abingdon Presbytery Children's Home, Council was requested to declare all members of the Board of Directors of the Children's Home, whose terms are now expiring, as eligible for re-election. Council approved this request, declared all members of the Board of Directors of Abingdon Presbytery's Children's Home, whose terms expire at January, 1962, meeting of Presbytery, as eligible for immediate re-election and has so advised the Chairman of the Committee on Nominations.

(6) Presbytery's Council expresses its sincere and earnest appreciation of the efficient and faithful services of Mr. Julian S. Brown as Central Treasurer of Benevolences of Abingdon Presbytery. Mr. Brown has been a faithful and regular attendant upon the meetings of Presbytery's Council since its organization, bringing valuable needed detail and information for the assistance of Council in preparing for Presbytery meetings and carrying out other responsibilities.

(7) Council elected Mr. Stuart B. Campbell, Jr., as its chairman and Reverend John K. Boyd as its Secretary for the term to follow the January, 1962, meeting of Presbytery.

(8) March 27, 1962, at 2:00 o'clock in the afternoon in the Sinking Spring Church, Abingdon, Virginia was designated as the date, time and place for the next regular meeting of Presbytery's Council.

Respectfully submitted,

Joseph S. Gillespie, Chairman

COMMISSION ON MINISTER AND HIS WORK

Rev. D. W. A. Taylor presented the following report on the Commission on Minister and His Work which was approved as follows:

COMMISSION ON THE MINISTER AND HIS WORK

The following minutes of the Commission on the Minister and His Work, reporting its actions as a commission, are herewith submitted to the Presbytery that they may be received and admitted to record.

THOMPSON E. DAVIS

The Commission on the Minister and His Work, of Abingdon Presbytery, met in the Royal Oak Church, Marion, Virginia, at 6:30 p. m., Tuesday, November 21, 1961. Members present were: Rev. David W. A. Taylor, Chairman, Rev. J. Clyde Mohler, Ruling Elder Stuart B. Campbell, Sr., and Ruling Elder George B. Kreger; also, Dr. T. A. Freeman, Executive Secretary. The chairman declared a quorum present, and opened the meeting with prayer. George B. Kreger was appointed Clerk of the meeting.

Dr. Thompson E. Davis appeared before the Commission and requested that his pastoral relationship with the Royal Oak Church be dissolved, effective November 30, 1961, in order that he may accept the call of the Helen Church of Helen, Georgia, in the Presbytery of Athens. Ruling Elder Francis M. Hoge, Clerk of Session of the Royal Oak Church, also appeared before the Commission and reported that at a duly called organizational meeting, the congregation of the Royal Oak Church had voted reluctantly to concur with Dr. Davis in his request to Presbytery for the dissolution of his pastoral relationship.

Upon motion duly made, seconded and carried, the Commission on the Minister and His Work, acting as a commission, directed that the pastoral relation of the Reverend Thompson E. Davis with the Royal Oak Church be dissolved, effective November 30, 1961, and that the Stated Clerk of Presbytery be authorized to issue a letter of transfer of Dr. Davis from the Presbytery of Abingdon to the Presbytery of Athens. Moreover, the Stated Clerk was requested to advise the Presbytery of Athens, by letter, of Dr. Davis' faithfulness as a presbyter and of the Presbytery's sense of loss in his leaving.

These minutes were read and approved. The motion to adjourn was made and prevailed. The meeting was closed with prayer by Dr. T. A. Freeman.

Taylor, Chairman; Rev. J. Clyde Mohler, and Rev. T. A. Freeman. Also present were Rev. P. O. Sartelle, Stated Clerk of Presbytery, and Mrs. Herbert Hall, a member of the First Church, Pulaski. Rev. J. Clyde Mohler was asked to act as clerk of this meeting. The meeting was opened with prayer by the chairman.

The Rev. George M. Ogilvie appeared before the Commission, via telephone, and requested that his pastoral relationship with the

First Church of Pulaski be dissolved, effective October 19, 1961, in order that he may accept the call of the Davis Memorial Church, of Elkins, West Virginia, in the Presbytery of Greenbrier. Mrs. Herbert Hall, representing the congregation of the First Church of Pulaski, testified that at a duly called congregational meeting on August 20, 1961, the congregation of the First Church voted reluctantly to concur with Mr. Ogilvie in his request to Presbytery that his pastoral relationship be dissolved.

Upon motion duly made, seconded and carried, the Commission on the Minister and His Work, acting as a commission, directed that the pastoral relation of the Rev. George M. Ogilvie with the First Church of Pulaski be dissolved, effective October 19, 1961, and that the Stated Clerk of Presbytery be authorized to issue a letter of transfer of Mr. Ogilvie from the Presbytery of Abingdon to the Presbytery of Greenbrier.

The minutes of this meeting were read and approved. The motion to adjourn was made and prevailed. The meeting was closed with prayer by the chairman.

J. ALSTON BOYD

The Commission on the Minister and His Work, of Abingdon Presbytery, met in the Green Spring Church, Route 1, Abingdon, Virginia, at 7:30 p. m., on Tuesday, December 19, 1961. Members present were: Rev. David W. A. Taylor, chairman; Rev. J. Clyde Mohler, Rev. T. A. Freeman, and Ruling Elder George B. Kreger. Mr. Kreger was designated clerk of the meeting. The meeting was opened with prayer by the chairman.

The Rev. J. Alston Boyd appeared before the Commission and requested that his pastoral relationship with the Green Spring and the Cleveland Churches be dissolved in order that he may accept work within the Presbytery of Orange. Mr. Charles P. Hope, Jr., representing the Green Spring Church, and Mr. Stanley Garrett, representing the Cleveland Church, appeared before the Commission and reported that at duly called congregational meetings on December 3, 1961, each church had voted reluctantly to concur with Mr. Boyd in his request to Presbytery that the pastoral relationship be dissolved.

Upon motion duly made, seconded and carried, the Commission on the Minister and His Work, acting as a commission, directed that the pastoral relation of the Rev. J. Alston Boyd with the Green Spring and Cleveland Churches be dissolved, effective December 31, 1961, and that the Stated Clerk of Presbytery be authorized to issue a letter of transfer of Mr. Boyd from the Presbytery of Abingdon to the Presbytery of Orange.

Mr. Charles P. Hope, Jr., read to the Commission a resolution of appreciation concerning the effective labors of the Rev. J.

Alston Boyd, as directed by the congregation of the Green Spring Church. On motion by the Commission, this resolution is to be communicated to the Presbytery at its next Stated Meeting.

The minutes of this meeting were read and approved. The motion to adjourn was made and prevailed. The meeting was closed with prayer by Rev. T. A. Freeman.

David W. A. Taylor, Chairman

The Commission on the Minister and His Work reports several fields now vacant within the Presbytery, but all of them making good progress toward the securing of pastors. The following nine fields are currently without the services of a regular pastor:

Anderson Memorial Church, Pulaski
First Church, Pulaski
Royal Oak Church, Marion
Green Spring and Cleveland Churches,
Rt. 1, Abingdon
Mary's Church and Burke's Garden Church
Thompson Valley and Cove Churches
The Bland County Field of Churches
Oakwood and Vansant Churches
Indian Valley and Bethesda Churches

Each of these nine fields have prospective pastors set before them, with good prospects of success, and all of them are being regularly supplied with preaching services by ministers, candidates, or students.

It is reported, for the record, that the call of the Powell's Valley Church for the pastoral services of the Rev. Hugh Bowers has been properly amended in accordance with the directive of Presbytery (cf. Minutes of the 206th Stated Meeting, page 15).

Recommendations:

1. That the following resolution of the Green Spring Church, concerning the Rev. J. Alston Boyd, be read to the Presbytery and admitted to record:

Resolution adopted by the congregation of Green Spring Presbyterian Church at a called meeting of the congregation on December 3, 1961

Be it resolved by the members of the Green Spring church at this, a called meeting of the congregation, on December 3, 1961, that said congregation concur with the request of our beloved pastor, Reverend J. Alston Boyd, in his request to Abingdon Presbytery that his relationship as pastor of the Green Spring Church be dissolved December 31 this year.

Be it further resolved that it is only after serious, prayerful consideration, and with deep reluctance, that this action is taken.

It is taken only after our full understanding that it is the wish of Reverend and Mrs. Boyd to make this change.

Be it further resolved on this occasion that our Church express to Presbytery our deep regret at losing Reverend and Mrs. Boyd. Reverend Boyd has faithfully served our field nearly ten years, during which time, he, Mrs. Boyd and their family have endeared themselves to our people. Reverend Boyd has served our Church with love and devotion and has constantly worked for harmony among our people. He has glorified Our Lord in all his work. We commend him and his work to Abingdon Presbytery.

Respectfully submitted,

Green Spring Presbyterian Church

December 21, 1961

s/William H. Magnusen" —

Therefore, it is recommended that this request be granted, that his name be removed from the rolls of Presbytery, and that the Stated Clerk be authorized to issue him a letter of church membership to the Grace Gospel Church of Waco, Texas (in accordance with paragraph 111.3 of the Book of Church Order).

4. That the action adopted by the Synod of Appalachia in June of 1961 concerning "Ministers' Salaries," and reported on pages 21 and 22 of the minutes of that meeting of Synod, be

5. That the call of the Cedar Bluff Church for the pastoral services of the Rev. Robert Alan Chapman be approved, and that (following his examination and reception by the presbytery) the call be placed in his hands. This call is in the usual and approved form, and with the aid of Presbytery's Church Extension Committee, specifies an annual salary of \$4,300 per year, car allowance of \$350 per year, and all other perquisites set forth by Presbytery in its minimum standards.
6. That the calls of the Bethel, Rock Spring, and Damascus Churches for the pastoral services of the Rev. Hershey J. Longenecker be approved, and that (following his examination and reception by the presbytery) the calls be placed in his hands. 7. That the following churches be permitted to amend the terms of their calls to their pastors, respectively, as follows; and that these churches be commended:

CHURCH EXTENSION COMMITTEE

Rev. W. F. Wadsworth presented the report of the Church Extension Committee and Presbytery heard Dr. Freeman, Judge F. Hoge, Deacon C. R. Rush, and Elder B. H. Griffiths, in that order, speak for establishing a new church from the four chapels of the Royal Oak Church.

The report of the Church Extension Committee was adopted with the amendment in 5.c. that "the charter-roll be kept open for 30 days after the formation of the church."

REPORT OF THE CHURCH EXTENSION COMMITTEE

20TH STATED MEETING OF ABINGDON PRESBYTERY

The Committee reports with thanksgiving that all but four of its fields have regular pastors. These four, The Blue Grass Trail Larger Parish; Bluemont; Indian Valley, Bethesda and Silverleaf; Oakwood and Vansant are supplied by ministers or students. The Committee has real hope of filling two of these by June.

Presbytery's youngest work, The Mountain Lane Chapel, in the Double Gates Community, Bluefield, Virginia, is growing steadily under the able leadership of Synod's Christian Education worker, Miss Bessie Mae Stribbling. The Department of Survey and Church Location of the Board, has made recommendations concerning a site, and plans are underway to secure same. The Steering Committee of the Chapel is moving forward with plans to call Mr. Edwin Graham, Senior at Columbia Seminary as pastor. We earnestly solicit your prayers for this new work.

The Church Extension Churches have responded well to the Committee's request to assume at least 5% more toward self-support. A total of \$2432.11 has been assumed on the part of the churches and most (all but three) have increased the pastor's car allowance to a minimum of \$200. The Committee will match this figure and thereby provide a yearly car allowance of \$400 for most Church Extension Pastors. This is still inadequate, but improving!

Through November, the churches under the supervision of this Committee reported 231 gains in membership and 106 losses.

RECOMMENDATIONS:

1. That the following Churches be commended for assuming more of their pastor's salary for 1962: Powell Valley (\$490), Walnut Grove (\$300, plus an additional \$200 car allowance), King Memorial (\$180), Coeburn (\$163), Mary Martin Memorial (\$39.00), Gate City (\$90.00), Hurley (\$508.33), Clark Memorial (\$36.78), Anchor of Hope (\$75.00), Oakwood (\$130), Rural Retreat (\$115), Seven Mile Ford (\$45.00), Lebanon (\$40.00), Castlewood (\$20.00), Gladeville (\$200).

7. That the report of the Committee Treasurer, Mr. Julian S. Brown, be adopted and the Treasurer and his wife be thanked for their faithfulness and accuracy.

We, the undersigned, who are members and/or supporters of the Chapels of the Royal Oak Presbyterian Church of Marion, hereby petition the Presbytery to establish these four Chapels (Matsen Chapel, Nicks Creek Chapel, Park Chapel, and Walkers Creek Chapel, as one Church. We are fully aware that we will not be self supporting at the inset and will require assistance from the Presbytery, both financial and directional, however, we hope to become self supporting at the earliest possible time.

A motion to this effect has been offered before the Royal Oak Session, it was carried and later approved by the Congregation. A motion has also been carried and approved whereby approximately \$11,000.00 of the Stone Foundation will be turned over to this new Church to be used in the erection of a manse for which we have also been offered a lot upon which to build. We feel that with this grant, and assistance from the Presbytery this endeavor can be a reality to the betterment of all and help greatly in furthering the work of the Lord in our area.

This is to certify that I have examined the accounts and records of Julian S. Brown, Treasurer of Presbytery's Church Extension Committee, and have verified the several items as set out in his report of December 31, 1961, and find them to agree with the general ledger. The cancelled checks, outstanding checks and balances in bank were verified, and the balances shown on the above report reconcile with the bank records.

WORLD MISSIONS COMMITTEE

Rev. John K. Boyd presented the report for the World Missions Committee, which was received as information as follows:

WORLD MISSIONS

ABINGDON PRESBYTERY

JANUARY 23-24, 1962

1. The World Mission Season, February 1-March 4, 1962, should be observed in all our churches as a time for church-wide dedication to the world task of Christian missions; ministers preach on such subjects as will increase the sense of responsibility and privilege in the worldwide mission of the Church; and the whole Church should be called to earnest prayer for this effort.
2. All churches are encouraged to engage in a study of the interdenominational theme for 1962, "The Christian Mission in Latin American Countries." All materials for such studies may be purchased from the Board of World Mission, Educational Department, Box 330, Nashville 1, Tennessee.
3. The Week of Prayer and Self-Denial for World Missions should be observed by every church in the Presbytery, February 25-March 4, 1962; and that sessions be urged to arrange for supplemental offerings in the Churches.
4. Churches should make use of the World Mission film "Little Man Stand Tall", which will be available through Rev. Richard Shelor, Max Meadows, Virginia, at the price of \$8.00 in advance plus transportation to the next place. This film is 28 minutes in length and it is black and white, rental, January 21-February 11, 1962.
5. The filmstrips, "Reasonable Service — Brazil", "Mission to Mexico" and "Ecuador", Color, 33-1/3 rpm. record, which are available through Rev. Richard Shelor, Max Meadows, Virginia, at the price of \$1.00 in advance, plus transportation to the next place.

6. We had four World Mission Workshops throughout the Presbytery, November 6-9, 1960. The Rev. Stephen Sloop from Brazil was our Mission speaker.
7. The Rev. E. H. Gartrell from Brazil, will be in our Presbytery from February 25-March 2. The Rev. Loren Watson of Appalachia, Virginia, is in charge of itineration for Rev. Gartrell.
8. The special Easter offering will be received, April 22, 1962, for the relief of human suffering in the name of Christ throughout the World. The funds will be administered by the Board of World Missions through its Department of Overseas Relief and Inter-Church aid for work not included in their budget.
9. The Rev. David B. Lehman, missionary from Brazil will speak at the night session of Presbytery.
10. Further information is contained in the Report for October 17, 1961.

Presbytery recessed for supper, to reconvene at 7:30 P. M. at the Old Glade Church. Presbytery reconvened with the singing of a hymn and prayer, and joined in the celebration of the Sacrament of the Lord's Supper. Rev. David Lehman, missionary to Brazil, preached the sermon at the invitation of the World Missions Committee. Presbytery then recessed until 9:00 A. M. Wednesday, January 24th.

WEDNESDAY, JANUARY 24

207th STATED MEETING — Continued

Abingdon Presbytery reconvened at 9:00 A. M. with hymn and prayer. The minutes of the previous day were read and approved, with amendments and corrections to the minutes being incorporated in the body of the minutes. Additional enrollments were noted. There being no new communications, the business continued with the report from permanent committees of Presbytery.

PRESBYTERY'S ANNUAL REPORT TO THE GENERAL ASSEMBLY

Rev. P. O. Sartelle presented Presbytery's Annual Statistical Report to the General Assembly and called for any corrections that were necessary. In conjunction with this report, Dr. T. A. Freeman was invited to speak a few words on our responsibility church-wise, and the duties of the minister to establish himself as a spiritual leader in his community.

STEWARDSHIP COMMITTEE

Rev. W. F. Shouse presented the following report and recommendations of the Stewardship Committee, which was adopted:

STEWARDSHIP COMMITTEE REPORT
Abingdon Presbytery
January 23-24, 1962

AUDIT OF TREASURER'S ACCOUNT: (Not to be read on the floor of Presbytery)
 Dublin, Virginia
 December 29, 1961

TO WHOM IT MAY CONCERN:

This to certify that I have this date examined the records of Presbytery Stewardship Committee, C. R. Guthrie, Treasurer, and find that all records have been properly kept and that balances as shown by checks and deposits are correct.

s/RICHARD L. EVANS, Cashier
Bank of Dublin

INTRODUCTION: (Not to be read on the floor of Presbytery.)

The Stewardship Committee must present a distressing picture! For 1961 our churches accepted \$162,000 for benevolences. By January 2, 1960 only \$128,000 had been remitted to our Central Treasurer for this purpose. In a few days after January 2 the Central Treasurer received approximately \$17,000. This brought the total to approximately \$145,000, about the same as last year, but still \$17,000 short of the \$162,000 accepted.

We are glad that the last minute \$17,000 was sent in but wonder why we should be so unbusinesslike about the LORD'S business. If our churches had remitted their Benevolence money monthly or quarterly we would have saved the Central Treasurer and the Church Extension Committee many headaches and we would probably have reached or surpassed the \$162,000 acceptance figure.

Now we turn to the outlook for 1962:

Despite a good Every Church Canvass in which acceptances were generally up, our total acceptance figure for 1962 is down to \$156,000, \$6,000 under last year's figure.

Your Stewardship Committee has just completed the painful process of cutting our Benevolence asking of \$235,000 down to \$156,000 — a cut of \$79,000.

This tremendous cut means: We are budgeting * to World Missions and other Assembly Causes only 54% of what they need from us. We are budgeting* to Union Seminary, King College, and other Synod Causes only 54% of what they need from us:

We have cut our Church Extension work in the Presbytery from the asking of \$51,752 to a budgeted* figure of \$48,500; our Children's Home from the asking figure of \$25,000 to the budgeted*

figure of \$18,000; our Camp from the asking of \$10,000 to the budgeted* figure of \$7,500; and all other Presbytery work has been cut accordingly.

The basic problem is a spiritual one. Our people are not giving as they have been blessed. We will correct our financial distress when we by faith cure the spiritual disease rampant among us, which is: Our people are robbing God! What? Will men rob God? Yea, we rob him — in tithes and offerings.

*— We budget the actual amount accepted by the churches. However, receipts never equal the amount accepted. The average receipts to acceptances over the three years 1958, 59, 60 are:
 Presbytery Causes: 86.5% of amount budgeted actually received.
 Synod Causes: 80.0% of amount budgeted actually received.
 Assembly Causes: 86.4% of amount budgeted actually received.

RECOMMENDATIONS:

1. That the AUDIT above be approved and admitted to record.
2. THAT the INTRODUCTION above be received and printed in the minutes and that Presbytery approve and recommend that it be read in the churches of our Presbytery.
3. That the various causes in the Benevolence Budget be assigned to the churches in dollar-amount for each individual cause.
4. That to fulfill its benevolence responsibility a church must remit to each individual cause at least the full dollar-amount assigned for that cause.
5. That the following be adopted as our 1962 Budget:

1962 BENEVOLENCE BUDGET**ASSEMBLY'S CAUSES (54% of askings, 34% of total budget)**

World Missions	\$ 25,670
Church Extension	10,610

Rev. W. T. Manson, Jr. spoke a special word of thanks on behalf of Presbytery to the Stewardship Committee for their diligent work, and Rev. W. F. Wadsworth led Presbytery in prayer for the spiritual life of the church.

CHRISTIAN EDUCATION COMMITTEE

Rev. Paul Gess presented the report and recommendations of the Christian Education Committee, which was adopted with this addition: "That Mrs. A. G. Peery be commended and thanked for the magnificent work she has done for Presbytery's work with the education of children."

CHRISTIAN EDUCATION COMMITTEE REPORT ABINGDON PRESBYTERY JANUARY 23-24, 1962

Abingdon Presbytery's Christian Education Committee submits the following report with its recommendation to Abingdon Presbytery for information and approval:

The year 1961 was an active year in the field of Christian Education in your Presbytery, with over 600 young people, ages 9-18 enrolled in our Summer camp and conference activities.

The District and Presbytery wide Senior High Fellowship rallies were well attended. There are still many of our churches who do not have a separate Senior High Fellowship. It is hoped the Church Sessions will check to see that one is organized.

The Men of the Church had one of its most successful years, with more men participating in the total program of the church than ever before in the history of Men's work.

The Women of the Church have made substantial progress in all areas of the work of the church. Their district meetings

last Spring were devoted entirely to the field of Evangelism. This is encouraging progress.

The Sunday Schools of our Presbytery have not made the progress expected of them. We have fallen behind in recruiting new members for our Sunday Schools. We have been weak in our leadership training. It is hoped that this year will show a great improvement in this department.

RECOMMENDATIONS

Council on Camping & Conferences

1. That the Rev. Angus Shaw be appointed to replace the Rev. R. G. Shelor as Senior High Conference Director in 1963.
2. That the 1962 Summer Camp and Conference schedule be as follows:

3. That campers be registered on a first come first served basis without respect to the area of Presbytery in which they reside.
4. That the Rev. W. F. Wadsworth be reappointed as Central Treasurer for the camps and conference. Registrations for all camps and conference will be sent to him.
5. That Presbytery be urged to assist in every way possible toward having a full capacity in camps and conference this year, in order that full use may be made of our grounds and facilities. In this way the total program may be able to operate on a basis of sound economy.
6. That the ministers of Presbytery be urged to work in one of the camps or in the conference at least one week during the coming Summer. Church Sessions should not look upon this week as part of the ministers vacation.

AD-INTERIM COMMITTEE ON PRESBYTERY DCE

Rev. Doug Hix presented the report and recommendations of the Ad-interim Committee on a Presbytery Director of Christian Education. The following substitute motion was moved and carried: "That this report be docketed for the April meeting of Presbytery, and that Presbytery's Council be requested to study this matter in the meanwhile."

WOMEN OF THE CHURCH OF ABINGDON PRESBYTERY

Rev. W. T. Manson, Jr., presented the President of the Women of the Church of Abingdon Presbytery, Mrs. Ellis Ager, who was welcomed with a rising vote of appreciation by Presbytery. Mrs. Ager gave the following report to Presbytery on the activities of the Women, which was received as information and ordered printed in the minutes:

WOMEN OF THE CHURCH, ABINGDON PRESBYTERY REPORT 1960-61

The Women of the Church, Abingdon Presbytery, have cooperated and responded in many different and encouraging ways and have shown evidence of growth during 1960-61. The theme

"Heritage and Mission" was emphasized in circle Bible studies and monthly General Programs.

There are 67 groups of women organized at this time, one of these being inactive. One new W.O.C. group was organized, Castlewood, in District VII. Plans are underway for the organization of a Women of the Church in the Fairview Church and there is a circle meeting regularly in the Double Gates Community. There are also two other groups meeting as circles where there is no W.O.C. organization.

Local groups carried on the usual work of W.O.C. Reports seem to indicate that we continue to have attendance problems at monthly meetings. All groups participated in the programs of Mission of Friendship and Mission of Proclamation but there seemed to be a weakness in the Mission of Christian Action.

Increases were noted in gifts to Foster Falls and Furlough Homes. The Birthday Offering was \$2,411.94 as compared with \$2,007.38 last year. Other gifts were sent to Florence Calloway Scholarship Fund, Mission Court and Presbytery's Conference Grounds. At the present time the Women of the Church of the Presbytery are providing approximately \$700.00 for material for bedspreads and draperies for the new dormitories at Foster Falls. The total Penny-A-Meal Offering was \$1,752.00. Last year many of the Districts gave their offering from their District Meetings to the support of King College. One District gave their offering to the Haysl Church to help them rebuild after the flood.

All Districts held conferences in the spring using the Person to Person Evangelism theme "Go — that we may know". Three Districts had conferences in the fall and there are planned conferences for four Districts in April of this year.

Our Presbytery was represented at Synodical Training School in June 1961 and also at the Centennial Meeting of Synod & Synodical in Asheville, 1961. We shared in sponsoring the annual Interdenominational Christian Conference at Knoxville in June 1961. There were 15 delegates to this conference from Abingdon Presbytery. The Presbyterial President attended Women's Conference. The W.O.C. were represented at each meeting of Presbytery's Council.

The White Cross quota for our Presbytery was met and transportation paid.

The W.O.C. held their annual meeting Oct. 17-18, 1961 at the First Presbyterian Church, Pulaski, Va. The new year's emphasis "Christian Vocations" was observed by the theme "Whatever you do — to the glory of God". We were privileged to hear the Centennial Address by Dr. Wm. Wade at a special Centennial Observance of Presbytery and Presbyterial. Also, it was our privilege to hear Dr. W. T. Manson, Jr., Chm. of Women's Work in the Presbytery, who gave the Bible Study, a preview based on I Corinthians. The Memorial Bible, in memory of women who died during the past year, was given to the newest group, Castlewood.

We are continuing to urge all local groups to use the "Go — that we may know" program in order that all women may be enlisted into an active part of the church life and into some service for Christ.

As we look at the past year, we wonder if we accomplished what we hoped for in our Mission to the Nation program. Some think we have not and certainly some of the figures indicate we did not. And surely we do not have any great or spectacular thing to report. But as one of our District Chairmen said "it could be that the seed sown this year will bring forth much fruit in time to come. The roots have been planted deep and as we keep them watered and fed each year, they will grow up strong and abound."

We do thank God for this opportunity of service and we look to Him for strength and help in the year ahead.

Mrs. Ellis C. Ager
President, Abingdon Presbyterial

**ANNUAL REPORT
BOARD OF DIRECTORS
CHILDREN'S HOME
of
ABINGDON PRESBYTERY
FOSTER FALLS
VIRGINIA**

WINTER MEETING OF PRESBYTERY — January 1962

THE YEAR PAST

I. POLICY

The basic policy of accepting children continues the same as in the past. This action is governed by the Superintendent and the Board of Trustees, assisted by an Admissions Committee. These governing Bodies may, after due consideration, admit children between the ages of four and twenty. The decision for this action is based upon the child's definite need for such a home. It is further required that such children be of sound mind and body. The primary purpose of the Home is to render such parental care to those children who need the services we provide.

II. CHILDREN SERVED

The total number of children served by the Home this year was fifty-two (52). The children in care on January 1, 1961 was twenty-eight (28). The number of children admitted was thirteen (13), and the number that left care throughout the year was twelve (12). The major reason for those children leaving the Home was the re-establishment of homes and families. The Superintendent has investigated these children and have found that in most cases they are living normal and well ordered lives. This speaks well for the training these children received while in the Home.

A number of the children in the Home at the present time have been placed there by parents or friends. There has been a definite decrease in children placed in care by Departments of Public Welfare.

III. SPIRITUAL LIFE

The Home is gratified to report that the Spiritual life of the children seems excellent. Most of them, who are of the age of accountability, have made a public profession of their faith in Jesus Christ, as their Lord and Savior. Some of the highlights of the year in Spiritual life were the special services at the Galena Presbyterian Church (The Rev. Eldon Wadsworth, Guest Minister), and the Abingdon Presbytery Camp. The Home is especially thankful for the consistent Christian Leadership of the Galena Church throughout the year, under the guidance of The Rev.

Richard Shelor. The Home can, also, take pride in the Christian house mothers, as they manifest Spiritual Leadership day by day.

IV. STAFF PERSONNEL

There has been a complete change in staff personnel of the Children's Home of Abingdon Presbytery during 1961. The Rev. Donald G. Buchanan, assumed the duties of Superintendent on April 1, 1961. Rev. Buchanan came to the Home from a Pastorate in Culpepper, Virginia. However, working with children has been his first ministry. His training in children's work began at Blue Ridge School, near Charlottesville, Virginia, as teacher and house parent. He was associated with the Presbyterian Children's Home of Itasca, Texas, and was Superintendent of the Paxton Memorial Home for Children, Leesburg, Virginia, for a number of years. It was felt, in the best interest of the Home, that Rev. Buchanan should be allowed to assemble his own staff personnel. Therefore, at this time, the staff includes Mr. R. S. Gantt, Assistant Superintendent, with eight years' experience in Children's work. Mrs. R. S. Gantt, house mother to the girls, eight years' experience. Miss Laura Walter, younger boys house mother, five years experience. Mrs. Lillian Hitt, older boys house mother. Mrs. Virginia Leffew, cook. Mr. and Mrs. Glen Corvin, Maintenance. Our staff is dedicated people who look well to the physical and Spiritual needs of the children.

V. FINANCE

An audit of the books at the Children's Home has been completed by Mr. Ray Lemons & Associates, Certified Public Accountants, of Pulaski, Virginia. A complete and comprehensive report has been prepared by this firm, and the original copy has been filed with the Stated Clerk of Presbytery.

Attached also is a report of the building committee chairman, Mr. Lee Turpin, of Building Fund Disbursements.

VI. BUILDINGS AND GROUND (OLD PROPERTY)

The Presbytery holds title to 4.75 acres of land, which was acquired from the Virginia Iron Coal & Coke Company, in 1919. Legal title to this property is at this time vested in S. B. Campbell, Sr., John A. Lester and George Sanders, as Trustees. The buildings on this property are in poor condition and in need of repair. However, we should not complain, since this Children's Home has served Abingdon Presbytery for forty-two years.

NEW PROPERTY

The Presbytery has acquired a beautiful tract of land, consisting of eighty-nine acres, on the Southwest side of Wytheville, on Highway 21, for the purpose of erecting a new Children's Home. Already two cottages are nearing completion, and we are looking forward to moving from Foster Falls to the new Home in the near future. Each cottage has a living room, study area, small

kitchen, laundry, infirmary, bath facilities and six bedrooms. Each cottage will have a housing capacity of eighteen children.

VII. FUTURE

Long range planning calls for the completion of six such cottages, and a central dining room and administration building. Future plans, also, calls for a swimming pool, ball fields and other recreation areas. When all the buildings are completed the Home will be able to care for seventy-five to eighty-five children. When all of this has reached completion, the Presbytery can point, with pride, to the finest Children's Home in Southwest Virginia.

STANDING COMMITTEES

Bills and Overtures: No report

Courtesy: Rev. James Somerville presented the following report of the Courtesy Committee:

Whereas the Session and congregation of the Glade Spring Presbyterian Church have extended hospitality in inviting the Presbytery to meet here for the overnight, winter Stated Meeting;

And whereas this demands no little advance planning and preparation as well as service at the time of the meeting;

And whereas the Women of the Church have served attractive

and sumptuous meals;

And whereas the choir and Session have assisted in the direction of worship;

And whereas the families of the church have warmly received us into their homes;

Therefore be it resolved, that: Abingdon Presbytery in its 207th Stated Meeting expresses its profound thanks to the session and congregation of the Glade Spring Church for their hospitality, commending them for thoughtfulness and diligence and praying God's continued blessing upon this church.

OTHER NECESSARY BUSINESS

Rev. Holmes Rolston, III, presented the following resolution which was adopted:

Motion: That Presbytery pass the following resolution addressed to the General Assembly of Virginia, and that copies of it be sent by the Stated Clerk to the five Senators and the 13 Delegates representing the Ninth District in the General Assembly, and that copies also be sent by the Publicity Clerk to such daily and weekly newspapers as he may deem wise within the bounds of our Presbytery.

Resolution:

To: The Honorable Members of the General Assembly of Virginia
To: Senators and Delegates representing the Ninth District
Gentlemen:

(1) Whereas, it has come to our attention that legislation designed to permit the introduction of the sale of whiskey and other intoxicating liquors by the drink in public restaurants and similar institutions in our state is likely to come before this Session of the General Assembly,

(2) Whereas, it is the conviction of our Presbyterian Church in the United States that total abstinence is the wisest Christian and moral approach to the problems of alcohol,

(3) Whereas, alcoholism is already among the great physical and mental health problems of our state, and the effect of such legislation would be to make alcohol more readily available,

(4) Whereas, drivers who drink are already a serious menace to the safety of our highways, and the likely effect of such a sale of strong drink in public restaurants and similar institutions would be to increase the number of drinking drivers,

We, the Abingdon Presbytery of the Presbyterian Church in the United States, meeting in our 207th Stated Meeting, at Glade Spring, Virginia, do now express our conviction:

(1) That the legal permission of the sale of whiskey and other intoxicating liquors by the drink in restaurants and similar

establishments is not in the best interests of the public moral, spiritual, and physical welfare of the state of Virginia, but would be detrimental to public welfare,

(2) That the legal permission of such a sale of strong drink would make alcohol more readily available, resulting in increased drinking, an increased consumption of these beverages by an increased number of people, and therefore aggravate present problems of alcohol,

(3) That more than enough whiskey and other intoxicating liquors are being consumed in our state at present, and liberalized drinking laws are now needed,

(4) That the problem is one which may best be dealt with by legally forbidding such sale at a state wide level, as is presently done, and is not a problem to be handled more wisely by a local or county option,

(5) That any legislation which may come before the General Assembly permitting the introduction of the sale of whiskey and other intoxicating liquors in public restaurants and similar institutions, including such legislation on a county or local option basis, should be defeated.

Signed: P. O. Sartell
Stated Clerk

Rev. D. W. A. Taylor presented the following supplementary report of the Commission on the Minister and His Work, which was adopted:

SUPPLEMENTARY REPORT OF

THE COMMISSION ON THE MINISTER AND HIS WORK

Recommendations:

1. That Mr. Bert Edwards' relation to the Presbytery and the Jewell Ridge Presbyterian Church be designated as Candidate for the Ministry, student supply preacher, and Ruling Elder of that church, having been invited to this work by the Session of the Jewell Ridge Church, with the concurrence of the Commissioner on the Minister and His Work, in accordance with Paragraph 25-4 (c) of the Book of Church Order.

2. That the following recommendation of Presbytery's Church Extension Committee, forwarded to the Presbytery through the Commission on the Minister and His Work, be approved, and that both the Church Extension Committee and the respective churches involved be commended:

"The Church Extension Committee requests the concurrence of the Commission with regard to the following annual salary increases:

Loren V. Watson	\$240
Holmes Rolston, III	\$240
J. J. Watkins	\$240

R. G. Shelor	\$240
M. C. Doubles	\$240

In making this request, the Church Extension Committee has used three criteria: (1) Significant numerical and financial increases in the churches served; (2) length of service in the present field; (3) size of family."

For the Commissioner on the Minister
and His Work
David W. A. Taylor

It was moved and carried that Presbytery's Council should consider strengthening the request that reports and recommendations to Presbytery be placed in the hands of the representatives earlier.

The invitation of the Powell's Valley Church for the summer meeting of Presbytery was docketed for Spring meeting with approval of this meeting of Presbytery.

**REPORT OF PRESBYTERY'S COUNCIL TO
THE SPRING MEETING OF ABINGDON PRESBYTERY**

Presbytery's Council reports to Presbytery as follows:

1. At the January, 1962, (207th Stated Meeting) of Abingdon Presbytery, the following resolution and direction to Presbytery's Council was received and adopted:

"It was moved and carried that Presbytery's council should consider strengthening the request that reports and recommendations to Presbytery be placed in the hands of the representatives earlier."

Pursuant to the direction of Presbytery, Council has given careful consideration and study to the proposal of this resolution and has made arrangements that committee reports involving recommendations to Presbytery be circulated by the Stated Clerk to the Commissioners to Presbytery. When the Stated Clerk circulates the docket, he should provide those attending Presbytery with the recommendations to be presented to Presbytery prior to the Stated Meeting.

With regard to other recommendations, Council has appointed a Subcommittee composed of Judge Albert G. Peery, Rev. P. O. Sartelle and Rev. Dr. W. A. Taylor, to study this matter and report to the next meeting Council.

2. The third paragraph on page 56 of the minutes of the 207th Stated Meeting of Abingdon Presbytery, as the same appears in the printed minutes of that meeting, was amended by action of Presbytery's Council to read as follows:

"The invitation of the Draper's Valley Church for the Summer meeting of Presbytery was docketed for Spring meeting with approval of this meeting of Presbytery."

3. Council took note of the death of Mrs. George Ogilvie, who served as the first Secretary of the Council, and sincere sympathy was expressed to her husband and parents.

4. Council fixed 10:00 A. M., April 17, 1962, for the time of the 208th Stated Meeting of Abingdon Presbytery at the Gladeville Presbyterian Church in Wise, Virginia.

5. June 26, 1962, at 10:30 A. M. at the Sinking Spring Church, Abingdon, Virginia, was designated as the date, time and place for the next regular meeting of Presbytery's Council.

6. At the January, 1962, (207th Stated Meeting) of Abingdon Presbytery, the following action taken with regard to the report of the Ad Interim Committee on a Presbytery Director of Christian Education:

"That this report be docketed for the April meeting of Presbytery and that Presbytery's Council be requested to study this matter in the meanwhile."

At the meeting of Presbytery's Council there was much discussion on this report, centering around two points:

- (a) The need for such an office, and
- (b) The ability of Presbytery to assume the financial obligation of such work at this time.

Presbytery's Council, therefore, makes the following recommendations to Presbytery:

RECOMMENDATIONS:

- I. Concerning Presbytery's D. C. E.

(1) That Presbytery recognize the need for the employment of a Director of Christian Education for Presbytery.

(2) That ways and means of securing the additional funds necessary for the employment of a Director of Christian Education for the Presbytery be referred to Presbytery's Christian Committee for study and report to a later meeting of Presbytery.

- II. Concerning Committee on Christianity and Health.

(1) Council considered the function of Presbytery's Ad-Interim Committee on Christianity and Health and makes the following recommendation to Presbytery:

That the Ad Interim Committee on Christianity and Health be asked to report to Presbytery concerning its view as to whether this Committee should be made a permanent committee of Presbytery or should be dissolved.

III. Council recommends that Presbytery re-elect the Executive Secretary, Dr. T. A. Freeman, for a term of three years beginning August 1, 1962.

IV. At the January, 1962, (207th Stated Meeting) of Abingdon Presbytery, an amendment to Presbytery's Manual, which was Recommendation No. 5 of Presbytery Council printed on page 16 of the minutes of the 207th Stated meeting of Presbytery, was passed:

"On page 8 of the Manual, Chapter III, under the heading of 'Moderator', the entire first numbered article be substituted and replaced with these words —

"The Moderator shall be elected at each stated meeting of Presbytery. The Moderator to be elected shall ordinarily be nominated at the stated meeting prior to the one at which he is elected; it being stipulated, however, that the Moderator of the Winter Stated Meeting shall ordinarily be the Moderator — in nomination for the Spring Stated Meeting, and that the Moderator of the Summer Stated Meeting shall ordinarily be the moderator-in-nomination for the Fall Stated

Meeting. Two moderatorial sermons shall be heard per year, one at the Spring Stated Meeting and one at the Fall Stated Meeting."

Respectfully submitted,

Stuart B. Campbell, Jr., Chairman

RECOMMENDATIONS WITH EXPLANATION

I DOUBLE GATES:

The new work at Double Gates is proceeding smoothly. Regular services continue to be held weekly under the leadership of professors of King College. Miss Stribbling has returned to the community following surveys in other Presbyteries. The Atlanta Board has granted \$10,000 toward the development of this new work. The Committee has secured the services of the Department of Survey and Site Location of the Board and with concurrence of the Department offers the following recommendations:

1. That the option between the Trustees of Presbytery and the Leatherwood Company be exercised and that the two acre site be secured for the Church at the agreed figure of \$5,000 per acre.

2. That the site recommended for a manse, consisting of approximately $\frac{1}{4}$ acre, owned by Mrs. Joseph P. Cofer, be purchased at a cost of \$1,600.
3. That the site (approximately one acre) given this Presbytery by the Presbytery of Bluestone be sold to Mr. Lon E. Yates for \$5,500 and that the Trustees of Presbytery be authorized to complete the transaction. The proceeds of said sale to be applied to the purchase of the new site.
4. That the undersigned Campaign balance of \$5,399.61 be designated to apply on the purchase of these sites, also.
5. That the Presbytery permit the temporary grouping of this Double Gates work with the Tazewell Church in order that a pastor can be secured with less cost to the Committee. The Pastor to serve as an Assistant Pastor at Tazewell and as Pastor at Double Gates upon the organization of the Chapel.
6. That June, 1962 Penny-A-Meal Offering be designated toward the construction of a church at Double Gates.

II MARYS — BURKES GARDEN CHURCHES:

These churches have been grouped with the Tazewell Church in order to support a pastor. The pastor served as an assistant at Tazewell, with primary responsibility for the two Chapels. It has been impossible to secure a pastor in this five church/chapel relationship over the last 15 months. The Committee recommends that in light of the above Tazewell-Double Gates relationship and in light of the concurrence and request of all churches concerned, that Marys and Burkes Garden be established as a two Church field and that the Committee assist in salary support by approximately \$1,480 annually.

III COEBURN — MARY MARTIN MEMORIAL CHURCHES:

This, also, is a five church/chapel field and too large to be adequately served by one pastor. The Committee recommends:

1. That a seminary student be secured to serve in Coeburn during the summer to determine something of the opportunity and potential and
2. That if and when the way be clear, the Coeburn Church be established as a separate pastorate.

IV CLINTWOOD:

The County Seat of Dickenson County would appear to have a nucleus of Presbyterians currently interested in organizing a Presbyterian Church. The Committee recommends:

1. That Miss Bessie Mae Stribbling be authorized to survey the town and determine the potential for a church and
2. That if the way be clear a seminary student be secured to serve during the summer with a view toward the developing of a chapel of the Dickenson First Church in Clintwood. It is the Committee's plan to develop this and the Haysi work as a Dickenson County Larger Parish.

V EVANGELISM:

Our Presbytery shows a net gain in membership of 1.2% over last year! The Sunday Schools report only 57 more members than in 1960! Our Presbytery has grown by only 1,960 members in the last 20 years; the Sunday Schools by 959 members! Last year 21 churches reported no one received on profession of faith!! An additional 20 received only five or less new members! Do we no longer believe that people outside of Jesus Christ are lost?

1. The Committee recommends that Presbytery hear the Chairman of the Sub-Committee on Evangelism, the Rev. J. Clyde Mohler and, the Chairman of Synod's Evangelism Committee, the Rev. Marvin K. Compher.

VI NEW CHURCH AND MANSE FINANCING:

Since the conclusion of the Church Extension Campaign, the Committee has been without a continuing means of financing new church and manse construction. Yet the opportunity to extend the church in Abingdon Presbytery has in nowise diminished. A current survey shows need for assistance with 19 projects over the next five years. In view of the decided blessings of the Campaign, the Committee knows that the Presbytery does not want to curtail the extension of our church. During the past year the Committee has been searching for a means to raise a minimum of \$10,000 annually for building purposes. We are presenting an adaptation of the most successful program operating in our Assembly at this time, the "52 Club" of St. John's Presbytery (Florida.) This program solicits a membership of \$1.00 per week from families to be paid in quarterly, semi-annual or annual installments. Multiple memberships will be welcomed and the Committee also proposes one-half memberships for those who are not financially able to hold a full membership of \$52.00 per year. We further propose to present this idea and secure pledges at eleven area covered dish suppers to be held (pending confirmation of the local churches) as follows:

DATE	LOCATION	COVERED DISH SUPPER TO INCLUDE THESE CHURCHES:
May 2	Tazewell	Marys, Burkes Garden, Litz, Thompson Valley, Cove, Double Gates

The program for the evening is tentatively entitled "The Abingdon Story and A Look to the Future" and will be presented in a similar procedure to that of the Board at the 1961 General Assembly. Pledge cards would be made available following a brief inspirational talk by our Executive Secretary. It is planned for all pledges to be paid to a Central Treasurer who shall keep records and advise pastors of total receipts annually for inclusion in the Session's Statistical Report.

1. The Committee recommends "The 52 Club" plans as outlined above and requests the endorsement of Presbytery.

It was further determined that the ministers of Abingdon Presbytery plan to attend the King College Seminar in September. In making this determination, Rev. Dr. I. M. Ellis stressed the importance of all ministers attending such a seminar in preparation for the new Covenant Life Curriculum.

COMMISSION ON MINISTER AND HIS WORK

The report of the Commission of the Minister and His Work was presented by the Rev. Dr. David W. A. Taylor, and the recommendations were adopted.

Recommendations:

1. That the minutes of the Commission on the Minister and His Work of March 8, 1962, dissolving the pastoral relationship between the Rev. Angus R. Shaw, III, and the Seagle Memorial Church, be admitted to record.
2. That the call of the Royal Oak Church for the pastoral services of the Rev. Angus R. Shaw, III, be approved and placed in his hands. The call specifies an annual salary of \$4,800.00; \$600.00 automobile allowance; group insurance; and all other perquisites required by the Presbytery.

3. That the Rev. George C. Bowman be granted Honorably Retired Status, effective June 1, 1962, and that the stated clerk be instructed to express to Mr. Bowman the appreciation of the Presbytery for his faithful and effective service, and the letter be printed in the minutes of Presbytery.

4. That the Associate Pastor relationship of the Rev. John K. Boyd with the Fairview Church be dissolved, effective May 1, 1962. In this connection, Mr. P. E. Puckett of the Fairview reported the concurrence of that church with Mr. Boyd in his request to Presbytery.

5. That the following churches be granted permission to amend the terms of their calls, respectively, to their pastors, as follows, and that the churches be commended:

 Central Church — increase pastor's salary \$600.00 per year;

REV. ANGUS R. SHAW

The Commission on the Minister and His Work of Abingdon Presbytery met in Seagle Memorial Church, Route 1, Pulaski, Virginia, on March 8, 1962, at 7:50 p. m. Members present were as follows: Ministers — David W. A. Taylor, Chairman, T. A. Freeman, and J. Clyde Mohler; Ruling Elders — H. T. Patteson, and James B. Vance. The meeting was opened with prayer by the chairman, and a quorum was declared present. Rev. J. Clyde Mohler was appointed clerk of the meeting.

The Rev. Angus R. Shaw, III, appeared before the Commission and requested that the pastoral relationship between him and the Seagle Memorial Church be dissolved, effective March 18, 1962, in order that he may be free to accept the call of the Royal Oak Church, in Marion, Virginia, for his pastoral services. Mr. T. C. Painter, a ruling elder of the Seagle Memorial Church, appeared before the Commission and testified that at a congregational meeting duly called for the purpose, the Seagle Memorial Church had reluctantly concurred with Mr. Shaw in his request to the Presbytery that his pastoral relationship be dissolved.

On motion duly made, seconded and carried, the pastoral relationship between Mr. Shaw and the Seagle Memorial Church was dissolved effective March 18, 1962. Several expressions of appreciation were heard concerning the work which Mr. Shaw had done in this pastorate.

These minutes were read and approved, and on motion the Commission was adjourned with prayer by Mr. James B. Vance.

REPORT TO THE ABINGDON PRESBYTERY WHICH MEETS APRIL 17, 1962**FROM THE ABINGDON PRESBYTERY CAMP COMMITTEE — R. E. KELL, CHAIRMAN**

The Board of Directors of the Presbyterian Camp met on Tuesday afternoon, March 20, 1962 at 2:30 P. M. and took the following action:

1. Agreed to enter into contract with city of Bristol, Tenn. to pay a tap fee of \$125.00 when the proposed water line is laid along the road in front of the camp grounds. After the city estimates the cost of pipe and laying this line, the Committee will have the responsibility of deciding whether or

not it will pay the pro rata share of the cost along with the 60 other property owners along the same road, all of whom have signed the agreement to pay the tap cost and to negotiate the remaining cost. The Committee is enthusiastic over the prospects of getting city water on the premises.

2. The Committee instructed the chairman to pay to Mr. H. H. Worrell \$2,363.73 which will pay in full for the camp site which we purchased some five years ago.

3. Mr. Curtis Wilson reported that he has winterized two cabins on the camp grounds. One known as Little Intermont and one known as Mayor's Cabin. An excellent job has been done on these two cabins which will enable the Presbytery to use them during the winter months. The cost was \$1,160.00.

4. On the recommendation of the Religious Education Committee, this committee approved the fees presently charged each camper attending the summer conferences. The charges are as follows:

\$12.25 plus 50c INSURANCE (SICKNESS & ACCIDENT)
PER WEEK

plus \$3.00 FOR CHRISTIAN EDUCATION EXPENSES

5. The Committee passed the resolution to call to the attention of all the churches in the Presbytery that reservations for use of the conference grounds at periods other than regular time of the conferences be made with Mr. Curtis Wilson not later than May 15th. Mr. Wilson's address is 1919 Norway Street, Bristol, Virginia.

6. The Committee approved a motion that Mr. Curtis Wilson be instructed to purchase 24 steel chairs and 3 tables.

7. The Committee passed a motion that Mr. Curtis Wilson be instructed to get an estimate on the cost of another shelter which the Religious Education Committee feels is badly needed.

8. The Committee approved the mailing to all churches for distribution to the Sunday School Superintendent, Adult Advisor and Chairman of the Board of Deacons copies of the facilities and charges for the use of the conference grounds other than during the regular season of the camp grounds.

Your Committee is pleased with the outstanding progress that has been made financially and in the improvement of the camp grounds during the business administration of Mr. Curtis Wilson and commended him for his great contribution and good services to this project.

This Committee is also grateful to Mrs. Preston O. Sartelle for her fine services as bookkeeper of the conference grounds.

Respectfully submitted,

5. Council heard an encouraging report from the Central Treasurer of Benevolences, who reported that the receipts for the first six months of 1962 have exceeded by \$6,700.00 the re-

celpts for the first six months of last year. This reflects in a large part the more regular remittances by the Churches of Presbytery.

6. Council approved the report of the Reverend Mr. P. O. Sartelle, Current Expense Treasurer, and considered his request that the bookkeeping system of the Current Expense Treasurer be changed to conform with the calendar year, adopted a budget for 1962 and an assessment of 57c per capita for the Churches of Presbytery to meet this budget, the assessment being the same as last year.

A portion of this matter was dealt with at the 208th Stated Meeting of Abingdon Presbytery. At the last Council meeting the Subcommittee appointed by Council reported as to altering the time when new business should be introduced. Council formulated recommendations on this matter.

3. That the following calls for the services of Mr. Leonard H. Gibbs be approved, and that, following his examination and reception by the Presbytery, they be placed in his hands: (see page 22)

Moreover, this call further guarantees the promise of the Mountain Lane Chapel that this chapel (or, in event of default, the Church Extension Committee) will also pay the sum of \$600 per year in

CHURCH EXTENSION

The report of the Church Extension Committee was presented by the Chairman, Rev. W. F. Wadsworth, as follows:

THE REPORT OF THE CHURCH EXTENSION COMMITTEE
209th Stated Meeting of Abingdon Presbytery

I. DOUBLE GATES:

The two-acre site under option by the Trustees and approved for purchase at the Spring Meeting of Presbytery has been secured. The architectural firm of Echols Sparger and Associates, Marion, Virginia, has been retained for sketches following recommendations by our former architectural consultant with the board, the Rev. O. V. Cauldill.

The evangelist, elect, Mr. Leonard H. Gibbs has moved into the College Terrace Apartments and is making acquaintances and assuming the leadership in developing and organizing the Chapel into a church.

The Manse site has been secured as approved at the last meeting of Presbytery.

Recommendation:

That since Mr. Lon E. Yates is no longer interested in exercising his verbal option to purchase the site given this Presbytery by the Presbytery of Bluestone as approved at the April meeting, that a Committee composed of Rev. A. R. Shaw, III, Rev. J. Clyde Mohler and the Committee Chairman be authorized to sell said site, the Trustees hereby being authorized to make conveyance upon the approval of this Committee and the proceeds of the sale to be used to retire the loan secured by the Committee in purchasing the new site.

II. CLINTWOOD SURVEY

Synod's Church Extension Worker, Miss Bessie Mae Stribling, has submitted her report in connection with a recent survey of Clintwood, Virginia. "There are five organized churches within the limits of Clintwood as follows: Missionary Baptist, Freewill Baptist, Methodist, Church of God, and Roman Catholic."

"After rather thorough house-to-house survey of about 200 families and after making many inquiries in various business places of Clintwood, I found only 15 families which had one or more Presbyterians. Of the 200 families, 119 claim to be some form of Baptists and 27 Methodists. Various smaller organizations were represented in small numbers."

"Of the 15 Presbyterian families, four are in Clintwood temporarily — three of them are connected with the construction of a new government dam near Haysl. A young Presbyterian doctor is serving with a miner's clinic but expects to be moved within the next year or two. Of the 11 families, eight are attending (and some are members) of either the Baptist or Methodist Churches, and in most instances are active in them."

"I found 14 families who admitted they did not go to church. However, I think there are quite a number of others, seemingly indifferent, who do not attend, and whose children are not in Sunday School."

After receiving the results of the survey, the Committee has considered it unwise to begin a Presbyterian work in Clintwood this summer. We concur with Miss Stribling's recommendation that when we do begin, we should have a permanent and comfortable place in which to meet, and a resident pastor who has a proper dedication, faith, patience and energy to be used of God to develop over a period of years, a church in Clintwood. The Committee does not plan to move forward at this time with the establishment of a church in the county seat of Dickenson County.

III. "THE 52 CLUB":

Acknowledgment is made with sincere gratitude for the success of "The 52 Club" — a continuing program to build new churches and mansees and to enlarge existing churches. More than \$10,500 has been subscribed in memberships. Following is the statistical report of memberships taken at the area suppers and by local churches.

The Committee expresses its genuine appreciation to the Pairs and Spares of Tazewell Church for the excellent and unique development and the inspiring and effective presentation of "The 52 Club" program and to all who have had a part in making it a success.

IV. CHURCH SIGNS:

All churches, especially Church Extension Churches are requested to review their signs, to determine if they exist, if they are sufficiently large enough to be read at a distance, in good repair, etc. Let it no longer be said of any of our churches, "If it has no sign, it must be a Presbyterian Church."

V. EVANGELISM:

The attention of pastors and sessions is called to the fact that The Rev. George C. Bowman has assumed the status of "Honorably Retired," and that he plans to enter more fully into evangelistic work. He has rendered a very effective service in Abingdon Presbytery in the past years as full-time Evangelist and as a part-time Evangelist while serving as pastor of the Gate City Church. The Committee commends him to the churches of the Presbytery in order that we may continue to benefit from his abilities.

WORLD MISSIONS

The report of the World Missions Committee was presented by the Chairman, Rev. J. K. Boyd, as follows:

WORLD MISSION REPORT

ABINGDON PRESBYTERY

JULY 17, 1962

World Mission Share of Our Dollar: Abingdon Presbytery

1928—12.2%	1959—4.1%
1948—8.2%	1960—3.9%
1958—4.2%	1961—2.8%

This decrease in our Presbytery last year was due primarily to our own budget and stewardship policies.

If you have not read "Our Shrinking Mission," please do. It's in the May issue of Survey. Our missionaries have cut their own salary and benefits. They are having to close down schools for lack of money. They are having to curtail their medical service. We are not doing our best.

Just as an alcoholic cannot be cured until he recognizes his weakness and wants to be saved from it, — neither can our Church be cured of its lack of power until it recognizes its lack of dedication to Christ's Great Commission.

A member of Presbytery's World Mission Committee is planning to go to the World Mission Conference and the Committee will take care of his expenses.

Encourage:

1. An increase in your gifts to World Missions by a dollar per member this year.
 2. Your Church to take on the unsubscribed support of our missionaries on their work budgets.
 3. Pray for our missionaries and put feet to your prayers.
- Let's Proclaim Christ to be the Saviour of the whole world—not just to our southern states. Don't forget John 3:16, "For God so loved the world that He gave his only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life."

STEWARDSHIP

The report of the Stewardship Committee was presented by the Chairman, Rev. W. F. Shouse, as follows:

STEWARDSHIP COMMITTEE REPORT

PART A

ACTUAL GIFTS IN 1961

FROM THE CHURCHES OF ABINGDON PRESBYTERY

(From Statistical Reports)

Budgeted Benevolences:

Assembly's Causes	\$49,965	down \$12,696	(1)
Synod's Causes	30,922	up 8,736	(2)
Presbytery's Causes	72,528	up 6,866	(3)
Total Budgeted Benev.	\$153,415	up 2,906	(4)

Non-Budgeted Benevolences:

Assembly's Causes	\$ 4,027	up 904	(5)
Synod's Causes	27,363	up 25,412	(6)
Presbytery's Causes	43,696	down 4,787	(7)
Congregational Missions	7,414	up 130	(8)
Miscellaneous	10,867	up 5,387	(9)
Total Non-Budgeted Benev.	\$ 93,367	up 27,046	(10)
Total Benevolences	246,782	up 29,952	(11)
Current Expenses	436,707	up 24,456	(12)
Total Gifts (Excluding Bldg. Fund)	683,489	up 54,408	(13)
Building Fund Receipts	151,259	down 31,372	(14)
GRAND TOTAL CONTRIBUTIONS	834,748	up 23,036	(15)

Lines (1) - (4) show an increase in giving to Budgeted Benevolences but a distressing decline in giving to Assembly's Agencies. This decline in giving to Assembly's Agencies and the increase in giving to Synod's and Presbytery's Agencies is mainly due to the way we made our budget for 1961. The budget we adopted last January for this current year will, to some degree, halt giving to Synod's and Presbytery's Agencies at the expense of Assembly's Causes.

The increase in line (6) and decrease in line (7) is due to the beginning of the King College Campaign and the end of the church Extension Campaign, respectively.

Once again we can report that our giving has increased. However, our record is still very poor when we compare ourselves to the other Presbyterians of our Synod. (See first chart under PART B.)

RECOMMENDATIONS:

EVERY CHURCH CANVASS AND EVERY MEMBER CANVASS

In accordance with Presbytery's Manual, the Stewardship Committee plans to visit (through its representatives) each church in the Presbytery to encourage them in their stewardship efforts and to consult with them about their benevolence acceptance for 1963. As a preparation for this Every Church Canvass, and to help the churches in their Every Member Canvass, we make the following recommendations.

1. That Presbytery endorse a pulpit exchange which will be planned and carried out by the Stewardship Committee.

(We plan this exchange for late September. The men who participate in this exchange will be asked to expound on the subject of tithing, and for their instruction and direction, "From Theology to Stewardship," the report of Assembly's ad interim committee on tithing, will be placed in their hands.)

ASSEMBLY-WIDE CAMPAIGN FOR CAPITAL FUNDS

2. That Presbytery recognize the request of the General Assembly that 1963 be reserved for an Assembly-wide campaign to secure capital funds for the work of Assembly's Board and Agencies.

PRESBYTERY CAMPAIGN FOR CHILDREN'S HOME

3. That Presbytery reserve the year 1964 for an intensive capital funds campaign for our Children's Home.

ASKINGS FOR 1963

4. That the following ASKINGS be approved and that the adoption of a budget for 1963 be deferred until the January Stated Meeting of Presbytery:

(Practically every item in the ASKING breakdown below is identical to the ASKING for 1962. These ASKINGS have been frozen this year, anticipating a radical change in the method of setting ASKINGS, which will probably come into effect next year at all levels in our church.)

AD-INTERIM COMMITTEE ON CHRISTIANITY AND HEALTH

The following report of the Ad-Interim Committee on Christianity and Health was presented by the Chairman, Rev. Malcolm C. Doubles, and recommendations adopted.

REPORT OF PRESBYTERY'S AD-INTERIM COMMITTEE ON CHRISTIANITY AND HEALTH TO ABINGDON PRESBY- TERY MEETING IN WYTHEVILLE, JULY 17, 1962

Abingdon Presbytery's Ad Interim Committee on Christianity and Health met at the Lebanon Church at 7:30 P. M., Monday evening, May 20. The following members of the Committee were present: Dr. C. F. Johnson (Abingdon), Rev. J. Clyde Mohler (Saltville), Rev. Charles S. McChesney (Norton), and Rev. Malcolm C. Doubles (Lebanon.) Dr. Elizabeth Johnson (Tazewell) was unable to attend, but communicated her opinion on the subject under question to the Committee.

The Committee discussed at length the recommendations of the General Assembly relative to the establishment of Permanent Committees on Christianity and Health in each Presbytery. It was the opinion of the Committee that there were a number of suggestions made by the Assembly to Presbyteries which would be the logical work of a Committee on Christianity and Health. Likewise, it was agreed that there was a need in Presbytery for instruction as to the proper relation between Christian faith and health.

In regard to the composition of such a permanent Committee on Christianity and Health, it was the opinion of your committee that the number should be small, and geographically located within an area small enough for maximum attendance at meetings, especially by the medical doctors serving on the committee.

Therefore, your Ad-Interim Committee respectfully submits the following recommendations to Abingdon Presbytery for its approval:

1. That a Permanent Committee on Christianity and Health be established by Abingdon Presbytery;
2. That this Committee consist of three medical doctors and three ordained ministers; and
3. That the following be included in Presbytery's Manual: "PERMANENT COMMITTEE ON CHRISTIANITY AND HEALTH"

"There shall be a permanent Committee on Christianity and Health, whose function it will be to serve as an arm of the Assembly's Committee on Christianity and Health and to encourage proper education within Presbytery on the subject of the relation between the Christian faith and health. This Committee shall consist of three medical doctors and three ordained ministers."

Respectfully submitted,

Malcolm C. Doubles, Chairman
Abingdon Presbytery's Ad-Interim
Committee on Christianity and Health

REPORT FROM PRESBYTERY'S COUNCIL

Ruling Elder Stuart B. Campbell, Jr., Chairman, presented the Report of Presbytery's Council, which was adopted with the following amendment. "That the manual of Presbytery be amended to provide for the bond of \$50,000 in place of \$5,000 bond in regard to the Treasurer."

Presbytery's Council reports to Presbytery as follows:

(1) The question of a conflict between the Articles of Incorporation of the Children's Home of Abingdon Presbytery, Incorporated and Presbytery's Manual was raised and, after consideration of the matter, it was adopted that Section 5, Part 2 of Presbytery's Manual be revised by adding the following words: "However, the Chairman of the Board of Directors of Abingdon Presbytery's Children Home shall be elected by members of the Board." The Articles of Incorporation provide that the Chairman of the Board shall be elected by the Board, and the Manual provides that the Chairman of all Presbytery's boards, commissions and committees shall be elected by Presbytery. Inasmuch as Presbytery elects all members of the Board of the Children's Home, it is thought that the fact that the Board, itself, would elect its Chairman would make no material difference to Presbytery and would still conform with State law.

(2) Council appointed a Committee consisting of the Chairman of Presbytery's Stewardship Committee, the Benevolence Treasurer and the Chairman of the Board of Directors of the Children's Home of Abingdon Presbytery to study and report at the next Council meeting on the clarification of Presbytery's policy concerning Fifth Sunday offerings for the Children's Home.

(3) It was noted that the minutes of the 210th Stated Meeting of Abingdon Presbytery should be corrected on page 14, Item B, to read \$1,000.00, expense allowance, rather than \$100.00 expense allowance.

(4) The Benevolence Budget for Presbytery as presented by the Stewardship Committee was approved for presentation by that Committee to Presbytery.

(5) Council considered the matter of the bond of the Benevolence Treasurer, which was \$5,000.00, and, after hearing a report from the Treasurer on the funds passing through his hands, raised the amount of this bond to \$50,000.00, one-half of the expense of the premiums to be paid by Presbytery's Treasury and one-half to be paid by the Church Extension Committee, for which he also acts as Treasurer. Council arranged for the audits of the books of the Benevolence Treasurer and of the Current Expense Treasurer.

(6) At the 209th Stated Meeting of Presbytery, Council reported that it had changed the Current Expense Treasurer's bookkeeping system from a fiscal year to a calendar year. Therefore, Council adopted a current expense budget for the year 1963 and an assessment of fifty-seven cents per capita for the Churches of Presbytery to meet this budget, the assessment being the same as last year. The budget will be presented in stated Clerk's report.

(7) The absence of Committee chairman, or a member of the committee designated by the Chairman if he were unable to attend, was noted, and the Stated Clerk was directed to remind all Committee Chairmen of the necessity for their having a representative present at the meeting of Council and, further, that Presbytery's Manual provides that no recommendation of a Constituent committee of Council can be brought to the floor of Presbytery without having been presented to Council. It is obviously impossible for this to be done if a committee makes no report to council at its regular meeting.

(8) The Central Treasurer reported that it was anticipated that benevolent receipts would be approximately \$5,000.00 more than in 1961. He also called the attention of Council to the fact that Assembly's agencies now close their books promptly on December 31st and that remittances made from the Churches after the 26th or 27th of December intended for those agencies would be credited on 1963 receipts rather than for 1962.

(9) Council nominates the Reverend Mr. P. O. Sartelle as Stated Clerk for Presbytery for a three-year term. Mr. Sartelle is presently serving an unexpired term ending with the Winter Meeting of Presbytery in 1963.

(10) The following additional revision to Presbytery's Manual was considered:

That Section 3 (11) concerning the duties of the Stated Clerk be revised by adding the words "President, Men of the Church" following "President, Women of the Church."

It was thought that the names of the Presidents of the Men of the Church should be printed in the minutes of the Winter

Meeting of Presbytery.

(11) Council heard a report from the Executive Secretary, expressing great concern over his lack of success in obtaining ministers to fill vacant fields in Presbytery. It was requested that sincere prayer be made concerning this matter.

(12) The following persons were nominated by Council to the Nominating Committee of Presbytery:

Class of 1966, the Reverend Mr. Holmes Ralston, III to serve as Chairman,

Class of 1966, Ruling Elder Sam C. Copenhaver of the Rock Spring Presbyterian Church.

The Reverend Mr. Thomas Sproule to fill the unexpired term of the Reverend Mr. Harry S. Topham expiring with the Winter Meeting of Presbytery in January, 1964.

(13) March 26, 1963, at 2:00 P. M. at the Sinking Spring Presbyterian Church, Abingdon, Virginia, was designated as the date, time and place for the next regular meeting of Presbytery's Council.

RECOMMENDATIONS

(1) Concerning Board of Directors of the Children's Home: It is recommended that Section 5, Part 2 of Presbytery's Manual be revised by adding the following words:

"However, the Chairman of the Board of Directors of Abingdon Presbytery's Children's Home shall be elected by the members of the Board."

(2) That Section 3 (11) of Presbytery's Manual be revised by adding the words "President, Men of the Church" following the words "President, Women of the Church."

(3) That Presbytery pass on second reading that Mr. Bert Edwards, having presented satisfactory credentials and having complied with Presbytery's requests since coming under its care in 1958, be presented to Presbytery (upon his own request) to be examined for ordination under the extraordinary clause.

(4) Re. central depository for film, filmstrips and other audio-visual aids:

It is recommended that the office of the Executive Secretary of Presbytery be made a central depository for films, filmstrips and other audio-visual aids owned by Committees of Presbytery so that they may be more readily available for distribution throughout Presbytery.

(5) That the Reverend Mr. P. O. Sartelle be elected Stated Clerk of Presbytery for a three-year term expiring January, 1966.

(6) That the following persons be elected to the Nominating Committee of Presbytery:

The Reverend Mr. Holmes Ralston, III and the Reverend Mr. Thomas Sproule as minister members of the Committee, Mr. Rolston to serve until 1966 and be Chairman of the Committee and Mr. Sproule to serve until 1964, completing the unexpired term of the Reverend Mr. Harry S. Topham.

Ruling Elder Sam C. Copenhaver of the Rock Spring Presbyterian Church to serve as Elder member until 1966.

(7) It is recommended that immediately following the adoption of this report that Presbytery be led in prayer by its Moderator that the unfilled pastorates within the bounds of Presbytery be supplied by men sent by God to this task.

Respectfully submitted,

Stuart B. Campbell, Jr., Chairman

Miss Bessie May Stribling, Church Extension Worker, was presented to Presbytery.

It was further moved and carried that the Chairman of the Church Extension Committee, the Rev. Mr. W. F. Wadsworth, be thanked for his diligent service during his term of office.

STEWARDSHIP COMMITTEE

The Rev. Mr. C. S. Wilson, Jr., presented the report of the Stewardship Committee, which was adopted. Auditors report received by stated clerk.

REPORT OF STEWARDSHIP COMMITTEE**ABINGDON PRESBYTERY****JANUARY 22-23, 1963****STATEMENT OF PRINCIPLES AND PRACTICES**

Here at the beginning of 1963, the Stewardship Committee would like to remind the Presbytery of some stewardship principals and of certain trends in the Stewardship picture of our Presbytery:

(a) Our Every Church Canvass program has been well received by all the churches and officers of our Presbytery and has certainly contributed to the spiritual growth of all of our people.

(b) For a number of years, there has been a wide gap between what our churches have accepted in the Every Church Canvass and what they actually remitted to our benevolence causes. We are glad to report that this gap seems to be closing.

(c) We have abandoned the ¼ formula as a means of setting apportionments. The ¼ formula was an objective means of setting apportionments but dealt only with mathematic statistics. We have gone to a system which is much more personal and which is, by no means, perfect; but we feel that it is an improvement.

(d) For the past number of years, we have given a greater and greater percentage of our benevolence money to Presbytery's causes at the expense of Synod's and Assembly's causes. This year that trend is reversed. (See recommended Budget for 1963.) We do not here indicate that either of these trends is right or wrong. It is the feeling of our Committee that the relationship between Presbytery, Synod, and General Assembly administered budgets can and does change from year to year and each year the Committee and the Presbytery must make a conscientious effort to produce a fair apportionment without being blinded by selfishness or by any preconceived ideas or principles which may not be valid.

(e) Our Committee wishes to strongly reaffirm the fact that our task is to produce and cultivate the grace of liberality among the people of our Presbytery.

We are concerned that Christian people grow in the grace of liberality; that giving be interpreted as an act of worship; that in all of our ventures and programs stewardship will remain a Christian grace.

Our interest is not in raising money to meet budgets, but our aim is to help the people of our Presbytery to see that the way they use their possessions is a deeply spiritual matter.

ASKINGS OF PRESBYTERY'S BOARDS AND COMMITTEES FOR 1964 — HOW THESE ASKINGS SHOULD BE PREPARED

To Chairmen, members, executive officers, and other interested parties of Boards and Committees which receive benevolence funds from Presbytery:

In the early summer of 1963 we will expect your Board or Committee to present their askings for 1964. We suggest that you present your ASKINGS according to the following plan:

(a) ASKINGS should be itemized with the approximate amount for each item noted together with an explanation justifying the need.

(b) ASKINGS should be prepared using these bases: (1) experience, (2) normal growth, (3) challenge.

EXPERIENCE: The basic figure from which you figure your asking should be the actual amount of money that you received from Presbytery last year.

NORMAL GROWTH: To this basic figure you may add a certain amount or percentage which you can justify as being a normal growth figure.

CHALLENGE: If your Board or Committee is faced with some pressing needs or some great opportunity, you should ask for an appropriate amount in addition to basic figure plus normal growth to meet this need or opportunity and justify this "challenge" asking.

(c) Income from other sources should be noted at least in a general way and enough explanation should be given so that the Stewardship Committee can be that each Board and Agency has some business-like procedure whereby Presbytery's benevolence funds and other sources of income are used in some systematic way to defray all the expenses of said Board or Committee.

EVERY CHURCH CANVASS

We are glad to report a good Every Church Canvass, and we express our thanks and commendation to the churches of Presbytery and to the Every Church Canvass visitors. The acceptances of the churches of Presbytery this year total \$166,300.00, an increase of \$10,000 over the acceptances of last year (but only \$3,500 over two years ago). Four churches of Presbytery, Powell Valley, Dinwiddie, and Castlewood and Fincastle accepted amounts larger than the askings set by the Committee.

AUDIO - VISUALS

The film, "The Gift," is now available for showing in the Presbytery. Request for this film should be made to the Rev. Rockwell Smith, Rt. 3, Saltville, Virginia. (No charge, other than return postage.)

In the future there will be no charge, other than return postage, for the use of the audio-visual material owned and circulated by the Committee.

RECOMMENDATIONS

1. That the Stewardship Committee be allotted 30 minutes as an order of the day for the showing of the film, "The Gift."
2. That the audit attached be approved and admitted to record.
3. That the various causes in the benevolence budget be assigned to the churches in dollar amounts, according to each church's acceptance in the Every Church Canvass, for each individual cause.
4. That to fulfill its benevolence responsibility a church must remit to each individual cause at least the full dollar-amount assigned for that cause.
5. That the following be adopted as our 1963 Budget:

REPORT OF PRESBYTERIAL WOMEN OF THE CHURCH

The Rev. Mr. Leonard Gibbs presented Mrs. Ellis Ager, immediate past president of the Presbyterial Women of the Church, who read the October 1961 - October 1962 report of the Women.

PRESIDENT'S REPORT — 1962

The Women of Abingdon Presbyterial have responded to the responsibility for promoting the theme "Christian Vocations" in many ways. Every group co-operated in observing the special seasons of the church year and in presenting materials and plans that came from the Board of Women's Work.

Attendance at the District Meetings was very good and showed an increase over the past year. Five of these meetings were held on Sunday Afternoons, making it possible for working women and mothers of small children to attend. Training Class-

es were held in the fall. These were either district-wide or groups of churches in an area combined.

The Women of the Presbyterial showed their concern for others by continuing to help meet the needs of the Children's Home with gifts of food, money and clothing. One local group contributed 108 gallons of home canned food. At a cost of over \$700.00 the Women of the Presbytery furnished and made the draperies and bedspreads for the two new dormitories. The offering received at the annual meeting was used to establish a Shoe Fund for the Home, this to be a continuing fund. Gifts of money and supplies were made to the Presbytery's Conference Grounds and the Penny-a-Meal Offering, sponsored by the Women of the Presbytery, was given to the Building Fund of the Fincastle Presbyterian Church, Bluefield, Virginia. Most all of the churches responded with offerings to White Cross, Overseas Relief, Birthday and Joy Gift.

The local women of the church promoted the special seasons of the church in various ways. Joint programs were held with the Men of the Church in nearly all churches. Some had church-wide school of missions, many groups used films and slides, others had reviews and individual reading of Special Study Books, Special Study Classes. Most all reported family night suppers and guest speakers. One reported Church Extension Caravan to Home Mission points.

At the present time there are 65 organized active Women of the Church groups in Abingdon Presbytery and two in-active groups.

We are grateful and humble when we review the work of our women this past year. We rejoice in the work accomplished but truthfully recognize that many times we fail to reach our goal and in many cases, this work has been done by the same few women. It is our earnest prayer that every woman may be brought into some active service for Christ, into the fellowship of His Love and receive those blessings which He promises to His Own. We look forward to helping the women of the church understand and become involved in the total program of the church. We are concerned to help all the women of the church to find appropriate ways to deepen personal faith, enrich family relationships and serve in community life, in order that we may all have a growing awareness of what it means to be the Church, the Body of Christ.

As out-going President of the Women of the Church of Abingdon Presbytery, may I express my sincere appreciation for this opportunity of service and for the loyal co-operation and help of all who made this possible. I can truthfully testify that the blessings received were manifold and that my life has

been greatly enriched through the fellowship of other Christians, through more Bible study and increased prayer time, through more reading and study of church literature and materials, through traveling to most areas of our Presbytery and yes, even through the many, many meetings attended. In this year ahead may we be better and more willing servants, "For even the Son of man came not to be ministered unto, but to minister and to give His life a ransom for many."

(Mrs. Ellis C.) Mary Fran Ager

AMENDMENTS TO CONFESSION OF FAITH AND FORM OF GOVERNMENT

The report of the Ad-Interim Committee to study the proposed Directory for Worship and amendments to the Confession of Faith and Form of Government was continued and presented by the Rev. Dr. Holmes Rolston III.

The amendment to the Confession of Faith, Chapter XXXI, Paragraph 3, was moved and carried, 45 to 0.

The amendment to the Form of Government, section 27-5 (1) was moved and carried, 45 to 0.

The amendment to the Form of Government, section 29-11, was defeated, 17 to 27.

It was moved and carried that the Bills and Overtures Committee consider overturing the General Assembly to clarify the position of the rotation system of Elders in our system of doctrine.

COMMITTEE ON BILLS AND OVERTURES (Partial Report)

It was moved and carried to permit the Committee on Bills and Overtures to present a partial report, which was so done by the Chairman, the Rev. Mr. C. S. Wilson, Jr.

The following overture was adopted:

Abingdon Presbytery respectfully overtures the General Assembly of the Presbyterian Church in the United States to initiate proceedings to make changes in the CONFESSION OF FAITH and in the new DIRECTORY FOR THE WORSHIP AND WORK OF THE CHURCH as follows:

- (1) That the CONFESSION OF FAITH, chapter XXIX, section IV, be amended by replacing the words: 'minister of the word, lawfully ordained,' with the words: 'person lawfully ordained and appointed thereunto.'
- (2) that the CONFESSION OF FAITH, chapter XXX, section II, be amended by replacing the words: 'minister of the gospel, lawfully called thereunto,' with the words: 'person lawfully ordained and appointed thereunto.'
- (3) that the DIRECTORY OF WORSHIP AND WORK, section 209-1, be amended by adding the words: 'or a ruling elder when he is specifically authorized to do so by a church court.'
- (4) that the DIRECTORY FOR WORSHIP AND WORK, section 210-6, be amended by deleting the words: 'but baptism may be performed only by an ordained Minister.'
- (5) that the DIRECTORY FOR WORSHIP AND WORK, section 211-1, be amended by adding the words: 'or a ruling elder when he is specifically authorized to do so by a church court.'

We believe that these revisions should be made for the following reasons:

A. We have no biblical authority for restricting the administration of the sacraments be ordained ministers only.

1. Paul considered preaching of more importance than the administration of baptism. (1 Cor. 1.14-17) We encourage our ruling elders to develop the gift of preaching. Why then do we forbid the ruling elder from the administration of the sacraments?

2. Jesus himself did not baptize but left this to his disciples. (John 4.2)

3. When baptism is administered and when the Lord's Supper is observed in the New Testament church, we find no indication that any special person was required for the administration of these sacraments.

4. Scripture indicates that Paul was baptised by Ananias, who so far as is recorded was but 'a certain disciple.' (Acts 9.10-19; 22.12-16)

B. We do have biblical authority for insisting that the sacraments must be administered with proper forethought and under-

standing. If these proposed revisions are adopted, decency and good order are preserved.

1. Many ruling elders in our church are thoroughly qualified to administer the sacraments.

2. In certain areas where there are churches removed from or otherwise deprived for an ordained ministry, the proposed amendments would be particularly practical and helpful.

C. The parity of elders is a distinguishing mark of our church, nor do we believe that the distinction of ruling elder and teaching elder is sufficient authorization for our forbidding the ruling elder from the administration of the sacraments.

1. The requirement that only an ordained minister may administer the sacraments prejudices this parity and connotes doctrines of an episcopate, of priesthood, and of ordination, which are foreign to the New Testament.

2. The DIRECTORY FOR WORSHIP AND WORK, section 211-5, plainly teaches that ordination is not necessary for a person to assist in the administration of the sacrament of the Lord's Supper.

3. The DIRECTORY FOR WORSHIP AND WORK, section 210-6, provides that a ruling elder appointed by the Session may preside in the making of a profession of faith. Why then prohibit a ruling elder appointed by the Session from the administration of baptism?

It was thereupon moved and carried to reject Sections 209-1, 210-6, and 211-1 of the proposed Directory for the Worship and Work of the Church.

It was furthermore moved and carried to approve Section 215-1 of the Directory for the Worship and Work of the Church.

REPORT OF THE CHRISTIAN EDUCATION COMMITTEE TO THE 211th STATED MEETING OF ABINGDON PRESBYTERY

The work of Christ's Church often flounders and becomes confused and confusing because of the division of that work into countless small parts. Even well-trained and thoughtful elders and ministers may be inclined to see a patchwork of half-done and half-heartedly done pieces of work labeled "stewardship", "evangelism", "education", "missions", etc., without any apparent connection between them. If the division of economy in the Church has produced

an uncoordinated mass of "busy work" it is to our shame. Life in the church must be participation as members of a body and not a course in anatomy. Therefore your Christian Education Committee would affirm its fundamental integration into the whole of the being and doing of Abingdon Presbytery. This committee has one reason for existing as a separate committee and that is: To promote and develop Christian learning.

The Committee, working with the cooperation of the Synod's Regional Director and the Presbytery's Executive Secretary, offers through its Councils help to the churches in numerous areas. But this diverse help is for our single purpose: To promote and develop Christian learning.

INFORMATION

The Covenant Life Curriculum

In the fall of 1963 a course of study for the adults in our churches, entitled *Into Covenant Living*, will be available. Study, prayer, and discussion about the Covenant Life Curriculum prior to that time may well determine whether or not our churches are equipped to find anything productive in the new curriculum. You are referred to this committee's report in the minutes of the 210th meeting of Presbytery for sources of helpful materials on the curriculum. Ministers are reminded of the make-up Covenant Life Seminar to be held in Montreat on March 11-13, 1963. Adults in all the churches are urged to take advantage of Presbytery Twelve Hour Workshops as they become available. Testimony from those who have participated in these declares that this is the best possible preparation for entrance into the Covenant Life program.

Vocational Guidance

The following schedule of workshops for Vocational Aides has been established:

- February 17 — Wytheville — 3-8 p. m.
- February 24 — Sinking Springs — 3-8 p. m.
- March 3 — Big Stone Gap — 3-8 p. m.
- March 17 — Bristol (Fairmount Ch.)

There are several new materials available and they are as follows: *You and Your Life Work*, a workbook-notebook for the young person @\$1.25, "Local Leader's Guide" for the above @\$1.50, and "A Parent's Guide" for the above @25¢. These may be ordered from any of our book stores.

A new filmstrip on our local work, "The Presbyterian Guidance Program for the Synod of Appalachia". This is 17 minutes

in length, in color, and with accompanying 33 1/4 rpm record. It is available from the Presbyterian Guidance Center, King College, Bristol, Tenn.

"Christian Vocation", a vocational guidance series of four, color filmstrips with 33 1/4 rpm record. These are available from the Regional Director's office: 620 State Street, Knoxville, Tenn.

RECOMMENDATIONS

1. That ministers and church sessions continue to involve themselves in the Covenant Life Curriculum by prayer, study, and appropriate concrete action.
2. That the Rev. W. F. Wadsworth be named Registrar and Treasurer for the Presbytery camp and conference program this summer.
3. That the ministers of the Presbytery make available one week for service in the camping program from June 17-July 20.
4. That the churches of the Presbytery seek ways of using the Every Member Bible Study, *Hammer on the Rock*, in their teaching programs this year.
5. That the Rev. Ben F. Williams address the Presbytery for ten minutes on the work of the Presbyterian Guidance Center at King College.

Report to Abingdon Presbytery

Men Of The Church

1962 — Men's Work in the Presbytery

I want to thank you for this opportunity to speak on men's work for the year 1962. I wish to report the year's work for 1962 when I served as President of the Men of The Church of Abingdon Presbytery. In October of 1961, a meeting of the General Assembly Men's Council at Montreat, N. C., I attended as the 1962 President of Abingdon Presbytery along with the new officers from the Presbyteries and Synods in the General Assembly.

Aims Of Men's Work

I would like to outline the Aims of Men's Work. Men's Work is a term which has as its aim the gearing of every man into the work of the church. What this means. Every man should be given Progressive Opportunities to become better informed and more active in the work of his church. The Work Of the Church is the only Program for Men.

The Aims:

1. Lead Men to accept Christ as Saviour and Lord.
2. Teach Men the history, the aims and beliefs and programs of our church all built on solid foundations of worship and Bible Study.
3. Develop Men in the skills of Prayer, Evangelism, friendliness, Stewardship, teaching and Social Service, against a background of personal spiritual development.
4. Engage Men in the work of the church, in keeping with their abilities, interest and time schedule.

The Council met four times during the year. They met at the Martha Washington Inn in Abingdon, Va., to formulate the Program for the year. Abingdon Presbytery has 75 churches and about 2400 men.

35 churches are organized with local church men's councils to carry on the Men's work in the local church. It is most urgent that all of the 75 churches organize into men's work so the 2400 men can be put to work.

**REPORT OF THE CHILDREN'S HOME OF ABINGDON
PRESBYTERY, INC.**

Ruling Elder Philip Sadler presented the Report of The Children's Home of Abingdon Presbytery, Inc., and asked Presbytery's help in disposing of the Foster Falls property, as well as suggestions for the Capital Funds Campaign in 1964. The report was adopted.

Annual report of

The Children's Home of Abingdon Presbytery, Inc.

I. Policy

The Children's Home of Abingdon Presbytery, Inc., is a Charitable Institution, licensed by the State of Virginia, to care for Children between the ages of five and twenty. The Home is designed to minister to both the Spiritual and Physical needs of Children.

The Home receives children who are of normal mind and body. Admittance is based chiefly on the need of the child. At the present time, however, available space is a factor that must be taken into consideration.

The Home seeks to be a real Home in every sense of the word. The future of the child is considered as well as the present.

II. Children Served.

The Children's Home cared for a total of 41 children during 1962. Forty of these children were cared for in the Home located

on the southwest edge of the town of Wytheville, Virginia. One is cared for in the home of the Superintendent on Sixth St., in Wytheville, Virginia.

On December 1, 1962, there were 33 children in care. There are 16 girls and 17 boys. Five of the children are students in the George Wythe High School and twenty-six are students in the Wytheville Elementary School. Two children are pre-school age.

There were eight children who left the Home during the year. These children were returned to their family or relatives who felt that they could now provide a home for them.

III. Spiritual Life

The first part of 1962 was spent at Foster Falls, Virginia, where the children attended the Galena Presbyterian Church. Here they found excellent spiritual leadership by the pastor, Rev. Richard Shelor. With much regret, the Home felt it necessary to change membership of churches when the Home was re-located in Wytheville, Virginia. However, the children have found a full program of church activity and a rich spiritual life in the Wytheville Presbyterian Church. First, under the leadership of Rev. Harry Topham and now under the leadership of the pastor, Rev. Thomas Sproule. The children participate in all activities of the Church.

The Presbytery's Summer Camp program added much to the spiritual life of the children in 1962. Under the competent leadership of the teachers and counselors, they were made aware of Christ in their lives and of their responsibility to Him.

IV. Personnel

The Home has been very fortunate in being able to maintain a very competent staff. The attitude and happiness of the children indicate the devotion and loyalty that the staff has for the children.

There were some changes in personnel in 1962, as the Home is constantly seeking to bring more stability to our organization. Rev. Donald G. Buchanan, Superintendent, reports that Mr. R. S. Gantt has now been Assistant Superintendent almost two years and proves to be almost indispensable in his work there. Mrs. Gantt is the girls' housemother and continues to be an excellent "mother" for our girls.

The Home was fortunate this year to add to its staff, Mr. and Mrs. K. F. Baynard. The Baynards have six years' experience in children's work. The Baynards came to our Home from Presbyterian Home in Lynchburg, Virginia.

Mr. Glen Corvin has been with the Home now for one and one half years, in capacity of Maintenance Man. He has been a

very vital part of the Home Personnel.

Mrs. L. N. Buchanan has recently joined the staff as relief Housemother. Mrs. Buchanan has also worked in the Presbyterian Home in Lynchburg, Virginia.

V. Finance

An audit of the books of the Children's Home of Abingdon Presbytery, Inc., is being completed by the firm of Armbrister and Cole of Wytheville, Virginia. A complete and comprehensive report will be filed with the Stated Clerk of the Presbytery.

VI. Buildings and Grounds

The Presbytery holds title to 4.75 acres of land which is located at Foster Falls, Virginia. There are four buildings located on this property. At the present time, the Children's home has engaged Mr. Nathan Lovell to live on this property rent free and to act as care taker. The Home hopes to sell this property in the near future.

The Presbytery is in the process of buying 89.9 acres of land located on the Southwest edge of Wytheville, where the Home has now been relocated. At the present time two new cottages have been erected. These cottages are estimated to be worth \$40,000 each. Also located on this property are two rather old houses and a barn.

The grounds are in fair shape and before another year passes should be in excellent shape. Much is being done in the way of landscaping.

VII. Future

Long range plans call for the completion of four more cottages and central dining room administration building. Future plans also call for the development of a recreational area.

The Home is looking forward to the time it can offer to the Presbytery full facilities and help for the many children that are referred to them each year.

It is the sincere desire of the Home and the Superintendent that 1963 will be a year of progress and much accomplishment as we seek to minister to needy children and to build other facilities for their care. This can be accomplished only by the cooperation of each one in the Presbytery.

SYNOD'S YOUTH CONFERENCE

The Rev. Dr. I. M. Ellis was presented to Presbytery by the Christian Education Committee, and he spoke asking churches to send 25c per male member to Louis Kovacs, Virginia Junior High School, Bristol, Virginia.

He also urged participation in the Synod's Youth Conference June 10-15 at Montreat.

Dr. Ellis likewise spoke on the Covenant Life Curriculum.

It was moved and carried that churches whose records were not reviewed be notified.

PERMANENT CLERK

It was moved and carried that the Rev. Dr. Malcolm C. Doubles be appointed as Permanent Clerk for a three year term.

CHRISTIANITY AND HEALTH

It was moved and carried to admit to the record the report of Christianity and Health as presented by Dr. Doubles, urging the ministers of Presbytery to consider attending the Institute of Pastoral Care being jointly sponsored by the Virginia Mental Health Association and Southwestern State Hospital in Marion.

BILLS AND OVERTURES (COMPLETED)

The Committee on Bills and Overtures Chairman, The Rev. Mr. C. S. Wilson, Jr., presented the following overture with approval, which was adopted.

The Presbytery of Abingdon calls to the attention of the General Assembly of the Presbyterian Church in the United States that the request of the General Assembly to amend THE FORM OF GOVERNMENT, Section 29-11, reveals a continuing lack of clarity concerning the whole system of rotation of elders and particularly the status of an elder who has been rotated off of the Session.

Therefore, the Presbytery of Abingdon respectfully overtures the General Assembly of the Presbyterian Church in the United States to appoint a committee to study and clarify the whole system of the rotation of elders in THE FORM OF GOVERNMENT.

COURTESY COMMITTEE

The report of the Courtesy Committee was presented at lunch, to thank the Central Church for its generous hospitality, and was approved by a standing vote.

MODERATOR IN NOMINATION

The Rev. Dr. T. A. Freeman was elected Moderator in Nomination by acclamation.

DATE AND PLACE OF NEXT MEETING

It was moved and carried to accept the invitation of the Norton Church for the Spring Stated Meeting of Presbytery April 16th, 1963.

The minutes were read and approved. It was moved and carried to commend the Permanent Clerk for his work and for the oases of humor in the midst of an otherwise dry business.

The motion to adjourn was carried, and Presbytery was closed with the Benediction.

SERMON BY MODERATOR — DR. T. A. FREEMAN**NO RETIREMENT FOR THE CHRISTIAN — Phil 3:13-16**

TEXT: Phil. 3:13a "Brethren, I count not myself to have apprehended."

The Apostle Paul did not feel that he had attained, nor accomplished all that he should have accomplished; nor indeed was his work finished. Though he was now well up in years, there was much unfinished work for him to do.

I. There can be a false sense of security in attainment. The age old story of "Ber Rabbit and Mr. Terrapin" reveals this. Because of Brer Rabbit's speed, and inasmuch as he was so far ahead of Mr. Terrapin in their race, he was seized with a false sense of security, sat down and lost the race.

A friend of mine told me recently that his greatest difficulty in securing store managers was not that he could not find honest, upright, capable young men, but rather it was in finding young men with high enough financial goal; that so often a man would reach his goal of \$5,000.00 or \$7,500.00 or \$10,000.00 and therewith become content and cease to push his store on to higher figures — a sense of having attained.

This fact is true also with reference to one's work, be he laborer, foreman, supervisor, superintendent or owner. Let him become beset with the idea that he has accomplished and he begins to be complacent and pushes no further.

This is true, professionally, educationally and socially. Count yourself to have already attained, then a backward movement will begin.

If this be true, is it not also true spiritually? Feel secure in your knowledge of the Bible, by and by beloved and well known passages will become dim. Feel satisfied with your Christian growth, and you begin to relax your effort. Feel that you have rendered sufficient service, and you will cease to seek opportunities.

Can you imagine the Apostle Paul having a sense of full attainment when his eyes were opened after conversion? Or when he had established churches in Asia Minor? Or at any other stage of his life.

We conclude, there is no retirement for the born-again Christian.

II. "This one thing I do" — Paul had many desires and hopes, but all of them were caught up in his motive to serve Christ. This great driving force hallowed all his efforts. It was an overpowering desire that embraced all his efforts.

In order to attain it, he had three major mental attitudes which found expression in action.

1. "Forgetting the things of the past" — How we do need to forget our successes, and our failures! God can forgive and forget. Can we accept the fullness of His love and forgiveness.

2. "Reaching forth unto the things which are before" — See, in this picture of himself, the urgency to be on his way to do his Master's will — "Reaching forth" — leaning forward in the zeal of his plans and efforts, bringing his mind to bear on his future usefulness for Christ and His Kingdom.

3. "I press toward the mark" — Some time ago I attended a track meet in which four colleges were contending. As the events proceeded, I got a good position along the track about twenty yards from the finish. The 220-yard dash was called. There is no more beautiful event in track than that. A man must run full speed ahead all the way. The words came "On your mark!" "Get set!" and the pistol fired. The runners were off. It was a wonderful sight — an equal start, heads erect, bodies leaning forward, arms bent at their elbows with forearm swinging parallel with the ground; their legs, like pistons, in rhythmic motion. A picture of strength and beauty as they circled the end of the track; but as they drew near I observed that their faces were drawn, their mouths were gasping for air, the leaders in their necks were drawn, their fists were closed so tightly the knuckles were white, their feet were pounding the track with every ounce of energy their legs could command. They were putting all into an effort to reach the cord first.

My friends, that is the picture Paul, an old man, gives us of himself as he strove to run the race for Christ.

Only one of the runners I have described could win, but in the Christian race every one can win. How are you running?

Is your mind on the running? "Renewing your mind that ye may prove that good and acceptable and perfect will of God."

A young man was in the high hurdles race. He had jumped all but two of the hurdles. He was so far out in front that everyone considered him to be the winner. He looked back to see how far ahead of the next man he was. He tripped on the next hurdle, fell sprawling to the ground, and was the last man to cross the line.

"Fix your eyes upon Jesus
Look full in His wonderful face,
And the things of earth
Will grow strangely dim,
In the light of His glory and Grace."

Is your heart in your running? True love for the lost — the unlovely must be sought, loved and won.

Is your body in your running? You must act. Get out among your people.

MEMORIAL TO THE

REVEREND DR. WILLIAM NELSON MEBANE

The following memorial was read by Rev. Manson B. Tate:

Memorial to the Reverend Dr. William Nelson Mebane

Prepared by Manson B. Tate

The Reverend Doctor William Nelson Mebane, an honorably retired member of Abingdon Presbytery was born June 10, 1860 in Greensboro, North Carolina. He was the son of Dr. David Cummings Mebane and Mary Watkins Mebane.

In Dublin, Virginia, where he made his home for the last thirty-five years of his life, he was considered an outstanding scholar. He received the Bachelor of Arts Degree from Davidson College in 1883. He often returned to the Davidson campus for the Commencement programs. While still a young man Dr. Mebane felt that he would like to teach in one of the Seminaries of the Church. In preparation for this he studied at Columbia University Seminary, Princeton Seminary and the University of Chicago where he received his Ph.D in Hebrew and Greek. About 1900 he went to Europe and during the time he was there he studied at the University of Berlin and the University of Geneva.

Dr. Mebane was married to Evelyn Kent of Dublin, Virginia in 1886. To this union were born three daughters, all deceased, and one son, William Nelson Mebane, a professor of mathematics at Davidson College. There is also a grandson, George S. Mebane who was adopted as a son. There are four grandchildren and eight great grand-children. Mrs. Mebane died March 23, 1926 and he was married again to Elizabeth Barton of Dublin in 1929. She died December 25, 1957.

Dr. Mebane served his Lord in many fields of work. He was ordained about 1886. His first pastorate was in Vanceburg, Kentucky, 1890-96. Other churches served either as pastor or supply pastor were, Collierstown, Virginia 1905-1908; Punta Gorda, Florida 1911-1912; Phoebus, Virginia 1921-1923. He taught at Hanover College, Frederick College, King College and filled out a year at Davidson College.

Dr. Mebane was compelled to move about a great deal because of Mrs. Mebane's poor health. This we know was a tremendous handicap to him and to his family. Because of her poor health he retired from the ministry in 1925 and established his home at Dublin, Virginia. Here he devoted his time to school teaching, farming, studying and supplying vacant churches. He was the first farmer in this community to go into dairy farming on a large scale. He also grew, packed and sold large quantities of apples. Turkeys and hogs were produced on his farm in large quantities in later years. Because of poor health he retired from farming in 1952 but continued to live on his farm until he went to Florida for a few years. The last two years of his life were spent in High Point, North Carolina. He died on October 31, 1962 and funeral services were held in the New Dublin Presbyterian Church with interment in the Church cemetery.

Dr. Mebane was highly esteemed and much loved by the people of his community and wherever he went. The Women of the New Dublin Church had several birthday parties for him, the last being on his 100th birthday. He often said that he expected to live to be two hundred. He will long be remembered for his friendly spirit, love for his Lord and his fervent prayers.

PRAYER FOR MISSIONARIES, ILL AND ABSENT MEMBERS

Rev. W. F. Wadsworth led Presbytery in prayer for missionaries and ill and absent members, together with specific requests for the World Mission Conferences to be held in Wise County May 5-8 and the Revival Service at the Big Stone Gap Chapel.

The Rev. Messrs. James Somerville and Thomas Sproule were appointed to the Courtesy Committee.

COMMUNICATIONS AND NEW BUSINESS

It was announced by the Stated Clerk that there were no communications which had not already been forwarded to the appropriate committees.

As new business, the Rev. Dr. Holmes Rolston announced that he had a pulpit Bible in the King James Version which he would give to anyone who wanted it.

REPORT OF PRESBYTERY'S COUNCIL

The report of Presbytery's Council was presented by Rev. P. O. Sartelle. It was duly adopted.

Presbytery's Council reports to Presbytery as follows:

(1) At a previous meeting of Council, a Committee was appointed consisting of the Chairman of Presbytery's Stewardship Committee, then the Reverend Mr. William F. Shouse, the Benevolence Treasurer, Mr. Julian S. Brown, and the Chairman of the Board of Directors of the Children's Home of Abingdon Presbytery, Mr. Philip M. Sadler, to study and report on the clarification of Presbytery's policy concerning Fifth Sunday offerings for the Children's Home. This Committee reported at the meeting of Council and made certain recommendations, some of which were referred to the Board of Directors of the Children's Home for further study and the other is contained in the first recommendation of Council to Presbytery.

(2) Council was unable to review the minutes of the Winter Meeting of Presbytery because they had not been printed, and Council authorized the Chairman to write to the Stated Clerk, expressing concern over the printing of Presbytery's minutes and requesting him to investigate the possibility of obtaining someone else to do this work.

(3) The Stated Clerk and the Executive Secretary reported that there were in the office of the Stated Clerk minutes of Abing-

don Presbytery going back for many years, which were kept in cardboard boxes. Council authorized the Executive Secretary to send the minutes to the Historical Foundation at Montreat, North Carolina, so that they may be microfilmed and permanently preserved.

(4) The Stated Clerk was authorized to note in the minutes of Presbytery, churches not represented by a Ruling Elder at stated meeting of Presbytery, and that the Stated Clerk should write to any church without a commissioner to Presbytery during a calendar year, pointing out this fact to the said church.

(5) The Executive Secretary of Presbytery reported that none of the churches in the areas recently flooded had suffered but that the members of the congregations had suffered substantial losses, and he asked in particular that churches of Presbytery endeavor to send material assistance to the Hurley, Roseann and Coeburn areas.

(6) Council fixed 10:00 A. M. as the meeting time for the Spring Meeting of Presbytery to be held on April 16th at the Norton Presbyterian Church.

(7) The time and place of the next Council meeting was fixed for Tuesday, the 11th of June, 1963, at 2:00 P. M. at the Sinking Spring Presbyterian Church, Abingdon, Virginia.

RECOMMENDATIONS

(1) Re Fifth Sunday Offerings:

That Presbytery continue to encourage the churches to receive a Fifth Sunday Offering in the Sunday School for Presbytery's Children's Home and that these offerings be over and above the regular benevolent commitments of the churches; that Presbytery further urge all such Fifth Sunday offerings to be sent to Presbytery's Central Treasurer of Benevolences, clearly marked "Fifth Sunday Offering for the Children's Home", and the Central Treasurer will then remit these offerings to the Home.

Respectfully submitted,

Stuart B. Campbell, Jr., Chairman

REPORT OF COMMISSION ON THE MINISTER AND HIS WORK

Rev. C. S. McChesney, Chairman, presented the report of the Commission on the Minister and His Work, which was adopted.

Report of the Commission on The Minister and His Work

To Abingdon Presbytery, April 16, 1963

Your Commission on the Minister and His Work, acting as a Commission, upon the request of Tom Farmer, candidate under the care of this Presbytery, directed that the Stated Clerk of

Presbytery be authorized to issue a letter of transfer of Mr. Farmer to East Alabama Presbytery from Abingdon Presbytery that he might accept the call of the First Presbyterian Church of Greenville, Ala.

Your Commission would bring before Presbytery as information the substance of a letter from the office of the Assembly's Committee on the Minister and His Work dated February 28, 1963.

In 1961 it came to the attention of the Assembly's Committee on the Minister and His Work that a minister in the Presbyterian Church, U. S., was having to pay Federal Income Taxes on moving expenses paid by a church whose call he had accepted. The Committee through a recommendation to the General Assembly attempted to place the ministry of our church in such a position that would not necessitate the paying of income tax on such monies, but failed to achieve its purpose. Legal counsel was secured to enter into this matter with the Internal Revenue Service. We quote from the letter from the Internal Revenue Service to the Assembly's Committee on the Minister and His Work:

"In citing Revenue Ruling 55-140, C. B. 1955-1, 317 and Revenue Ruling 54-429, C. B. 1954-2, 53, you ask whether a minister of the Church, upon acceptance of a call to a new field of duty, is required to include in gross income the amounts received from his church which represents allowances or reimbursements for moving himself, his immediate family, household goods and personal effects.

"The rulings cited above take the position that amounts received as moving expense reimbursements by employees accepting new employment or by employees transferring primarily for their own benefit are includible in gross income, and that amounts received as moving expense reimbursements by employees transferred in the interest of their Employer from one official station to another for permanent duty are not included in gross income . . .

"In sum, and in reliance on the position taken in Revenue Ruling 55-140, C. B. 1955-1, 317, it is held that a minister of the Presbyterian Church in the United States, upon acceptance of a call to a new field of duty initiated by a congregation through its nominating committee, will be required to include in his gross income for Federal income tax purposes all amounts received from the church which represented allowances for moving himself, his immediate family, household goods, and personal effects."

Respectfully submitted,

Charles S. McChesney, Ch.

COMMITTEE ON HIGHER EDUCATION AND CANDIDATES 312th STATED MEETING OF ABINGDON PRESBYTERY

2. That upon completion of this report Presbytery hear Dr. R. T. L. Liston for 10 minutes for King College.

Miss Felts was examined by the Moderator as to her experience of Christian Grace and her motives for seeking church vocation. The examination was sustained as satisfactory.

The Moderator propounded the constitutional questions which were answered in the affirmative. The Moderator led in a prayer for God's blessing. A charge was given by Rev. Mr. Loren Watson.

The Rev. Dr. J. M. McChesney remarked to Presbytery on the importance of using members of Presbytery on Installation Commissions. He urged the use of members of Presbytery from inside the local Session rather than all members of local sessions. He was answered by the Stated Clerk.

The motion was made and carried that Presbytery recess for lunch until 1:30 P. M.

Rev. James Smith was excused from the afternoon session.

Presbytery reconvened at 1:30 P. M. and was led in prayer by Rev. E. H. Anderson.

REPORT OF STEWARDSHIP COMMITTEE

Rev. C. S. Wilson, Jr., Chairman, presented the report of the Stewardship Committee, which was adopted.

ASKINGS OF PRESBYTERY'S BOARDS AND COMMITTEES FOR 1964

The Stewardship Committee must submit to Presbytery at the Summer Meeting an asking budget for Presbytery's approval. The committee needs detailed information to do this task intelligently. It also needs a realistic plan for establishing an asking budget, so that the budget will not be way beyond what the church can give and at the same time take other factors into account. Therefore, at the recommendation of the General Council of the Assembly,* the Stewardship Committee proposes that askings of the boards and committees of Presbytery be submitted to the Stewardship Committee in the following manner:

(1) ASKINGS should be itemized with the approximate amount for each item noted together with an explanation justifying the need.

(2) ASKINGS should be prepared using three bases: (a) experience, (b) normal growth, (c) challenge.

EXPERIENCE: The basic figure from which the boards and committees should figure their asking should be the actual amount of money that they received from Presbytery last year.

NORMAL GROWTH: To this basic figure the boards and committees may add a certain amount or percentage which can be justified as being a normal growth figure for the work of the board or committee.

CHALLENGE: If a board or committee is faced with some pressing need or some great opportunity, it should ask for an ap-

propriate amount (in addition to the basic figure plus normal growth) to meet this need or opportunity and justify this "challenge" asking.

(3) Income from other sources should be noted at least in a general way and enough explanation should be given so the Stewardship Committee can see that each board and committee has some business-like procedure whereby Presbytery's benevolence funds and other sources of income are used in some systematic way to defray all the expenses of the board of committee.

Recommendation: That this procedure of submitting askings be adopted as a practice of Abingdon Presbytery, and that this year the boards and committees of Abingdon Presbytery submit their askings by June 3, 1963, to the chairman of the Stewardship Committee (C. S. Wilson, Jr., 117 W. 2nd St. S., Big Stone Gap).

REPORT OF CHRISTIAN EDUCATION COMMITTEE

The Moderator announced the report of the Christian Education Committee, and relinquished his chair to Rev. Manson Tate. Upon being challenged by the Committee Chairman that he simply wished to escape a long-winded speech, the Moderator declared he would refrain from stating his reasons for a temporary absence.

Rev. James Somerville, Chairman, presented the report of the Christian Education Committee, which was adopted.

CHRISTIAN EDUCATION REPORT

I. Information concerning leadership training.

A. Area Laboratory School for Children's Workers. The school is being held at the First Presbyterian Church of Pulaski on July 14-19. This is a commuter's school for persons within an hour's driving distance of Pulaski. The Committee commends the Rev. W. T. DuBose, Chairman, and others who are working on the local committee and would urge teachers of nursery, kindergarten, primary, and junior children in the Pulaski area to take advantage of the school.

B. A Twelve Hour Workshop to be held at the Presbytery's camp grounds on May 10, 11 and 12 for the Sinking Spring and Glade Spring Churches. Other churches in the Abingdon area will be invited to send participants. The cost will be about nine dollars per person.

C. The Synod's Five Day Adult Workshop at Banner Elk, N. C. on May 22-26. The committee is interested in securing persons to attend this workshop. Last year our Presbytery was not well represented. After hearing about the benefits of last year's workshop at King College some have expressed a desire to attend one held in 1963. These are the people we would like

to have in attendance this year. Expenses will be paid by Synod with the privilege of Presbytery's using those who attend for Presbytery workshops later.

D. Synod's Recreation Workshop at NaCoMe, Tenn., April 29 - May 3. Twenty dollars is available to anyone who wishes to attend, up to a total allocation of eighty dollars. Forty dollars has already been appropriated for two persons who plan to attend.

E. Curriculum Previews, that is an introduction of specific Covenant Life teaching materials, will be held in the Presbytery on September 8 and 15. There will be four previews on the district level. These are planned for Sunday afternoons.

II. Recommendations.

A. That local churches and committees of Presbytery keep the dates of September 8 and 15 open for Curriculum Previews.

B. That the summer meeting of Abingdon Presbytery be held at the Presbytery camp ground. That this be a time of dedication of the camp, after the following manner: that communion be observed around the tables, preferably in the dining hall; that at this time of worship a litany of dedication be offered; that appropriate statements of appreciation be framed about those who have made significant contribution in conceiving and developing the camp. That dinner be served either in the dining hall or on the grounds. That a tour of the camp be conducted during the lunch recess in such a way as not to interfere with the Junior Camp then in session. That a committee consisting of James Somerville, Preston Sartelle, and Richard Shelor be named to prepare the details of this dedication.

C. That an ad interim committee be named by Presbytery to study the matter of scholarships offered by Presbytery to candidates for the ministry and others. That this committee consist of James Edwards, Chairman of the Candidates Committee (Chm.), James Somerville, Chairman of the Christian Education Committee, and C. P. Hope, Jr., a member of the Stewardship Committee.

Respectfully submitted,

James Somerville

for the Christian Education Committee

Rev. Angus Shaw III urged attendance and encouragement for the Synod's Youth Conference in June.

Rev. Loren Watson made a plea for the ministers to cooperate in the Presbytery's summer camping program.

A plea was made for the ministers to urge attendance to the Vacation Bible School Institutes.

CHANGE IN MANUAL

The second reading of the second recommendation of Presbytery's Council to the last meeting of Presbytery (cf.: Minutes of 211th Stated Meeting of Abingdon Presbytery, p. 20) was moved and carried.

PRESBYTERY CAMP

The report of Presbytery's Camp by Ruling Elder Robert Kell was presented as information and committee to record.

**REPORT TO THE ABINGDON PRESBYTERY CONCERNING
THE ABINGDON PRESBYTERY CAMP**

All plans for the operation of our camp for the season have been completed or are in the process of being completed. We expect to have the filter project for the swimming pool completed in a short time.

Your Board of Directors met on Tuesday, April 2nd and discussed several projects and plans for the camp. Their number one project for this year was the filtering plant for the swimming pool.

Our next project, when funds are available, will be the construction of an all purpose shelter large enough to accommodate both recreation and assembly. We expect to pursue this project when our financial condition merits it.

We also have offered to the camp the services of a qualified engineer without charge to make a lay-out for camp expansion in the future. This is only being done for long range planning. The committee wishes to report that we are operating within the budget.

Respectfully submitted,

Robert E. Kell

Chairman

PRESBYTERIAN DEVELOPMENT FUND

The report of the Presbyterian Development Fund by Ruling Elder Robert Kell, Chairman, and Rev. W. F. Wadsworth, Associate Chairman, was presented as information and committed to record.

REPORT OF ABINGDON PRESBYTERY MEETING,

NORTON, VIRGINIA, APRIL 16, 1963

PRESBYTERIAN DEVELOPMENT FUND

The total pledges received from 32 out of 74 churches in the Presbytery will, as of this date, amount to \$72,930.00 while

this is a relatively good commitment from the small number of churches who have pledged, it is disappointing that approximately 42 churches have not sent in any **statement of intent**.

I wish to request every church in the Presbytery to turn in to your group chairman a **statement of intent**. If a church does not plan to participate in this enterprise, they should by all means indicate so on their **statement of intent**.

I trust that every church will complete its **statement of intent** immediately. This is most important in order that we can wind up this work.

Respectfully submitted,

Robert E. Kell

Rev. W. F. Wadsworth

CHRISTIANITY AND HEALTH

The Rev. Dr. Malcolm C. Doubles, Chairman, presented the report of the Committee on Christianity and Health, which was adopted with the following amendment: "that a ceiling of \$100 be set for the speaker in recommendation 2."

**REPORT OF THE COMMITTEE ON
CHRISTIANITY AND HEALTH
TO ABINGDON PRESBYTERY
SPRING MEETING 1963**

The Christianity and Health Committee of Abingdon Presbytery met on Wednesday afternoon, March 27, 1963, at Lebanon, Virginia.

There was a lengthy discussion about the necessity of having some means to deal with the emotional and spiritual needs of ministers. It was noted that a pastor with such needs cannot minister effectively to people in the area of Christianity and health. It was decided that one of the most important functions of such a committee would be to encourage Presbytery to establish some means to deal with such ministerial difficulties. More specific suggestions in this area were postponed until later dates.

It was decided that ministers should be encouraged to work with local ministerial associations, mental health associations, etc. to the end of establishing local treatment, prevention, and educational centers for mental health. It is felt that the wide educational experiences demanded of the Presbyterian minister before ordination make him peculiarly qualified to assist local communities in this area which is so greatly neglected at the moment.

The institutes on clinical pastoral care of the mentally ill being jointly sponsored by the Holston Chapter of the Virginia Mental Health Association and the Southwestern State Hospital of Marion, Virginia were discussed and it was decided that all our ministers should be encouraged to participate in such courses as they can. It was likewise decided that if the hospital is able to establish any sort of training for non-ministers, our ministers should be asked to encourage any of their members who might be eligible to participate.

It was decided that it might be helpful to invite someone with wide experience and knowledge in this field of Christianity and health to speak to the summer or fall meeting of Presbytery.

RECOMMENDATIONS: (1) It is recommended that a questionnaire be distributed to Presbytery and that five minutes be set aside immediately following this report so that the questionnaire can be filled out on the floor of Presbytery.

(2) It is recommended that Presbytery grant the Christianity and Health Committee the privilege and the funds to invite someone to speak on the subject to the summer or fall meeting of Presbytery.

PRESBYTERIAN SURVEY

Rev. Jerry Conner, Chairman, presented the report of the Presbyterian Survey Committee, urging the use of the Every Family Plan. Dr. Rolston suggested and the Moderator directed this Committee to consider getting a Synod supplemental insert, as is now being done by some other Synods.

STANDING COMMITTEES

Rev. C. S. Wilson, Jr., presented the report of the Bills and Overtures Committee, which was adopted.

**REPORT OF STANDING COMMITTEE ON
BILLS AND OVERTURES**

ABINGDON PRESBYTERY MEETING — APRIL 16, 1963

Concerning the overture from the Session of the Powell's Valley Presbyterian Church which recommends a re-translation of the Apostles' Creed and other doctrinal and teaching statements of our church, the committee recommends the following:

(1) That the overture from the Session of the Powell's Valley Presbyterian Church be rejected.

(2) That Abingdon Presbytery advise this Session to instruct the members of the Powell's Valley Church and the community in the meaning of the words "Holy Catholic Church." If this instruction does not seem adequate after diligent effort is made, the Session itself may make its own re-translation of the Apostles' Creed to "Holy Universal Church" or some other accurate wording.

Although the committee sympathizes with the problem the Powell's Valley Church faces, we believe that the problem can be best solved by diligent instruction in the meaning of the faith of the Church.

COURTESY COMMITTEE

Rev. Tom Sproule presented the report of the Courtesy Committee, which was adopted.

The members of the 212th meeting of Abingdon Presbytery express their sincere appreciation to the minister, officers and members of the Norton Presbyterian Church for their most gracious hospitality shown in the provisions for: a delicious meal at the noon hour, refreshments upon arrival and during the meeting, the parking of automobiles, (with additional thanks to the city of Norton for their generosity and thoughtfulness), the use of their building and facilities.

Again, to those of the host church who had a part in making this meeting possible, we express our gratitude for their graciousness in providing for the comfort of those in attendance.

Norton Presbyterian Church, thank you and may the Lord bless you.

It was moved and carried to send a copy of the report to the Norton Church and to the Norton City Manager.

MODERATOR IN NOMINATION

The Rev. Mr. James Somerville, nominated by Rev. C. S. McChesney, was elected Moderator-in-Nomination by acclamation, Rev. William DuBose having withdrawn his name from nomination.

DATE AND PLACE OF NEXT MEETING

It was announced that the date July 16 and the place for the next Stated Meeting of Presbytery had already been set at the Presbytery's Camp.

MODERATOR'S SERMON

It was moved and carried to print the Moderator's sermon in the minutes of this meeting.

The motion to adjourn having been made and carried, Presbytery adjourned with the Apostolic Benediction.

COMMITTEE ON CHRISTIANITY AND HEALTH

Rev. Charles McChesney presented the report of the Committee on Christianity and Health. The report and its recommendations were adopted.

Abingdon Presbytery's Christianity and Health Committee met at 7:30 P. M. May 31, 1963 at the Lebanon Church, Lebanon, Virginia.

At the meeting, the important address to be given by Dr. William B. Oglesby, Jr., was discussed. It was decided to write all the Presbyterian medical doctors in the Presbytery inviting them to attend to hear this important address. It was also decided to ask Presbytery for an Order of the Day for 11 A. M. to hear Dr. Oglesby. It was further decided to ask Presbytery to include in its minutes a synopsis of this address, as prepared by Dr. Oglesby, himself.

There was discussion as to a medical doctor who might be invited to present an address to Presbytery on a similar subject. It was decided that W. T. Thompson, Jr., M. D., Chief of Medicine, McGuire Veterans' Hospital, Richmond, Virginia, be invited to present this subject from the point of view of the medical profession. The time for this address was set as the April 1964 meeting of Presbytery.

It was further decided to investigate the possibility of having area meetings of an inter-denominational nature between ministers and medical doctors to discuss the subject of the relationship between Christian faith and health and ways in which ministers and doctors can best cooperate for the full health of both the ill and well.

It was further decided to request to the Stewardship Committee to include this committee in its budget in the amount of two hundred fifty dollars (\$250.00) annually.

RECOMMENDATIONS:

- (1) That and Order of the Day be declared for 11 A. M. that Presbytery might hear an address by the Reverend Dr. William B. Oglesby, Jr., Professor of Pastoral Psychology, Union Theological Seminary, Richmond, Virginia, on the subject **Christianity and Health**.
- (2) That a synopsis of this address as prepared by Dr. Oglesby be printed in Presbytery's minutes.
Respectfully submitted,

Malcolm C. Doubles, Chairman

FAITH AND HEALTH

(A Synopsis) Wm. B. Oglesby, Jr.

The matter of faith and health and the role of the Church in a healing ministry is certainly not new. There are, however, certain factors today which require that the Church re-examine

its position and give guidance to those who may be perplexed by extravagant claims on the part of some or troubled by the assumption that the Church is neglecting this area of its ministry.

What are we to believe about the relationship of faith to illness and health? Here, as always in the Reformed Faith, we turn to the Bible as the authoritative source and norm. Yet in doing so we find that there is no simple answer to our question. Thus, as the Confession of Faith directs, it is essential that the teaching of particular text be interpreted in the light of our passages.

In the first place, a study of Scripture indicates that there are certain seeming paradoxes in regard to faith and health. For example, at times sickness is seen as a direct punishment for sin as in the case of Miriam in Numbers 12 as well as elsewhere. Jesus refers to the sick as being bound by Satan. Nevertheless, in John 9 Jesus refuses to draw a one-to-one relationship between sin and physical distress in speaking of the man born blind, and makes the same affirmation in regard to those on whom the Tower of Siloam fell. Thus, while we can say that sickness is certainly a part of the bondage of creation which resulted from the fall of man, and while specific illnesses can obviously be traced to specific sinful acts, we note that it is a grave error to seek a specific sin for each illness or to infer that sickness at any given time or moment must necessarily be the punishment for some particular sin.

In the second place, a study of Scripture reveals that there is no unitary relationship between faith and healing. At times faith is specifically a function of healing as when we read that Jesus could do no mighty works because of their unbelief. On other occasions, however, there seems to have been little or no connection between faith and health. The man born blind is recorded as affirming his faith only after healing came. Again, on occasion healing comes as a consequence of faith on the part of someone other than the sufferer as in the instance of the Centurion's daughter or the Widow of Nain's son. Moreover, it is sobering to note that faith did not always produce healing. Paul's thorn in the flesh is the prime example, although there is much disagreement regarding the meaning of this phrase. Likewise when Christ referred John to the signs of the Kingdom which included healing we are struck by the fact that John, himself, was not the recipient of deliverance and that Christ concluded his statement by nothing that those truly blessed were the ones who took no offense in Him, not those who were healed. Perhaps even more disturbing is the fact that healing did not always lead to faith. Nine lepers who were healed did not return, and John notes that although Jesus had done so many signs, yet they did not believe.

The substance of this brief summary is that we do well not to take isolated verses as a basis for our conclusions.

Having said that, it is possible to go to more positive teachings of Scripture. In the first place, it is clear that God's sovereignty as expressed in creation and preservation encompasses a concern for and a control over man's physical nature. However much sin and distress produce sickness, the Bible everywhere holds that Satan exists and works by permission of God. Clearly depicted in the Book of Job, the same thought is emphasized by Christ who affirms that the Devil has no power except that which has been given him. Moreover, Paul's thorn in the flesh, a messenger of Satan, was given him as a means of perceiving God's grace which is sufficient. We may not understand this mystery; nevertheless it is comforting to know that nothing can separate us from the love of God which is in Christ Jesus.

In the second place, it is just as clear that the ministry of Jesus turned upon healing as an integral not a peripheral part of His redemptive act. He healed often, nor is there any record of his refusing to heal or rebuking anyone who asked for healing. He commended his disciples to heal and the New Testament is replete with instances where they did so. It is impossible to read the Acts of the Apostles without being convinced that healing was and is a primary function of the Church.

Finally, the Bible teaches that healing does not necessarily imply the cessation of a particular illness and certainly not the avoidance of death. Rather the whole is set in the light of redemption so that healing is a token of the resurrection and death is deprived of its sting thus becoming again a natural part of God's purpose in man's reconciliation. The death that is destroyed is the death caused by sin, not the death that is a natural part of life.

In the light of these things, there are clear implications for the Church. In the first place it is important that the Church recognize what is in fact happening in its healing ministry. Too often it has seemed to some that unless there was some spectacular event there was no spiritual force present. This implies that God is at work only when there is mystery, a view which finds no support in Scripture. All healing is of God whether the overt agent is identified as prayer or medicine. The long history of the church in the establishment of hospitals and the alleviation of suffering through medical research is no less an evidence of God's grace than on those occasions when God is pleased to act in ways which transcend our understanding. For the Church to turn its back on the medical profession is a sign not of faith but of failure to understand the scope of God's grace.

At the same time, the Church needs to maintain an openness to the leading of God's Spirit to employ all means of healing. Just as some groups err in neglecting the medical benefits given to us by God, so others err in neglecting the spiritual means which He has provided. Contemporary stirrings in the Church marked by the establishment of a Committee on Faith and Health indicate a recovery of that which has been obscured in a purely scientific age.

Finally, there is the necessity to keep clearly in mind that the chief end of man is to glorify God and enjoy Him forever. Thus, while the Church will always search for health and healing it will be in the context of that transcendent life which brings glory to God whether by suffering or release, knowing that in Him we are able to meet any situation and triumph over it.

THE CHALLENGE of each of the committees and boards of the Presbytery of Abingdon should be an encouragement to liberal giving on the part of each member of the churches of our Presbytery. The Church Extension Committee is pressing on with its work of supervising the carrying of the gospel of Christ through the new and small churches that cannot fully support themselves. The Children's Home has new facilities, but the need to expand is very pressing. Almost weekly children have to be turned away because there is no room for them. The Camp is paid for, but there is a pressing need to remodel and rebuild many of the old buildings. The Christian Education Committee carries on its work with our youth, leadership training, scholarships for ministerial candidates, but it has the new work of leading the churches of Presbytery into the Covenant Life Curriculum. The Higher Education

and Candidates Committee continues its work of informing us about the higher education work that we support and also in examining and supervising men and women who are preparing for church vocations. The Christianity and Health Committee is a new committee that will lead Presbytery's thinking through this most important field. The Stewardship Committee has the challenge of persuading every member of the churches of Abingdon Presbytery that he is indeed a steward under the Lordship of Christ and encouraging all to act accordingly.

The ASKING BUDGET represents the needs of the agencies of the General Assembly, Synod, and Presbytery. These are urgent needs. There is no "padding" of the askings. To meet this need there would have to be almost a 50% increase in giving to "benevolences" in Abingdon Presbytery. We most likely will not increase our giving that much, but, obviously, we cannot be content with our present giving. Each of us must examine himself — are we really acting as stewards?

RECOMMENDATIONS

- (1) That the Asking Budget for 1964 be adopted.
- (2) That the Asking Budget for 1964 be distributed in the churches of Presbytery this fall during the stewardship season as stewardship education material for our people, and that the brochure "In Loving Obedience" be distributed also for the same purpose.
- (3) That September 22 through November 3 be recognized and supported as the period in which the Every Church Canvass will take place and that each church of Presbytery welcome a team of representatives of the Stewardship Committee to present a program to the entire congregation explaining the work that we do together through the agencies of the General Assembly, Synod, and Presbytery. This will be a worship service for the entire congregation which will be led by the team. A "home-made" film will be presented telling what the work is that we support through "benevolences." An address will be given to point out the close connection between stewardship and the mission of the church. Afterwards the team will meet with the church officers to present the askings for the church for 1964 and to get the commitment of the church.

(Ranks based on 16 Synods and on 83 Presbyteries)
These figures below are based upon the reports of the Presbyteries to the 1963 General Assembly with the help of figures from the General Council

One figure that should be of great concern to Abingdon Presbytery is the one stating that in 1962 there was a DECREASE of 7.43% in the giving of the churches of our Presbytery. Note also that there was a considerable DECREASE in spending on buildings in 1962, but there was no INCREASE in benevolences or current expenses. When the building is paid for, it is time to channel the giving of our people into the "Benevolence" causes of the church.

CHRISTIAN EDUCATION

The report of the Christian Education Committee was given by Rev. Don Collins and its recommendation was adopted.

Today stands as an important day in the affairs of Abingdon Presbytery as we are met here at the camp and conference grounds. In the outset of this report this committee would extend congratulations and sincere thanks to the Presbytery for the purchase and development of this place where we can pursue our Christian growth with intensity.

CAMPING

Of immediate interest to us is the current camping program. At the time of the writing of this report two camps have been completed and a third is in session. Enrollment thus far has been under par. Senior Conference reported eighty-five campers, there were ninety campers for the first week of Pioneer Camp, and only fifty-two campers for the second week of Pioneer Camp. The prospect for enrollment at Junior Camp is better.

It has been recognized by the Camp Board and by this committee that we cannot operate the program that we do unless our churches send their young people to camp. Let this be an appeal for Abingdon Presbytery to do a better job about using these facilities next year.

To the end that whole families might use the Presbytery's camping program we are proposing a Family Camp for Labor Day Week End to be held at the camp ground. (See recommendation.)

YOUTH WORK

Four senior high young people and an adult adviser from this Presbytery will be attending the North American Reformed and Presbyterian Youth Assembly at Purdue University, LaFayette, Indiana from July 19 to 25.

The Rev. Donald Collins of Draper and Miss Peggy Warden of the Seigle Memorial Church of Pulaski have been installed as new adult advisers for Presbytery's Youth Council. This committee wishes to express, for Presbytery, its appreciation to the Rev. Angus Shaw and Mrs. William Berry for their devoted, mature, and winsome guidance of the Youth Council for the past three years.

CHILDREN'S WORK

Attendance at the Vacation Church School Institutes conducted during the spring was as follows:

Norton Institute	8 participants
Richlands Institute	22 participants
Pulaski Institute	23 participants
Glade Spring Institute	55 participants
Total participants	108

COVENANT LIFE CURRICULUM

Presbytery's attention is called to its action of the 212th meeting at which time the dates of September 8 and 15 were cleared for Curriculum Previews. These will be very important presentations of materials to be used by adults in the Covenant Life program beginning in October. Whether a church is enthusiastically supporting the new curriculum, skeptical of it, agnostic, or opposed to it these previews are essential. Here the actual material to be used will be handled and expounded. Please do not let these previews slip past teachers of adults. The schedule for these previews is as follows:

Sunday, Sept. 8, 3:00-5:30 p. m.	Gladeville (Wise)
	Sinking Spring (Abingdon)
Sunday, Sept. 15, 3:00 - 5:30 p. m.	Cedar Bluff
	Wytheville

RECOMMENDATION

That the Presbytery conduct a Family Camp from August 31-September 1 at the Camp Ground, and that the Rev. Stein Wilson be Director of this camp.

A manual to assist pastors and sessions in dealing with these problems was presented and recommended to Presbytery.

COUNCIL, COMMITTEE REPORTS, ETC.

Rev. P. O. Sartelle presented the report of Presbytery's Council which was adopted:

REPORT FROM PRESBYTERY'S COUNCIL

Presbytery's Council reports to Presbytery as follows:

- (1) The minutes of the 214th Stated Meeting of Abingdon Presbytery were reviewed, and it was noted that the minutes should be corrected as follows: On page 11 in the Report of the Commission of Abingdon Presbytery to ordain and install Bert Edwards, the word "ordained" should be inserted so that the statement will read, "Mr. Bert Edwards was declared elected, ordained and installed as Evangelist of Jewell Ridge Presbyterian Church"; on page 26, the heading should be corrected to read "Per Capita Giving in 1962."
- (2) The report of the Ad Interim Committee on Scholarships, appointed by Presbytery, was presented, and Council thought that some of the recommendations needed further study. A Subcommittee of Council was appointed to study the recommendations and to report to the next meeting of Presbytery's Council. This Committee was composed of Mr. James Vance, Chairman, Rev. Charles McChesney, Rev. James Edwards, Judge Albert Peery, Dr. T. A. Freeman.
- (3) The Central Treasurer of Benevolence sent a report that receipts for the calendar year were higher than those for the corresponding period of 1962; however, this might be due in some part to more regular remittances by the Churches of Presbytery to the Central Treasurer.
- (4) The minutes of the 1963 meeting of the Synod of Appalachia were reviewed, and it was decided that Synod's action concerning \$300.00 scholarships for King College should be brought to the attention of Presbytery.
- (5) The Women of the Church reported on their proposed change in organizational structure and suggested that it might present a problem as to representation on Presbytery's Council. If the proposed plan of reorganization is adopted, Council will appoint a committee to study the matter and make recommendations to Council on possible necessary changes in the Manual of Presbytery.
- (6) A request from the Women of the Church that Council advise on the possibility of bringing the geographical boundaries of the districts into which Presbytery is divided for the purpose of Men's work, Women's work and Youth work into harmony with each other, was discussed and referred to the Christian Education Committee for further consideration and recommendation.
- (7) The Executive Secretary was directed to take a vacation during the month of November.

(8) The question of proper remittances by Church Treasurers of funds for the Presbyterian Development Fund was discussed and a recommendation made to Presbytery.

(9) Council decided to recommend to Presbytery that Presbytery's Manual be revised by adding the Chairman of Presbytery's Examinations Committee and the Chairman of Presbytery's Committee on Christianity and Health as member of the Council.

(10) January 7, 1964, at 2:00 P. M. at the Striking Spring Presbyterian Church, Abingdon, Virginia, was designated as the date, time and place of the next meeting of Presbytery's Council.

RECOMMENDATIONS

(1) Concerning revision of Presbytery's Manual insofar as membership on the Council is concerned:

That Section IV of Presbytery's Manual shall be amended to add as members of Presbytery's Council the following officials: Chairman of Presbytery's Examinations Committee and Chairman of Presbytery's Committee on Christianity and Health.

(2) Concerning minutes of the Synod of Appalachia:

That the attention of Presbytery be called to recommendations adopted by the Synod of Appalachia concerning \$300.00 scholarships for King College. These recommendations appear on pages 38 and 44 of the Minutes of the 1963 Meeting of the Synod of Appalachia.

(3) Concerning remittances of Presbyterian Development Fund receipts by Church Treasurers:

All funds for the Presbyterian Development Fund must be sent to Mr. Herman Jones, Box 5146, Atlanta, 2, Georgia.

Payments to this fund included in General Fund checks or any other budgeted funds cannot be accepted. Do not send a Presbyterian Development Fund check to the Benevolence Treasurer of Presbytery.

John K. Byrd

Alternate:

- (1) Hershey Longenecker
- (2) Wm. Shouse
- (3) Holmes Rolston

Ruling Elders:

Wm. Grissom (Royal Oak)
Ray Hamblen (Big Stone Gap)

Alternate:

- (1) C. W. Hurst (Buchanan First, Grundy)

Following the 1963 recommendation of the General Assembly, the first named minister alternate is to replace the first minister vacancy, the second named minister alternate to replace the second vacancy, etc., and similarly with the ruling elders.

Selection of commissioners is in keeping with Chapter 28 of Presbytery's Manual. The date of a minister's last attendance at the General Assembly, or the date of his ordination, is entered on record. Those are nominated who have been longest off duty in this capacity. A minister is not ordinarily nominated, however, until he has been a member of the presbytery for one year.

An effort is likewise made to select elder commissioners from churches who have been longest without providing an elder for service in this capacity. Those churches who have not so provided an elder in recent years are invited to suggest appropriate names to the Nominations Committee.

There was no report from the Committee on Christianity and Health.

AD INTERIM COMMITTEE ON SCHOLARSHIPS

The report stated that this had already been committed to the council in keeping with Manual of Presbytery. The committee was dissolved.

Dr. Freeman gave the report of the Commission for the Stone Memorial Manse.

Progress is being made, the commission having met with the building committee and session of Stone Memorial Presbyterian Church, and the church has approved at the congregational meeting the construction of a manse. The lot has been surveyed and cleared. Approximately \$12,000 is in hand toward the \$16,300 cost. The balance is to be borrowed from the Atlanta office.

It was moved and passed that the Commission for the Stone Memorial Manse be continued.

There was no report from the Committee on Bills and Overtures. The invitation of the Fincastle Presbyterian Church to hold the summer meeting, 1964, with them was noted and approved.

The Docket was adopted as presented.

APPOINTMENT OF STANDING COMMITTEES

Rev. Earl Baker and Ruling Elder W. M. Guthrie were appointed as the Bills and Overtures Committee.

It was announced that a letter was in hand from Moderator James Somerville noting his attendance at the 175th anniversary of the Synod of North Carolina, which was received as a communication and committed to record.

The Minutes of the Commissions to install Earl Baker and Glen Nagel were committed to record.

MR. EARL BAKER

The Commission appointed by Abingdon Presbytery to ordain and install Mr. Earl Baker as pastor of the Hurley and Clark Memorial Churches met at the Clark Memorial Church at 7:30 P. M., Sunday, Nov. 3, 1963.

Present were: Ruling Elders — Fred Short, James Childress, W. B. Parrish. Ministers — P. O. Sartelle, chairman, James Hollerhead, Thomas West, E. H. Anderson.

The Commission was called to order by Chairman, P. O. Sartelle, who declared a quorum present. Mr. Fred Short was elected Clerk. Mr. W. B. Parrish led in prayer.

The order of service was adopted. The Commission moved to the sanctuary to proceed with the service of ordination and installation. After the opening worship, Rev. James B. Hollerhead preached the ordination sermon, using the text Mat. 16:15-18.

Rev. P. O. Sartelle presided and explained the procedure of the ordination service to the congregation. Mr. Sartelle propounded the constitutional questions to Mr. Baker and the congregations of both churches. All answers were affirmed.

As Mr. Baker knelt, the Commissioners of Presbytery set him apart for the gospel ministry by the laying on of hands, as the chairman led in the ordination prayer. Members of the Commission extended to Mr. Baker the right hand of fellowship to take part in the ministry.

The Chairman then pronounced and declared that Mr. Earl Baker had been ordained to the MINISTRY OF THE WORD AND SACRAMENTS, and had been regularly elected and installed PASTOR of these congregations agreeably to the WORD OF GOD and according to the Constitution of the Presbyterian Church in the United States.

Rev. Mr. Thomas West charged the pastor. Rev. E. H. Anderson charged the congregation.

After singing a hymn the congregation was dismissed with the benediction by the newly ordained and installed pastor.

Members of the congregation were urged, with the elders and deacons, to come forward and give their pastor the right hand in token of cordial reception and affectionate regard.

The Commission retired from the sanctuary. The minutes were read and adopted (as amended). After the motion for adjournment was made and carried, the Commission adjourned with prayer by —

FRED SHORT, Clerk

P. O. SARTELLE, Chairman

MR. GLEN NAGEL

The commission, according to the appointment of Abingdon Presbytery, met at the Thompson's Valley Presbyterian Church November 29, 1963 at 7:00 P. M. with ministers, Rev. Richard F. Taylor, chairman, Rev. R. Alan Chapman, Rev. Rockwell M. Smith, and Ruling Elders, Mr. Herbert Ward and Mr. Sheffey Massie present, and was opened with prayer by Rev. Rockwell M. Smyth. Quorum present. The Rev. N. S. Heath of Cherokee Presbytery was invited to sit with the Commission and preach the ordination sermon. Rev. Richard F. Taylor, presided and let the congregation in a worship service. Rev. Nathaniel S. Heath preached from Acts 2:36-47, "What God Wants for this Church", after which Rev. Taylor reviewed the proceedings of Presbytery leading up to this service and propounded the constitutional questions to both the minister and the congregation. These being answered in the affirmative, Mr. Glen Nagel was ordained with prayer and the laying-on of hands of the Presbytery, after which the members of the commission extended to him the right hand of fellowship in the ministry of the Holy Gospel. Mr. Glen Nagel was then pronounced and declared ordained to the ministry of the word and sacraments and regularly elected and installed pastor of Cove, Litz and Thompson's Valley Presbyterian Churches, agreeably to the word of God and the book of church order.

The charge to the pastor was delivered by Ruling Elder Sheffey Massie and to the congregation by Rev. Smith. The Sacrament of the Lord's Supper was administered by Rev. Heath and Rev. Nagel.

The service was concluded with the benediction pronounced by the newly-installed pastor, and the leaders of the congregation came forward and gave him their right hands in token of cordial reception and affectionate regard.

RICHARD TAYLOR, Moderator
SHEFFEY MASSIE, Clerk

Letters from both chaplains were noted, and several paragraphs from the respective letters were read to Presbytery.

PRESBYTERY'S COUNCIL

Ruling Elder Stuart B. Campbell, Jr., presented the report of Presbytery's Council and tendered his apologies for missing the last meeting, stating that the snow formerly accused of being the culprit should be correctly identified as the red tape of federal bureaucracy, thus becoming "red snow" in this case.

A meeting of the Council was called for 5:00 P. M. in the afternoon.

The report of Presbytery's Council was adopted as amended within the Council with the exception of recommendation 7.

In recommendation 7 a substitute motion was moved and carried that recommendation 7 be referred to the Commission on the Minister and His Work, who together with the Council Chairman is to work this out, and report back to Presbytery. Rev. McChesney made the motion that was carried to the effect that the Stated Clerk confer to Bert Edwards the information that he has been duly ordained and that the church and he have met all the requirements of Presbytery.

RECOMMENDATIONS:

In view of the fact that there are only five (5) ordained, married ministers serving in our church Extension Fields who do not receive a salary of \$4,500.00 or more per year, the Church Extension Committee offers the following recommendations:

This action will amend the calls of the ministers listed below in the following amounts:
James Somerville — Increase \$100 per year
Alan Chapman — Increase \$200 per year
Frank Chapo — Increase \$200 per year
Walter Harbison — Increase \$200 per year
Earl Barker — Increase \$200 per year
2. That the request of the Bluemont Church, for the reinstatement of the Rev. John Boyd, as Stated Supply be granted.

3. That the Vansant (Oakwood-Vansant Manse) Church be granted the receipts from the Penny-A-Meal funds for the year 1964.
4. That the Pastor, Rev. Jerry Conner, and the Congregations of the Maple Grove and Spring Creek Churches be commended by Presbytery for having attained self-support status.
5. That the Treasurer's Report be adopted, entered in the report of the Church Extension Committee, and that Mr. Brown be commended by Presbytery for his efficiency.

ABINGDON PRESBYTERY CAMP

Ruling Elder Robert Kell presented the report of Abingdon Presbytery's Camp. It was adopted with Presbytery's expression of appreciation to Mr. Kell for his fine work:

REPORT OF ABINGDON PRESBYTERY CAMP COMMITTEE

SUBMITTED TO THE MEETING OF THE ABINGDON

PRESBYTERY ON TUESDAY, JANUARY 28, 1964

Your Committee is attaching a financial statement for the operation of the Conference Grounds during the fiscal year 1963 — (January 1 — December 31, 1963.)

Camp Improvements during 1963:

A modern filtering and chlorining plant was housed in a well constructed building adjacent to the pool in 1963. The pool was repainted and improvements made to the bath houses also adjacent to the pool.

General improvements were made to the cabins, as well as the other buildings on the Conference Grounds site. The rebuilding of all sanitary, toilet and bath facilities was started in 1963 and will be completed before the Conference Grounds open in the Spring of '64. These facilities were badly needed and they were constructed on a permanent basis with hard glazed cement floors to make them easily maintained from a standpoint of sanitation and cleanliness.

Arrangements were also made for the extension of a porch to the front of the main dining room to avoid congested conditions just before the serving of meals.

The Board of Directors have authorized the State of Tennessee health authorities to inspect the kitchen facilities, the pool facilities, as well as the toilet and shower facilities before the spring session of 1964 opens at the Conference Grounds for activities.

Recommendation to the Presbytery:

Since the Conference Grounds are free of debt, and since most of the basic facilities have been improved, your Board of Directors feel that the time has come for serious planning for the future of these grounds. The Board of Directors of the Conference Grounds and the Committee of Christian Education have agreed that a committee should be appointed to study the Christian Education program as it relates to the Abingdon Presbytery Conference Grounds and other areas of relationship between the Conference Grounds and the Abingdon Presbytery at large.

The Executive Committee and the Board of Directors trust that the Presbytery will pass favorably on such a resolution which will be presented following this report

Respectfully submitted,
Robert E. Kell, Chairman

BASIC FOR FORMULATING PROPOSED BUDGET

When the final results of the Every Church Canvass were in your committee added the results and found that the churches of Presbytery had accepted \$2,113 more for benevolences than last year. This increase is very commendable in the light of the fact that we have two capital fund campaigns in 1964, The Presbyterian Development Fund and the Children's Home. The Stewardship Committee's problem was simple: How shall we distribute this \$2,113? Your committee debated this for over two hours, trying out many ways of distributing the funds. Your committee decided that the best way to handle the problem was to use the percentage figures of the 1963 budget for all the General Assembly and Synod Causes, and the total amount for Presbytery's Causes. This gives a slight increase to every cause in the General Assembly and Synod. In Presbytery we have a new committee to add to the budget, one committee asked for less money (Stewardship), and several committees asked for substantial increases, and so the 1963 percentage figures were not usable. Your committee read over again the askings of each committee and gave increases to every one that asked for it, although there is not enough increase in benevolence acceptances to give the amount of increase the committees wanted.

RECOMMENDATIONS

1. That the above budget be adopted as Abingdon Presbytery's 1964 budget.
2. That the churches of Presbytery be urged to remit their benevolence funds in twelve monthly installments of as near equal amounts as possible.
3. That the various causes in the benevolence budget be assigned to the churches in dollar amounts, according to each church's acceptance in the Every Church Canvass.
4. That to fulfill its benevolence responsibility a church must remit to each individual cause at least the full dollar amount assigned for every cause.
5. That it be admitted to record that the records of the treasurer of the Stewardship Committee have been audited and found in order by R. L. Evans, Vice-President of the Bank of Dublin.

ABINGDON PRESBYTERY'S CHILDREN'S HOME

Ruling Elder Philip Sadler presented the report of the Board of Directors of the Children's Home of Abingdon Presbytery, Inc., which was accepted and committed to record as follows:

ANNUAL REPORT OF THE CHILDREN'S HOME OF ABINGDON PRESBYTERY, INC.

1. Policy

The Children's Home of Abingdon Presbytery, Inc., is a Charitable Institution, licensed by the State of Virginia, to care for children between the ages of five and twenty. The Home is designed

to minister to both the Spiritual and Physical needs of children.

The Home receives children who are of normal mind and body. Admittance is based chiefly on the need of the child. At the present time, however, available space is a factor that must be taken into consideration.

The Home seeks to be a real Home in every sense of the word. The future of the child is considered as well as the present.

II. Children Served.

The Children's Home cared for a total of 41 children during 1963. Thirty-nine of these children were cared for in the Home located on the southwest edge of the town of Wytheville, Virginia. One girl completed a Practical Nursing Course in Fishersville, Virginia and one boy is a student at Wofford College, Spartanburg, South Carolina.

On December 1, 1963, there were 34 children in care in the Home. Eight of the children are students in the George Wythe High School and twenty-four are students in the Wytheville Elementary School. One boy is in college and one child is of pre-school age.

There were four children who left the Home during the year. Three of these children were returned to their family or relatives who felt they could now provide a home for them. One graduated and is working and providing for herself.

III. Spiritual Life.

The children have found a full program of church activity and a rich spiritual life in the Wytheville Presbyterian Church under the leadership of the pastor, Rev. Thomas Sproule. They participate in all activities of the church.

The Presbytery's Summer Camp program added much to the spiritual life of the children in 1963. Under the competent leadership of the teachers and counselors, they were made aware of Christ in their lives and of their responsibility to Him. One of our older boys made his profession of faith at camp.

IV. Personnel.

Again, the Home has been very fortunate in being able to maintain a very competent staff. The attitude and happiness of the children indicate the devotion and loyalty that the staff has for the children.

There were no changes in personnel in 1963. Rev. Donald G. Buchanan, Superintendent, reports that Mr. R. S. Gantt continues as a very efficient assistant. Mrs. Gantt, girls' housemother, continues to be an excellent mother for our girls.

Mr. & Mrs. K. F. Baynard continue to do an excellent job with our boys. Mr. Glen Corvin remains in the capacity of Maintenance Man. He is a very important part of the Home Personnel. Mrs. L. N. Buchanan is still relief housemother.

V. Finance.

An audit of the books of the Children's Home of Abingdon Presbytery, Inc., is being completed by the firm of Armbrister and Cole of Wytheville, Virginia. A complete and comprehensive report will be filed with the Stated Clerk of the Presbytery.

VI. Buildings and Grounds.

The Presbytery holds title to 4.75 acres of land which is located at Foster Falls, Virginia. There are four buildings located on this property. At the present time, the Children's Home continues to engage Mr. Nathan Lovell to live on this property rent free and to act as caretaker. Efforts are being made to sell this property.

The Home is located on 89.9 acres of land on the southwest edge of Wytheville. At the present time three cottages and a dining-room-administration building have been erected. These buildings are estimated to be worth \$150,000.00. Two old houses are located on the property, also.

The grounds are in good shape. Much needs to be done to make them first-class. A recreational area is now being developed and we hope to pave our roads in the early summer.

Long range plans call for the completion of three more cottages. Future plans call for the further development of the recreational area.

In early 1964 the Home will be able to offer services to at least fifteen more children. We are looking forward to the time when we can offer to the Presbytery full facilities and help for the many children that are referred to them each year.

It is the sincere desire of the Home and the Superintendent that 1964 will be a year of progress and much accomplishment as we seek to minister to needy children and to build other facilities for their care. This can be accomplished only by the cooperation of each one in the presbytery.

WORLD MISSIONS

Rev. Eldon Wadsworth presented the report of the World Missions Committee, which was adopted.

**WORLD MISSION COMMITTEE REPORT
TO THE
215th STATED MEETING OF ABINGDON PRESBYTERY
JANUARY 28-29, 1964**

WE RECOMMEND:

1. That each church be reminded that February 1st to March 1st is World Mission Season, and that this season should be observed in each church by studying the interdenominational theme for 1964, "Southern Asia."

2. That each church be reminded that February 23rd to March 1st is the Week Of Prayer and Self-Denial for World Missions and should be climaxed with a supplemental offering for world missions.
3. That each church be encouraged to use the audio-visuals that are available through Dr. T. A. Freeman's office (401 Reynolds Arcade Building, Bristol, Virginia). These are:
 - Motion Pictures
 - "The Village of the Poor," — a 28-minute film on India.
 - "Taiwan Diary", — 28 minutes.
 - Filmstrips
 - "A New Day in Nepal", — color and script.
 - "William Carey of Serampore", — script.
 - "Christ in the Art of India", — color, 33 1/3 record and script.
 - "Mission to Korea", — color and 33 1/3 record.
 - "Footsteps upon the Mountain", — color and 33 1/3 record.

 - "Mission to Mexico", — color and 33 1/3 record.
 - "Ecuador", color and 33 1/3 record.

These audio-visuals are available the year around. During the World Mission Season we ask that an offering be received at the showing of each motion picture, and that a one dollar rental fee for each filmstrip shown be sent to the treasurer of the World Mission Committee, Rev. J. F. Conner, Jr., Route No. 2, Abingdon, Virginia. The audio-visuals are free at all other times, except for transportation.

4. That churches be informed that Miss Nettie Junkin, Taiwan, is the missionary assigned to our presbytery for the first week in the world mission season. Requests for her services should be made through Rev. Hershey J. Longenecker, Rt. No. 5, Abingdon, Virginia.
5. That the World Mission Committee be given the privilege of conducting the evening worship service at this meeting of Presbytery, at which time the Presbytery will hear an address by the Reverend Mr. James L. Lyons, Synods Chairman of World Missions, on the text "... and the darkness has never put it out." John 1:5 (Phillips translation).
6. That churches be urged to receive the Easter Special Offering for Relief of World Need and Suffering on Sunday, March 29th.
7. That Presbytery sponsor a bus to take a group of young people to the World Mission Conference at Rock Eagle, Eatonton, Georgia, April 17-19, 1964.
8. That pastors and senior High Adult Advisors encourage their senior highs to consider being a part of the caravan of young people going to Mexico during the summer of 1965, and that they submit names of interested young people to the chairman of the World Mission Committee.

NOMINATIONS

Rev. Thomas Sproule presented the report of the Nominations Committee, which was adopted. (See pages 3-7.)

The following motion relative to the composition of the Christian Education Committee was made and passed:

CHANGE IN THE MANUAL SECTION ON CHRISTIAN EDUCATION COMMITTEE

In addition, one Director of Christian Education employed by a church of the Presbytery may be elected to serve as a regular member of this committee, subject to the same terms and provisions as apply to minister and elder members.

Rev. Somerville attempted to occupy the floor to speak to this, but having arrived tardily had not registered. He was required to register before being allowed to continue.

CONNER RESIGNS

Rev. Jerry Conner requested Presbytery to dissolve his pastoral relationships. It was moved and carried to dissolve and send a letter of commendation to Bluestone Presbytery, the date of dissolution of pastoral ties to be March 1, 1964. Dr. T. A. Freeman spoke to Presbytery commending the good ministry of Rev. Conner in Abingdon Presbytery.

NEW BUSINESS

It was moved and carried to dissolve the feasibility of a two day Winter Meeting as follows:

RESOLVED:

That the matter of whether or not Presbytery should have one or two day meetings for its winter meeting be referred to Council and that Council report back to Presbytery during the January 29 session.

An earlier motion to recess was discovered unvoted upon, and placed to a vote and carried. Presbytery thereupon recessed for committee meetings at 4:40 P. M.

Presbytery re-convened for supper at the Wytheville Church at 6:00 P. M., after which a partial report of the Courtesy Committee was presented, thanking the ladies of the Church for their gracious hospitality to Presbytery.

COMMUNION AND MISSION PROGRAM

At 7:30 P. M. Presbytery gathered to observe the Sacrament of the Lord's Supper, the Rev. Messrs. Thomas Sproule and William F. Shouse administering, assisted by the Session of the local Church. After the Sacrament, the Rev. Mr. James Lyons, Synod's Chairman of World Missions, preached an inspiring and challenging sermon to Presbytery. Presbytery then recessed for the night.

WEDNESDAY, JAN. 29

Presbytery convened at 9:00 A. M. with a hymn and prayer. The minutes were read and approved as amended, it being requested that the minutes of the Commissions to ordain and install Glen Nagel and Earl Baker be read instead of simply referred to, which was done.

COMMISSION ON THE MINISTER AND HIS WORK

Rev. C. S. McChesney presented the report of the Commission on the Minister and His Work, which was adopted.

REPORT OF THE COMMISSION ON THE MINISTER
AND HIS WORK

The Commission has met one time since the last meeting of Presbytery, meeting at the Wytheville Presbytery Church, meeting with the Commission were Rev. Glen A. Williams and representatives from the Bethesda and Indian Valley Churches. The Commission heard the request of Rev. Glen A. Williams that the pastoral relationship between himself and the named churches be dissolved. The Commission heard from the representatives of the named churches that at duly called congregational meetings the congregations had reluctantly concurred with their pastor. The Commission, acting as a Commission, dissolved the pastoral relationship between Rev. Glen A. Williams and the Bethesda and Indian Valley Churches effective December 19, 1963.

REPORT OF STUART B. CAMPBELL

IN ACCORDANCE WITH THE ASSIGNMENT OF Presbytery (see page) Mr. Campbell reported that he had met with the Commission and that they were making the following recommendation to replace recommendation 7 in the Council's report to Presbytery:

That the report of the commission to ordain Mr. Bert Edwards as recorded in the 213th printed minutes, page 11 be changed to read:

(in place of lines 6 and 7) "The purpose of the Commission was to ordain Mr. Bert Edwards as Minister of The Word and install him as Evangelist, having been called by Presbytery to labor as Evangelist."

(in place of lines 20-21) "prayer of Ordination with the laying on of hands" instead of "prayer of installation."
(in place of lines 22-23) "Mr. Edwards was declared regularly ordained as Minister of the Word (under the extraordinary clause) and installed Evangelist, according to Presbytery's call."

TWO-DAY MEETING VOTED DOWN

It was moved and carried to dispense with the two-day Winter Meeting of Presbytery and to make it a one-day meeting. The amendment that the Manual be changed accordingly also carried. In the discussion on the original motion, it was stated by one minister that as much as he hated to get up in the morning, he was always up well before 1:30 P. M. and saw no reason not to start Presbytery earlier.

Presbytery was reminded of its collective rudeness in response to the invitations of the Wytheville Church while trying to set up plans for the over-night meeting.

CHRISTIAN EDUCATION

Rev. Leonard Gibbs presented the report of the Christian Education Committee, which was moved and carried as follows:

REPORT OF THE CHRISTIAN EDUCATION COMMITTEE TO THE

215th STATED MEETING OF ABINGDON PRESBYTERY

1963 saw the introduction of systematic study materials of the Covenant Life Curriculum in the churches of Abingdon Presbytery. This was perhaps the biggest event in the work of Christian Education. Reports from the churches, both large and small, that are using the curriculum are heartening. We are in a year of introduction and recent word from the Board of Christian Education in Richmond advises us that the whole of our church schools will not have the new program before 1965. This delay offers those of us who find this program quite different from what we have done before an opportunity to get well acquainted at a conservative pace. The committee would urge that each church do something with the Covenant Life Curriculum prior to October of this year. There are any number of ways that a church might begin if nothing has been done yet and the committee stand ready to help.

Two matters seem of major importance as we anticipate the whole of 1964. The first is strengthening the hands of churches going into the new curriculum. One of our principle ways of doing this will be through Twelve Hour Adult Workshops which are a major ally to the Covenant Life Curriculum. One such workshop is scheduled for February 29 and March 1 at the Tazewell Church. The workshop will be held from 2:00 p. m. until 9:00 p. m. on both days. These workshops will continue to be designed for specific locales.

The second matter of prime importance will be that of looking far ahead into our camping program. The initial cost of purchase of the campground has been met; we are using the facilities well for six major camps and conferences; we have a good camping program, but now is the time to make it better. The Committee of Christian Education lends its support to that plan issuing from the Camp Board of the Presbytery that a committee be formed in Presbytery to establish long range planning for camp building. Believing that the program of Christian Education will be enhanced if such plans are made and followed, this committee wishes to go on record as approving in principle this recommendation of the Camp Board.

VACATION CHURCH SCHOOL INSTITUTES

At the 214th Stated Meeting of Presbytery, dates were adopted for Vacation Church School Institutes. Dates which were adopted were March 8, 15, 22, and 29. The date of March 29 was in error, as that is Easter. The committee, therefore

Recommends that: A Vacation Church School Institute be held on March 1 instead of March 29.

And further recommends that these places and times be adopted for the Institutes:

March 1 3:00 p.m.—5:15 p. m. Wytheville Presbyterian Church

March 8 3:00 p. m.—5:15 p. m. Coeburn Presbyterian Church
March 15 3:00 p. m.—5:15 p. m. Fincastle Presbyterian Church
March 22 3:00 p. m.—5:15 p. m. Sinking Spring Church

WOMEN OF THE CHURCH

Rev. Leonard Gibbs introduced the President of the Presbytery Women of the Church, Mrs. W. F. Wadsworth, who presented the following report which was admitted to record:

PRESIDENT'S REPORT — 1962-63 THE WOMEN OF THE PRESBYTERY OF ABINGDON

The Women of the Presbytery of Abingdon have used many ways of presenting the theme for the year, "Our Unity in Christ." Every group which reported, made some use of materials and plans that came from the Board of Women's Work. They observed the special seasons and emphases throughout the year.

Attendance at District Meetings was good and the meetings were largely devoted to the presentation of the Birthday Objectives. As a result of this effort, the Birthday Offering was our largest ever, amounting to \$3,169.83.

As we review the work done in local churches, we find that the Circle Bible Lessons are the high point in the Spiritual Life of our women. Interest is at a high level regarding these studies. Many neighborhood prayer groups have been started this year by the women.

"Hammer on the Rock", our Every Member Bible Study, was used by some churches. Most groups observed the Week of Spiritual Enrichment and had a part in the observance of World Day of Prayer.

From reports made to our Christian Education Chairman, we find that there is lack of interest on the part of adults in ALL church activities, resulting in problems of leadership in Sunday School and Youth activities. Little work was reported as being in progress on the Covenant Life Curriculum.

The women of our churches continue their interest in the field of Church Extension. The "52 Club" and the Penny-A-Meal Offering were the main emphases this year. The Penny-A-Meal Offering went to the Oakwood-Vansant field to help build a Manse.

Our World Mission emphasis was presented in every church in some way. While most churches filled or exceeded their White Cross quota, only a little over half the churches reported any deepening concern for World Missions. In connection with the White Cross quota, we will have a larger one this year and it will go to the Kasha Dispensary in Congo and to the Graham Memorial Hospital, Kwangju, Korea.

Most churches report that they sent some gifts to Overseas Relief and participated in the Easter Offering.

It is our privilege during the next two years to have the Calloway Scholarship Student to come from our Presbytery. She is Miss Darlene Long, Big Stone Gap, Virginia. She is a student in her Junior Year at Stillman College. She is under the Calloway Scholarship Fund which is a project of the Women of the Synod of Appalachia. Miss Long plans to enter teaching when she completes her education.

The Women of the Church always support the Joy Gift in a very special way and this year was no exception. This is one of the highlights of our Work Year.

The Women of the Church have continued their support of the Children's Home in many ways. Many churches "adopt" children and contribute toward their clothing and other needs, remembering them on birthdays, at Christmas and at other times. The Shoe Fund, which was begun by a Presbyterial Offering two years ago, continues to aid the Home greatly. The current project is the raising of \$2,000.00 for the furnishings in the new buildings at the Home.

Presbytery's Camp was aided by the Women of the Presbytery through the giving of their offering at the Annual Meeting toward improvements being made at the Camp.

King College Sponsors' Day was one of the highlights of our year. We were entertained overnight by the College. There was a good attendance from our Presbytery. The Women of the Presbytery purchased a new electric sewing machine and some sewing supplies for the use of the girls at the College.

Synodical Training School, which is held annually at King College, is a wonderful training opportunity which is overlooked by too many persons in our Presbytery. Only sixteen (16) women from our

Presbytery participated. The Women of the Presbytery ask the support of the ministers in the Presbytery for this fine School.

At the present time there are 65 organized active Women of the Church groups with one Inactive Group. We are pleased to report the organization of the Fincastle Presbyterian Women of the Church group.

Much emphasis has been placed on training for the Revised Plan of Work which will go into effect in October, 1964. District Chairmen and Presbyterial Presidents from all over the Assembly have been trained in Area Training Sessions to implement this plan of work. Local churches have received instructions regarding nomination and election of officers and this phase of the work is now in progress.

The Women of the Presbytery encourage local churches to adopt this plan of work and encourage the study by local congregations of the booklet, "The Worship and Work of the Congregation," in order that all groups in the church can work together effectively.

As we review our work, we see many places where improvements could be made. We can, however, see evidences of some growth, and we recognize that there are some types of growth that can't be measured.

We look forward to the time when we can really enlist every woman for Christ. It is our prayer that this coming year will bring us closer to that goal.

Dorothy C. Wadsworth
(Mrs. W. F. Wadsworth)
President

It was moved and carried to admit the report to record, with Presbytery's thanks to Presbyterial for their work.

216th STATED MEETING OF ABINGDON PRESBYTERY

The 216th Stated Meeting of Abingdon Presbytery convened at 10:00 A. M. at The New Dublin Church, Dublin, Va., April 21st, 1964. Presbytery was constituted by a hymn and prayer. This was followed by the sermon by the Moderator, the Rev. Mr. C. W. Thomas West. A memorial to the late Rev. Dr. W. J. Conrad was read by the Rev. Mr. Thomas Sproule:

MEMORIAL TO THE REVEREND DR. WARREN J. CONRAD

Warren J. Conrad was born February 17, 1888 at Reading, Pennsylvania. He attended the public school in Reading, being graduated from Reading High School, with honors, in 1906. In 1910 he was graduated, cum oratore, from Lafayette College, Easton, Pennsylvania, receiving the A. B. degree. Princeton University awarded him the Master of Arts degree in 1912, and in 1913 he was graduated from Princeton Theological Seminary. He was ordained to the gospel ministry by New York Presbytery, on June 15, 1913, and served as Assistant Minister of the Second Presbyterian Church, New York City, New York, until 1915.

Dr. Conrad served as Pastor in the following fields: Liberty, New York, 1915 - 1920; Lycoming Church, Williamsport, Pennsylvania, 1920 - 1925; The Covenant Church, Harrisburg, Pennsylvania, 1925 - 1936; The First Westminster Church, Keokuk, Iowa, 1936-1948; and The Wytheville Church from 1948 until his retirement December 31, 1957. After his retirement he continued to serve Abingdon Presbytery, serving as supply preacher in many churches.

On November 29, 1917 he was married to Miss Lorena Clara Patterson, who survives him. He is also survived by one daughter, Mrs. Robert Intress, and two sons, Warren Patterson and William James.

Buena Vista College, Iowa, on May 29, 1936, conferred upon him the Doctor of Divinity degree. On June 2, 1963 the Session of the Wytheville Presbyterian Church honored him by making him Minister Emeritus of the church from which he retired. Dr. Conrad was honored and further served the Church by serving as the speaker at Religious Emphasis Week at many colleges and as the Religious Work Director at Camp Meade, Maryland during World War I. He also was the speaker at many Preaching Missions or weeks of special services throughout Ohio, Pennsylvania, New York and Virginia. He was twice a commissioner to the General Assembly of the Presbyterian Church in the U. S. A. During 1941-42 he served as Moderator of the Synod of Iowa. He also served as Moderator of three Presbyteries in which he served. He served as President of the four Ministerial Associations of which he was a member.

The ministry and witness of Dr. Conrad was not confined to the Church. He served the communities in which he lived by

service on many boards and agencies of the community. In recognition of his ability and service, he served as:

President of the Council of Welfare Agencies, Keokuk, Iowa, during 1947-1948.

President of Community Concerts Association, Wytheville, Virginia, 1957-1959.

Chairman of the Wythe County Red Cross Chapter, 1959-1960.

A Trustee of the Wytheville Library until 1964.

Dr. Conrad was also an accomplished organist. While a student at Lafayette College he served as organist for the college. Until recent years he gave concerts and recitals.

Dr. Conrad was a beloved Pastor, in all fields which he served. He was a man of learning, insight and vision, with a warm Christian spirit, a faithful witness to the Word, who faced life, lived it with courage and joy, as a servant of Christ, whom he loved, doing the will of God. The influence of his preaching and his life will live long in the lives of those who had the privilege of his friendship.

Dr. Conrad departed from us to enter his Eternal home on April 10, 1964. The funeral services were conducted from the Wytheville Presbyterian Church, Wytheville, Virginia, on April 12, 1964. Interment was in the West End Cemetery, Wytheville, Virginia.

The Rev. McSwain presented two proposals to change Presbytery's Manual, and the request was made to print the present Manual with the proposed change and send out before the next meeting of Presbytery. After clarification of Manual Ch. 33-1, it was moved and carried to docket both proposals for the summer meeting of Presbytery, following the report of Council.

AMENDMENT OF THE MANUAL

PROPOSAL 1

Whereas, the Committees of Abingdon Presbytery are Committees of the entire Presbytery and not of some smaller group within Presbytery, and

Whereas, "The Manual of the Presbytery of Abingdon" presently requires the Committee of the Presbytery to report directly to and to be supervised by the General Council of the Presbytery, and

Whereas, the result of this requirement is to place the committees of Presbytery under the effective control of the Council, so that Presbytery meetings largely tend to become occasions for simply approving the actions and decisions of the Council, now therefore,

BE IT RESOLVED, that Abingdon Presbytery votes to amend "The Manual of the Presbytery of Abingdon, "Part III, Chapter 9, Section 4 as follows:

- a) Paragraph (1) to be changed to read: "The Council shall act as an advisory body to the constituting committees of Presbytery."
- b) Paragraph (3) to be omitted, and this function to be placed specifically under the Permanent Committee on Stewardship.
- c) Paragraph (10) to be omitted, and this function to be placed specifically under the Executive Committee of Church Extension.
- d) Paragraph (14) to be reduced to the last sentence of that paragraph. And,

BE IT FURTHER RESOLVED, that Abingdon Presbytery votes to amend Part IV of said Manual, as follows:

- e) Chapter 12, Section 4, to include an additional paragraph (6) as follows: "This Committee is empowered to study present and/or proposed location of churches in the Presbytery and make recommendations to the churches concerned and to the Presbytery."
- f) Chapter 16, Section 1, Paragraph (1), to be changed to read as follows: "This Committee shall prepare the annual benevolent budget and present it at the Summer Meeting of Presbytery for approval."
- g) Chapter 10, Section 3, to have the following sentence inserted at the beginning of the section. "Each committee is requested to submit a copy of the Report-to-Presbytery to the meeting of Council immediately preceding that meeting of Presbytery, in order that Council may be kept duly informed and be able to carry out its advisory function." And,

BE IT FURTHER RESOLVED, that this resolution intends no criticism of Presbytery's Council, which has labored diligently and successfully to perform all these functions previously assigned to it by said Manual.

Resolution to amend "The Manual of Presbytery"

Proposal 2

WHEREAS, it is the duty of every minister and ruling elder in regular attendance at Presbytery to remain until Presbytery is adjourned, and,

WHEREAS, it is evident that a significant number of ministers and ruling elders do leave meetings of Presbytery before adjournment, and,

WHEREAS, repeated pleadings and warnings have failed to check this practice, and,

WHEREAS, ministers and ruling elders know they can afford to leave early because there is a time-limit on the introduction of new business at meetings of Presbytery, now therefore,

BE IT RESOLVED, that Abingdon Presbytery votes to amend "The Manual of Presbytery of Abingdon," Part I, Chapter 1, Section 6, as follows:

- a) In the first two sentences of this section, "shall" shall be changed to "should", making the sentence to read: "When Presbytery meets one day, all new business, other than business of Presbytery's boards, commissions, committees or Council, should be introduced not later than noon of this day. When Presbytery meets two days, all new business other than business of Presbytery's boards, commissions, committees, or Council, should be introduced not later than the close of the meeting of the first day."
- b) Immediately following the third and final sentence of this section, a fourth sentence shall be added, to read: "The Moderator shall judge whether any new business offered after these specified times shall be considered by that same meeting of Presbytery."

A request from Manson Tate to Presbytery was docketed after the report of the Commission on the Minister and His Work.

It was moved and carried to suspend further New Business until after the first Order of the Day in the afternoon.

SESSIONAL RECORDS COMMITTEE INCREASED IN SIZE

The following Ruling Elders were added to the Sessional Records Committee for this meeting of Presbytery: T. Reid Rankin, C. W. Hurst, Chester White, Rhea F. Moore, Lee Hurt, and T. Barclay Allison.

LEBANON STATISTICAL REPORT ERROR NOTED

An error in the Annual Statistical Report of the Lebanon Church was noted, whereby an oversight had resulted in the reporting as Building Fund Receipts the \$4,900 received from Presbytery and the 52 Club for the purchase of and payments on a new manse.

CHILDREN'S HOME REPORT

The 11:30 Order of the Day having arrived, the Rev. Mr. John K. Boyd, a member of the Board of the Children's Home of Abingdon Presbytery, introduced the Rev. Mr. Don Buchanan, Superintendent of the Children's Home, who spoke on the current Capital Funds Campaign for the Home. It was noted that presbytery is building lives, not just buildings. The Rev. Messrs. Shouse and Dendy spoke briefly on the benefits of the campaign in their local churches.

PRESBYTERY'S COUNCIL

The report of Presbytery's Council was presented by Rev. P. O. Sartelle, in the absence of the Chairman Ruling Elder Stuart B. Campbell, Jr. Recommendations 1 and 2 of the following report were moved and carried as presented, while following recommendation 3 it was moved and carried to make the Winter Meeting of Presbytery a one day meeting and to change the Manual accordingly. The vote on number 3 was 29 for one day meeting and 20 against. (see page 16)

REPORT OF PRESBYTERY'S COUNCIL

Council conducted its regular meeting at the Sinking Spring Presbyterian Church, Abingdon, Virginia, on March 31, 1964.

Pertinent business not included in recommendations was as follows:

(1) The Benevolent Treasurer reported that receipts were considerably ahead of last year, although those for Church Extension were substantially less than in the preceding year. The chief reason for the increase seems to be that churches are remitting more regularly and that the breakdown went out to the churches earlier this year.

(2) The Scholarship Committee, of which Mr. James Vance is Chairman, presented a report which will be further studied before a recommendation is made to Presbytery.

(3) The minutes of the 215th Stated Meeting were examined. Item 10, page 12 was corrected to read \$7,200.000. The minutes will be further studied as they had just been received.

(4) Mrs. W. F. Wadsworth, President of Presbyterial, reported concerning the change in the title of the members of the Executive Board of Presbytery. It was moved and carried that two members of the Board be designated by the President of Presbyterial to serve as members of Presbytery's Council in the capacity of present officers named in the manual as Chairman of Church Extension and Chairman of Christian Education in Presbyterial. It is not thought necessary that there be a change in the manual at the present time.

(5) The next meeting of Council will be at the Sinking Spring Presbyterian Church at 2:00 P. M. on June 30, 1964.

RECOMMENDATIONS

(1) Council recommends that Presbytery pass on a second vote the proposed addition to the Christian Education Committee of one Director of Christian Education employed by a church of the Presbytery to serve as a regular member of the Christian Education Committee.

(2) It is recommended that Presbytery's manual, page 8, Chapter 3-4, paragraph (3) be amended to read, "committees, shall be authorized to pay committee expenses and the travel expenses."

(3) Council calls to Presbytery's attention that it is necessary to vote a second time on changing the manual in regard to the Winter Meeting of Presbytery.

Respectfully submitted,

Stuart B. Campbell, Jr., Chairman

COMMISSION ON MINISTER AND HIS WORK

Rev. C. S. McCheaney presented the following report of the Commission on the Minister and His Work:

REPORT OF THE COMMISSION ON THE MINISTER AND HIS WORK TO ABINGDON PRESBYTERY — APRIL 21, 1964

The Commission on the Minister and His Work has held one meeting since the last meeting of Presbytery. The Commission met with the Nominating Committees of Maple Grove and Spring Creek Churches concerning the calling of a pastor for these two churches.

Respectfully submitted,

Charles S. McCheaney

Following the report of the Commission, the Rev. Manson Tate reported the decision of his three church field to divide: the New Dublin Church to go full time. The Dublin and Belspring Churches to continue as a joint work. Accordingly, the Rev. Tate moved to dissolve his pastoral relation with the New Dublin Church. Ruling Elder Don Wynn of the New Dublin Church presented the account of the congregational meeting whereby this decision was reached. The motion by Rev. Tate was carried.

Ruling Elder Robert Ratcliffe of the Belspring Church spoke to Presbytery, noting the desire of that church spoke to Presbytery, noting the desire of that church to increase its share of the pastoral expenses to: \$2,400 salary, \$350 travel allowance, Social Security and 7½% Minister's Annuity Fund on this part of the expenses. The motion on behalf of the Belspring Church to make these changes was adopted.

Ruling Elder Frank Sloop of The Dublin Church spoke to Presbytery, noting the concurrence of the Dublin Church and requesting approval of the following changes in the call to Rev. Tate:

April 21, 1964

At a Congregational Meeting March 1, 1964 the Dublin Congregation voted unanimously to approve the following items:

1. To separate the field of work as it now stands, and combine in a field with Belspring to share one pastor.
2. To ask Presbytery to amend the Call as it now stands to read: \$2,400.00 pastor's salary and \$350.00 car expense, Dublin to furnish a Manse, and to reimburse the pastor one-half the amount paid to Social Security, and to pay one-half minister's Annuity (this being our proportionate share of pastor's salary.)

Dr. Freeman commended this field on its wisdom and growth, and its present decision.

Rev. Holland McSwain requested that another vote be taken on the recommendation 3 of the Council concerns a one or two day winter meeting. It was called to the attention of Presbytery that this vote for change of manual had to be a two-thirds majority. A proper motion was made to reconsider. This was carried without any registered objections.

After further discussion the vote was taken which was 42 for the change manual and 25 against. The moderator declared the motion lost in view of failure to attain a two-thirds majority vote.

HIGHER EDUCATION AND CANDIDATES

Rev. James G. Edwards presented the following report by the Committee on Higher Education and Candidates, which was adopted:

REPORT OF THE HIGHER EDUCATION AND CANDIDATES COMMITTEE TO THE 216TH STATED MEETING OF ABINGDON PRESBYTERY

Recently, a booklet entitled, *Enlistment; a Handbook for Pastors and Session*, was published by the Department of Enlistment, of the Board of Christian Education. This booklet lists the responsibilities of the pastors and sessions in the matter of enlistment as follows:

1. The responsibility to summon the congregation to pray that God will prepare gifted persons and lead them to respond to the call.
2. The responsibility to provide the nurture in the church and in the home which will prepare a young man or woman to respond to the call to become a minister, a Christian education worker, a missionary, or a professional church worker of some other specialization.
3. The responsibility to identify and challenge those men and women in the congregation who have apparent gifts for the ministry or some other church vocation.

4. The responsibility to exercise care over those who are interested in or committed to the ministry and the other church occupations.

5. The responsibility to evaluate the gifts and character of those applying to become candidates for the ministry under care of Presbytery and to receive under care of the Session, candidates for Church vocations not requiring ordination.

In an attempt to locate and challenge gifted young people in our churches the Educational Department of the Board of World Missions and the Department of Enlistment of the Board of Christian Education has recommended to Presbytery the program called, "Conversations on leadership for the mission of the church." This conversation on leadership would bring together a group of 30-35 young people who have recognized abilities for the ministry. The intended results are as follows: (1) a profound consciousness of the peculiar obligations they have peculiar because of their recognized gifts, to give the ministers of the church serious thought and prayerful attention, (2) a deepened understanding of the church's ministries — how one enters them, their necessity for the life and mission of the church, what the work really involves, and the preparation required, (3) An awareness that the church is devoting serious attention to them as individuals, and also that it is seriously concerned about its own mission. For their pastors, sessions, parents, and the presbytery at large: A new confidence that the church is searching and must continue to search for persons of unusual gifts and abilities to place in position of leadership.

1. That Presbytery approve the holding of a "Conversation on Leadership" in the late summer or early Fall.

2. That Presbytery make available to the Higher Education and Candidates Committee, through the Christian Education Committee a sum up to \$100 to cover the expenses of this "Conversation on Leadership".

3. That upon completion of this report Presbytery hear the Rev. Dr. J. M. McChesney on behalf of King College.

Presbytery recessed for lunch at 12:30 P. M. During lunch Dr. Will R. Johnson of Brazos Presbytery was introduced. Dr. Johnson is holding meetings at The Draper's Valley Church. A partial report of the Courtesy Committee was also presented at this time by Rev. Holland McSwain.

Presbytery reconvened at 1:30 P. M. with the singing of a hymn and prayer.

STEWARDSHIP

The report of the Stewardship Committee presented by Rev. C. S. Wilson, Jr., was adopted.

**REPORT OF STEWARDSHIP COMMITTEE
DEFINITIONS OF TECHNICAL TERMS OF CHURCH FINANCE.**

In the area of stewardship and church finance our church uses a number of terms that have highly specialized meanings. They constantly cause confusion. The stewardship committee offers these definitions in an effort to clear up the confusion about what these terms mean. Most of these definitions come from the Reverend Charles C. Cowser, Secretary of Stewardship of the General Council of the G. A.

A SUPPLEMENTAL OFFERING is an offering authorized by a church court for the purpose of enabling a congregation to secure sufficient funds to meet the total asking of a particular cause within its adopted budget. This is an offering to help your church meet its budgeted benevolence commitment.

A SPECIAL OFFERING is one taken for work not included in the budget. Examples are The One Great Hour of Sharing and Women of the Church Birthday Offering.

BUDGETED BENEVOLENCES represent all those contributions made by the local church for the budgets of the Boards and Agencies of the Presbytery, Synod, and General Assembly which enables them to do the work entrusted to them.

NON-BUDGETED BENEVOLENCES are those contributions made by the local church for specific projects of agencies which are not included in the adopted budgets.

CAPITAL FUNDS are those funds received for the purpose of improving or enlarging the facilities beyond the realm of what might be considered normal or routine year to year current operations and for which no provision is made in any budget.

AN ASKING BUDGET is a recommended budget proposed on the basis of need and designed to carry out the projected program of the agencies of Presbytery, Synod, and General Assembly. It usually represents a minimum need.

AN ADOPTED BUDGET (sometimes called "Working" Budget) is a budget approved and made final by the action of a church court. It is based upon the amount of money pledged.

A PRE-BUDGET EVERY MEMBER CANVASS is a visitation into the homes of every family prior to the formation of a budget. Its purpose is to discuss the total program of the church, not on the basis of dollars, but on the basis of a personal commitment or relationship to God. It appeals to the family to give regularly and generously to the total program of the church.

A POST-BUDGET EVERY MEMBER CANVASS is a visitation into the homes of every family after a budget has been prepared. Its purpose is to discuss the total program of the church in the light of the budget which has been approved by the Board of Deacons and the Session.

A CONTINGENCY FUND is an emergency fund designed for purposes not spelled out or even foreseen in the regular budget. It is frequently included with the budget by such terms as "miscellaneous" or "emergency." But note, this term is used also in an entirely different way by some agencies of the church. For example, the Women of the Church of Abingdon Presbytery use "The Contingency Fund" to mean the equivalent of Presbyterial assessment or tax: this is an assessment to each local Women of the Church group, based upon the number of people in the congregation, and it is used to meet the expenses of Presbyterial.

PRESBYTERY ASSESSMENT (or "TAX") is an amount of money Presbytery assigns to each congregation to meet part of the expenses of Presbytery's staff and committees. It is assigned on a per-capita basis.

THE EQUALIZATION FUND of the General Assembly is a fund set up by the General Assembly in 1951 to which all the Boards and Agencies of the General Assembly contribute on a proportionate basis and from which funds are distributed to insure that all Boards and Agencies may receive as nearly as possible the amount recommended for them by the General Assembly.

RECOMMENDATION 1. That Presbytery urge the Boards of Deacons and Sessions of the churches of Abingdon Presbytery to read and study these definitions. (If this recommendation is passed, the Stewardship Committee will mail a letter with these definitions to the Chairmen of the Boards of Deacons and also to the Clerks of Sessions. The letter will explain that the purpose is to clear up the confusion that exists about the meaning of these terms.)

TOWARDS THE 1965 BUDGET.

The Stewardship Committee must submit to Presbytery at the Summer Meeting an Asking Budget for 1965. Therefore the committee now asks that the Committees and Boards of Abingdon Presbytery submit their askings to the Stewardship Committee in writing.

1. Asking should be itemized in dollar amounts, and there should be an explanation justifying the need.

2. Asking should be prepared using three bases:

EXPERIENCE: The basic figure from which the boards and committees should figure their asking should be the actual amount of money that they receive from Presbytery last year.

NORMAL GROWTH: To this basic figure the boards and committees may add a certain amount or percentage which can be justified as being a normal growth figure for their work.

CHALLENGE: If a board or committee is faced with some pressing need or some great opportunity, it should ask for an appropriate amount to meet this need or opportunity. It should explain this challenge.

3. Income from other sources should be noted at least in a general way and enough explanation should be given so that the Stewardship Committee can see that each board and committee has some business-like procedure for meeting its expenses.

(Each board and committee is invited by the Stewardship Committee to present its asking personally by sending one of its members to the meeting of the Stewardship Committee on June 29, at the Sinking Spring Presbyterian Church, beginning at 10:30 A. M.)

RECOMMENDATION 2. That Presbytery ask its committees and boards to submit their askings in the above manner to the Stewardship Committee's chairman (C. S. Wilson, Jr., 117 West Second St., S., Big Stone Gap, Va.) no later than June 29, 1964.

CHRISTIAN EDUCATION

Rev. James Somerville presented the report of the Christian Education Committee, which was received as information.

The Committee of Christian Education offers this report containing matters of information without any recommendations.

VACATION CHURCH SCHOOL INSTITUTES

Since the last meeting of Presbytery Vacation Church School Institutes have been held in four areas of the Presbytery.

12 HOUR WORKSHOPS

The Council on Adult Work of this committee has spent considerable time and talent in the preparation and advertisement of a Twelve Hour Workshop on adult learning for a local area. This workshop was announced in the last report of this committee but a paucity of reservations called for cancellation.

This committee has the conviction that what is contained in the Twelve Hour Workshop is a great boon in adult Christian Education. Therefore we are projecting a new program which contains the elements of the Twelve Hour Workshop. This will be a workshop dealing with fundamentals in the group process, communication, and the materials of the text, *Into Covenant Life*. The workshop will be conducted during one afternoon and evening in local churches or groups of churches upon the invitation of the Session, the Christian Education Committee, or the Sunday School Superintendent. We are actively soliciting invitations and will appreciate your inquiries from this report.

CAMP STAFF

The committee would remind Presbytery that every minister in Presbytery is expected to serve for at least one week in camp. If there are ministers who have not been asked to serve we urge that they not assume this to be some act of Providence but rather an oversight. We urge that ministers make themselves available to Malcolm Doubles, Director of Junior Camps; Thomas Sproule, Director of Pioneer Camps; and Angus Shaw, Director of Senior Conference. In addition we ask that churches place before these directors the names of persons who might be cabin counselors, particularly adult women who might be counselors.

Respectfully Submitted,
James Somerville, Chairman

PRESBYTERY'S CAMP

The report of Presbytery's Camp was presented by Rev. P. O. Sartelle on behalf of Ruling Elder R. E. Kell, and it was received as information.

**REPORT TO ABINGDON PRESBYTERY — PRESBYTERIAN
CONFERENCE GROUNDS**

Financial conditions of April 1, 1964: There is no indebtedness on the Conference Grounds.

The Bank Balance is \$2,752.00

However, most of this money will be spent when the sanitary and toilet facilities are completed, which will be sometime towards the last of May.

Also, a porch will be built at the entrance of the dining hall which is badly needed.

The electrical wiring throughout the Conference Grounds will be brought up to the proper standards and efficiency.

The Conference Grounds' season starts in June and everything will be in readiness for an excellent season.

WORLD MISSIONS

Rev. Eldon Wadsworth presented the report of the World Missions Committee. It was reported that the trip for young people to Rock Eagle was quite profitable. It was also reported that the scheduling of missionary speakers in churches will be handled through Presbytery's Missions Committee, beginning in August. Rev. Wadsworth was given a standing vote of appreciation for his scheduling of the bus to Rock Eagle. The report of the World Missions Committee was adopted.

**WORLD MISSION COMMITTEE REPORT
TO THE
216th STATED MEETING OF ABINGDON PRESBYTERY
APRIL 21, 1964**

We recommend that the young people of Abingdon Presbytery be encouraged to attend the World Mission Conference at Montreal, July 30-August 5, and especially the Commissioning Service for new missionaries at Anderson Auditorium, Montreal, North Carolina, August 5th at 7:30 p. m.

In order to facilitate the second part of this recommendation we propose the following:

That buses be chartered to provide transportation from Bristol to Montreal and back.

That a car-station wagon caravan provide transportation from Pulaski to Bristol and back, stopping at Wytheville and Marion, and making connections with the buses.

That young people desiring to use this transportation send their reservations, together with \$3.00 to cover the cost of the transportation, to Rev. Hershey J. Longenecker.

REPORT OF PRESBYTERY'S COUNCIL

Council conducted its regular meeting at the Sinking Spring Presbyterian Church, Abingdon, Virginia, on June 30, 1964.

Pertinent business not included in recommendations was as follows:

(1) The Benevolent Treasurer reported that receipts for the first six months of 1964 were running \$5,440.00 less than a year ago. The Treasurer reported that this was disturbing but not alarming.

(2) The Chairman of the Stewardship Committee conveyed his disappointment at the lack of co-operation that various committee chairmen and chairmen of Presbytery's boards had shown by failure to submit an asking budget for their work next year. Only two causes, World Missions and Church Extension, had submitted asking budgets.

(3) The Executive Secretary reported that his main work had been in obtaining ministers for vacant churches and that two ministers are being received and a student supply had been obtained for the service in one field. He commended the following churches for the completion of work on the manse and for additions to church buildings: Fincastle, Lebanon, Castlewood, Gladeville, Oakwood, Stone Memorial, Vansant, Lippincott, King Memorial, Bart Lick Chapel, Hays, Dublin, Bel Springs and Dinwiddie.

(4) The minutes of Presbytery had not been received at the time Council met and could not be reviewed.

(5) The next meeting of Council will be at the Sinking Spring Presbyterian Church at 2:00 P. M. on September 29, 1964.

RECOMMENDATIONS

(1) Council recommends that Presbytery authorize the World Missions Committee to request from the Churches of Abingdon Presbytery, a sum in the amount of \$4,500.00 for the

support of a youth caravan to Mexico in the summer of 1965 and that Sunday, September 13, 1964, be set as the day for receiving this special offering.

(2) Council recommends that Presbytery express its concern at the failure of Presbytery's boards and committees to submit to the Stewardship Committee of Presbytery their asking budgets for the year 1965.

Respectfully,
Stuart B. Campbell, Jr., Chairman

COMMISSION ON THE MINISTER AND HIS WORK

The report of the Commission on the Minister and His Work was presented by Rev. C. S. McChesney. The report was adopted.

REPORT OF THE COMMISSION ON THE MINISTER AND HIS WORK TO ABINGDON PRESBYTERY —

JULY 21, 1964

Your Commission has had two meetings since the last meeting of Presbytery. These have been with the New Dublin Church, and the First Church of Appalachia.

The Commission met with the Pulpit Nominating Committee of the New Dublin Presbyterian Church on May 25 concerning the calling of a pastor.

The Commission met on May 27 with the Rev. Loren Watson and the Pulpit Nominating Committee of the First Church, Appalachia. The Commission heard the request of the Rev. Loren Watson that the pastoral relationship between the church and himself be dissolved. A report pertaining to the Congregational Meeting for the purpose of concurring with the pastor was heard. The congregation concurred with the pastor in his request. The Commission, acting as the Commission, voted with reluctance to dissolve the pastoral relationship between the Rev. Loren Watson and the First Church, Appalachia effective June 1, and that a letter of Dismissal and Transfer to Florida Presbytery be granted in order that he might accept the position of Associate Pastor of the McIlwain Memorial Presbyterian Church, Pensacola.

The Commission then met with the Pulpit Nominating Committee relative to their securing a pastor.

RECOMMENDATIONS

1. Your Commission recommends that Presbytery request the officers of each church to review annually the remuneration paid their pastor, including allowances.

2. Your Commission recommends that an Orientation Session for new ministers be held on September 15, 1964 at the Sinking Springs Church, Abingdon, beginning at 2:00 p. m.

3. Your Commission has reviewed the following calls to candidates and ministers from Abingdon Presbytery Churches, and have found them in order. The Commission recommends that these be placed in the hands of these men subsequent to their examination and reception by Presbytery:

REPORT OF THE SUB-COMMITTEE ON EVANGELISM

COMMITTEE OF CHURCH EXTENSION

ABINGDON PRESBYTERY

JULY 21, 1964

The Synod of Appalachia meeting at King College on May 27-28, 1964, approved a Synod-wide Evangelistic Crusade for 1965. A Committee of sixteen (four from each Presbytery) was set up to make detailed plans for this Crusade. T. A. Freeman, James Hollenhead, W. F. Wadsworth, and William F. Shouse, the four members from Abingdon Presbytery, met with the Committee of sixteen at King College on June 30, July 1. From this meeting we submit the following information:

- The Crusade activities in our local churches will take place in the spring of 1965; a different week being designated for each Presbytery. Our week will probably be April 25 - May 2 or May 2 - 9.

2. We encourage local Sessions and congregations to begin now planning and praying for this effort and to use the methods and activities best suited to the local situation. We recommend regular evangelistic meetings, organized programs of visitation evangelism, person-to-person evangelism, and any combination of these and other methods leading up to and during the week designated for our Presbytery.

Within the next week or two, each Session will receive through the mail a request for consideration and action concerning the '65 Crusade.

3. We plan extensive use of newspaper, radio and TV coverage in the Synod area. For this reason it is essential that every church engage in some kind of planned, prayed-over, publicized, evangelistic effort during the specific week assigned to us.

3. Beginning now and culminating in the spring, 1965, we hope and pray for these results in the lives of our people:

- a deepening concern for those outside of Christ.
- the exaltation of the Lordship of Christ.
- more real fellowship in the church.
- more boldness in witnessing.
- an awakening to the fact and experience that the Holy Spirit is the author and finisher of any evangelistic effort.

Respectfully Submitted,
William F. Shouse, Chairman,
Sub-Committee on Evangelism.

CHRISTIAN EDUCATION

The report of the Christian Education Committee as presented by Rev. James Somerville was adopted.

The Committee of Christian Education presents the following report:

INFORMATION

(1) This Committee has been given the responsibility of administering grants and/or loans under the Walthall-Wood Scholarship Fund. This Fund has been provided from a will of Jennie A. Wood of the Draper Valley Presbyterian Church. The Fund amounts to eleven thousand, two hundred and ninety-three dollars and seventy-nine cents (\$11,293.79).

This Fund will provide scholarships amounting to a maximum of three hundred dollars per year, or a total of twelve hundred dollars for men for women preparing for ministers in church locations. To those who enter these vocations the scholarships will be understood as grants. To those who do not carry through their plans for a church ministry the scholarships will be understood as loans to be repaid.

Inquiries about the fund may be addressed to the chairman of this committee.

(2) The Presbytery Men of the Church rally will be held at the Children's Home on September 27th at 3:00 p. m.

(3) During May three adult workshops were held in churches of the Presbytery. These were held in Wisc, for the Gladeville, Coeburn, and Norton Churches, in Wytheville, and at Walnut Grove. The workshops dealt with communication, the group process, and a sampling of material from the adult Covenant Life Curriculum Course, *Into Covenant Life*.

These workshops have proved successful and the Council on Adult Work of this committee will continue to provide them and to encourage their being held in local churches and groups of churches.

RECOMMENDATIONS

(1) That curriculum previews for the second year of the Covenant Life Curriculum which will begin in October, be held in the Presbytery as follows:

- (a) A preview at the Sinking Spring Church on September 13 from 3:00 until 6:00 p. m.
- (b) A preview at the Wytheville Church on September 20, 3:00 until 6:00 p. m.
- (2) That churches send to these previews the following personnel:
 - (a) All teachers of Adult Classes who will use Covenant Life Curriculum materials, whether using *The Mighty Acts of God* or *Into Covenant Life*.
 - (b) Church School Administrators.
 - (c) All Teachers of Youth from Grades 7-12.
 - (d) Teachers of College Classes.
 - (e) Chairmen of Youth Divisions of Church Schools and Adult Advisors of Youth Groups.
 - (f) Members of Home and Family Nurture Committees or some person with a special concern for the family.
 - (g) Ministers.
- (3)
 - a. That there be adult workshops for Ministers of the Presbytery and their wives at the Presbytery Camp on September 28, 29 and October 26, 27.
 - b. That these workshops be planned and administered according to the 12 Hour Workshop Structure.
 - c. That during this meeting of Presbytery there be a roll call of the ministers so that they may indicate the workshop they will attend in order that necessary arrangement for food and housing be made.

Respectfully submitted,

James Somerville, Chairman

CONSULTATIONS ON WORSHIP AND WORK

To be held in our Synod, on the following dates:

October 6-7 — Abingdon and Holston Presbyteries — at Montreat.

October 8-9 — Knoxville and Ashville Presbyteries — at Montreat.

October 27-28 — Make-up consultation at Morristown.

The roll call in accordance with Recommendation 3 (c) of the Committee's report brought to light the following:

1. Certain Brethren had slipped out and gone home without having been excused; and
2. Another was discovered asleep during the meeting, but otherwise causing no disturbance.

WORLD MISSION COMMITTEE

The report of the World Mission Committee was presented by Rev. Angus Shaw.

THE WORLD MISSION COMMITTEE'S REPORT TO THE NINTH STATED MEETING OF ABINGDON PRESBYTERY JULY 21, 1964

In order to carry out the Caravan to Mexico for young people which Abingdon Presbytery is sponsoring during the summer of 1965, we make the following recommendations:

1. That Sunday, September 13, 1964, be designated "Mexican Caravan Day" in the churches of Abingdon Presbytery, and that churches be requested to give ten minutes of the morning worship service to heard of the plans for this Caravan.

2. That Presbytery recognize the need for additional funds for this Caravan and request the churches to receive a special offering on "Mexican Caravan Day" to raise their share of the needed \$4500.00 (or use another method which may be more suitable to the local congregation).

Recommendation as number one was moved and carried. Debate centered around whether such a presentation should be made without the assurance of funds.

Recommendation 2 had been disposed with during the morning session.

The Courtesy Committee presented the following report:

The Representatives to the 217th Stated Meeting of Abingdon Presbytery express appreciation to the session of the Fincastle Presbyterian for the invitation to meet in their church, and to both the membership of the church and the Leatherwood Daries the court expresses its gratitude for the hospitality and facilities which so aided in the completion of the duties of this court.

The following motion by Rev. Taylor was moved and carried:

I move that a district commendation from this Presbytery be extended to the architects, and church fathers of this Presbytery such as Dr. Goodrich Wilson, Dr. Freeman and any other persons who have been responsible for the high degree of architecture as exemplified in this the Fincastle Church, the Tazewell Church, the Lebanon Church, the Presbytery Home in Wytheville and any other such examples of fine architecture as have been developed and built within our bounds.

OTHER BUSINESS

Dr. Freeman informed Presbytery that Rev. Manson B. Tate had been honored by the Progressive Farmer magazine as Town and Country Pastor of the Year in Virginia. It was moved and carried to record the review of his ministry as published in that magazine, and to express to Rev. Tate appreciation for the honor he thus brings to Abingdon Presbytery.

MANSON B. TATE — VIRGINIA

So fruitful has been the work of the Rev. Mr. Manson B. Tate that his field had to be divided. When this action was proposed the only contest was over which of the three churches he formerly served would continue to have him as their pastor.

For the past 12 years, the Rev. Manson B. Tate served the Dublin-New Dublin-Bel spring field in the Abingdon, Va., Presbytery of the Presbyterian Church, U. S. In fact, he was ordained to the ministry by Abingdon Presbytery and has continued to serve there since coming to Southwest Virginia from Union Theological Seminary, Richmond, Va., in June 1939.

Early in his ministry, Mr. Tate showed his ability to get along with rural people. His interest in them and his insight into their problems, and his ability to comprehend their needs, have deepened as his years of service have increased. Being a country boy from Charlotte County, Va., enabled him to know his way around in country work.

Mr. Tate is a member of the Ruritan Club of Dublin, Va., and was one who encouraged that club to make national headquarters there. He has served as president of the Ruritan Club and on numerous committees over a period of years.

The Tate's two children, Betsy and Bob, have both been members of 4-H clubs. Bob has shown calves at the county fairs. Both of them have horses and ride well. Betsy is now a freshman at King College in Bristol and Bob is a high school senior.

Because of population growth, the three-church field which Mr. Tate serves requested Presbytery at its spring meeting in 1964 to allow the field to be divided, and employ the services of two ministers. Mr. Tate continues as pastor at Dublin and Bel spring. The New Dublin Church will employ a new pastor.

Mr. Tate graduated from Presbyterian Junior College in North Carolina and completed his last two college years at Presbyterian College in South Carolina with a BS Degree. He then attended Union Theological Seminary and graduated with the BD Degree.

Chaplain Ben Rice wrote asking two things of Presbytery:

1. Please counsel carefully with any servicemen who are asking you to marry them; and
2. Caution ministers and elders to exercise much care with young people ages 16-17, for this is the age they drop out of Church.

MODERATOR IN NOMINATION

Ruling Elder Curtis Wilson was elected by acclamation to be Moderator-in-Nomination.

PLACE OF NEXT MEETING

The invitation of the Dinwiddie Church was accepted to hold the October Meeting of Presbytery there on October 20th.

The minutes were read and approved, and Presbytery was dismissed with the Apostolic Benediction.

COMMUNICATIONS AND INTRODUCTION OF NEW BUSINESS

As the presentation of the Communications was delayed because of the Stated Clerk's conference with Mr. Somerville, the Moderator expressed his doubt as to the possibility of straightening out Jim Somerville. The conference being ended, the Stated Clerk read the following communications:

A Memorial in memory of the Rev. Mr. Glen Williams was read and committed to record.

GLEN ALBERT WILLIAMS

1899 - 1964

Glen Albert Williams was born November 15, 1899, in Benton City, Missouri, a son of Albert Hugh and Rosa Jane Hankins Williams. On June 18, 1930, in Wellsville, Missouri, he married Lena Lampe, by whom, together with their four daughters, he is survived.

Prior to the time of his marriage he had completed the prescribed educational preparation for the ministry of the Presbyterian Church, U. S., and had been licensed by Missouri Presbytery to preach the gospel. Besides having graduated from Westminster College, Missouri, and Louisville Presbyterian Theological Seminary with the degrees of A.B. and B.D. respectively, he had had two years of practical experience in public school work as teacher and principal.

On September 17, 1930, he was ordained to the gospel ministry by the Presbytery of Lafayette in Missouri Synod. This date marks the official beginning of a ministry of slightly more than three decades for which many people in both the Church militant and the Church triumphant may well be thankful unto God. To those who have known Glen Williams well and have had opportunity to observe his ministry, his name is synonymous with deep faith, steadfast love for his Saviour and for people, earnestness of purpose, courageous patience in suffering, unflinching devotion to accepted responsibility, and diligent perseverance in preaching the Gospel of Christ.

From the beginning to the end his was definitely a Home Missions ministry. The churches to which he gave his time and energy and devotion were uniformly those that offered rich opportunity for service but limited material support. These he served in groups that ranged from two to six in number of churches. The figures indicating the amounts he received as support from year to year are such as might give thoughtful pause and a blush of shame to the great Church of which he, and most of those who will read these words are a part.

Geographically, Mr. Williams' ministry may be viewed as having been composed of three divisions of approximately comparable length: 1. 1930-40, Three pastorates in Missouri; 2. 1940-52, Four pastorates in Kentucky, Louisiana and Tennessee; 3. 1952-64, A more prolonged period of service in Virginia, except a brief period of less than two years in Albemarle Presbytery, in North Carolina. During the years composing this third section of his ministry, he was located most of the time in and near Ararat, Virginia, and his field of labor was in the Blue Ridge Church and group in Montgomery Presbytery. Here his responsibility included five, and part of the time six, churches.

In 1961, under Albemarle Presbytery, because of irreparable bodily infirmities, he accepted Honorable Retirement. But this was not to be the end for him. Somewhat later he accepted the pastorate of Indian Valley and Bethesda churches in Abingdon Presbytery, in Virginia, but a part of Appalachia Synod. Here he continued to serve during most of the last two years of her earthly life. The Lord took him home on September 28, 1964.

During the very early days of the ministry of the writer of this sketch, a person of kind thoughtfulness gave him an artistically mounted copy of the following simple, but beautiful poem. For almost forty-five years it has hung over my desk and has been a great inspiration to me. Because it is so beautifully appropriate in any thought of the late Glen Albert Williams, it is here inserted as a part of this sketch:

He was just a humble pastor
Of a very humble kirk,
But he loved to help his people,
And he had a mind to work.

There were other pastors, wise and learned,
 Of whom the great world knew;
 But his people loved this simple man
 So earnest and so true,
 Because he knew the Saviour—
 And made Him seem so near.
 From oft alone with Jesus
 He breathed His atmosphere.
 All through the busy years he gave
 Of work and love his best.
 And that is why his humble kirk
 And people, too, were blest.

Following the reading of this memorial, Presbytery was led in prayer for the family of Rev. Williams by Rev. W. F. Wadsworth.

The minutes of the Commission to install Rev. Cecil Dalton were presented and committed to record.

II. Recommendations

- a. The following schedule of camps, conferences and directors for the summer of 1965 is recommended:

Grades	Dates	Directors
11 and 12	June 6-12	Angus Shaw, Don Collins
9 and 10	June 14-19	Bill Wolfe, Harold Minor
7 and 8	June 21-26	Tom Sproule, Carol Ruff

4 - 6	July 12-17	Charles McChesney
4 - 6	July 19-24	Richard Taylor
Family Camp	July 30 - Aug. 1	Eddie Nash

We further recommend that the Rev. W. F. Wadsworth be named Registrar for all camps and conferences for the 1965 season.

- b. For a number of years there has been an awareness in Presbytery of a lack of harmony in the plan of districting the Presbytery for various functions of peer groups. There has been one plan for the Men's Council, one for the Women of the Church, and one for youth.

The Executive Board of the Women of the Presbytery requested through Presbytery's Council that this committee propose a plan to harmonize the names and boundaries of districts for all groups in the Presbytery.

We therefore present the following plan of districting:*

Churches in District 1	Churches in District 2	Fincastle Litz
Lebanon	Bluemont	Mary's
Central	Anchor of Hope	Tazewell
Cleveland	Dinwiddie	Thompson's Valley
Green Spring	Fairview	Buchanan, First
High Point	Galax	Cedar Bluff
King Memorial	Galena	Jewell Ridge
Lippincott	Hillsville	Jewell Valley
McIver	Leyburn	Oakwood
Maple Grove	Sharon	Vansant
Sinking Spring	Wytheville	Richlands
Spring Creek	Rural Retreat	Dickenson, First
Walnut Grove	Bland	Clark Memorial
Gate City	Bohensda	Hurley
Rockview	Anderson Memorial	Churches in District 4
Bethel	Belping	Appalachia
Damascus	Draper's Valley	Big Stone Gap
Rock Spring	Dublin	Castlewood
Glade Spring	New Dublin	Coeburn
Locust Cove	Pulaski, First	Gladeville
North Holston	Seagle Memorial	Mt. Carmel
Rich Valley	Indian Valley	Mary Martin
Royal Oak	Churches in District 3	Norton
Saltville	Burkes Garden	Powell's Valley
Seven Mile Ford	Cove	Pound
Stone Memorial		

We recommend that Abingdon Presbytery adopt this as its pattern of districting where such division is necessary.

We further recommend that this schedule of districts be added to the manual as an appendix.

- c. We recommend that Presbytery hear the Rev. George Conn, Minister to Students at East Tennessee State University, speak for ten minutes on the Eighth Quadrennial Youth Convention

to be held in Richmond on December 27-31.

Respectfully submitted,
James Somerville, Chairman
Christian Education Committee

Rev. Tom Sproule spoke about the work of the Guidance Center and the need for our churches to participate in it. The following motion was made and carried:

That Presbytery encourage local congregations to participate in the Vocation Guidance Center Campaign for \$35,000 by placing this cause in their 1965 Church budgets, by making a canvass among their memberships, or by some other method which will give the people of our churches an opportunity to share in this cause.

Discussion on Recommendation A was suspended after Rev. Buchanan and Rev. Shouse spoke on the matter of courtesy, noted that a courtesy motion takes precedence over any other, and that this committee had been granted the privilege of the first report in order that Rev. George Conn could speak prior to lunch. Rev. Conn was presented to speak to Presbytery for 10 minutes in spite of Rev. Bradley's vote against courtesy, who said later that his mind was elsewhere when the vote was taken. Rev. Conn spoke on the upcoming 8th Quadrennial Convention, and Recommendation C of the Christian Education Report was moved and carried.

The substitute motion was made and carried to approve Recommendation A except for the camp schedule of 9-10 and 11-12 grades which are to be discussed by the Christian Education Committee and reported back in the afternoon.

Presbytery recessed at 12:15 P.M. for lunch, reconvening at 1:00 P.M.

Recommendation A as it pertained to grades 9-12 was defeated. It was then moved and carried that a conference for grades 9-12 be held June 14-19, and that the 4 already named as directors have administrative capacities and as far as possible the conference be divided between 9-10 and 11-12 grades. Rev. Angus Shaw was named director of this conference and authorized to secure staff as he desired.

In regard to Recommendation B, Rev. Somerville apologized for a wayward asterisk which may or may not be subject to a vote, and Recommendation B was carried as changed. Dr. Ellis urged attendance at the Work and Worship Workshops and other roundtables.

PRESBYTERY CAMP FINANCES

Dr. T. A. Freeman made an oral report on the finances of Abingdon Presbytery Camp. It was reported that there were 688 campers during the summer of 1964. The present balance of Camp is \$4,203.89.

PRESBYTERY'S COUNCIL

The report of Presbytery's Council was presented by Dr. P. O. Sartelle, which was adopted as follows:

COUNCIL'S REPORT TO THE 219th MEETING OF ABINGDON PRESBYTERY

Recommendation:

"It is recommended that the Chairmen of Presbytery's Committees present to Presbytery's Council their full schedule of meetings and activities insofar as practicable by the January meeting of Council in order that these schedules may be submitted for inclusion in a calendar distributed by Synod's Regional Director of Christian Education."

COMMISSION ON THE MINISTER AND HIS WORK

The report of the Commission on the Minister and His Work was presented by the Rev. Mr. Charles McCheaney, which was adopted:

REPORT OF

THE COMMISSION ON THE MINISTER AND HIS WORK

Your Commission has not met since the last meeting of Presbytery, and we are happy to report this as usually such meetings are in con-

nection with someone changing pastorates. The Commission has been working diligently with the Nominating Committee of pastorless churches in an effort to fill the vacant pulpits. Every vacant church has someone before them at this time, and we hope that several of these pulpits will be filled.

RECOMMENDATIONS

1. Your Commission has reviewed the call of the Hillsville Church to the Reverend A. B. Williford, and found it in order. The terms of the call are as follows:

Salary—\$5,600

Manse

30 days vacation

Moving expense

Car allowance to be determined, but not exceed \$600 per annum

Hospitalization insurance

7½% of Ministers' Annuity Fund

The Commission recommends the approval of this call, and that it be placed in the hands of the minister subsequent to his examination and reception into Presbytery.

2. The Commission recommends that the request of the Session of the Bluemont Church for the services of Rev. A. B. Williford as Stated Supply for one year beginning February 1, 1965 be approved.
3. The Commission recommends that Mr. Williford be appointed Moderator of the Session for this period of time.
4. The Commission recommends approval of the request of the Congregation of the Pound Church for the services of Rev. James Somerville as Stated Supply for one year beginning January 1, 1965.
5. The Commission recommends that he be appointed Moderator of the Session for one year beginning January 1, 1965.
6. The Commission recommends with commendation approval of the changes in the following calls:

Increase in salary by the Norton Church in the amount of \$200.00.

Increase in car allowance by the Norton Church in the amount of \$100.00.

The following increases in ministers' salaries paid by churches were approved: The McIver Memorial Church, \$300; The Draper's Valley Church, \$200; The Wytheville Church, \$600; The Lippincott Church, \$50; The Galax Church, \$300.

The following changes in salary terms were approved: The Lippincott Church changed to \$515 salary and \$500 manse expense; The Green Spring Church to reduce salary by \$750 and designate

this amount as manse expense; The Cedar Bluff Church to reduce salary to \$2300 and to set \$600 as manse expense; The Dinwiddie Church to change the terms of its call so that \$400 be designated as manse allowance.

The Rev. Mr. C. S. Wilson, Jr., moved that his pastoral relation with The Presbyterian Church, Big Stone Gap, be dissolved, effective February 1st. Ruling Elder T. Reid Ranking reported the reluctant concurrence of the Big Stone Gap congregation. The motion carried, and it was moved and carried to grant him a letter of dismission to Holston Presbytery to serve as the Assistant Pastor to the First Presbyterian Church of Kingsport, Tenn.

Dr. T. A. Freeman presented an oral report on the Presbyterian Appalachian Conference.

The Rev. Mr. W. F. Shouse reported orally on the evangelistic sub-committee's work, to say that all except 10 churches responded to their inquiry. He noted that since local effort would determine any success in these campaigns, the sub-committee would not make any further effort to contact or plague churches; rather, the committee would be at the service of any church.

Rev. Eldon Wadsworth led Presbytery in prayer as it recessed till 7:30 p.m.

SACRAMENT OF THE LORD'S SUPPER

Presbytery reconvened at 7:30 p.m. for the observance of the Sacrament of Holy Communion and for the Missionary Hour. The Rev. Messrs. Richard Taylor and W. F. Wadsworth, assisted by ruling elders of the host church, led Presbytery in the observance of the Sacrament.

The Rev. Mr. Jim Lyons, Chairman of Synod's World Missions Committee, addressed Presbytery after being introduced by Rev. Eldon Wadsworth.

Presbytery recessed until 9:00 a.m., Jan. 27th.

WEDNESDAY — JANUARY 27

Presbytery opened with a hymn and prayer at 9:00 a.m., and the minutes of the preceding day were read and approved.

STEWARDSHIP

The Moderator called for the report of the Stewardship Committee by Rev. C. S. Wilson, Jr., but Rev. W. F. Wadsworth called to the Moderator's attention that when he told Rev. Wilson he could go, he went. Thereupon Rev. Wadsworth presented the report of the Stewardship Committee, which was adopted:

PRESBYTERY'S CHILDREN'S HOME

The report of the Children's Home presented by the Rev. Mr. Don Buchanan was in form of a brochure entitled **FOUR YEARS OF PROGRESS**. Copies of this may be secured by writing the Children's Home. The report was received as information.

It was moved and carried to commend the retiring members of the Board of Directors of the Home, with the amendment that the Stated Clerk write a special letter to the retiring Chairman, Ruling Elder Phil Sadler.

WORLD MISSIONS

Rev. Eldon Wadsworth presented the report of the World Missions Committee, which was adopted:

WORLD MISSION COMMITTEE REPORT

What Are You Doing This World Mission Season? ? ?

The Synod of Appalachia is having a World Mission Conference in Knoxville at the Andrew Johnson Hotel from February 12-14. Dr. Manford Gutzke will be the Bible Teacher. Dr. and Mrs. E. H. Hamilton, Rev. and Mrs. John E. Talmage, Miss Evelyn Colvin, and Rev. George R. Stuart, Jr. will be the missionaries who will speak on their work. Mr. "Rocky" Young, Rev. Jimmy Lyons, and Rev. Joseph A. Greer will be other leaders of the Conference. This is for young people (high school sophomores and up), but there is also a place for the adult leaders of the church. The cost of the conference is \$20.00. Transportation will be provided (without charge) from Bristol to Knoxville and back. For additional information see Rev. Eldon D. Wadsworth.

Rev. and Mrs. John E. Talmage, missionaries to Korea, will be speaking in the churches of our Presbytery. They will be available February 15-21 and April 12-24. To schedule them for your church see Rev. Hershey J. Longnecker.

Abingdon Presbytery is making available two new audio-visuals. (1) A 30-minute motion picture in color which deals with our mission work in the Congo is entitled, *A Tale of Two Rivers*. This can be scheduled through Dr. T. A. Freeman's office (401 Reynolds Arcade

Building, Bristol, Virginia). The World Mission Committee asks that an offering be taken at each showing during the month of February and sent as a rental fee to Rev. Tinsley Bradley, Rt. 1, Abingdon. (2) A 99-frame filmstrip in color with recording entitled, *Birthday in Mexico*. This is also available through Dr. Freeman's office and a rental fee of \$1.00 is charged during the month of February. In addition to these two other films and nine other filmstrips on world missions are also available.

Some churches are assuming partial support of a missionary. This gives them a personal representative on the field and a personal contact with the work that is going on "unto the uttermost parts of the earth." For as little as \$450 a year your church can have its own missionary. **WHY NOT?** For additional information see Rev. Angus R. Shaw, III.

In the atmosphere of prayer plan and carry out your world mission program. Include in it the above suggestions and add to it ideas of your own. **LET'S HAVE A GOOD WORLD MISSION SEASON, THAT HIS KINGDOM MAY COME AND HIS WILL MAY BE DONE HERE ON EARTH AS IT IS BEING DONE IN HEAVEN.**

Recommendation:

1. Churches be urged to receive the Easter Special Offering for Relief of World Need and Suffering on Easter Sunday, April 18, 1965.
2. Church treasurers be requested to remit money budgeted for Presbytery's World Mission Committee for 1965 before May 1, 1965.
3. Presbytery receive the treasurers of World Mission Committee records as audited to be printed in the minutes.

Rev. Hershey Longnecker noted that he had biographical information sheets on the Talmages, the itinerant missionaries, as well as their schedule which was made available. Information was distributed on Synod's World Mission Conference at Knoxville, February 12-14.

In presenting his report as Stated Clerk, Dr. Sartelle pleaded for the members of Presbytery to attempt to participate in the communication process with other church agencies, especially the Stated Clerk's office. Further, Dr. Sartelle noted that the churches are more adept at counting money than members, since there were few money mistakes on the Session Annual Statistic forms as returned, but 11 errors in counting members.

Among various complaints about this year's Annual Statistical Forms, Rev. Richard Taylor noted that someone had written the name of the church in ink on forms for his church, and thus ruined its looks and diminished its IBM usefulness. The Stated Clerk apologized.

CHRISTIAN EDUCATION

The Rev. Mr. James Somerville presented the report of the Christian Education Committee, which was adopted:

REPORT OF THE CHRISTIAN EDUCATION COMMITTEE**Walthall-Wood Scholarship Fund**

The Committee of Christian Education reports to the Presbytery of Abingdon its notification of the receipt by the Trustees of the Presbytery on June 1, 1964 of the sum of \$11,293.79, under the will of Jennie A. Wood, to be held for the use of the Christian Education Committee as the Walthall-Wood Scholarship Fund.

The following statement, in harmony with the will of the late Jennie A. Wood, together with rules for administering the Fund, is approved by the Christian Education Committee and recommended to the Presbytery for adoption.

Purpose:

The Walthall-Wood Scholarship Fund is established under the provisions of the will of the late Jennie A. Wood to assist young men and young women to secure an education in colleges of their choice:

1. Through outright gifts with no legal or binding obligations to repay them by those preparing for full time Christian service as ministers or as missionaries, whether serving in the United States of America or elsewhere, in the capacity of ministers, teachers, doctors, or nurses, or as directors of Christian Education—so long as they continue in these vocations; and
2. Through loans to other deserving young people, such loans to be repaid to the Fund on terms agreed upon by the Committee on Christian Education.

Value:

The initial principal amount of this fund received from the estate of Jennie A. Wood is \$11,293.79, which is held by the Trustees of the Abingdon Presbytery of the Presbyterian Church in the United States and which is on deposit through Presbytery's Central Treasurer of Benevolences.

There is no limitation on the amount of these funds that might be expended in any one year except that no recipient of such assistance shall be entitled to receive more than \$300.00 per academic year, or an overall total of \$1,200.00. The amount of aid to be given to any beneficiary shall be determined in each case by the administering committee.

Funds not in use shall be invested by the Trustees of the Presbytery with interest.

Eligibility:

In awarding these scholarships and loans, preference shall be given in the following order to:

First—Great-nieces or great-nephews of Jennie Wood;

Second—Members of Draper's Valley Presbyterian Church of Pulaski County; and

Third—Members of other churches in the Abingdon Presbytery, or whatever presbytery with which Draper's Valley Presbyterian Church may be affiliated.

These funds are available as outright grants to young men and young women who are candidates for church vocations, who have come under the care of a Presbytery, who have been accepted by an accredited college or seminary, and whose applications have been approved by the administering committee. Except as herein provided under the heading "Repayment of Funds," there is no obligation to repay such scholarship aid received.

Funds are available as loans to other young men and young women who have been accepted by an accredited college and whose applications are approved by the administering committee.

Method of Selection:

Applications will be received and reviewed by the Scholarship Fund Committee, a sub-committee of at least three persons of the Christian Education Committee of Abingdon Presbytery (such sub-committee to be named annually). Awards will be made by the sub-committee and its decisions shall be final. The sub-committee may, however, at its discretion seek the advice and counsel of the Christian Education Committee concerning any particular application.

Applicants for grants or loans must complete an application blank and furnish such information and references as shall be required by the Christian Education Committee and its Scholarship Fund Committee.

Basis for Award of Scholarship and Loan Funds:

1. Recommendation by Session and/or minister of local church of which applicant is a member; or, if ordained, by Presbytery or its

Commission on the Minister and His Work.

2. Recommendation by Candidate Committee of Presbytery, if applicant is under care of Presbytery.
3. Scholastic record to be evidenced by a transcript of that record to date of application.
4. Economic need.
5. Character, personality, and potential for full time Christian service if application is for outright grant rather than loan.

Payment of Grants and Loans to Recipients:

Upon written certification by the Chairman of the Scholarship Fund Committee of the award of a grant or a loan to a particular individual, and upon direction of the Committee through its Chairman, the Central Treasurer of Benevolences of the Presbytery of Abingdon shall withdraw from the Fund the amount stipulated and transmit same by check to the recipient. A copy of this written certification and directive shall be sent by the Chairman of the Committee to the Trustees of the Presbytery.

Payment of funds shall be made in such manner and according to such schedule as the Scholarship Fund Committee deems advisable.

Repayment of Funds:

Assistance given under this trust shall be in the nature of outright gifts with no legal or binding obligation to repay them, provided the recipients shall devote themselves to full time Christian service as defined above in item (1) under "Purpose." However, in the event beneficiaries under this provision of the trust cease to devote themselves to such full time service in order to engage in any business pursuits or occupations, they shall so notify the Scholarship Fund Committee, and the aid received by such persons from this Fund shall then be regarded as a loan to be repaid on demand of the Committee, with six per cent (6%) interest thereon from the date of such demand. The Committee shall arrange with the recipient a schedule of repayment not to exceed four years.

Should a recipient withdraw from candidacy for full time service while still a student in a college or seminary, the grant shall be considered as a loan under the terms outlined below.

Loans granted under this trust to deserving young men and young women who are not candidates for full time Christian service will be repaid to the Fund, with interest thereon at the rate of six per cent (6%) per annum on total unpaid principal balance commencing at the time said loan is made and to be evidenced by a promissory note executed by the recipient. Repayment of principal with interest shall be according to a schedule agreed upon by the recipient and the Scholarship Fund Committee, except that no payment will be due prior to one

year from date of termination of academic training and that the full amount due shall be repaid within a period of not more than four years.

Reports:

In January of each year the Scholarship Fund Committee shall report in full its actions to the Committee on Christian Education which shall make such report a part of its January report to the Presbytery of Abingdon. A part of this report shall be the receipts and disbursements of the Walthall-Wood Scholarship Fund and the status of the Fund as of each January 1st.

WOMEN OF THE CHURCH

Rev. Leonard Gibbs presented Mrs. W. F. Wadsworth, President of The Abingdon Presbytery Women of the Church, whose report was committed to record as follows:

WOMEN OF THE PRESBYTERY
REPORT OF PRESIDENT — 1963-64

The Women of the Presbytery of Abingdon have used many ways of presenting the theme for the year, "Christian Worship." A total of fifty-six churches out of a possible sixty-five reported at the end of the work year.

The attendance at District Meetings was probably at an all-time high, due to the keen interest in the Revised Plan of Work.

The Birthday Offering amounted \$2,480.75. This offering was divided between Evergreen Vocational School located in Minden, Louisiana and the Training Program for workers in our Children's Homes and Homes for the Aging. . . .

We are gratified to note that support for the Friends of the Seminary amounted to more than \$1,000.00 this past year. This is the most support the "Friends" have received in many years. Also, "The League of Support" is receiving some additional support from our churches. We, in this Presbytery, are participating in a Synodical Project to furnish one of the new missionary apartments at Furlough Home, Louisville, Kentucky.

The Penny-A-Meal Offering which is sponsored by the Women of the Presbytery totaled \$1,233.34 this past year. The Women of the Presbytery recommend to Presbytery and its Committee on Church Extension that this offering be discontinued in favor of the promotion of the "52 Club". . . .

It is our privilege to have the Florence Callaway Scholarship Student at Stillman College this year. She is Miss Darlene Long, Big Stone Gap, Virginia. She is a Senior Student. The Women of the Presbytery have increased their gifts to this Scholarship Fund during the past year.

The Women of the Presbytery continue their support, through local churches, of individual children at the Children's Home and continue to support the "Shoe Fund." The Women of the Presbytery contributed approximately \$2,400.00 to furnish the new buildings at the Home during the past year. This was their special project.

At the present time there are 65 organized active Women of the Church Groups with 3,373 members in 166 circles. . . .

The Annual Meeting of the Women of the Presbytery was held at Old Glade Spring Presbyterian Church, Glade Spring, Virginia, October 28, 1964. At this meeting the Women of the Presbytery adopted a Revised Constitution and By-Laws, putting into operation the Revised Plan of Work for the Women of the Church, adopted a budget of \$977.50 (operational expenses only), adopted as their project for the year the goal of \$1.00 per member to help with the travel expenses of the World Mission Caravaners, elected a new slate of officers in conformity with the Revised Constitution and By-Laws, with the President being Mrs. W. T. Grissom, Marion, Virginia, approved the action of Presbytery in the matter of re-districting Presbytery, voted to lend their full support to Synod's Evangelistic Campaign scheduled for this year, set aside Tuesday as the Day of Prayer for the Women of the Church, and conducted all other necessary business. For a full and complete report of the work for the past year you are referred to the Minutes of the Women of the Presbytery for the year 1964.

The retiring President acknowledges with deep humility the presentation to her, by the Women of the Presbytery, of her second Life Membership Pin, in recognition of her service, and expresses her deep appreciation to all who have co-operated with her in the accomplishments which have been realized during the past two years.

Dorothy C. Wadsworth

(Mrs. W. F. Wadsworth)

Presbyterial President

October 1963 - October 1964

It was moved and carried that Mrs. Wadsworth be highly commended by Presbytery for her able and inspiring leadership in the Abingdon Presbyterial during the years of 1963 and 1964.

Presbytery then recessed for 15 minutes. Upon reconvening, Ruling Elder R. L. Kane was introduced as representing Gate City for the first time.

STANDING COMMITTEES

The report of the Bills and Overtures Committee was presented by the Rev. Dr. T. A. Freeman. Following debate, the following substitute motion offered by the Rev. Dr. Malcolm Doubles was moved and carried, with the amendment that the study include not only the Survey article but also other information about our Church's participation in the National Council of Churches:

"Taking cognizance of the fact that there are difficulties in completely understanding the work of the National Council of Churches, and that parts of the report on the NCC in the Presbyterian Survey are more pejorative than informative, be it resolved that a committee be appointed to study carefully the Survey article, noting places where there is question as to exactly what is said, and reporting to the 220th Stated Meeting, at which time we can say whether we wish to query the General Assembly about the representations being made public about the National Council of Churches."

The Rev. Harold Minor presented the report of the Courtesy Committee, which was moved and carried as follows:

REPORT OF COURTESY COMMITTEE

Be it resolved that the Presbytery of Abingdon, convened this January 26 and 27, 1965 in its 219th Stated Meeting, express sincere appreciation to its host church, Buchanan First Presbyterian Church of Grundy, Va. For gracious hospitality in homes, church and community, for delightful surroundings, delicious meals, and abundant provision for every need of Presbytery, we offer our thanks. We express our gratitude particularly to the Women of the Church, the Session and the Board of Deacons. We commend both people and pastor for the splendid progress of Christ's work in Grundy.

Curtis Wilson

Rev. Richard Shelor

Rev. Harold Minor, Chairman

MODERATOR IN NOMINATION

The Rev. Mr. J. Clyde Mohler was nominated by Rev. James Somerville, and it was moved and carried to commend him for his conduct of the present meeting of Presbytery.

TIME AND PLACE OF NEXT MEETING

The time and place of the 220th Stated Meeting of Abingdon Presbytery was set as April 20th, at The Presbyterian Church, Big Stone Gap, Va.

It was noted that the Fall Meeting was to be set at The Anderson Memorial Church in Pulaski.

It was moved and carried to hold open the place of the 1966 Spring Meeting until a particular church could act on an invitation.

It was moved and carried to place the names of the Temporary Clerks for the second day of Presbytery with the names already noted as having been elected. These are Rev. Cecil Dalton and Mr. W. T. Grissom.

The Stated Clerk explained that the usual publisher refused to print the Minutes of the Fall Meeting, so he had to find a new publisher, who prepared the Minutes of that meeting. Dr. Sartelle noted that he was still looking for another publisher.

The Rev. Mr. Robert Dendy announced that a new milestone had been passed in Abingdon Presbytery this year with the election of Mrs. George Early and her daughter, Mrs. Tim Pollard, as Ruling Elders in the Galax Church.

It was moved and carried to hold open the place of the 1966 Spring that this year Mr. Robert Kell retires as Chairman of the Board of Directors of Abingdon Presbytery's Camp. It was moved and carried that he be thanked and commended for his efficient and faithful work, and that the Stated Clerk of Presbytery write him a special letter of appreciation.

The minutes of the second day of the meeting were read and approved as read.

Presbytery adjourned at 12:15 with the Apostolic Benediction.

Malcolm C. Doubles, Perm. Clerk

P. O. Sartelle, Stated Clerk

The report of the Ad Interim Committee on the National Council was presented by Rev. W. F. Wadsworth. The report is as follows:

REPORT OF THE AD INTERIM COMMITTEE CHARGED WITH THE RESPONSIBILITY OF STUDYING OUR CHURCHES' RELATIONSHIP TO THE NATIONAL COUNCIL OF CHURCHES

Mr. Moderator, your Committee brings in the following report:

"We concur with the recommendation of the Bills and Overtures Committee in answering the overture of the Anderson Memorial Church in the negative (Presbytery Meeting, January, 1965), because we believe that the action taken by the General Assembly in 1964 (page 83ff, Minutes) expresses proper concern regarding some activities of the National Council of Churches and is an adequate safeguard at the present time."

Respectfully submitted,
W. F. Wadsworth (chm.)

In the discussion during the report, a question arose as to the propriety of the Committee's method of reporting. In response to this, the following motion was passed: "... that this Committee be allowed to continue with its report in the manner in which it is being presented."

After further discussion, the question was called for. The Committee's report was adopted by a vote of 34-32.

A motion was passed that the Committee be discharged.

CHRISTIAN EDUCATION

Rev. James Somerville gave the report of the Christian Education Committee. All recommendations were adopted.

REPORT OF THE CHRISTIAN EDUCATION COMMITTEE TO THE 220th STATED MEETING OF ABINGDON PRESBYTERY

Vacation Church School. Vacation Church School Institutes were held in March at Cedar Bluff and Drapers Valley, but two such institutes, scheduled for Walnut Grove and Coeburn were cancelled. Another Vacation Church School Institute has been scheduled. This will be conducted from 3:00 to 5:00 p.m. on Sunday, May 16, at the Sinking Spring Church in Abingdon.

Camping. Last summer some funds were provided by this committee to assist local churches in sending their children and youth to camp. This practice has advantages and disadvantages. The committee has taken the following action for 1965:

"A request for financial assistance from this committee for fees for summer camp which is made in writing under the signature of a local church Clerk of Session, indicating that the local church is unable to provide such funds, will be given consideration by this committee."

After all efforts to assist on the part of the local church have been made, the committee is ready and able to give its help.

Recommendation. That the dates for Senior Conference (for youth in grades 9-12) be changed to June 13-19, 1965. This allows for the conference to begin on Sunday afternoon, instead of on Monday as previously scheduled.

Recommendation 1. That the fees for camps in 1965 be as follows: Senior Conference—\$18.50; Pioneer Camp—\$17.50; Junior Camp—\$17.50, plus one dollar to be received and retained by the Camp Director for nightly refreshments.

Children's Work. Miss Carol Ruff, Director of Christian Education at the Sinking Spring Presbyterian Church, has accepted the responsibility of Children's Work Counselor for the Presbytery and as such will serve with this committee.

Recommendation 2. That Presbytery hear Miss Ruff for ten minutes in regard to the work of the Children's Work Counselor.

Rev. Tom Sproule spoke on the needs of the Synod's Vocational Guidance Center.

REV. W. F. JUNKIN

A motion was made and passed that Rev. W. F. Junkin be heard for ten minutes. Mr. Junkin spoke on the effect of the unified budget of the General Assembly and other unified programs on the total giving effort of the Church, and asked Presbytery to consider the new programs of the Church very carefully.

HIGHER EDUCATION AND CANDIDATES

In absence of Rev. Ben Williams, Rev. James Edwards presented the report of the Committee on Higher Education and Candidates. The recommendation was adopted.

On March 26 and 27 the Committee sponsored a "Conversation on Leadership" concerning the various ministries of the church. The following churches sent youth to this conference:

Rock Spring, Bethel, High Point, Walnut Grove, Leyburn, Litz, Wytheville, First—Pulaski, Richlands, Central, Glade Spring, Sinking Spring, Tazewell.

The committee will welcome comments and reactions from the ministers of participating churches on the value of this conference to their youth; and, we will welcome comments from churches not participating on how your committee may assist the church in confronting youth with the challenge of church occupations.

To explain why we sponsored the "Conversation on Leadership" Mr. Douglas Hix will speak to Presbytery.

Recommendation. That Presbytery hear The Reverend Mr. Bruce Frye of King College for ten minutes.

EXCUSED

Rev. Brian Childress and Ruling Elder Bob Grogg were excused by the Moderator.

STANDING COMMITTEE REPORT

The report of the Courtesy Committee was given by Rev. William T. DuBose and adopted as follows.

Be it resolved that Presbytery expresses its grateful appreciation to the Big Stone Gap Presbyterian Church for inviting Presbytery to meet here and for the gracious hospitality extended in the provision of a delicious meal and other courtesies that made the day pleasant and productive.

MODERATOR IN NOMINATION

Ruling Elder J. B. McCarty, Jr. (Royal Oak Church), was elected Moderator in Nomination by acclamation.

The invitation of the Rich Valley Presbyterian Church to Presbytery to hold its Summer, 1966, meeting there was accepted.

The Summer, 1965, meeting of Presbytery was set for July 20, at King College.

The Minutes were read and approved with the following modifications:

A motion was passed that in reference to the report of the Ad Interim Committee on the National Council the topics of persons presenting the parts of this report and proper reference to their source be included in the minutes; and that the paper containing excerpts from letters from the personnel of our Assembly's Boards be printed in its entirety. See appendix, pages 16-26.

A motion was passed that Presbytery recognize Dr. James McChesney's words about the long history (perhaps back to 1912 and 1913) of the debate in our denomination over being in and out of the Federal (National, World) Council of Churches.

Presbytery was adjourned and dismissed with a benediction of the moderator.

Summary Statement of a Report made to Abingdon Presbytery concerning the National Council of Churches as found in the 1964 Minutes to the General Assembly.

The 1964 Minutes of the General Assembly have reports and references to the Council in six different places, reflecting the broad scope of the Council's seventy program activities and our Church's involvement with it. One hundred and twenty-nine persons in our Church, consisting of forty-eight Ministers and eighty-one laymen, represent us in the Council's work.

The list of names of our representatives reveals not only broad, general coverage of representation from all over our Church, both State and Synod, perhaps most, if not all of our Presbyteries, but it shows in particular two things worthy of note:—First: The names of nearly all, if not all the heads of our Boards and Agencies are serving actively on comparative groups of the Council: for example, Dr. Marshall Dendy of our Board of Christian Education is on the Council's Division of Christian Education; Dr. Patrick Miller of our Board of Church Extension is on the Council's Division of Home Missions, etc. That is to say, these and many other names show we are not only prominently represented, but that our Boards and Agencies are most closely meshed with the Boards and Agencies of the National Council. A Second Fact is worthy of note, namely: that a review of the various committees and activities of the National Council, to which our people are assigned, is to survey the entire life and work of the Christian Church as it is involved in the world today. Our people are sitting on such committees as: General Board, Home Missions, Christian Life and Work, General Assembly, Foreign Missions, Christian Education, Division of Race and Cultural Relations, Broadcasting and Films, Church World Service, Mass Communications, Radio and Visual Education, World Literacy and Christian Literature, Consultations on Church and State Relations, Stewardship and Benevolences, Urban Church Department, International Affairs, Social Welfare, Migrant Workers, and General Department of United Church Women.

Reviewing now a few key thoughts from the N. C. C. Report to our General Assembly last year, we find some searching questions: (pages 180-182) The Mood of the 6th General Assembly held in Philadelphia, December 1-7, 1963 was determined by the Central Theme "Servants of the Eternal Christ." It was influenced by the tragic death ten days earlier of President Kennedy. It was responsive most of all to the conditions of the world which the Church is called to serve, with special emphasis on the crisis in Race Relations. "Change and crisis force us to re-study our role as servants of the Eternal Christ . . . It is not given to any generation to choose those questions which confront it. (We are) brought face to face with old questions in new settings: Is God really Lord of History, as we have professed? Do events like these which mark our day disclose His moral order? What do these times say to our faith and what does our faith say to these times? The very

love which judges us, forgives us, renews us, restores us and redeems us—it is this love in Jesus Christ, which the Church is called to proclaim. In His death and resurrection He reconciled the world to Himself. In this confession the Church is anchored. In God's word is the assurance and ground of our courage, that we proclaim in the face of the stresses of our time. Even yet, God can make His Church sufficient for such an hour of upheaval. That is our hope. The sum of it is the call to renewal through obedience."

The new preamble of the Constitution, adopted in 1963 and now in effect, found on page 181, emphasizes both "Mission" and "Unity" as the purpose of the Council: "To manifest more fully the oneness of the Church of Christ according to the Scriptures and to further the efforts of the member Churches in proclaiming the Gospel of Jesus Christ to the end that all men may believe in Him." The new structure of the Council should enable it to be increasingly responsible and responsive to the will of the Churches which comprise it.

The essence of the action, taken by the 1964 Assembly and which action we are referring to as the basis for our Report to Presbytery at this time, can be found in the General Assembly Minutes, 1964, on pages 83-84, paragraph II, 3, 4, 5 and paragraph IV, 2, 3, 4. We quote the former,

"We recommend that the General Assembly instruct our representatives to the National C. C. to continue to convey our concern that some activities of the Commission on Religion and Race are ill advised, and that in the future the Commission consider the conscience of local ministers and sessions and consult with and seek to work more closely with local ministers, councils of churches and dedicated Christians, as we believe this course offers a far better way of solving our racial tensions.

"The General Assembly of the Presbyterian Church in the United States declares that the policies, activities and pronouncements of the Commission on Religion and Race should be interpreted as representing the policies, activities and pronouncements of the Presbyterian Church in the United States to the extent, and only to the extent, that the same are consistent with previously approved action and policy of the General Assembly of the Presbyterian Church in the United States.

"The Committee recommends that the Assembly say to the churches within its jurisdiction and under its pastoral concern that it is not unmindful of the difficulties they are encountering in connection with the diligent effort the National Council of Churches is making in behalf of human rights; and that the Assembly make the following suggestions to its churches:

"That they remember that every pronouncement—whether by Council, Church or individual—stands under the judgment of the

Word of God, and that they be influenced by any pronouncement to the extent to which it conforms to the Spirit and the Word.

"That they judge every recommendation in the same light, remembering that recommendations are to be accepted and followed on the basis of conscience enlightened by the Holy Spirit.

"That they take a firm but loving stand—without regard for pressures other than the pressure of the gospel—guaranteeing to every person, regardless of race or class, access to their schools, churches and other institutions.

"The Assembly acknowledges its failure in not communicating to its churches the full story of the service of the National Council and in not furnishing our churches with our own literature concerning the Council. We are suggesting that immediate steps be taken to provide for such communication and literature."

Report on the Constitution, By-Laws, Policy Statements and General Secretary's Report of the National Council of Churches

The National Council of Churches is now operating under a Constitution which became effective January 1, 1965. Under the Constitution and By-Laws of the National Council policy statements may only be made with approval of either the General Assembly or the General Board. The General Assembly, which meets every three years, is composed of representatives of the constituent denominations, and the General Board is similarly composed but it acts for the National Council in the period between meetings of the General Assembly.

The Constitution's Statement of Purposes largely reflect cooperative action in various fields by the member churches; however, the Statement of Purpose also includes "to study and to speak and act on conditions and issues in the nation and the world which involve moral, ethical and spiritual principles inherent in the Christian gospel." It is in connection with this latter that much of the difficulty concerning the role of the National Council arises. Since January 1, 1965, the National Council has issued policy statements. In two of these the National Council has acted as an entity in taking a position on Federal aid to education and the Nation's role in the Viet Nam war. On two others, a statement of policy concerning drug addiction and a statement of policy on immigration, the National Council has requested its churches to study and to act.

The Report of the General Secretary indicates various fields of activity ranging from the distribution in the first ten months of 1964 of eighty-seven and a half million pounds of relief goods through Church World Service to pilot projects and home missions in the Delta project in Mississippi, a lower East side project in New York City and a project in New Haven, Connecticut. The report indicated concern at the interpretation of the National Council by the Churches and

pointed out the tremendous amount of anti-National Council propaganda to the extent of some seven thousand hours of radio broadcasting per week.

All of these documents are available from the Information Office of the National Council of Churches of Christ, 475 Riverside Drive, New York, New York.

Excerpts from letters and statements of the Executive Secretaries of some of the Boards of our Church relative to our participation in the National Council of Churches

"Informal Statement from Executive Secretary concerning Relationship of Board of Women's Work (July, 1964)—

"Leaders in Women's Work in the Presbyterian Church, U.S., were instrumental in organizing the United Council of Church Women which was one of the thirteen organizations that went together to form the National Council of Churches in 1960.

"From the very beginning of this General Department of United Church Women leaders on the Board and staff of the Board of Women's Work of our Church have participated in the policy-making group, on the Board of Managers, in the Secretarial Conference, and have served as members of advisory committees on each of the several department committees of the United Church Women. . . .

"Another way in which the National Council serves Women's Work is to provide opportunities for the women to participate in interdenominational service to people of special needs. One of the special interests and ministries of women in this country has been to migrant workers. This ministry is carried on interdenominationally and has created a good deal of interest in home missions among the women. The work that women of our Church do through Church World Service for refugees in inter-church aid around the world would be difficult to estimate in size, scope and influence. It means a great deal to the women in local churches to know that they can share in this world-wide ministry and that they can accomplish in cooperation with women of all denominations much more than they could do as Presbyterian women alone. . . .

"The Board of Women's Work puts practically no finances into the National Council but reaps a great benefit from its active participation in its meetings, committees, councils, departments, divisions. . . ."

From letter, 8/17/65, Evelyn L. Green, Executive Secretary, Board of Women's Work—

"There will always be actions in any combined council of this kind that are not completely satisfactory to every member who is involved. A part of our maturing process is to give and take of discussion and of planning together, but there is no mandatory involvement at all that would ever cause a Church or a member of a particular Church

or denomination to violate his own conscience in standing for any action of the Council with which he believes his Church was out of accord. We do have an opportunity to express our opinions and our differences of opinions as we work together in Council committees and departments, commissions, and small groups of various kinds. Many people from our Church have helped to change the direction of plans and materials in some departments by contributing the best of thought and scholarship and prayer and putting it alongside that of other equally sincere Christians from various denominations."

From letter 3/9/65, Patrick D. Miller, Executive Secretary, Board of Church Extension—

"... we do derive benefits from being in touch through the Council with those persons making and executing policy in most of the other denominations. The Board of Church Extension has learned a lot from having our staff persons in close touch with men doing the same tasks in other, and often better, ways. This is the reason why we have made an annual contribution to the Division of Home Missions of NCC. It is our 'trade association' for the sharing of ideas and insights, and the same is true for most of the other Boards and Agencies."

"The NCC at times tries my patience to the limit and still, on balance, I favor our remaining in it. My reason may not be sound or convincing, but it is the way I feel just now. If we pull out in this decade, most of the rest of Christendom will assume, regardless of what we say, that our real motive is the matter of race. I am just not willing to give our critics around the world that sort of a club. Whatever the Session of Memorial Church or Abingdon Presbytery may feel, the world beyond our borders will believe that race was the real problem if we should pull out now. The truth is that few things the Church could do would give our racists so much satisfaction at this moment. . . ."

From letter 3/9/65, James A. Millard, Jr., Stated Clerk—

"The fundamental reason our Assembly has remained in the National Council has been the feeling that participation in the cooperative work made possible through the National Council is an advantage which outweighs the disadvantages of disagreement by many in our communion as to the National Council's participation in social action. . . ."

"The first General Board meeting under the new organizational structures was held the last week in February. I found many evidences that there will be much closer coordination of the work of staff people under the new structures than has been the case in the past. . . ."

From letter 3/9/65, Marshall C. Dendy, Executive Secretary, Board of Christian Education—

"The National Council of Churches does make official statements. It does so as a Council of Churches and not necessarily as the official voice of Protestantism. The pronouncements indicate they are the

statements of particular persons who have gathered together at that particular time. They do not indicate they are speaking for the constituent denominations. Our Church has made it quite clear in a resolution adopted at the last General Assembly, and officially presented to the Council, that any statements they make do not represent the voice of the Presbyterian Church in the United States unless the General Assembly has made declaration on such issues."

"There has been some lobbying in Washington. Actually it has been on a very limited scale. It represents about 3% of the time of staff members and perhaps 2% or less of the budget of the National Council of Churches. While I do not personally relish the fact that representatives of the Council are engaged in lobbying, I think I would have to state that there is need for someone in Washington to lobby for some of the legislation that is of great need and to lobby against some of the bills that are detrimental to the best interests of our people and to the influence of our nation and the world. Some of the lobbying has been to prevent Congress from passing bills that would make Federal funds available for sectarian schools. . . ."

"In regard to item 3 let me say that the National Council of Churches is composed of representatives of the individual churches. We who represent the Church speak and in speaking reflect the views of individual denominations. I must say, however, that a representative of the Presbyterian Church is always expected to speak his convictions in the light of issues that are faced, information that is secured, and in the belief that the Holy Spirit is at work in the Church. Let me say, further, that official statements from our denomination have gone to the General Board of the National Council of Churches. Those views have been made known."

"In regard to item 4, I would say that the National Council does not set forth theological views. It simply states that Churches that believe in Jesus Christ as Lord and Saviour are united to undertake work they can do together better than they can do separately. . . ."

"It is my opinion that with the reconstitution of the National Council, and with the controls that have been set up, that the work of the Council is going to reflect a slightly more conservative approach to many of the problems that have given us concern. I cannot guarantee this, but I express it as my judgment and opinion. The last two meetings of the Board have clearly reflected this."

"One of my basic concerns in regard to the membership of our denomination in the Council is that our membership in the Council reflects the doctrine of the Church set forth in the Scriptures, namely, that we are one body in Christ. For us to withdraw would be to deny one of the basic positions of the Reformed Church through the centuries."

From copy of letter 8/12/64, to Moderator of Synod of S. C. from Marshall C. Dendy—

"Because of our membership in the National Council of Churches....

"Our staff members participate with staff members of other denominations who hold comparable positions in their Boards. For example, the Secretary of the Division of Higher Education would confer with approximately thirty-two people from thirty-two denominations who hold similar portfolios in the various churches of the nation; so do all of our staff members. We are enabled to discuss with them the nature of our work; how our work might be improved; what needs to be discontinued; and how in certain areas we can work together more economically than we could separately. For example, many members of our college faculties have been helped by a magazine entitled THE CHRISTIAN SCHOLAR. It is written particularly for professors. We could not afford to publish such a magazine as a single denomination, but the magazine can be published by the participation of many denominations in the project.

"Our division of Men's Work has helped to develop the program of Chapels in the Armed Services. Colonel Powell Frazier, now of Presbyterian College, did much through the use of the program and materials developed by this Board to introduce and develop the Chapel Program in Army Posts all over the world. . . .

"The Members of our staff, and our Board has concurred in the judgment, believe that we cannot derive similar help for improving our standards of work, training our staff, and evaluating the effectiveness of our work through any other organization than the National Council of Churches. If we were not using the help we derive from our participation in the National Council we would be compelled to invest thousands of dollars in research study of our own.

"I wish to make a statement of judgment that others may or may not accept. In my opinion 97% of the work done by the National Council of Churches does not lead to real controversy. Perhaps as much as 3% of what the National Council of Churches is doing has led to much of the opposition that is found in the Church and in many Churches today.

"Through our participation in the National Council of Churches we have been able to help five other denominations develop a curriculum; namely, the Cumberland Presbyterian Church, the Reformed Church in America, the Moravian Church, the Associate Reformed Presbyterian Church, and the Hungarian Reformed Church. Another denomination, the Evangelical Covenant, has expressed the intention of adopting the Covenant Life Curriculum for their use. This is a curriculum developed by this Board. We, as one of the stronger denominations, have thereby been able to help some of the weaker denominations, within the nation."

From copy of letter to Mrs. Whitman Fraser (Hinesville, Ga.) 1/28/64 by T. Watson Street, Executive Secretary, Board of World Missions—

"I would say that the chief contribution of the Division of Foreign Missions and Evangelism of the National Council to our mission program is in aiding us in some cooperative enterprises which we could not undertake on our own. We channel a great majority of our resources into our own Presbyterian Missions. But we also try to engage in other attempts to proclaim the gospel. For example, we had a part in establishing last year the Radio Voice of the Gospel in Ethiopia. This Radio Voice of the Gospel beams the gospel message to more than thirty Asian and African nations every hour of the day and night. And every hour of the day and night the gospel is proclaimed in one language or another. Almost one-third of the human race can be reached by that radio voice. This is an extremely expensive undertaking. No one mission board could ever afford such a project. And yet this is a tremendous force for evangelism. So through the radio and audio-visual section of the Division of Foreign Missions many mission boards pool their resources to establish the Radio Voice of the Gospel.

"Here is another example. Last year our church ministered to human need in the name of Christ in more than fifty nations. We simply cannot afford to have agents in countries all around the world, in order to respond to an emergency. No mission board could afford this. But through Church World Service of the National Council the mission boards coordinate their relief programs so that instantly in case of an emergency help is rendered as an expression of our Christian concern and of our Christian witness. A few days ago, on November 18, I believe, an earthquake created great havoc and disaster in southwestern Formosa. Instantly the Church of Christ was there providing comfort and food and care.

"Let me give one other example. Within the Division of Foreign Missions of the National Council there is a committee on "Lit-Lit." This means Christian literature and literacy. I do not believe that it makes sense for about three hundred different denominations in the United States to have a literature and literacy program around the world. There must be cooperation and coordination and joint planning. This we do through the committee of the Division of Foreign Missions.

"Let me say that we give, I am sorry to say, only about one penny out of every dollar of our mission funds to support these tremendous cooperative undertakings."

From copy of letter to Mr. Malcolm S. Peters, (Metairie, La.) 8/14/64, by T. Watson Street—

"... it just seems wise for the churches to do some things together, rather than each denomination carrying on a separate independent program, such as World Literacy and Christian Literature, and if the churches do some things together, there must be a coordinating agency

—this is what the churches have set up in the Division of Foreign Missions of the National Council. This current year the interdenominational missionary study theme is on "Christian Mission Among New Nations." A series of books has been prepared for every age group. These books were prepared through the Commission on Missionary Education of the National Council of Churches. We do not have to use them. We could prepare our own. But we would have to double our Nashville Staff, . . .

"There are two other advantages, to our denomination and to our local congregations, which I would mention. One is that the National Council does serve as sand in the oyster shell. There is no question, but that the National Council prods us, makes us mad, etc., but in so doing it challenges some of our thinking, stretches our minds a little at times, says things to us about some of our attitudes and actions which we could hardly say to one another in the family. And the National Council serves us by taking the "Rap" which under other circumstances would be coming to parts of our own denomination. What I am saying is this. The National Council receives a lot of criticisms, a good many of them are deserved. But it receives a lot of criticisms also which are not deserved. . . . In other words, the National Council serves as a scapegoat—and that is a sacrificial role which can be of great benefit.

"The second question was about drawbacks to our denomination and to our Church, due to the support of the National Council. Of course, one drawback is that there is considerable dissatisfaction. But from 1930 to 1941 our Church was out of the Council, and there was all kinds of dissatisfaction on the other side. I think there has been a drawback in that the National Council has been too loosely organized but this has been corrected and will go into effect with the new constitution on January 1, 1966. (sic—1965) . . .

"I do not think at the present time of any other drawbacks that would not be inherent in any membership of any organization. Some people suggest that we withdraw from the National Council and join the National Association of Evangelicals—but the National Association of Evangelicals also has an Office of Public Affairs in Washington. It has made a very strong stand on race. That National Association of Evangelicals is only about one-tenth the size of the National Council, and is made up of such groups as the Freewill Methodists, the Freewill Baptists, etc.

"You have asked in your third question my estimate of the leadership, past and present, of the National Council. I am not qualified to answer this except in a very limited way. I know the present Executive Secretary of the National Council, Dr. Edwin Espey. He is a Christian gentleman, of great evangelical commitment. In my judgment theologically he would fit very well in the Presbyterian Church in the United States. The present President of the Division of Foreign Missions of the National Council is Dr. John Coventry Smith, formerly a minister of the United Presbyterian Church and now a minister of the

United Presbyterian Church in the U.S.A. He is one of those Pittsburgh United Presbyterians, as conservative and as solid as a rock. One of the past staff members of the National Council is Mr. Jap Patterson, who served for many years as the Director of Men's Work in our Church. The present President of United Church Women of the National Council is the widow of a Southern Presbyterian minister, Mrs. Murdock McLeod. One of the staff members is Miss Claire Randall who was a member of the staff of the Board of World Missions for many years. One of the staff members is Dr. Colin Williams, whose writings I find very stimulating but whose speeches I find are rather carelessly done, and he says some things he ought not to say. He does not impress me as having the love for the local congregation which he ought to have. He is very severe in his criticism of local congregation, which is alright if it is done with tears in one's eyes but must always be done in love. Dr. Barnerd Luben is the head of the radio-audio-visual mass communications section of the Division of Foreign Missions. He is a great person, and is married to the daughter of a Southern Presbyterian Missionary to Japan.

"My verdict would have to be that the staff of the National Council is exceedingly able and impresses one about like the staff of one of our Boards here in our Church. . . ."

From (Summary of Remarks made by T. Watson Street at meeting of the General Assembly April, 1964.)—

"More than one half of the total budget of the National Council goes for overseas mission and relief work. . . .

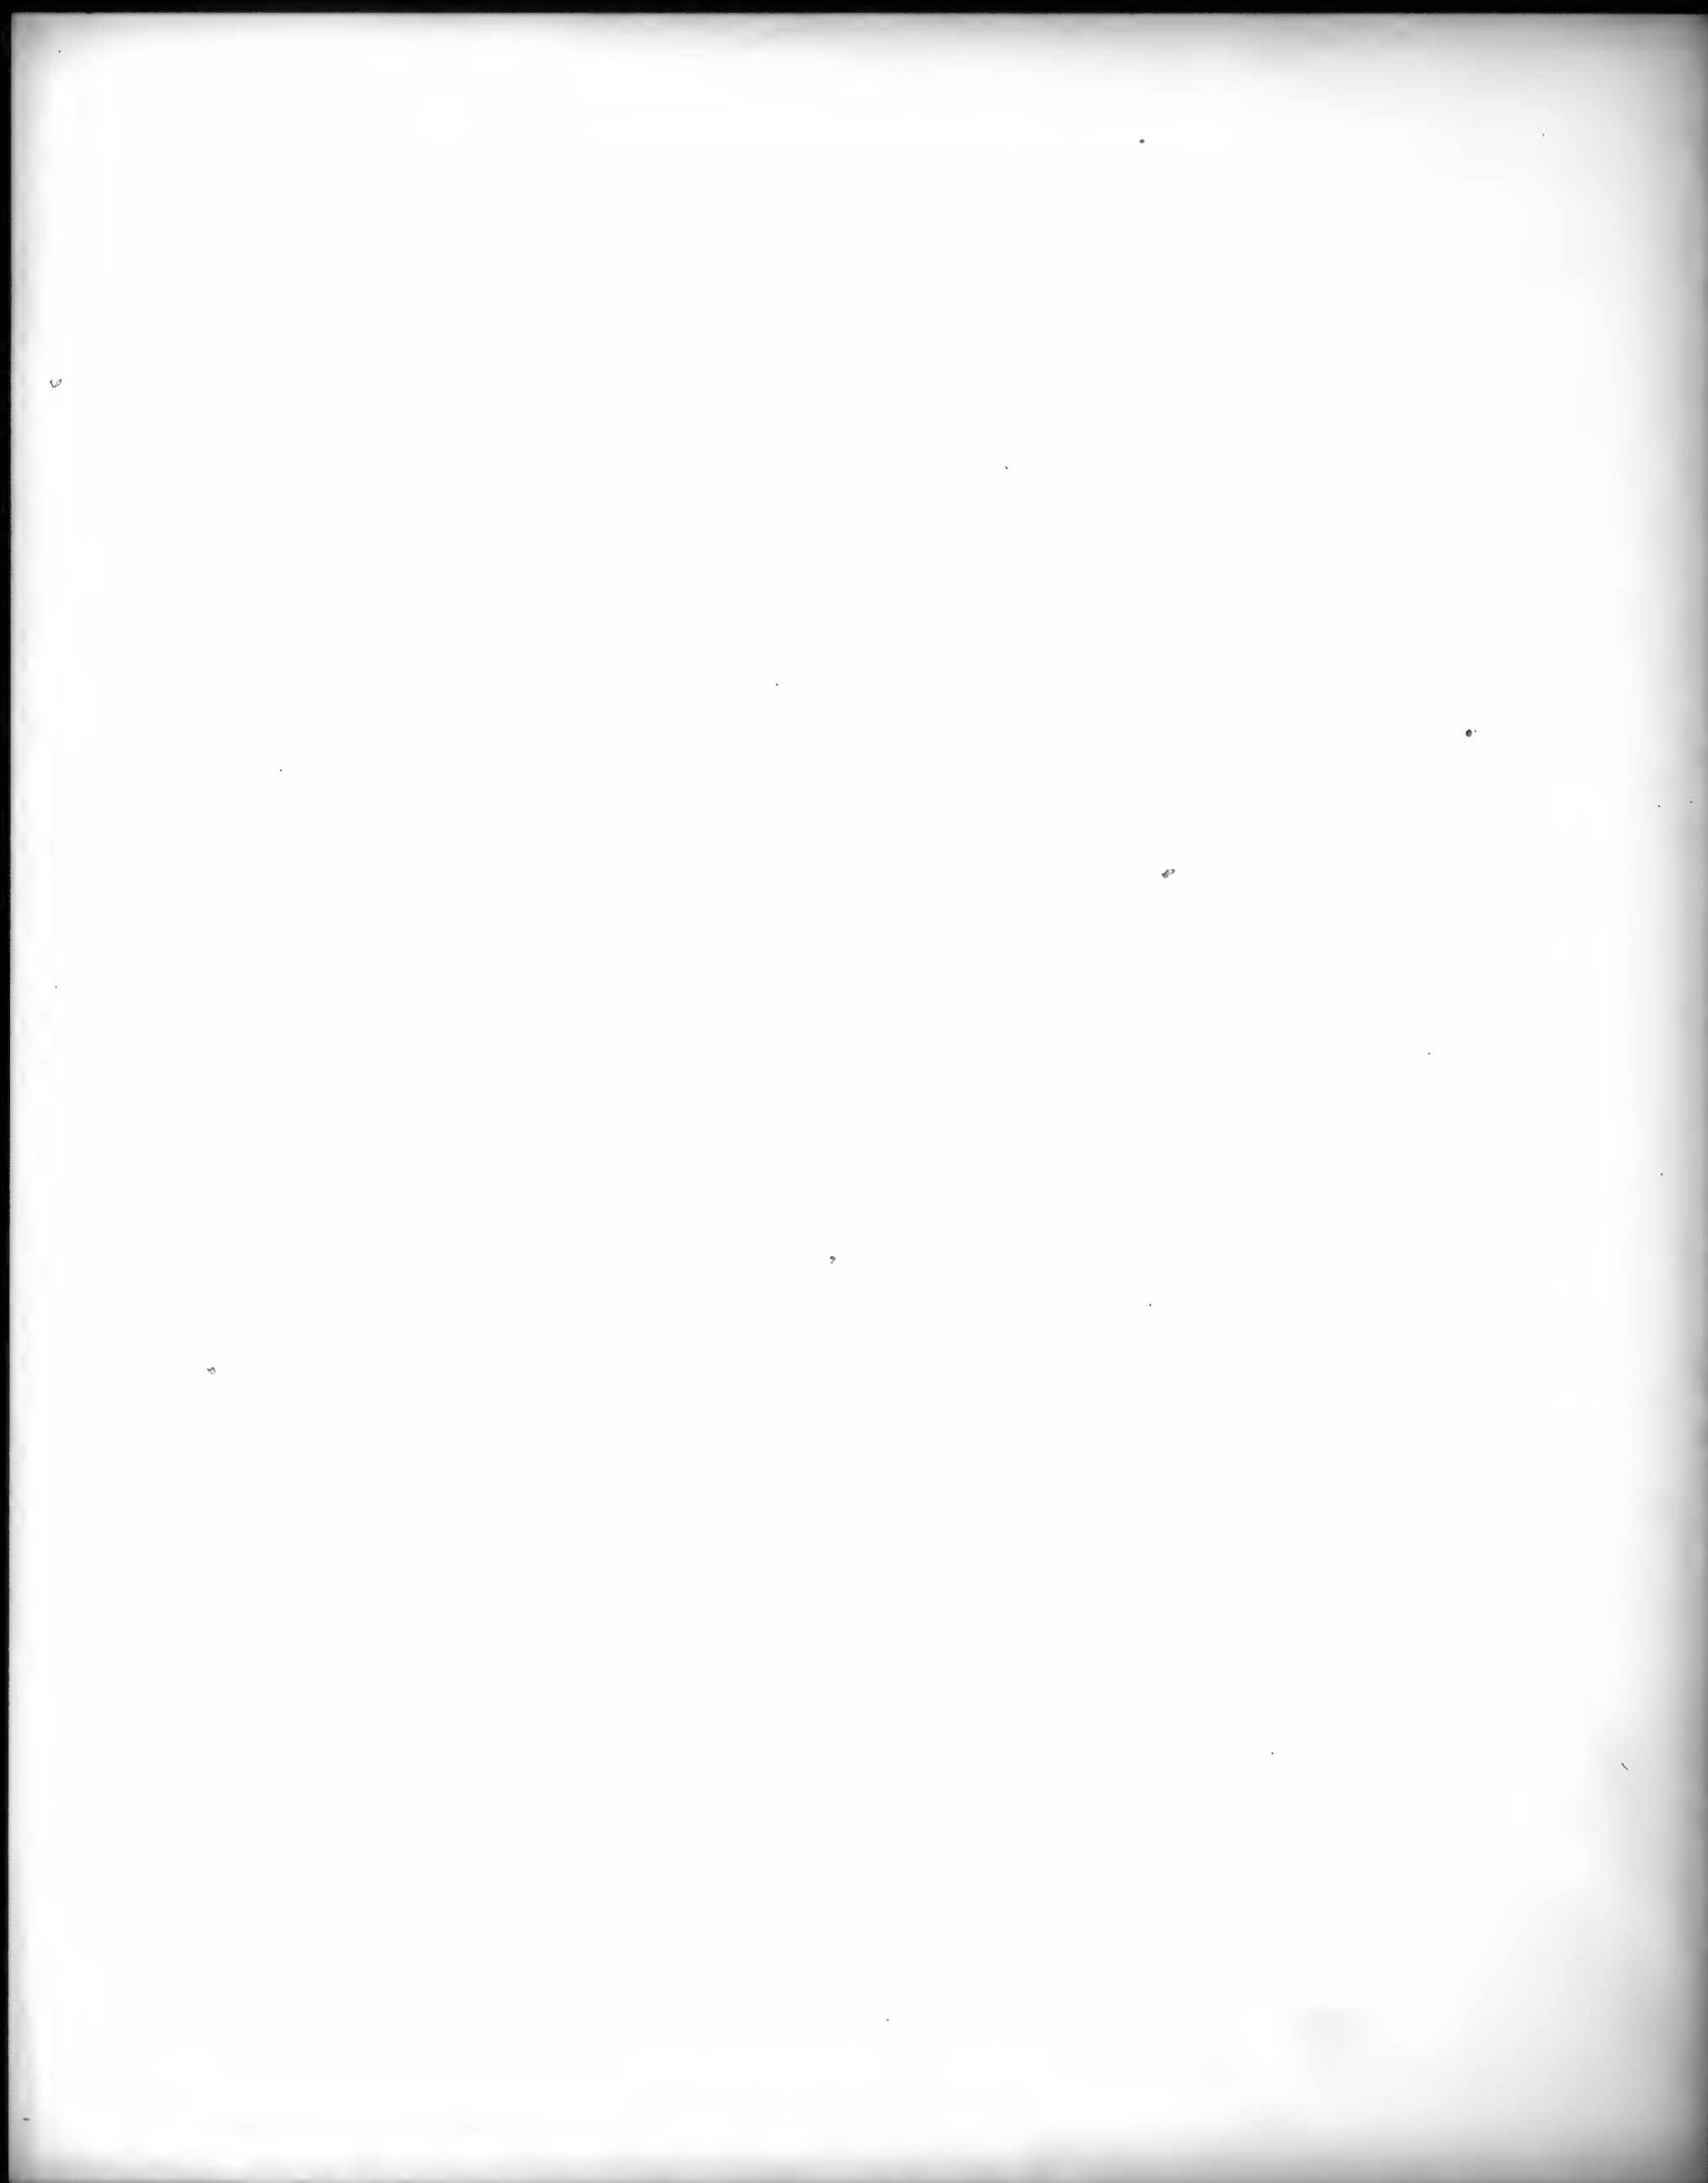

"Our staff members have, through the years, occupied important posts in the mission work and in the relief work of the National Council.

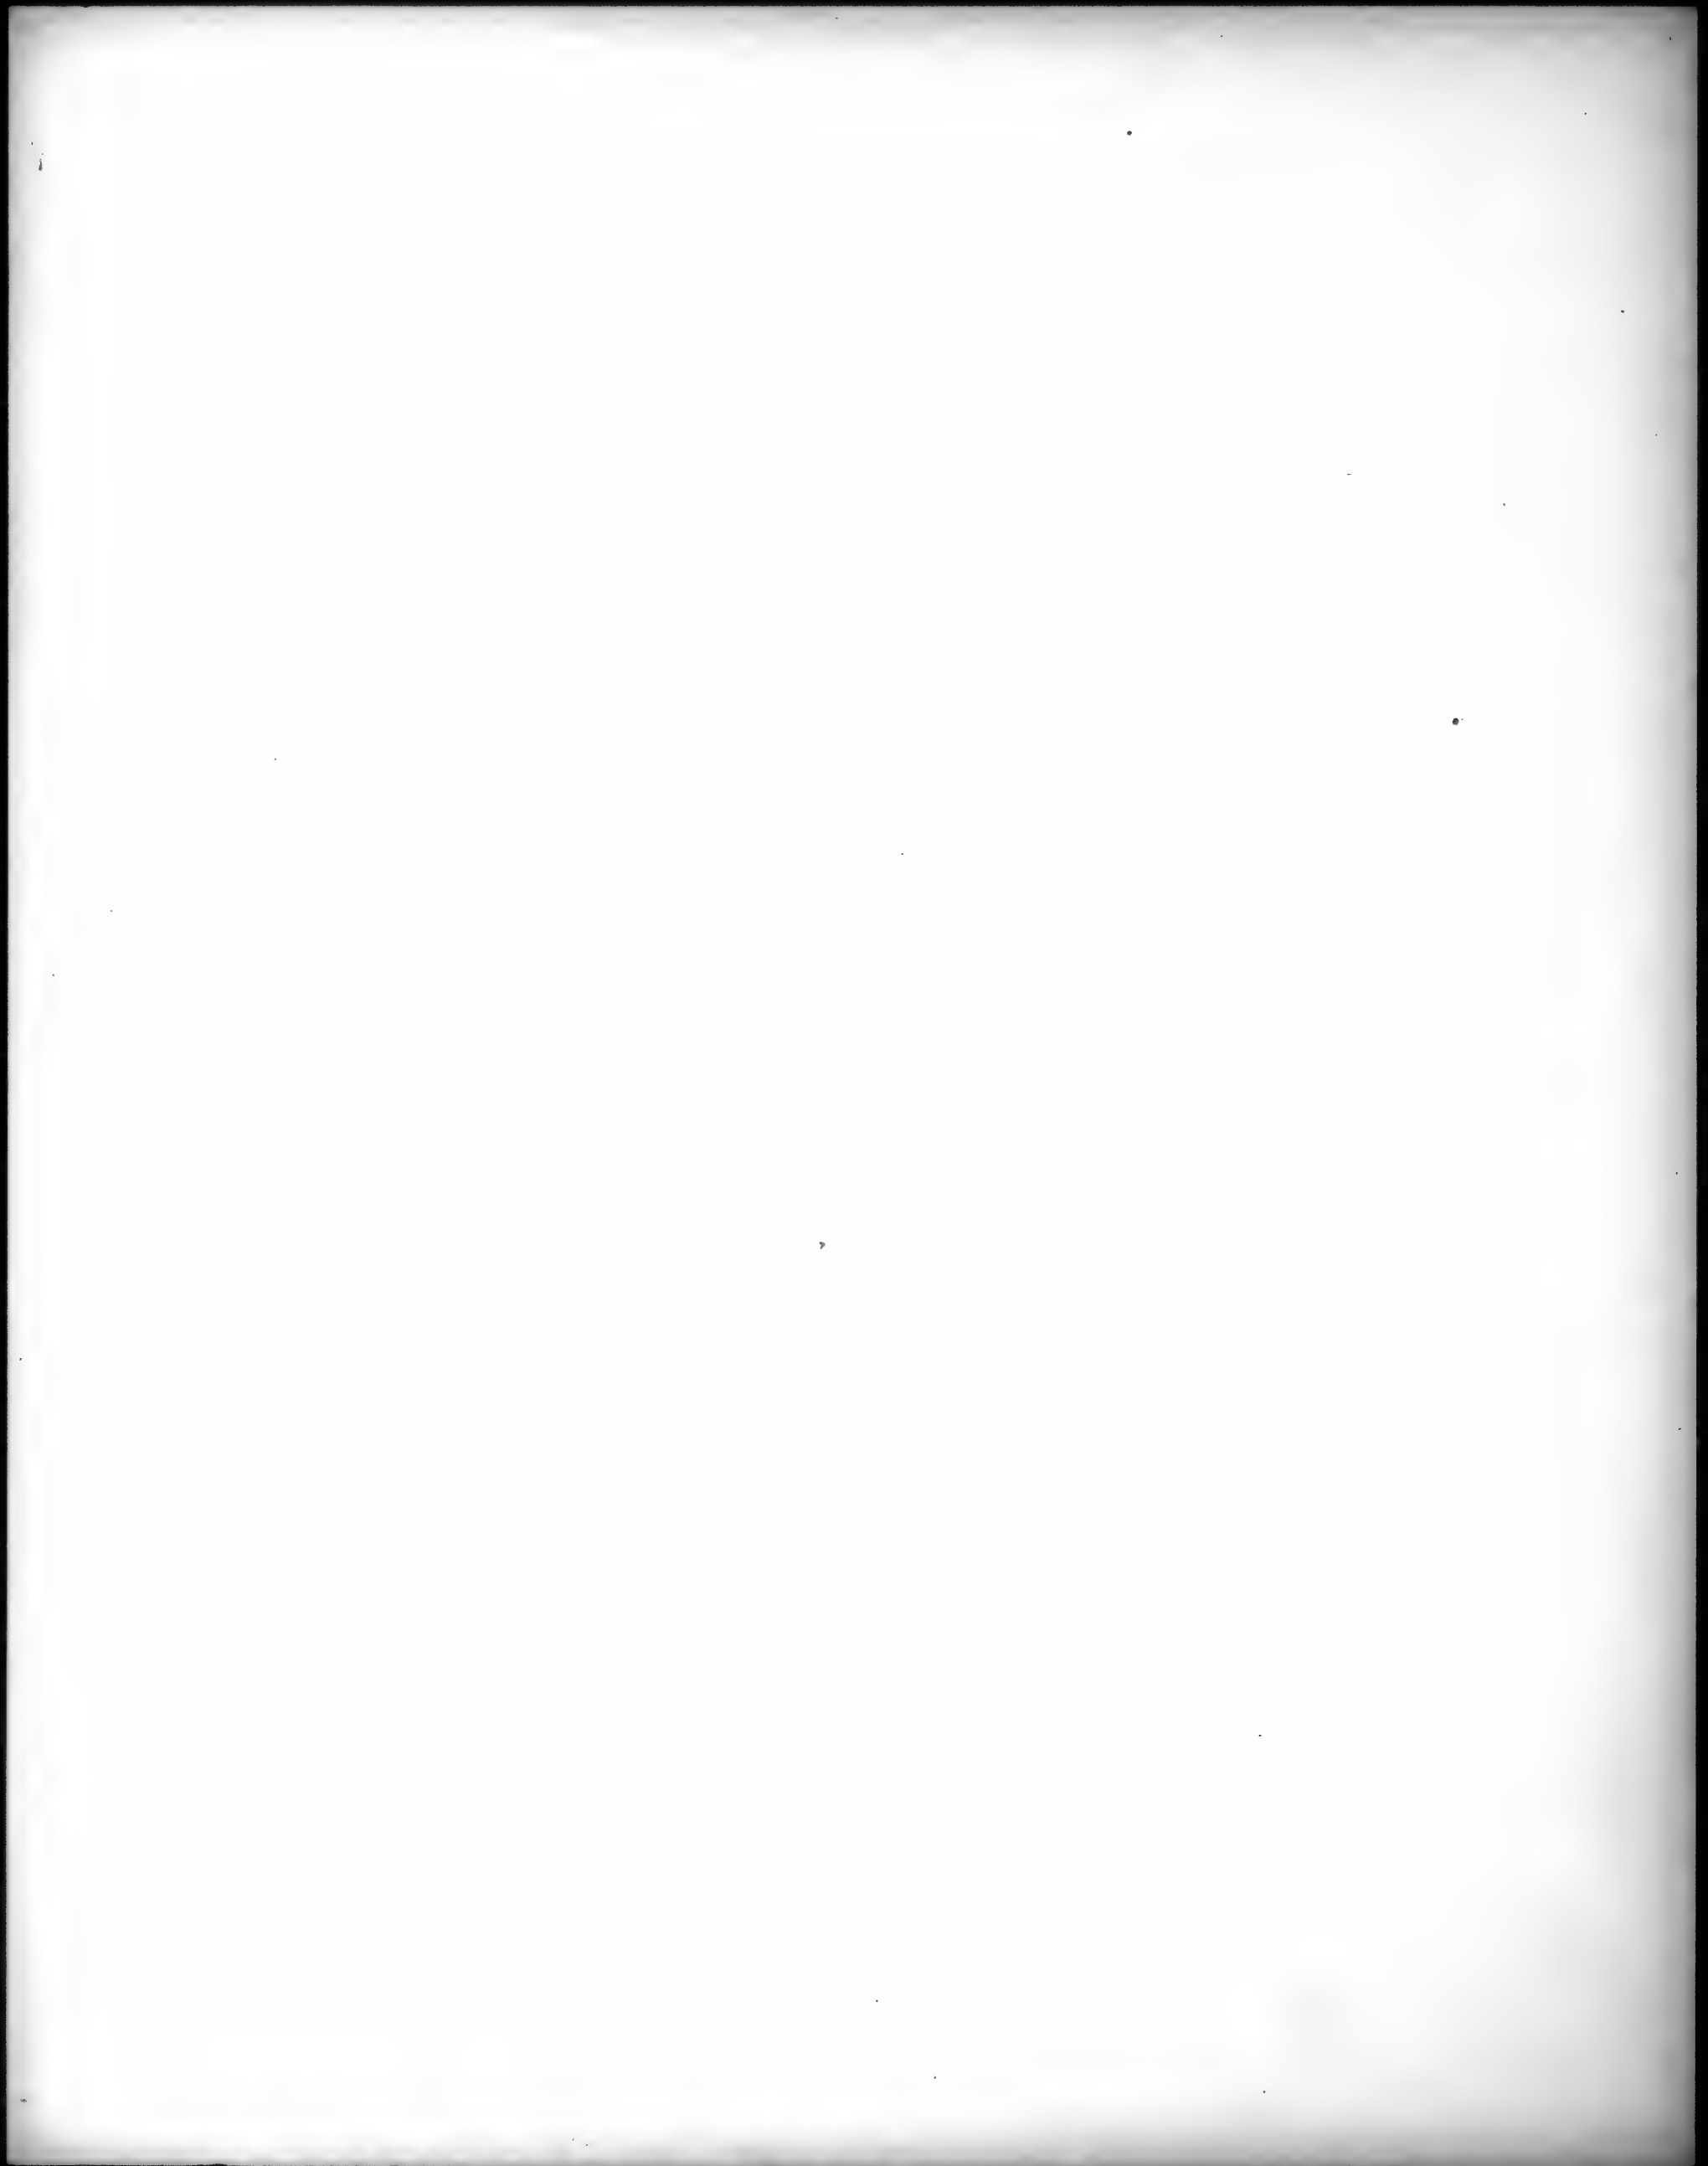

"Through the overseas work of the National Council our Church is joined in service and planning with a variety of major missions boards. . . .

"We share in proclaiming the gospel through mass communications. A radio and audio-visual department (RAVEMCCO) of the Division of Foreign Missions has led in the establishment of an evangelical radio network in Brazil, the Radio Voice of the Gospel in Ethiopia, etc. Through the department of World Literacy and Christian Literature (Lit-Lit) we share in the sustaining reading clubs in Korea, a Christian Publishers Association in Japan, publishing Christian magazines in Africa, and in a program to develop literacy in every part of the world. Through the Theological Education Fund we are helping to strengthen theological education in Asia and Africa and Latin America—the Theological Education Fund initiated a program of five million dollars, for which a grant was received from a Foundation, and the program is being projected for another five years. Through the central department of Church World Service we share in meeting human need in the name of Christ. In the last year more than fifty shipments of

food and clothing were made each week, and in the period from January 1, 1961 to May, 1963 more than one billion pounds of food were shipped and more than twenty-five million pounds of clothing and blankets. . . .

"It is my considered judgment that for us to withdraw from the National Council of the Churches of Christ in America would mean tragedy for our Church's mission work overseas, tragedy for the overseas mission work of the National Council of Churches of Christ in America, and tragedy for the expression of unity in our Christian witness."

STEWARDSHIP COMMITTEE REPORT

The report of the Stewardship Committee as presented by Rev. W. F. Wadsworth was adopted as follows:

REPORT OF THE STEWARDSHIP COMMITTEE TO THE 221st STATED MEETING OF ABINGDON PRESBYTERY

For our Presbytery to enter more effectively into the task that is ours at home and abroad demands not only a growth in our giving but a corresponding growth in our understanding of the necessity of every part of the Church's work. Our deeper purpose must be one not merely of getting more dollars but of leading more of our members to commit themselves to God as stewards of all that He has placed in our hands. Our concern must be one not only of seeing that this cause or

that gets more financial support but that the total work of the Church is strengthened.

The 1964 General Assembly, after long and earnest study by many qualified persons, adopted a new and revolutionary approach to our Presbyterian system of budgeting. (Assembly Minutes, 1964, pp. 121 ff) This new approach is based on the actual giving experience of the churches plus a small amount for normal growth.

The Assembly has adopted a basic benevolent budget for 1966 of \$8,406,136. Its budget for this current year of 1965 is \$9,968,380. The Assembly is asking its churches for \$1,562,244 less in 1966 than it did for its work in 1965. This smaller amount for 1966 does not represent less need. However, it is realistic. In 1964 all Boards and Agencies of the General Assembly received only \$8,082,823. In arriving at its askings for 1966 the Assembly has added 4% of this amount (2% each for 1965 and 1966) as normal growth in giving for this two year period, thus arriving at the \$8,406,136 figure.

This \$8,406,136 figure represents the planned Basic Program of the Assembly agencies for 1966. In addition, an Advance Program is set before the churches in the amount of \$500,000. Our share is \$3,477. The Advance Program can be entered into only after all of the basic program needs are met. Beyond the specific Advance Program are yet additional opportunities for giving. There is abundant challenge for our people to give. There is no ceiling set.

Recommendations

1. That the Stewardship Emphasis Season begin October 18, 1965, and continue through November 21, 1965; that November 14 be designated as "Dedication Sunday" for the Every Member Canvass; and that the theme of the Canvass be "Give—As Christ's Body.
2. That the asking budget be adopted by Presbytery for 1966.
3. That the Every Church Canvass in 1965 be used to inform local church officers that under the new benevolence program adopted in 1964, unless each particular church accepts it full apportionment of askings, the work which each board and agency is now doing will be reduced by that amount; and further, to solicit the full support of the local church for the total program of the Church.
4. That Presbytery recommend that churches be encouraged in their giving to go beyond meeting the basic budget needs and seek to give to the advance program, and that the sum of \$3,477 (9.7%) as recommended by the Synod be adopted as a goal to work toward in giving to the advance program.
5. That churches recognize that a supplemental offering is not an over and above offering, but an offering used to complete the

budget of the agency for which it is recommended and that supplemental offerings for the following agencies of the General Assembly be approved for 1966:

- a. The Board of World Missions and the Board of Church Extension (joint offering or two separate offerings left to discretion of local church).
 - b. The Board of Christian Education.
 - c. The Board of Annuities and Relief for use in Ministerial Relief.
6. That churches recognize that a special offering is an over and above offering for work not in the budget of any agency and that a special offering be approved for the Department of Overseas Relief and Interchurch Aid of the Board of World Missions to be received on Easter, April 10, 1966.

REPORT OF BENEVOLENCE TREASURER

The Rev. R. E. McClure, Treasurer of Benevolence, presented the report which was received as information.

WORLD MISSIONS

The Rev. A. F. Fogartie, Chairman of the World Mission Committee, presented the report which was adopted.

WORLD MISSIONS

In this Centennial year of our Church let us be reminded that at the first meeting of the General Assembly in Augusta, Georgia, this declaration of intent to be a missionary Church was made:

"The General Assembly desires distinctly and deliberately to inscribe on our Church's banner, as she now first unfurls it to the world, in immediate connection with the Headship of her Lord, His last command: 'Go ye into all the world and preach the gospel to every creature': regarding this as the great end of her organization, and obedience to it as the indispensable condition of her Lord's promised presence."

Indeed we have a Mission to the Nation. It is a vital and tremendous task and must be accomplished. However we must not lose sight of the fact that we have a Mission to the World. Let us be faithful to our forefathers' declaration, and let the banner of the Cross be displayed to all the world.

The Board of World Missions reports: "This has been a good year. Thirty-seven new missionaries have gone to the field — one of the largest groups in recent years. Of the approved budget of \$4,530,000 it now appears we shall receive \$4,310,000. This is the best we have ever done, yet it leaves us short of the Assembly's approved figure by approximately \$220,000. Obligations, too, have increased. Costs have risen everywhere. The Congo crisis has added at least \$150,000 to the normal expense of the work, and it is likely that this will be greatly increased before the emergency is past."

The year before us calls for faith, dedication and prayer. There is confusion, conflict and crisis everywhere. No one knows what the day will bring forth. Our Lord has not sounded the note of retreat. He, the Lord and Saviour, is the one reason, cause and motive for missions. At such a time as this does He not speak to His Church as He spoke to the Israelites at the Red Sea, saying, "Go forward".

Your Committee of Presbytery reports that three World Mission Workshops were conducted in October of 1960, at Asheville, Hendersonville and Franklin. The churches of the Presbytery were well represented, and in each a corps of faithful and efficient workers did a splendid piece of work.

RECOMMENDATIONS:

1. That earnest, intercessory prayer be offered each Sunday from the pulpits of the churches in behalf of those who labor in our mission fields, especially for those in the Congo.
2. That our churches observe the Week of Prayer and Self-denial for World Missions, Feb. 26 - March 5th.
3. That the young men and women of the church be challenged to help meet the need of 200 new missionaries.
4. That we express our grateful appreciation to those who gave their time and talents in the programs of the Workshops, and to the Rev. Edward S. Currie, retired missionary from China, for his helpful and inspiring addresses at each meeting.
5. That in the Fall of this year several Workshops be conducted in the Presbytery.

Respectfully submitted,
A. F. Fogartie, Chairman.

PRESBYTERY'S COUNCIL

The Rev. B. B. Breitenhirt, Chairman of Presbytery's Council, presented the report which was adopted as amended.

Presbytery's Council met on January 9, 1961 in the S & W Cafeteria in Asheville with the following members present: Kelly E. Bennett, B. B. Breitenhirt, H. B. Dendy, R. W. Gray, Robert C. Hunter, Thomas Lamb, R. E. McClure, Sam R. Patton, W. G. Thomas, and W. F. Thuston. Joe Hunter, a member of the Board of Trustees of Davidson College, was present to speak concerning Davidson College.

The meeting was opened with prayer by W. F. Thuston. Joe Hunter spoke in the interest of Davidson College, stressing the importance of restoring the college to the budget of Presbytery since Asheville Presbytery is regularly represented on the Board of Trustees with all expenses of such Trustees being paid by the college. Motion was made, seconded, and passed recommending that Davidson College be restored to the "Askings" Budget of 1961 for \$1,000.

Prior to this meeting of Council, a set of proposed principles to guide in the distribution of benevolences received by the Central Treasurer was mailed to each member of the Council that it might be carefully studied beforehand and discussed and acted upon at the meeting. The proposed principles were adopted without a dissenting vote. Two copies were mailed to each church so that the pastor and representative might have a copy to study before this meeting of Presbytery.

A motion was passed asking the Presbyterian Home for Children to reduce its "Askings" from \$46,700 to \$45,000; the Church Extension Committee from \$37,000 to \$32,000; and Montreat College from \$20,000 to \$10,000.

The Board of Trustees of the Presbyterian Home for Children at its meeting on January 12 made a challenging gesture in reducing its askings from \$46,700 to \$40,000. This decrease for this year was made possible by the fact that the Home has received a legacy of \$5,000. The Council heartily commends the Board for this action.

We would express our sincere appreciation to the fifteen teams of Every Church Canvassers who worked so diligently in presenting the cause of Benevolences to our churches. Likewise we would express our gratitude to our churches for their cordial reception of these Canvassers. While several churches could be singled out for special commendation, we would especially thank the Brevard-Davidson River Church for their attitude and action. When their Every Member Canvass failed to produce sufficient funds for their promised gifts to Benevolences, they decided to postpone paying off their building indebtedness in order that they might keep their commitment to Benevolences made in the Every Church Canvass. We feel that all askings of our various causes

will be met if all of our churches of Presbytery will have this spirit and adopt this policy.

With the "Askings" Budget being set at \$245,700 and the anticipated receipts from all churches of Presbytery being \$175,000, we feel that the only solution possible as we face year after year the needs of our various causes will be found in getting the Presbyterians of Asheville Presbytery to accept the principles of Christian Stewardship. This will mean full support of all of Presbytery's causes and meeting Presbytery's share of all Synod and General Assembly causes. The Council intends to make every effort to effect substantial increases in giving throughout the Presbytery. To this end most of our recommendations will be concerned with the promotion of Stewardship rather than with the mechanics of budgets. We feel that the greatest service which we can render as a Council will be in promoting the Scriptural standards and principles of giving. We interpret this to be in line with the thinking of the General Council and of the General Assembly.

WE RECOMMEND:

1. That the attention of all Pastors, Ruling Elders, and Deacons be called to the fact that one of the chief functions of all church officers is to develop the grace of liberality in the members of the church. We do not think that this can be done by precept alone but most effectively by all officers pointing the way through their own liberal and sacrificial giving and by their enthusiastic support of all causes of the church.
2. That every Pastor be requested to stress Stewardship throughout the year and not merely during the Stewardship Season.
3. That every church have an active Stewardship Committee composed of representatives of the various church groups.
4. That churches have classes in Stewardship on Wednesday night, Sunday night, or at other appropriate times.
5. That each church appoint one of its strongest leaders as Director of the Every Member Canvass early in the spring.
6. That Presbytery authorize and direct the Council to conduct an Every Church Canvass in the early fall.
7. That the Young People's Conference Committee consider carefully having a course on "The Stewardship of Life and Possessions."
8. That the paper entitled "Principles To Guide in the Formation of The Annual Benevolence Goals — and The Distribution Thereof" be referred back to Presbytery's Council for further clarification; and that the 1961 Distribution of Benevolent Funds be on the same system as adopted for 1960. The action of Presbytery during the 1960 Winter Meeting — (see Minutes, page 23, Winter Meeting

1960) is as follows: "It was decided that the division should continue to be on the congregational level rather than the Presbytery level, in order to insure that each church would share in the work of each cause and to prevent a few churches from carrying the burden of any one cause and requiring little or nothing from the remainder."

STATISTICAL REPORT

The Rev. W. G. Thomas, Stated Clerk, presented the incomplete Annual Statistical Report to the 1961 General Assembly, and was authorized to complete the report and forward it to the Stated Clerk of the General Assembly.

CHURCH EXTENSION COMMITTEE

The Rev. R. E. McClure presented the report of the Church Extension Committee which was adopted as amended.

In view of the challenge of Church Extension within the bounds of Asheville Presbytery, and in response to the action of Asheville Presbytery in appointing a special committee to study these needs and to recommend a plan for observing the Church Extension Season in 1961, this committee reports as follows:

We have had three meetings since being appointed, the last of which was on Monday, January 9th, at which time there were present: Mr. James Earhart, associate to Mr. Hal Hyde in the department of SURVEY AND CHURCH LOCATION of the Board of Church Extension, and Mr. Allan J. Anderson representing the PROTESTANT RADIO AND TELEVISION CENTER of Atlanta.

We had previously inquired in the possibility of making a thorough survey of Asheville Presbytery to determine what opportunities and obligations lay before the Presbytery, and also as to the possibility of some form of visual aid to present these to the members of the Presbytery.

Mr. Earhart, with Miss Bessie May Stribling, was to make this preliminary survey during the week of January 9th, and Mr. Anderson reviewed the methods and cost of different ways of presenting the situation in the Presbytery through visual aids.

Your Committee recommends to Asheville Presbytery:

1—That the Presbytery approve the formation of A CHURCH AND MANSE ERECTION LEAGUE, or its equivalent in Asheville Presbytery, based upon membership agreeing to respond to not more than four calls per year, for amounts to be indicated by each member thereof.

2—That as a part of the operation of the CHURCH AND MANSE ERECTION LEAGUE the Church Extension Committee of the Presbytery be authorized to designate one project to receive the first re-

sponse from this effort, and to propose other projects from time to time for subsequent calls.

3—That the major emphasis during Church Extension Season in 1961 shall be the securing of members for such a League, and the payment of the First call, and that the policy of securing members for such a League shall be a major emphasis of the Church Extension Season in 1962, but the churches shall be given opportunity to make their regular offering to this cause as in the past.

4—That the funds received from the Church and Manse Erection League, together with other gifts during the Church Extension Season shall be divided on an 80 - 20 basis, sending Twenty Percent to the Board of Church Extension of the General Assembly. All funds received from calls made by the Church and Manse Erection League at any time other than the Church Extension Season shall be retained by the Presbytery for its own use.

5—That your committee shall receive the report of Mr. Earhart, and with the approval of the Church Extension Committee shall use same as the basis of the promotion of the Church Extension Season in 1961.

6—That each Church in the Presbytery be asked to appoint a special committee, which shall include a Ruling Elder, a Deacon and representatives from the Women of the Church and the Young People (these latter shall include the Chairmen of Church Extension of the Women and of Outreach for the Young People) to cooperate in promoting this season, and the program of the CHURCH AND MANSE ERECTION LEAGUE, and a Chairman shall be named by the Session.

7—That the Churches of the Presbytery be urged to receive representatives of your Special Committee, appearing before one or more of the regular services, organizational meetings, or special gatherings, to present the claims of Church Extension between April 23rd and May 14th, and that the local committee in each church make a special effort to secure members for the CHURCH AND MANSE ERECTION LEAGUE during the week of May 14 - 21.

8—That this committee be authorized to enlarge its membership to secure individuals who would be willing to visit local churches in the interest of this cause.

9—That this committee be authorized to spend, not in excess of \$3,000.00 in the general promotion of this season, including the preparation and distribution of such visual aids as may be deemed wise.

10—That Asheville Presbytery commend this work as worthy of and in urgent need of the full support of members of local churches in the Presbytery, and that to this end Sunday, May 14th, be designated as a DAY OF PRAYER FOR CHURCH EXTENSION, for special observance in a way agreeable to the session of each church.

NORTH CAROLINA COUNCIL OF CHURCHES

The Rev. S. L. Rochester, chairman of the Committee on the N. C. Council of Churches, presented the report which was received as information.

BILLS AND OVERTURES

The Rev. G. B. Talbot, chairman of the Standing Committee on Bills and Overtures, presented the report. Pending action on the report Presbytery limited debate to twenty minutes to each side on the First Overture.

The first overture from the Session of Friendship Church requesting the General Assembly at its forthcoming meeting in April to change its affiliation with the National Council of Churches to some other interdenominational, cooperative body, was answered in the negative.

Debate on the Second Overture was limited to ten minutes to each side.

The Second Overture was answered in the affirmative and is as follows:

WHEREAS reports in the secular as well as the religious press indicate that changing religious emphases are being developed on college and university campuses today, embodying new features that may conceivably affect the student work of the Presbyterian Church, U.S.;

NOW THEREFORE, the Presbytery of Asheville respectfully requests the General Assembly to clarify and define the nature and the scope of student work, with special reference to campus ministries and campus religious emphases. Is student work to be understood as a Presbyterian religious program of and on behalf of the Presbyterian Church or is it to be a general and united religious program on behalf of a united and ecumenical Church? Should the distinctive emphasis of a Westminster Fellowship be developed on college and university campuses, or should the Presbyterian work, as such, be merged with other ministries wherever possible, in the interest of a single, ecumenical Church emphasis?

REPORT OF PRESBYTERY'S COUNCIL

The Rev. W. G. Thomas presented the report of Presbytery's Council. Presbytery voted to hear the full report of Presbytery's Council.

The recommendation that the Rev. R. E. McClure's salary be raised from \$5,000 to \$5,400 per year was passed unanimously.

A motion to reconsider the action of Presbytery during the Winter Meeting concerning the 1961 distribution of Benevolent Funds on the same system as adopted for 1960 was made by one who had voted in the affirmative at the January meeting. The motion to reconsider was adopted.

Presbytery's Council's recommendations were adopted.

- I. That the following budget for the distribution of 1961 Anticipated Gifts be approved:

Assembly Causes:	
World Missions	\$ 32,150
Church Extension	9,310
Christian Education	4,460
Annuities and Relief	2,450
General Fund Agencies	7,410
Inter Church Agencies	130
Synod's Agencies:	
King College	11,960
Union Seminary	1,490
Louisville Seminary	745
Christian Education	4,330
Church Extension	145
Presbytery Causes:	
Presbyterian Home	40,000
Church Extension	30,000
Christian Education	7,000
Office of Executive Sec.	14,000
Montreat-Anderson	9,000
Davidson	600
\$175,180	

- II. The Council presents the following clarification of the paper "Principles To Guide In The Formation Of The Annual Benevolence Goals — And The Distribution Thereof", and recommends its adoption.
1. All Designated funds shall be distributed as designated. This rule shall apply to funds received from churches, organizations and individuals.
2. Undesignated funds shall be distributed strictly on the basis of that percentage which shall be determined by Presbytery's Council.

3. Presbytery's budget shall be worked out on the basis of anticipated undesignated income plus anticipated designated income.
4. After subtracting the anticipated designated income from the proposed budget, a fixed percentage table shall be worked out between the anticipated undesignated income and the actual dollar figures remaining in the budget.
5. No equalization shall be practiced within the total represented by the budget. Income received into Presbytery's treasury over and above the budget total — and undesignated — shall be distributed on a basis of equalization to be determined by the proportion of receipts experienced by the causes against budgeted amounts. In other words, if the budget is set at \$175,000 and of this amount \$100,000 is anticipated in undesignated income, the percentage of distribution shall be determined on the basis of income of \$100,000. This percentage will remain unchanged until total receipts from all sources reaches \$175,000. Beyond that amount, undesignated funds will continue to go to designated causes. Undesignated funds (after a total of \$175,000 is reached) will be distributed on an equalization basis determined at the time, by the Council, on the basis of amounts actually received by the various causes.

REPORT OF AD INTERIM COMMITTEE

The Rev. A. A. Gardner, Jr., chairman of the Ad Interim Committee, presented the report which was adopted.

The Committee met at First Presbyterian Church, Asheville, N. C., on December 8, 1960, and submits the following answers to the questions attached to the Study Paper on the Office of the Minister of the Word and Sacraments:

- A. WHAT PROCEDURES FOR THE NECESSITY AND ENLISTING OF CANDIDATES FOR THE MINISTRY SHOULD BE EMPLOYED BY PRESBYTERIES AND BY THE LOCAL CHURCH?
 - (1) *Presbytery*
 - (a) Needs and opportunities presented by Presbytery's Christian Education Committee at camps and conferences.
 - (b) A positive recruiting program initiated and conducted by Presbytery's Committee on Candidates.
 - (c) Scholarship Fund provided by Presbytery.
 - (2) *Local Church*

A recruiting program under the direction of the Session that will include a pulpit challenge by the minister and a personal challenge by minister, Church officers, Church School teachers, and the home.

B. WHAT TESTS SHOULD BE EMPLOYED IN DETERMINING THE FITNESS OF CANDIDATES?

Vocational Guidance Counseling. Presbytery should require the prospective candidate to receive Vocational Guidance testing with a report from the Guidance Center submitted to Presbytery's Committee on Candidates.

C. WHAT PROCEDURES OF EXAMINATION FOR ORDINATION SHOULD BE EMPLOYED BY THE PRESBYTERIES SO AS BEST TO ASSURE THE PRESBYTERY AS TO THE ADEQUACY OF THE CANDIDATES?

- (1) Presbytery's records pertaining to the candidate to be placed in the hands of the examining committee prior to the candidate's examination by presbytery.
- (2) A questionnaire prepared by the Committee on Examinations to be completed by the candidate and placed in the hands of the committee.
- (3) A more thorough oral examination by the committee prior to the meeting of Presbytery with a report made to Presbytery.

D. WHAT COMMITTEE ON PRESBYTERY LEVEL SHOULD HAVE THE RESPONSIBILITY FOR THE ORDINATION AND INSTALLATION CEREMONY?

A commission composed of representatives from the Committee on Examinations, the Commission on the Minister and His Work, and the Session of the local church.

E. WHAT CAN THE PRESBYTERY DO TO ORIENT THE NEW MINISTER TO THE LIFE AND WORK OF THE CHURCH?

An "on-the-job-training" program conducted by the Commission on the Minister and His Work during the first year after ordination.

WOULD YOUR PRESBYTERY FAVOR A YEAR'S INTERNSHIP FOR NEW MEN IN THE CHURCH?

No. A year's internship would not be necessary in the light of an "on-the-job-training" program.

F. UNDER THE EXTRAORDINARY CLAUSE WHAT REQUIREMENTS SHOULD THE PRESBYTERY HAVE FOR ORDINATION?

We believe that the extraordinary clause is, as specifically stated, for "extraordinary" persons and circumstances. An "extraordinary" person is one who not only loves God and has expressed a desire for life-service in the Church, but also one who is unusually qualified for that service by natural gifts and experience. Age and the

economic necessity growing out of family obligations are the most obvious "extraordinary" circumstances that would prevent a candidate from taking advantage of full theological training. Even so, we believe that Presbytery should require a minimum of one year's formal training at an approved theological institution prior to ordination.

- G. IS THERE A NEED WITHIN OUR CHURCH FOR MINISTERS IN SPECIALIZED FIELDS WITH DIFFERING EDUCATIONAL QUALIFICATIONS THAN THOSE REQUIRED IN OUR BOOK OF CHURCH ORDER?

No. We do not believe that an effective ministry to industrial or agricultural people, or others, requires the necessity of lowering educational standards for ordination.

Fred F. Guthrie
W. C. Cooper
George A. Abbott

Mr. Kelly E. Bennett, chairman of the Committee on Ministers' Salaries, stated that the Committee had no report at this time.

An accumulated operating deficit of \$110,000 has been paid. The college is free of debt."

Kennedy thanked for his presentation.

REPORT OF PRESBYTERY'S COUNCIL

Rev. B. B. Breitenhirt, chairman of Presbytery's Council, presented the report. The following actions were taken after lunch. The roll of Churches for the Every Church Canvass schedule was called. Presbytery increased budget needs of Montreat-Anderson College from \$10,000.00 to \$20,000.00, and thus increased the totals by \$10,000.00. The report of Presbytery's Council with recommendations as amended above was adopted.

Two undeniable facts cause your Presbytery's Council, acting as the Committee on Stewardship, to realize the magnitude of the work confronting us. One of these is the continued prosperity of America which is rolling in wealth when compared with any other nation on the face of the earth. The other is the continued failure of the Church to manifest the spirit of Christ in the realm of Christian Stewardship.

That we as Presbyterians share fully in the first fact — the prosperity of America — is clearly evident to all who will stop to think. Our people live in the fine homes of the average community, own and drive costly cars, travel extensively for pleasure, belong to costly clubs, and support community projects all out of proportion to our membership. We are not a church of under-privileged people. On the contrary, the giving potential of our people places us in the category of them from whom much is rightly expected.

That we have failed to measure up to our opportunities and obligations is manifested by our giving record. The average Presbyterian gives less to all the work of our church — the work done locally and the work done together in Presbytery, Synod, and General Assembly — than the cost of three cups of coffee or a pack and a half of cigarettes daily. As a denomination we simply have not learned the meaning of the Head of our Church when He said: "If any man would come after me, let him deny himself, and take up his cross, and follow me." A comparison of our giving potential and our actual giving should cause us to hang our heads in shame.

With these two undeniable facts staring us in the face, we ask the question: Where does the blame lie? Some might answer by saying that the lack of commitment on the part of our membership is to blame. But we must go one step farther. Who is to blame for this lack of commitment in the field of Christian Stewardship of possessions? We believe that some — if not much — of the blame can be laid at the feet of Pastors, Ruling Elders, and Deacons. The blame is certainly not to be found in a lack of presentation of need on the part of our General Assembly, Synod, and Presbytery. The needs and opportunities of the work in these areas of our church have been carefully studied and presented to our local churches where the response only can be made. Unfortunately there have been instances in which a minister or a Ruling Elder or Deacon has felt it to be his duty — not to promote the benevolent causes of the church but rather — to try to protect his people from what he deemed to be an intrusion. Ministers have been known to take pride in the fact that they never preach about money, thinking that money has nothing to do with the spirituality of their office. Yet no program can succeed in any church if the minister does not give it his wholehearted support, leadership, and encouragement. Ministers have encouraged their members and rightly so to look to them for leadership. They must be prepared to provide such leadership in the highly important field of Christian Stewardship as in all other phases of the spiritual life. It is the spiritual life of the members and of the church with which we are concerned when we preach stewardship to the members of the church. Likewise our Ruling Elders and Deacons by virtue of their office are expected to develop the grace of liberality on the part of the members. We need to challenge our people to give sacrificially rather than to protect them from giving.

We feel that it is the duty of the pastor to know the giving habits of his members so that he may gear his preaching and ministry to their needs. For this reason we believe that he should have and avail himself of free access to the giving records of his members.

While we must have budgets and the mechanics of finances, we believe that only the development of genuine Christian Stewardship in the people of our churches will enable the various problems of church finances to be solved and the various causes to receive adequate support. For this reason most of our recommendations are designed to encourage and to help our churches to increase the giving of our people by an increased emphasis on the stewardship of possessions.

WE RECOMMEND:

1. That Christian Stewardship be taught, preached and emphasized throughout the year and not merely during the Every Member Canvass Season.
2. That Christian Stewardship be defined as the practice of systematic and proportionate giving of time, abilities, and material posses-

sions based on the conviction that these are a trust from God, to be used in His service for the benefit of all mankind in grateful acknowledgment of Christ's redeeming love.

3. That Christian Stewardship be promoted not merely as a means of raising money to support the Church but as a way of life in which one honors God. If our people give as God prospers them, the mechanics of stewardship will very largely be taken care of automatically.
4. That tithing — giving a tenth of one's income to the Lord — be taught not as a law which the Christian must obey in order to find favor with God but as a divinely revealed minimum standard of giving to which the Christian should give prayerful consideration when determining how much he will give to support the Church and Christ's work in the world.
5. That each Church recognize its responsibility to see that a definite proportion of its income be assigned in such a way that each agency in the General Assembly, Synod, and Presbytery shall receive a proportionate and fair share of its total contributions. The Presbytery recommends that this money be forwarded to the Central Treasurer for a division on the basis approved by the Presbytery. The work of the whole denomination is an obligation of each Presbyterian Church.
6. That each Church remit its contributions to benevolences on a monthly basis, making such contributions the first responsibility to be paid by the church treasurer each month.
7. That each Church now giving a definite percentage of its income to undesignated Benevolences be urged to increase yearly the percentage ratio until that Congregation is giving as much to Benevolences as it is spending for Current Expenses.
8. That the first seven recommendations be the continuing year-round program of Stewardship from year to year.
9. That every church, if it has not already done so, order its Every Member Canvass supplies at once.
10. That the Every Church Canvass be conducted during the period, September 1 - October 15, and that the roll of churches be called as the first item of business following lunch today for the purpose of obtaining a date during that period when a team of visitors can meet with the pastor and officers of each local church.
11. That a voluntary Centennial offering be taken in the churches on Sunday, October 15, one-half of the total received to be used in helping our sister churches where they have suffered from war or other disasters and one-half to be used in the promotion of evangelism.
12. That each Church observe the Stewardship Season set by our General Assembly, beginning October 1 and continuing through No-

ember 19; that November 12 be designated as "Dedication Sunday" for the Every Member Canvass; and that the theme of the Canvass be "Commit Thyself."

13. That churches use this season to promote the stewardship of time, abilities, and possessions among their members; that they use the Pre-Budget Canvass as a spiritual aid and, at the same time, a practical way to promote the stewardship of possessions among their members; and that they undergird through earnest prayer both these seasonal efforts and the year-round teaching of stewardship as an essential part of the Christian way of life.

14. That the Pre-Budget Canvass Manual and procedure be carefully studied and used. If the recommended procedure as found in the Manual is followed, its emphasis on giving as the Lord has prospered will usually not only result in enlarged giving but in definite spiritual growth on the part of the individual. Eliminating certain parts in the interest of economy of work or of money seriously handicaps the plan and minimizes its effectiveness. Any congregation that will follow the outline to the letter will not go far wrong.

Reported failures are usually a failure to follow the plans carefully rather than a failure in the plan itself. Careful adherence to seemingly small details is the foundation upon which a successful canvass will be built.

15. That each Church submit to the Chairman of the Council by December 20, 1961, an honest estimate of the amount of money that can be expected from that Church for Benevolences in the General Assembly, Synod, and Presbytery.
16. That our Churches be encouraged to invite available members of the General Council, Boards, and Agencies to speak to the Church or to a special session on Stewardship during the 1961 Stewardship Season.
17. That the Presbytery Tax for 1962 be set at 60c — an increase of 3c.
18. That the following Benevolence budget for 1962 be adopted for presentation to the Churches of Presbytery; the proposed budgets for General Assembly and Synod causes are our proportionate share as approved by the Synod of Appalachia at its meeting in June.

BENEVOLENCE BUDGET NEEDS FOR 1962, as proposed by The Council of Asheville Presbytery for inclusion in the "Askings" of the Churches in their 1961 Every Member Canvass.

REPORT OF PROGRAM COMMITTEE

The docket, distributed by the Stated Clerk, was adopted as the Order of the Day with two additions: 1. that report of the World Missions Committee, Rev. J. L. Jackson, chairman, follow the Reception of Ministers and Candidates; 2. that the election of a Moderator-nominee for the next meeting of Presbytery follow new and unfinished business.

Ruling Elder Dr. R. A. Potter of the host church extended a warm welcome to Presbytery and Presbyterial.

BIBLE HOUR

Dr. L. Nelson Bell led the Bible Hour in the study of 1 Corinthians.

REPORT OF PRESBYTERIAL PRESIDENT

Rev. W. G. Thomas, Stated Clerk, introduced Mrs. W. B. Ferguson, Presbyterial President, who presented the report of the Women of the Church, which was adopted by a rising vote of appreciation.

This Centennial Year with its theme, "Our Heritage and Mission," and its emphasis on Evangelism have made the women of the Asheville Presbytery aware of the great privileges and responsibilities we have as Presbyterians. Our Church-wide study of the "Basic Beliefs of Reformed Faith," and the Circle Bible Studies, "Living in Christ," have resulted in greater interest in Bible study and better understanding of the great beliefs for which our Church stands.

Various Churches reported a wide variety of projects — and an increasing number of women are working with Young People, teaching in Sunday School and Bible Schools. More young women are taking office and taking part in training programs.

Reports show that local organizations responded generously with increased offerings to White Cross, Overseas Relief, Birthday and Joy Gift.

The Mission Workshop last fall had increased attendance which resulted in larger offerings during the World Mission Season.

There was also a larger number attending all conferences at Montreat and the Training School at King College. Eighteen delegates were sent to the Interdenominational Christian Conference for Negro Women.

The five District Meetings were well attended. One District Meeting was a workshop. The other four centered their programs on the "Go That We May Know" emphasis.

The visitation programs of our Church, Person to Person Evangelism, Friendship Evangelism and "Go That We May Know" emphasis, have resulted in increased concern for the indifferent inactive women on our Church rolls and a more cordial response to newcomers.

We are kept well informed of the respective needs of King College and Friends of the Seminary by their representatives. There is always interest in our Presbyterian Home for Children and many Churches assume the support of children in the Presbyterian Home.

Your president has attended all meetings required of this office: four Executive Board meetings, five District meetings, several District workshops, Montreat Women's Conference and the Synodical Training School.

This report is made as a summary of the fine work done by many consecrated women of our Presbytery. We rejoice in the work accomplished, but realize that we often fail to reach our goal. Although there is increased Church attendance and more interest in Church work, there seems to be a greater need for "Undergirding with Prayer" and a real concern for those out of Christ.

We pray that there may be a renewed dedication to our Lord's work, and as we go forward into the new year, whatever we do — may it be to the Glory of God.

VISITORS

REPORT OF CHRISTIAN EDUCATION COMMITTEE TO ASHEVILLE PRESBYTERY OCTOBER 3, 1961

CANDIDATES FOR THE MINISTRY: The shortage of candidates for the ministry in our church and the large number of candidates who never complete their Seminary preparation continues to be of serious concern to Presbytery. Our Chairman of Candidates has plans to present to Presbytery for more effective program of recruiting and care of candidates. He will present these plans in person with his report on the status of each of Presbytery's present candidates.

MEN'S WORK: The Fall Rally of the Men of Presbytery was held at the Presbyterian Home for Children on September 28th with 237 men present. The following officers were elected for this year: W. G. Dover, President; Sam L. Patton, Vice President; Frank Wade, Vice President; Easton Hulme, Secretary-Treasurer; and three District Chairmen — B. L. McGlamery of Franklin, J. L. Maloney of Hendersonville and Carroll Sorrell of Asheville.

VOCATIONAL GUIDANCE PROGRAM: Institutes will be held Nov. 1, 7:30 P. M. at Sylva and Nov. 2, 7:30 P. M. at Grace Covenant, Asheville.

SENIOR HI WORK: Presbytery's adult advisors to our Senior Hi Council are: R. W. Gray, Chairman; Mrs. J. L. Fesperman, Fred Guthrie and Beatrice Earnest. The Fall Rally will be at Waynesville on October 29th from 2 to 7 P. M. The mid-winter over-night rally will be in Hendersonville February 2 and 3, 1962. The theme of this rally will be on Christian Vocation with a team from Union Seminary, Richmond, leading the program.

PIONEER WORK: Two successful weeks of camp were held at Holston Presbytery camp this summer under the direction of Richard Sommers. We plan two weeks of Pioneer camp next summer at the same place since our campsite cannot be developed by that time. Our Pioneer advisors are Richard Sommers, Chairman; Mrs. Jewel Reese, Mrs. Marian Boggs and Easton Hulme. A Pioneer Conclave will be held October 21, at Oak Forest Church. The theme for the conclave will be "Our Heritage and Mission".

CAMP — CONFERENCE SITE DEVELOPMENT: Our Camp Committee, Richard Sommers, Chairman, and the Christian Education Committee have prepared, with the counsel of Dr. Robert Davis, director of camps and conferences of our Assembly's Board of Christian Education, a program for the use of our camp-conference site when developed. A list of facilities needed for this program with estimated cost has also been prepared. Most of this Christian Education program, though urgently needed, is not now being carried on in our Presbytery for lack of facilities. Presbytery's Council is now considering the provision of finances for this development program. Our committee plans to present a suggested program and plan of development for our Camp-Conference site together with a full interpretation of same by a competent person at the next meeting of Presbytery.

INSTALLATION OF REV. G. D. McCALL

The minutes of the Commission on Installation of Rev. G. D. McCall as pastor of the Highland Church were found in order and admitted to record:

The Commission appointed by Asheville Presbytery to install The Rev. G. D. McCall as pastor of the Highlands Presbyterian Church met at Highlands, North Carolina at 6:45 P. M., on August 27, 1961, and was opened with prayer by The Rev. Ben F. Ormand.

The following members of the Commission were present: The Rev. Ben F. Ormand, D.D., The Rev. J. D. Whitesides, and The Rev. F. F. Guthrie; Ruling Elders Sidney McCarty, Frank Gardner and J. F. Dunn.

The Rev. Ben F. Ormand presided as Chairman, and J. F. Dunn was named Clerk.

The following were invited to sit with the Commission: The Rev. Wallace M. Alston, D. D., Atlanta Presbytery, President of Agnes Scott College, and Moderator of the General Assembly of the Presbyterian Church in the United States; The Rev. C. A. Cooper, Jr. of Austell, Ga., Atlanta Presbytery, and Ruling Elder G. S. McCall, First Presbyterian Church of Marion, North Carolina, father of the new pastor.

The Commission approved an Order of Worship for the service and confirmed the following parts: Dr. Ormand to preside and to propound the constitutional questions; Dr. Alston to preach the sermon; Mr. Cooper to charge the Pastor, and Dr. Ormand to charge the Congregation.

The Commission adjourned to meet in the presence of the Congregation. The order of service was followed. The sermon topic was "For The Sake of Christ", and the scripture text was II Corinthians 12:10. The constitutional questions were each answered in the affirmative by the Minister, and by the Congregation, as required by the Book of Church Order.

The prayer of installation was led by Dr. Alston, and Mr. McCall was formally pronounced to be duly installed as the Pastor of Highlands Presbyterian Church by the Chairman, Dr. Ormand.

A charge was delivered to the Pastor and to the Congregation and the service was concluded with the Benediction pronounced by the newly installed Pastor.

The Commission met following the service and approved the minutes.

The closing prayer was offered by Mr. Whitesides.

REPORT OF AD INTERIM COMMITTEE

Rev. W. R. Aughinbaugh, Chairman of the Ad Interim Committee on Homes for Senior Citizens, presented the report which was adopted.

The Committee appointed by the moderator to look into the need and possibility of establishing a self-supporting home for Senior Citizens met on Sept. 25, at Brevard Presbyterian Church at 5:30 P. M. The main item of business was to investigate the piece of property that was being offered to Asheville Presbytery by Dr. G. H. Cartledge for a future Home site for Senior Citizens. After viewing the property, it was the committee's opinion that the property was too small — one and three-fourths acres — and the property was located on a busy four-lane highway, also that the terrain was rather steep. It was our opinion that the Presbytery sincerely express its thanks to Dr. Cartledge for this fine offer and assure him and others of our great concern in the matter of providing good facilities for our Senior Citizens.

Presbytery changed the Ad Interim Committee on Homes for Senior Citizens to a Special Committee on Homes for Senior Citizens.

REPORT OF PRESBYTERIAN HOME FOR CHILDREN

Rev. H. B. Dendy, Chairman of The Presbyterian Home for Children, presented the report which was adopted, and the request of the Home's Board to authorize sale of sand and gravel from some of the land was granted.

At the present time we have 58 children in the Home, 29 boys and 29 girls. We have 15 children in the High School this year, which I think is a record for the Home. We also have at the present time two boys and one girl in college, all three are juniors and doing very well in their studies. Loretta Hall was our only graduate last year and we will have only one boy to graduate this year. Cecil Caldwell is an outstanding senior this year at Owen High School and most likely will receive a scholarship to some school.

Our young people are doing very fine work in their church at Black Mountain. Twelve of our children joined the church and five of our children hold an office in the Sunday School. Cecil Caldwell holds an office in Presbytery Senior High Fellowship. We are very proud of what our children are doing in the Lord's Service.

At the present time we have a staff of eight who have been at the Home for an average of seven years. I think this speaks very well of the Home in the happiness between staff and children. Our Duke report this year made us all feel very good as we found our overall operation of the home was average in comparison to other institutions of this size. We will strive to operate our Home in a most economical way.

The staff and the children are very happy with the interest shown by the Board of Trustees in the operation of the Home and the interest shown by all members of Presbytery.

REPORT OF COMMITTEE ON CANDIDATES

Rev. W. R. Covin, Chairman of the Sub-committee on Candidates, presented the report which was received as information, and the request that Candidates William R. English, Robert W. Hoyer, and Frederick W. Streetman, Jr., be dropped from the Roll of Candidates at their own request was granted, and the Chairman was requested to advise these three young men of Presbytery's continue interest and hope that God will bless and lead them in service of His choosing.

Rev. J. B. Frye spoke of how King College can assist in en-

listing candidates for the Gospel ministry and others into full time Christian service.

The Rev. I. M. Ellis, Synod's Director of Christian Education, gave information about Christian Education within the Synod.

MEMORIAL TO ROBERT L. TORRENCE

By the Rev. Paul F. Warren

Before dawn of day on the morning of August 23, 1961, our Loving Heavenly Father, in His infinite wisdom, called unto Himself our beloved friend and brother, Robert L. Torrence, from a life devoted to God and man to a more glorious and eternal life in the heavens.

A native of Gastonia, North Carolina, Mr. Torrence was born in 1911, the son of Luther E. and Ada Kendrick Torrence. He was married to the former Miss Katherine Younts. To this union were born two daughters, Katie Jo and Karen, and one son, Alan. In addition to these who survive him are two sisters, Mrs. E. Frank White of Asheville, Mrs. H. C. Beatty of Cliffside, and one brother, George Torrence of Gastonia.

Services were held at the Grace Covenant Presbyterian Church, where his family were members, by Dr. Paul F. Warren, pastor, on Friday afternoon, August 25.

Mr. Torrence had been a member of Asheville Presbytery since the summer of 1955, coming to Asheville Presbytery from the First Presbyterian Church, Savannah, Georgia, to be associated as assistant chaplain at the Western Carolina Sanatorium. He later became chaplain of the United Social Services in Asheville, and was also the stated supply of the Etowah Presbyterian Church in Henderson County.

Mr. Torrence graduated from Davidson College in the class of 1932, and from Union Theological Seminary, Richmond, Virginia, in the class of 1935. He was ordained by St. John's Presbytery in Florida in the summer of 1935, and subsequently held pastorates at Brooksville, Inverness, Miami Springs and Orlando, Florida; at Cuthbert, Ga. and the First Presbyterian Church, Savannah, Georgia. He served faithfully and well in the many years of his fruitful ministry in the synods of Florida, Georgia and Appalachia up until the time of his passing on August 23.

Not only was he a beloved and devoted pastor, but he was also an outstanding civic leader in his community. He was an untiring worker in the United Fund, and as chairman of the committee within the Asheville-Buncombe County Ministerial Association having charge of planning devotional services for nursing homes and hospitals. He was a good Presbyterian, a loyal member of the Synod, and has done much to advance the Kingdom of God through the Church's courts.

The Presbytery wishes to record its deep appreciation for the life and ministry of this man who has served so well his family, his Church, and his community; and to express our Christian love and sympathy to his loved ones. The influence of his preaching and of his life will long live in the hearts and lives of many who knew and loved him.

MEMORIAL TO JOHN QUINCY WALLACE

By Ruling Elder S. W. Black

Reverend J. Q. Wallace, member of the Asheville Presbytery, and a resident of Franklin, North Carolina, passed away on August 15th, 1961. Mr. Wallace was born at Noblesville, Indiana, on April 26th, 1876.

The writer has no definite information as to his scholastic training except that prior to his entering Columbia Seminary, he served as a Home Missionary and Sunday School Organizer in Eastern Kentucky under the Board of the Presbyterian Church U. S. A.

He apparently entered Columbia Seminary about the year 1907, at the age of thirty one. Upon the completion of his Seminary Course, he accepted a call to the Bryson City Presbyterian Church in 1910, where he served for three years. He then accepted a call to Franklin Presbyterian Church in 1913, and served according to the record until 1926, at which date he accepted a call to Lockhart, South Carolina, where he served until 1946. He returned to Franklin about 1946, and built a home where he resided the latter years of his life.

Mr. Wallace was married to Ella Alberta Hayes of Gustavus, Ohio, July 12, 1906. Their married life continued until December 4th, 1953, when Mrs. Wallace passed away.

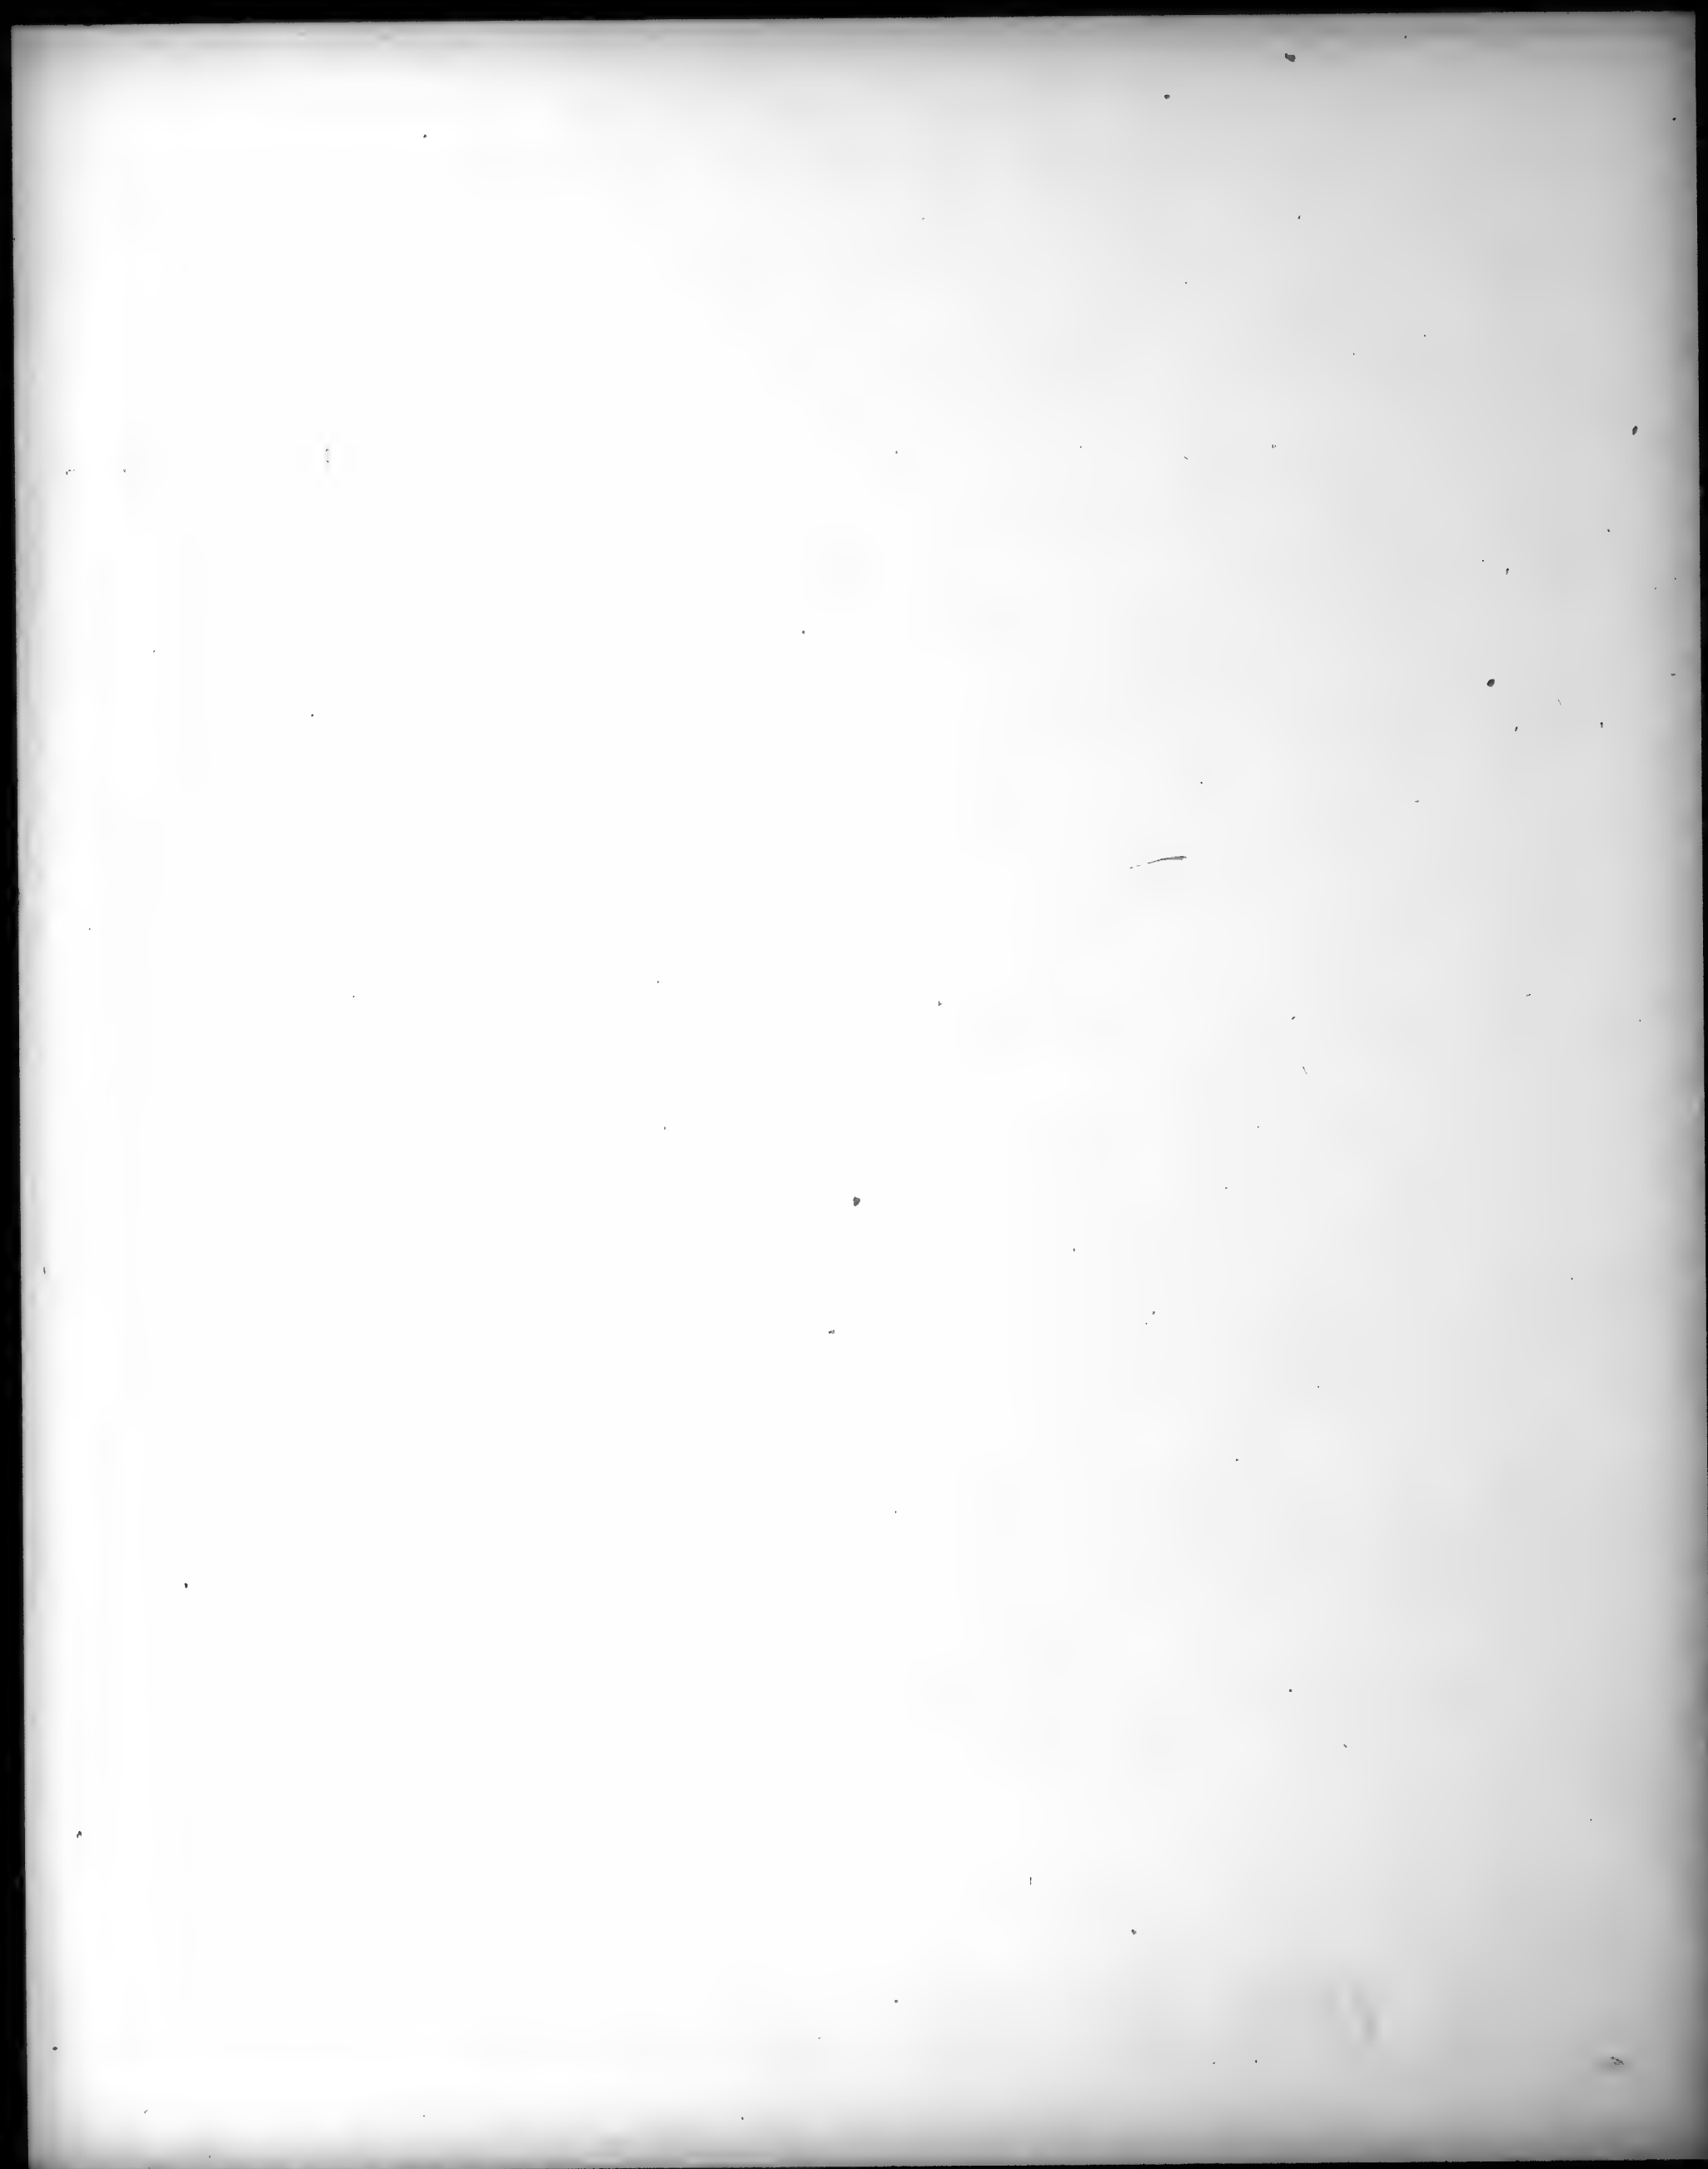

Mr. Wallace's long service with the three churches he served was an eloquent tribute to the devoted service he rendered. He is remembered by those of us who, as members of his congregation, knew him well as a devoted Christian who dedicated his life to the service of the Master.

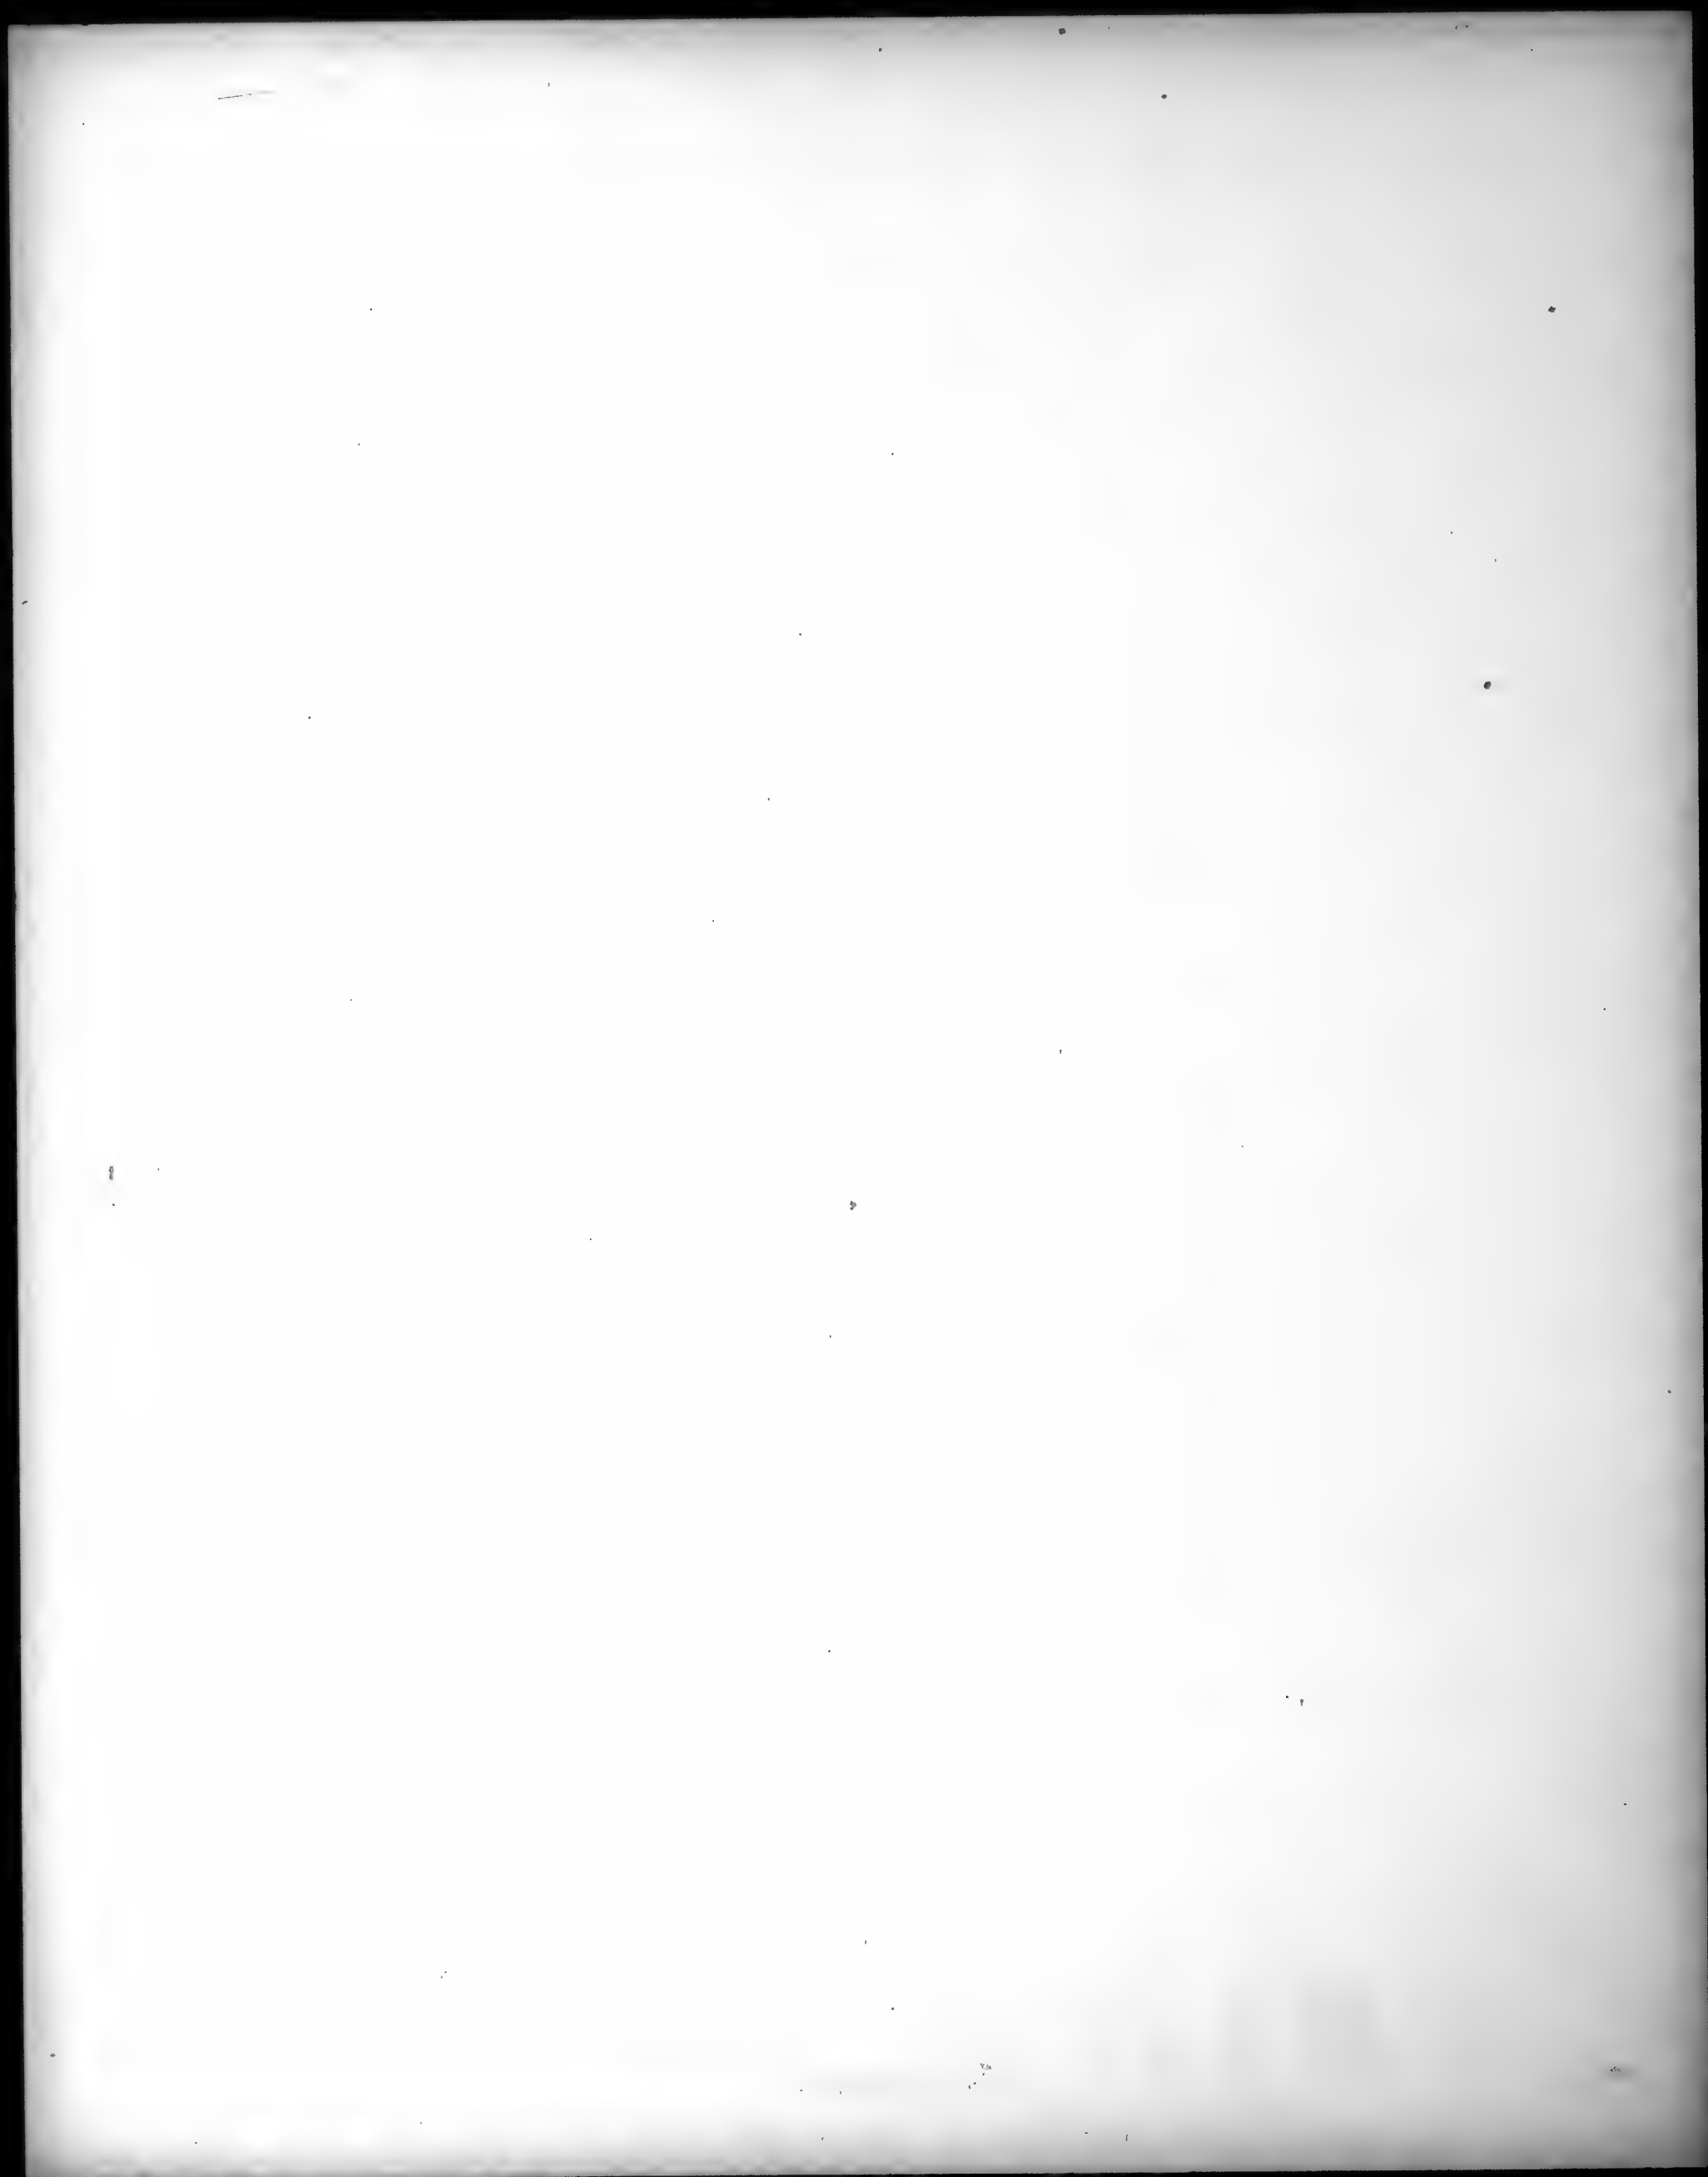

The family of Mr. and Mrs. Wallace consists of seven children of outstanding character and ability. Esther, the oldest daughter, a teacher in the Macon County Public Schools, resided with her father during his declining years. Robert is Principal of Hanahan High School, N. Charleston, South Carolina. Margaret (Mrs. C. A. Isbill, Jr.) is a resident of Miami, Florida. Myrtle (Mrs. F. L. Mims) is a teacher in the Fort Mills, South Carolina Public Schools. John is with the John Hancock Life Insurance Company of Boston and resides in Dedham, Mass. Mary Jo (Mrs. Gerald D. Ghent) is an office worker in the Vocational Rehabilitation Office in Rock Hill, South Carolina. Barbara Wallace is a teacher in the Public Schools of Mount Pleasant, North Carolina; a family of fine outstanding men and women occupying positions of importance as valuable American citizens.

As a final tribute, let me say that J. Q. Wallace was one of my truest and most valued friends during the many years we served together as members of Asheville Presbytery.

(c) We believe that they are an accurate and trustworthy account of all actions of Asheville Presbytery for 1961. (d) They are so arranged as to be very useful for reference. Very noteworthy are (1) The complete index in each copy. (2) The full directory of Presbytery. (3) The roll of ministers and of the Churches with their Clerks of Sessions

The Rev. E. B. Whitson, Secretary of the Committee on Evangelism stated that there was no report.

The Rev. W. R. Aughinbaugh, Chairman of the Committee on Home for Senior Citizens, stated that there was no report.

REPORT OF CHURCH EXTENSION COMMITTEE

The Rev. W. G. Thomas, Chairman of Presbytery's Church Extension Committee, presented the report. The financial statement was received as information and the report adopted.

CHURCH EXTENSION

During the church year of 1961 your committee has endeavored to fulfill the responsibility entrusted. The members of the committee have been faithful in their attendance and diligent in the performance of the assigned tasks.

Your committee has distributed approximately \$44,000 to the cause of Church Extension in Asheville Presbytery. \$14,000 came from the Assembly's Board of Church Extension and approximately \$30,000

from the churches of the Presbytery. The \$44,000 has been used to supplement salaries, to assist in the erection of church buildings and manse; and to promote the cause of church extension in various ways.

We have an excellent group of pastors, stated supplies, and occasional supplies serving in the churches receiving aid from your committee. We are justly proud of each one.

During the year the Rev. James M. Earhart, Ass't Secretary in the Department of Survey and Church Location of the Assembly's Board of Church Extension, made a survey for the needs of Presbyterian Churches in Asheville Presbytery. Copies of this survey have been made available to the members of your committee and a study is being made for future development within our Presbytery. The survey indicates that over the next ten year period there will probably be opportunities for ten or eleven new churches. Your committee is endeavoring to make adequate plans to meet the challenging opportunities.

During the 1961 Winter Meeting of Presbytery unanimous approval was given for the formation of A Church and Manse Erection League, based upon membership agreeing to respond to not more than four calls per year, for amounts to be indicated by each member thereof. The appeal was made for members during the 1961 Church Extension Season (May). The response was not every encouraging, and, according to the direction of Presbytery (see Minutes of Presbytery, Winter 1961, page 26, recommendation Number 3), the securing of new members will be a major emphasis of the Church Extension Season in 1962.

Your Committee is planning for a Presbytery-wide meeting to be held during the month of March for the purpose of presenting the challenge of Church Extension in our Presbytery and to make plans for the 1962 Church Extension Season. The details of this meeting will be announced at an early date.

Your Committee is recommending to the churches receiving aid that a series of Evangelistic Services to be held during 1962, with special emphasis on Profession of Faith. The committee suggests that Presbytery's Committee on Evangelism be asked to work out the details.

Your committee has been requested to make available to the Presbytery the salaries provided for the pastors of the Home Mission churches as well as the other benefits. We can make it available if it is desired by Presbytery.

Your attention is called to the recommendations listed in the 1961 Minutes of the General Assembly (pages 56-57) concerning Church Extension, as well as, the recommendations listed in the 1961 Minutes, (pages 20-21) of the Summer Meeting of Asheville Presbytery.

COMMISSION ON MINISTER AND HIS WORK

The Rev. B. F. Ormand, Chairman of the Commission on the Minister and His Work, presented the report which was adopted.

We recommend that the following churches be given permission to change the call to their pastors in reference to salary, effective January 1, 1962; and that the churches be commended. In addition, we urge every church to review the matter of their Pastor's Salary each year:

That Presbytery's Council be requested to place the Office of the Executive Secretary in the budget which it will recommend to Presbytery at its Winter Meeting, the sum of \$17,000. 3. That Presbytery's Council be asked to study the advisability of making the expense of maintaining the Office of the Executive Secretary an item of Current Expenses (to be covered by Presbytery's tax) rather than benevolences.

The Rev. B. B. Breitenhirt, Chairman of Presbytery's Council, made the report which was adopted with all recommendations. The Reverends A. A. Gardner, B. F. Ormand, and P. F. Warren recorded their negative vote on recommendation 14.

PRESBYTERY'S COUNCIL

Presbytery's Council is gratified that the churches of Asheville Presbytery have increased their giving to budgeted benevolences from \$163,413.79 in 1960 to \$184,855.84 in 1961. This substantial increase, which should bring rejoicing to all persons interested in the church, undoubtedly is due to fine leadership in the local churches by Pastors, Ruling Elders, and Deacons as they stress the stewardship program of our church and the stewardship teachings of the Bible. As we stress stewardship of life, we do not merely bring increased giving of money but we bring our people to a richer and more fully dedicated Christian life.

While there is gratitude for such an increase in giving, we should all keep in mind that we failed to reach the needs of benevolences from our Presbytery for General Assembly, Synod, and Presbytery causes.

May our growth and efforts in stewardship continue in ensuing years that we may give one hundred percent of all askings of Presbytery, Synod, and General Assembly.

We are glad to report that each cause was closer to receiving its share during 1961 than in any preceding year.

All but two churches in Presbytery contributed to undesignated benevolences in 1961. It is sincerely hoped and confidently expected that all churches will contribute to undesignated benevolences in 1962. This confidence is based upon the fact that one of these two churches has already gone on record as planning to give to undesignated benevolences in 1962 twenty percent of their total receipts (exclusive of Building Funds) and the other church is definitely considering giving regularly to undesignated benevolences in 1962.

We would express our sincere appreciation to the ministers and other men who worked so diligently as Every Church Canvassers in presenting the cause of benevolences to our church. We would likewise express our gratitude to the churches for their co-operation and their cordial reception of these Canvassers.

Our Council had a request from Presbytery's Committee of Christian Education that a Capital Funds Campaign be conducted for \$150,000 to be used in developing Presbytery's Camp Site. A request also came for a campaign for a similar amount from Presbytery's Committee of Church Extension to make possible a real Church Extension program in the Presbytery. At the request of Council, two professional fund-raisers came to Asheville to discuss such a campaign. With the General Assembly planning a Capital Funds Campaign in 1963 for an amount estimated to be in the neighborhood of \$25,000,000, it was felt that Presbytery should do nothing that might interfere with this major effort of the General Assembly. We had Dr. James G. Patton, Executive Secretary of the General Council, to meet with our Council on December 7 to discuss the advisability of a campaign in Presbytery for Christian Education and Church Extension. As a result of this meeting it was decided to postpone any possible recommendation until the meeting in March of the General Assembly's Committee which is conducting the Assembly's Capital Funds Campaign. We bring this information to Presbytery that you may know that we have had under consideration the request of these two Committees.

Our recommendations once again are concerned primarily with the promotion of stewardship principles and teachings rather than with the mechanics of budgets as we believe in this way only will we be able to meet the needs of benevolences. We feel that the greatest service which we can render as a Council will be in promoting the Scriptural standards and principles of giving. We interpret this to be in line with the thinking of the General Council and of the General Assembly.

We recommend:

1. That Christian Stewardship be promoted not merely as a means of raising money to support the Church but as a way of life in which one acknowledges that all that he possesses has been given to him by God to be used in His service.
2. That tithing — giving a tenth of one's income to the Lord — be taught not as a law which the Christian must obey in order to find favor with God but as a divinely revealed minimum standard of giving to which the Christian should give prayerful consideration when determining how much he will give to support the Church and Christ's work in the world.
3. That all Pastors, Ruling Elders, and Deacons be urged to strive diligently to develop the grace of liberality in the members of the church — not by precept alone but through their own liberal and sacrificial giving and by their enthusiastic support of all causes of the church.
4. That in every Church stewardship be stressed throughout the year and not merely during the Stewardship Season.
5. That the ministers of Presbytery use the General Assembly Calendar of monthly emphases, special weeks and days as a suggested prayer calendar and remember weekly in their pastoral prayers the causes and agencies listed and those who serve the Church through them. Also those who labor in other agencies as well as in Synod's and Presbyteries' agencies should be remembered.
6. That each church recognize its responsibility to see that it meets its promised support of undesignated benevolences.
7. That each church remit to the Central Treasurer on or before the 10th of each month its adopted percentage for benevolences and that this contribution to benevolences be the first responsibility to be paid by the church treasurer each month.
8. That Presbytery authorize and direct the Council to conduct an Every Church Canvass in the early fall.
9. That each Church appoint one of its strongest leaders as Director of the Every Member Canvass early in the spring.
10. That our churches observe the Stewardship Emphasis Season as set by our General Assembly, beginning October 1, 1962 and continuing through November 18; that Nov. 11 be observed as "Dedication Sunday" for the Every Member Canvass; and that the theme of the Canvass be "First They Gave Themselves."
11. That a special Easter Offering be taken for alleviating suffering and need in the name of Christ throughout the world.
12. That it be recognized that a Supplemental Offering is an offering to a budgeted cause and that a special offering is one for work not in the budget of any agency.

13. That the Christian Education Committee be given permission to borrow up to \$15,000 for camp development with the understanding that this will be paid back from an allotment of \$6,000 asked annually for three years for camp development purposes.
14. That the principles adopted by Presbytery at its adjourned meeting on February 9, 1961 be used in the distribution of benevolences in 1962.
15. That the following budget for the distribution of 1962 anticipated gifts be approved:

		% of Total Budget
ASSEMBLY'S CAUSES		
World Missions	\$35,365	17.7
Church Extension	10,250	5.1
Christian Education	4,900	2.45

WORLD MISSIONS

The Rev. J. L. Jackson, Chairman of the Committee on World Missions, presented the report which was received as information and the recommendations were adopted and are as follows:

1. That every Church in the Presbytery be urged to observe in a meaningful way the Week of Prayer and Self-Denial, February 25-March 4, using the literature sent out by the Board of World Missions.
2. That every Church be urged to receive a supplemental offering for World Missions on March 4 (or on some other Sunday, if it seems more convenient) using the special envelopes prepared for that purpose.
3. That pastors and sessions invite missionaries on furlough to speak in their churches whenever possible, either during the World Mission Season or at any other time that they are available.
4. That Churches be reminded of the splendid motion picture films and film strips on World Missions which are available from TRAV, Audio-Visual Department, Box 1176, Richmond 9, Virginia.
5. That pastors and sessions be asked to consider the possibility of planning a School of Missions, using the mission study books for the different age groups, which can be secured from the Educational Department, Board of World Missions, P. O. Box 330, Nashville 1, Tennessee.
6. That Churches be urged to encourage choice young people and adults to attend the World Mission Conference at Montreat, July 26-August 1, 1962.
7. That Pastors be asked to preach from time to time on the great cause of World Missions.
8. That Pastors be urged to challenge choice youth and young adults to consider God's call to serve in some capacity as missionaries in whatever field He might direct them. This challenge can be made through preaching and by personal interview.
9. That Churches be ever mindful of the need for the partial or full support of single missionaries or couples, on the part of individual churches or individual persons with financial ability.

REPORT OF STANDING COMMITTEES

BILLS AND OVERTURES. The Rev. R. L. Sommers, Chairman of the Bills and Overtures Committee, presented the report. Presbytery voted down the report and approved the following Overture:

OVERTURE

WHEREAS the *Layman's Bible Commentary* consistently disparages the historical accuracy and editorial integrity of the Scriptures, assigning to them legends (VI, 69, 83; XIII, 91), fabrications (VI, 76; XIII, 108, 110), falsehoods (XIII, 97), theological embellishments by later editors (VI, 9, 91, 82), epic sagas (VI, 7; XXX, 102), prophecies composed after the events prophesied (VI, 86; XVI, 106), erroneous teachings concerning God (VI, 26, 50; I, 23, 24); and

WHEREAS the *Layman's Bible Commentary* consistently proposes a theology which is contrary to the Confession of Faith and the Constitution of the Presbyterian Church, US, teaching, for example, that all men shall be saved whether in Christ or out of Christ (XVI, 77, 131-132, 127; XXI, 46, 48-49);

NOW THEREFORE the Presbytery of Asheville respectfully overtures the General Assembly of the Presbyterian Church, US, to instruct the Board of Christian Education to provide stronger editorial safeguards in the publication of further volumes of the Commentary; if necessary suspending publication until such editorial safeguards can be provided.

JUDICIARY. The Rev. C. C. Theilman, Chairman of the Judiciary Committee, reported that no business was placed in their hands.

RESOLUTIONS. The Rev. J. L. Jackson, Chairman of the Resolutions Committee, presented the report which was adopted. 1. That we express our grateful appreciation to the pastor and members of the Arden Church for the warm hospitality shown the members of Presbytery, and especially to the ladies for their delicious meal. 2. That we

thank the Rev. Joseph B. MacLeod for his splendid address on Christian Education; and the Rev. Ben F. Williams for his message on Vocational Guidance.

SESSIONAL RECORDS

The Rev. R. A. Potter, Chairman of the Committee on Sessional Records, made the report which was adopted.

Your Committee approved the Minutes of 18 churches without exception: Andrews, Arden, Brevard-Davidson River, Bryson City, Canton, Franklin, Grace Covenant, Hazelwood, Highlands, Malvern Hills, Murphy, Oak Forest, Swannanoa, Sylva, Waynesville, Weaverville, West Asheville. EXECUTIVE COMMITTEE OF CHRISTIAN EDUCATION REPORT TO PRESBYTERY

10 APRIL 1962

The Christian Education Committee submits the following report for information and guidance:

1. *Covenant Life Curriculum Seminars and Adult Workshops:*

The moderators of both the Synod of Appalachia and the General Assembly have sent letters to all ministers concerning the importance of preparing our local churches for the Covenant Life Curriculum. In order to understand this educational movement of the Presbyterian Church, U. S., a series of Adult workshops and Covenant Life Seminars have been scheduled throughout the Synod this Spring and Fall. Your attention is directed to the following opportunities for Asheville Presbytery:

June 11-15—Five Day Adult Workshop at King College: Each Presbytery in the Synod is requested to send 15 selected leaders to this workshop. Expenses will be borne by Synod while at the Workshop; travel expenses by Presbytery. While this workshop does not consider the Covenant Life Curriculum in any detail, it is built on the same principles and is a major step in the preparation of the Church for the new Curriculum. The Workshop is designed primarily to provide training and leadership for the 12 hour Adult Workshops to be held in our Presbytery this Fall. The leadership staff is as follows: Director, Rev. Richard P. Keeton, Kingsport, Tenn.; Leaders, Rev. William M. Ramsay, Richmond, Virginia; Rev. William H. Boyd, Richmond, Va.; Mrs. Edward A. Schettler, Knoxville, Tenn.; Rev. Marvin K. Compber, Elizabethton, Tenn.; Rev. Joseph L. Auten, Asheville, N. C.; and Dr. Holmes Rolston, III, Bristol, Va.

Sept. 17-19—Covenant Life Seminar at Montreat: This Seminar is for all active ministers and full time workers in the church of Asheville Presbytery. The importance of every minister attending this seminar (or one of the other three provided) cannot be overstated. The following is quoted from the letters mentioned above:

"... The time has now come to ask our ministers and church people to look carefully at the new curriculum which is being proposed. The Covenant Life Curriculum represents a serious effort to deal with a serious need. The need which we face as a church cannot be solved merely by mailing packages of literature, however different, however improved the literature might be..." (Wallace M. Alston, Jan. 10, 1962)

"... It will be absolutely essential, if you are to be 'in the know' as to what the Educational Arm of your church offers for the future, that you attend one of the Seminars. No minister, from lack of knowledge, would want to hold back this strategic, potentially effective program, that will affect the whole denomination..." (William H. McCorkle, Feb. 21, 1962)

If for any reason you will be unable to attend the Seminar at Montreat, the dates and places of the three others are as follows: Holston

Presbytery Camp, May 14-15; Knoxville Presbytery Camp, May 15-16; and King College, September 3-5.

October 1962—12 hour Adult Workshops: Your Committee on Christian Education has scheduled five 12 hour Adult Workshops during the month of October. These 12 hour workshops are designed to bring our local leaders together for an experience in effective work with groups and effective communications of the Christian faith as preparation for the introduction of the Covenant Life Curriculum in the local church. The dates and places are as follows:

Oct. 5-6; Camp Dellwood (Waynesville)
Oct. 12-13; Montreat
Oct. 13-14; Camp Dellwood
Oct. 19-20; Campsite at Hayesville
Oct. 26-27; Camp High Rocks

Future Opportunities: During 1963, there will be scheduled additional workshops and "Curriculum Previews." You will receive information concerning these as the dates and plans are finalized.

2. *Camp Site Development:*

Your committee on Christian Education reports progress on a development plan for our Camp-Conference Site. The architect and engineer have finished a one-foot contour map of the construction areas. A small lake has been designed and the road will be located and staked in the near future; whereupon bids will be invited for road construction and lake construction. Carolina Power and Light Company is working on plans for electrical service. A water supply will be developed and canvas facilities provided for day camping and work camps this summer and for resident summer camping in 1963. A brochure will soon be published and gifts will be sought for construction of permanent buildings in the near future.

3. *Senior High Conference and Pioneer Camps:*

The dates and places for the Senior High Conference and Pioneer camps for 1962 are as follows:

Sr. Hi Conference:—Montreat, June 6-9; Rev. Bob Gray Director.

Pioneer Camps:—Camp Holston, Banner Elk; July 4-11 and July 23-30; Rev. Richard Sommers, Director.

As far as possible, the directors will use laymen to staff the leadership of both the conference and camps.

Recommendation: In order that we may provide adequate Christian leadership for the Conference and Camps, your committee recommends that Presbytery approve the following assignment of ministers to be prepared to serve in the Conference and Camps with the understanding

that he will not be expected to serve if not called upon by the directors by 15 May 1962:

REPORT OF PRESBYTERY'S COUNCIL

The Rev. B. B. Breitenhirt, chairman of Presbytery's Council, presented the report which was adopted with the recommendations:

PRESBYTERY'S COUNCIL

Your Council is glad to report that Presbytery's giving to budgeted benevolences of General Assembly, Synod, and Presbytery in 1961 exceeded such giving in 1960 by \$22,448.

We still have far to go, however, before we can feel that we have even begun to do our share in carrying on the work of Christ beyond our local congregations.

The per capita giving throughout our General Assembly is substantially exceeded by such churches as the Church of the Nazarene, Church of God (Anderson, Indiana), Seventh Day Adventist, and others. Our record is not one in which to take pride. When it comes to Asheville Presbytery, the picture is even worse for we stand far down the line

in per capita giving — 54th among the 83 Presbyteries. The percentage increase in total giving throughout the Assembly for 1961 was 3.39% while that in Asheville Presbytery was only 1.70%.

This report is being given at Presbytery to those persons who are responsible for the stewardship program of our churches and for doing something about this discouraging picture on the part of the churches of Asheville Presbytery. Sessions, working with and through their Board of Deacons, should make training in all phases of Christian Stewardship a matter of first importance with their congregations. Part of the necessary growth of the Christian is his growth in stewardship. This calls for programs of education and training which will lead to an understanding of the true motives of Christian giving and appeals to these motives that the "grace of liberality" may truly be developed. This growth of the individual member in his understanding of and commitment to the total mission of the Church is a responsibility of the Session. The individual, the congregation, and the denomination as a whole benefit as the Session leads the people into more generous giving. The member's own spiritual welfare and growth, the strengthening of the worship and work of the local church, and the undergirding of the benevolence program which maintains and extends the Church through the agencies of the Presbytery, Synod, and General Assembly, all depend upon this educational effort.

May we as officers of our church determine to do something about our failure in the field of Christian Stewardship which in turn means a failure in all work of the church which depends upon adequate financial support.

We recommend:

1. That an Every Church Canvass be conducted during the period, September 1 - October 15, and that every Church be asked to invite an Every Church Canvass team to present the benevolence program of the church to a joint meeting of Elders and Deacons and that each church today designate the desired date for this meeting.

2. That the Every Church Canvass this year be used (a) to appeal to church officers to become tithers and to teach tithing to the members of their churches; and (b) to encourage church officers to devote an increased percentage of the budgets of their churches in benevolences in 1963.

3. That Church officers use "From Theology to Stewardship" in their study of the tithe. Copies of this booklet may be secured free of charge from the General Council in a quantity equal to the number of elders and deacons in the Church.

4. That each Session assume responsibility for advising, instructing, and training church members each year through the Every Member Canvass and a program of year-round stewardship education.

5. That in the Every Member Canvass each individual member be asked to (a) give prayerful consideration to the Biblical standard of the tithe as his minimum goal for giving to the church; and (b) adopt the tithe as a minimum goal and begin to move toward it by increasing in 1963 the percentage of his income which he gives to the church.

6. That congregations seek to increase their giving to benevolences at a rate at least equal to the anticipated increase in their giving to current expenses, making every effort to increase regularly the proportion of their total receipts (excluding building and fund receipts) given to budgeted benevolences.

7. That congregations recognize that the General Assembly authorizes supplementary offerings as a means of enabling local churches to increase their support of Assembly's agencies and should not be used as a means of strengthening one agency of the Church to the neglect of other areas.

8. That Churches give to the General Assembly's Capital Funds Campaign in 1963 through the solicitation of over-and-above gifts and not by including the goals for this Campaign in their benevolence budgets.

9. That each Church forward its gifts for benevolences by the 10th of each month to the Central Treasurer for a division on the basis approved by the Presbytery since the work of the whole denomination is an obligation of each Presbyterian Church.

10. That Presbytery authorize its Council to make specific requests of individual churches not conforming to recommendation No. 9.

11. That the Presbytery Tax for 1963 be set at 58c.

12. That the following benevolence budget for 1963 be adopted for presentation to the Churches of Presbytery, the proposed budgets for General Assembly and Synod causes being our proportionate share as approved by the Synod at its meeting in June and the proposed budgets for Presbytery causes being those submitted by the Presbytery's agencies and approved by Council:

REPORT OF MANUAL COMMITTEE

The Rev. B. B. Breitenhirt, chairman of the Manual Committee, presented the report which was adopted:

SPECIAL COMMITTEE ON PRESBYTERY'S MANUAL

The special Committee on Presbytery's Manual has been asked by Presbytery to re-arrange the docket so that the length of all stated and adjourned meetings of Presbytery will be approximately the same. We have also been asked "to make a study of Presbytery's Manual in reference to the election of Commissioners to the General Assembly and to present recommendations that will bring the Manual in harmony with the Book of Church Order."

Relative to the request for us to rearrange the docket, we make the following recommendations:

Substitute for Amendment I found in the 1961 Winter Meeting the following:

Paragraph 4 to read as follows: "These meetings shall ordinarily convene at 10 A. M. and each Stated Session shall be opened with a Sermon and a Communion Service shall be celebrated in April and October."

Substitute for first sentence of Amendment III. PERMANENT COMMITTEES (Manual, page 14) the following: "There shall be a Permanent Committee for the General Assembly Board of World Missions, the General Assembly Board of Annuities and Relief, the General Assembly Board of Women's Work, one for the General Fund Agencies, one on the Office and Work of the Executive Secretary of Presbytery, and one for each of the following causes, Evangelism, Ministers' Salaries, The Minutes of Church Courts, Presbyterian Foundation, North Carolina Council of Churches, Sessional Records, and Nominations."

Under "The Board Committees", page 2 of "AMENDMENTS TO MANUAL SINCE SEPTEMBER 1958", strike out "Church Extension" and "Christian Education" to bring it into conformity with the change proposed under "III. PERMANENT COMMITTEES" above.

Substitute on page 10 of the Manual, Committee of Church Extension, last sentence the following: "The Committee shall keep the Presbytery informed of the program and work of the General Assembly's Board of Church Extension, offer recommendations concerning same, promote the cause of the Board in the churches of Presbytery, and bring any other matters before the Presbytery as may seem wise from time to time."

Add . . . on page 12 of the Manual following B) under "Sub-Committee on Christian Education" the following: "C) Keeping Presbytery informed of the program and work of the General Assembly's Board of Christian Education and Synod's Christian Education Committee, offering recommendations concerning same, and promoting these causes in the churches of Presbytery."

Concerning the nomination and election of Commissioners to the General Assembly, we propose the following:

"The nominees (the number nominated under this point system to be equal to the number of Minister Commissioners which Asheville Presbytery is entitled to have) for Minister Commissioners shall be active ministers of Presbytery who have the largest number of points counted as follows:

1. For the longest period of active service in the Presbyterian Church in the United States — 1 point.
2. For the longest period of service in the Presbyterian Church in the United States since having been a Commissioner to the General Assembly — 2 points.

3. For the longest period of service in Asheville Presbytery since having been a Commissioner to the General Assembly — 2 points.
4. In the event of a tie in points on the basis of (2) and (3) above, the tie shall be broken by granting the point referred to in (1) to the one having been longest in the Presbyterian Church, U. S.

"Following the election of Minister Commissioners, alternates shall be nominated in the same manner."

"Nominations from the floor will always be in order."

"Following the name of each active minister in the printed minutes of Presbytery shall be given the date of his enrollment as a minister in the Presbyterian Church, U. S. and the date of the last General Assembly attended as a Commissioner."

Substitute for Paragraphs 4 and 5 of "Election of Commissioners", Manual page 4, the following:

"All those receiving a majority of the votes cast on the first ballot shall be declared elected, and the names of those receiving the lowest number of votes shall be dropped after each ballot until the number remaining is equal to no more than twice the number yet to be elected. The balloting shall continue in this manner until the required number shall have been elected as Principals."

"All persons nominated as Commissioners but not elected as Principals shall be nominees for Alternate Commissioners with additional nominations from the floor being in order. The balloting shall continue in the same manner as for Principals until the required number shall be elected as Alternates by a majority vote. The Alternates shall become Commissioners in the order of the number of votes received without regard to what Principals may not be able to serve. In the case of a tie vote, a final ballot by the Presbytery shall determine the order in which these names shall appear on the list."

COMMITTEE ON CHRISTIANITY AND HEALTH

The following motion by the Rev. R. L. Sommers was adopted: that Asheville Presbytery appoint a Permanent Committee on Christianity and Health and that the Nominating Committee so set up this committee, reporting to the October meeting of Presbytery as to committee members and change in manual.

COMMITTEE ON HOME FOR SENIOR CITIZENS

The Stated Clerk, the Rev. W. G. Thomas, reported that the Committee on Home for Senior Citizens did not have a report.

REPORT OF STANDING COMMITTEES

BILLS AND OVERTURES: the Rev. D. E. Carlton, chairman, reported that no business was placed in their hands.

JUDICIARY: the Rev. J. C. Lime, chairman, reported that no business was placed in their hands.

RESOLUTIONS: the Rev. J. D. Whitesides, chairman, presented the report which was unanimously adopted: the Presbytery of Asheville expresses its sincere appreciation to the session of Hayesville Church for their cordial welcome and most adequate provisions for this meeting of Presbytery. Our particular expression of thanks goes to the ladies of the church for the preparation and serving of the delicious noon meal. The food was indeed elegant and a sufficiency for everyone. It is further requested that this report be read to the congregation of the Hayesville Church.

REPORT ON MISSIONARIES

On motion by the Rev. R. E. McClure the following resolution was adopted: that every Session in the Presbytery be asked to send to the Stated Clerk, at least one week prior to each quarterly session, a list of the members serving actively in some Foreign Field as missionaries of the Presbyterian Church, U. S., and that the Stated Clerk be requested to provide a period of FIVE MINUTES on the docket of each quarterly session, at which time these names will be read, together with the Min-

isters on the roll of Presbytery who are serving on some Foreign Field, and that special prayer be offered for each of these and their work during the five minutes period.

SESSIONAL RECORDS OF LAKEY GAP

The Rev. W. G. Thomas, Stated Clerk, called attention to the fact that the Sessional Records of the Lakey Gap Church had not been brought to Presbytery. The minister of the church stated that the records would be brought to the next meeting of Presbytery.

DAVIDSON COLLEGE STATEMENT
OF POLICY

The Stated Clerk, the Rev. W. G. Thomas, presented a communication from the Trustees of Davidson College which was ordered printed in the minutes:

A STATEMENT OF POLICY
DAVIDSON COLLEGE

Neither the Charter of Davidson College nor the By-Laws of the Trustees have ever stipulated that race, nationality, creed or class should be a condition for admission to the student body of the institution. Indeed the first charter of the Trustees of Davidson College expressed the earnest desire "to educate youth of all classes without any regard to the distinction of religious denominations, and thereby promote the more general diffusion of knowledge and virtue." The present Trustees of the College would reaffirm the spirit of that first charter, and in so doing would advise the Faculty to consider carefully all applications received from prospective students, and to approve for admission those whom they consider properly qualified upon the basis of such general considerations as character, intellectual and general ability, scholastic interest, loyalty to the ideals of the college, and promise of future usefulness.

SYMPATHY

The Stated Clerk, the Rev. W. G. Thomas, was instructed to write to Mrs. G. B. Talbot expressing the sympathy of Presbytery in the loss of her husband and our late Presbyter.

NEXT MEETING — HIGHLANDS

The invitation of the Highlands Church for Presbytery to meet there on Tuesday, October 9, 1962 at 10:00 A. M. was accepted.

APPRECIATION

The Rev. W. G. Thomas spoke sincere words of appreciation for the many prayers and acts of kindness during recent days in connection with the injury of his daughter, Caroline.

The minutes were read and approved.

MEMORIAL TO REV W. H. ARMISTEAD

MEMORIAL TO THE REVEREND W. H. ARMISTEAD

Prepared by The Rev. C. R. Stegall, Sr.

The Reverend West Humphreys Armistead, a member of Asheville Presbytery, went to be with his Lord, at Daytona Beach, Florida on August 26, 1962 at the age of 77. He had been in declining health for some years.

His parents were Robert Lewis Armistead and Nancy Humphreys. To this union West Humphreys was born on September 24, 1884 in the town of Clarksville, Tennessee.

He attended Southwestern College at Clarksville, where in 1909 he earned his B. A. degree. From there he went to Louisville Seminary in Kentucky where he graduated with the B. D. degree in 1912.

On October 20, 1927 he was married to Miss Lucille Belk, and to this union three children were born: West Humphreys, Jr., Nancy Meriwether (who became one of our missionaries to Brazil and who died there), and Mary Blanton.

His first pastorate was with the Carrollton and LaGrange, Kentucky churches, where he served from the time of his graduation from Seminary in 1912 until 1918, when he entered the Chaplaincy of the U. S. Army and served in France for two years. He was then called to the Owensboro, Kentucky church, where he served from 1920 to 1923. From 1924 to 1942 he was pastor of the Franklin, Tennessee church. He served as Stated Supply for the Mount Pleasant, Tennessee church in 1942 and 1943; Stated Supply for the Montreat church in 1943 and 1944; Stated Supply at Friendship Chapel, Black Mountain, N. C., from 1944 until 1948, at which time he was instrumental in having the Chapel organized as Friendship Church. He was called to be its first Pastor and served until declining health forced his retirement in 1954. The Reverend Armistead was Moderator of the Synod of Tennessee in 1932.

Funeral services were conducted from Friendship Church on August 29, 1962, interment being at Swannanoa. He is survived by his wife and by the children West Humphreys, Jr., and Mary Blanton, and four grandchildren.

Mr. Armistead's life was characterized by a deep humility, a love for people and a devotion to his Lord and his Church. Not only was he admired by the people of his churches, he was held in sincere affection. A member of Friendship Church recently remarked, "When I think of a saint I always think of Reverend Armistead." This expresses the sentiment of all his people. He loved to visit in the homes of the people in the area of Friendship Church, many of whom he won to the Lord, whom he loved so well and served so long. The influence of his life will reach into eternity.

Rev. J. L. Jackson led in a prayer of thanksgiving for the life and ministry of Rev. Armistead and in behalf of his family.

REPORT OF STANDING COMMITTEES

BILLS AND OVERTURES: Rev. R. A. Potter, Chairman, presented the report which was adopted:

Asheville Presbytery is concerned about the restrictions placed on the employment of retired ministers under the present terms of the Ministers Annuity Fund.

We understand that it is possible for a retired minister to receive practically unlimited income from employment other than that directly related to church activities and still receive his full Annuity Benefit.

If this be true, it would appear that the financial status of the assets of the Minister's Annuity Fund are adequate to meet the set payments as due, and that the restrictions regarding employment in activities directly related to the church are serving only to prevent the excessive use or employment of retired ministers. The purpose, it would seem, is to encourage ministers to fully retire so that the church could secure younger men.

The record shows, however, that there are numerous places where retired men can serve, and where their service would be much more effective if they could remain longer than a single period of thirteen weeks in any one year.

Further, there are weaker churches where they could serve in such capacity, if they were permitted to receive a modest remuneration from the field and still retain their Ministers' Annuity Fund benefits.

We are in full sympathy with the Board of Annuities and Relief in their conscientious effort to administer this Fund exactly as required by the terms approved by the General Assembly.

We are equally zealous that the restrictions be removed from the operation of the Fund, so that any minister may serve as he has opportunity and not be penalized by losing any of his Annuity Fund Benefits.

To this end, we respectfully overture the General Assembly of 1963 as follows:

That proper steps be taken to remove from the organizational plan of the Ministers Annuity Fund any reference to further service, or lack of service of a minister in any way whatsoever, and

That the fund be administered strictly, as a retirement insurance program, the amount of the retirement allowance to be calculated solely on the basis of participation by the minister, and the church, or churches, in his behalf with the understanding that he shall enjoy the benefits of The Fund on this basis alone without any reference or limitation whatsoever.

JUDICIARY: Rev. J. D. Whitesides, Chairman, reported that no business was placed in their hands.

RESOLUTIONS: Rev. J. L. Jackson, Chairman, presented the report which was unanimously adopted:

1. That we express our deep appreciation to the Pastor and Session of the Highlands Church for their gracious hospitality.
2. That we thank the congregation for providing such a delicious meal through Mr. and Mrs. Lewis Edwards, members of the church and owners of Edwards Hotel.

WOMEN'S WORK

Rev. E. B. Whitson, Chairman of Women's Work, presented Mrs. Arnold Plummer, President of the Women of the Church of the Presbytery, who presented the report. The report was admitted to record:

The Women of the Church of Asheville Presbytery were challenged during 1962 by our church's theme, "Christian Vocation". In all programs, conferences, study groups and service projects this was kept before us. As women of the church we are grateful to our Lord for the privilege of having a definite part in His work. The Circle Bible Study is, as it always has been, the undergirding feature of women's work, — and it contributes greatly in the life of the whole church. We continue to urge our women to use the moderator plan of study in order to give more women an opportunity to participate in the group. The every member Bible study of First Corinthians, entitled "Not Like Ordinary Men" proved to be a blessing to many congregations.

In the thirty organized groups in Asheville Presbytery there are 3,206 women in 121 circles. These circles meet at various times to suit the needs of the women. The number of night circles, composed mainly of business women and young mothers, has grown steadily, reaching 48 this past year. The morning circles number almost that many, with the afternoon circles being the least in number.

The women continue to support the Presbyterian Home for Children in many ways, — the annual ingathering, clothing or money for clothing each child in the Home, remembering special days in each child's life, entertaining them in the homes at vacation time, etc. Presbyterian women in this area have given more blankets, clothing and money to Overseas Relief than in previous years. Each group prepared and sent generous supplies to White Cross as requested by our

Board of World Missions. All causes of the Church are included in the budget and the study program of each local group. They take an active interest in Friends of the Seminary, Mission Court, Furlough Home and the missionary clothes closet at Montreat. The Florence Calloway Scholarship fund at Stillman College is in each budget. Patricia Brown of Asheville, a senior at Stillman, is the recipient.

Many scholarships and student loans are given each year by the women's groups. We are specially gratified at the interest shown and the support given to missionaries and their work. Eleven women from Asheville Presbytery attended the Synodical Training School in Bristol, — the maximum number so far, — but we are far behind the other Presbyteries on that score. Eighteen negro women attended the Interdenominational Women's Conference in Knoxville last June. Our Birthday offering amounted to exactly \$1,963.00. Many women assisted in the various Covenant Life Curriculum workshops.

Now, as to the forward look: In 1963 the Women of Asheville Presbytery have pledged themselves to study carefully the six subjects handed down to us for study from the General Assembly through the Women's Advisory Council. (Show pastors) They are: Our Unity in Christ, Christian Concern, Christian Witness, Christian Marriage Relationships, Christian Beliefs and Women's Place in the Church. We have definite plans to greatly increase our giving to the Birthday Objectives, Pioneer Evangelism in Brazil and Hospital work in Mexico. Also we plan to contribute substantially toward renovation of the Asheville Presbyterial's memorial room in Assembly Inn.

As Christians and members of the Body of Christ, we seek to improve our devotion and service to Him who is the Head. We are deeply aware of our failures, — many women not reached for Christ and many churches needing adequate leadership, — our failure to put things first while so many women around us are lonely and in need of our concern and help. May we do all things through Christ who strengthens us.

2. That Christian Stewardship be promoted as a way of life in which one acknowledges that all that he possesses has been given to him by God to be used in His service and as the means for properly enlarging every area of the church's work.
3. That tithing continue to be taught as a divinely revealed minimum standard of giving to which the Christian should give prayerful consideration when determining how much he will give to support the Church and Christ's work in the world.
4. That in every Church stewardship be stressed throughout the year and not merely during the Stewardship Season.
5. That each church recognize its responsibility to see that it meets its promised support of undesignated benevolences.
6. That each church remit to the Central Treasurer or or before the tenth of each month its adopted percentage for benevolences and that this contribution to benevolences be the first responsibility to be paid by the church treasurer each month.
7. That Presbytery authorize and direct that a training session for Every Member Canvass directors be held this spring or early summer.
8. That Presbyterian authorize and direct the Council to conduct an Every Church Canvass in the early fall.
9. That a special Easter Offering be taken for alleviating suffering and need in the name of Christ throughout the world.

10. That churches give to the General Assembly's Capital Funds Campaign through the solicitation of over-and-above gifts and not by including the goals for this campaign in their benevolence budgets.
11. That the following budget for the distribution of 1963 anticipated gifts be approved:

If this method proves satisfactory, your committee would like to continue using the check list, with some possible changes as may deem wise. The report and the recommendation was adopted:

Your committee approved of the minutes of 20 churches without exception: Andrews, Arden, Asheville 1st, Bethel C, Black Mountain, Britains Cove, Franklin, Friendship, Hazelwood, Hendersonville, Ivy

Park, Malvern Hills, Montreat, Morrison, Oak Forest, Sylva, Waynesville, Weaverville, West Asheville, Westminster.

1. No record of election of representatives to Synod, or Presbytery
2. Place of meeting not mentioned.
3. No statistical report.
4. No record of meetings opened and/or closed with prayer.
5. No record of approval of minutes.

STANDING COMMITTEES

BILLS AND OVERTURES: Chairman, Rev. J. H. Skelton, presented the report which was adopted as amended.

THE PRESBYTERY OF ASHEVILLE, of the Presbyterian Church in the United States, representing Presbyterian churches throughout the area of Western North Carolina, hereby records its great concern over the mounting evidence of moral decadence in our nation's life reflected in the flood of salacious and pornographic material to which both young people and adults are being subjected.

Most especially do we deplore the continued use of the United States mails for the dissemination of salacious and pornographic literature, despite action taken by postal authorities seeking to curb such use.

From earliest times the decadence of civilizations has been paced by an excessive preoccupation with sex and pornography. We believe that human nature is always tempted to immorality and that mankind, left to its own devices, will always turn to evil. There will always be a ready market for salacious material, wherever or however available.

The public appetite should not be allowed to become the measurement of public morals. Unless informed and controlled by an enlightened public conscience, the standards of public decency and morality invariably will be lowered by the demands of immoral and depraved human appetites and the equally immoral and depraved business practices of those willing to satisfy those demands for a price.

We urge legislative and law enforcement agencies everywhere to attack this problem wherever it appears as the social evil it is, if necessary enacting legislation to curb the further production and dissemination of pornographic material, especially among young people.

DONE THIS 9th day of April, 1963, in regular session of the Presbytery; and ordered sent to the appropriate state and national representatives, to the Postmaster General, and to the church and secular papers, and that a copy of this be sent to the General Assembly as a communication.

JUDICIAL: Rev. R. E. McClure, Chairman, reported that no business was placed in their hands.

RESOLUTIONS: Rev. H. B. Dendy, Chairman, presented a report which was unanimously adopted:

Asheville Presbytery hereby expresses its appreciation for the splendid entertainment given to Presbytery by the Mills River Church at its 1963 Spring Meeting. The Pastor, Ruling Elders, Women of the Church, and other members have all been most cordial and kind. We congratulate this church on the wonderful improvements made in their church buildings. We rejoice with them in the fact that the church has now gone to self-support and in the progress in benevolent giving.

We express our appreciation for the delicious meal served by the Women of the Church.

CHANGE IN MANUAL

The Manual was changed by striking out, "the docket of the Spring Meeting shall provide an hour for the elected Commissioners to the General Assembly to present to Presbytery the most essential items which will be considered by the next General Assembly meeting".

REPORT OF PRESBYTERY'S COUNCIL

Rev. B. B. Breitenhirt, Chairman of Presbytery's Council, presented the report of the Council. The report and recommendations were adopted as amended:

The Council is glad to be able to report that Asheville Presbytery in 1962 increased its giving to budgeted Benevolences of General Assembly, Synod, and Presbytery by \$23,084, going from \$185,510 in 1961 to \$208,594 in 1962. While this is an increase of 12.4% we still have far to go in closing the gap existing between our giving and the actual needs. All causes in the General Assembly, Synod, and Presbytery have been asked to keep their askings as low as possible and yet carry on the work expected of them until the giving of our churches catches up with the askings and needs of the various causes. The General Assembly Agencies adhered closely to this policy increasing their askings by only 1.7% while the Synod actually decreased its askings by 6.4%.

The following facts were listed:

- a. Asheville Presbytery in its total giving was listed 55 among the 80 Presbyteries.
 - b. Asheville Presbytery's per capita giving was \$98.67 compared with \$106.96 in the General Assembly which includes some Presbyteries which are exceedingly poor financially.
 - c. 23 churches (including some of our largest and most capable ones) out of 34 gave less per capita than the Assembly average.
 - d. Only one church in the Presbytery gave more to Benevolences than to current expenses, but this was not true of its gifts to budgeted Benevolences.
 - e. 3 churches did not make any remittance for Benevolences during the first 5 months of this year, 5 made only one, 2 made only two, and 2 others made only three. Presbytery's recommendation was that each church remit monthly.
 - f. Only 8 pastors attended the Every Member Canvass Training Session which was held on June 17 even though Presbytery had urged all pastors to attend.
 - g. Only 14 churches were represented at the Training Session by Ruling Elders or Deacons.
- (On a little more encouraging side we would include the following facts:)
- h. In 1961 in the percentage of our churches having an Every Member Canvass, we ranked 42nd among the Presbyteries; but in 1962 we rose to rank 20th.
 - i. We climbed one notch in percentage of askings accepted by Presbytery but this was going only from 40th to 39th among the Presbyteries.

RECOMMENDATIONS

1. That Presbytery adopt for 1964 the theme, "Thanks Be To God", as recommended by the General Assembly, that Presbytery adopt the calendar of the General Assembly for Stewardship Emphasis Season for 1964 (October 9 - November 15, 1964), and that November 8 be designated "Dedication Sunday" for the Every Member Canvass.
2. That the churches make full use of the brochure setting forth the causes of Assembly, Synod, and Presbytery as prepared for the Every Member Canvass and amended by Synod's Council.

3. That Presbyteries use the Every Church Canvass in 1964 to:
 - a. Appeal to church officers to become tithers and to teach tithing to the members of their churches.
 - b. Inform church officers about the Benevolence program of the Church and encourage them to devote an increased percentage of the budgets of their churches to Benevolences in 1964.
4. That churches use the revised *Every Member Canvass Manual* published by the General Council to conduct Every Member Canvasses in which every family in the congregation is reached and each individual member is asked to:
 - a. Give prayerful consideration to the tithe as his minimum goal for giving to the Church.
 - b. Adopt the tithe as a minimum goal and begin to move toward it by increasing in 1964 the percentage of his income which he gives to the Church.
5. That we recognize the askings of the Assembly and Synod to be bare minimum amounts to fulfill their needs. (The General Council has stated: "The Assembly budget shows an increase of \$163,000.00, or 1.7%, over the 1963 budget. The budget is held to a minimum because of the policy of the General Council to close the gap between askings and receipts. We believe, however, that the Church should know that requests for increases of \$572,000.00 were denied. These requests, in the opinion of the Budget and Stewardship Committee, were all valid and sorely needed. We sincerely trust that the Church will meet these needs without an increase in the budget.")
6. That the budget presentation caption be revised to read "Ministerial Relief Administered by the Board of Annuities and Relief."
7. That the Church be reminded of the fact that the amount in the budget for the Board of Annuities and Relief is less than their needs and less than the amount appropriated by the Board for Ministerial Relief. In order to maintain the present appropriations to retired ministers, it is necessary that the Joy Gift be increased.
8. That churches recognize that a supplemental offering is not an over and above offering, but an offering used to complete the budget of the agency for which it is recommended and that supplemental offerings for the following agencies of the General Assembly be approved for 1964:
 - a. The Board of World Missions.
 - b. The Board of Christian Education.
 - c. The Board of Church Extension.
 - d. The Board of Annuities and Relief for use in Ministerial Relief.
9. That churches recognize that a Special Offering is an over and above offering for work not in the budget of any agency and that a Special Offering be approved for the Department of Overseas Relief and Inter-church Aid of the Board of World Missions to be received on Easter, March 29, 1964.

10. That churches remit monthly the agreed percentage of their current receipts, making the contribution to Benevolences the first responsibility to be paid by the church treasurer each month.
11. That Presbytery commend for careful study by the churches all recommendations of the General Assembly on Stewardship in the 1963 Minutes.
12. That each church recognize its responsibility to see that it provides the full amount of its apportioned share of the support of each agency represented in the Assembly's budget, as well as each agency represented in Synod and Presbytery budgets, before making over and above gifts to any causes (Reference is hereby made to Council report to the 1963 General Assembly recommendations 10, 11, 12 a and b).
13. That congregations seek to increase their giving to benevolences at a rate at least equal to the anticipated increase in their giving to current expenses, making every effort to increase regularly the proportion of their total receipts (excluding building fund receipts) given to budgeted benevolences.
14. That we recognize that our low standard of giving is due not to our lack of ability but to our lack of interest and willingness to sacrifice. As was said at the Area Stewardship Conference in Charlotte, "Present day stewardship is simply the willingness to live at a little lower standard of living than might otherwise be possible, for the sake of the Kingdom of God and of Jesus Christ our Lord."
15. That a special stewardship message be brought at the October meeting of Presbytery and that every church strive to have as many persons present as possible.
16. That the Presbytery Assessment for 1964 be set at 58c.
17. The Synod of Appalachia has apportioned to the Presbytery of Asheville \$118,729, which is our proportionate share of the budgets of the agencies of the Assembly and Synod. In accordance with Presbytery's Manual, we are presenting the budgets of the Presbytery's agencies as submitted to us by them. We recommend that the following benevolence budget for 1964 be adopted:

18. That Asheville Presbytery request each agency to make a careful survey of their 1964 needs, with a view to reducing them to the absolute minimum for accomplishing the work approved by the Presbytery; That Asheville Presbytery request each agency to submit to the Council in January a complete report of their receipts and disbursements for 1963, as the basis to determine their minimum needs in 1964, with such information as may be needed to justify any increase in 1964 over expenditures in 1963; and

That the Council propose to the January 1964 meeting of Asheville Presbytery a "Disbursement Basis" of anticipated funds, based on:

- 1) Anticipated Income as reflected by reports of Churches of their intentions for 1964, or the actual gifts of Churches, through the Central Treasurer in 1963, or a combination of both.
- 2) The minimum basic needs of the Causes for which Asheville Presbytery has a primary responsibility, in the light of Balances on hand January 1, 1964, and other anticipated income for 1964.
- 3) A uniform allocation to each agency of the Synod and General Assembly, on the basis of figures adopted by the Presbytery in July 1963. (Note: This is the basis followed in 1963, as ordered in January 1963, by which the amount for each agency of the Synod and General Assembly is 74.5% of the totals approved for such agency in July 1962.)

Presbytery expressed its sincere appreciation to Mr. Breitenhirt for his services.

Rev. B. B. Breitenhirt, Chairman of Presbytery's Council, presented a report which was adopted:

Presbytery's Council wishes to express its appreciation to the ministers and laymen who have worked hard and are working hard and successfully in the Every Church Canvass. While some churches are yet to be visited, the reports thus far indicate that our churches intend to increase their undesignated giving to the causes of the General Assembly, Synod, and Presbytery. Recommendations:

1. That each church make every effort possible to reach each member for a worthy pledge and thus have the most effective Every Member Canvass in its history.
2. That each church strive to include in its budget for 1964 at least as much for undesignated Benevolences as it indicated in the recommendation following the visit of an Every Church Canvass team.
3. That each pastor utilize the Stewardship season as an opportunity to inform and challenge his people concerning Christian stewardship.
4. That ministers, Ruling Elders, and Deacons set a worthy example to their church by giving in accordance with real Christian principles, always considering the tithe as a minimum standard for giving.
5. That each church strive to obtain the payment in full of all individual pledges to the budget in time that all commitments to Benevolences for 1963 may be in the hands of our Central Treasurer, Dr. R. E. McClure, not later than December 26.
6. That Presbytery express by a rising vote its sincere appreciation to Dr. James G. Patton for his challenging message on Christian Stewardship.

If approved by Presbytery we request that ministers and churches, if they have any preference as to which minister they wish to come to their church, that they let the evangelism committee know, either today or by written communication to PO Box 246, Andrews, N. C., as soon as possible.
2. That each church seriously consider using the plan of intra-congregational visitation that the Evangelism Committee will be mailing to each church. This will not only be helpful in Evangelism, but will help to undergird the Covenant Life Curriculum Program.
3. That those churches which have not filled out their Evangelism Evaluation Blank to please do so. And we urge that all churches consider the use of the means expressed on this blank, as a way of implementing their program of evangelism.

2. That a communication from Presbytery's Committee on Ministers' Salaries, after each Fall Meeting, be directed to the Clerk of the Session of each church, with a copy also going to the Chairman of the Board of Deacons, requesting that in the preparation of the budget for the coming church year that the Minister's salary — professional expenses, transportation, and all fringe benefits — be reviewed and compared to similar churches in the Synod and Presbytery and adjoining Presbyteries, and strive to make adjustments to see that their Minister is receiving an adequate income to support his family and himself in keeping with other Ministers doing work of comparable nature serving churches of similar size and in similar economic conditions; and that the program of Synod and Presbytery requesting the payment of the Minister's professional expenses be followed and that the church budget of each church make adequate provision for this expense.

COMMITTEE ON WOMEN'S WORK

Rev. E. B. Whitson, Chairman of the Committee on Women's Work, presented Mrs. J. E. Wilson, President of the Women of the Presbytery, who made the report which was adopted as the report of Presbytery. By rising vote Presbytery thanked the Women for their fine service to Christ and His Church.

Of the 34 Churches in Asheville Presbytery, 30 have organized women's work. (Ivy Park women join in work with the Dillingham group.) There

are 3,340 women in 119 circles who make this report possible. They have given unstintingly of themselves in study, prayer, service and finances.

They have contributed over \$6,000 through the Presbyterial to special causes for which the women have been called upon or see a special need. Some of the contributions which we have made:

In 1962 the W.O.C. of the Presbytery took on a \$1,000 project of renovating and redecorating a room in Assembly Inn at Montreat. We had three years to pay for it. In a little over a year we have paid in \$818.16. We will have paid the \$1,000 before the second year concludes.

Our Presbyterial also has a share in the memorial room for the Synod of Appalachia.

As you probably know Louisville Seminary has moved to a new campus. The old Furlough Home for returned missionaries has to be sold and a new one built near the Seminary. Our Presbyterial along with the other Presbyterials in Appalachia has a share in financing the new home. Last year we gave \$360 toward the new Furlough Home.

Also we had a small share through a Synodical project of helping to furnish the drawing room in the new Park Hall dormitory at King College.

Each W.O.C. organization contributes toward a scholarship fund for the education of a negro girl each year through the Synodical.

All but three of the 59 children at the Presbyterian Home are being clothed by circles or W.O.C. organizations at \$100 each. Mr. McKenzie, the superintendent, asked that we raise the amount from \$75.00 to \$100 and the women complied. Many other items like deep freezers, washing machines, driers and other household articles are being furnished by circles and individuals in the churches. The children are taken into the various homes for holidays and vacations.

At our Presbyterial Annual Meeting in October we voted to give our offering toward the building fund of the Britains Cove Presbyterian Church. The offering amounted to \$155.00.

The theme for the year was "Our Unity in Christ." As Christian women we have become more conscious of the fact that our Christian service does not stop in the W.O.C. organizations or even in the local church. It reaches out in many ways, even to the uttermost parts of the world.

We have participated ecumenically through the United Church Women with offerings, layettes and health kits for people in Asia, Africa and Latin America. We have also contributed money, clothing and stuffed toys to the children of migrants in Henderson County.

Our women have given generously to Church World Service which is an interdenominational community wide project. 3 1/4 tons of clothing and blankets were sent overseas this year.

Our World Missions projects through our own churches this past year have been very gratifying.

Our Birthday Offering for 1963 was the largest we have ever given. W. O. C. of Asheville Presbytery gave \$4,230 — a per capita giving of over \$1.33. It went for evangelistic work in Brazil and medical work in Mexico.

Our Birthday Offering this year goes for scholarships for training workers for Presbyterian Homes, and to a vocational school in Louisiana, for mentally retarded children. Mrs. J. L. Jackson, our Presbyterial Church Extension Chairman, will go to Charlotte to an area meeting for a briefing on the Birthday Objective and will be available to local groups to give information.

Those W.O.C. organizations whose churches are supporting missionaries sent Christmas gifts of money and supplies to their missionaries.

Most of the women's organizations met their quotas of White Cross supplies which were sent to the Kasha Dispensary.

Foreign students in our midst have been invited into our homes, giving them an opportunity to be a part of Christian homes.

The interest in our Bible studies continues. The Bible studies from the Gospel of Matthew in the circle meetings was of great interest and spiritual value to the women. There was an increase in the church-wide study of Jeremiah but we still need to stress in some of the churches, that the Bible study should be conducted throughout the whole church and not just for the women.

The Revised Plan of Women's Work will go into effect in the local women's organizations this October 1964. This past November the Presbyterial President along with the District Chairmen met in an area conference at Montreat, conducted by the Board of Women's Work, and studied the revised plan. District meetings in the spring will be given over to the interpretation of the revised plan.

There are definite advantages of the revised plan. For example, the work can be handled to a better advantage by smaller churches, while on the other hand more women can be used on sub committees in the larger churches.

Another advantage is, the programs are set up with fewer general meetings for the women, but they plan for more church-wide programs, of the whole church studying together. For example, there are too few schools of missions and conferences for World Missions where the whole church, including the children and young people, learn about missions. The same thing is true about the other emphases through the church. It should include the whole church and not just the women. We need to cooperate with the program of the whole church as we are a part of the whole.

As Women of the Church we shall study and consider the question posed to us, by the General Assembly, "What Would God Have Me To Do?"

There are many areas where we can go forward in God's work for His church and with His help we shall strive to do so this year.

(Mrs. J. E.) Pearl S. Wilson,
President Asheville Presbyterial

HOME FOR SENIOR CITIZENS

Rev. W. R. Aughinbaugh, Chairman of the Committee on Home for Senior Citizens, presented the report which was adopted.

At the last meeting of the Committee, it was agreed that the Chairman would ask Presbytery the following questions. The questions are designed to determine Presbytery's desire and to assure the Committee of its intentions.

Would Asheville Presbytery be interested in establishing a Retirement facility for Senior Citizens in Asheville which would be self-supporting, Provided —

- a. We could lease a facility with an option to buy, if building is in good condition;
- b. that sufficient capital can be secured to finance it until it is self-supporting;
- c. that Mr. Robert Chapman, Jr., services can be secured to get it started;
- d. that satisfactory arrangements can be made with a local nursing home to care for all using this facility;
- e. that Presbytery will not be under any financial obligation in the purchase or operation of the facility;
- f. that Presbytery approve the necessary documents which will set this facility in motion at a later meeting.

Approving the above in no way obligates Presbytery to set this facility into motion, nor does it authorize the Committee to do so. It is just a way of determining the feelings of Asheville Presbytery. Before any concrete steps are taken to establish a facility for Senior Citizens, the Committee will present the Constitution, By-laws and the necessary bill of particulars for the approval of Presbytery.

RECESS FOR LUNCH

After announcements Rev. R. E. McClure led in prayer and returned thanks and Presbytery recessed for lunch at 12:50 P. M.

Presbytery re-convened at 1:50 P. M. with the singing of a hymn.

The statements of the other committees are submitted herewith to be received as information at this session of the Presbytery.

I request that this report be adopted and printed in the minutes to record the above as accomplished.

STATISTICAL REPORT

Rev. B. B. Breitenhirt, Chairman of Presbytery's Council, presented the report which was adopted as amended. The matter of increasing the Montreat-Anderson College proportion was referred to the Council, granting the Council authority to act.

COUNCIL OF ASHEVILLE PRESBYTERY Asheville, North Carolina

We recommend:

1. That the Council's report of July 1963 be reviewed carefully for stewardship plans in 1964.
2. That every church remit monthly to the central treasurer the agreed percentage of its current receipts (exclusive of building fund).
3. That every church make its contribution to Benevolences the first responsibility to be paid by the church treasurer each month.
4. In view of the fact that the anticipated income for 1964 forced us to reduce the basis of distribution, that every church seek to increase its commitment as soon as possible.
5. That each pastor and church strive for a fuller commitment of life on

the part of every member, realizing that our poor stewardship of possessions is not due to the inability of our members but to their failure to give God and His Church the place and priority which we profess with our lips.

6. That Presbytery go on record as officially recognizing that, since the stewardship program undergirds and makes possible the entire work of the church, the work of the church cannot move faster than its stewardship program.
7. That Presbytery instruct the Council to make a study of Presbytery's Benevolence causes in the light of present and future possible income and needs and report to Presbytery at the spring meeting.
8. That the pamphlet, "On Paying Current Expenses First" be read by each local Session and Board of Deacons.
9. That Asheville Presbytery request ALL churches to reconsider their commitment for contributions to the General Budget for 1964.
10. That the Council be asked to arrange as soon as possible to contact every Church with this challenge for an increase in their commitment.
11. That ALL increases reported by the Churches for 1964 be allocated to the Causes of Assembly, Synod, Christian Education in the Presbytery, and Presbytery Related Causes until the total increases reaches \$20,000.
12. That ALL increases in excess of \$20,000 be allocated to the Entire Budget, and
That the increases in both cases be on a proportionate basis among the causes.
13. That the following Benevolence Budget for 1964 be adopted:

CHRISTIANITY AND HEALTH

Rev. G. O. McCall, '65

Dr. H. I. Bacon, '66

L. Nelson Bell, '67

Presbytery named the following to serve as Chairmen:

Rev. A. Allen Gardner, Jr., Chairman of the Commission on the Minister and His Work.

Rev. J. C. Lime, Chairman of General Fund Agencies.

Rev. Fred F. Guthrie, Chairman of the Minutes of Church Courts.

Rev. A. Allen Gardner, Jr., Chairman of Presbyterian Foundation.

Ruling Elder L. Nelson Bell, Chairman of Christianity and Health.

SESSIONAL RECORDS

Rev. W. L. Hodgkin, Chairman of the Sessional Records Committee, presented the report which was adopted.

The minutes of 23 churches were approved without exception: Arden, Asheville First, Bethel H, Bethel C, Black Mountain, Brevard, Dillingham, Etowah, Franklin, Friendship, Hazelwood, Ivy Park, Kenilworth, Lakey Gap, Malvern Hills, Mills River, Oak Forest, Swannanoa, Sylva, Waynesville, Weaverville, West Asheville, Westminster.

The records of eight churches were approved with minor exceptions as follows:

1. Names of those attending session meeting not listed.
2. Representatives to Synod not elected or given opportunity to report to Session.

3. Representatives to Presbytery not elected and reports duly made to Session.

4. Semi-annual reports of Deacons not made to Session.

5. Failure to include 1963 Session's Statistical Report.

These churches are: Andrews, Britains Cove, Bryson City, Canton, Grace Covenant, Hendersonville First, Highlands First, Murphy.

Your committee realized that there are possible reasons and explanations for these failures which are acceptable and should be indicated on the check list of the desk of the Session.

Four churches failed to use the check list sent to each clerk of the Session.

In many instances, the Session meeting was not designated as a called or stated meeting.

Three churches failed to send their record books — Hayesville, Montreat, Morrison.

We recommend the following procedure:

1. Since the Moderator must wait for Presbytery's approval of the exceptions found by the committee before he can sign his name, the sessional records should be collected for checking immediately after the appointment of the Standing Committees and a report from the Committee on Sessional Records be made as soon after lunch as practical.
2. That the following churches be instructed to bring the Sessional records to the Spring meeting of Presbytery for examination: Hayesville, Montreat, and Morrison.

OFFICE OF EXECUTIVE SECRETARY

Rev. J. C. Lime, Chairman of the Committee on the Office of the Executive Secretary, presented a report which was received as information.

PRESBYTERIAN SURVEY

The report of the representative of the Presbyterian Survey was postponed until the Spring Meeting of Presbytery.

REPORT OF STANDING COMMITTEES

Council of Churches was docketed for the Spring Meeting, along with a change of Manual in relation to the N. C. Council of Churches. In regard to the matter of the spiritual life of Davidson College Students the following carried: In view of the national publicity given to the spiritual life of David-

son Students, Asheville Presbytery instructs its representatives on the Board of Trustees to inquire into the facts regarding the purported survey and present to Asheville Presbytery a report on the Spiritual life of Davidson Students.

Concerning the request from the Session of the Weaverville Church, Weaverville, N. C., Presbytery declined to send an overture to the General Assembly of the Presbyterian Church in the U. S., to withdraw from the National Council of Churches.

JUDICIARY: The committee reported that no business came into their hands.

RESOLUTIONS: Rev. H. L. Thomas, Chairman, presented the report which was unanimously adopted: It is the sincere desire of the Presbytery to express its appreciation to the congregation of the First Presbyterian Church of Hendersonville, Its Session, and the Women of the Church for its welcome, its thoughtful ministry to this meeting of Presbytery which has made greater efficiency possible.

HISTORIAN

Rev. R. E. McClure, Historian, presented a report which was received as information.

BENEVOLENCES

Rev. R. E. McClure, Central Treasurer of Benevolences, presented a report which was adopted:

The Executive Secretary, functioning as Treasurer of the benevolent funds of Asheville Presbytery, of the Church Extension Committee, of the Christian Education Committee, and of the office of Executive Secretary, submits herewith for filing in the records of the Stated Clerk of Asheville Presbytery the audited report verifying the figures which were submitted to the Presbytery in January.

The audited report covers the work for the calendar year of 1963.

The auditor's report covering the work of The Presbyterian Home for Children for the fiscal year ending September 31, 1963, was filed with the Stated Clerk in January.

I call your attention to the fact that in the handling of these various accounts, your Executive Secretary has been responsible for money on deposit, received or disbursed, in a total of \$569,000.00 in the combined accounts.

I submit this report for adoption and the auditor's statement for filing as required by the Manual of the Presbytery.

OLD RECORDS

Rev. R. E. McClure, Executive Secretary, presented the following report which was adopted:

The Executive Secretary reports to Asheville Presbytery that there are in his office cancelled checks and other records, some of which date to the period before he took office in 1943. It is considered good business practice to keep certain records for a reasonable length of time. It is doubtful that there is any great value in continuing to keep some of the records now on hand.

Your Executive Secretary would therefore request Asheville Presbytery to take the following action:

That the Committee on the Office of Executive Secretary be authorized to examine records in the office of the Executive Secretary, and to determine which, if any, should be destroyed, and further that the Committee shall determine a policy indicating how long cancelled checks and other records of a like nature should be kept on hand, and with power to act in this matter.

SESSIONAL RECORDS

Rev. W. L. Hodgkin, Chairman of the Sessional Records Committee, presented a report which was adopted: The Committee on Sessional Records reports that the Montreat and Morrison churches brought the sessional records to this meeting of Presbytery as previously requested, and the records were approved. The committee recommends that the Hayesville Church be instructed to bring the sessional records to the 1964 July meeting.

 - c. Urge every family to adopt the tithe as its minimum goal and to begin to move towards it by increasing in 1965 the percentage of its income which it gives to the church.

2. That the stewardship actions of the 1964 General Assembly (See General Council report; Ad Interim Committee report) be commended to the careful study of our elders and deacons.

- b. The Board of Christian Education.
- c. The Board of Church Extension.

6. That each church make a worthy effort through stewardship preaching, teaching and approved canvass to challenge our people to give as stewards to the total work of the church.

REPORT OF CHURCH EXTENSION COMMITTEE

Rev. W. G. Thomas, Chairman of the Church Extension Committee, presented the report. Pending action Rev. R. E. McClure, Executive Secretary, spoke about the prospect of three new fields. The report and the recommendations were adopted:

The Church Extension Committee of Asheville Presbytery has extended a call to Rev. Stanley L. Bennett to serve the Cullowhee community as a Presbyterian minister, with particular attention at the outset to the needs of the students and Presbyterians living in the area, but with the definite goal of organizing a Presbyterian Church. The Committee has exercised its authority and purchased a manse for \$19,000.00, making a down payment of \$4,500.00, seeking to finance the balance through special contributions and a mortgage loan over a period of years.

The Committee is actively engaged in the investigation of available property on which to erect at some time in the future a building to house the activities of student work and a prospective congregation in the area. The immediate need, which the Committee sees, is for sufficient funds to buy property on which such a building could be erected.

The Campus Christian Life Council of the Synod's Committee of Christian Education has extended a call to Mr. Bennett and will pay \$2,200.00 on his

salary with Ministers Annuity Fund dues on same, expecting him to minister to the needs of the students and faculty of the college.

By reason of the above facts, and the urgent need for a Presbyterian work on the campus and in the community, and with particular reference to the fact that there are well over two hundred Presbyterian students in the student body, with at least ten or more Presbyterian families in the area, the Church Extension Committee feels that this work should have special emphasis during the Church Extension Season in the fall of 1964. We, therefore, recommend:

1. That the work at Cullowhee be commended to the people for their special interest and prayer during the Church Extension Season,
2. That the Presbytery approve setting a goal of \$10,000.00 for the Church Extension Offering.
3. That the details of promotion of the Church Extension Season be left in the hands of the Church Extension Committee.

REPORT ON CHRISTIANITY AND HEALTH

Dr. L. Nelson Bell, Chairman of the Committee on Christianity and Health, presented the report which was received as information.

McCall, Chairman, presented the following report which was unanimously adopted: Man does not live by bread alone . . . but about noon on the day of Presbytery Meeting it tastes pretty good, especially when it has been prepared so well, and served so graciously as it has been today.

I know that I speak for all the members of Presbytery when I say to the congregation, the Session, and the Women of Asheville First Church that we appreciate your warm welcome and your thoughtful hospitality to us throughout this day. You have been, as you always are, cordial hosts and hostesses — we thank you.

Rev. J. C. Lime, Chairman of the Committee on the Office of the Executive Secretary, presented the report which was received as information, and the recommendation dealing with changes in the Manual were docketed for action during the Fall meeting of Presbytery:

That there be a Permanent Committee on the Office of Executive Secretary elected by Presbytery, and on the following basis:

1. In January 1965 a Committee of six be named, one to be designated Chairman, and all to be divided into three classes of two each, to serve initially for One, Two and Three years, any three a quorum, a quorum of three must include one minister and no one to serve more than six consecutive years.
2. That members in the classes to serve One or Two years shall be eligible to re-election, and thereafter, no member shall serve more than two full terms of three years.
3. That this Committee shall meet at least quarterly, and shall perform the duties as at present outlined for the present Committee on the Office of Executive Secretary.

OVERTURE

Dr. L. Nelson Bell presented the following overture which was found in order and docketed for action at the October meeting of Presbytery: Asheville Presbytery overtures the 1965 General Assembly to reconsider one word — "instruct" — in its action regarding the absorption of the Negro Presbyteries and in its place substitute the words "strongly urge". It is our belief that the same results will be accomplished while at the same time our constitutional Presbyterian processes will be preserved.

MEMORIAL TO THE REV. JOHN RODMAN WILLIAMS

Prepared by Dr. R. E. McClure

Rev. John Rodman Williams entered eternal rest following a heart attack on July 16, 1964, at the home of a sister-in-law at Clyde, N. C., and was buried in the Crawford Memorial Gardens on Sunday, July 19.

He and his wife, the former Odessa Medford of Clyde, were on their way from their Florida home to visit a daughter, Mrs. John Watts, in Zurich, Switzerland. One son, Hugh M., is in San Francisco, and the other, Rev. J. Rodman Williams, a member of the faculty of Austin Seminary, conducted the memorial service.

Mr. Williams had held several pastorates during his ministry, including that at Montreat, in Asheville Presbytery, from 1950 to 1953. He had resided in Hendersonville for a period, while serving as a general evangelist, from 1946-1949. More recently he had lived at Inverness, Fla.

He was a graduate of N. C. State College, Raleigh, and served as a civil engineer for some time before entering Union Theological Seminary, Richmond, Va., where he received the English Diploma in 1921.

Among his pastorates were Burkeville, Va., East Point, Ga., Second Presbyterian Church, Spartanburg, S. C., Westminster Church, Fort Worth, Texas, and Montreat. His outstanding work was as an evangelist, and in this field he served scores of congregations and communities throughout the General Assembly.

He was honorably retired by Asheville Presbytery in 1959 and for a while resided in Black Mountain.

He is survived by his widow, three children, two sisters and seven grandchildren.

Asheville Presbytery pays tribute to a faithful servant, a devoted minister and a true witness to the glorious Gospel, now affiliated with the Church Triumphant.

A sincere Christian sympathy is extended to his loved ones who sorrow, but not as those who have no hope, for theirs is that of every true Christian—that of standing in His presence, redeemed and glorified.

He was born in Waxhaw, N. C., the son of Hugh McRae and Nannie Lynn Crockett Williams, on November 16, 1893.

He was received as a son of the Heavenly Father in His celestial home, at the age of seventy, on July 16, 1964.

He did Temporary Supply work 1944-49 in Black Mountain, Morganton and Marion, N. C. and Inverness, Fla., residing most of that time at Black Mountain, N. C. He was greatly beloved by the Children of our Orphanage and others that he served as Pastor as well as his fellow Presbyters.

MEMORIAL TO THE REVEREND JOHN VAN NESTE TALMAGE

Prepared by Rev. L. T. Newland

John Van Neste Talmage was born on December 30th 1884 in Newark, N. J., and died September 12, in Atlanta, Ga. His father, John Sandeman Talmage, was a nephew of the noted preacher and evangelist, Dewitt Talmage, who was one of the great spiritual leaders in America some 60 years ago. Early in J. V. N. Talmage's boyhood his father moved the family to New Orleans where he established a business.

His son John Van Neste early showed a scientific turn of mind which led him to enter the engineering school of Tulane University where he graduated

in 1907 with a B.E. degree. During his university years he felt the call to the ministry and so entered the Divinity School of the Presbyterian University in Clarksville, Tenn., and graduated in 1909 with a B.D. degree and later his Alma Mater honored him with the D.D. degree.

In July 1910 he married Miss Eliza Day Emerson and almost immediately the young couple went to Korea as Missionaries of the Presbyterian Church U.S. They were stationed in Kwang-ju, south Chulla Province which became their home for the time of their mission service, some 45 years. Seven children were born into this family and six of them are still living. Franklin Talmage, deceased; John E. Talmage, Th.M., presently head of the Presbyterian College, Taejon, Korea; Mrs. Frank Keller, M.D., nee Janet Talmage, R.N.; Mrs. Raymond Provost, nee Mariella Talmage, R.N., Missionaries to Korea; Rev. William S. Talmage, pastor of Wylam Presbyterian Church, Birmingham, Ala.; Dr. David W. Talmage, Professor, Denver University, Colorado; Dr. Roy V. Talmage, Professor, Rice University, Texas. Mrs. J. V. N. Talmage died several years ago in her home in Houston, Texas, after a long illness.

Two brothers and two sisters of Dr. Talmage are still living: Rev. F. C. Talmage, Jacksonville, Fla., Mr. Goyne Talmage, Mobile, Ala., Mrs. H. D. Barnes, Greensboro, N. C., and Miss Matilda Talmage, New Orleans, La.

J. V. N., as he was known to his missionary associates, was a man of deep religious convictions and untiring energy. He was especially fitted by a sense of mission and many intellectual gifts to be a missionary to Korea in the formative years of the Great Christian Movement in that very successful mission field. His engineering training and financial ability were used by the mission and the Korean church to secure and make safe the mission and much of the Korean church property. For years he was head of the Juridical Person, or Holding Company, for Mission and Church property as required by the Japanese Government. He filled this important position so wisely that after the attack on Pearl Harbor and because he would not bend under the threats of the Japanese demands that all property held by the Juridical Person be turned over to the local officials, he was imprisoned for four months but later exchanged and returned to America on the Gripsholm.

He and his wife returned to Korea as soon as possible after the war but they could stay only a few years for the Red invasion from North Korea made them return to America in 1950. In 1953 Mr. Talmage went back to Korea to straighten out the tangled affairs of the Juridical Person and was able to save almost all of the property, Korean and Mission, that was the concern of this Person. He served in this capacity from 1953 to 1955 and was retired from the active mission service in 1955.

Doctor Talmage was a tireless preacher of the Word. He had a large country field where he worked so successfully that he saw many country church congregations develop into full self support. He was also a great Bible teacher and had a large part in building up the wonderful men and women's Bible classes that were held in Kwang-ju every fall and winter, as well as holding many such classes in the smaller churches of his country field.

He was a careful Bible student and preached and taught the 'doctrine once delivered unto the saints' without the adulteration of man's wisdom or twist-

ed to make it more popular with his hearers. He spoke Korean fluently and had a usable knowledge of the Japanese language and a fair knowledge of the Chinese characters. This widened his field of usefulness for he dealt with these three nationalities in his mission work.

The Bible was his great Text Book for careful and prolonged study, and in his busy life he found time to write several articles defending the historical and scientific accuracy of the Bible account of man and the world on which he lives. He never counted his life 'dear unto himself' but poured it out freely for the people and the building up of the Kingdom of Christ in South Korea. Much of the time he worked beyond the limits of his strength without complaint for he was driven by this great inner urge, 'Woe is me if I preach not the Gospel.' His voice is stilled but three consecrated missionary children are the living legacy this devoted couple left to Korea. Thru them he is still saying to the unsaved masses of this eastern land, 'believe on the Lord Jesus Christ and you shall be saved.'

A. THE EXECUTIVE COMMITTEE OF CHRISTIAN EDUCATION

1. *Authority* — The Executive Committee of Christian Education of Asheville Presbytery is appointed by and responsible to the Presbytery.
2. *Function* — It is the responsibility of the Executive Committee to administer a program of Christian Education in Asheville Presbytery which will be in harmony with that of the General Assembly; to study the Annual Emphases from the Board of Christian Education as recommended by the Synod's Executive Committee, adapting it to the needs, financial resources and leadership of the Presbytery.

The Executive Committee of Christian Education shall also have general oversight of the programs of the Presbyterian Guidance Program, Christian Action, Educational Institutions, and Campus Christian Life. For special emphases and activities, responsibility may be delegated to a Council or a Committee for implementation.

Supervision — The Executive Committee shall be responsible for seeing that approved plans are carried out and shall be ready to give particular help where needed.

Evaluation — The Executive Committee shall receive written reports from its Councils and committees which shall be carefully considered in the light of stated purposes and objectives.

3. *Membership* — The members of the Councils shall be named by the Executive Committee each year. The Chairman of each Council shall be named by the Executive Committee each year and shall be approved by the Presbytery at the January Meeting.

The following change in the Manual regarding the Office of the Executive Secretary was made:

That there be a Permanent Committee on the Office of Executive Secretary elected by Presbytery, and on the following basis:

1. In January 1965 a Committee of six be named, one to be designated Chairman, and all to be divided into three classes of two each, to serve initially for One, Two and Three years, any three a quorum, a quorum of three must include one minister and no one to serve more than six consecutive years.
2. That members in the classes to serve One or Two years shall be eligible to re-election, and thereafter, no member shall serve more than two full terms of three years.
3. That this Committee shall meet at least quarterly, and shall perform the duties as at present outlined for the present Committee on the Office of Executive Secretary.

The Manual was changed making the Committee on Candidates a Permanent Committee instead of a sub-committee of the Christian Education Committee.

Manual to be clarified by changing the following words and phrases:

Page 12.

- (a) Delete "Sub" in title of Candidate Committee.
- (b) Place Committee responsibilities in manual where other Permanent Committee descriptions are placed.
First paragraph under Candidate Committee should read as follows: "There shall be a Committee on Candidates for the Gospel Ministry composed of six members. The Chairman shall be named by Presbytery. The Committee shall serve in accordance with the Book of Church Order, and in addition thereto shall:"
- (c) Under Section B add this new sentence:
"When the Assigned parts have been completed by the candidate, they shall be forwarded to the Chairman of Presbytery's Examining Committee".
- (d) Add new section "c"
"C" "Assume responsibility for promoting Church Vocations, enlisting the cooperation of other Presbytery organizations."

Page 19.

- (a) Under fourth paragraph, — place period after "Examination" on the fourth line. Start new sentence and insert as follows: "He shall submit such written parts of said examination to the Chairman of Presbytery's Examining Committee."
- (b) In 1st, 3rd, and 11th paragraphs substitute "Committee on Candidates" whenever "sub-committee," etc. is found.

OVERTURE TO THE GENERAL ASSEMBLY

The following Overture was adopted: "Asheville Presbytery overtures the 1965 General Assembly to reconsider one word — "Instruct" — on its action regarding the absorption of the Negro Presbyteries and in its place substitute the words "strongly urge". Since the last report from this Committee the following deaths have occurred among the ministers who were participants in the benefits of the Ministers' Annuities and Relief funds.

Rev. J. H. Gruver
Rev. Robert E. Fry
Rev. John R. Williams

In every instance Dr. George H. Vick, Executive Secretary of the Board of Annuities and Relief, sent a letter of sympathy to the bereaved family and carefully explained to what benefits, both medical and hospitalization, they were entitled and in one case of prolonged hospitalization a special grant was made to supplement the hospitalization benefit, which was inadequate.

I feel that we, as a Presbytery, should be deeply grateful for the generous financial help given to the families of these our brother ministers who have gone to their reward.

The Board of Annuities and Relief merits our generous help, both in gifts and prayers.

3. That a marked copy of this report be mailed the Treasurer of each of the eight churches which have not made a remittance for "Undesignated Benevolences" since January 1, 1965, requesting them to remit monthly, on the basis of their current receipts.

CHRISTIAN EDUCATION

Rev. J. D. Whitesides, Chairman of the Christian Education Committee, presented the report which was received as information. Pending action on the report Presbytery heard Rev. R. S. Bussey on the Presbyterian Guidance Center at Bristol, Tenn.

PRESBYTERIAN HOME FOR CHILDREN

Rev. H. B. Dendy, Chairman of the Presbyterian Home for Children of Black Mountain, North Carolina, Inc., presented the report which was adopted:

We have fifty nine children at the Home at the present time, thirty one boys and twenty eight girls. Sixteen boys and four girls are in high school. Five will graduate this year, four boys and one girl. All of the boys have chosen college and the girl has chosen to be married. Seven of our young people are in the eighth grade and will go to high school next year. This total includes six girls and one boy, this will give us a total of twenty-two in high school next year. We continue to keep our children much longer than in the past and we think this speaks well of the Home. The youngest child that we have is six years old and the oldest under our care is twenty one.

The Board of Trustees has been very active in the past months as all committees have met with the Superintendent prior to the meeting of the full Board. This enables the Superintendent to discuss in detail the operations of the Home which pertains to each committee. The farm committee has made a full study of our present farm operations and in their findings has suggested that we suspend all farm operations as to the raising of live stock and to continue our raising of hay and to extend our truck farming to double its present size. This will enable us to fill our freezers and to cut our cost in buying of food.

We would also report that the work has been completed on the addition to our building of four new bathrooms. This has been the making of all of us at the Home. The children are very happy and pleased that for the first time nearly all of us can take a bath at the same time. The children join the staff in thanking the Board of Trustees and Presbytery for making this possible.

We are operating at the present time with a shortage in staff as it becomes more difficult in securing staff help. This is a concern for the administration committee and much work is going into seeking a staff that will fill our needs. We hope that our prayers will be answered in getting the people that we need to take care of our children.

We would report that our four children in college are doing fine as of the last report.

CHURCH EXTENSION

Rev. W. G. Thomas, Chairman of the Church Extension Committee, presented the report which was received as information. Pending action on the report Reverends L. V. Secrest and R. E. McClure spoke concerning the work of the Committee.

SESSIONAL RECORDS

Rev. W. L. Hodgkin, Chairman of the Sessional Records Committee, presented the report which was adopted: Two churches; Hayesville and Bethel (C) presented their Sessional Records for examination. The Bethel Church had no meetings to report. The Hayesville records were approved with two exceptions: 1. No quarterly meetings of session, and 2. No representative elected to attend Synod. Montreat, Morrison, and Highland churches failed to present their Sessional Records and they were requested to bring them to the July meeting of Presbytery.

GENERAL FUND AGENCIES

Rev. J. C. Lime, Chairman of the General Fund Agencies, presented the report which was received as information.

CHRISTIANITY AND HEALTH

The report of the Committee on Christianity and Health was presented which was received as information and the recommendations were adopted:

1. That each Elder, in attempting to fulfill the responsibilities pertaining to the ministry of the Word and Sacraments and the Christian education program of the local church, be mindful of the relationship between Christian faith and personal health;
2. That each Elder undertake a serious search of the Scriptures in an effort to deepen his understanding of the Biblical concept of health and its relationship to individual Christian responsibility;
3. That a deliberate effort be made to integrate a theology of health into the preaching, teaching, and pastoral ministry of the Church;
4. And that an attempt be made to speak to the special areas of concern affecting health, such as the drinking of intoxicating beverages, smoking, neglect of basic health practices, and any excesses or abuses which work to impair health.

REPORT OF PRESBYTERY'S COUNCIL

Ruling Elder T. H. Lamb, Chairman of Presbytery's Council, presented the report which was adopted.

The Council of Asheville Presbytery submits the following report, with recommendations, suggesting adoption as a whole, so as to have certain basic information on record.

For the past years the General Assembly, Synod and Presbytery have been submitting Benevolence Askings to the churches on the basis of the estimated cost of the work that needs to be done. This has resulted in what some have felt to be an "unrealistic" budget, beyond the giving potential of the Church.

In 1964 and 1965 the General Assembly gave approval to a new approach to the forming of budgets, which it is hoped will present to the local congregations a "realistic" estimate of the needs within the giving potential of the Church. Basically this is to request for each cause an amount based on what was actually given in the last year of complete record, plus two percent per year for normal growth.

The General Assembly and the Synod have submitted figures to Asheville Presbytery which are FOUR PERCENT above the actual gifts of 1964. Each of the Presbytery's agencies were considered on this basis, and exceptions made for The Presbyterian Home for Children and Montreat-Anderson College.

The Presbyterian Home for Children, in the light of anticipated income asked for LESS than the basis. (\$45,000 instead of \$52,000).

Montreat-Anderson was drastically cut in 1964, and a more realistic amount in 1965. The amount assigned this institution was the anticipated income in 1965 plus TWO percent. (Basically following the principle involved.)

The final figures totaled \$221,408, or \$44,081 LESS than was proposed and approved by the Presbytery in July 1964.

In addition the Church Extension Committee of the Presbytery asked the Council's endorsement of an appeal for \$15,000 in the Church Extension Offering October 10, 1965.

The Council considered other means of promoting the Every Member Canvass, and stewardship education, other than the "Every Church Canvass" used for the last several years. The alternate plan calls for three area gatherings for Pastors, Ruling Elders and Deacons, and a program on a "Panel Discussion" basis.

In the light of the above, the Council recommends:

1—The approval of the following "Askings" for 1966, it being understood that these are absolute minimums, and must be reached 100% if the various causes are not to suffer.

Assembly Agencies

World Missions	\$34,717	
Church Extension	11,442	
Christian Education	5,392	
Ministerial Relief	5,095	
General Fund Agencies	9,093	
Inter Church Agencies	132	\$ 65,871

Synod Agencies

Union Theol Seminary	\$ 2,050	
Louisville Theol Seminary	1,025	
King College	17,160	
Church Extension	143	
Christian Education	6,400	26,778

Presbytery Agencies

Presbyterian Home	\$45,000	
Church Extension	42,305

Presbytery Related Agencies

Montreat-Anderson	\$11,832	
Davidson	470	
N. C. Council of Churches	204	\$ 12,506

Total \$221,408

2—That Presbytery approve \$15,000 as the goal for the Church Extension Offering, in October 1965, designated for the Cullowhee work, but with the understanding that all over the first \$5,000 contributed will be excluded from the basis for any future budgets for Benevolences, as currently being determined.

3—That the Council be authorized to arrange three area meetings of Pastors, Ruling Elders and Deacons, in the promotion of "Stewardship" in connection with the promotion of the Every Member Canvass season in the fall.

4—That the Presbytery urge every Church to stress Stewardship in such a way in the Fall as to challenge a re-dedication of all members of Asheville Presbytery to a more dedicated support of the total program of the Church.

5—That the major emphasis in the 1965 EMC be to secure increased gifts from individuals "as the Lord hath prospered" and that this increase be reflected in the share assigned by each church to the support of the work of the whole church, through the funds subject to division as directed by the Presbytery.

6—That, in inaugurating this new approach to "budget building," each congregation be reminded that UNLESS THE GIFTS FROM THE PRESBYTERY REACH THE AMOUNTS IN THE BUDGET FOR EACH CAUSE, the work of the Kingdom will be proportionately handicapped in 1966.

REPORT OF COMMISSIONERS TO THE GENERAL ASSEMBLY

Dr. L. Nelson Bell, Dr. John R. Folger, and Rev. S. L. Bennett, Commissioners to the General Assembly, made their reports and were commended for their diligence.

REV. PIERRE CHARLES TOUREILLE

The Rev. Pierre Charles Toureille's name was ordered removed from Presbytery's roll of ministers according to Paragraph 111-3, Book of Church Order, as he is now connected with the Reformed

Church of France. "When a Church officer, whether Minister, Ruling Elder, or Deacon, renounces the communion or authority of this Church by a statement or by joining some other church recognized by our own as a true branch of the Church of Christ, the court having jurisdiction shall record the irregularity and withdraw from him all authority to exercise office derived from this Church." MINUTES OF COMMISSION TO ORGANIZE NEW CHURCH AT HENDERSONVILLE

The minutes of the Commission to organize a new church at Hendersonville, North Carolina were admitted to record:

The Commission named by Asheville Presbytery on July 13, 1965, and instructed to organize a new Presbyterian Church in Hendersonville, North Carolina, met at Hendersonville at 6 P. M., Sunday, August 29th, and was opened with prayer by Rev. R. E. McClure.

Present were: Rev. W. G. Thomas, Chairman, Rev. Leroy Secrest, Rev. R. E. McClure, with Ruling Elders Cal W. Kuykendall, Ted R. Ray, and Dr. R. A. Porter, of the First Presbyterian Church, Hendersonville.

Rev. R. E. McClure was named clerk.

After discussion of plans for the service, the three laymen were assigned parts in the worship service, Mr. Kuykendall to offer the prayer of intercession, Mr. Ray to read the Scripture and Dr. Porter to receive the evening offering and offer the prayer.

The commission recessed to meet with the Steering Committee at the place of worship, 1403 Fifth Avenue, West. Details of the service were considered in conference with Rev. E. C. Scott, who has been serving as minister for the group since February, and members of the Steering Committee.

The commission then met in the presence of the congregation for a Worship Service, with Rev. W. G. Thomas, presiding, who offered the invocation and conducted the service according to an order in a prepared bulletin.

Rev. Leroy Secrest preached the sermon from the text "And the child grew, and increased in wisdom and stature and in favor with God and man", Luke 2:52. His subject was "The Church's Task".

Following the evening offering, W. L. Gilbert, chairman of the "Steering Committee", presented to Dr. Scott a Resolution adopted by the committee expressing appreciation for his work in bringing the group to the point of organization.

Dr. Thomas stated the purpose of the meeting, reading the authorization as recorded in the minutes of the Presbytery.

Dr. McClure, as secretary, called the roll of those who had indicated a desire to become charter members, and the following were present:

Coming by transfer from other churches:

Mr. and Mrs. William D. Bacon, Jr., Mrs. McAvoy Brittain, Mrs. Wayne Brown, Mr. and Mrs. Gerald B. Carleton, Mr. and Mrs. H. N. Clark, Mr. and Mrs. Robert H. Cox, Mrs. P. R. Cobb, Mr. H. L. Dantzer, Mr. and Mrs. Max M. Dalton, Mrs. Elmer L. Dorsey, Mrs. Hugh L. Eichelberger, Jr., Mr. and Mrs. W. L. Gilbert, Sally Gilbert, Harold B. Gilbert, Mrs. Jimmy E. Hinson, Mr. Lawrence F. Kehoe, Jr., Mrs. Claude A. Lee, Mrs. Margaret J. Norrteman, Mrs. Catherine S. O'Neil, Mr. and Mrs. Arthur R. Ocker, Mr. and Mrs. R. W.

Paden, Lynn and Nancy Paden, Dr. and Mrs. Phillip A. Sellers, Mr. and Mrs. D. L. Steele, Mr. and Mrs. W. A. Stoneman, and Mr. and Mrs. Robert E. Warner.

Certificates of Dismissal for the above were certified by the clerk as having been issued, and they were received by vote of the Commission.

The following were received as indicated:

Miss Catherine McLeod Donaldson, to be an affiliate member.

Miss Gladys Bailey, whose name was not on the original list, to be received subject to reception of her letter from the West Asheville Church.

Mr. P. R. Cobb, Mr. Elmer L. Dorsey, Mr. and Mrs. Gerald M. Haskins, and Mr. and Mrs. Robert Hutcheson, on Re-affirmation of their faith.

Laura Dale Brown, Brenda Joyce Brown, Dianne Dorsey, Thomas R. Warner and Wanda S. Steele, on Profession of their Faith, each having been previously baptized.

Clayton O'Neil, on Profession of his Faith, and baptism administered by Dr. Scott.

The above were examined according to the Book of Church Order and were admitted to charter membership.

The entire group subscribed to the covenant required of a new congregation, and the Chairman then officially declared the group "constituted a church according to the Word of God and the faith and order of the Presbyterian Church in the United States."

Dr. Scott led in a prayer of consecration.

In matters of business the congregation, by formal vote:

Approved "Trinity Presbyterian Church" as the name.

Voted to elect four Ruling Elders and four Deacons, for terms of four years each, with the exception that in the initial election, each group would classify themselves by lot for terms of one, two, three and four years each. It was further provided that no individual having served as many as two years would be eligible to succeed himself without an interval of at least one year.

It was ordered that nominations for Ruling Elder and Deacon be made from the floor, and elections proceeded in that manner.

W. L. Gilbert, R. W. Paden, Dr. Phillip A. Sellers and Robert B. Warner were elected Ruling Elders on the first ballot.

William D. Bacon, Elmer L. Dorsey, Clayton O'Neil and W. A. Stoneman were elected Deacons on the first ballot.

While the ballots in each case were being counted by the three laymen on the Commission, the congregation proceeded to extend a call to Rev. Hugh L. Eichelberger, Jr., to become pastor of the Church, at a salary of \$600.00 per year, with the understanding that this amount would be supplemented

by the Church Extension Committee to provide a cash salary of \$5,100.00, a manse, Ministers' Annuity Fund Dues, car allowance, utilities allowance, Group Life and Major Medical Insurance, and re-imbursement for one half of Social Security taxes, while continuing to be pastor of the church.

The newly elected Ruling Elders were authorized to sign the call in behalf of the congregation.

By motion, made, seconded and adopted, it was ordered that the Clerk of the Session, the Chairman of the Board of Deacons, and the Treasurer of the Church, and their successors in office, be designated as "Trustees" of the congregation to act in its behalf in all matters pertaining to property.

The Commission recessed with the newly elected officers and determined that each one had been instructed in a special course by Dr. Scott in the constitution and form of government of the Presbyterian Church, U. S., and on the strength of their willingness to accept the offices to which elected and the instruction received, they were approved for ordination and installation.

The Congregation reconvened and the above-named officers assumed their office by giving assent to the questions from the Book of Church Order. W. L. Gilbert had previously been ordained to the office of Ruling Elder. The other seven knelt and were set apart to their offices by the laying on of the hands of the Presbytery, and a prayer by the Chairman.

Rev. Hugh L. Eichelberger, Jr., the pastor-elect, being present, and Dr. Scott were invited to sit as visiting brethren with the Commission and to assist in the ordination service.

A brief charge was given the officers, and the service was concluded with the singing of "Blest Be The Tie That Binds", and the benediction by Dr. Scott.

The Commission met after the service and reviewed the proceedings, authorizing the Secretary to write the minutes of same, subject to review by the Chairman.

The work assigned the Commission having been accomplished, the body was adjourned with prayer by Mr. Ray.

Minutes of Commission to Ordain and Install Frank K. Chapo were admitted to record without reading, and are as follows:

The Commission to ordain and install Mr. Frank Kalman Chapo as pastor of Micaville and Estatoa Churches, Burnsville, N. C., RFD 5, met in the church at 10:45 A.M., November 3, 1960. Ministers present: Rev. John S. Yelton, Moderator by appointment of Presbytery, Rev. Troy L. Young, Rev. W. Penland, and Elder John Forbes. The Commission was opened with prayer by Mr. Penland. Mr. Young was elected Clerk.

The Moderator led the congregation in a service of worship, with the two church groups uniting in this special service of Ordination and Installation. The sermon was preached by Rev. John S. Yelton from the Text: II Cor. 4:7. Rev. W. Penland gave the pastoral prayer, after which the Moderator recited the steps leading up to this service, and proposed the Constitutional Questions to Mr. Chapo and the congregations. These being answered in the affirmative, the Commission proceeded to ordain Mr. Chapo with prayer and the laying on of hands of Presbytery agreeably to the Word of God and the Book of Church Order. Rev. John Young, by invitation, led the Ordination prayer.

The charge was given to the pastor by Rev. Troy L. Young. The charge to the congregation was given by Elder John Forbes.

The service was concluded with prayer and the singing of a hymn. After the benediction by the newly-installed pastor, Rev. Frank K. Chapo, the officers and members of the congregations came forward and gave him their right hand in token of cordial reception and affectionate regard.

After the service the Commission met, read and approved the Minutes, and was closed with prayer.

Respectfully submitted,
Troy L. Young, Clerk
John S. Yelton, Moderator

Announcement was made by Rev. Ralph A. Brown concerning arrangements for evangelistic meetings.

The Stated Clerk was authorized to prepare the Statistical Report to the General Assembly and to forward that Report.

Dr. Lee G. Davy, Chairman, presented the Report of the Presbytery's Council, which was adopted, and is as follows:

Under the direction of the Stewardship Subcommittee, the Every-Church Canvas for the year 1961 has been conducted and pledges amounting to a total of \$208,562 have been received or are anticipated. That amount is approximately \$1600 lower than pledges for 1960. Pledges have been received from a total of 73 churches, compared with 66 in 1960 and 63 in 1959. Not all of our churches appreciate the labor involved in preparing the Benevolence Budget in time to submit it to the January meeting of Presbytery. The fact that askings always exceed pledges and the desire on the part of those concerned to use the money pledged most effectively in the work of Christ Jesus, our Lord, make it inevitable that the whole matter of the budget requires lengthy and prayerful deliberation before the budget can be presented to the Council and to Presbytery. In view of the foregoing, THE COUNCIL RECOMMENDS that Holston Presbytery request the pas-

tors of our churches to plan their calendars so that their annual budgets can be approved by mid-December and recommend that the pastors take the initiative in preparing and forwarding to the Central Treasurer a Declaration of Intentions on the form provided by the Stewardship Subcommittee.

It has been pointed out that since Mr. Tubbs has left Holston Presbytery, no signature has been approved as an alternate to the Central Treasurer of Benevolences. It seems to the Council that the Stated Clerk of the Presbytery, rather than the Chairman of the Stewardship Subcommittee, should be the person authorized to sign as an alternate to the Central Treasurer of Benevolences. Therefore, **THE COUNCIL RECOMMENDS** that Holston Presbytery authorize the Stated Clerk to sign checks in the place of the Central Treasurer of Benevolences in the event that the Central Treasurer of Benevolences becomes incapacitated.

The report of the Central Treasurer of Benevolences has been reviewed and approved by the Council.

The Stewardship Committee has prepared the attached Budget of Benevolences for the year 1961. The budget has been reviewed and approved by the Council. **THE COUNCIL RECOMMENDS** that Holston Presbytery adopt the attached Budget of Benevolences for 1961.

THE COUNCIL RECOMMENDS that the invitation of Bethany Presbyterian Church for the April, 1961 meeting of Presbytery be accepted.

The seminaries of our church have joined in a program of meetings for Chairmen of Presbytery's Candidates Committees in order to help these chairmen function more effectively and more uniformly throughout our church. A meeting is being held at Union Seminary in Virginia, February 27 - March 1 and will include the Chairmen of Presbytery's Committees for the Synod of Appalachia. Our Chairman of the Candidates Committee, Mr. T. C. Rhea, reports that arrangements have been made for covering all expenses of such a trip by him except the actual travel expense. **THE COUNCIL RECOMMENDS** that Holston Presbytery approve up to \$50.00 travel expense for the Chairman of the Candidates Committee of Holston Presbytery for the purpose of attending a meeting of Chairmen of Candidates Committees in Richmond, Virginia, February 27 - March 1, 1961.

Respectfully submitted,
For the Council
Lee G. Davy, Chairman

The Presbytery set April 25 as the date for the Adjourned Spring Meeting, and October 16 for the Adjourned Fall Meeting, with the Council to determine the program and length of the meeting.

Rev. Dan R. Thomas, Chairman, presented the Report of the Committee of Christian Education, which was received as information. In connection with this report, Rev. W. Kirk Allen presented the Report of the Sub-committee on Camping, which was adopted, and is as follows:

At a meeting in early January, the sub-committee on camping reviewed the camp program of the Presbytery for the past two years in the light of the statement first presented to the Presbytery in the winter of 1959. Although being well-aware that we are far from realizing the ideal and being quite conscious of our shortcomings and mistakes, we believe that the original statement of the philosophy of Church camping in small groups, as approved by the Presbytery in 1959, is the best guidance we can have at the present time. We submit this again for your consideration and recommend that it be retained as the statement which can best direct the future work of this committee and the Presbytery.

"Because we believe that Church camping should be limited to small groups, living informally and in the out-of-doors, in simple housing facilities, with activities that are different from what can be done at home and in our normal Church programs; that care should be taken always to instill in each camper an appreciation of and a healthy respect for nature, a loving response to the God who has given us this beautiful world, and a personal commitment to the One whom this same God has sent, providing for our spiritual needs, as well as our material needs, even Jesus Christ, in whom All of life is abundant;

"Therefore, the Christian Education Committee of Holston Presbytery shall continue to seek:

1. To provide an experience of Christian living through which campers come to a better understanding of Christian principles and teachings as revealed in the Bible.
2. To provide an experience of simple living in God's creation, and to gain new knowledge of its resources, and develop skills in using them.
3. To aid campers, through small group experiences within the total camp group, to develop self reliance and responsibility as cooperative citizens of a Christian community.
4. To aid in the process of developing genuine Christian fellowship based upon respect for individual worth.
5. To provide additional opportunities for a progressive commitment to Christ.
6. To relate Christian growth in camp life at home and in the Church.

"Thus, it shall be our continuing purpose to consider program and study material and to establish specific goals which shall aim to:

1. Help the individual adjust to the group as a contributing member.
2. Help the individual appreciate the contributions of his fellow campers.
3. Encourage the breaking of old habit patterns and the formation of new habits of Christian devotion and conduct.
4. Help the individual to see the wholeness and holiness of life.
5. Destroy those barriers which are often stumbling blocks to Christian growth.
6. Help the individual use the Bible as a personal guide in all life's experiences."

The Commission engaged in prayer with those present and then moved to the Valley Pike Church to continue its deliberations. It was agreed that the Chairman of the Commission should write to those members who had not been present, and inform each one that in case he should not have notified the Commission of his choice of a church by February 15, he would be assigned to some church, from which he could secure a letter to some other church, if he so desired. By common consent, the Chairman was asked to write to the Stated Clerk of the General Assembly in regard to the legal aspects of the matter, and Mr. Gibbs was asked to investigate the status of the deeds to the property. The Commission was adjourned with prayer led by Rev. Mr. Farthing.

The Council has reviewed the Stewardship report and wishes to make the following recommendations to Presbytery.

The General Council pays the expenses of the Chairman of the Stewardship Sub-committee when he attends the Area Stewardship Conference in Charlotte, N. C., on May 11-12. Other presbyteries have been following the practice of sending another member with the Chairman to these conferences and have found that the benefits amply justify the expense.

THE COUNCIL RECOMMENDS that Holston Presbytery approve the expenditure of not more than \$35 (chargeable to the budget of the Stewardship Sub-committee) to help defray the expenses of a member of the Stewardship Subcommittee in attendance at the Area Stewardship Conference in Charlotte, N. C., May 11-12.

The Stewardship Subcommittee is planning to hold a Deacons'

Training Institute at Banner Elk, July 29 in conjunction with the meeting of Holston Presbytery. The training institute is designed to increase the effectiveness of the work of the deacons in the local Church.

THE COUNCIL RECOMMENDS that Presbytery urge the local Churches to send their deacons to the Deacons' Training Institute in Banner Elk, N. C., July 29, 1961.

For a number of years Presbytery's Stewardship Subcommittee has offered training for the directors of Every Member Canvasses in the local Church. Arrangements have been made with the General Council to supply a speaker and materials to be used for training EMC directors. Five meetings will be held in the Presbytery (two of which will be in the mountain area) during the week of July 17-21. Pastors are urged to begin soliciting attendance by their EMC directors and members of the Canvass Committee, Church officers, and Stewardship Committee chairman. Full details will be supplied as soon as they are known.

The Stewardship Committee will conduct an Every Church Canvass in October and expects to give the canvassers special training in September. It is expected that the Every Member Canvasses in the local Churches will be conducted so that Dedication Day may take place on November 12, 1961. In order for adequate consideration to be given to the Benevolence Budget of Holston Presbytery, without requiring undue overtime work on the part of those responsible, it will be necessary for congregational action on local budgets to take place not later than December 10 and for the pledges of the individual Churches to Presbytery's Benevolence Budget to be received by the Central Treasurer by December 17, 1961.

THE COUNCIL RECOMMENDS that Holston Presbytery urge the local Churches to plan their 1961 calendars so as to make possible the following dates: Dedication Day, November 12; final approval of local budget, December 10; pledges to Presbytery's Benevolence Budget received by Central Treasurer, December 17.

It has been recommended by the General Assembly that the week of May 7-14 be designated Christian Family Week and that the theme of Christian Family Week be "Family Stewardship." Attention is called to helpful suggestions in the February issue of PRESBYTERIAN ACTION.

THE COUNCIL RECOMMENDS that Holston Presbytery urge the local Churches to observe Christian Family Week May 7-14 as an opportunity for family stewardship education.

The Central Treasurer of Benevolences reports that receipts from treasurers of local Churches were unusually tardy during the First Quarter of 1961. The Council wishes to call the attention of the pastors again to the fact that the money received by the Central Treasurer from the local Churches is forwarded immediately and used to pay the current expenses of the various agencies supported by our gifts. Delayed remittance frequently makes it necessary for our agencies to borrow money to meet current expenses in anticipation of gifts to be received. Pastors are urged to make an effort to see that gifts to Presbytery's Benevolence Budget are remitted promptly by the local treasurer.

The July meeting of Presbytery will be held July 28-29 at Presbytery's Camp, Banner Elk, North Carolina.

Respectfully submitted,
For the Council
Lee G. Davy, Chairman

ADULT WORK

Synod's Christian Education Committee will give \$20 if needed toward the expenses of approved delegates to the Assembly's Recreation Workshop at NaCoMe May 1-5.

An Adult Workshop will be held in Montreat June 24-30. This is to be a selected group from the whole Synod who would be able to communicate to those in their home areas the things they learned regarding the new curriculum.

Synod's Men's Conference will be held in Montreat June 3-4. Two Area Leadership Schools are thus far scheduled for the fall:

Elizabethton Area—Sept. 17-19, 24-26

Kingsport Area—Oct. 1-5

Synod's Minister's Convocation will be held in Montreat Oct. 6-8. Since Oct. 8 is Layman's Sunday, it is hoped that churches will have laymen supplying their pulpits in order to emphasize Laymen's Sunday and to encourage ministers' attendance at the Convocation.

RECOMMENDATIONS:

1. That each church be urged to send to the Sunday School Superintendents' Conference in Montreat, June 22-25, at least one of the following: General Superintendent, Assistant Superintendent, or Incoming Superintendent.
2. That all churches be encouraged to give more attention to Leadership Training and Education; also that leaders be enlisted to attend one of the Leadership Schools in Montreat, June 24-30 or July 1-7; furthermore, that more Leadership Schools be set up within the Presbytery, particularly to reach more of the churches in the rural and mountain areas.
3. That the churches, through study groups or some form of popular meetings, use before the end of the year the World Council of Churches Study Book, *Jesus, the Light of the World*.
4. That the General Assembly's Board of Christian Education be commended for its long and comprehensive study of our curriculum needs; and that we assure them of our keen interest in the new Covenant Life Curriculum and our purpose to encourage our churches to use it. That a letter to this effect be conveyed to them by our Stated Clerk.

CHRISTIAN ACTION

The first Assembly-wide Christian Action Conference will be held at Montreat, Sept. 1-4. The Christian Education Committee will pay half the expenses and urges the Session of each church to pay the other half of an appointed representative to this conference.

RECOMMENDATIONS:

1. That all Sessions of the Presbytery which have not done so place responsibility of the program of Christian Action upon a particular person or committee and to report to the Christian Action Subcommittee the name and address of such person or chairman of such committee. These should be sent to Paul Johnson, 512 Maple St., Bristol, Tenn.

CAMPING

Camp Counselor Training Workshop will be held at Holston Presbytery Camp by the Synod, May 18-20, and by Presbytery, May 26-28.

Directors have been secured for all summer camps. Brochures for these camps are in the mail to all churches.

Part of every week-end during the non-camping season is booked at the Camp through late fall. The wide variety of use has been previously noted in the "Holston Presbyterian."

A Presbytery-wide picnic for all church members will be held at the Camp August 26.

RECOMMENDATIONS:

1. That all churches promote the Presbytery's camping opportunities and the Synod Youth Convention, June 12-16 at Montreat, and the Westminster Fellowship Regional Conference, August 28-Sept. 1 at Montreat.

YOUTH WORK

The Fall Training Retreat for officers of local Senior High Fellowships have been set for Sept. 23-24, Oct. 7-8, Oct. 21-22, and Nov. 4-5. High Sunday School Teachers and for Sen. High Adult Advisers.

A Retreat will be held at Holston Presbytery Camp October 14-15 for Sunday School Teachers and Adult Advisers of Pioneers. Mr. and Mrs. D. F. Ridings of the First Presbyterian Church, Kingsport will be the directors.

May 5—First Presbyterian Church, Kingsport

May 8—Crossnore Presbyterian Church, Crossnore

All of these Institutes will be held from 10:30 a.m. to 2:45 p.m.

RECOMMENDATIONS:

1. That all churches be encouraged to the possibility of holding day camps during the summer months.
2. That all churches take advantage of week-end educational clinics conducted by Dr. I. M. Ellis, Miss Sallie Thrower and our Presbytery D.C.E.
3. That attention be called to training observation centers for teachers in the following departments and churches:

It seems that the Manual is now developed to the point at which it would be practical to print it. I recommend that, if it can be done within the present year's budget, the Stated Clerk be authorized to proceed to have it published in a loose-leaf form, subject to the approval of the Recording Clerk and the Chairman of Presbytery's Council.

Rev. Dan R. Thomas, Chairman, presented the Report of the Committee of Christian Education, which was received as information. In connection with this report, Rev. W. Kirk Allen presented a verbal report on the various activities at Presbytery's Camp during the current season. Further, in connection with the report

on Christian Education, Mr. J. O. Phillips presented the following resolution, which was adopted:

Whereas, the training of our Christian laymen for a more active participation in the various phases of Church work, and especially in the conducting of Church services, is a most worthy and desirable goal, performing the three-fold function of:

- (a) Giving the layman a broader insight into the work of the Church, and the problems of the pastors;
- (b) Providing lay leadership to fill the vacant pulpits throughout the Presbytery; and
- (c) Developing in the layman those qualities of leadership, which will make of him a better and more effective witness for his Master, and strong right arm for his pastor in helping to take the Gospel message to those outside the Church; and;

Whereas, the Men of Holston Presbytery, through their official organization, have expressed a desire and a willingness to provide laymen to fill the pulpits of all Churches in the Presbytery on Sunday, October 8, 1961, which has been officially designated as "LAYMEN'S SUNDAY";

Now Therefore; Be It Resolved that this Presbytery hereby:

1. Urges and encourages all of our Churches and their ministers and sessions, to cooperate in the observance of Laymen's Sunday;
2. Directs the Adult Education Committee of Presbytery to work with the Men of the Church, in the assignment of laymen to fill the various pulpits throughout the Presbytery; and
3. Commends the Men of the Church, as a whole, for their willingness to participate in this observance of Laymen's Sunday.

Rev. M. O. Sommers presented the Report of Presbytery's Council, with recommendations which were adopted, as follows:

The Council recommends that at this Meeting of Presbytery the Committee on Christian Education be authorized to receive an offering, the proceeds of which are to be applied to the Summer Operating Budget of the Camp.

The Council has approved the Report of the Committee on the Centennial and makes the following recommendations:

1. That the Council prepare an Agenda for the October Meeting of Presbytery in the First Church, Johnson City, so as to have the meeting convene at 2:00 o'clock P. M. Monday, October 16 and continue through Tuesday, October 17.
2. That an offering be received on Monday evening and that, after necessary expenses have been paid, the balance be sent to the Causes designated by the General Assembly's Committee on the Centennial.
3. That all Committees of Presbytery be requested to clear their dockets during October, so that Ministers and Committee members will have every opportunity and encouragement to attend the Centennial Celebration.

The Council recommends that the Manual be amended so as to provide for the following schedule of Meetings of Presbytery:

Winter Meeting—4th Thursday in January

Spring Meeting—1st Tuesday in April

Summer Meeting—4th Tuesday in July or the 3rd Friday and Saturday following in July

Fall Meeting—4th Tuesday in October

The Council recommends that the Manual be amended as follows:

1. To add to the matter on the Committee on Candidates (Section V, F, II, 2) the following paragraphs:

"This Committee shall be responsible for the enlistment of Candidates for the Ministry and Church Vocations, and shall devise effective means of presenting a challenge to the members of the Presbytery.

"A Candidate shall ordinarily be received by Presbytery only after having presented himself to a Guidance Center approved by our Church for testing, or after presenting testimonials certifying his aptitude and qualifications for effective service.

"No Candidate shall be presented for examination for ordination, under the extraordinary clause, unless he has had a minimum of one year of resident study at a Seminary approved by Presbytery."

2. To add to the Matter on the Commission On The Minister And His Work, (Section V,D) the following Paragraph:

"The Commission shall make arrangements for a period of orientation as to life and work of the Presbytery for every new minister of the Presbytery, within six months after his reception."

3. To amend the matter on Examining Committee (Section V, F, III) to read as follows:

III EXAMINING COMMITTEE

"This Committee shall conduct the examinations of all Candidates for Licensure and Ordination, and of all Ministers applying for membership in the Presbytery.

"This Committee shall have the following Subcommittees:

1. Religious Experience: The Moderator and two Ministers
2. Theology and Thesis: Two ministers
3. Church Government, Discipline, Worship, and Sacraments: Two ministers
4. English Bible: Three ministers
4. Written parts: Three ministers

"This Committee shall, prior to the Meeting of Presbytery, conduct a comprehensive examination upon the required parts for every Candidate for Ordination. The Chairman shall make assignments for examination before the Meeting of Presbytery and secure any replacements necessary for the proper conduct of all examinations. The Chairman shall report to the Presbytery the results of any examination held outside of Presbytery Meeting."

(Note: As in the case of other Committees of Presbytery the Chairman of the Examining Committee will be elected by Presbytery.)

The Council has studied carefully the recommendation of Synod regarding the establishment of a Committee of Presbytery on Christianity and Health. Feeling that the direct contact of the General Assembly's Committee on Christianity and Health with the ministers of Presbytery is more satisfactory, the Council recommends that no Committee on Christianity and Health be established.

Respectfully submitted,

For the Council,

M. O. Sommers, Vice-Chairman

3. That Presbytery approve October 15-November 1, 1961, as the time for the conducting of the Every Church Canvass in the churches.

4. That the Pre-Budget Canvass be commended to all the churches of Presbytery as a method for teaching stewardship and strengthening the spirituality of the givers.

5. That each church adopt a goal of deliberate percentage increase in benevolent giving for 1962, and thereby seek to reverse the decline in total gifts going to benevolence (\$2,852 in 1960), and the alarming trend toward decreasing the percentage of the total contributions which go to benevolences (3% loss in 1960).

Rev. L. B. Gibbs presented the Report of the Central Treasurer of Benevolences, which was approved.

The Report of the Presbytery's Council was continued.

The Presbytery took recess at noon.

Saturday Afternoon

During the noon meal, an offering for the Camp was received, and visitors were introduced.

When Presbytery reconvened at 1:30 p.m., the body was led in prayer by Rev. M. O. Sommers.

Elder J. W. Bowman presented the Report of the Committee on Resolutions, which was adopted, as follows:

The Psalmist has said, "I will lift up mine eyes unto the hills from whence cometh my help. My help cometh from the Lord, which made heaven and earth."

Indeed, God has brought us here, and indeed, He has lifted up our souls to nourish and help us. Therefore, for His providence in bringing us here together, for His grace in feeding our spirits upon the Bread of Life, and for the instruments, physical and material, which He has used to make us comfortable and satisfied in body, Holston Presbytery would say "THANK YOU."

We are grateful to our efficient Moderator and Clerks, to the Candidates for their contributions in their examinations and sermons, to the Moderator of our General Assembly for his message to us, to the Committee on Christian Education, to the cook—Adam Smith—and his staff, and all who have contributed to our mountain-top experience.

Rev. James E. Jackson presented the Report of the Committee on Resolutions, which was adopted, as follows:

BE IT RESOLVED that Holston Presbytery hereby express and record its gratitude to God in the words of the Psalmist when he said:

"O come, let us sing unto the Lord: let us make a joyful noise to the rock of our salvation.

Let us come before his presence with thanksgiving, and make a joyful noise unto him with psalms.

For the Lord is a great God, and a great King above all gods. In his hands are the deep places of the earth: the strength of the hills is his also.

The sea is his, and he made it: and his hands formed the dry land.

O come, let us worship and bow down: let us kneel before the Lord our maker.

For he is our God; and we are the people of his pasture, and the sheep of his hand." —Ps. 95:1-7a

ALSO, we are indebted to the host church for all of the comforts and conveniences it has afforded us during this centennial meeting. We are mindful of the many hours of untiring labor of the Rev. Collier S. Harvey and his committee, together with the Women of the Church, in the preparation for and the carrying out of our centennial observance. We are indeed grateful.

FINALLY, we want to thank the various churches of the Presbytery for their participation by furnishing displays of their "Heritage and Mission."

Respectfully submitted,

James E. Jackson, Jr., Chairman

January 11, 1962

The Stewardship Committee of the Council of Holston Presbytery submits the following report to the Council.

1. Rallies and Programs subcommittee: Rev. Harry L. Price, Chairman

A Deacons Training Retreat was held in conjunction with the summer meeting of Presbytery on July 29. Some 50 deacons were in attendance, with a large number of them representing men who had not previously attended this program. At the retreat the deacons were privileged to hear Dr. Wallace Alston, Moderator of the General Assembly, in his address to Presbytery. They were present for the presentation of the Stewardship Committee's report including the 1962 Askings by our agencies. A tour of the new hospital and a discussion of tithing using the film "The Will of Augusta Nash" were other aspects of this training program.

2. Every-Member-Canvass Director's Subcommittee: Dr. H. H. VanCleve, Chairman

Five Every-Member-Canvass Directors' Work Shops were held in the Presbytery July 17-21. The aim was assisting local directors and pastors to plan for an effective Canvass in the fall. The Rev. Edwin Wilson, Pastor, First Presbyterian Church, Corinth, Mississippi, was sent by the General Council as leader. Response was felt to be exceptionally good. 46 churches of the Presbytery were represented in the total attendance of 155. 70 Pre-Budget Canvass Manuals were purchased by local leaders, and the film on tithing, "The Will of Augusta Nash" received wide distribution following the work shops. The film strips purchased by the committee for training canvass visitors in the local church received little usage.

3. Stewardship Education Subcommittee: Dr. Lee G. Davy, Chairman.

42 of the 75 men of the Presbytery enlisted as Missionaries for Stewardship attended one of the three training sessions for conducting the Every Church Canvass. Between October 15 and November 1 there were 36 calls made on churches of the Presbytery. 72 out of 87 churches of the Presbytery responded positively, by making Declarations of Intentions to the Benevolent Budget of Presbytery for 1962. This compares with 73 in 1961, and 66 in 1960.

The total amount pledged by these churches and their chapels was \$227,365 as compared to \$208,562 for 1961.

A manual on Benevolences and the Local Church is being revised and completed by this subcommittee, and a work-calendar for the year's program is being prepared. Both of these will figure in the training program for Missionaries for Stewardship to be held February-March 1962.

4. Report of the Treasurer of the Stewardship Committee: D. T. McCoy, Jr.

Disbursements for the year ending December 31, 1961, amounted to \$560.80 with a balance in account of \$225.32. The budget for the work of the committee for 1962 is \$500.00.

5. Committee As A Whole: W. M. Clark, Chairman

The Stewardship Committee has met five times during the year spending an average of two hours each session in planning its work. As can be surmised from the report of the subcommittees above, most of the work is done outside of and in preparation for the stated meetings of the committee. Two

of the members of the committee attended the Assembly's Stewardship Conference in Charlotte, North Carolina, in May 1961. The practice begun last year of sending an additional member to the conference from the committee and assuming the expense for this in the Stewardship Committee budget would seem worthy of repetition.

The committee welcomes John Provost of Jefferson City on the committee, and to the class of 1964 and the re-election of Cecil Horner and Jack Nickels to this class. We are grateful to God for the response of the churches to His redeeming love. We are encouraged that the gifts anticipated for the work we do together in 1962 exceed by \$19,000 the pledges for 1961.

Recommendation: That the proposed budget for Holston Presbytery for 1962 be adopted.

Respectfully submitted,
William M. Clark, Chairman
Stewardship Subcommittee

Report of the Subcommittee on Audits

January, 1962

The Subcommittee on Audits makes the following report: At a meeting on June 19, 1961, the following treasurer's books were examined and approved:

1. The Treasurer of Holston Presbytery
2. The Holston Presbyterian Home
3. The Church Extension Committee
4. The Central Treasurer of Benevolences
5. The Stewardship Subcommittee of the Council
6. The Church and Manse Builders League
7. Camp Operation

The Christian Education Committee did not submit their books for audit.

We commend each of these Treasurers for the fine work they are doing and express the gratitude of Holston Presbytery to each of them.

Respectfully submitted,
Stewart McCorkle
Sam Anderson, Jr.
Fred W. Walker

Rev. J. Graham Spurrier, Chairman, presented the Report of the Committee on World Missions, which was received as infor-

mation. In connection with this report, Elder Leon W. Morrow made announcements concerning the itineration of two missionaries in the Presbytery; Mrs. Kenneth Kepler, and Rev. Frank Soules. Dear Dr. VanCleve

I wish to request that the Commission appointed by Presbytery to ordain me on December 31, 1961, do not proceed with the ordination.

The reason I am making this request is for my own personal reasons which I do not feel are necessary to be stated at this time. I am hoping that in the future the way will be made available for me to pursue with this action.

Thank you for your personal interest and guidance during the past few years.

Sincerely,
Carl L. Kessel

Carr, Secretary of the Department of Town and Country Church, of the Board of Church Extension. Mr. Carr spoke briefly on Church Extension, and presented Attainment Standard Awards to representatives of the following churches: Arbor Dale, Rumble Memorial, Baird's Creek, Newland, Newdale, Meadow Creek, Meadowview, Beidleman, Estatoa, Micaville, Vians Valley, Ridgeview, Leesburg, Providence, and Oakland. The Report was received as information, with the financial statement to be printed, and the

following recommendations were adopted:

RECOMMENDATIONS:

1. That every pastor and congregation be urged to observe in some appropriate way the Season of Special Emphasis on Church Extension during the month of May. As in previous year the presbytery will retain 80% of all supplementary offerings for its own use and remit 20% to the Assembly's Board of Church Extension for distribution to areas of particular need.
2. That pastors and session take advantage of opportunities to begin new work in suburban communities, and other places in the presbytery, revealing promise of growth by surveys, and call upon the Church Extension Committee for guidance when needed. Miss Bessie Mae Stribling will be available for survey work.
3. That churches and individuals making special offerings to local area building projects or purchase of lots, so designate the amounts when it is sent to the Central Treasurer of Benevolences. A separate projects fund will be kept by the Church Extension Committee, as this money is remitted from the Central Treasurer.
4. That the Central Church of Kingsport, Tennessee, be commended and congratulated for reaching the goal of self-support, beginning with 1962. To be commended also, are the Strawberry Plains, Blaine, Rutledge, and Meadow Creek churches for reaching self-support at the beginning of 1961.
5. That all churches asking an increase in pastor's salary and gifts to Benevolences, be commended, and that the goal of self-support be kept before the congregations during the year.
6. That the Church Extension Committee be authorized to regroup churches where there would be an advantage for more pastoral care and support.
7. That all Ministers be requested and urged to preach for at least one revival meeting in the Presbytery during the year, when called upon by the churches.
8. That the Russ Memorial Church, Bakersville, N. C., RFD 2, be dissolved as of January 1, 1962, at the request of the pastor and congregation, and that the membership left there be placed in the Ridgeview Church in a nearby community. This will remain a chapel for a Sunday school and preaching services.
9. That all benevolence offerings be sent to the Central Treasurer, Mr. T. R. Bainbridge, 4517 Timberlake Lane, Kingsport, Tennessee, monthly, if possible.

Mr. D. R. Beeson presented the Report of the Trustees of Holston Presbyterian Home, Inc., which was received as information and ordered printed, as follows:

**Report To Presbytery
Holston Presbyterian Home, Inc.
January 25, 1962**

The Holston Presbyterian Home, through its Board of Trustees, submits the following report to Holston Presbytery of its action to date:

1. At a called meeting of the Board at Johnson City on October 31, 1961, it was decided to approve the site originally decided upon, and for which deed had been made in the summer of 1961, the site being located about 1000 feet north of the north City Limits of Johnson City and the junction with the Bristol Highway. The site consists of 17½ acres and cost \$2000 per acre or \$35,500 total cost, on which a first payment (1/3) amounting to \$11,833 was made from funds on hand in our treasury.

Some 20 sites had been considered by the site committee composed of members from Bristol, Morristown, Kingsport and Johnson City.

An 8" water main of the Johnson City system adjoins the property and we have had official assurance that a local sewage disposal will be approved until the proposed pumping station of the Johnson City sewer system for North Johnson City is constructed.

2. It was decided by the Board to begin operations at a location as centrally placed as possible, and that consideration of additional units at other locations be considered at a later date. The policy of spreading such work over several separated locations has been successfully carried out in some existing Homes and is being considered by others.

3. Authorization has been given by the Board for preparation of preliminary sketches together with site plans and showing possibilities for future development of the acreage.

Considerable progress has been made on these sketches which are being shown herewith tho not yet approved in detail by the Board.

4. Following the recommendation of Presbytery, we are proceeding to organize a fund-raising campaign this current year of 1962 and will announce details of the proposed campaign to the Churches of Presbytery at an early date. There has been no definite decision as yet as to whether to employ a professional fund-raiser or to go ahead with our own organization only.

5. It is the intention of the Board that admission to the Home be primarily reserved for members of the Presbyterian Church but that desirable persons from other denominations will be welcome if the space and conditions permit.

Also, it is our purpose to admit worthy and desirable applicants who are unable to bear the full financial responsibility of their residence, the balance being borne through outside help tho mainly by Holston Presbytery in method and amount to be decided, the number of such cases depending, of course, on the amount of financial help from the outside including Presbytery.

Possibly special collections might be taken as is done for this cause in the Synod of North Carolina on Mother's Day in all Churches of the Synod, for their fine Home at High Point.

6. The size of the first building contemplated is such as will house 40 persons, plus help, with accommodations for medical attention, dining room facilities, activities and service.

The plans have not been developed far enough for a close estimate of cost but the outlay will be approximately \$450,000.

Two Federal money-lending agencies have expressed themselves as willing to execute a long-term loan covering the balance of the construction costs not raised in the forthcoming campaign.

7. Officers for 1962 are as follows:

Chas. T. Herndon III, Johnson City, Chairman of Board

Rev. Pitar M. Lyons, Kingsport, Vice Chairman

Mrs. Agnes C. Rogers, Johnson City, Secretary-Treasurer

8. We recommend that the entire Presbytery give careful and prayerful consideration to this important project; that the Pastors of the Churches be diligent in keeping the cause before the membership; and that the Pastors cooperate with this Board in all its endeavors toward the success of this campaign.

D. R. Beeson,

Chairman of Board of Trustees

The following report of an ad interim committee was presented and adopted:

**Report of Presbytery's Committee To
Study Subject of the "Sovereignty of God" and
The Action of Assembly in 1961**

Your Committee has studied the Third Chapter of our Confession of Faith and the detailed report of the Assembly's Committee on "POSSIBLE REVISION OF CHAPTER III OF THE CONFESSION OF FAITH".

We concur with the Assembly's Committee's view that any attempt to revise this Chapter would require a complete revision of the Confession to make it harmonize with any changes that might be made one way or another.

The Statements of the Confession of Faith are based upon statements in the Bible and unless these statements of the Scripture are changed, which is not within our power to do, changes could not be made with Scriptural support.

We further encourage constant study of "The Confession of Faith" by pastors, officers and congregations so that they will be informed about the teachings we believe true to the Holy Scriptures.

We concur with the Assembly's Committee also in its recommendations that the Church teach the outstanding doctrines contained in our Confession of Faith.

We definitely concur with the Assembly's Committee's first recommendation that no change be made in Chapter III.

Respectfully submitted,
R. A. Brown, Chm.

Council 1-10-63—Acts on subcommittee's proposed budget for 1963

Presbytery 1-24-63—Receives and acts on 1963 budget

In connection with the Report of the Council, Rev. W. M. Clark, Chairman of the Subcommittee on Stewardship, spoke briefly on Stewardship, and presented Rev. H. H. VanCleve, who spoke regarding the Workshops for Every Member Canvass Directors. Mr. Clark spoke regarding the Missionaries for Stewardship program, and the World Mission crisis.

Rev. O'Dell Smith was asked to speak to the Presbytery, later in the day, about his work in Brazil.

The Presbytery recessed for fifteen minutes.

When the Presbytery reconvened, Rev. Thomas C. Rhea presented the Report of the Committee on Candidates. He presented the request of Candidate Allen Cowan for a letter of dismissal to Knoxville Presbytery, and this was granted. He then presented Mr. Bill Williams, a member of First Church, Kingsport for reception under the care of the Presbytery as a Candidate for the Ministry. Mr. Williams' testimonials were in order, and his examination was approved as satisfactory. Rev. M. O. Sommers, who was formerly pastor of Mr. Williams' parents, led the Presbytery in prayer, and gave the charge to the candidate, and Mr. Williams was enrolled as a Candidate for the Ministry.

Rev. M. O. Sommers, Chairman, presented the Report of the Commission on the Minister and His Work. The Presbytery approved the recommendation of the Commission that Rev. Walser Penland be made Temporary Supply of the Paint Gap Church. The motion to receive Rev. William H. Key having been made at the Winter Meeting, the vote was taken at this time and the motion was carried, with no dissenting votes. The Presbytery approved the following statement: The Presbytery received Mr. Rev. Key without his having received a college or seminary degree, because of his ability, long continued study, experience, and evidence of usefulness. (Note: Rev. Mr. Key was received on the basis of his full ordination in the Congregational Methodist Church, although he came to the Presbyterian Church through the Methodist Church, in which he had, at the time, the status of Approved Supply.) As Mr. Key had been ordained in a church with different ordination vows, he indicated his assent to the ordination vows of the Presbyterian Church, U. S., and signed the Obligation. Upon recommendation of the Commission, Mr. Key was made Stated Supply of the Magill Memorial, Gray's Chapel, Tiger Creek, and Cove Creek Churches, this relationship to become effective June 1, 1962.

The Stated Clerk presented his Report as Stated Clerk and Treasurer, which was adopted as follows:

The Resolutions Committee wishes to express the gratitude of Holston Presbytery in the following areas.

We are grateful to our Lord and Saviour, under whose call and guidance we labored here today.

We are grateful to King College, its faculty and student body for making us welcome. We especially appreciate the students' changing their class schedules and lunch hour to accommodate us, and desire that special thanks be extended to the cooks and students that did "double duty" for us. To Dr. R. T. L. Liston we are grateful for his faithful reminder of our obligation to this institution, and for his own expressions of hospitality on behalf of the College. Pertaining to the buildings and work on campus, we are happy to see the money well used.

We are grateful to the Rev. O'Dell Smith for telling of his work in Brazil. Also to Mr. James C. Furman, Executive Secretary, United Tennessee League, we express thanks for sharing his testimony and the work of his League in reaching High School youth concerning Alcoholism.

We are grateful to Dr. S. Hugh Bradley for lifting our hearts and souls by laying before us the Certainties of the Christian.

Appendix I

Memorial to the Reverend Doctor Robert Yost

Dr. Robert Yost, former President of King College, died at his home in Bristol on January 28 after a long illness. He was 95 years old.

Dr. Yost received his A. B. degree from Monmouth College at Monmouth, Ill., his B. D. degree from Pittsburgh Theological Seminary, and the D. D. degree from King College.

From 1905 to 1911 he was pastor of the Central Presbyterian Church of Joliet, Ill., and from 1911 to 1915 pastor of the First Presbyterian Church of Duluth, Minn. He served as professor of Bible at Tusculum College from 1915 to 1923.

Dr. Yost had been associated with King College since 1923, when he began eleven years of service as professor of Bible.

He was president of the college in 1934 and 1935, and from 1936 to 1954 held the post of Assistant to the President.

Since 1954, when he retired, Dr. Yost had been Clifford D. Caldwell Professor of Bible Emeritus of King College.

Dr. Yost's teaching of the Bible and his interest in individual students served to commend the Christian faith to every segment of the King student body. Many men now preaching the gospel came to this decision in his classroom and in personal interviews with him.

After his retirement Dr. Yost continued to exercise over the radio a ministry of great and widespread usefulness.

Friday Evening Session

The examination was sustained as satisfactory, in its parts and as a whole, and, upon his signing the Obligation, Mr. Horne was received into the Presbytery. A call from the Newland Church for the pastoral services of Mr. Horne was read, found in order, and placed in his hands. He accepted the call, and the following commission was appointed to install him on September 2, 1962, at 11:00 A.M.: To preside, Rev. Dan R. Thomas; To preach, Rev. Collier S. The Report of the Stated Clerk was presented and adopted, as follows:

We have submitted Volumes 1961-B and 1962-A of the Minutes of the Presbytery to the Synod for examination, and these have been approved without exception.

1. Inasmuch as the Annual Statistical Report of Sessions will, for this one year, call for the combined total of the non-communing and inactive members, in order that our Church's quota of chaplains for the armed forces may be determined upon the same basis as that of other churches, we recommend that all sessions be urged to comply now with the provision of the Book of Church Order (8-7) requiring that the session keep three rolls of the members of the church: active, inactive, and non-communing.

2. Because of difficulties during the past few years in securing Ruling Elders to represent the Presbytery as Commissioners to the General Assembly, we recommend that all ministers and sessions who would nominate men for this duty, determine, before sending the name of an elder to the Stated Clerk, whether or not there is a reasonable expectation that this elder would attend the Assembly, if elected.

3. We recommend that the Manual be so amended that, in the Division of Presbytery's Work for Four Meetings, the Report of the Trustees of Holston Presbyterian Home will be included in the Stated Winter Meeting.

4. Because of a request from the Office of the Stated Clerk of the General Assembly that Commissioners to the Assembly be elected at the Fall Meeting rather than at the Winter Meeting, we recommend that the Manual be amended as follows:

The first sentence in the closing paragraph of A. General Rules to read: "Commissioners to the General Assembly shall be elected at each fall meeting"; and Section V, F, II, 8, b, first paragraph, to read: "The Session or Ministers of a church wishing to file a nomination shall file with the Stated Clerk by September 1 of each year a list of Elders from that particular church who should be given consideration in the nomination of commissioners to the General Assembly to be elected the following October."

5. We recommend that the Stated Clerk be authorized to make any necessary changes in references in the Manual, to the Book of Church Order, to make these conform to the 1961 edition of the Book of Church Order, without a second vote on this detail, this action being final now.

Respectfully submitted,
L. B. Gibbs, Stated Clerk

The adoption of the above constituted approval of Items 3 and 4 on the first reading only.

A recommendation to amend the Manual so as to make the Examining Committee a Permanent Committee of Presbytery was adopted upon the second reading. (See Minutes, Volume 1962-A, p. 37).

The Report of the Trustees of Holston Presbyterian Home was presented by Mr. C. T. Herndon, III. The Presbytery adopted the Report, and re-affirmed its action of two years ago, endorsing the financial campaign for the Home. The Report is as follows:

The Holston Presbyterian Home, through its Board of Trustees, submits the following report to Holston Presbytery of its activities since the report of January 25, 1962.

1. Early in March, 1962, Mr. D. R. Beeson, Dr. John Yelton and C. T. Herndon, III, made a trip (at their own expense) to Quitman, Georgia, to inspect the Presbyterian Home, Inc., operated by the Synod of Georgia. This home had at the time 115 residents ranging from those blind or otherwise completely disabled to those fully able to take care of themselves. As a result of this visit much information relative to construction, financing, operation and care was obtained. A small Presbyterian nursing home at Sweetwater, Tennessee, was also inspected on this trip.

2. Mr. R. A. Short, Director of the Presbyterian Home, High Point, North Carolina, appeared before the regular meeting of the Board of Trustees on April 5, 1962, at Johnson City. The problems encountered in that operation were described and valuable suggestions regarding general policy were made.

3. Preliminary plans for a fund-raising campaign were under way when some question developed within the Council of Holston Presbytery as to the advisability of such a campaign at this time in view of certain other programs already under way in the Presbytery and others to get under way shortly.

Campaign plans were held in abeyance until the Board could meet with the Council. This meeting was held May 31, 1962, and joint agreement was reached for a campaign in the amount of \$50,000.00 to begin as quickly as possible. Approximately one-half of this amount will be needed to complete the purchase of the building site and one-half will be necessary for expenses required to secure funds and get the building program underway.

4. Property on which to locate the building was purchased July 18, 1961, and one-third of the purchase price as made at that time with the balance to be paid in equal installments on July 18, 1962, and July 18, 1963. Due to unavoidable delays in getting the campaign under way, the Board did not have sufficient funds to make the payment on the principal due July 18, 1962, but the Board was successful in getting this payment deferred for 6 months and interest has been paid from July, 1961, to July, 1962. The campaign should produce funds to meet this obligation without difficulty.

5. The Campaign.

(a) Dr. Ferguson Wood, First Presbyterian Church, Johnson City, is heading the campaign.

(b) With the thought in mind that Charity begins at home, solicitation of pledges is under way among the members of the Board of Trustees. A number of pledges have been received and this phase should be complete within a short time.

(c) Efforts to raise funds will proceed along three general lines. First, there will be individual solicitation by members of the Board and others interested in the program although the precise approach has not been definitely settled upon. Secondly, we hope to be included in the benevolent budgets of the Churches to whatever extent each Church feels that it can participate. Third, beginning in 1964, we expect to be included in the benevolent budget of the Presbytery as one of the participating causes.

(d) An attractive brochure has been printed and is available for distribution. The Board is especially indebted to Leo Hall of Valley Pike Church, Bristol, for the time and care that he has taken in the preparation of this brochure. Copies of this brochure and this report are furnished to those in attendance at this meeting.

C. T. Herndon, III
Chairman of the Board

The Report of the Committee of Church Extension was presented, and in connection with it, Rev. Collier S. Harvey gave the Report of the Subcommittee on Evangelism. The Presbytery was led in prayer by Rev. John S. Yelton. The Report was approved, and the Recommendations adopted, as follows:

Your committee on evangelism offers the following recommendations:

1. That each church, at least annually, review its evangelistic program—its weaknesses and strengths; and that it plan a strategy of outreach for its members, using friendship and person to person methods, instruction classes and periodic evangelistic meetings.

2. That each church recognize its evangelistic opportunity through the establishment of outpost Sunday Schools and Chapels, after consultation with Presbytery's Church Extension Committee or its Executive Secretary.

3. That a rally on Evangelism be conducted in each of the six districts sometime during September and October of this year and that each local church strive to have at least 7 key people at the rally in its district.

4. That at this meeting of presbytery special prayer be offered for evangelism and especially in view of the shortage of ministers that "the Lord of the harvest will send forth more laborers into the fields that are white unto harvest."

5. That Rev. Leighton Ford be asked to teach in a Seminar on Evangelism when he comes to First Church, Johnson City, September 16-23; and that Rev. Cecil Thompson be asked to teach in a Seminar on Evangelism when he comes to Princeton Church, November 18-25.

The Church Extension Committee presents the following recommendations:

1. That the Banks Creek Church, Burnsville, N. C., RFD, be dissolved, by request of the pastor and congregation, and that the members left be transferred to the roll of the Paint Gap Church nearby, or to the church of their choice. The Sunday School will continue to operate.

2. That a Donation Grant of \$2,000.00 from the Assembly's Board be renewed for the Newland Church for 1963, if the building project gets underway.

3. That the following Resolution be adopted:

WHEREAS, title to the Shenandoah Presbyterian Church property is in the Trustees of Holston Presbytery and is subject to a mortgage loan in favor of Elizabethton Federal Savings and Loan Association, and

WHEREAS, the members of this Church desire to construct a Manse on this property and it appears that two (2) lots consisting of approximately one acre of land will be needed for this purpose,

IT IS THEREFORE, RESOLVED that the Trustees of Holston Presbytery be and they hereby are authorized and instructed to convey to the Trustees of Shenandoah Presbyterian Church, two (2) lots, being No. 1 and 2, according to the Plat of this property, and subject to these lots being released from the present mortgage.

The Report of the Committee on Christian Education was presented by Rev. Pitser M. Lyons, III. Rev. Blake Brinkerhoff presented the Report of the Subcommittee on Youth Work, and Rev. Richard Keeton the Report on Adult Work. Mr. J. O. Phillips spoke on Men's Work and Laymen's Sunday. The Report was received as information, and the following Resolution pertaining to Laymen's Sunday was adopted:

WHEREAS, October 21, 1962 has been officially designated as "Laymen's Sunday" throughout our General Assembly; and

The observance of this occasion should provide an opportunity for laymen to fill the pulpits in all churches within this Presbytery;

NOW THEREFORE, be it resolved, That the pastors and laymen in all churches within Holston Presbytery are urged and encouraged to observe Laymen's Sunday by having one or more of the services on this Sunday conducted exclusively by lay members of the Church.

BE IT FURTHER RESOLVED, That it is the recommendation of the Christian Education Committee (Adult Work) that, so far as possible, the Laymen's Sunday services be conducted by laymen from within each church, rather than laymen from other churches; that, so far as possible and feasible, not less than three laymen should participate in the conducting of each service; that the program to be presented be related to Stewardship of Time, Talents and Means. Such recommendation of this Committee is hereby adopted as the recommendation of this Presbytery to the various churches.

The Presbytery took recess at 8:45 P.M.

When the Presbytery reconvened at 9:00 P.M., Candidate George M. Conn led in a service of worship, and preached a sermon on Matthew 5:14-16, as one of his trial parts. Rev. G. Barrett Gilmer and Rev. Harry L. Price administered the Sacrament of the Lord's Supper.

Presbytery adjourned, to meet on Saturday, July 21, at 9:00 A.M.

Saturday Morning Session

The Presbytery convened at 9:00 A.M., being called to order by the Moderator, and engaged in prayer led by Rev. Louis A. Sandos. Candidate Larry D. Kennon preached a sermon on "The Necessity for Preaching the Gospel", I Corinthians 9, as one of his trial parts.

The sermons of Messrs. Conn and Kennon were accepted as satisfactory, and their examinations were sustained as a whole.

Mrs. Robert Hayes was presented to the Presbytery, and announced the annual concerts at the Rumble Memorial Church, and at Banner Elk.

As a continuation of the Report of the Committee on Christian Education, Rev. T. C. Rhea spoke on the indebtedness on Holston Presbytery Camp, and Rev. W. Kirk Allen gave a report on the Camping Program.

A call from the Session of the First Church, Bristol, for the services of Mr. Larry D. Kennon as Assistant Pastor was presented, and was found in order and placed in his hands. He signified his acceptance of the call, and the following commission was appointed to ordain him at the First Presbyterian Church, Bristol, Tennessee, July 29, 1962, at 5:00 or 7:30 P.M.: To preside, Rev. Wm. H. McCorkle; To charge the congregation, Elder F. S. Rankin; To charge the minister, Rev. E. O'Dell Smith; To complete the commission, Rev. George A. Anderson, and Ruling Elders W. R. Jones and J. E. Faucette; Alternate minister, Rev. Horace E. Stoessel; To be invited to preach the sermon, Rev. Chas. R. Kennon, of Louisiana Presbytery.

A call from the Shenandoah Church for the pastoral services of Mr. George M. Conn was read, found in order, and placed in Mr. Conn's hands. He signified his acceptance of the call, and the following commission was appointed to ordain and install him,

at the Shenandoah Church, Johnson City, Tennessee, August 5, 1962, at 7:30 P.M.: To preside, Rev. Marvin K. Compher; To charge the congregation, Rev. Henry S. Schum; To charge the pastor, Rev. Ferguson Wood; To complete the commission, Ruling Elders J. B. Miles, J. D. Greene, and Morton Brown; Alternates, Rev. John S. Yelton and Elder John Jolliffe; To be invited to preach the sermon, Rev. David W. A. Taylor, of Abingdon Presbytery.

The Report of the Presbytery's Council was presented by Dr. Lee G. Davy, Chairman. This was adopted, with recommendations, as follows: (the recommendation concerning appreciation for the services of Mr. and Mrs. Bainbridge being adopted by a rising vote):

The subjoined docket for the July meeting of Holston Presbytery has been approved by the Council. It is recommended that the docket be adopted by Presbytery.

The report of the Stewardship Subcommittee is attached. The Council has reviewed the report. They voted to commend the Stewardship Subcommittee on the preparation of the pamphlet entitled "Benevolences in the Local Church". The eight recommendations of the Stewardship Subcommittee report have been approved by the Council and are to be presented to Presbytery for approval.

Mr. Tom Bainbridge has submitted his resignation as Central Treasurer of Benevolences for Holston Presbytery after five years of dedicated service. The Council has accepted his resignation. THE COUNCIL RECOMMENDS that the Stated Clerk of Holston Presbytery be instructed to write a letter to Mr. and Mrs. Tom Bainbridge expressing the gratitude of the Presbytery for their capable and devoted service in the Office of the Central Treasurer during the past five years.

Mr. Ernest Sauer, 108 McTeer Drive, Kingsport, Tennessee, has consented to serve as Central Treasurer of Benevolences for Holston Presbytery, if elected. Tentative arrangements, subject to approval of Presbytery, have been discussed with Mr. Sauer. The term of office would be three years, the salary \$720 per year. These terms are acceptable to Mr. Sauer but he asks that the first \$320 of salary be used by Presbytery not to reimburse Mr. Sauer, but to purchase adequate equipment for the office of the Central Treasurer. That is to say that Mr. Sauer wishes to make a gift of \$320 worth of office equipment to the Presbytery, but, because of the possible effect on his social security benefits, he would prefer that the Presbytery purchase the equipment directly without making payment to him. Mr. Sauer is a retired Certified Public Accountant and an Elder in the Colonial Heights Church. THE COUNCIL RECOMMENDS that Mr. Ernest H. Sauer be employed as Central Treasurer of Benevolences for three years at a salary of \$400 the first year and \$720 the succeeding years, and that Presbytery agree to invest approximately \$320 in equipment for the office of Central Treasurer, the change in treasurers to be effective August 1, 1962.

We recommend that the October meeting of Presbytery be held October 23, 1962, at the Windsor Avenue Presbyterian Church, Bristol, Tennessee, and;

That the January meeting of Presbytery be held January 24, 1963, at the First Presbyterian Church, Kingsport, Tennessee.

As a part of the Council Report, Rev. W. M. Clark, Chairman of the Subcommittee on Stewardship, presented the Report of that Subcommittee and Mr. W. L. Rungay, Statistician for the Subcommittee presented Statistical Information. An extract from Mr. Rungay's report is printed in this volume as Appendix I; and the Askings for 1963 for the Causes of Presbytery, Synod and General Assembly are printed as Appendix II. The Recommendations on Stewardship were adopted, and are as follows:

1. That the Presbytery recognize and welcome the deacons present for the Training Retreat, and that they be given the privilege of the floor during the discussion of the report of the Stewardship Subcommittee.

2. That the churches again be urged to send all gifts to benevolences through the central treasurer other than the gifts to the campaign for King College and Campus Christian Life which are sent direct to the campaign office.

3. That leaders of the local church study carefully the statistical report presented in the report of the Stewardship Subcommittee, especially noting the trends in giving as pointed out in the report.

4. That the askings report as amended by the Stewardship Subcommittee be adopted as representing the minimum needs of the agencies, and that Sessions and Boards in the local churches be urged to interpret these needs and assure the meeting of them in total through adopting a goal of deliberate percentage increase in benevolent giving for 1963.

5. That every church in presbytery be urged to conduct an Every Member Canvass in the fall, using the theme "They First Gave Themselves", and engage with other churches across the Assembly in the tithing emphasis for 1963.

6. That the Every Church Canvass be conducted in all the churches of presbytery October 1-21, 1962.

7. That the Capital Funds Campaign for Assembly Agencies in 1963 be given full support in the churches.

8. That the plea of Louisville Seminary for unpaid pledges made toward the new campus be heard by those churches in arrears on such commitments.

Respectfully submitted,
W. M. Clark, Chairman

The Trustees of Holston Presbyterian Camp were authorized to conduct a campaign in the churches of the Presbytery to raise the money to pay off the indebtedness on the camp property, \$24,000.00, the campaign to be launched immediately and to be continued until the debt is cleared.

The Presbytery took a brief recess.

The Report of the Committee on Candidates was presented by Rev. Thomas C. Rhea, Chairman. The Chairman presented Messrs. Richard Slyman, from the Rosemont Church; Andrew Douglas Flick, Jr., from the Fairmount Church; and Jack Smith Stout, from the Banner Elk Church, to be examined for reception as Candidates for the Ministry. They were examined as prescribed, and their examinations were sustained as satisfactory in parts and as a whole. Having taken the prescribed vows, they were enrolled as Candidates for the Ministry. Rev. D. E. Renegar led the Presbytery in

Prayer, and Mr. Rhea gave a charge to the candidates. The benediction was pronounced by Rev. Dan Thomas.

Mr. Rhea reported on each candidate on the roll. For reasons stated by the Chairman, the name of Mr. Kelly Godsey was removed from the Roll of Candidates for the Ministry; and the names of Miss Lillian Buck and Miss Helen Whitten were removed from the Roll of Those Approved for Christian Service.

The Report of the Committee on Nominations was presented by Rev. D. E. Renegar, Chairman. The unexpired term of Rev. J. J. Monroe, on the Committee on World Missions, was filled by the election of Rev. George M. Conn (Class of 1962); and it was determined that the term of Rev. Louis A. Sandos on the Synod's Committee on General Fund Agencies will expire in 1964.

The Presbytery took recess for lunch. During the meal, Deacons were introduced, and an offering was received to help defray the expenses of the entertainment of the Presbytery at the Camp. This amounted to \$342.66.

Afternoon Session

The Moderator called the meeting to order at 1:30 P.M., and the body engaged in prayer led by Rev. Wm. H. McCorkle.

The Report of the Committee on Christian Higher Educational Institutions was presented by the Chairman, Rev. Dan R. Thomas. In connection with this report, Rev. George A. Anderson spoke on King College; Rev. Earl R. MacCormac, on Davidson College; and Colonel Max Chapman, President of Lees-McRae College, on that institution. Rev. R. A. Brown, also spoke on Lees-McRae College, as a Trustee of that institution. The Presbytery engaged in prayer for Lees-McRae College, led by Rev. M. O. Sommers. A resolution to instruct the Board of Trustees of Lees-McRae College to report to the churches of the Presbytery the denominational affiliation of the members of the faculty and staff of the College was tabled.

The Reports of Commissioners to the General Assembly were presented as follows: Rev. D. McD. Monroe, Rev. James E. Jackson, Jr., and Ruling Elder L. I. Rankin reported in person; Rev. Collier S. Harvey presented the written report of Ruling Elder E. C. Blackard; Rev. Mr. Jackson reported on the diligence of Rev. R. T. L. Liston and Ruling Elder J. W. Crockett, who were not present at Presbytery. The Commissioners were commended for their diligence, and their reports were received as information.

Rev. M. O. Sommers, Chairman of the Commission on the Minister and His Work, presented Rev. Meigs A. Newkirk, of Fayetteville Presbytery, and Rev. Basil P. Sharpe, of Guerrant Presbytery. Letters of dismissal from their respective Presbyteries were found in order, the men were examined as prescribed, their examinations were sustained as satisfactory, and, upon their signing the Obligation, they were received into the Presbytery.

Calls from the Meadowview and Thomas Memorial Churches for the pastoral services of Mr. Newkirk were read, found in order, and placed in his hands. He signified his acceptance of the calls, and the following Commissions to Install him were appointed:

Rev. William H. Key, having been received into the Presbytery at its Adjourned Spring Meeting, April 3, 1962, had subsequently notified the Chairman of the Commission on the Minister and His Work of his decision to remain in the Methodist Church, because of a number of reasons. The Presbytery recorded this irregularity, withdrew from Mr. Key all authority to exercise office derived from our Church, and removed his name from the roll of the Presbytery. This was done without any censure of Mr. Key, and because of his own decision.

The Report of the Commission on the Minister and His Work was presented by the Chairman, Rev. M. O. Sommers, and was adopted. (There is some duplication here in recording the actions of the Presbytery, as the business recommended by the Commission was spread throughout the meeting. This report gathers them up, and shows that they were cleared through the Commission.)

The Report is as follows:

We recommend:

1. That, at his request, the name of Rev. William H. Key be stricken from the Roll of Presbytery.
2. That the Stated Supplyship existing between Rev. Charles E. Allen and the Meadowview Church be dissolved, effective July 31, 1962.

Horne from the Presbytery of Concord in order; and that, following his reception into the Presbytery, the call from the Newland Church for his pastoral services be found in order and placed in his hands, and that a commission be appointed to install him.

Sharp from the Presbytery of Guerrant in order; and that, following his reception into the Presbytery, the call from the Bridwell-Heights Church for his pastoral services be found in order and placed in his hands, and that a commission be appointed to install him.

8. That Presbytery establish a minimum annual salary for trained ordained ministers as follows: Single men, \$4,000; Married men, \$4,500, with two hundred dollars for each dependent child up to three.

9. That the Report of Chaplain D. F. Waddell be received as information, and that the Stated Clerk be instructed to print pertinent excerpts in the Minutes. (See Appendix III).

10. That the request of the Weaver Church that the relationship of Rev. J. E. Farthing to the church be changed from Stated Supply to pastor be granted, and that a commission be appointed to install him.

In adopting the above Report, the Presbytery made January 1, 1963 the effective date for the minimum salary specified, and directed that calls which do not come up to this standard are to be reported on the floor of Presbytery.

The constitutional requirements having been met, I hereby call the Presbytery of Holston to meet in the First Presbyterian Church, Bristol, Tennessee, Tuesday, September 25, 1962, at 2:30 P.M., to transact the following business, if the way be clear:

Schum, Rev. Fred W. Walker, Rev. J. Edsel Farthing, Rev. R. P. Keeton, and the Elder from the Bethel Church).

The Presbytery proceeded with the business stated in the call.

Rev. Thomas C. Rhea, Chairman of the Committee on Candidates, presented Candidate Bill Williams for examination for ordination. Rev. Ralph A. Brown, Chairman of the Committee on

Examinations, proceeded with the examination. Since Mr. Williams had been thoroughly examined by the Presbytery at its April meeting in regard to his religious experience (when he was received under the care of Presbytery as a Candidate), the Presbytery accepted that examination as satisfactory for that part of the examination for ordination. The examination on Theology was conducted by Rev. George A. Anderson; that on Church Government and Discipline by Rev. D. E. Renegar; that on Worship and the Sacraments by Rev. J. E. Jackson, Jr.; that on English Bible by Rev. B. Harrison Taylor. Each of these parts was, in turn, sustained as satisfactory. Rev. Ralph A. Brown reported that the written parts of the examination had been examined by the Committee, and recommended that they be accepted as satisfactory. This recommendation was adopted. Rev. Thomas C. Rhea reported that Mr. Williams was a graduate of Virginia Polytechnic Institute and of Gordon Divinity School, in Massachusetts, and this was accepted as satisfactory in lieu of academic requirements. Rev. W. Kirk Allen, Pastor of the Candidate, made a statement to the Presbytery, commending Mr. Williams for his thorough preparation in Church Government and Polity.

At this point, Mr. Williams was excused for a short time, and the Presbytery proceeded to other items of business.

The Presbytery approved the relationship of Rev. Gilbert Bailey as Interim Supply for the New Ebenezer and Chuckey Churches, this having been approved by the Commission on the Minister and His Work.

Following a statement by Rev. Thomas C. Rhea as to the reasons for the request of his brother, the Presbytery granted the request of Rev. John I. Rhea, a Chaplain in the U. S. Army, on his terminal tour of duty in the Pentagon, for a letter of dismissal to the Presbytery of Potomac. The Presbytery directed Rev. R. A. Brown to send a letter of commendation with the letter of dismissal.

Rev. M. O. Sommers presented the recommendation of the Commission on the Minister and His Work that the Presbytery approve the call of the Jefferson City Church to Rev. E. O'Dell Smith for his pastoral services. The call was found in order by the Presbytery, and was placed in Mr. Smith's hands. Mr. Smith having informed the Commission of his acceptance of the call, the following Commission to install him as Pastor of the Jefferson City Church, October 21, 1962, at 7:00 P.M., was appointed: To preside, Rev. M. O. Sommers; To preach, Rev. H. E. Stoessel; To charge the congregation, Ruling Elder Carl T. Vance; To complete the commission, Rev. Larry D. Kennon, and Ruling Elders J. W. Crockett and S. Alfred Taylor; Alternate Ruling Elder, H. C. Evans, Sr.; To be invited to charge the pastor, Rev. J. Bruce Frye, of Asheville Presbytery.

At this point, Candidate Bill Williams preached on The Life in Christ, Colossians 2:6, 7. This part of the examination was sustained, and the examination as a whole was sustained as satisfactory.

Rev. M. O. Sommers presented calls from the Clinton, Mountain City, and Shady Valley Churches to Mr. Williams for his pastoral services, and recommended that they be found in order. The calls were approved and placed in the hands of Mr. Williams.

who signified his acceptance of the call. The following Commission to Ordain and Install him as pastor of the three churches, the service to be held in the Mountain City Church, September 30, 1962, at 2:30 P.M., was appointed: To preside, Rev. John S. Yelton; To preach, Rev. W. Kirk Allen; To charge the congregation, Ruling Elder L. M. McAmis; To charge the pastor, Rev. L. B. Gibbs; To complete the commission, Ruling Elders A. N. Blevins and Robert Marshall; Alternates, Rev. J. Edsel Farthing and Ruling Elder Oscar Rash.

Rev. John S. Yelton presented the request of the Tiger Creek Church that it be dissolved, as of December 31, 1962, it being understood that the group will continue to function as an outpost. During the discussion, there was expression of concern on the part of the Presbytery for the spiritual well-being of the people in this church, and the feeling that the people should be advised to put their membership in the Magill Memorial Church. The matter was tabled, to be taken up again at the October meeting.

The Minutes were read and approved.

The Presbytery adjourned with prayer led by Rev. J. Graham Spurrier.

With the consent of Holston Presbytery's Committee on Candidates, THE COUNCIL RECOMMENDS that Holston Presbytery instruct its Committee on Candidates to operate on a temporary basis under the manual prepared by the General Assembly, and to make recommendations concerning its permanent manual at the October, 1963, meeting of Presbytery.

The Committee on Christian Higher Educational Institutions of Holston Presbytery has requested an amendment to the Manual of Holston Presbytery concerning its membership and duties. THE COUNCIL RECOMMENDS that the Manual of Holston Presbytery be amended concerning the Committee on Christian Higher Educational Institutions (Page 10, Paragraph 4) to read as follows:

"This Committee shall consist of three ministers and two elders. Its duties shall be to see that adequate reports are presented to Presbytery at least annually by the following institutions: King College, Lees-McRae College, Montreat-Anderson College, Union Theological Seminary, and Louisville Presbyterian Theological Seminary.

"The Committee shall also promote the interests and support of these institutions among the churches of the Presbytery."

THE COUNCIL FURTHER RECOMMENDS that the docket of Presbytery include the Committee on Christian Higher Educational Institutions at each regular meeting of Presbytery.

Dr. John S. Yelton has indicated the possibility of his retirement at the end of 1963. It is recognized that any such retirement is highly tentative, but the Council believes that the retirement of the Executive Secretary of the Committee on Church Extension might provide a convenient opportunity to make a change in the general organization of the work of the Presbytery provided an adequate study indicated that some change was desirable. THE COUNCIL RECOMMENDS that Presbytery instruct the Council to

study the organization of the work of the Presbytery through its Subcommittee on Research and to give a progress report at the January meeting of the Presbytery.

In connection with the above Report, the Moderator nominated Rev. Harold G. Keesee and Elder Sam Mortimer, of Newland, N. C., to serve on the Committee on Nominations, in the Class of 1965. All of the above were elected.

Rev. L. B. Gibbs was elected Moderator-nominee.
 Rev. Ralph A. Brown, Chairman, presented the Report of the Ad Interim Committee on Changes in the Confession of Faith and the Book of Church Order. The report was adopted, as follows (The vote on the Proposed Directory for the Worship and Work of the Church being taken by sections):

Your Committee recommends that Presbytery approve the three changes of THE CONFESSION OF FAITH and the REVISION OF THE BOOK OF CHURCH ORDER, area of WORSHIP AND WORK OF THE CHURCH.

R. A. Brown, Chairman
 Note: The three small changes in the Confession of Faith are minor points of inserting a phrase or sentence to clarify the points referred to. There is no major change involved.

Also, regarding the Revision of the Book of Church Order, it is primarily a rearrangement of the materials in the manner done with the BOOK OF CHURCH ORDER, this time in the DIRECTORY FOR WORSHIP. There is no change in doctrine involved.

Rev. P. M. Lyons, III, Chairman, presented the verbal Report of the Ad Interim Committee on a Joint Meeting with the UPUSA Presbytery. The report was received, and the Ad Interim Committee was given authority to work with Presbytery's Council to set up the meeting at the First Presbyterian Church, Greeneville, Tennessee, in April, 1963, following Easter.

Rev. W. T. King presented the Report of the Committee on Court Records, which was adopted, and is as follows:

The following churches presented their Sessional records for audit as per request of the Stated Clerk:

Approved without exception: Cloudland, Buladean;
 Approved with exceptions as noted: Cove Creek, Jack's Creek, Clinton, Pineola, Mountain City, New Ebenezer.

Respectfully submitted,

The Presbytery ordered that the names of churches which fail to present their records for examination be given to the Commission on the Minister and His Work for action.

At the request of the Tiger Creek congregation, that church was dissolved, as of December 31, 1962. The following Minutes of the Congregational Meeting, and information concerning the church, are made a part of the records of the Presbytery:

TIGER CREEK PRESBYTERIAN CHURCH

Roan Mountain, Tennessee — RFD 2

September 9, 1962

On the above date the congregation met, at the call of the Session, for the purpose of requesting Presbytery to dissolve the church as an organized group. After a devotional service, a quorum being present, the Rev. John S. Yelton, was elected Moderator of the meeting and Loretta Gouge as Secretary. After some discussion by the group and the Moderator, a motion was made and duly seconded, that the congregation request the Presbytery to dissolve the group as an organized church, and that the active membership on the roll (see list below) be transferred to the McGill Memorial Church at Roan Mountain, approximately four miles away, or to the church of their choice. The motion was passed without dissent.

The Sunday School and preaching services will continue to operate as at present, with all current expenses paid by the local group. The pastor's salary, when a new man is called for the field, will be paid through the Central Treasurer of the churches, Mr. Ray Greer, a member of the McGill Church. The Tiger Creek group will continue to report to Presbytery once a year through the McGill Memorial Church.

The meeting was closed with prayer and the benediction by the Moderator.

John S. Yelton, Moderator
 Loretta Gouge, Secretary

Present Active Members:

Mrs. Millie Ashley, Mrs. Hattie Forbes, Mrs. Sylvia Blevins, Mrs. W. M. Julian, Mrs. Maxie Gouge, Mrs. Joan Stanley, Mrs. Gladys Roberts, Mrs. Ivory Miller, Josephine and Billie Miller, Mr. and Mrs. Jess White, Mr. and Mrs. Frank Gouge, Miss Loretta Gouge.

Church was organized in December, 1939, with 18 charter members. The Stated Clerk presented his Report, which was adopted, and is as follows:

Your Stated Clerk is happy to report that the publication of Presbytery's Manual, in loose-leaf, mimeographed form, as authorized by the Presbytery, is now under way.

The recommendation of Presbytery's per capita assessment was inadvertently omitted from the agenda of the Council at its last meeting. Inasmuch as the Synod's and General Assembly's assessments remain unchanged, and inasmuch as we are operating within our budget in the Presbytery, we recommend that the assessment for 1962 be fixed at the same figure as for 1961, i.e., fifty-five cents.

We recommend that Presbytery urge those few churches which are in arrears to pay these back dues as promptly as possible.

Respectfully submitted,
 L. B. Gibbs, Stated Clerk and Treasurer

The Standing Committees on Judicial Business and on Bills and Overtures reported that no business had come into their hands.

Rev. Fred W. Walker presented the Report of the Standing Committee on Resolutions, which was adopted, and is as follows:

APPENDIX I

STATISTICAL INFORMATION ON STEWARDSHIP

Our statistical information is derived from two sources. One is the Central Treasurer; the other is the Stated Clerk's report to the General Assembly. We note the following from the information furnished by the Central Treasurer:

1. The undesignated amount pledged to the budgeted causes in 1961 exceeded the amount pledged in 1960 by \$6,000. The total amount pledged to the budget in 1961 exceeded 1960 pledges by \$5,000. The increases for 1962 over 1961 are \$8,000 undesignated and \$10,000 total. It appears that the churches are maintaining the trend towards undesignated pledging and this is encouraging.

2. The actual undesignated gifts to the budget were \$3,800 below pledges while gifts to the total budget were \$11,500 over pledges. It appears that some churches do not follow their own declared intentions for giving.

3. There was about \$2,000 less contributed to nonbudgeted causes in 1961 than in 1960 and about \$2,000 more contributed to budgeted causes during the same periods. The amount of money which passed through the central treasury in 1961 was about \$300 less than in 1960.

4. The amount of the benevolent contributions which passed through the central treasury in 1961 was 50% vs. 70.6% in 1960. This reverse trend can be accounted for through the common understanding that all funds going to the nonbudgeted Synod Campaign for King College and Campus Christian Life were to go direct to

the Campaign office at King.

The following observations were made from a study of the information sent to General Assembly by the Stated Clerk:

1. The total communicants in Holston Presbytery on January 1, 1962, was 13,577. This represented a net increase of 192 persons. The actual figures were 394 by profession and 572 other gains, and 779 losses. The effects of the 1961 evangelism emphasis seem somewhat less than staggering in light of the fact that the number of professions of faith and the number of other gains both went down in 1961 as compared to 1960.

2. The total contributions to all causes in Holston Presbytery in 1961 was \$1,493,997. This was an increase of \$88,743 over 1960.

3. The per capita contribution in 1961 was \$110 vs. \$105 in 1960, an increase of \$5.00.

4. The following totals were reported to the General Assembly for all churches in Holston Presbytery:

1961	Amount	% of Tot. Contrib.	Changes from 1960
Benevolence-Budgeted	\$ 248,790	16.7	up \$ 3,896
Benevolence Total	462,839	30.9	up \$76,457
Current Expenses	689,846	46.3	up \$27,034
Building Expenses	341,312	22.8	less \$14,748
Total	\$1,493,997		up \$88,743

Of the \$88,743 increase in contributions, 13.6% was used by the local churches for current expenses and 86.4% was contributed to benevolent causes. The churches should be commended for this action. It should be noted, however, that of the additional \$76,457 which went to benevolences in 1961, only \$3,896 went to budgeted causes. It is of interest that of the 30.9% of the total contributions which went to benevolences 16.7% went to budgeted causes and 14.2% went to nonbudgeted causes.

The increased proportion of the total contributions which went to benevolences raised its percentage share to 30.9%. This compensates for the 3% loss suffered in 1960. This fact should be brought to the attention of the local churches with the encouragement to continually increase the percentage of the local budget which goes to benevolences.

In 1961 Holston Presbytery ranked 4th in 80 presbyteries in total gifts to benevolences per capita (\$4.08) vs. 11th in 1960. It ranked 18th in per capita (\$18.32) giving to Budgeted Benevolences vs. 17th in 1960. The presbytery outgave the Assembly in per capita total contribution \$110 to \$105.33 and went from 20th to 24th in rank among the presbyteries.

APPENDIX II ASKINGS FOR 1963

Assembly	1963 Askings	1963 Askings	1963 Budget	Received 1961	% of Askings

APPENDIX III

The Report of Chaplain D. F. Waddell, at the Veteran's Administration Center, Mountain Home, Tennessee, for the quarter ending June 30, 1962, shows that he made the following visits in the Center:

Ministry to Dying, during duty hours	8
Ministry to dying, outside duty hours	6
Pastoral visits to seriously ill patients	77
Pastoral visits to newly admitted patients	299
Pastoral visits, regular visitation to patients	2160

The nature and fruitfulness of Chaplain Waddell's labors are shown more clearly in the following part of his report:

1. There were sixteen professions of faith during the quarter.
2. There were sixteen rededications during the quarter.
3. Attended three meetings of the Chapel Council.
4. With respect to consultations with patients and relatives of patients: 65 per cent of the patients were having marital difficulties, 1 per cent alcoholic and 9 per cent were mental. Every possible consideration was given these men, and much good was accomplished, however, it is impossible to give very accurate information because they are not here and can not be followed up long enough to tell just what was accomplished.
5. Consultations with relatives of patients: these consultations were with relatives of patients who were seriously ill. Their primary concern was the spiritual condition of those whose eternal welfare was questionable. 81 per cent gave reasonable evidence of a credible faith in the Lord, but again it is to be remembered that they were sick men and that it is impossible to determine just how clearly they could think. I wish it were possible to give more accurate information, but under the circumstances it is difficult. We endeavor to do our best for both relatives and patients in every possible way.

APPENDIX IV

**MEMORIAL FOR
ELDER ADAM BROYLES BOWMAN**

September 28, 1893 - September 10, 1962

Presented to the meeting of the Holston Presbytery in session at the Windsor Avenue Presbyterian Church, Bristol, Tennessee, on October 23, 1962, by Rev. Ferguson Wood.

Adam Broyles Bowman was born on September 28, 1893, at Johnson City, Tennessee, son of Adam Broyles Bowman and Mary Adelaide Graham Bowman. Mr. Bowman grew up in a staunch Presbyterian home where he was thoroughly indoctrinated in the principles of Calvinism. His parents were members of the First Presbyterian Church which he joined early in life and served acceptably all his days.

Mr. Bowman was educated in the Johnson City schools and graduated from Washington and Lee University in Law in the year 1918. During the World War I he served in the United States Navy. Through the years he evinced an active interest in the Veteran's Organizations and served as Commander and Trustee of the American Legion.

In 1919 he joined the firm of Sells and Simmonds which soon became known as the firm of Sells, Simmonds and Bowman. Upon the death of Mr. George C. Sells in 1932 the firm was reorganized as that of Simmonds and Bowman. It has since been changed to Simmonds, Bowman and Herndon, in the addition of Mr. Charles T. Herndon, III, the son-in-law of Mr. Simmonds.

On December 15th, 1923, Mr. Bowman was married to Miss Zeph McLeod of Georgia. Three lovely daughters have graced the home through the years: Mrs. Jane Bowman Fort, Mrs. Susan Bowman Kelly, and Miss Zeph Bowman. As a devoted husband and loving father, Mr. Bowman derived much satisfaction from his home life and enjoyed immensely the fellowship of his family.

As a lawyer, Adam B. Bowman determined that he would reach the top of his profession. Nothing less than that would satisfy. He devoted his utmost energy and attention to that end. No little law suit was ever his. Each was a contest that challenged the very best within him and was to be won. None were to be lost. He was a member of the Washington County Bar Association, the Tennessee Bar Association and the American Bar Association. He was also a Fellow of the American College of Trial Lawyers.

As a Churchman, Mr. Bowman was for many years an active member of the Board of Deacons of the First Presbyterian Church and served as Chairman of that Board. The latter years of his life were spent as a ruling Elder and as a Trustee both of the Church and the Holston Presbytery.

In 1947 he was elected as a Trustee of the Edgar Tufts Memorial Association at Banner Elk, North Carolina. He was vitally interested in the work of the Institutions at Banner Elk and served more recently as Chairman of the Board where he rendered untiring service and invaluable help to the three Institutions at Banner Elk.

As an active member of the Johnson City Rotary Club, Mr. Bowman rendered untold service to his community. He also served as a member of the Henry P. Bridges Scholarship Fund Committee which administers scholarship aid to prospective ministerial students from the First Presbyterian Church and a Benevolent Christmas Fund each year. In his quiet and unobtrusive way, Mr. Bowman rendered a service to his fellow men that not even his family were cognizant of.

As we recall his life of unselfish service and usefulness, the words of Charles Wesley come to mind;

"Servant of God, well done!

Thy glorious warfare's past;

The battle's fought, the race is won,

And thou art crowned at last."

Therefore, be it resolved that Holston Presbytery, meeting in regular Session at the Windsor Avenue Presbyterian Church, Bristol, Tennessee, October 23, 1962 approve this brief summary of a well-lived life and that it record its gratitude to almighty God and order these words to be incorporated in its minutes and a copy sent to Mrs. Bowman and the family with the prayer that God's richest grace shall sustain and uphold them.

MEMORIAL TO
REV. B. F. SPEROW

March 24, 1881 - August 12, 1962

Presented to Holston Presbytery in session at the Windsor Avenue
Presbyterian Church, Bristol, Tennessee.

October 23, 1962

By Rev. Ferguson Wood

Brown F. Sperow was born March 24, 1881 at Hedgesville, West Virginia. He was the son of George H. Sperow and Ellen Crowell Sperow. He was educated in the schools of West Virginia, graduating from the University of West Virginia in Engineering.

Mr. Sperow came to Johnson City, Tennessee in 1906 as a Civil Engineer for the Clinchfield Railroad. On July 15th, 1908 he was married to Miss Nelle Kathleen Wade of Johnson City. They resided in Johnson City until 1916 when Mr. Sperow decided to enter the Presbyterian Ministry.

From 1916 through 1918 Mr. Sperow studied theology privately under Rev. Ernest Thompson, Pastor of the First Presbyterian Church, Charleston, West Virginia.

He was ordained to the gospel ministry under the extraordinary clause by Kanawha Presbytery, on September 25, 1919, and served as Assistant Pastor of the First Presbyterian Church until 1920.

Mr. Sperow served as Pastor in the following fields: Kenova, West Virginia, 1920-1925; Kanawha City and Group, 1925-1936; as Evangelist for Bluestone Presbytery, 1936-1942; as Pastor of the Presbyterian Church at Narrows, Virginia from 1942 — until his retirement in 1955 — at the age of 75.

While serving in West Virginia, Mr. Sperow organized and managed the Young Peoples' Conference for a number of years. After his retirement he moved back to Johnson City and transferred his membership to Holston Presbytery.

For the past six years he served as Stated Supply for the following Churches in the Presbytery: Windsor Avenue, Bristol, Tennessee; New Bethel and Piney Flats; Thomas Memorial, Bluff City, Tennessee.

Mr. Sperow was a beloved Pastor in all fields which he served. Those who knew him in his active ministry and during his years of retirement, have spoken of his warm Christian spirit, his faithful witness to the Word, and to the Christ whom he loved and served. The influence of his preaching and his life will long live in the hearts of those who sat under his ministry and who had the privilege of his friendship.

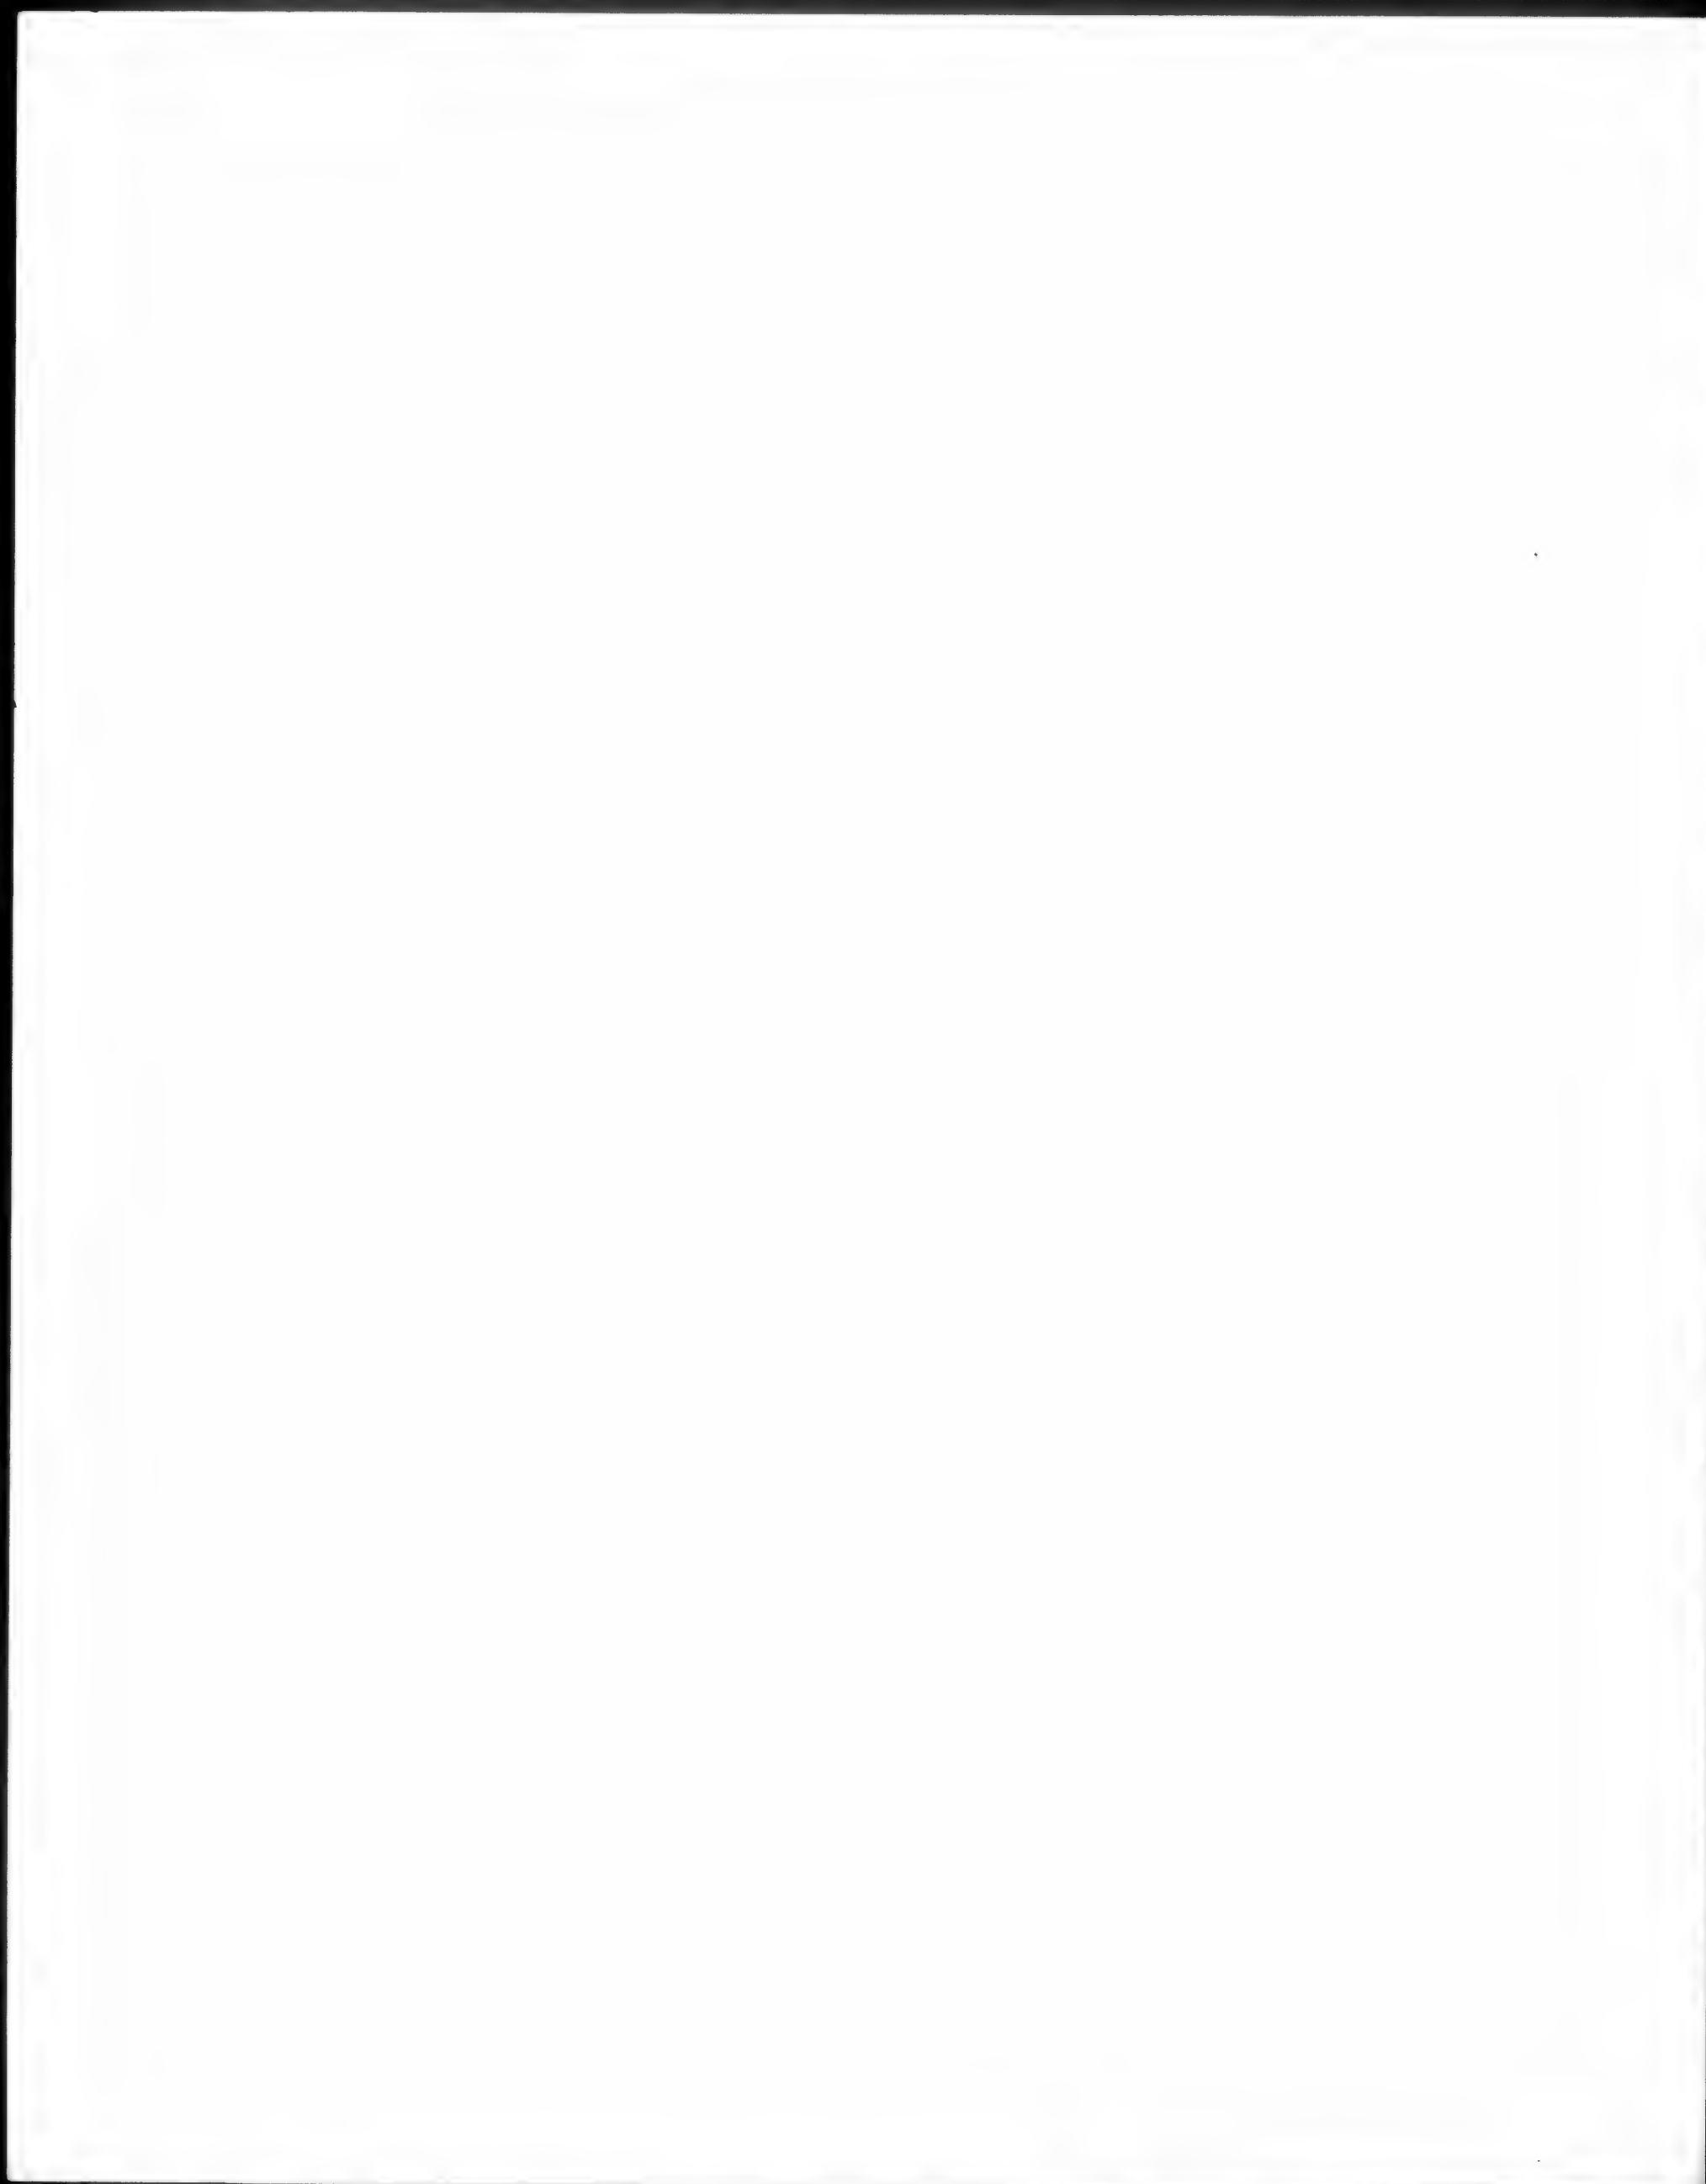

Mr. Sperow is survived by his widow, Mrs. Nelle W. Sperow; one adopted son, Malcom W. King; one brother, Mr. J. H. Sperow; two sisters, Miss Elizabeth Sperow and Mrs. James Byers.

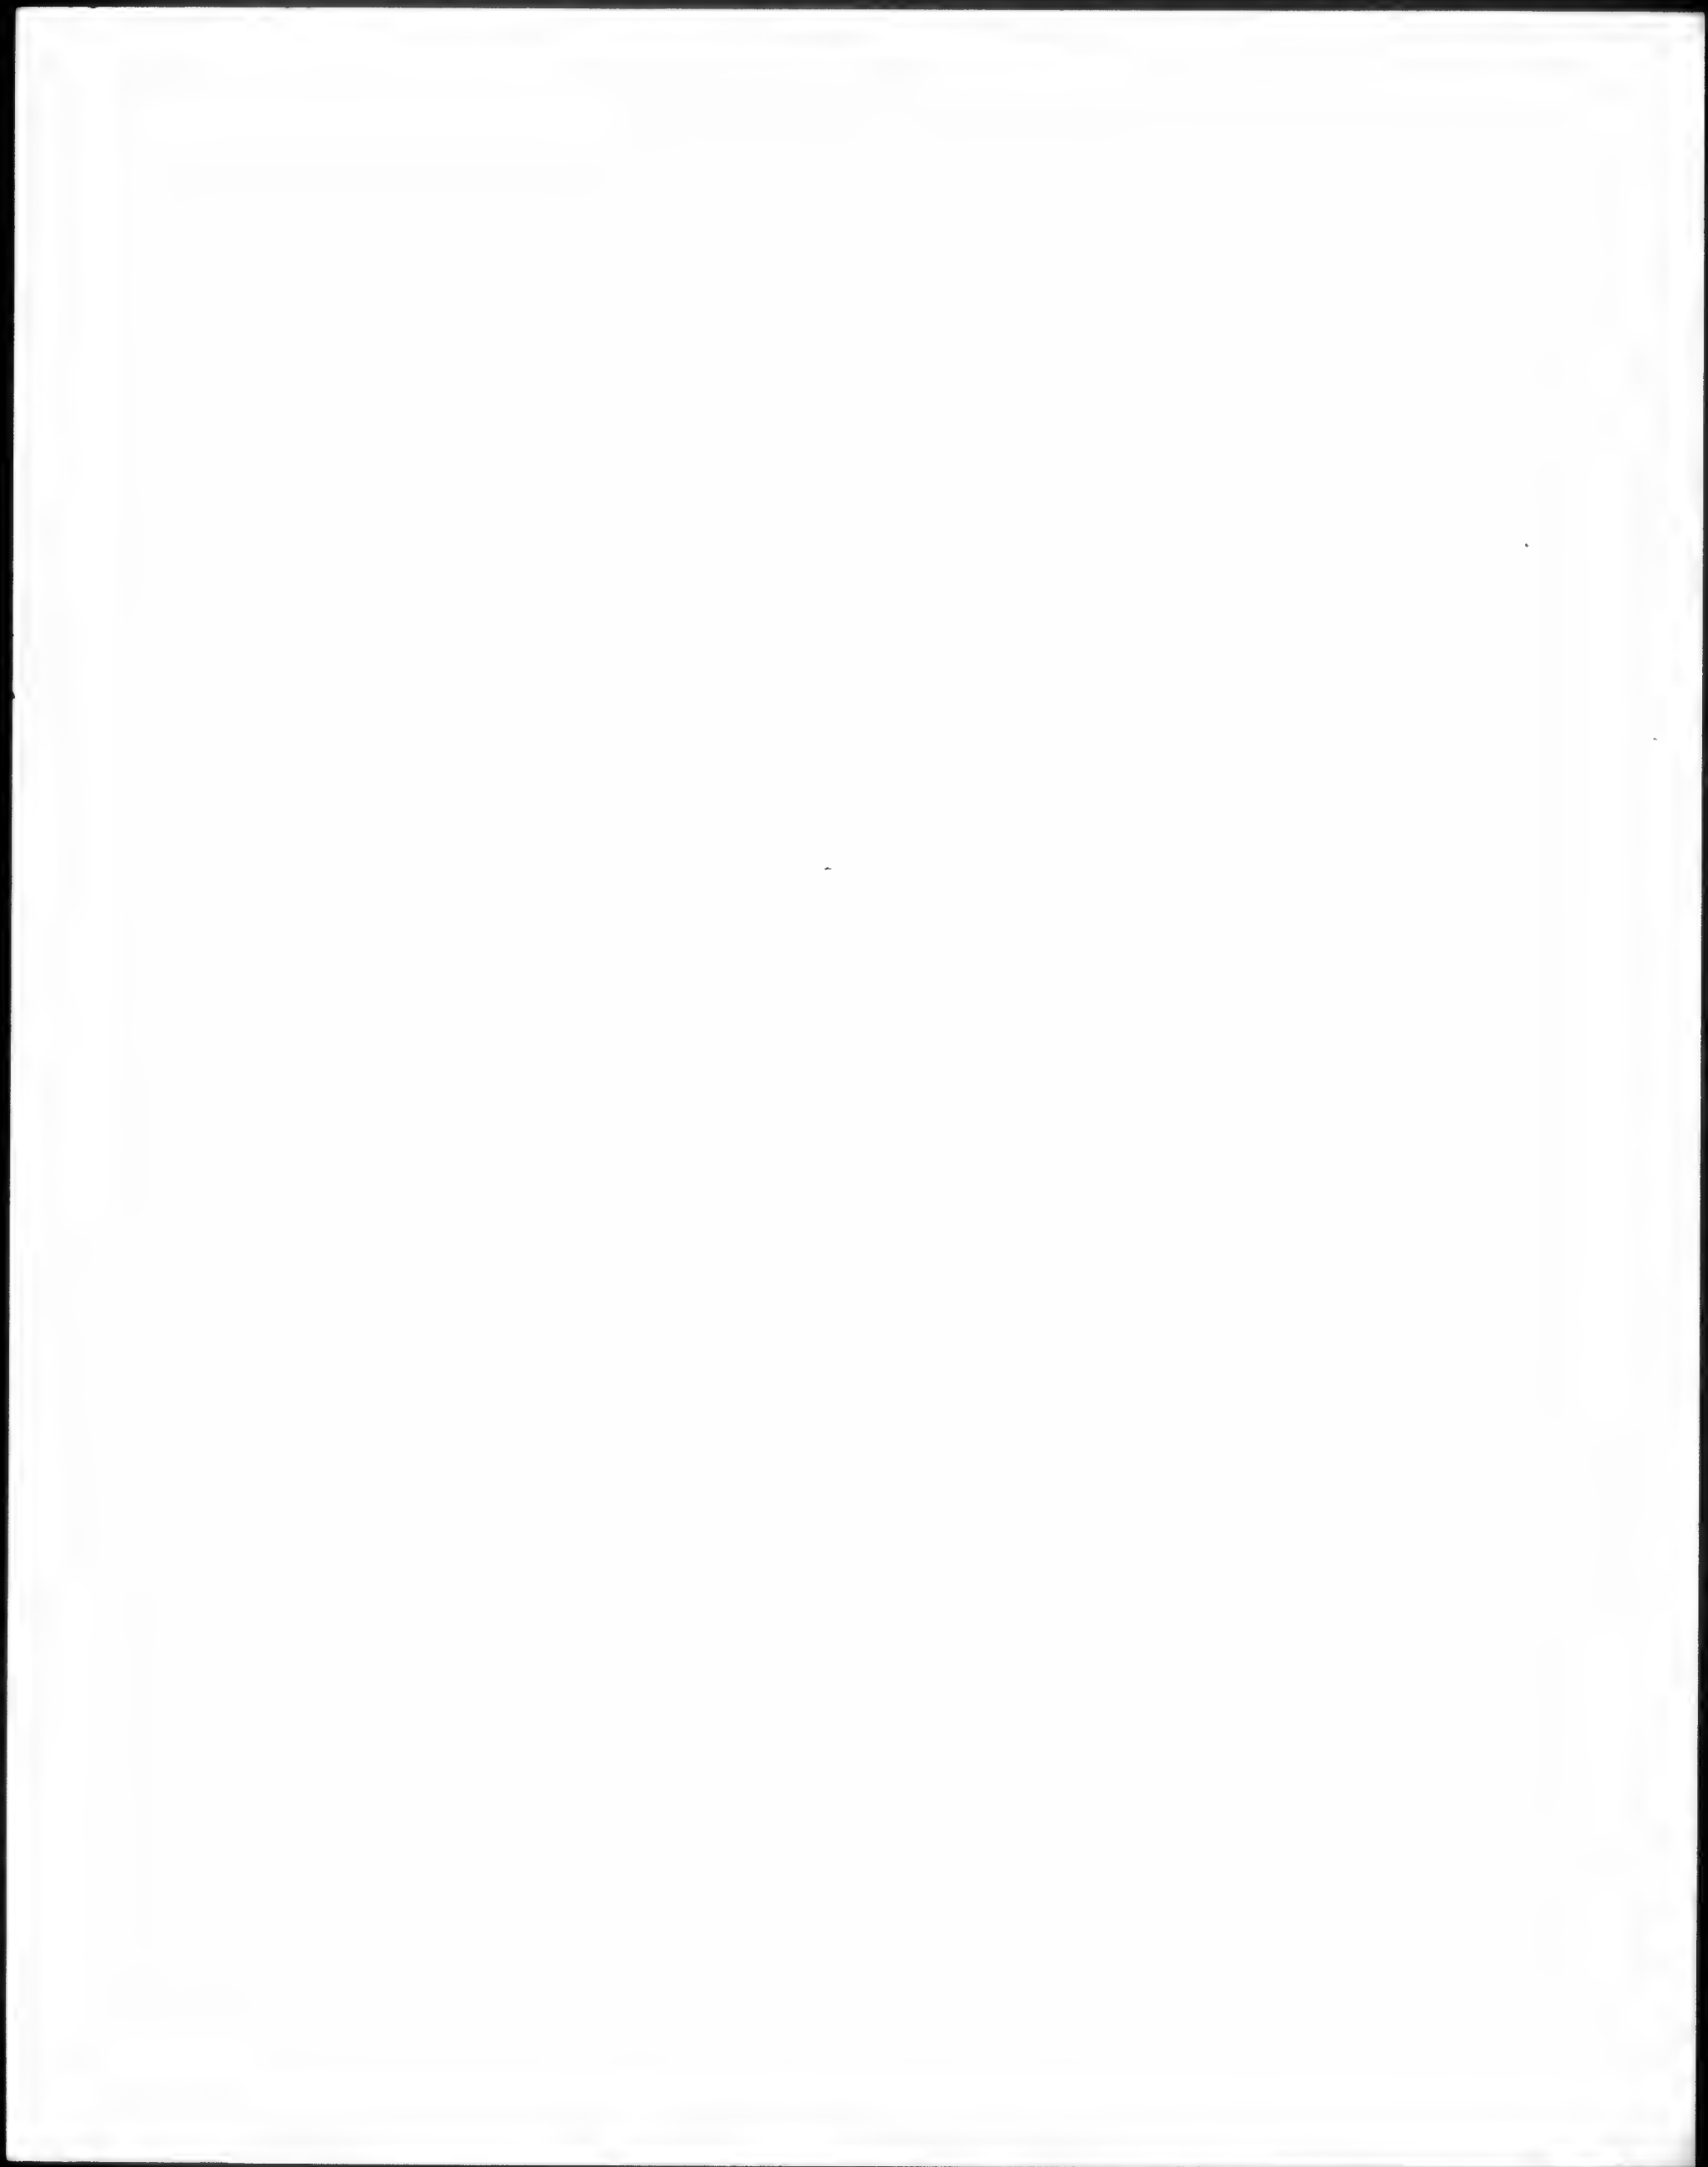

Funeral services for Mr. Sperow were conducted from the First Presbyterian Church Johnson City, Tennessee, on August 14th, 1962, by Dr. John S. Yelton, Mr. Bill Goforth and Rev. Ferguson Wood. Interment was in the Oak Hill Cemetery, in Johnson City, Tennessee.

Therefore, be it resolved, that Holston Presbytery meeting in regular session on this 23rd day of October 1962, approve this brief summary of a life lived so fully and so usefully, and, further that this record shall become a part of the minutes of the Presbytery, and a copy of the same made available to Mrs. Sperow and the family with sincere sympathy and the prayer that God's comfort and love shall abide in their hearts.

2. That all churches through their organizations be urged to make the widest possible use of the 1963 denominational adult study book, YOUR NEIGHBOR AS YOURSELF by Alan Keith-Lucas and Gordon A. Hanson, the recommended inter-denominational books for all age groups and the supplemental materials prepared by the Board of Church Extension.
3. That every congregation be encouraged to observe October 13-20 as a week of prayer for Church Extension during which supplemental offerings will be made for extension work of our denomination.
4. That each presbytery in the General Assembly promote in every congregation some plan of raising funds for church building purposes, it being understood that presbytery is to retain 80% of such supplemental offerings for its own use and remit 20% to the Board of Church Extension for distribution to areas of particular need.

Extracts from Report of the Stewardship Subcommittee to the Council

The Reverend Howard G. Teusink, Executive Secretary of the Stewardship Council of the Reformed Church said in his keynote address at the Charlotte Stewardship Conference, "Christ is more interested in one ounce of obedience than in ten tons of strategy!" This major report to the Council of necessity contains some strategy in the unfolding of the program of stewardship in the Presbytery. It will become "strategic" for all concerned only insofar as it calls forth obedient response to Christ, The Cause and Lord of the Church.

Statistician Report

Total church membership in Holston Presbytery reached a new height in 1962 and now stands at 13,620. A sobering thought, however, is that additions by profession, 388, was at its lowest point since 1956 and resulted in a net gain for the church of only 43 souls. We should all remember that the church must look outside itself to see and reach people.

Though the monetary needs of the church are not being met fully, progress is being made in this area. The "total" contributions to the Church was \$1,689,626 in 1962. This represents a 13.4% increase over 1961. The "total" per capital gift was \$124 in 1962. This is an increase of 12.7% over 1961.

In 1962 we again see the situation where total gifts to benevolences increase while there was a percentage decrease in the benevolent share of the total contributions. The actual percentage of the total dollar which went to benevolences was 28.0%.

A study of the benevolent funds which were distributed through the office of the Central Treasurer indicate:

1. A continuing fluctuation in the percent of the benevolent dollar which goes through the Central Treasurer compared with the total reported to General Assembly. These figures range from a low of 51.3% in 1956 to a high of 70.6% in 1960. The figure for 1962 was 61.0%. The actual dollars going through the Central Treasurer has almost doubled since 1956.
2. Gifts to non-budgeted causes have ranged from \$9,255 in 1956 to \$56,320 in 1959. The average figure for the last 4 years is \$52,280 and appears to be fairly stable.
3. Undesignated gifts have risen consistently since 1957 while designated gifts have remained relatively constant at approximately \$92,000.
4. The gifts to the budget of Presbytery have increased by \$107,000 since 1956. This is an increase of 78%.

Table 1
Through Central Treasurer

Year	% of Total Benevolences	Gifts to Non-Budgeted Causes	Undesignated Gifts	Designated Gifts	Total Gifts

Subcommittee As A Whole On Askings

The Stewardship Subcommittee has reviewed the askings of General Assembly and Synod for 1964. It submits these askings to the Council pointing out two things. First, that the askings for the agencies of General Assembly were held to a minimum because of the policy of the General Council to close the gap between askings and receipts. It is noteworthy, therefore, that the total askings for 1964 show a budget increase of only 1.7%, and that \$572,000 in requests, though sorely needed, were denied on the basis of this policy. Second, that while the total askings for the agencies of Synod are less for 1964 than for the current year, this must not be interpreted as a reduction in needs, but likewise as a further desire to close the gap between askings and receipts. This is said by way of stressing that the askings of both courts reflect basic and minimum needs. We must meet these needs or something won't get done that we have been doing!

RECOMMENDATIONS:

1. That the Presbytery recognize the church Treasurers and Deacons present for the Training Retreat, and that they be given the privilege of the floor during the discussion of the report of the Stewardship Subcommittee.
2. That the churches who have not yet appointed their EMC Directors be urged to do so immediately, and that both directors and pastors be urged to take advantage of training provided for them at one of the four workshops to be held in the Presbytery July 23-August 1.
3. That Sessions and Boards of Deacons in the local church be requested to study carefully the statisticians report on gifts to and giving trends in the support of the total benevolent work of the church.
4. That the churches be commended for their increase in giving to the total benevolent work, which in some instances in 1962 was beyond askings, and that they be reminded of their responsibility to support in full all of these agencies, many of which received far less than half of their askings.
5. That leaders of youth in the churches use the new audio-visual entitled "The Plan" prepared especially for training youth in stewardship. It may be obtained from the Stewardship Subcommittee without cost, or purchased from TRAV for \$7.50.
6. That the askings report be adopted as representing the urgent needs of the agencies, and that Sessions and Boards of Deacons of the churches be urged to interpret them as such in presenting the united work to their congregations.

Report of the Central Office Committee

The Central Office Committee has met four times since the April meeting of Presbytery at Greeneville. The Committee elected Lee G. Davy, Chairman, and L. B. Gibbs, Secretary, of the Committee. We have prepared amendments to the Manual of Holston Presbytery necessary to define the responsibilities of the Executive Secretary and a possible Associate Secretary. A copy of the proposed changes in the Manual is attached. The Council of Holston Presbytery has given its unanimous approval to the changes.

We have deliberated at length concerning the staff of the proposed Central Office: whether the Office should be staffed by an Executive Secretary, a full-time office worker and part-time help; whether it should be staffed by an Executive Secretary, an Associate Secretary, and a full-time office worker; whether the staff should be somewhat different during the period of transition than would be needed during subsequent years; how best to arrange for the financial support of the Central Office; and other incidental matters. We have come to the conclusion that during the transition period the cost will be greater than the present or the future organization. The additional cost can be paid either in money or by neglecting some part of the present program of work of the Presbytery. It is our conclusion that, if the money could be obtained, it is much wiser to employ extra help during the transition period than to abandon part of the Presbytery's work, thereby losing momentum.

The Central Office Committee has concluded that, from the standpoint of the work of Holston Presbytery, it is highly desirable that the employment of the present Director of Christian Education should be continued through the period of transition. It is the unanimous opinion of the Committee that Presbytery should call Mr. Joe MacLeod to serve as Associate Secretary from January 1, 1964 through August 31, 1964. Mr. MacLeod has indicated his willingness to accept such a call and not to seek a call to another place before that time. All of us will, of course, recognize that God might have other plans for Joe MacLeod and any commitment is subject to this understanding. The Committee wishes to make clear its unanimous opinion that it is not now possible to be certain whether the proper organization of the work of the Presbytery will require an Associate Secretary beginning September 1, 1964. It is possible that the combination of an Executive Secretary and an Associate Secretary could implement the work of the Church in such an effective manner that Presbytery would be unwilling to dispense with the services of an Associate Secretary. On the other hand, it is possible that the combination of an Executive Secretary and part-time help from retired ministers or effective laymen, and the resolute assumption of responsibility by committee chairmen might result in the satisfactory conduct of the work of the Presbytery at lower cost. Much depends upon the person of the Executive Secretary and the willingness of committee chairmen to resist the temptation to dump their responsibilities upon the Central Office. Therefore, the Central Office Committee concludes that the Central Office budget for 1964 should provide for a full-time Associate Secretary with the explicit understanding that Presbytery is not committing itself to require the services of an Associate Secretary beyond August 31, 1964. The Committee believes

that a few months experience should allow Presbytery to decide more wisely concerning the permanent staff. The Committee believes that the final decision should be deferred until the April, 1964 meeting of Presbytery.

We have, therefore, made up three tentative budgets. (It is not yet known how much salary will be necessary to employ the Executive Secretary, but an estimate has been made.) Budget A provides for an Executive Secretary, an Associate Secretary and one office worker and totals \$26,092; Budget B provides for the Executive Secretary, an Associate Secretary from January 1, 1964 through August 31, 1964, and one office worker and totals \$23,215; Budget C provides for the Executive Secretary, one office worker, and part-time help (retired ministers or lay persons) and totals \$20,548. (See Appendix I for details.)

In regard to budgeting the funds of Presbytery for the Central Office, it is believed that the Central Office should be considered as the servant of Presbytery and its agencies and that, therefore, the expenses of the Central Office should be met by payments from both the Benevolence Budget and the budget which is supported by Presbytery's tax. The Christian Education Committee and the Church Extension Committee should, it is believed, pay a reasonable share of the cost of the Central Office from their committee budgets and the remainder should, it is believed, be paid from funds raised by Presbytery's tax. It will be recalled that the expenses of the Central Treasurer of Benevolences and his salary are at present paid by the Presbytery tax.

A list of funds which could be made available from present expenditures (in the 1963 budgets) amounts to \$19,721. (See Appendix II.) The difference between \$19,721 and the totals in Budgets A, B, and C might be provided for by an increase in Presbytery's tax of 50c, 30c, or 10c per capita, respectively. (See Appendix III.) Alternately, corresponding amounts could be provided from the benevolence funds of the Presbytery.

The Central Office Committee offers the following recommendations:

1. That Presbytery adopt the attached proposed changes in the Manual of Holston Presbytery.
2. That an Executive Secretary be called by Holston Presbytery, through its Central Office Committee, the Executive Secretary to assume his duties January 1, 1964.
3. That the Executive Secretary be obtained from among the past or present members of Holston Presbytery, if feasible.
4. That for the year 1964, the tentative Budget A be adopted for the Central Office, and the present Director of Christian Education be called to a temporary appointment as Associate Secretary, January 1, 1964 through August 31, 1964.
5. That no determination be made now with respect to the permanent staff of the Central Office of Holston Presbytery.
6. That the Presbytery instruct the Central Office Committee to bring recommendations to the April, 1964 meeting of Holston Presbytery concerning the permanent staff of the Central Office.

The Council reviewed the foregoing report and recommendations at its meeting on June 27, 1963. By a unanimous vote the Council concurs in the report and the recommendations.

For the Central Office Committee,
Lee G. Davy, Chairman

The term of office of such personnel shall be three years. Such staff persons shall be responsible to the Executive Secretary for such areas of work of the Central Office as may be agreed upon from time to time. Whereas, October 20, 1963 has been officially designated as "Layman's Sunday" throughout our General Assembly, it is resolved that Sessions of all churches in Holston Presbytery be encouraged to participate in this observance by having one or more services on Sunday conducted exclusively by Laymen, utilizing as many Laymen in the conducting of the services as it is feasible to do so. It being preferred that, if at all possible, Laymen from within the church conduct these services, rather than Laymen from other churches.

It is further recommended that these lay services emphasize witnessing for Christ in the world in the area of vocation, community life, social life or family life.

These being answered in the affirmative, Rev. Larry D. Kennon was installed as Associate Pastor of the First Presbyterian Church, Bristol, agreeably to the Word of God and the Book of Church Order. The Charge to the Pastor was delivered by Rev. Ben F. Williams, and to the Congregation by Elder Robert L. Morrison. The service was concluded with the benediction pronounced by the newly installed Associate Pastor, and the leaders of the congregation came forward and gave him "their right hand in token of cordial reception and affectionate regard." The minutes were read and approved, and the Commission was closed with prayer by Elder E. E. Stauber.

The following Commission Minutes were read:

The Judicial Commission appointed by the Presbytery on July 20, 1963 to hear the Appeal of Kenneth Freeman in the trial of the Session of the First Presbyterian Church of Johnson City, Tennessee VS Kenneth Freeman, met Monday, September 23, at 9:00 a.m., in the Parlor of First Presbyterian Church of Johnson City.

Convenor Thomas C. Rhea called the meeting of the Commission to order, and opened with the reading of the 12th chapter of Romans and prayer. All of the members of the Commission were present and are as follows: Teaching Elders Blake Brinkerhoff, W. M. Clark, Thomas C. Rhea, Basil Sharp, and Odell Smith; Ruling Elders Lon F. Price, Dr. V. B. Rambo, Harold Salver, and

Carroll Underwood. The first order of business was the organization of the Commission as follows: Thomas C. Rhea, Chairman; W. M. Clark, Clerk.

The Chairman presented the Record of the Case as follows: fifteen hours of tape recordings as transcriptions of the proceedings of the trial; Minutes of the court; and the Appeal as presented by the appellant to Holston Presbytery. Kenneth Freeman, the appellant, presented to the Commission the expanded Appeal as authorized by Holston Presbytery. The Commission agreed to review this expanded version of the original Appeal, and to determine whether it would be admitted in whole or in part into the Record of the Case. A copy of the expanded Appeal was placed in the hands of the representative for the appellee, Charles Bales, with the understanding that he would be given time to study it.

The original Appeal was read by the Chairman, and at this point Messrs. Bales and Freeman were dismissed by the Commission with the request that they make themselves available to the Commission upon call.

The Chairman reviewed the work of the Commission as specified in the section on Appeals in the Rules of Discipline of the Book of Church Order, chapter 16, and noted particular Par. 116-7 on procedure and Par. 116-8 on decisions possible by the Commission as it dealt with the Appeal. Other sections of the Rules of Discipline were studied, and especially those paragraphs that had reference to items in the Appeal, and the censure of Excommunication as contained in the indictment of the lower court.

Chairman Rhea then read as part of the Record of the Case the Minutes of the Session of the First Church of Johnson City dealing with the proceedings of the trial. At this point the Commission recessed for lunch.

Upon reconvening, the Commission began to hear the Record of the Case as presented in the tape recordings containing the proceedings of the trial. The Chairman requested that each member of the Commission take such notes as he chose. Upon the completion of hearing the evidence as presented in the tape recordings the Commission would then proceed to review the items of the Appeal in light of such notes and sections of the tapes would be replayed as required.

The Commission recessed for supper at 6:00 p.m., in the Fellowship Hall of First Church, and upon reconvening resumed hearing the evidence as presented in the tape recordings and remained in session until 11:15 p.m. At this point the Commission recessed to reconvene at 7:00 a.m., Tuesday.

Reconvening at 7:00 a.m., the Commission remained in session until it completed hearing the tape recordings of the proceedings of the trial at 2:00 p.m., at which time it recessed for lunch.

When the Commission reconvened, the Chairman noted that all of the parts of the Record of the Case had been either read or heard. He stated that it was now in order to determine whether the expanded Appeal would be admitted in whole or in part into the Record of the Case. Harold Salver moved that the original Appeal be used entire, and that it be carefully compared with the first sixteen paragraphs of the expanded Appeal as a part of the Record of the Case. The motion was seconded by Dr. Rambo and passed unanimously by the Commission. (See attached paper

with notations.) (Note by Stated Clerk of Presbytery: The paper here referred to, parenthetically, is not printed, but is retained as a part of the Record of the Case).

Basil Sharp made the motion that the tape recordings be accepted as a permissible transcription of the proceedings of the trial. The motion was seconded by Carroll Underwood and unanimously passed the Commission.

At this point Kenneth Freeman, the appellant, and Charles Bales, representing the appellee were recalled and heard by the Commission in the following order: the appellant first; the representative for the appellee second; and concluding remarks by the appellant. Both parties agreed to make their presentations as briefly as possible; no limitation was placed on debate.

In his first address to the Commission, Kenneth Freeman used the expanded Appeal in calling attention to points in the Record of the Case which he felt showed lack of evidence sufficient to merit censure for the sins of heresy and contumacy.

Mr. Bales, representing the appellee, was then heard. He stated that he felt that the expanded Appeal contained slander, and therefore, chose to answer only the original Appeal. He summarized the history and work of Kenneth Freeman in his relationship with Midway Chapel. He described the appellant as one who sought to "run the church". He then referred to each of the parts of the Appeal and made answer to the charges contained therein.

In his closing remarks, Mr. Freeman addressed himself primarily to Mr. Bales' presentation. He concluded by reminding the Commission that the case rested upon the proof that he was guilty of the sins of heresy and contumacy and not upon what the future of Midway Chapel might be should he remain in the congregation.

The appellant and the representative for the appellee were then dismissed, and the Commission turned to the items of the Appeal and sought to consider each of them carefully in light of the indictment and the evidence for conviction as presented in the Record of the Case. Numbers I, IV, V, VI, VII, and IX of the Appeal were not sustained, Number VIII of the Appeal was sustained unanimously by the Commission. The remaining items of the Appeal, namely Numbers II and III, are covered in the unanimous action of the Commission recorded below in answer to the specification of errors in the indictment of the lower court.

Heresy is a theological word, and is so used in the Constitution of the Presbyterian Church in the United States. Baker's Dictionary of Theology (p. 268) defines the word: "Heresy is a deliberate denial of the revealed truth coupled with an acceptance of error". Conviction on the charge of heresy in the Courts of the Presbyterian Church in the United States necessitates proof of deliberate denial of the teachings and doctrine of the Presbyterian Church as contained in its Constitution. In this trial proof of such heresy was not evidenced.

The indictment on which the case against Kenneth Freeman was prosecuted defined heresy as "engaged in a course of conduct and instruction tending to produce dissension and schism in the Church". We find this definition of heresy defective and inaccurate in the frame of reference of the Constitution of the Presbyterian Church in the United States. However, even with the sin of heresy defined as stated in the indictment, we find an insufficient

proof for such conviction and so reverse the decision of the lower court.

As far as the sin of contumacy is concerned, we find a reasonable question of guilt, and would suggest an indictment on this charge with a possible censure of Suspension.

The Book of Church Order in the Rules of Discipline Par. 101-5 reminds us that "The Church is to act as a mother who corrects her children for their good, that every one of them may be presented faultless in the day of Christ". We, therefore, submit the following as a communication of counsel to Mr. Kenneth Freeman:

It is evident that Mr. Freeman has been litigious, argumentative and the center of controversy. He has repeatedly lost his temper unwisely. We would submit the possibility that a personality aberration may be present which would make it unwise for him to hold office in the church at the present time.

We suggest to Mr. Freeman that he voluntarily move his membership to another Presbyterian Church, and agree to refrain from accepting any office in the Church for a period of at least two years, and that he submit to emotional and/or spiritual counseling for a minimum of one hour per week for at least six months.

We would further urge all concerned to make every possible effort to demonstrate by word and action a confession of any past wrongs and forgiveness, humility and forbearance, encouragement and love, that the Church may be edified.

Messrs. Bales and Freeman were then recalled and the action of the Commission was reported to them by the Clerk and Chairman. It was pointed out to Mr. Bales that it was the prerogative of the lower court to appeal this action of the higher court. Mr. Bales stated that he was unprepared to say whether or not there would be an appeal.

W. M. Clark led in prayer, and the Chairman requested that the members remain for the reading and approval of the minutes.

On behalf of the Commission appreciation was expressed to the Chairman and the Clerk for their services, and to the First Presbyterian Church for its hospitality. The Clerk was requested to edit the minutes so as to include in the report to Presbytery only those items that were relevant and pertinent.

After reading, correcting, and approving the minutes, the Commission adjourned at 7:15 p.m., Tuesday, September 24, 1963.

Thomas C. Rhea, Chairman
William M. Clark, Clerk

(Note of Stated Clerk of Presbytery: The above are the full minutes of the Commission, not a shortened edition.)

The above Minutes of the Judicial Commission were admitted to record, and the Commission was commended for its faithfulness in its work.

The Docket was amended to hear a partial report from the Committee on Christian Higher Educational Institutions. The Chairman, Rev. Dan Thomas presented Rev. R. T. L. Liston who reported for King College.

Dr. Lee G. Davy presented the Report of the Council of Holston Presbytery. The report with its recommendations was adopted and is as follows:

All the churches have received a copy of the Treasurer's Report for the first three quarters of 1963. It is disturbing to note that only 68.4% of the pledges have been paid. At the same time in 1962, 74.1% had been paid. Each pastor is urged to inquire into the status of the pledge of his church to the benevolent work of the Presbytery and do what he can to see that all pledges are paid promptly.

Pursuant to Presbytery's instructions, a committee of the Council was appointed to study the matter of increased financial support to King College and Lees-McRae College. It has reported to the Council and the Council has deliberated. The Council instructed the chairman to make an approach to all the churches of the Presbytery urging that invitations be extended to King College and Lees-McRae College to have representatives of these institutions presents their challenge to the churches. A letter to each pastor is being sent out with the Council report. The committee of the Council has been continued and instructed to give the matter further study.

The Audit Subcommittee of the Council has reported as follows:

Your Audit Subcommittee would respectfully report to the Council that the Subcommittee has met and examined the financial

records of the following agencies of Presbytery, finding them in good order and commending the respective treasurers for their diligence. These records were for the year 1962.

1. The Central Treasurer of Benevolences
2. The Treasurer of Holston Presbytery
3. The Executive Committee of Church Extension
4. Council's Stewardship Subcommittee
5. Holston Presbyterian Home
6. Church and Manse Builders' League
7. Holston Presbytery Camp for 1962-1963

The financial records of the Christian Education Committee, Camp Operation, and Holston Presbytery Camp, Inc. were part of the records of the Christian Education Committee. There were certain discrepancies between the check stubs and the bank balance of the Christian Education Committee. These discrepancies were located and found to be due to carelessness and a lack of constant checking with the bank statement at regular intervals. When these errors were corrected the books were found to be in balance with the bank statements. The books were returned to the treasurer corrected as of December 31, 1962, with the recommendation that he bring his present balance in line with the corrected balance of December 31, 1962.

It has been reported to the Council that friends of Cannon Memorial Hospital wish to implement a plan for soliciting gifts of linens from the churches of Holston Presbytery. They asked approval of the Council and it has been given. **THE COUNCIL RECOMMENDS** that Cannon Memorial Hospital be given permission to solicit gifts of linens, etc. in Holston Presbytery.

Respectfully submitted,
Lee G. Davy, Chairman

Mr. Thomas presented the recommendations of his committee which were adopted by Presbytery and are as follows:

The committee met October 3, 1963, and recommends the following to Presbytery:

1. That deputations of students, faculty, staff, administration, and choirs from our church-related colleges (King and Lees-McRae) be invited into churches by sessions to better the understanding and support of our Christian Colleges, and that higher education conferences be planned in Churches using these groups.
2. That our colleges provide consecrated staff and students qualified to present adequately the needs and unique function of our church-related colleges, and that the colleges promote and advertise the availability of such deputations to churches, youth meetings, etc.

The Report of the Committee on Church Extension was presented by Dr. John Yelton. As a partial report, Rev. D. E. Renegar gave an oral report of the sub-committee on Evangelism. The rest of the report was deferred until 2:30 as the special order of the day.

Presbytery heard Rev. M. K. Compber lead Presbytery in an expression of appreciation for the long, untiring, faithful service of Rev. John Yelton as Superintendent of Home Missions and as Executive Secretary of Church Extension for our Presbytery. Various expressions of a similar nature were made by other members of Presbytery and a Resolution prepared by the Church Extension Committee was ordered printed in the minutes of Presbytery. This was done by a standing unanimous vote. The resolution is as follows:

TO HOLSTON PRESBYTERY:

Due to the fact that the special office of Executive Secretary of Church Extension has been discontinued on account of changes

in the administrative organization of this Presbytery, we, the members of the Church Extension Committee of Holston Presbytery, present the following resolution in acknowledgement of the service of Rev. John S. Yelton, D.D. in his guidance of this most important program:

The Report of the Committee on Christian Education was presented by the Chairman Pitser M. Lyons, III. The Report with its recommendations was adopted. It is as follows:

Chairman: Rev. Dr. Pitser M. Lyons, III

The Committee has held three meetings this year. The regular spring planning meeting was held at the Camp in March. The second, a called meeting, was held in conjunction with the summer meeting of Presbytery and there further considered the reorganization of this committee proposed by Synod's Committee of Christian Education. The fall meeting was held at the Colonial Heights Church and heard reports from its various subcommittees. Their individual reports and the several recommendations are appended and are as follows:

Adult Work Sub-Committee

Chairman: Rev. Mr. Richard P. Keeton

Special work on the Covenant Life Curriculum Previews has been done in the last few months. 13 Adults were at Synod's Training Session at Montreat in August. Three Curriculum Previews were held in September and one in October with the following in attendance:

49 at Holston Presbytery Camp
67 at First Church, Morristown
194 at Colonial Heights Church, Kingsport
56 at First Church, Johnson City

The 12 Hour Workshops for Adults scheduled for this summer were cancelled because of the lack of registration.

Mr. Robert C. Hart of the Bethel Church has been reelected president of Presbytery's Men's Council. The Rev. Mr. Paul Horne has been named Minister Representative to the Presbytery Men's Council. He replaces Rev. Mr. W. T. King who has been named as Adult Adviser for the Presbytery Senior High Youth Council.

Youth Work Sub-Committee

Chairman: Rev. Mr. A. Blake Brinkerhoff

The Special Youth Study Committee continues to meet monthly and will continue to do so through April, 1964. At this time a report will be made to Presbytery on the Committee's findings pertaining to the needs of youth and ways to meet these needs.

The Rev. Mr. W. T. King has been named as Adult Adviser for Presbytery Senior High Youth Council, effective 27 September 1963. He replaces Rev. Mr. Harold Keesee who has moved from the Presbytery. Mrs. George Conn of the Shenandoah Church has been named to fill the remaining term of office of Adult Adviser replacing Miss Mary James. The committee would like to express its gratitude for the very fine work accomplished by Miss James of the First Church, Morristown, and by Mr. Keesee.

Children's Work Sub-Committee

Chairman: Rev. Mr. Fred W. Walker

The Children's Work Sub-Committee of the Christian Education Committee has worked in the following areas during 1963:

Planned and directed a 12+6 Workshop for Workers with Children at the Camp in March. The 26 Adults in this Workshop and the leaders believed this to be a very fine Christian experience.

Planned for another 12+6 Workshop for Children's Workers for March 13-15, 1964 at the Camp.

Sent several of our leaders to the Synod's Training Session for leaders in our Vacation Church Institutes.

Planned, directed and assumed places of leadership in four Vacation Church School Institutes within our Presbytery. These were five hour training sessions and resulted in the best response to this type of training in several years.

Publicized the Area Lab School in Asheville in July and will also do this for the one to be held at the First Church in Bristol, 5-10 July 1964.

Provided leaders for the Children's Work portion of the 12+6 Workshops which were to be held in July.

In all of these activities we had the help and advice of our trained Director of Christian Education. In fact most of this work could not have been accomplished without his help or the help of someone professionally trained in our field of work.

Christian Action Sub-Committee

Chairman: Mr. Paul Johnson

This committee met in February of this year and elected one representative to attend the Churchman's Washington Seminar.

The Executive Committee of Christian Education taking note of activity in this area heartily commends an action taken by the Kingsport area Presbyterian Churches in concurring with the Board of National Missions of the United Presbyterian Church in the U. S. A. to close the work at the St. James Church, dissolve the congregation, and encourage these few Negro Presbyterian members who desired to continue activity as Presbyterians to visit and consider membership in the other area Presbyterian Churches. The Church was closed and the congregation dispersed as of 30 June. Several of our churches have taken action to invite these Negro Presbyterians to participate in their worship and work.

Camping Sub-Committee

Chairman: Rev. Mr. G. Barrett Gilmer

Important dates for 1964 are listed as follows:

Spring Camp Counselor Training May 15-17, 1964
May 21-23 or 28-29, 1964

Camps for the Summer of 1964:

June 9-16 9th Grade

August 15-22 10th, 11th, 12th Grades
Outpost Camp Boys Scheduled for early summer
Other dates: Assembly's Recreation Workshop at NaCoMe,

Due to the persistent difficulty in securing counselors for the camps the committee will seek to hire four counselors for the summer. And due to the fact that Asheville Presbytery is developing their own camping facilities and will not need the use of our camp, the above schedule reflects the full use of the summer for our Presbytery.

Consideration has been given to building a house suitable for any camp manager the committee might hire. This has been referred to the Holston Presbytery Camp, Inc. Board of Directors which has appointed a committee to study this project on the grounds at the camp.

General Recommendations:

1. In the light of Presbytery's reorganization and the setting up of a Central Office that the Camp Committee be given approval to begin negotiations looking forward to a year-round Camp Manager.
2. That the sub-committee on Camping be authorized to employ up to 4 young people from Seminaries and/or PSCE, pending available funds in the budget of the Executive Committee, to serve as paid summer counselors for 1964.
3. That Presbytery give approval to the Christian Education Committee reorganization plans in order that it may be brought into keeping with Synod's reorganized Christian Education Committee, and that Presbytery's Manual be amended accordingly.
4. That we pursue the idea of cooperative work of simultaneous use of the facilities and program of Holston Presbytery Camp with Holston Presbytery UPUSA, for two summers 1964, 1965 with evaluation to follow this 2 year experience.

Presbytery was urged as a part of the report of the Christian Education Committee to use the book *Your Neighbor as Yourself*. Rev. Collier Harvey resumed the Report of the Commission on the Minister and His Work. The following Committee was named to install the Secretary and the Associate Secretary at the January meeting of Presbytery.

Rev. W. Kirk Allen, to propound the questions; Dr. Lee G. Davy to charge the Secretaries; Rev. John S. Yelton, to charge the Presbytery. As the calling of Rev. Joseph B. MacLeod as Associate Secretary had been authorized by the Presbytery at its July Meeting, he would also be presented with a formal call at the January Meeting, prior to the installation. The following Recommendations of the Commission on the Minister and His Work were also adopted:

1. We recommend that the Stated Supply relationship between Rev. Gilbert Bailey and the New Ebenezer Church be terminated, and that he be named Stated Supply of the Chuckey Church for one year.
2. We recommend that the request of Rev. John S. Yelton for authorization of Annuity payments by the Board of Annuities and Relief be granted. We further recommend that the Stated Clerk be empowered to sign necessary papers required to accomplish this.
3. We recommend, with his concurrence, that Rev. T. W. Clapp be honorably retired, effective January 1, 1964.

As part of the report the retirement of Rev. T. W. Clapp was

noted. Presbytery rose in tribute for his glorious ministry in the mountain area and was led in prayer by Rev. John Yelton. The Clerk was instructed to send Mr. Clapp a letter of appreciation from the Presbytery and a resolution to be prepared to be read at the January meeting.

Mr. Ernest Sauer, Central Treasurer of Benevolences was introduced to Presbytery.

Dr. T. C. Rhea, Chairman of the Candidate Committee, distributed booklets of instruction concerning Enlistment for the Gospel Ministry.

Special order of the day for the continuance of the report of the Committee on Church Extension arrived and Mr. Gibbs introduced to Presbytery the Rev. Danford Slagle and Mr. James Mabe. Presbytery heard from Mr. Slagle a request for the use of the Paperville Church building for a Missionary Baptist work. Mr. Gibbs read a communication from the Greater Bristol Church Extension Committee regarding this request which had been brought to them. Mr. Robert Wallace a member of this Presbytery as a representative of First Church, Bristol, reported concerning the action of the Session of the First Presbyterian Church. The leasing of the building to this group was authorized and the motion carried that this matter be turned over to the committee of five suggested by the Greater Bristol Church Extension Committee to work out the terms. These five were elected with Mr. Gibbs to serve as Chairman, the other members of the Committee being Rev. Messrs. W. H. McCorkle, J. Leo Hall, D. E. Renegar; and Elder Earl Webb.

Rev. David Taylor, member of Abingdon Presbytery and Educational Secretary of the Board of World Missions, addressed Presbytery as the Representative of the Inter-Agency Committee of the General Assembly. Dr. Taylor spoke concerning the third aspect of the Covenant Life Curriculum, the Worship and Work of the Congregation.

The Report of the Nominating Committee was presented by the Chairman, Rev. D. Edward Renegar. The report was adopted as amended and is as follows:

Presbytery's Council

Presbytery voted to suspend the provision of the Manual limiting service on Executive Committees to two consecutive terms, in order to allow Mr. J. Frank Lamons to be retained as Chairman of the Church Extension Committee for one year.

The Moderator nominated and Presbytery elected the following members to the Committee on Nominations: Class of 1966—Minister: B. H. Taylor to succeed D. E. Renegar and Ruling Elder Craig Caldwell of First Church, Bristol, to succeed Carl Vance. Rev. Marvin Compher was named as chairman for the next year.

Nominations for the Office of Stated Clerk were called for. The name of D. E. Renegar was placed in nomination and was so elected to take office January 1, 1964.

The name of Rev. Joe MacLeod, Presbytery's D.C.E. was placed in nomination as Moderator-Nominee. Mr. MacLeod was so nominated by acclamation.

Rev. Dan Thomas reported for the Ad Interim Committee on Revision of the Constitution of the Church. The progress report was received as information and the committee was instructed to place its recommendations in the hands of presbyters not later than two weeks prior to the January meeting.

Rev. L. B. Gibbs reported concerning the action of the Ad Interim Committee on joint meeting with Concord Presbytery. The report was received and the recommendations were adopted. It is as follows:

Having been appointed by the Moderator to do so, I have met with Robert G. Hayes, President of the Edgar Tufts Memorial Association, and the Rev. E. D. Witherspoon, Jr., Stated Clerk of Concord Presbytery, to discuss with them the proposal for a joint meeting of the two Presbyteries, because of their joint responsibilities at Banner Elk. We recommend:

1. That Concord and Holston Presbyteries hold a joint meeting at Banner Elk on October 20, 1964, with lunch to be served by the Edgar Tufts Memorial Association and the two Presbyteries giving an offering to defray the cost of the meal;
2. That the committees of the two Presbyteries responsible for the cause of Christian Higher Education hold a joint meeting the night before the Presbyteries meet, probably spending the night together at the Holston Presbytery Camp;
3. That the program committees of the two Presbyteries hold a joint meeting about a month before the meeting of the Presbyteries to plan the details of the meetings.

Inasmuch as the Council's Subcommittee on Program is responsible for planning the meetings of Presbytery, I have submitted the above recommendations to the Council. The Council proposed the following additional recommendation: That the corresponding committee of Concord Presbytery be invited to meet with Holston Presbytery's Committee on Christian Welfare, for advice and counsel. With this addition the Council gave its approval to the report as a whole.

Respectfully submitted,
L. B. Gibbs

The Report of the Committee on Court Records was read by the Stated Clerk and was adopted. It is as follows:

The following minutes of Sessions have been examined and approved as follows:

1. Without exceptions—Newport, New Bethel, Rogersville.
2. With exceptions as noted on check list placed in minute book—Colonial Heights, Piney Flats, Rocky Springs, Plumtree, Magill Memorial, Spruce Pine First, Bairds Creek.
3. Minutes not submitted and overdue at the January 1964 meeting—Harmony, Linville, Pineola, Gray's Chapel, Rutledge, Shady Valley, Grassy Creek, Strawberry Plains, New Providence, Whitesburg.

Respectfully submitted,
Court Records Committee

Basil Sharp
W. T. King, Chairman

The Report of the Standing Committee on Judicial Business was presented by Rev. Meigs Newkirk. The Report was adopted and the matter was referred to Synod. The Report is as follows:

Your committee reviewed the Complaint of the First Church and find it to be in order and recommends that in view of the large number of ministers and Ruling Elders of this Presbytery involved in this case, that this whole case be referred to the Synod, for review and disposition.

M. K. Compher, Chairman

The Minutes of a Judicial Commission in meeting Oct. 22, 1963 were heard and admitted to record, as follows:

The Judicial Commission appointed by Presbytery to hear the appeal of Kenneth G. Freeman in the trial of Freeman vs. The First Church, Johnson City, was called into session by the Chairman, Tom Rhea, at Cold Springs Church during the noon hour on October 22, 1963. Present, in addition to the Chairman, were W. M. Clark, Basil Sharp and O'Dell Smith.

The Chairman explained that in as much as a complaint has been filed with the Stated Clerk of Holston Presbytery against the action of the Judicial Commission it would have the effect of causing the sentence of Excommunication against Mr. Freeman of still being continued "until the case is decided". (par. 116-6).

The motion was thereby made by W. M. Clark seconded by O'Dell Smith and unanimously passed that in light of the filing of this complaint the action of the commission reversing the decision of the First Church Johnson City of excommunication be suspended until a final decision on the Complaint is given by a higher Court (117-2).

The Motion was made by Basil Sharp that Dr. Tom Rhea and Dr. V. B. Rambo be appointed to represent the Commission in the complaint made by First Church Johnson City. Motion was seconded by O'Dell Smith and passed.

There being no further business the meeting was adjourned.

W. M. Clark, Clerk
Thomas C. Rhea, Chairman

The Report of the Standing Committee on Bills and Overtures was presented by Rev. O'Dell Smith. The overture from the Session of Bridwell Heights Church was read. The matter was tabled for consideration at the January meeting and referred to the Christian Action Subcommittee with the instruction that their report be in the hands of the Presbyters two weeks before the January meeting. Rev. George Conn completed the report of the Standing Committee on Resolutions. The following report was adopted:

Your resolutions Committee makes the following report on behalf of Holston Presbytery convening in the Cold Spring Church on October 22 1963:

We heartily express our appreciation to the pastor, officers and members of Cold Spring Church for the privilege of meeting in this church, and the generous hospitality provided in many ways, and for the splendid meal served by the Women of the Church.

We thank the moderator for his efficient and wise leadership in the disposal of the business of the Presbytery.

Since Rev. L. B. Gibbs, D.D. will cease to be the Stated Clerk of Presbytery on the assumption of his duties as Executive Secretary, we extend to him our deepest appreciation for his services during the past few years as Stated Clerk and for his wise guidance in this position during this time.

We are grateful to God for His guidance and presence with us this day.

Respectfully submitted,
J. K. Parker, Chairman
Charles A. Bales

Dr. Ferguson Wood invited Presbytery to meet in the First Church of Johnson City for its January meeting. This invitation was accepted and Presbytery adjourned with prayer by Rev. Collier Harvey.

The Minutes of this meeting of Presbytery were read and approved as corrected.

W. Kirk Allen, Jr., Moderator
D. Edward Renegar, Rec. Clerk

Attest: L. B. Gibbs, Stated Clerk

Appendix II

Samuel Hugh Bradley was born on August 12, 1902 in Kuling, N. Kiangsu, China, the son of Dr. John Wilson Bradley, a Missionary of the Presbyterian Church in the United States, and Mamie Bell McCollum Bradley.

He was graduated from Davidson College, in North Carolina, where he received a B.A. Degree in 1923. He received his B.D. degree from the Union Seminary of Virginia at Richmond in 1927, a Th.M. degree in 1928, and a Th.D. in 1935, all from the same institution.

He was ordained by West Hanover Presbytery in 1927, and was pastor at Roanoke Rapids, North Carolina, until 1934. The maturing power of his ministry took him successively to the Knox Church of Norfolk, Virginia, to the old and influential Second Presbyterian Church of Charleston, South Carolina, and then to his great ministry of ten years at the First Presbyterian Church of Decatur, Georgia. From 1953 to 1961 Dr. Bradley served as Field Secretary of World Missions for the General Assembly, giving to this work the same commanding leadership which had been so evident in his pastoral ministry. In 1961 he came to King College as professor of Bible.

Dr. Bradley's untimely death in September of 1963 deprived King College of the teaching power and wise leadership which had already become so highly valuable to the College and its students.

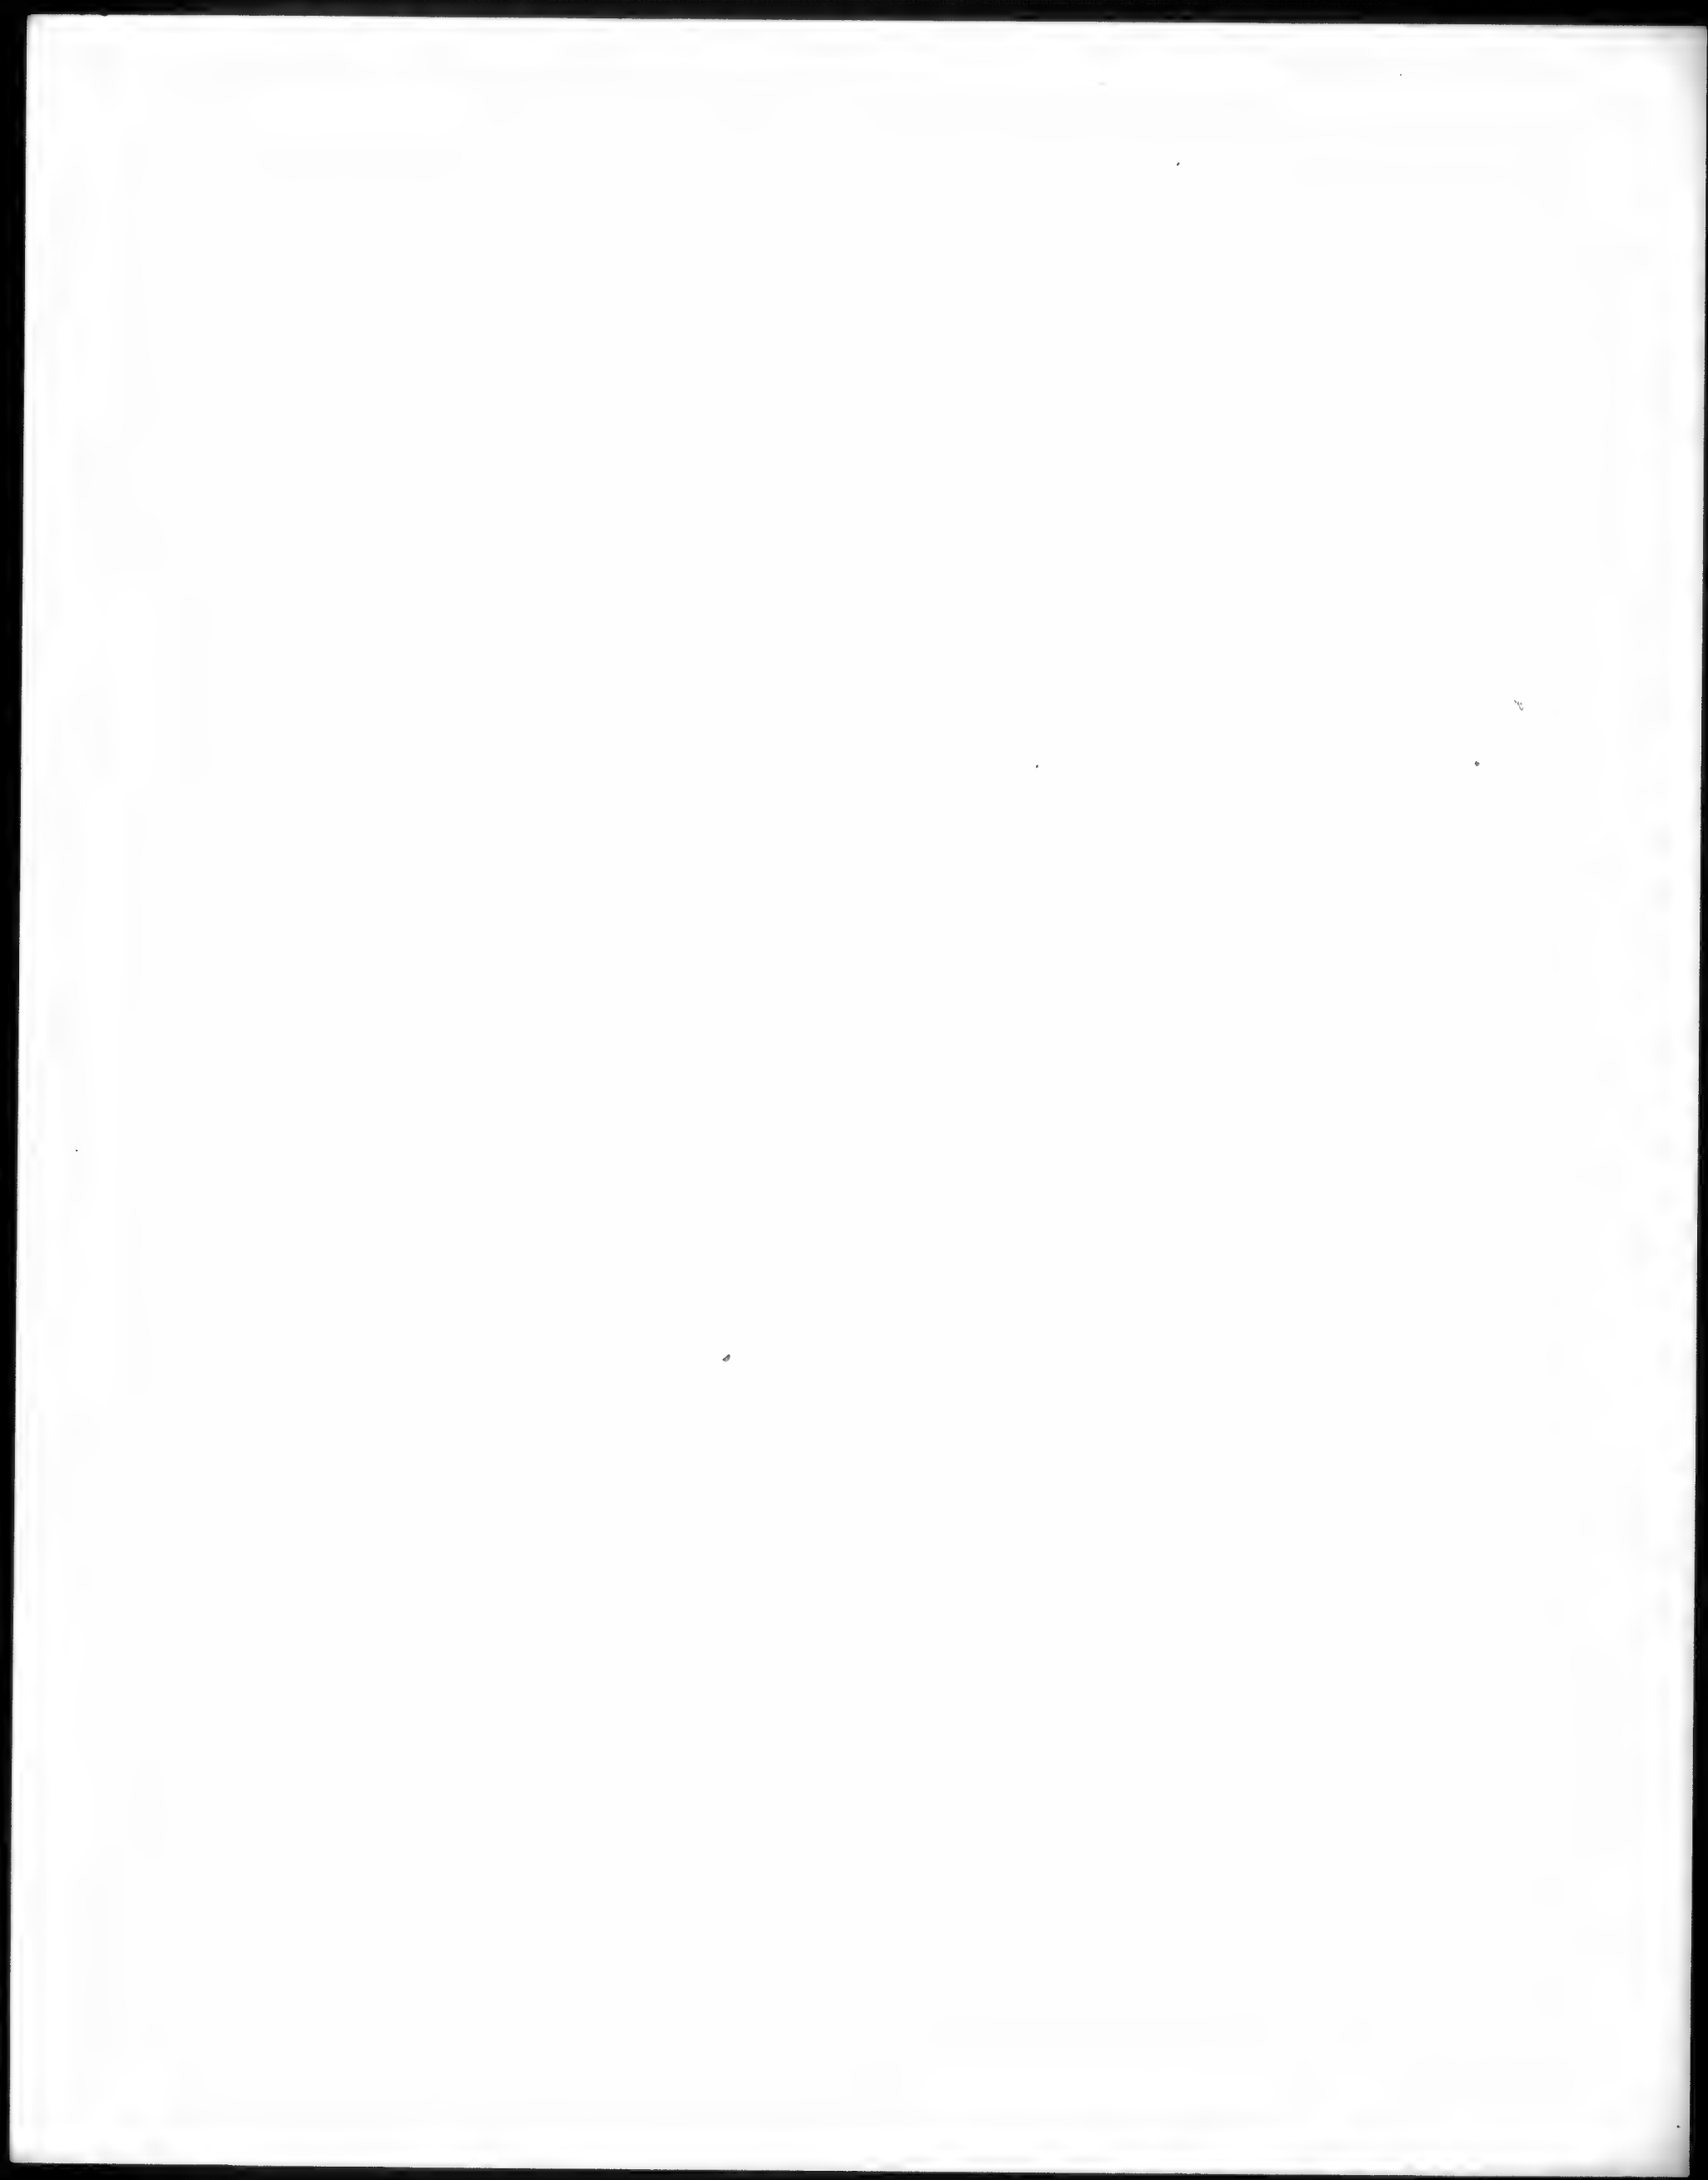

We acknowledge our sense of pain and of loss at his going, but we thank God for the great work done by his strong hands.

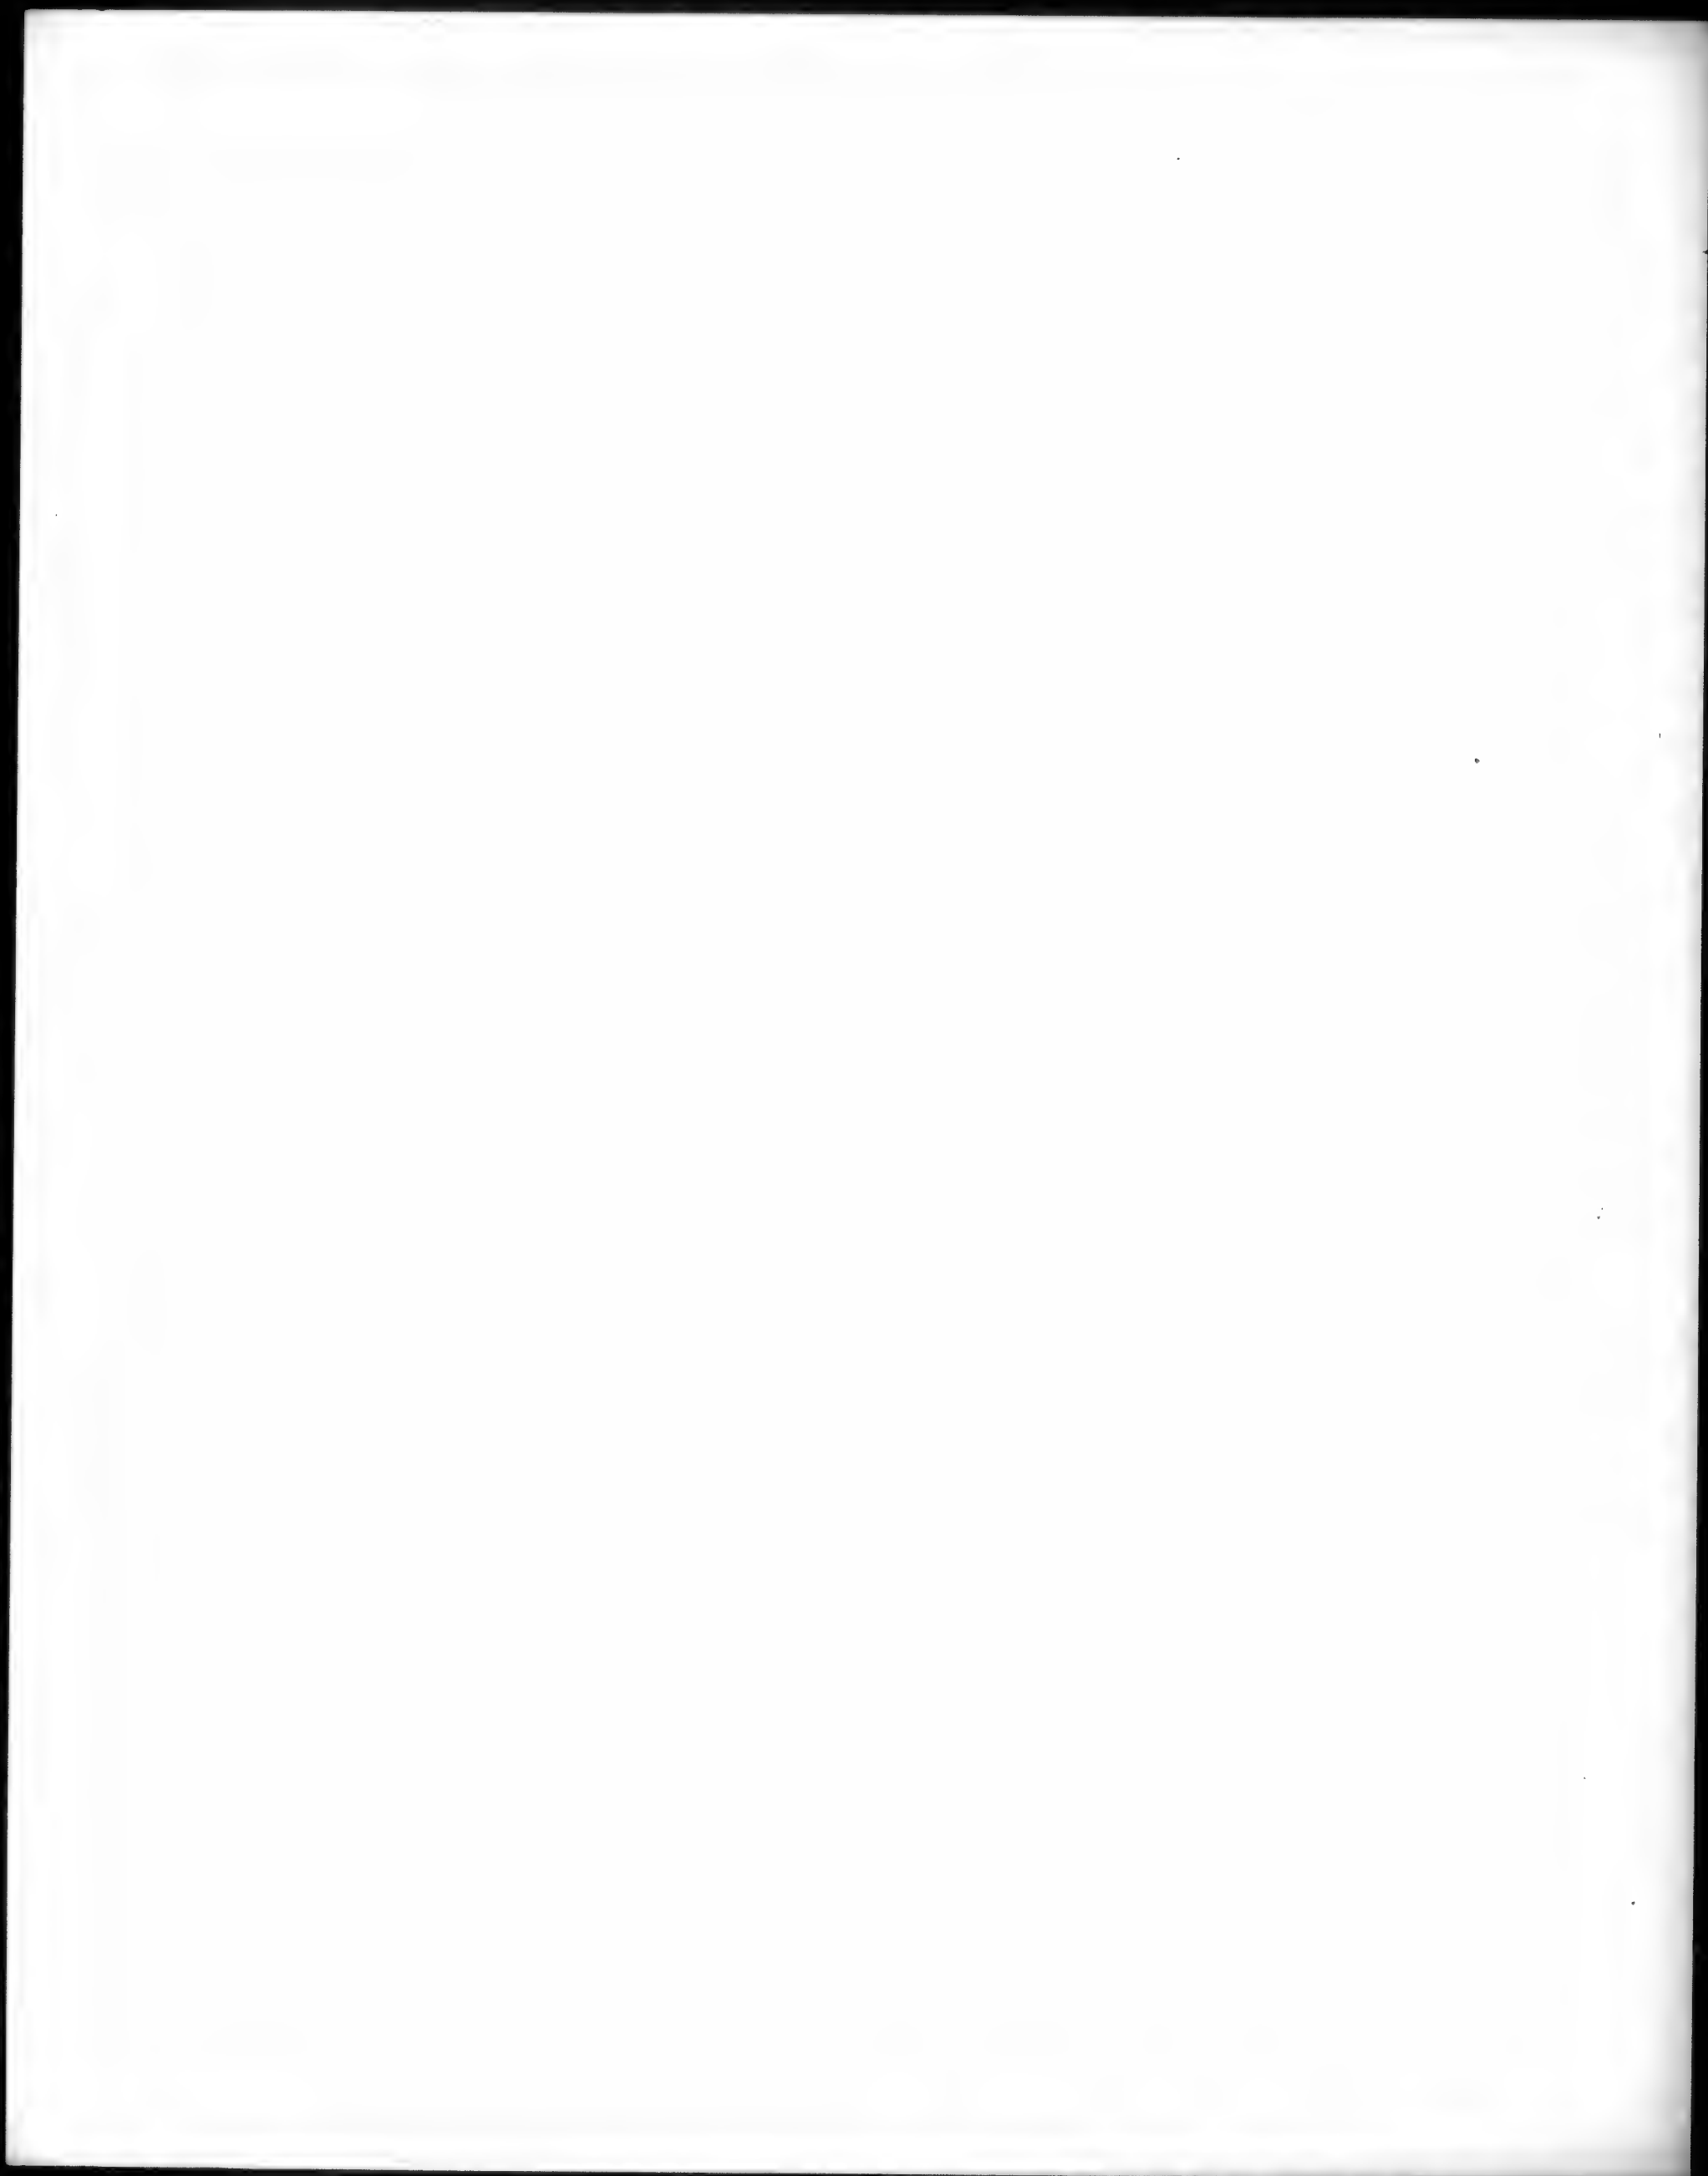

Respectfully submitted,
George A. Anderson

The Commission appointed to install the Rev. James M. Signed by: J. Leo Hall, Moderator, Eugene Gross, Clerk

The Report of Presbytery's Council was presented by Rev. M. O. Sommers, in the absence of the Chairman, Dr. Lee G. Davy, who was in Texas on business matters. The Report of the Council, with its recommendation, was adopted as a whole, with permission being granted to the Stated Clerk to edit the Report, which follows:

The Central Office Committee has noted that Section V. E. of the Manual of Holston Presbytery states: "Terms of Office - No person shall serve on the Council for more than six years without an interval of at least one year." It seems that this provision was intended to control the term of office of persons elected to the Council by Presbytery but it could bar service on the Council by the chairman of a permanent committee, thereby introducing a contradiction into the Manual. It is the unanimous recommendation of the Council that Holston Presbytery adopt the following deliverance: "The limitation of term of office on the Council shall be applied only to those elected to the Council by Presbytery."

The Council has been seeking ways to help improve the understanding of the workings of Presbytery among the elders and deacons. It is the unanimous recommendation of the Council that Presbytery instruct its Executive Secretary to prepare a digest of the minutes of each meeting of Presbytery (with the aid of the Stated Clerk) immediately following each meeting and to send this digest to each church to be read to the Session and Board of Deacons; and that Presbytery instruct the Court Records Committee to take exception to any Sessional Record which does not show that the digest has been read immediately following its receipt.

The Council has been studying the matter of membership of Holston Presbytery in the Tennessee Council of Churches and the North Carolina Council of Churches. It has been noted that all the other presbyteries of the Presbyterian Church U. S. located in the State of Tennessee are members of the Tennessee Council of Churches. The Executive Secretary of the Council of Churches in each state is a Presbyterian minister. Committees of the Tennessee Council of Churches have established Bible study and related programs

under the theme of "Use and Understanding the Bible" in more than twenty-five communities on an inter-church basis; have conducted leadership training through workshops in the areas of religious radio and television, church camping, audio-visuals, and drama; have provided worship services, church family nights on the farms, and a family center in Portland, Tennessee, for migrant strawberry pickers; have carried out the Christian Rural Overseas Program in Tennessee to help feed the under-nourished; have covered the State on tours organized by the Council for the Church World Service Trucks. THE COUNCIL UNANIMOUSLY RECOMMENDS that Holston Presbytery join both the Tennessee Council of Churches and the North Carolina Council of Churches; that contributions to the funds of the Councils be in proportion to our membership in these states; that contributions be on the basis of \$0.05 per member; and the funds be contributed from those made available by Presbytery's tax.

We are informed by Mrs. R. T. L. Liston, President of the Women of the Church of Holston Presbytery, that the Women of the Church are considering a reorganization which would be in accord with recommendations from the Assembly's office of the Women of the Church. The Council wishes to call this matter to the attention of the Presbytery inasmuch as the Assembly's office of the Women of the Church is recommending to the Women of the Church organizations that they obtain approval of such reorganization from their local session.

The report of the Stewardship Subcommittee of the Council is attached. The Council has reviewed the recommendations of the Stewardship Subcommittee and makes the following recommendations to Presbytery:

1. We recommend that when total gifts to Budgeted Causes diminish all causes should suffer by the same percentage.
2. We recommend that the askings for General Assembly's Causes apportioned by Synod to Holston Presbytery be altered to correct an error in calculation of the apportionment as follows:

World Missions	\$ 74,998
Church Extension	31,257
Christian Education	15,031
Annuities and Relief	8,043
General Fund Agencies	25,512
Interchurch Agencies	435
Total for General Assembly's Causes	\$155,275
3. We recommend that the proposed budget of \$230,209, reflecting a 2.20% decrease from 1963 for each cause in the budget be adopted. (App. II)
4. We recommend that the bond of \$1000 on the Treasurer of Presbytery be dropped.
5. We recommend that local churches be urged to begin planning for an effective Every Member Canvass by electing their directors during February, 1964.

The following is an excerpt from the minutes of the Council meeting January 9, 1964:

"The Chairman of the Council, Dr. Lee G. Davy, advised Council that due to increased demands on his time he would be forced to resign his membership on the Council effective at the close of January meeting of Presbytery. The Clerk was instructed to enter in the minutes of Council a statement of our profound appreciation for the effective and consecrated work so efficiently done by him and that the Council takes knowledge of the fact that Dr. Davy has had a permanent influence on both the program and organization of the Presbytery. First, as Chairman of the Stewardship Committee, he led in the formation of the Council. Then as Chairman of the Council, he led in the establishment of the Central Office and organization of the work under an Executive Secretary and an Associate Secretary. The Council feels that more than any other person his

influence will continue as the shadow lengthens and the work of the Lord in Holston Presbytery moves ahead. The Council also recommends that Presbytery take similar action.

Respectfully submitted
For the Council,
Lee G. Davy, Chairman

The attention of Presbytery was called to the General Assembly's recommendation that Pastors and Sessions become acquainted with the Revised Plan of Organization and Program of the Local Women of the Church. (This plan is found in volume of Reports to 1963 G. A.; Report of Board of Women's Work, pp. 25-30). (The matter of Women's Work referred to in the Council Report, above, is not just an action of the Board of Women's Work.)

The Report of the Central Treasurer of Benevolences was presented and was received by the Presbytery. (See Appendix I) Presbytery adopted a resolution of gratitude for the service of Mr. E. H. Sauer as Central Treasurer, and the Committee on Resolutions was instructed to bring in an appropriate resolution as a part of its report.

The Report of the Central Office was presented by Rev. M. O. Sommers and was adopted. Mr. Gibbs introduced the Office Secretary, Mrs. Fred Beckelhimer, to Presbytery. The Report of the Central Office Committee is as follows: The Central Office of Holston Presbytery has been in operation since January 1, 1964, under the direction of Dr. L. Burns Gibbs, Executive Secretary, and Mr. Joseph B. MacLeod, Associate Secretary. Mrs. Louise Beckelhimer has been employed as stenographer-bookkeeper. The address of the Central Office is 323 West Walnut Street, Johnson City, Tennessee, and its telephone number is 928-5421. The office has been furnished with second-hand furniture, and a new Multilith machine has been purchased. The cost of the Multilith machine will be returned to the Presbytery in savings of funds formerly spent for the printing of Presbytery's minutes and the "Holston Presbyterian", and in addition will provide high quality duplication for the reports of the Committees of Presbytery and the Central Office. The members of Presbytery are urged to acquaint themselves with the facilities of the Central Office in order that they may serve Presbytery more effectively.

Respectfully submitted,
Lee G. Davy, Chairman

The following resolution of gratitude and respect for Rev. T. W. Clapp was adopted:

WHEREAS the Rev. T. W. Clapp has been retired by the action of the Presbytery, effective January 1, 1964, after a remarkable ministry in the field at Plumtree, North Carolina, for more than forty-one years;

THEREFORE BE IT RESOLVED that Holston Presbytery:

1. Be reminded of the widespread influence which this servant of God and of the Church has exerted, covering Avery County, and reaching out into regions beyond, for untold good, through a ministry of teaching, preaching, pastoral care, and personal witnessing by word and example;
2. Take note of the fruitfulness of this ministry, in countless lives, within the bounds of our own church, and in other branches of the Church Universal, some of which lives are being lived out in the immediate area, while others are spread far and wide, but still drawing inspiration from the life of this good man;

3. Give thanks to Almighty God that we have had the privilege of having such a man in our midst, a man whose consuming love for God and for his fellow man is such that the honors and rewards for which others seek have held no charm for him;
4. Assure Mr. Clapp and his beloved wife of our continued interest and our prayers that the years which remain may be the most blessed years of their lives;

AND, BE IT FURTHER RESOLVED that this resolution shall be spread upon the Minutes of the Presbytery, that those who come after us may catch a glimpse of this truly great life; and that a copy be transmitted to Mr. Clapp, as a token of our love and esteem.

On second reading, the changes in the Manual of Presbytery relative to Commissioners to General Assembly, was adopted. See Page 26 - 1963-B Minutes of Presbytery.

Presbytery took recess for lunch. During the meal. Ruling Elders attending Presbytery for the first time, Deacons, and others were introduced. Rev. R. P. Keeton, Chairman of the Committee on Resolutions introduced the ladies of the First Church who had prepared and served the meal. Presbytery expressed its appreciation by a rising vote of thanks.

AFTERNOON SESSION

At 1:15 Presbytery was reconvened with prayer by the Moderator.

Rev. O'Dell Smith, Chairman of the Committee on World Missions introduced Rev. Stanley Bennett, Pilot-Evangelist of our North Brazil Mission. Mr. Bennett gave not only an inspirational message, but sounded as well the note of urgency because of imminent danger of closing doors in Brazil.

The report of this committee with its recommendation was adopted. Presbytery was led in prayer for the five children orphaned by the death of Rev. and Mrs. John Wood when their light plane crashed near Ometepe, Mexico. The Report is as follows:

- A. The World Missions Committee presents the following report of its work during 1963.
 1. The Rev. James L. Jackson, Jr. and the Rev. O. D. Slaughter were commissioned as missionaries to the Republic of Congo.
 2. The Chairman of the Committee served as a faculty member at the World Missions Conference; one member of the Committee attended the entire conference and several others were there for various parts.
 3. The Committee conducted World Missions Workshops at the Colonial Heights Church in Kingsport, at the Crossnore, N. C. and the Jefferson City churches. Miss Nettie Junkin, formerly a missionary to China and now serving in Taiwan, was the featured speaker. More than 200 people came.
 4. The Committee purchased a twenty-seven minute color movie, "Bright Flame", portraying the work of the indigenous church in India. This film is being scheduled for showing by Mr. James Huff, Box 99, Bristol, Tennessee.
 5. The Committee has scheduled the Reverend Stanley Bennett, evangelist-pilot of the North Brazil Mission, to itinerate in the Presbytery, February 2-9. The Rev. Edsel Farthing, Route 1, Bristol, Tennessee is organizing the Itineration.

B. The World Missions Committee makes the following recommendations to Presbytery:

1. The Committee recommends that each church invite a missionary or Board of World Missions staff member for a visit sometime during 1964.
2. The Committee recommends that each church use the film "Bright Flame" or "Taiwan Diary" during the 1964 World Missions Season. Both are available from Mr. Huff. Your offerings taken at the showing of "Taiwan Diary" last year paid for that film. We ask that you take an offering at the showing of "Bright Flame" and forward that offering to Mr. Huff.
3. The Committee recommends that each church be directly involved in the financial support of a missionary family. You can do this for as little as \$450.00 per year. The Jacksons and Slaughters are still in need of direct support from local churches.
4. The Committee recommends that pastors inform the Committee of persons who might be interested in full time Christian service as missionaries.
5. The Committee recommends that pastors encourage (especially with financial help) World Missions chairmen and young people to attend the World Missions Conference at Montreat.
6. The Rev. James Rice, Pastor of the Rosemont Church in Bristol, is planning to take a bus load to the Rock Eagle World Missions Conference for Young People. He will make details available in the near future. The Committee recommends that churches send high school and college students, who are interested in any phase of missions, to this conference.
7. The Committee recommends that pastors make available, to the organizations in the local church, the Definite Objects List prepared by the Board of World Missions.

Respectfully submitted,
World Missions Committee
O'Dell Smith, Chairman

A part of the Ad Interim Committee's report which had been made an order of the day was made by Rev. Ralph Brown. The Ad Interim Committee on Constitutional Changes recommended as follows:

1. Sec. 15-6:15 A yes answer. This brings this section into harmony with previous changes in Sec. 29, par. 11. Presbytery adopted recommendation.
2. On Sec. 9-2, relative to women being eligible to hold church offices, no answer recommended. Presbytery voted in the negative, defeating the proposed Amendment 49-40.
3. On Sec. 12-7, this committee recommended that Presbytery vote "yes" as this substituting of "persons" for the word "women" presented no major change of policy. Recommendation adopted.

Report of the Committee on Candidates was made by the Chairman, Rev. Thomas Rhea. Mr. Rhea presented Mr. Robert Craig Countiss, of the Meadowview Church, Bristol, as a candidate to come under the care of Presbytery. The Moderator gave the constitutional questions and offered the prayer. The charge to the candidate was given by his Pastor, Rev. Meigs Newkirk.

As the Report of the Committee on Christian Higher Institutions, Dr. Morton Brown, Elder in the Johnson City First Church, member of this Committee, introduced Dr. Ivan Stafford, Vice-President of Mountain Retreat Association,

and the Montreat-Anderson College. Dr. Stafford reported on the work and progress of the institutions he represented. Committee's report was received as information.

The Commission on the Minister and His Work presented Mr. Cecil Robert Taylor for examination as a minister coming from another denomination. Mr. Taylor is an ordained minister of the Disciples of Christ Church having obtained his educational work at Transylvania College and at the School of the Bible, schools of the above denomination. The examination proceeded as follows: On Religious Experience, by Rev. Max Ecker; on Church Government, by Rev. William Clark; on Worship and the Sacraments, by Rev. R. P. Keeton; on Theology, by Rev. H. H. VanCleve. The examination as a whole was sustained. The question put to candidates at their ordination were answered in the affirmative.

Rev. H. H. VanCleve requested that his vote be recorded in the negative on the examination as a whole.

A call from the Central Presbyterian Church, Kingsport, was read, found in order, and placed in Mr. Taylor's hands. He accepted the call and the following Commission was appointed to install Mr. Taylor in the Central Church Feb. 16, 1964, 7:30 P. M.: To preside, Rev. M. K. Compher; To charge the congregation, Rev. Collier S. Harvey; To charge the Pastor, Rev. L. B. Gibbs; To complete the Commission, Ruling Elders C. N. Randolph, C. Howard Fleener, H. Burrell Bennett; Alternate Minister, Rev. R. P. Keeton; To be invited to preach, Rev. Phil N. Libby, Jr., Presbytery of Appomattox; To be invited to serve with the Commission, and participate in the service, Rev. Ralph E. McCormack, Presbytery of Appomattox.

A motion was made and adopted that we hear the Committee on Christian Welfare, the Report of the Standing Committees, as much of the Nominating Committee's report as needed, and that Presbytery meet in Adjourned Session Thursday, February 27 at 1:30 P. M. in the Colonial Heights Presbyterian Church.

Dr. Lawson Tate, of Banner Elk, was introduced by the Chairman on Christian Welfare. Dr. Tate gave a report on the work of the Cannon Memorial Hospital which was received as information. The Committee on Christian Welfare distributed a Memorandum showing ways and means for making of our concern for the Hospital practical.

A partial report of the Nominating Committee was as follows and was adopted: J. Leo Hall, Recording Clerk; Horace A. Stoessel, Chairman of Christian Higher Education Institutions, Class of 1964, replacing Dan R. Thomas.

A Certification of Presbytery to the Board of Annuities and Relief relative to the retirement of Rev. J. Leo Hall, effective January 31, 1964 was approved.

The Presbytery declined to exercise its option to purchase the Mooresburg property, and the Moderator was authorized to appoint a Commission to satisfy the legal requirement by hearing the reading of the legal paper which stated this action of the Presbytery.

The Report of the Standing Committee on Bills and Overtures was presented and adopted, and is as follows:

In view of the expressed concern of the Presbytery, its Churches and constituents, over the past few years concerning the affiliation of the Edgar Tufts Memorial Association with the Presbyterian Church, U. S., and in no way impugning the integrity of the individual members of the Board of Trustees, we recommend the answering in the affirmative Churches of Avery County; we further recommend that constitutional procedure be followed in corresponding with our sister Presbytery of Concord requesting the establishment of a similar committee to work jointly with the Ad Interim Committee of Holston Presbytery; we further recommend that the committee be composed of five persons, and that the Nominating Committee be requested to study and to nominate to the Presbytery at a called or adjourned meeting the names of the five persons.

If this procedure be adopted by Presbytery we suggest that the Ad Interim Committee be instructed to make its report no later than the Fall adjourned meeting of the Presbytery.

We would recommend that the request of the Rev. Bill Williams relative to a proposed project of TRAV be answered in the negative and that Presbytery request that its Committee of Church Extension bring a progress report on this project at the Spring meeting of Presbytery.

The Report of the Standing Committee on Resolutions was presented by the Chairman, Bill Goforth. It was adopted and is as follows:

Rev. L. E. Shields (UPUSA) was introduced and invited to sit as a visiting brother.

The Docket remaining from the January 23, 1964 meeting of Presbytery was taken up.

The Report of the Church Extension Committee was presented by Rev. L. B. Gibbs in the absence of the Chairman, J. Frank Lamons.

Report of Sub-Committee on Evangelism was given by D. Edward Renegar and was adopted with recommendations. The statistical report covering additions to Church Membership was ordered mailed out with the Summary of this meeting to all the churches of Presbytery. The report is as follows:

We would call your attention to certain statements in the Annual Report of the Division of Evangelism presented last year to the General Assembly.

"When 902,849 members require twelve months to win 28,294 persons, this means that in our church it takes 31 members a whole year to win one. And, since there are 365 days in a year, this means that it takes us 11,315 days of Christian witnessing to bring a single soul to Christ. Should not such a record sober our whole church, send us back to the Bible for instruction, back to our knees in repentance for failure, and back to God in pleading prayer for help?.....

"We should never make evangelism so general as to forget that witnessing is best done by words, prayerfully, humbly, and earnestly spoken. When the Holy Spirit came at Pentecost, the first result of His coming was that believers began to witness in speech to the unbelievers around them. One of our major problems now is to find what will make the modern Christian want to do this.

"There are no short cuts for prayer, Bible study and worship. It was Dr. J. S. Stewart of Scotland who once wrote 'Is it too much to say that revival in the church depends upon the prayer life of its ministers?'. Conviction is born primarily and fundamentally when God, the Holy Spirit, awakens it. Power and results are His."

We would also call attention to these recommendations which have been adopted by the General Assembly in the field of evangelism.

1. That the Sessions give special attention to retooling the church for evangelism, using new aids prepared by the Division to help committees in creating a climate for evangelism, in contacting persons, cultivating them in the hope that God will lead them to make their commitment to Jesus Christ.
2. That Sessions continue to expand their plans for Missions of Friendship until these become a natural part of every organization.
3. That Sessions plan regular programs in Person-to-Person Evangelism, using materials available from the Division to prepare members for more faithful witness to Jesus Christ.
4. That Sessions plan for an Intra-Congregational Visitation for September 1964 to enlist prayer and participation in church school and congregational worship October, November and December.
5. That Sessions continue to encourage Preaching Missions, Missions of Christian Action, Inquirers Classes, and all other possible means of helping persons to become Christians.

Your Sub-Committee feels that there is a general lack of knowledge of the materials available from the Division on Evangelism and would urge that every pastor, if he does not already have in his files a copy, be sure to secure the little pamphlet, Materials on Evangelism, which may be secured by writing the Division on Evangelism, Board of Church Extension, 341-B Ponce de Leon Avenue, N. E. Atlanta, Georgia.

Data from the 1963 Statistical Reports of Churches in Holston Presbytery: Added on Profession of Faith, 378; Added on Reaffirmation, 441; Added on Certificate of Transfer, 430; Restored from the inactive Roll, 45. Gross gain 897. Losses by death, 106; Losses by transfer to the inactive Roll, 448; Losses by Certificate to Other Churches, 368; Total Losses, 922. Net Loss 25. Number of Communicants, 121,979.

23 churches showed no professions of faith; 50 churches showed no reaffirmations; 20 churches had no additions by certificate; 52 churches restored none from the inactive rolls; 8 churches had no additions at all; 27 churches lost more members than they gained; and the highest net gain of any church in the Presbytery was 25.

Respectfully submitted,
D. Edward Renegar, Chairman

The following recommendations of the Church Extension Committee were adopted:

1. That the Church Extension Committee be authorized to regroup churches where there would be an advantage for more pastoral support.
2. That pastors and Sessions take advantage of opportunities to begin new work in suburban communities, and other places in the Presbytery, revealing promise of growth by surveys, and call upon the Church Extension for guidance when needed.
3. That all churches making an increase in pastor's salary and gifts to Benevolences be commended, and that the goal of self-support be kept before the congregations during the year.
4. That all Ministers be urged to preach for at least one revival meeting during the year in the Presbytery, when called upon by the local pastor of the church.
5. That Rev. J. Leo Hall, pastor of Valley Pike Church, Bristol, be commended to the aid-receiving churches for revival meetings during the year 1964.
6. That the Church Extension Committee be instructed to establish Larger Parishes in Avery County, N. C., and Yancey County, with the cooperation of the churches in the area, during 1964, if possible.
7. That all Benevolent offerings be sent to the new Central Treasurer, L. B. Gibbs, monthly, if possible.

8. That self-supporting churches encourage in any way possible the new work established in or near their communities.
9. That the calls on the Builders League be changed from three to two during the year, in February and July.

The Report of Sub-Committee of Christian Action, dealing with answer to overture of the Bridwell Heights Church was adopted as follows:

In accordance with instructions of Holston Presbytery at its adjourned fall meeting October 22, 1963, the Christian Action Sub-committee of the Christian Education Committee of the Holston Presbytery met and considered the overture made by Bridwell Heights Presbyterian Church dated September 19, 1963.

The Sub-committee is in basic agreement with the ideas expressed in the overture. The Sub-committee recommends that the overture be reworded as follows and adopted by Presbytery:

"Whereas in Christ, Christians are one family, worship the one and only God, are baptized by the one Holy Spirit, eat at the same Lord's Table and look forward to the same eternal home;

Whereas for Christians all humans are objects of our love and neighbors whom we are to love as ourselves, in deed and truth;

Whereas the Church has been slow in demonstrating the Christian's oneness with and for the Negro people, and in helping the Negro people become the persons God would have them be in our society;

We, the Presbytery of Holston

1. Admit our failures to love our Negro neighbor as ourselves--both historically and presently;

2. Ask their forgiveness of our failure;

3. Urge each Session to encourage the Negro people to worship and serve the Lord with us in the fellowship of our local congregations.

This we do in an effort to translate words into deeds and truth as our Lord Jesus Christ so leads us."

The Report of the Central Office Committee was presented by the Chairman, T. C. Rhea and adopted, and is as follows:

The Central Office Committee reports that it met in the Central Office on April 9, with every member of the Committee, and the Executive Secretary, present. (The Associate Secretary, as Moderator of the Presbytery, is a member of the Committee.)

The Committee thoroughly discussed the work of the Central Office, with particular reference to the fact that the Associate Secretary, Rev. Joseph B. MacLeod, desires to accept a call to become Regional Director of Christian Education for the Synod of West Virginia, effective July 1, 1964; and also to the need for a Manager for the Holston Presbytery Camp. In the light of the present need, and what the Committee considers to be feasible, the Committee recommends the following plan:

1. The need in the Presbytery calls for a staff of three people; one at Presbytery's Camp and two in the office in Johnson City; and the Presbytery needs to look forward to this when it is possible.
2. At present, the above plan is not possible, and the Committee recommends that the Associate Secretary on the Central Office Staff serve as Camp Manager and live at the Camp, promote the whole program of the Presbytery, primarily in the mountain area; but with the understanding that he would be definitely a member of the Central Office Staff and be available, as needed, and as able, for the Presbytery as a whole.
3. The Board of Directors of the Holston Presbytery Camp would erect a house on the Camp property for this man.
4. The Associate Secretary would be called to fill out the unexpired term, ending December 31, 1966, at a salary not to exceed the present figure.

Rev. Joseph B. MacLeod requested that the Committee concur with him in his request to Presbytery to dissolve his relationship to the Presbytery as Associate Secretary, effective June 30, 1964. The Committee regretfully voted to so concur.

The Committee recommends to the Presbytery that the Presbytery's Committee of Christian Education be directed to transfer the title to the Town Acres Manse to the Board of Trustees of Holston Presbytery Camp.

Respectfully submitted,
Thomas C. Rhea, Chairman

Rev. T. C. Rhea, Chairman of the Council, presented Rev. W. Kirk Allen, the temporary chairman of Stewardship who spoke to the Report of the Central Treasurer. This was adopted with Report of the Council. (See Appendix II)

Rev. Pitser Lyons presented the Report of the Christian Education Committee, which was given as follows:

Rev. Bill Goforth reported verbally on the Children's Work, emphasizing the Laboratory School in Bristol, July 12-17; and the VCS Institutes. Such Institutes on Vacation Bible Schools will be held in a local church for churches of the area, and led by workers supplied by the Committee.

The work of the Youth Council was reported verbally by Blake Brinkerhoff.

Rev. R. P. Keeton presented the Adult Work calling attention to the coming Covenant Life Curriculum Previews.

Camping Committee was presented by Chairman Barrett Gilmer. His report with the following recommendations was adopted.

The Camp Council makes the following recommendations:

1. That each Church keep before its young people the Camping and Conference opportunities available in the Presbytery and Synod for them and encourage them to attend at least one Camp or Conference this summer.
2. That each Church consider helping those who need financial assistance in going to a Camp or Conference, if they are not already doing so. (Note: Especially if you have a family who plans to attend the Family Camp Aug. 8-13)
3. That you as Pastors and Elders keep the Camp dates before you and pray for each Camp and the Counselors, in order that we may truly be in God's will and please Him in what we are trying to do!

Respectfully submitted,
Barrett Gilmer, Chairman

Mr. Lyons presented a Resolution from the Christian Education Committee relative to the work and future plans of Rev. Joseph B. MacLeod. The Resolution was adopted and is as follows:

RESOLUTION

Fathers and Brethren, I have the honor in the name of the Executive Committee of Christian Education of Holston Presbytery to present the following resolution:

In view of the outstanding service of Rev. Joseph B. MacLeod to this Committee and to this Presbytery during his tenure as Director of Christian Education of the Presbytery, and,

Recognizing his signal contribution to the reorganization of the Presbytery leading to the formation of the Central Office, and,

In appreciation for the work of Mr. MacLeod as the first Associate Executive Secretary during these formative months, and,

In view of his call to remove from the bounds of Holston Presbytery to serve as Regional Director of Christian Education for the Synod of West Virginia;

Now therefore, be it resolved:

1. That we express to Almighty God our sincere gratitude for His leading Joe MacLeod to minister in our midst, and,
2. That we express to our former D. C. E. and present Associate Executive Secretary our deep appreciation for his ministry to us, and,
3. That a copy of this resolution be spread on the minutes of this Court and copies be transmitted to Mr. MacLeod and to the Synod of West Virginia via its Executive Committee of Christian Education.

Pitser M. Lyons, Chairman

Rev. Kirk Allen led Presbytery in prayer, thanking God for the contribution that Mr. MacLeod has made to our Presbytery, and praying for the blessing of God in his new field of ministry.

Presbytery took Recess from 10:50 to 11:05 A. M.

At 11:05 Presbytery reconvened for the Presbyterial Sermon.

Presbytery engaged in singing, "A Mighty Fortress Is Our God". Rev. Horace Stoessel, of the King College Faculty, brought the Sermon on the theme, "The Spiritual Nature of the Church" based on Romans 12: 1-2. The service concluded with the singing of "Seal Us, O Holy Spirit". Rev. Kirk Allen moved that the sermon of Rev. Mr. Stoessel be printed in the Central Office and distributed to local Sessions and that the Sessions be directed to read the sermon at a convenient gathering. Motion was adopted.

Rev. Bob Hodges, who is retiring May 15, 1964, was invited to speak to the Presbytery. Mr. Hodges gave reminiscences of 41 years ago in Holston Presbytery.

Rev. D. McD. Monroe led Presbytery in prayer for Mrs. J. K. Parker who was undergoing major surgery in North Carolina; for the meeting of General Assembly in accordance with the written request of Rev. William McCorkle, the retiring Moderator of the Assembly; for the blessing of God on the meal to be eaten at the noon hour.

During the Lunch served by the Women of Bethel Church Rev. Bill Goforth, Chairman of Resolutions Committee, expressed the appreciation of Presbytery for the gracious meal served by these ladies. Presbytery stood to express this appreciation.

Afternoon Session

Presbytery reconvened at 1:00 P. M. and was led in prayer by the Moderator.

Rev. Horace Stoessel, Chairman of Committee on Christian Higher Educational Institutions presented Colonel Max Chapman, President of Lees-McRae College, who spoke on the work of the College. His report was received as information.

Rev. Thomas Rhea, represented Louisville Presbyterian Seminary. With the aid of Mr. Stoessel, Mr. Rhea presented a film strip that set forth the "Field Education Program" of that Institution.

Mr. W. H. Matlock reported on Open House of the Cedarview Church at its new location with an invitation to members of Presbytery, to be held on May 3, 1964.

Rev. M. K. Compher brought the Report of the Nominating Committee; Rev. George Anderson to replace Rev. Max Ecke, removed to Atlanta Presbytery, on Church Extension Committee. Report was adopted.

Rev. Pitser Lyons reported for the Trustees of Presbytery's Home for the Aging. Attention was called to various methods of financing which are being studied by the Board, and that for this year Rev. John Yelton is acting as a Director of Public Relations for the Board. This report was received as information.

Rev. William Clark reported on plans for the Synod of Appalachia's first Workshop on Recreation at Camp John Knox, Knoxville, October 15-17. Cost is \$10. This workshop is for leaders in Church Recreation and all other persons interested in Church Recreation.

Announcement of the forthcoming Evangelistic and Prayer Conference to be led by Rev. William Hill on May 15, 16, at Rosemont Church, was made by Rev. James Rice.

Rev. Meigs Newkirk, of the Committee on Women's Work, introduced Mrs. R. T. L. Liston to the Presbytery. Mrs. Liston's report was adopted and the Women of the Church, together with Mrs. Liston, were commended by Presbytery.

The Women of the Church of Holston Presbytery, as reported to the 1963 General Assembly, numbered 4,512 women in 62 organized groups. This is 152 fewer women than reported in 1962. One group has been formally discontinued; other groups have been combined; and we have some work in 13 other churches. Receipts for our year totaled \$7,470.55 in comparison with \$4,686.35 last year. This represented slightly larger gifts to almost all causes and a Birthday Gift for medical work and new work in Brazil of \$4,430.35. This was more than double the gift of 1962 and 43% more than in 1961.

Evaluation sheets for the year 1962-63 from local groups indicate greater individual participation and interest in our circle Bible study of Matthew, and the intensive Bible study of Jeremiah. Some reported a deepening interest in prayer.

Reports indicated that study of the theme "Our Unity in Christ" has resulted in; more meetings with the men and young people in the churches; more participation in such things as World Day of Prayer and in Church World Service; more concern for

Negro women (one had organized a Negro women's circle - many sent delegates to the Knoxville Inter-denominational Conference for Negro women); more interest in foreign students; and more attention to the sufferers at home and abroad. They had far exceeded their White Cross quotas.

The third Annual Retreat for Employed Women of our Presbytery was held at the Presbytery Camp in October. Though not largely attended, it proved a stimulating period of fellowship and uplift.

During the Synodical Training School last June, many women were introduced to the Revised Plan of Women's Work accepted by the General Assembly in May, 1963, and eight of them studied it further at the Montreat Woman's Conference. At the Annual Meeting of the Women of the Church of Holston Presbytery at Colonial Heights, Kingsport, Tennessee, on October 16, we unanimously adopted a resolution instructing our Constitution and By-Laws Committee to draw up a new Constitution, in accordance with the revised plan, for possible adoption at the meeting in 1964. The Nominating Committee was instructed to work with the Constitution and By-Laws Committee in preparing a suitable slate for nomination at that time. In the first six months of our new year, the president and all six district chairmen attended an area training conference in Montreat, and have since worked at the six district conferences and with every local president, and others, in interpreting the revised plan. It is our hope that this more flexible plan, with fewer necessary officers, may prove a blessing to our women. It has already been adopted in many of our churches.

Since October our theme has been "Christian Worship" and our Bible study is of Psalms. Preliminary reports indicate that work for the causes of the Church are proceeding satisfactorily. Through stressing a series of personal studies of "What is God Calling Me to Do?" we are trying to move forward in the fields suggested by our last General Assembly.

We are appreciative of this Body and of our pastors and local sessions for their assistance, and we thank God for all His goodness and for the opportunity to serve Him. We pray that He will guide and use us in work for Him and the Kingdom of our Lord and Savior, Jesus Christ.

L. B. Gibbs, Central Treasurer

At this point in Presbytery's proceedings, the deacons, who were present by invitation, adjourned to their own meeting under the direction of the Stewardship Sub-committee.

Presbytery heard the Reports of our Commissioners to the 1964 General Assembly. They were: Ralph E. Boy, Charles G. Bridwell and Lawson Tate, Ruling Elders; William H. McCorkle, J. Edsel Farthing and Fred Walker, Ministers. After the other commissioners had given their reports Mr. McCorkle voiced their sentiments in a plea for prayer which was ordered duplicated and sent to every church for immediate response. The plea is as follows:

The Commissioners to the 104th General Assembly make a united plea to fellow-members of Holston Presbytery to join them in prayer, especially for the matters of concern which were focal points of the last Assembly:

1. The Assembly's action for the merging of the Negro Presbyteries into the adjacent white Presbyteries; that the Spirit of Christ prevail in all situations where tensions are created in this transition.
2. For the spirit intended in the Amendment sent down to the Presbyteries concerning the Directory of Worship wording: "No one shall be excluded from participation in public worship. . . on the grounds of race, color, or class."
3. For more knowledge of and sympathy with fellow Christians in the National Council of Churches;
4. For the servants of Christ in our Church who have a feeling of fear and insecurity because of the positions on the subject of social injustices.
5. For a renewed spirit of outreach and evangelism without which chief concern of the Church her mission will fail.

The Rev. Horace E. Stoessel, Chairman of the Committee on Christian Higher Educational Institutions presented the Report for his Committee. As part of the Report he introduced Colonel Max Chapman, President of Lees-McRae College who in turn presented Mr. Louis Hall, Academic Dean and Mr. Lee MacKaskie, Director of Admissions and Student Services, both of whom spoke briefly of their work at Lees-McRae College. Colonel Chapman then spoke concerning the needs of the college and some of the plans for the future. The Report was received as information and Presbytery recessed for lunch.

During lunch, Mr. R. E. Woodside, Chairman of the Standing Committee on Resolutions, presented the report of his Committee. The Report was adopted and is as follows:

We the members of Holston Presbytery are grateful to God for His providential care of us; His guidance to us in our deliberations over the last two days, and the fellowship which we have had among ourselves and with our brethren of Holston Presbytery, UPUSA. We offer our sincere thanks to the Directors and Staff of the Camp for their hospitality, gracious service and wonderful meals which have made our stay so pleasant.

R. E. Woodside, Chairman
Resolutions Committee

The Report of the Christian Education Committee was completed at this time with the Rev. Richard Keeton reporting concerning Workshops for ministers and Rev. T. C. Rhea reporting concerning the Holston Presbytery's Camp Building needs. Presbytery approved a resolution adopted by the Board of Directors of Holston Presbytery Camp, authorizing the Board to negotiate loans not to exceed \$40,000.

The Report of the Church Extension Committee was presented by Rev. L. B. Gibbs, Presbytery's Executive Secretary. As part of the report he presented the proposed plans of the Sub-committee on Evangelism. The report was received and its recommendations were adopted as follows:

1. That the Church Extension Season, October 1-18, 1964, be observed as a time of rededication to the mission of the Church; that all pastors be requested to acquaint their people with the opportunities now before the Church to extend the Kingdom of God; and that the entire Church be summoned to earnest prayer and united effort in all areas of Church Extension work.
2. That all churches through their organizations be urged to make the widest possible use of the 1964 denominational adult study book, The Presbyterian Task in an Urban South, by John Robert Smith, the recommended interdenominational books for all age groups and the supplementary materials prepared by the Board of Church Extension; and that the attention of our people be called to the booklet, One Way for Modern Man, which is the Gospel according to John in the Phillips translation, illustrated with 18 full page black and white photographs which relate the Gospel to our contemporary urban life.
3. That every congregation be encouraged to observe October 11-18 as a week of prayer for Church Extension during which supplemental offerings will be made for the extension work of our denomination, it being understood that Presbytery is to retain 80% of all such supplemental offerings for its own use and remit 20% to the Board of Church Extension for distribution to areas of particular need.
4. That congregations give special attention to the carrying out of the recommendations as given in the report on Evangelism, by the subcommittee on Evangelism; and that in the meanwhile every church diligently pursue every opportunity for evangelistic effort.

Report of the Sub-committee on Evangelism to the Presbytery of Holston in Session at Presbytery's Camp Ground, Banner Elk, North Carolina, July 17-18, 1964.

The 1964 Synod of Appalachia approved the following recommendations of the Sub-committee on Evangelism:

"That a retreat for ministers and/or laymen be held this year and that each Presbytery send at least four of its ministers and/or laymen to this retreat; and that these ministers and/or laymen be chosen by the Sub-committee on Evangelism in conjunction with the Presbytery's Committee on Evangelism; also, that these attending would be expected to give leadership in their respective Presbyteries in the field of evangelism.

"That the Synod approve an Evangelistic Crusade in 1965, with each church within a given Presbytery engaging in the endeavor at the same time, but no two Presbyteries are to be engaged simultaneously in this Crusade; and further, that the ministers and/or laymen attending the retreat will be constituted a Committee to formulate and carry out details for this Crusade when the way is clear."

Such a Retreat was called to meet at King College at 6 P. M. June 30, 1964 - 12 Noon, July 1, 1964. Attending from Holston Presbytery were D. E. Renegar, L. B. Gibbs, W. H. McCorkle, all ministers; and Mr. John Forbes, a layman. Rev. M. K. Compber, Chairman of Synod's Sub-committee on Evangelism, who directed the retreat, is also a member of Holston Presbytery.

The following were suggested as desired results from such a Crusade as recommended by Synod's Sub-committee:

1. A concern in each of our lives for the lost.
2. Congregations brought to the place where invitations to accept Christ would be welcomed, even desired.
3. A deepening of the spiritual life of each believer resulting in a new awareness of and submission to, the Lordship of Christ.
4. Every Church in Presbytery reporting at least one profession of Christ every year.
5. More real fellowship in the church.
6. An awakening to the place of the Holy Spirit in Evangelism.
7. More boldness in witnessing.
8. These things culminating in a deepening of the spiritual life of the church and a great ingathering of souls.

These results would be brought about through much prayer and a dependence upon the Holy Spirit for guidance. Under the leadership of the Holy Spirit, perhaps other than preacher-led services might be conducted; for instance (1) personal evangelism instead of or in conjunction with a series of evangelistic services, (2) some laymen-led services with training sessions for laymen being held in advance of such services, (3) preacher-led services with laymen assisting, (4) a greater use of radio, TV, films, etc.; these all being beamed to awaken the church to the prime business of the church, to know the lost in the community, and more boldness in seeking others for Christ.

Although these dates are merely tentative, it was agreed that they would be the best times for the services:

March 7-14,	Knoxville Presbytery
March 21-28,	Holston Presbytery
April 4-11,	Asheville Presbytery
May 2-9,	Abingdon Presbytery

A special committee of 5 was appointed to meet and formulate a financial budget and to settle on the dates, if possible.

It is expected that the following schedule will be followed:

1. A mailing will be sent to every church in Synod by July 25, to be presented to each session for their action not later than September 7.
2. Synod's Committee meets in early September.
3. Presbytery's Committee (composed of the members who attended the retreat, Council on Evangelism or representatives from the various agencies of Presbytery) ready to begin functioning by the middle of September.

Church Extension Committees will probably be asked to share the basic expense on a per capita basis.

All of the above is merely for information that each presbyter might be led to inform the local church of the proposed emphasis on evangelism; that each church

might be encouraged to pray without ceasing for this effort; and that each member might begin even now to seek the Lordship of Christ in every aspect of life.

Respectfully submitted,
D. E. Renegar, Chairman
Sub-committee on Evangelism

The Report of the Court Records Committee was presented by the Chairman Rev. Basil Sharp. The following report was adopted:

The Court Records Committee with the able and much appreciated help by Clerks of Sessions, have examined the Records of Sessions that were submitted. We have approved without exception: Waverly Road, Bridwell Heights, Bethel, Mica-ville, Morristown First. We have approved with exceptions as noted: Newdale, Kingsport First, Lynn Garden, Newland, Buladean, Mountain City, Clinton, Oakland, Central, Cloudland, Shady Valley, Providence. The following Churches did not submit their records for examination: Arcadia, Bethany, Cedarview, Colonial Heights (note the excuse of Presbytery), Harmony, Linville. The following churches failed to submit their records at the Adjourned Spring Meeting and did not send them to this meeting: Estatoa, Jack's Creek, Green Mountain, Harris Memorial, Ridgeview, Meadow Creek, Calvary.

The Committee recommends that the Clerk send a special note to these delinquent churches reminding them of their failure and to present their records at the next meeting of Presbytery.

We have examined the Minutes of Presbytery and found errors in 1964-A, but 1964-B corrected these. We recommend that each minister and ruling elder be asked to check those offices and reports they are personally associated with for corrections and let the committee know of any errors.

Respectfully submitted,
Basil P. Sharp, Chairman
Court Records Committee

The Rev. L. B. Gibbs presented the Report of the Treasurer of Holston Presbytery. This report was for the year 1963. The Report was adopted. (See Appendix I)

Rev. Pitser M. Lyons, Chairman of the Executive Committee on Christian Education spoke concerning the Consultations to be set up by the Assembly's Inter-Agency Committee and the formation of a Presbyterian Appalachian Council. The following recommendations were adopted:

1. That Presbytery instruct each of its Churches to send its minister and Clerk of Session to the General Assembly's Inter-Agency Committee Sponsored Consultation on Work and Worship of the Congregation, to be held in Montreat for Knoxville and Holston Presbytery October 6-7, and that the Church should defray expenses incurred.
2. That Presbytery appoint its Executive Secretary, ex-officio, and one other to be named to Presbyterian Appalachia Council to be constituted in First Church, Kingsport, November 16, 1964, and that expenses incurred in travel and entertainment of delegates to meetings be defrayed by Presbytery.
3. That Presbytery approve the recommendation that every minister be encouraged to attend the 2nd annual Presbyterian Appalachian Minister's Conference in the First Church of Kingsport, Tuesday-Thursday, Nov. 17-19.

The minutes of this meeting of Presbytery were read and adopted as amended. Presbytery was adjourned with prayer by the Moderator.

The Rev. Joseph Mack, Superintendent of Home Missions, presented the Treasurer's report for Mr L. C. Abel, Treasurer, which was received and referred to the committee on audits. It was later referred back, adopted and is as follows:

Presbytery's Home Missions closed the year 1960 with all current bills paid. All obligations were met when due, inspite of a shrinkage of receipts from the churches to only 56% of the askings in presbytery's budget for benevolences.

The Rev. James R. Boozer delivered a charge to him after which Presbytery was led in prayer by the Rev. W. S. Thorington.

Presbytery recessed to examine Session's Records and for Committee Meetings.

Lunch was served at 12:30.

AFTERNOON SESSION

Presbytery reconvened at 1:45 and was opened with prayer.

WOMAN'S WORK

Rev. D. R. Freeman, Chairman, presented Mrs. Joseph Mack, President of Knoxville Presbyterial. Mrs. Mack presented her report, which was adopted and is as follows:

Through emphasis in "Understanding the Bible," the Women of the Church of Knoxville Presbytery have made progress toward the three goals we set for ourselves at the beginning of 1960:

1. Strengthening the present membership as well as gaining new members.

2. Developing better Stewardship in joyous living.

3. Translating into action a deeper spiritual life.

The circle Bible studies, "Christ, the Unifying Center," had two goals:

1. To help women see Christ as the center of all they believe.

2. That they might let Him be the center of all of life.

A. total of 6,310 women of the presbytery in 50 Women of the Church organizations continue active in community service and show their worldwide sympathies by generous responses to White Cross quotas, Ocerseas Relief, and the annual Birthday and Joy Gifts.

The Knoxville Presbyterial Birthday Offering for Stillman College was \$5,155. The total offering from the women of the Assembly was over \$170,000. The women of Knoxville Presbytery gave scholarships to King College and to the Presbyterian School of Christian Education and added to the loan fund for Student Nurses at Fort Sanders Presbyterian Hospital. The support of the children at Bachman Home continues to be a loving service.

Officer training schools, District Conference workshops, and the annual Synodical Training School have given women in all churches opportunities for learning about the organization and work of the Church and for securing special help in particular phases of the program of the Church. The presbyterial Executive Board had its fall meeting at Presbytery's campsite, with a full day of business, fellowship, and spiritual enrichment, and plans to make an annual event of this meeting.

The women of the Presbytery have a unity of interests and purpose and feel that through the studies of the past three years—1958, The Nature and Mission of the Church; 1959, World-Wide Witness; and 1960, Understanding the Bible—we have been prepared in a wonderful measure for the New Commitment to which we are called in our Church's Centennial Celebration, realizing anew that our Mission to the Nation is Evangelism.

Jesus said, "For the Son of Man is come to seek and to save that which was lost . . . As My Father hath sent Me, even so send I you."

(Mrs. Joseph B.) Myrtle B. Mack
Presbyterial President

Communications

The Stated Clerk presented a report of the Committee designated to review the study draft of the "Directory for Worship, and the Life and Work of the Church". This was

received as information, and the Committee was thanked and dismissed.

A communication was received from the Rev. George Murray reporting on a Workshop on World Missions, which had been held in the Fifth Avenue Church, Knoxville.

Stated Fall Meeting

An invitation was received from Knoxville First Church to hold its Stated Fall meeting in that Church. The invitation was accepted and the date was set for October 2-3, 1961.

World Missions

The Rev. Earle Stevens, Chairman, presented the report. The report and recommendations were adopted and are as follows:

We are living in critical days. Opposition to the evangelical Church and her witness is three-fold: Russian Communism, Roman Catholicism, and extreme nationalism. The enemies of the Gospel are on the march and for this reason the Church of the Lord Jesus Christ must "be strong in the Lord and in the power of His might", having put on the whole armor of God to fight a good fight and press the Gospel to the four corners of the earth. Though living in a push-button age and literally in the lap of luxury, the getting out of the Gospel is the same stubborn and rugged business that it was in the days of the early Church, and it demands that priority of which it alone is worthy.

In every land where our missionaries are at work - except in Ecuador and Iraq, fields of recent occupation - the national Church is a reality. But even so the national Church depends greatly upon us for leadership and funds. And even at that, the missionary is still a pioneer, his primary concern being the reaching of those yet unevangelized. There are few countries in which our missionaries are at work today where as many as five percent of the people have been won to the Christian faith.

In view of these facts, the need of the Church is threefold: the securing of information concerning the various mission fields, the sending out of our youth as personnel, and the giving of our monies.

Therefore, we recommend:

1. That our ruling and teaching elders and all who are identified with World Mission in the local Church be familiar with the reports in the minutes of the General Assembly and Synod, especially noting the recommendations.

2. That the annual World Mission Conference held each summer at Montreat be attended by as many of our people as possible.

3. That teaching and ruling elders look for and assume an obligation to young people who indicate the call of the Lord to missionary work.

4. That audio-visual aids, available from the Educational Department of the Board of World Missions, Nashville, be increasingly used by the local Church.

5. That Workshops, in preparation for the World Mission Season, 1962, be held for the Knoxville and Chattanooga areas during the fall season.

6. That local Churches set up a School of World Missions. These would ordinarily be after the area Workshop and before the World Mission Season.

7. That your committee be enlarged to five members.

8. That the expenses of this Committee be provided by Presbytery.

Presbytery's Home Missions

The Rev. James L. Fowle presented the report. The report and recommendations were adopted and are as follows:

Knoxville Presbytery, like the Synod of Appalachia, has been looked upon as a Home Mission field to be subsidized by the benevolent gifts of other parts of our Church. For years Knoxville Presbytery has blazed the way for aggressive and progressive stewardship. As far as records show, this is the first year in which Knoxville Presbytery has assumed self-support. No supporting funds are being asked from the Board of Church Extension in 1961.

Northminster church, near Chattanooga, is the newest organized church in the Presbytery. Organized on September 25, 1960, a contract for the erection of a building was signed the next day. Now the Northminster church, with Dr. J. Harper Brady as pastor, expects to occupy its new commodious and attractive home before the first of March.

Chota church, near Concord, is erecting a new masonry building to care for the educational needs in its growing community. Unfavorable weather has presented obstacles and prevented its occupancy. Within two months it is expected that the new building will be in use.

Covenant church, Oak Ridge, has finished its first unit and will move into its new home as soon as access roads and

park facilities are paved. A full program of preaching, teaching, and other activities will be under way by the first of March.

Brainerd Hills and Wayside churches have made commendable progress toward assuming the full support of their pastors. Chattanooga Valley church will be one of our self-supporting churches as soon as a pastor is installed.

Brainerd Hills and Fairview churches will be seeking pastors to succeed those whose pastorates are being terminated. John Sevier church is supplied by a student at Maryville College, Mr. Robert Burkhardt, who is under the care of Baltimore Presbytery. Rocky Springs and West Emory churches are being supplied by preaching, each with two Sundays a month.

Lebanon church has carried a non-resident member roll for many years. With diminishing income, this church has been unable to meet the unrealistic presbyterial tax. This can be remedied and a new start given Lebanon church by cooperation between the Presbytery and the Home Missions Committee, one forgiving one-half of the accrued tax and the latter paying one-half of the tax owed as of this date.

The "Forward with Christ in Equipment" program, amounting to \$1,000,000, was approved in the fall of 1955 and started by the Home Missions Committee on January 1, 1956. On January 1, 1961, after five years of this ten-year forward program, a conservative estimate of the value of equipment in properties and buildings realized and in use is \$760,000. This has been achieved by the use of Home Mission funds, grants from the Board of Church Extension, gifts from interested persons and churches, and the response from local churches involved.

The attention of all is called to the fact that the gifts from the churches reached only 56 percent of the askings in Presbytery's budget. With May set aside for Church Extension study and emphasis, and with the Week of Prayer and Self-Denial designated as May 14-21, greater achievements are ahead as our services to the expanding populations in our area are made possible by greater financial backing.

RECOMMENDATIONS

1. That Presbytery designate May 14-21 as the Week of Prayer and Self-Denial for Supplemental Offering for Church Extension; and that the month of May be set aside for special emphasis on Church Extension.

2. That Wehutt church be dissolved and be made an outpost of Farner church.

3. That Chattanooga Valley church be commended for achieving self-support; and that Brainerd Hills and Wayside churches be commended for assuming more pastoral support in the year 1961.

MINUTES OF THE KNOXVILLE PRESBYTERY

4. That the officers and congregations of all aid-receiving churches be urged to increase local efforts in evangelism and stewardship with the view of attaining pastoral self-support.

5. That Presbytery forgive one-half of the accrued presbyterial tax to Lebanon church, as the Home Missions Committee agrees to pay the other half of the accrued tax.

6. That Presbytery approve the following supplies which have been submitted to the Commission on the Minister and His Work:

James R. Boozer as evangelist at Lewis Chapel; Robert Burkhardt as student supply at John Sevier; W. R. Childress as temporary supply at Nonaburg; D. R. Freeman as stated supply at Houston and Lebanon; Harry S. Hassall as stated supply at Chota; Fred W. Hoffman as occasional supply at Rocky Springs and West Emory; Donald A. Swicord as stated supply at Mountain View; S. M. Wolfe as stated supply at Farner and Epperson.

7. That Presbytery approve the following budget for 1961, as adopted by the Home Missions Committee for its operations:

1. Support of Organized Work	\$ 17,550
2. Mission Churches and Outposts	17,780
3. Building Repairs and Insurance	6,500
4. New Properties and New Buildings	42,000
5. Administration	9,600
6. Group Insurance and Retirement	6,800

Ministers:- Joseph Mack, Chairman, C. McCoy Franklin, William Childress and Sam Wolfe.

Elders:- H. R. Stewart, Madisonville and Grover Fry, Center.

Education

The Rev. George Murray presented the report on Education. Several members of the Committee who are in charge of different Camps and Conferences or programs, spoke in connection with the report.

Rev. William R. Jones, Jr. Received

The Stated Clerk presented a certificate dismissing the Rev. William R. Jones, Jr. from Holston Presbytery to Knoxville Presbytery. The certificate was received and Presbytery proceeded with the required examinations. These were approved in parts and as a whole, and Mr. Jones was ordered enrolled a a member of Knoxville Presbyery, after having signed the ex animo statement.

The call of the First Presbyterian Church, Middlesboro, Ky. was read and found in order; placed in his hands and received by Mr. Jones. The Commission on the Minister and His Work reported that the call had been approved by them. The following Commission was appointed to install him:- Rev. Joseph Mack, Rev. John Thorppson, Rev. George Farr, Mr. Nelson Allen and Mr. Richard Parks. Presbytery invited Rev. W. Kirk Allen of Holston Presbytery and Rev. Ben Rice of Abingdon Presbytery to sit with the Commission and have a part in the service.

Reception and Examination of Gerge D. Carter

Upon the recommendation of the Rev. Don Brandon, Presbytery proceeded to examine him for licensure and ordination. The required examinations were conducted and approved. Since Mr. Carter is a College and Seminary graduate, those parts which are permitted by the Book of Church Order, were omitted. A report was made on the written parts, and recommended that they be approved. The examination as a whole was approved and Presbytery voted to omit licensure and appoint a Commission to ordain and install. The call of the Red Bank Church was read. To the Officers and Members of the Committee
Bachman Memorial Home, Incorporated
Cleveland, Tennessee
Gentlemen:

In our opinion, the accompanying statement of Cash Receipts and Disbursements presents a true transcript of the recorded Operating Fund transactions for the period from January 11, 1960 to January 10, 1961, inclusive.

Respectfully submitted,
William M. McGhee

Dated at Chattanooga
February 24, 1961.

Note: The Trustee of Bachman Home, Inc would call attention to the fact that the farm expenses are almost \$3000.00 more than the reported income. However, the value of food provided by the farm and used in the Home is not recorded, since no cash passed through the hands of the Treasurer. The value of this food is placed at \$4500.00, which would give a profit on the operation of the farm of \$1500.00.

Haley Received as Candidate

The Rev. Don Brandon presented Mr. James E. Haley, a member of the Moore Memorial Church, Pineville, Kentucky, with the request that Presbytery examine him as is required of those seeking to be taken under care of Presbytery candidates. Mr. Brandon stated that all the papers were in order and recommended that Presbytery proceed with the required examinations. The Moderator conducted these which were sustained as satisfactory and Mr. Haley was enrolled as a candidate for the Gospel Ministry under the care and oversight of Knoxville Presbytery. The Rev. John Thompson gave the charge and the Rev. George Gracey led in prayer.

Candidates Dropped

Upon the recommendation of the Rev. Don Brandon, the following candidates were dropped from our roll: Eugene E. McNeill, Robert E. Reeverts, and John Werner. These young men had either moved from the bounds of Presbytery or had gone into other work.

Examination of Pflug and Smith

Presbytery engaged in the examination of candidates H. Howard Smith and Arthur H. Pflug who were seeking ordination. The required examinations were conducted and ap-

proved. Reports were made on the written parts, which were approved. Presbytery voted to approve the sermons preached earlier in the session. Presbytery then voted to approve the examinations as a whole, and to enroll them as members of Knoxville Presbytery after they shall be ordained by commissions.

The call of the session of the Signal Mountain Church for the services of Mr. Smith as assistant. Pastor was read and found in order. The call provided a salary of \$4,200.00 a year and other considerations.

The call of the session of the Lookout Mountain Church for the services of Mr. Pflug as assistant pastor was found in order. The call provided a salary of \$4,200.00 and other considerations.

The Commission on the Minister and His Work reported the approval of the issuing of these calls and placed them in the hands of these young men, who accepted them.

The following commission was appointed to ordain Mr. Smith on Sunday, July 16, 1961 at 7:30 p. m.; Rev. Harry Philips, Rev. George Carter, Rev. W. S. Thorington and Elders John O. Lines, Ivan Scott and W. B. Willingham. The Rev. Wade P. Huie of Augusta-Macon Presbytery was invited to sit with the Commission and preach the sermon.

The following Commission was appointed to ordain Mr. Pflug on Sunday, July 23, 1961 at 2:00 p. m. in the West Brow Chapel of the Lookout Mountain Church: Rev. Donald Swickord, Rev. Samuel Wiley, Rev. George Carter and Elders Peter Branton, Hugh Macellan, O. B. Emmett.

The Minister and His Work

The Rev. A. E. Dallas presented the report of the Commission on the Minister and His Work, which was adopted and is as follow:

Your Commission on The Minister and His Work presents the following report:

Candidates Dismissed

Three of our Presbytery's candidates for the ministry were dismissed on June 5, 1961, by the Commission: Everett Gossett to Athens Presbytery; Edward Henegar to Guerrant Presbytery; Tom Roddy to Florida Presbytery.

Calls

The call of the Session of Signal Mountain Presbyterian Church for the services of Mr. H. Howard Smith as Assistant Pastor was found in order. It is recommended that the call be placed in Mr. Smith's hands.

The call of the Session of the Lookout Mountain Presbyterian Church for the services of Mr. Arthur H. Pflug as Assistant Pastor with responsibility for the West Brow chapel was found in order. It is recommended that the call be placed in the hands of Mr. Pflug.

Your Commission spent some time in discussing the call of the Brainerd Hills Presbyterian Church for the pastoral services of the Revs. James Boozer. It then took the following action:

That the call of the Brainerd Hills Presbyterian Church for the pastoral services of the Rev. James Boozer be found in order — with the following exceptions:

Attention is called to the fact that no mention is made of a vacation. The Commission recommends one month or four weeks.

2. The terms of the call should be broken down — to make clear what part of the salary is to be paid by the church and what part is to be forthcoming from other sources; and to show that a certain amount is intended annually for utilities. Example:

\$3,600 Salary to be paid by the congregation 330 to be paid by the church for utilities. A letter should be attached to the call to show that the amount of \$1,320 is to be paid annually by the Home Missions Committee.

The Commission recommends that the Session of Brainerd Hills Church call a meeting of the congregation for the purpose of amending the call to the Rev. James Boozer (as outlined in the paragraphs above); that the amended call be submitted to the commission which is to install the Rev. Mr. Boozer for its approval. If the commission finds the amended call in order, it will place the call in his hands.

Respectfully submitted,
A. E. Dallas, Chairman

Session of Signal Mountain Church for the services of Mr. H. Howard Smith as Assistant Pastor: \$4,200 annual salary; \$400 annual car allowance; \$85 monthly house allowance; Ministers' Annuity Fund; one-half the required amount for Social Security; Group insurance as provided through Board of Annuities and Relief; one month's annual vacation.

Session of Lookout Mountain Church for services of Mr. Arthur H. Pflug as Assistant Pastor in charge of the West Brow Chapel: \$4,200 annual salary; free use of the manse; \$600 annual car allowance; the church's share of the amount payable to Ministers' Annuity Fund; one month's annual vacation.

Mr. Boozer to Brainerd Hill

The Rev. James R. Boozer asked Presbytery to dissolve the pastoral relation existing between himself and the Soddy Church in order that he might accept the call of the Brainerd Hills Church. The Church was heard from through an elder who stated that the congregation reluctantly concurred with the pastor in the request. Presbytery dissolved the pastoral relation and approved the call of the Brainerd Hills Church, giving the Commission appointed to install him authority to approve the division of the salary payments. The following Commission was appointed to install Mr. Boozer on Sunday, July 30, 1961 at 7:30 p. m.: Rev. Willard Peak, Rev. Fred Woodward, Rev. Donald Swicord and Elders J. H. Davenport, Joe Hitchcock, Richard Bacon.

The Executive Committee of Home Missions of Presbytery of Knoxville, a corporation chartered by the State of Tennessee, makes this report of progress to Presbytery as its controlling church court. A 20-year period is the span of this report.

Beginning in 1942, the following churches have been organized by Knoxville Presbytery at the request of your Home Missions Committee. These churches are, in order of organization: Red Bank, Fairmont, Lewis Chapel, Trinity, Houston, Lookout Valley, Wayside, Sequoyah Hills, Brainerd Hills, John Sevier, Straight Creek, Cross Roads, Lake Forest, Chattanooga Valley, Inakip, Nonaburg, Mountain View, East Ridge, Eastminster, Chota, Fairview, Covenant, Lenior City, Lake Hills, Rivermont, Lakeview, and Northminster. West Emory was received from the USA Church in 1946.

These 28 churches now report more than 5,000 members, more than one-fourth of the membership of the Presbytery. The combined giving of these churches for the year 1960 amounted to more than \$458,000. The property of these churches is estimated conservatively at two and one-half million dollars. In addition, the churches at Epperson, Center, Brown Hill, and Wilson Station have been completely rebuilt, and a new sanctuary for a growing congregation is being built at Farner. Ten mansees have been acquired, five of which are held in the name of your committee. There is a Revolving Fund of \$39,000 from which your committee makes loans to small churches.

Over this period of 20 years your committee has paid more than \$500,000 in salaries and salary supplements to the ministers and lay workers in the Home Mission fields.

The above Home Mission program represents a good investment of the funds contributed to the support of your committee's work. At no time has your committee spent money which had not been received. Careful spending according to judicial planning has enabled your committee to incur no debt in its work as the agent of Knoxville Presbytery.

A lot for a church in Gatlinburg has been purchased by your committee. The prayers and financial support of the entire Presbytery are asked for this immediate undertaking.

**RECOMMENDATIONS:**

1. That ministers serving aid-receiving churches continue their efforts to develop their congregations through evangelism and stewardship.

2. That each aid-receiving church be urged to conduct an Every Member Canvass, using materials available through the General Council.

3. That Dedication Day be held in each church on Sunday November 12, 1961, as recommended by the General Assembly, or on the following Sunday, November 19, 1961.

4. That all requests for aid in pastoral support be made after the Every Member Canvass and Dedication Day, and before December 1, 1961.

James L. Fowle, Chairman

#### IV. HIGHER EDUCATION:

Eugene Norrie, Chairman, reported on Higher Education and your committee submits the following recommendations:

All local congregations maintain a year-long interest and active concern for Christian Higher Education through:

1. showing through all the means available heart-felt concern for their college and seminary students.

2. Keeping before the minds of their people the advantages of education at a church related college, and seminary training at one of our own Presbyterian U. S. seminaries.
3. supporting sacrificially our present Campus Christian Life and King College Synod Campaign,
4. making available scholarships to deserving students who could not attend college otherwise,
5. inviting speakers from time to time from our seminaries and church colleges to speak to their people,
6. introducing to Senior High young people our Campus Christian Life ministry before they graduate from high school,
7. sending the names of their young people to the CCI minister of the college in which they have enrolled,
8. celebrating Christian Student Sunday, December 31, 1961 (or some other date) in some appropriate and meaningful way for their particular congregation,
9. Further recommend that the Committee of Christian Education once again defray the expenses of the Chairman of Higher Education to attend the CCI Conference at Montreat 1962, so that he might be better informed to promote this and other phases of higher education in Knoxville Presbytery.

#### V. CHILDREN'S WORK COUNCIL:

Three Vacation Bible School Institutes for teachers training were held in Presbytery, at which a total of 125 persons attended.

Throughout Presbytery the 35 churches reporting on Vacation Church School list a total of 2,718 children and 684 adult teachers and workers involved in this phase of Presbytery Children's Work.

#### VI. CAMP AND CONFERENCE REPORT:

Camp Administrator, George Murray

Presbytery's Summer Camp and Conference Program this year reflects a 14% increase of attendance at the Watts Bar Campsite. In the 7 weeks program, there were 584 campers and leaders plus a permanent staff of 8. The second week of Senior high conference had to be cancelled therefore the total enrollment fell short of the anticipated attendance. The three weeks of Pioneer program, the one week of Family Camping and the one week of Junior Camp were attended to near the capacity of the facilities. Each program in its own way was effective and benefits to the campers have been voiced from every part of the Presbytery.

Your Camp Administrator would commend each of the 75 adults who helped share the leadership of the total program and especially those who directed each week of the activity.

## MINUTES OF THE KNOXVILLE PRESBYTERY

Financially, the summer program paid its own way, including the cost of utilities and the salaries of all the 8 summer camp staff workers. The operation of the Camp Store was under the supervision of the SHF Council for 3 of the seven weeks and SHF Council netted for their treasury \$144.64. During the other weeks the store profits were added to the total income of the summer operation.

Next year, every indication points to the wisdom of planning a 9 weeks program from June to August 4.

### World Missions

The Rev. W. Earle Stevens, Chairman, presented the report. A portion of the report and the recommendations were adopted and are as follows:

One hundred years ago—in December, 1861—our Church, during a great national conflict and crises, announced to the world the supreme mission to which she dedicated her life. Three great affirmations stand out in this memorable announcement made by our first General Assembly. These are: 1. the command of our Lord, "go ye into all the world and preach the Gospel to every creature" is to be regarded as the great end of her organization; 2. obedience to this is the indispensable condition of our Lord's promised presence; 3. this one great comprehensive object is the only thing which can ever sufficiently arouse her energies and develop her resources.

Today, too, is a difficult time. Though every mission field for which we are responsible is understaffed, we rejoice that young life across our Church is responding to the missionary call. The fifteen years which have elapsed since World War II have been the most fruitful years of missionary recruiting in the entire history of our missionary endeavor. During these fifteen years more new missionaries have been sent to the field by our Church than in the previous 28 years.

We recommend:

1. With the conviction that men everywhere are lost without Jesus, that we hold before our people the cause of World Missions by preaching throughout the year on the great missionary texts of the Bible.

2. With the conviction that God's work is done in God's way, that we hold, and encourage our people to hold, the youth of our Church before the Lord in prayer that He may call some to missionary service as He promised: "pray ye therefore the Lord of the harvest that He will send forth labourers into His harvest".

3. That local congregations be encouraged to conduct a missionary conference, a school of World Missions, or a week-end or middle-of-the-week missionary emphasis.

4. That the raising of funds for the support of World Missions be encouraged by informing our people in regard to: 1. missionary support; 2. work support; 3. and project support.

4. In preparation for the World Mission season February 1 through March 3, 1962, with the emphasis on the interdenominational theme, "The Christian Mission In Latin American Countries":

#### ANNUAL REPORT OF STEWARDSHIP COMMITTEE FOR THE PERIOD JANUARY 1, 1960, THRU DECEMBER 31, 1960

Your committee would like to report to you that the year 1960 was a very fine year and one of the best year to date.

We should all be very thankful for the faith and liberality of our members. The Lord has blessed us and His work.

The record shows our gifts for Budgeted Benevolences in 1960 exceeded our gifts to Budgeted Benevolence in 1959. This is a good record in view of business conditions during the last half of 1960.

Total gifts for the third time were over two million dollars, (\$2,212,214.).

Membership increased from 16,576 to 16,842.

Below is a table showing gifts per member and rank for "Total Budgeted Benevolences", "Total Benevolences", "Budgeted Gifts to General Assembly", and "Total Gifts" by Presbyteries.

Your committee was greatly impressed by the fine record of our churches and especially noted the splendid showing of so many churches with low up to 335 members. Every year more and more of our members are concerned with budgeted benevolences and all other church causes.

The General Assembly's askings for 1962 are \$882,442, and increase of only \$4,388, a small increase of less than 1 6/10%.

The Synod askings for 1962 are \$113,400, which is an increase of \$8,400.

The Presbytery askings are up a small amount, due to increase askings of Christian Education.

The total increase for Budgeted Benevolence for 1962 will be found to be quite small, in the order of 1 1/2%.

We recommend the following amounts and percentages to be used in 1962 for Budgeted Benevolences.

The Synod of Appalachia have again approved additional help for King College by offering Synod members an opportunity to buy \$300.00 Scholarship Shares. Since Dr. J. P. McCallie was the originator of this plan, and since he has done such an outstanding job in our Presbytery in promoting these Scholarship Shares, your committee suggests he be asked to serve in 1962.

Our Synod has set a minimum of 100 shares, and Knoxville Presbytery's part will be Forty (40). We have done a good

We would like for the following churches to obtain members to underwrite the number of Scholarship Shares assigned to them. Churches that cannot give a full scholarship share can help by giving a partial share.

The Stewardship Emphasis Season began last Sunday, October 1, 1961 and continues through November 19, 1961. "Dedication Sunday" (Every Member Canvass) to be November 12 and the theme for the Canvass will be "Commit Thyself".

The General Council has prepared helpful folders, all free for the asking. They also have Audio-Visual Aids available at small cost.

Since the work of the church must go on throughout the year, your Committee urges all local treasurers to remit their benevolences as collected - monthly, if possible. This will be a help to agencies with fixed monthly obligations.

## Supplemental

Causes that do not receive a special offering during the year suffer for the lack of funds. All our churches are urged to contribute the full askings of each agency before they consider their obligation discharged, even though their total gifts to Budgeted Benevolences amount to more than the total asked.

Your Stewardship Committee is always ready to be of assistance. Any Minister that wants to discuss budgeted benevolences or phases of this report is invited to contact the chairman. One of the members of our committee will be available at a suitable time and place.

## Your Committee Makes The Following Recommendation:

That in addition to the regular yearly statistical report, all churches be asked to furnish figures to show budgeted and non-budgeted amounts given to King College, Union Seminary Louisville Seminary, Synod Christian Education, and Synod Church Extension, also similar figures for the four Presbytery

causes: namely Home Missions, Bachman Home, Christian Education, and the Tennessee Council of Churches.

Respectfully yours,

The following motion was adopted:

That the Stewardship Committee re-study the whole matter of assigning askings to the churches of the Presbytery.

That the Committee, in making the study, consider the possibility of assigning askings based on the actual experience of each church in its giving to budgeted benevolences according to Presbytery's percentages, with additional increased askings sufficient to provide a worthy challenge to the churches.

That the Committee consider the possibility of having as the Every Member Canvass as a means of confronting each church in the Presbytery with the needs of the whole church, as reflected in Presbytery's askings.

That the Committee consider the possibility of having each agency of the Presbytery, after it has met with the Stewardship Committee with its budget requests, to present its budget requests to the Presbytery itself.

That the Committee report to the Presbytery its findings and any recommended changes.

Presbytery excused the Moderator from the remainder of this session and asked the Rev. W. R. Smith to preside, which he did.

Presbytery took recess for lunch.

Brethren:

Constitutional requirements having been met, I hereby call a special meeting of Knoxville Presbytery, to meet in the First Presbyterian Church, Knoxville, Tenn., on Monday, January 8, 1962 at 11:30 A. M., to transact the following business:—

2. To approve the call extended Mr. Jordon by the Cleveland First Church; and, if approved, to arrange for his installation as their pastor.

ROBERT WILLIAMSON, Moderator

Pastoral Relations Dissolved

The Rev. Robert Jordon asked Presbytery to dissolve the pastoral relation existing between himself and the Cedar Springs Church in order that he might accept the call of the Cleveland First Church. The Church was heard from through Elder Laurie Pratt, who stated that at a meeting, called for the purpose, the Congregation had voted to concur with Mr. Jordon in this request.

Presbytery voted to dissolve the pastoral relation, effective January 30, 1962.

The call of the Cleveland First Church was presented by the Rev. Willard Peak, who stated that the Commission on the Minister and His Work had approved the call, and recommended that it be placed in Mr. Jordon's hands. The call provided for a salary of \$6300.00 per year; a manse, \$600 per year car allowance, one month's vacation, and other benefits. Presbytery voted to find the call in order and place it in the hands of Mr. Jordon. It was accepted by Mr. Jordon.

The following Commission was appointed to install him on Sunday night, February 4, 1962 at 7:30 P. M.: Rev. Willard Peak to preside and charge the minister; Rev. D. R. Greenhoe to preach the sermon; Elder Jack C. Oates, Jr. to charge the Congregation, Rev. Joseph Mack, Elder W. G. Davies, Elder Ross Endsley, Jr. and Elder Sam Whaley. The quorum is set at any four members.

The minutes of this meeting were read and approved and Presbytery voted to adjourn, and adjourned with prayer.

Memorial to Rev. A. H. Doak
1879 — 1961

Elder J. E. McShane of the Corbin Church presented a Memorial to the late Rev. A. H. Doak. Following the reading of the Memorial, Presbytery was led in prayer by Rev. Joseph Mack. The Memorial was adopted, and is as follows:

The Rev. A. H. Doak, an honorably retired member of Knoxville Presbytery, entered into the joys of his Lord on Tuesday, November 7, 1961, at his home in Pompano Beach, Florida. Interment occurred on November 9 in that Florida city.

Alexander Hunt Doak was born at Russellville, Tennessee on November 14, 1879, the son of Dr. Wyly Harvey Doak, a physician, and Katherine Nemay Doak. On August 21, 1906, he was married to Day Deaderick of Jonesboro, Tennessee. The Doaks has been powers in the fields of religion, medicine and education since Colonial days, and Dr. Doak capably carried on, and his children continue to carry on the traditions of an illustrious family.

Dr. Doak received the Bachelor of Arts Degree from King College in 1899. He served as a lay missionary in North Carolina, and in Tennessee for two years before entering Columbia Theological Seminary. He attended Columbia in 1901-1903, after which he studied at Princeton Theological Seminary, and did post-graduate work at Princeton University, where he sat at the feet of Woodrow Wilson. King College later conferred the degree of Doctor of Divinity on him.

He was ordained by Holston Presbytery in August, 1904, and became pastor of the Presbyterian Church at Jonesboro, Tenn. Two years later he was installed as pastor of the Mulberry Church at Christianburg, Ky., and served there until 1913, when he was called to the Presbyterian Church at Wilmore, Ky. In 1921 he was called to the First Presbyterian Church at Georgetown, Ky., remaining there until accepting a call to the First Church at Middlesboro, Ky., in 1927.

For a score of years he served the Lord and the congregation at Middlesboro, where he was our friend, our pastor, minister, teacher, preacher and at the Communion Table the Steward of the mysteries of God.

He was honorably retired by Knoxville Presbytery in 1948.

Following retirement, Dr. Doak found he had more time to devote to civic projects, and he combined the works of James with his Paul-like faith. He not only found time to serve every worth-while civic

project in Middlesboro, he also continued to preach the Gospel wherever and whenever the opportunity presented itself. He supplied the pulpit of the First Presbyterian Church at LaFollette, Tenn., for more than a year in 1950-51 during a pastoral vacancy, and at the Corbin, Kentucky Presbyterian Church for several months during 1956-57 when that church was without a pastor. He also served as president of Grace Nettleton Home for Girls, an orphanage near Harrogate, Tenn., to which he gave liberally of his time, talent and tithes. As Paul advised the Hebrews, he "let brotherly love continue."

One of God's choicest noblemen, Dr. Doak had the happy faculty of making everyone with whom he came in contact feel better, and he lifted life above the ordinary and made the splendor of God shine in human hearts. The influence of his ministry and of his life will long live in the lives and hearts of the many who knew him and loved him.

Dr. Doak is survived by his widow, Day Deaerick Doak, by two daughters, the Misses Janet and Elizabeth Doak, teachers in the public schools of Pompano Beach, Florida, by one son, Dr. Deaderick Doak, a physician of Shelbyville, Ky., and by four grandchildren.

We have often heard Dr. Doak say that Saint Paul was his favorite apostle. Like Paul, he too fought the good fight, he too kept the faith, he too finished his course, and there is laid up for him also a crown of righteousness.

Treasurer of Bachman Home

Mr. Moore stated that the report of the Treasurer of Bachman Home had not been received from the auditor, and asked that it be received at a later date. Presbytery instructed Mr. Moore to send the report, when the audit is completed, to the Chairman of the Audits Committee. After it is approved by the Chairman, it is to be sent to the Stated Clerk and included in these minutes. Presbytery further requested the Bachman Committee to have their auditor prepare the report in time to be presented to the Stated Winter meeting each year.

The report was received by the Stated Clerk and is as follows:

To the Officers and Members of the Committee
Bachman Memorial Home, Incorporated
Cleveland, Tennessee
Gentlemen:

We have examined the books of account and certain supporting records relating to cash transactions of the Operating Fund of the Bachman Memorial Home, Incorporated, Cleveland, Tennessee, for the period from January 11, 1961 to January 10, 1962 inclusive.

The scope of our examination consisted of a verification of the recorded cash receipts and disbursements and an external confirmation of the cash on deposit. Cash receipts for the period under review were traced from the record of receipts into the depository, and disbursements verified through the canceled checks. We did not inquire behind these accounting records to confirm cash receipts at the source.

In our opinion, the accompanying statement of Cash Receipts and Disbursements presents a true transcript of the recorded Operating Fund transactions for the period from January 11, 1961 to January 10, 1962, inclusive.

Instructions to Treasurers

Presbytery voted to ask all Treasurers to have their annual reports mimeographed for distribution to Presbytery.

Committee Meetings

Presbytery voted to take recess at 12:00 in order that Committees might meet. All members who were not serving on some Committee were asked to serve on the Committee on Records and assist in examining the Session Record books.

Afternoon Session

Presbytery reconvened at 1:30 P. M. and was opened with prayer.

Woman's Work

The Rev. D. R. Freeman, Chairman, presented Mrs. Willard Peak, President of the Women of Knoxville Presbytery. She presented the report, which was adopted and is as follows:

The year of 1961 was rich in blessings as the Women of Knoxville Presbytery observed the Centennial of the Presbyterian Church. As we gave thanks for God's blessings of the past we realized that we yet had a task, not of our own choosing but of Christ's, Who appointed us saying,

"Ye have not chosen me, but I have chosen you, . . . that ye should go and bring forth fruit. . . ."

Through the Mission of Friendship and the "Go That Ye May Know" emphasis, the women have gone forth to reach others for Christ. But there is much more to be done. We need more prayer and more active participation in all phases of the work to bring the desired results.

However, the Women of Knoxville Presbytery have achieved some results which spur us on to greater effort as we begin a new year in a new century. Two new Women of the Church organizations have come into being: Chota, near Concord, and Northminster, in Chattanooga.

White Cross, Overseas Relief, and Church World Service have met with generous response. Through many other ways of showing concern physical needs have been met.

The Interdenominational Christian Conference for Negro Women was held again at Knoxville College with the largest number of delegates ever attending. Fifty-four of these delegates were sent by the Women of Knoxville Presbytery.

One church gave a scholarship to a girl at Stillman College; and almost 100% of the churches contributed to the Calloway Scholarship for another girl there.

The interest in and support of the Bachman children continue to be a service of love by the women of the Churches. They have contributed over \$8,000 to their support in the past year and have spent many hours in serving the interests of the children.

It was good news that a lot had been purchased in Gatlinburg for a Presbyterian Church there, the next Home Mission development in the Presbytery. The Women of Knoxville Presbytery were happy to make a contribution of \$300 toward the purchase of this property.

We are grateful for the part our Presbytery played in sending the Gospel to the uttermost parts of the world. Our women reported that our churches shared in the support of more than 154 missionaries.

Our Presbyterial continues to give scholarships annually to King College and Presbyterian School of Christian Education, and last year to the Presbyterian Hospital for Nursing.

A trip to King College by special bus in September was enjoyed by the local King Chairmen. A contribution of \$311 was given this past year to help in furnishing the new building. Fifty-two delegates from Knoxville Presbytery attended Synodical Training School in June. We were happy for the first time to provide 12 scholarships for delegates to this Conference from the very small churches in our area.

It was a great privilege to have Mrs. William Rule and Mrs. Alex McCutchen, missionaries to the Congo, speak at the District Conferences in the spring. They gave us first-hand information on our Birthday Objective — literature for the Congo and Bible School in Taiwan. The offering received by Knoxville Presbyterial was \$6,215, and average of 98-1/4 cents per member.

Area Officer Training Schools were held in Chattanooga and Knoxville in September. Almost 400 officers, cause chairmen, and interested women took advantage of this opportunity to learn more about how to carry out the program of the Church through the women's organization.

I am happy to announce that eleven women memorized the Book of Philippians and others parts of the Book. Sixty women reported reading through the Bible within the year. We shall strive to increase this number this year.

The spiritual growth of the women is promoted by the day-by-day reading of God's Word, and Prayer and Study. The statistical report shows for 1961 a total of 6,209 women, in 52 organizations, in 240 circles.

We are grateful for the many opportunities of service we have been granted as laborers together with Christ. But our task is not finished, it has just begun.

"May we run the race before us, Strong and brave to face the foe, Looking only unto Jesus as we onward go."

For we can do all things through Christ.

Mrs. Willard A. Peak, President
Women of the Church of
Knoxville Presbytery

Mr. Freeman then presented the following report, which was adopted:

That the report of Mrs. Willard Peak, President of the Women of the Church, Knoxville Presbytery, be adopted as this part of our committee's report; and that our women be commended for their faithful service to our Master, through His Church.

Your Committee on Women's Work has one recommendation to make:

That each committee chairman in the Presbytery, where there is a corresponding chairman in Women's Work in our Presbytery, that he invite that chairman in Women's Work to meet with his committee at least once during the church year, for information and inspiration.

Camp Debt

Presbytery directed that a letter be sent to each pastor or Clerk of the Session in connection with our Camp debt. This letter should inform each church of the amount of their pledge and the amount paid at this date. This letter is to carry the signature of the Moderator and Stated Clerk.

Communications

The following communications were presented:

1. From Chaplain John S. Bennett reporting on his tours of duty.

This was received as information.

From Rev. Fred Lupton, reporting on his work in Chicago, and asking to be excused from this meeting and to continue his labors outside the bounds of Presbytery. The requests were granted.

3. From Licentiate Gerald Bell, Jr., reporting on his work, and asking that he be excused from this meeting of Presbytery.

4. From the Rev. Wm. C. Robinson, Jr., who is teaching at Southern Methodist University in Dallas, Texas, asking that he be excused and permitted to labor outside the bounds of Presbytery.

From the Rev. Wm. McCorkle, asking the Stated Clerk to bring the action of Synod on Minister's Salaries to the

attention of Presbytery. This was referred to the Commission on the Minister and His Work.

Calls Amended

Requests were made, asking that calls be amended by increasing the pastor's salaries as follows:

Lake Hills from \$5000 to \$5500
Knoxville First from \$10,000 to \$11,000.
Red Bank from \$4400 to \$4800.
Rivermont from \$4500 to \$5400.
Eastminster from \$5700 to \$6900.

Presbytery's Home Missions

The Rev. James L. Fowle, Chairman, presented the report of the Committee. The report and recommendations, except the one dealing with the Houston Church, was adopted. Presbytery voted that a Committee be appointed to visit the Houston Church and bring a report to the next Stated Meeting of Presbytery. Later, the Moderator appointed the following Committee: Rev. Wm. R. Smith III, Rev. E. Perry Mobley, Rev. John Thompson, Elder T. Mack Blackburn, Elder Frank Slagle.

The report and recommendations are as follows:

The Home Missions program within the bounds of Knoxville Presbytery operated during 1961 without a deficit. Although only 56 percent of the askings in Presbytery's Benevolence Budget was contributed to our work, your committee began 1962 with a balance of \$3,179.56.

A lot has been purchased for a church in Gatlinburg where a building will be started as soon as necessary funds are available. New church buildings have been completed and occupied by Northminster and Farner churches. Lakeview and Chota churches have added to their buildings to provide more adequate space for Sunday School classes.

Your committee, acting unofficially, assisted several self-supporting churches in promoting building programs. Interested parties have channeled gifts of thousands of dollars through members of the Home Missions Committee.

Six churches have decreased their askings for Home Mission support. These are Brainerd Hills, Chota, Covenant, Cross Roads, Northminster, and Wayside. Chattanooga Valley has already assumed

self-support, Corbin has requested Home Mission support for two years to enable the church to arrange for an aggressive pastor.

Houston church, with a shift in population over a six-year period and with a scattered membership and with a dwindling constituency, has requested that it be dissolved. A letter stating the action of the Houston congregation is addressed to Knoxville Presbytery.

Mr. L. C. Abel, treasurer of the Home Missions Committee, is no longer working with the Hamilton National Bank because of retirement. An accumulation of papers and out-dated records is in his possession. All permanent records and deeds and notes are kept in a safety deposit box in the Hamilton National Bank in Knoxville.

The General Assembly has set May as the month for emphasis on Church Extension and Home Missions, and has designated May 13-20 as the Week of Prayer and Self-Denial for a Supplemental Offering for Church Extension and Home Missions.

Rev. Samuel M. Wolfe, who has served Knoxville Presbytery for more than 45 years and who has achieved the retirement age of 75 years and who is senior minister in point of service in Knoxville Presbytery, has built a new home at Farner and has moved into his own house and should be thanked for his service and remembered in our prayers.

RECOMMENDATIONS:

1. That Rev. Samuel M. Wolfe, who has served our Presbytery long and faithfully, be honorably retired; and that Mr. Wolfe be recommended as occasional supply to any and all churches in Knoxville Presbytery.

2. That John Sevier and Lebanon churches be grouped into a field for 1962, the field to be supplied by Rev. D. R. Freeman.

3. That the pulpit supplies, according to the recommendations of the Commission on the Minister and His Work, be approved for 1962.

4. That the treasurer and the superintendent of the Home Missions Committee be authorized to dispose of out-dated and unnecessary and irrelevant papers and records which have accumulated over a 14-year period.

5. That the report of the audit of the treasurer's books be printed in the minutes of Presbytery as the treasurer's report.

6. That the following budget, adopted for operating the Home Mission program in 1962, be approved:

1. Support of Organized Work	\$16,750
2. Missions and Outposts	20,270
3. Buildings and Insurance	6,500
4. New Properties and New Buildings	45,000
5. Administration	9,600
6. Retirement and Insurance	6,800

7. Miscellaneous _____	6,000
8. Contingent Fund _____	2,080

Total Budget for 1962 _____ \$113,000

7. That Presbytery designate May 13-20 as the Week of Prayer and Self-Denial for a Supplemental Offering for Church Extension and Home Missions, and that the month of May be set apart for special emphasis on and the study of Church Extension and Home Missions.

James L. Fowle, chairman

Rev. Everett Hellmuth Received

The Stated Clerk presented a certificate dismissing the Rev. Everett A. Hellmuth from Winchester Presbytery to Knoxville Presbytery. The certificate was received and Presbytery proceeded with the required examinations. These were sustained in parts and as a whole, and Mr. Hellmuth was ordered enrolled as a member of Knoxville Presbytery. The call from the Corbin Church, having been approved by the Commission on the Minister and His Work, was presented. The call was in the proper form and provided a salary of \$3800 per year from the Church plus \$1000 per year from the Home Missions Committee, and other considerations. This was found in order and placed in Mr. Hellmuth's hands and accepted by him.

The following Commission was appointed to install Mr. Hellmuth as pastor of the Corbin Church on Sunday February 18, 1962 at 7:00 P. M.; Rev. Joseph Mack, Rev. Wm. R. Jones, Rev. F. D. Stevenson, Rev. George D. Gracey and Elders Cannon from the Corbin Church, Susong from Middlesboro and Elder Tinsley from Moore Memorial.

Rev. Sam Wolfe Honorably Retired

Presbytery, by a rising vote, commended the Rev. Sam Wolfe for his faithful ministry over a period of 45 years. Presbytery further voted that he be honorably retired.

Requirement Waived

Presbytery voted that the requirement in the Book of Church Order concerning Elders appointed to represent a

Church at Presbytery, found in 16-3 be waived, as permitted by the Book of Church Order.

Commission on the Minister and His Work

Rev. A. E. Dallas, Chairman, presented the report. A part of the report was adopted and is as follows:

To The Presbytery Of Knoxville:

Your Commission On The Minister And His Work presents the following report:

I. It is recommended that Presbytery approve the following supplies for the year 1962:

Church	Minister or Student
Chota	Rev. Harry S. Hassall
Fairview	Mr. Roy Gamble (student)
John Sevier	Rev. D. R. Freeman
Lebanon	Rev. D. R. Freeman

Straight Creek	Rev. George D. Gracey
West Emory	Rev. Wm. J. Donaldson, Jr. (U.P.-U. S. A.)

II. The Call of the Corbin Presbyterian Church, Corbin, Kentucky, for the pastoral services of the Rev. Everett A. Hellmuth, Jr., was found in order. The Commission recommends that the call be placed in the hands of Mr. Hellmuth.

III. The Commission understands that it is in the mind and heart of a beloved minister, the Rev. Samuel M. Wolfe, to request Presbytery at this meeting to place him on the honorably retired roll. It is recommended that Presbytery commend this faithful preacher of the Word to all the churches of the Presbytery as an occasional supply.

Respectfully submitted, A. E. Dallas, Chairman.

Motion Made and Held

It was reported by the Commission on Minister and His Work that the Chattanooga Valley Church wished to call the Rev. Wayne Gehman, Aplington, Iowa, a member of North Central Presbytery, United Presbyterian Church. A motion was made that the educational requirements of the Book of Church Order, provided in Para. 16:5 be waived in the examination of the Rev. Wayne Gehman. No vote was

taken on this motion. Presbytery voted in favor of asking the Moderator to call a meeting of Presbytery in the near future, at which time he shall be examined.

Stewardship

Because of the illness of Mr. Carter Paden, Presbytery asked the Committee on Nominations to appoint a Vice-Chairman of the Committee on Stewardship, who will act in the place of the Chairman.

Unprinted Minutes

The minutes of a called meeting were read and received as information.

Bachman Home

The report of Bachman Home was presented by Mr. J. H. Patton, Jr., Chairman of the Board. The report is as follows:

During the year just passed we served 98 children, of these 18 are in High School and 2 are pre-schoolers. We have served our capacity of 85 the majority of the year with the exception of October and November, when we denied several children admission because of insufficient funds to operate. We borrowed \$4500.00 during the year and have it all paid back with about \$7000.00 as of January 1st. Receipts for the past 2 years from Churches are as follows:

	1960	1961
Asking	57,371.00	62,500.00
Receipts	42,441.65	61,248.35

We notice that the 1961 receipts budgeted fell short only \$1251.00 and that in 1960 we fell short nearly \$15000.00. With this kind of support we can look forward to improving our program. Our greatest need is to improve the scholastic efficiency of our children and our Board is pin pointing this need for its meeting next Tuesday as the first order of business.

We are grateful indeed for the splendid support on every hand for the year just passed and we record our thanks to Almighty God for His continued blessings upon Bachman Home.

Mr. James H. Patton, Sweetwater, a grandson of Dr. John Lynn Bachman, for whom Bachman Home was named, is the President Elect and will assume office one week from when the Trustees meet. It is regretted that no audit is ready today but it will be presented to

the Trustees next Tuesday and will be submitted to the Clerk for inclusion in his minutes if Presbytery so orders.

We are looking forward to having Presbytery meet with us at its Spring meeting May 7th next.

R. E. MOORE, Superintendent

Christian Education

The Rev. Wm. R. Smith made an oral report. Several members of the Committee made announcements. This was received as information.

Constitutional requirements have been met, I hereby call a special meeting of Knoxville Presbytery, to meet in the First Presbyterian Church, Sweetwater, Tenn., on Tuesday, February 13, 1962 at 10:30 A. M. to transact the following business, if the way be clear:

1. To examine the Rev. Wayne Gehman for entrance into Knoxville Presbytery.

2. To receive the Rev. Manford H. Saunders and conduct the required examinations.

3. To transact any business growing out of the above.
I. M. Ellis, Moderator

Rev. Wayne Gehman

The Stated Clerk presented two letters, recommending the Rev. Wayne Gehman to our Presbytery. By common consent, the vote on the motion made at the Stated Winter meeting was deferred until later. Presbytery then proceeded to conduct the required examinations. These were conducted; sustained in parts and as a whole.

The following motion was then adopted:- "That the educational requirements of the Book of Church Order provided in paragraph 16:5 be waived in the examination of the Rev. Wayne Gehman." This was done in view of the evidence of his knowledge as discovered during the examinations; his 15 years experience in the ministry, plus his actual training. The questions required in Para. 27:6 were asked and answered in the affirmative. The call from the Chattanooga Valley Church was then presented, which provided a salary of \$4800 per year, plus other considerations. The Commission reported the approval of this call.

Presbytery then appointed a Commission to receive his letter of dismissal; to enroll him in Presbytery; to present the call to him; and if accepted by him, to install him as pastor of the Chattanooga Church. The Commission appointed are:- Rev. Earle Stevens to preside; Rev. James L. Fowle to preach the sermon; Rev. Arthur Pflug to charge the minister; Elder George Thompson to charge the Congregation and Elders William Joyner and George Stewart. This Commission is to meet for this service on Sunday, March 11, 1962 at 7:30 P. M. in the Chattanooga Valley Church.

Rev. Manford Saunders

The Stated Clerk presented a certificate from Savannah Presbytery dismissing the Rev. Manford Saunders to Knoxville Presbytery. The certificate was received and Presbytery

proceeded with the required examinations. These were sustained in parts and as a whole and Mr. Saunders was ordered enrolled as a member of Knoxville Presbytery after signing the ex animo statement.

The Commission on the Minister and His Work stated that they had approved the issuing of the call of the Fairmont Church, and recommended that it be found in order and placed in his hands. The call was in the regular form and provided for a salary of \$6000 per year plus other considerations. The call was received by him and the following Commission appointed to install him as pastor of the Fairmont Church:- Rev. J. H. McKinnon, Rev. E. Perry Mobley, Rev. A. E. Dallas, Elder Brantley Burns, Elder Charles Bailey, Elder A. G. Babley. The service is to be on Sunday February 25, 1962 at 7:30 P. M.

The minutes of today's session were read and approved and Presbytery voted to adjourn and was closed with prayer.

Church Extension

The Rev. John H. Thompson, Jr. Chairman, presented the report of this Committee. The report and recommendations were adopted and are as follows:-

Your committee is charged with the promotion of all the areas of Church Extension as outlined by the Board of Church Extension. Home Missions is a notable exception from this charge and is ably handled in this Presbytery by an Executive Committee.

In this Church Extension Season, we invite each church to take a new look at the pressing obligations and opportunities of our Southland and to carry out plans to meet the challenge.

We urge each congregation to prepare and carry out in this month some program which will focus the attention of all upon all the areas in which Church Extension operates. The Board of Church Extension stands ready to provide attractive leaflets and envelopes for this purpose.

Our efforts and results in Evangelism in Knoxville Presbytery are a cause of great concern to your committee. In 1961, we had a net gain of 377 in the enrollment of the churches of the Presbytery. Although 448 were received on profession of faith, there were seventeen churches within our bounds which reported no accessions on profession of faith. We received 992 by letter and on reaffirmation, but we lost 1046 by various means.

To implement the work of Evangelism, at the suggestion of the Division of Evangelism, we are recommending the creation of a

Council of Evangelism for the Presbytery. The personnel of this council would be as follows:

Proposed Council On Evangelism

Chairman: The Rev. John H. Thompson, Jr., now chairman Evangelism, Co-Chairman: The Rev. Harry W. Phillips, now a member of Church Ext.

The Rev. Harry Hassall, now a member of Church Extension Committee;

The Rev. Everett Hellmuth;

From the Men of The Church: the president - Mr. A. Boyd Sharp, Jr. Rt. 14, Peters Road, Knoxville, 19, Tenn.

Chairman of Evangelism, Knoxville Area M. O. C.

Chairman of Evangelism, Chattanooga, M. O. C.

From the Women of the Church: the president - Mrs. Willard Peak

Chairman, Spiritual Growth, W. O. C. - Mrs. Robert Hough

Chairman, Church Extension, W. O. C. - Mrs. W. K. W. Kirkpatrick, 8000 Weems Road, Knoxville

From the Senior High Youth Council - the moderator

Chairman, Christian Witness

Chairman, Christian Outreach

James Huffaker, and under the advisement of the Board of World Missions. This tour, to encourage qualified young people in the missionary work of our church, will leave from Chattanooga and will take approximately 22 days at an estimated expense of \$250 per person. The trip will be by bus.

1. In light of previous study done by the Home Missions Committee, which information was brought to the attention of this Special Committee.

2. Because of more knowledge of the feelings of the existing members of the congregation.

3. In light of the expressed concern of the Home Missions Committee that a good Presbyterian witness continue to exist in that community, and that there is reasonable assurance that such will exist.

The following Commission was appointed to dissolve the Houston Church, and given full authority to attend to everything in connection with dissolving this church; Rev. Joseph Mack, Rev. D. R. Freeman, Rev. W. R. Smith, and Elders Mack Blackburn, Frank Slagle, J. R. Murray.

Commission on the Minister and His Work

A partial report had been made earlier. The complete report was presented and adopted and is as follows:

To The Presbytery Of Knoxville:

The Commission On The Minister And His Work presents the following report:

1. It is recommended that Presbytery authorize the Session of the Fairview Church and the Home Missions Committee to engage the Rev. Cordell H. Sloan as a supply for the church.
2. The Commission finds in order the call of the Signal Mountain Presbyterian Church to Mr. Allen T. Cowan to become assistant pastor in charge of chapels. It is recommended that Presbytery approve the agreement between the Session and Mr. Cowan.
3. The Commission takes note of the fact that the agreement between the Session of Central Presbyterian Church, Chattanooga, and the Rev. James Huffaker, assistant pastor, has been terminated by Mr. Huffaker's presenting his resignation.
4. The Call of the Northminster Presbyterian Church, Chattanooga, to the Rev. Eugene Norris, to undertake the work of pastor has been found in order. The Home Missions Committee has given assurance that it will contribute the amount of \$2,400.00 for one year, to apply on the salary of Mr. Norris; that it will pay the premium on family group insurance; and that it will pay to the Ministers' Annuity Fund 10% of the above amount (2,400.00) to be applied to Mr. Norris's account. The Commission recommends that Presbytery place the call in Mr. Norris's hands.

Respectfully submitted,
A. E. Dallas, Charman

The Rev. James Huffaker requested permission to labor outside the bounds of Presbytery in order that he might attend the Presbyterian School of Christian Education this next term. The request was granted.

The report of the Stewardship Committee was later adopted and is as follows:

ANNUAL REPORT OF STEWARDSHIP COMMITTEE FOR THE PERIOD JANUARY 1, 1961, THRU DECEMBER 31, 1961

The Stewardship Committee of Knoxville Presbytery was very unfortunate in losing Mr. Carter Paden as its chairman. Mr. Paden was told to resign from this position by his doctor after an illness. However, the committee has been most fortunate in that he has remained a member of the committee, has done a great deal of the work and continues to give of his experience and ability in full measure.

Knoxville Presbytery owes a great deal to this fine layman for the contribution he has made in this important work. It would have been impossible for the present chairman to have presented this report as fully and completely as it is without the help of Mr. Paden.

The record shows our gifts for budgeted benevolences in 1961 exceeded our gifts to Budgeted Benevolences in 1960 by more than \$34,000.

Total gifts for the fourth time were over two million dollars (\$2,322,795). Membership increased from 16,842 to 17,219.

It is well to note that the churches were asked to give to General Assembly's Causes in 1961 \$278,161, where they gave \$349,939, or about 26% more than was requested. The story is not so bright with respect to giving to Synod and Presbytery.

Presbytery requested \$232,005, whereas the actual giving was \$143,935, which is \$88,070 less than was asked, or around 38% less than the asking.

The request for Synod was \$103,233, where the actual gifts were

\$72,350, or \$32,883 less than was asked. This is about 31% less than was requested.

As this discrepancy takes place year after year, that is, the askings for the General Assembly is oversubscribed, while the askings for the Synod and the Presbytery is usually deficient, it would seem the whole problem needs to be given serious consideration that a more realistic approach might be obtained.

Your Committee is greatly impressed by the fine record of many of our churches. On the other hand, purely from looking at the records that are available to us, it would seem that Knoxville Presbytery still cannot be completely satisfied with our Stewardship record. Although we are often the top Presbytery in the entire church, we feel that we cannot be self-complacent or satisfied until each church and every officer has a commitment to the great ideal of Stewardship as an integral part of the church. Your committee stands ready to help in any way we can to further this great work. Please see the paragraph on page 9.

The General Assembly's askings for 1963 are \$283,317, an increase of only \$1,875.

The Synod askings for 1963 are \$113,400, the same as last year.

The Presbytery askings are down a small amount, due to a decrease in askings of Christian Education.

We recommend the following amounts and percentages to be used in 1963 for Budgeted Benevolences.

The Synod of Appalachia have again approved additional help for King College by offering Synod members an opportunity to buy \$300.00 Scholarship Shares. Since Dr. J. P. McCallie was the originator of this plan, and since he has done such an outstanding job in our Presbytery in promoting these Scholarship Shares, your committee suggests he be asked to serve in 1963.

Our Synod has set a minimum of 150 shares, and Knoxville Presbytery's part will be sixty-three (63). We have done a good job and should give all of our members an opportunity to participate.

We would like for the following churches to obtain members to underwrite the number of Scholarship Shares assigned to them. Churches that cannot give a full scholarship share can help by giving a partial share.

The Stewardship Emphasis Season begins October 21, 1963, and continues through November 17, 1963; November 10 is designated as "Dedication Sunday" for the Every Member Canvass; and the theme of the Canvass is "In Loving Obedience."

The General Council has prepared helpful folders, all free for the asking. They also have Audio-Visual Aids available at small cost.

Since the work of the church must go on throughout the year, your Committee urges all local treasurers to remit their benevolences as collected - monthly, if possible. This will be a help to agencies with fixed monthly obligations.

Causes that do not receive a special offering during the year suffer for the lack of funds. All our churches are urged to contribute the full askings of each agency before they consider their obligation discharged, even though their total gifts to Budgeted Benevolences amount to more than total asked.

From studying the record, it seems to the Stewardship Committee that many of our churches are doing an outstanding job in training and leading their people in the area of Stewardship. The record would also indicate that there are some churches that definitely are lacking in the stress of this important area of the church.

The Stewardship Committee will be pleased to meet with the officers of any church upon an invitation from that church to put on a program for them pertaining to Stewardship and the needs of the various agencies of the church.

Again the Committee feels that it would be wise for each agency of Presbytery to meet with the Stewardship Committee with its budgets' request before the summer meeting of Presbytery and have its budget then approved by the Presbytery at the summer meeting.

Respectfully yours,

II. CAMP COUNCIL — Perry Mobley

"The summer program of Knoxville Presbytery at John Knox Camp was successful. Our camp is constantly being used by the churches of our Presbytery. During this year the camp was used at 85 percent of its capacity. Camp improvement and maintenances are being made as the money becomes available.

It was moved, seconded, and carried:

1. That the names of Mr. Allen P. Swayne and Mr. Harold Elmore be added to the committee on Building and Grounds for the Camp Council.

2. That the disposition of the inboard runabout given to the John Knox Camp by Dr. Merrill Nelson be left to the discretion of the Camp Council.

3. That Sunday, June 16, be observed as "Camp Sunday," at which time a special offering for the needs of the camp is to be taken.

It is recommended that Presbytery appoint a special committee whose responsibility will be to devise a plan for the retirement of the debt on the John Knox Camp.

IV. HIGHER EDUCATION — Gene Norris

Recommendations:

1. That local congregations follow through with the fine beginning that the Synod Campaign for King College and the CCL has had by turning in on time their pledges; and that if additional offerings are received or gifts given to this campaign that the donor(s) be encouraged to designate same for Campus Christian Life work.

2. That our local congregations promote and support their higher education ministry at King College, campuses where we have CCL ministry, and Union and Louisville Theological Seminaries through all the means available:

- inviting speakers from these institutions;
- sending our choice student to these institutions;
- taking our Pioneer and Senior Highs to visit these campuses;
- commending again the scholarship program for King College;
- noting that we have let Louisville Seminary down in our support of that institution financially and encouraging our Sessions to make sure their congregation is not one of the many who have not fulfilled their pledges to this Seminary Campaign of several years ago.

3. Further recommend that this Committee defray the expenses (approximately \$25.00) of the Chairman of Higher Education to attend one of the conferences involving the work of Christian Higher Education, so that he might be better informed to promote the same in Knoxville Presbytery.

The recommendations were adopted.

VII. YOUTH COUNCIL: Robert Larson

The recommendation was made that the matter of the Directors of the camps and conferences of 1963 and a third week of the Senior High Conference be left to the discretion of the Youth Council. This recommendation passed.

Tuesday Afternoon

Presbytery reconvened at 1:00 P. M.

Special Camp Committee

The Rev. James Newsome made an oral report for this Committee, whose responsibility was to devise a plan for the retirement of the debt on the John Knox Camp. The report was received as information, and the following recommendations were adopted:-

1. That each church of Knoxville Presbytery be encouraged to pay its outstanding Camp indebtedness by the end of 1962;

2. And that each church be asked to include in its budget for 1963 an amount equivalent to \$2.00 per member, and that this be sent periodically through the year to the Central Treasurer of Presbytery, to be applied on the debt.

Directory of Worship and Amendments

The Rev. Robert L. Williamson presented the report for this Special Committee, appointed to study the Directory for the Worship and Work of the Church, and Amendments to the Confession of Faith and Form of Government.

Presbytery voted unanimously on all of these. The recorded vote on the Amendments was :- 63 for and none against; 68 for and none against; 68 for and none against. All sections of the Directory of Worship were approved without exceptions, after which it was approved as a whole.

Special Committee on Tyler

The Rev. Willard Peak reported for this Committee as follows:

Presbytery has directed that the question of the relationship of Horace Tyler to the Presbytery be referred back to the Judicial Committee to deal with the matter, with direction to draw up charges against him.

The Judicial Committee has given further careful thought to the problem. Two chief considerations emerge:

1. The Judicial Committee earlier offered Mr. Tyler the opportunity to demit the ministry without charge and urged him to take this course.

2. The institution from which Mr. Tyler is reported to have taken funds has declined to press charges, making it difficult to find witnesses against him who would substantiate formal process.

Therefore, the Judicial Committee recommends that the said Horace Tyler be divested of his office without charges being brought against him, but if charges are to be brought, the Judicial Committee be increased by the addition of two Ruling Elders who are lawyers well versed in the Rules of Discipline and be allowed to bring the charges at a later meeting of Presbytery.

Presbytery then took the following action:-

That in light of the report of the Special Committee to the 245th Stated Meeting of Presbytery (see minutes, July 9, 1962, p. 10) and in accordance with Chapter 12 of the Rules of Discipline, the action regarding the relationship of Horace Tyler to the Presbytery be changed to read: "That the said Horace Tyler be divested of his office at his request".

The Stated Clerk was instructed to communicate with the Fairview Church, and refer Mr. Tyler to the Session for Church Membership, and the matter be closed, and the file be kept by the Stated Clerk.

Presbytery was led in prayer for Mr. Tyler by the Rev. James L. Lyons.

Commission on the Minister and His Work

The Rev. A. E. Dallas presented the following report, which was adopted and is as follows:

To Knoxville Presbytery:

The Commission On The Minister And His Work presents the following report:

1. The Call of the Inskip Church for the pastoral services of the Rev. James L. Lyons at an annual salary of \$5,300 and manse and four week's vacation; also all manse utilities except phone will be paid; there will be annual car allowance of \$600. The church will pay \$450 per year to Mr. Lyons to help him with his personal insurance program.

The Commission finds the call in order; nevertheless there is this irregularity, namely, there is no provision for participation in the Ministers' Annuity Fund.

The Commission recommends: (1) That Presbytery direct the Session of Inskip Church to review the terms of the call one year from now, to ascertain what can be done towards participating in the Minister's Annuity Fund; (2) That Presbytery request the Rev. James L. Lyons to draw up and sign a document in which he waives all claim to any funds administered by the Board of Annuities and Relief of our Church; (3) In light of the foregoing recommendations, that the call be placed in Mr. Lyons' hands.

(Add after the words "our Church" — "this waiver to be in effect until Mr. Lyons becomes a member of the Minister's Annuity Fund.")

2. The Call of Lakeview Church for the pastoral services of Mr. Richard D. Carter at an annual salary of \$2,100 (an additional \$2,400 per year will be provided by the Home Missions Committee of Presbytery); manse will be provided and utilities will be paid; the church will participate in the Ministers' Annuity Fund; for the first year the vacation will be two weeks and thereafter the vacation will be 30 days.

The Commission finds the call in order and recommends that it be placed in Mr. Carter's hands.

3. The Rev. Arthur Pflug:

The agreement between the Session of the Lookout Mountain Church and the Rev. Mr. Pflug was terminated by the latter's resignation, effective on September 30, 1962. The Commission recommends that Presbytery approve the Call of the Bachman Board of Trustees to Mr. Pflug, to become Superintendent of Bachman Home, Cleveland, Tennessee; annual salary \$5,000 and a place of residence; participation in the Ministers' Annuity Fund and other benefits.

4. Presbytery approves the calls of Lenoir City and Toqua churches for the pastoral services of the Rev. C. McCoy Franklin for the period of one year, the year to end on June 2, 1963.

5. Candidate Richard E. Jones was dismissed on September 1, 1962, to New Albany Presbytery, United Presbyterian Church in the U. S. A. The Call of the Sequoyah Hills Presbyterian Church for the services of Mr. Jones as Associate Pastor — dated April 15, 1962 — is being returned to the church.

6. The Commission continues to keep in touch with those churches which are without ministers and endeavors to give as much help as possible.

Respectfully submitted.

A. E. Dallas, Chairman

Presbytery's Home Missions

The Rev. Joseph Mack reported for the Executive Committee on Home Missions. The report was received as information.

World Missions

The Rev. W. Earl Stevens, Chairman, made an oral report which was received as information.

The Rev. George Carter spoke on the proposed Caravan to Mexico under the World Missions Committee and the Board of World Missions.

The Rev. D. A. Swicord spoke on behalf of the World Missions Committee's report.

The following recommendations were then adopted:-

1. That the interdenominational theme, "The Christian Mission On The Rim of East Asia" be emphasized during the World Mission Season, February 1-March 3, and the week of prayer and self-denial, February 24-March 3.

2. That there be interest in and prayer for the Consultation sponsored by the Board of World Missions at Montreal, October 13-19. This is a difficult and daring endeavor to be participated in by the boards and agencies of our Church, sister mission boards, and interdenominational missionary societies and agencies to advise our board on how our Church can be led more effectively on Christian World Missions in today's revolutionary world.

3. That the committee make available to the Presbytery by permanent rental our denominational color film, TAIWAN DIARY, and that this film be used especially during the World Mission season.

4. That our several churches make effective use of the missionary to be assigned to us by the Board of World Missions for the mission season.

5. That a workshop, or its equivalent, be set up for the Knoxville area, October 22, Eastminster Church, and for the Chattanooga area.

6. That the Churches of the Presbytery hold before their congregations the opportunities for Personalized Giving as a time-proved effective and satisfying method of giving to the missionary enterprise of the Church.

7. That our Churches avail themselves of the team on World Missions from King College any week-end in any local Church.

8. That realizing increased financial gifts are needed by all of the agencies of our Church, we especially emphasize the fact that there is a financial crisis on our mission fields and that our Board has found it necessary to decline requests from our mission fields which requests are deemed necessary to even maintain the present standard of work.

9. That the proposed Caravan to Mexico be under the leadership of the Rev. George Carter.

That the cost for approximately 16 young people traveling by plane be approximately \$325;

That the time be during the last two weeks of June, 1963.

a. Purpose:

To inform those going of our mission work in Mexico.

To challenge them with the need of missions not only in Mexico but throughout the whole World.

To enrich our young people in an experience of Christian fellowship.

b. Participation:

Young people who are at the present Seniors or Juniors in school will make the trip. Sixteen will be allowed with three or four chaperons.

Participants are to be screened under the direction of the Committee on World Missions.

Publicity:

This will be released at the fall rallies and at intervals following.

c. Finances

In view of the total cost of the caravan, and the conviction of the committee that financial resources should not be the determining feature concerning participation, the committee proposes that a fund be established whereby interested individuals may make donations. This fund will receive presbytery wide publicity soon. It is further suggested and urged that local churches make a diligent effort to assist financially those promising young people who would like to make the application for the trip.

d. Transportation:

The trip will be made by plane.

Nominations

The Rev. Joseph Mack presented the report of this Committee. The report was adopted and is as follows:-

Committee on Nominations recommends that:

1. Pursuant to the action of Presbytery at its October, 1961, meeting, limiting membership on all executive committees, permanent committees and commissions, to only two full consecutive terms (except membership on Bachman Home trustees and Fort Sanders Presbyterian Hospital Directors), the Committee be authorized to make this policy effective as of January 1, 1963. It is understood that terms will be designated (1) or (2) and be so listed in Presbytery's minutes.

Resolutions

The Rev. Samuel Wiley, Chairman, presented the report of the Committee on Resolutions, which was adopted and is as follows:

The Presbytery of Knoxville, while keenly aware of the inadequacy of words fully to convey our thanks, would make this expression of appreciation for the generous Christian hospitality accorded us by the Signal Mountain Presbyterian Church in serving as hosts to this, the 246th Stated Meeting of the Presbytery.

We are grateful for the thought which first led to this invitation being extended and for the careful preparations which have provided so graciously for our needs.

We mark especially the efficiency with which registration was managed, the welcome provision of refreshments, and all the forethought which anticipated our every desire.

We wish especially to thank the Women of the Church who prepared and served the delicious meals, not forgetting those who provided the beautiful decorations at the tables. We are grateful for the hospitality accorded us in the homes of the Congregation and the opportunity thus to enjoy Christian fellowship with many of the members.

To the Choir its director and organist, to the Signal Mountain All-Girl Glee Club, to Mrs. James Deaderick and Mrs. Lloyd Smith who proved indispensable as typists, and to all others whose unseen contributions lent to our comfort and the expediting of our business we express sincere gratitude.

To the minister, Dr. Thorington, Mr. Smith and Mr. Cowan, we speak our thanks and ask that they convey our deep appreciation to the Session and to the Congregation for the kindnesses they have shown and the privilege which has been ours.

In this same vein we would thank the Rev. Bob S. Hodges, Jr., and the Rev. George R. Wright for their valuable contributions to the program of this meeting.

Respectfully submitted,

4. Treasurer of Bachman Home

Mr. R. E. Moore, Treasurer of Bachman Home presented his report. The report was referred to the Committee on Audits, later referred back, adopted and is as follows:

To the Officers and Members of the Committee
 Bachman Memorial Home, Incorporated
 Cleveland, Tennessee
 Gentlemen:

We have examined the books of account and certain supporting records relating to cash transactions of the Operating Fund of the Bachman Memorial Home, Incorporated, Cleveland, Tennessee, for the period from January 11, 1962 to December 31, 1962.

The scope of this examination consisted of a verification of the recorded cash receipts and disbursements and external confirmation of the cash on deposit. Cash receipts for the period under review were traced from the records of receipts into the depository, and disbursements verified through the canceled checks. We did not inquire behind these accounting records to confirm cash receipts at the source.

A summary transcript of other accounts, including savings accounts, has been made a part of this report and will be identified as Schedules 2 through 6.

In our opinion, the accompanying statement of Cash Receipts and Disbursements (Schedule 1) presents a true transcript of the recorded Operating Fund transactions for the period from January 11, 1962 to December 31, 1962, inclusive.

Respectfully submitted,
 William M. McGhee

Presbytery Home Missions

Rev. James L. Fowle, chairman of Presbytery Home Missions Committee presented the report of this Committee. The report and recommendations were adopted, with the exception of the recommendation dealing with the West Hills Sunday School. Action was taken on this later.

The report is as follows:

Receipts from the churches of Knoxville Presbytery during the year 1962 surpassed all former years in the support of the program of Presbytery's Home Missions. Your committee has carried out a full program without debt. The needs of our workers have been met in small measure with increased financial support. It is the plan to continue, even to increase, this support as funds are available.

While the budget submitted for approval of the presbytery is larger than the budget of any previous year, the committee believes that it is an adventure in Home Missions worthy of Knoxville Presbytery's undertaking. The total budget is less than the askings for Presbytery's Home Missions in the presbytery's budget.

The West Hills Presbyterian Sunday School, started September 30th, is petitioning Knoxville Presbytery for church organization. On Sunday there were 53 names of enthusiastic residents, many trained church workers, several experienced officers, all desiring a church in this new residential area. The setting up of an administrative commission to act on the request of the petition is a recommendation of your committee to which this petition was referred.

The challenge of Gatlinburg is still being heard. Our projected work has made the progress expected. A lot has been purchased plans for a building are on hand, a manse has been rented, the search for a leader in this unique situation is still being made. As soon as a minister is secured and as soon as funds are available, your committee expects to report to the presbytery the realization of this dream

MINUTES OF THE KNOXVILLE PRESBYTERY

which has been in the minds of many for years.

RECOMMENDATIONS:

1. That the minimum salary of \$4,500 a year and manse adopted for Home Mission pastors be set by the presbytery as the minimum for all churches in the presbytery, with allowances for automobile expense and other benefits to be over and above the minimum.
2. That the presbytery approve the budget as adopted by the Home Missions Committee for the year 1963:

1. Support of Organized Work	\$ 17,500
2. Mission Churches and Outposts	21,880
3. Retirement & Group Insurance	7,000
4. Building Repairs & Property Insurance	6,500
5. New Properties & New Buildings	45,000
6. Administration	9,600
7. Miscellaneous	6,300
8. Contingent Fund	6,240

Budget for 1963\$120,000
Presbytery's Budget 1963, Askings\$131,040

3. That the entire presbytery have its attention directed to the opportunity of a unique work in Gatlinburg and be urged to support this work with the prayers and the financial interest of every group and each individual in the churches of Knoxville Presbytery.

Woman's Work

Rev. D. R. Freeman introduced Mrs. Willard Peak, President of the Women of Knoxville Presbytery. Mrs. Peak presented her report, which was adopted and is as follows:

ANNUAL REPORT OF PRESIDENT OF KNOXVILLE PRESBYTERY WOMEN OF THE CHURCH

Through the Churchwide Emphasis on "Christian Vocation" the Women of Knoxville Presbytery have felt the call to serve God in many areas of life.

They have been concerned about the increased number of Foreign Students in our midst and have opened their homes and their hearts to them. Because of this personal contact some have come to know Christ and have united with our churches. There is a growing need for a greater participation in this type of Christian service in our College towns.

On June 15th over five hundred people attended Bachman Day, which indicated an increased interest in the seventy-six fine boys and girls there. Our local church women contributed over \$8,000 toward their support and furnished the home with additional household items.

Interest in World Missions has grown through Schools of Missions, Conferences, Financial Support and Prayer. About half of our local churches reported that they are assisting in the support of missionaries.

The Christian Use of Time, Talents and Possessions has been stressed in various ways. The Birthday Offering for 1962 amounted to \$4,002.92.

\$422.00 was sent to King College to be applied on future renovation of the Chapel, \$250.00 was given to Camp John Knox, and \$250.00 to the Building Fund for a new Furlough Home in Louisville.

The response to White Cross work has been most enthusiastic with some of the local groups even asking for larger assignments. Over 2,000 sponges and bandages and 584 garments were sent in by our women.

A total of 5,013 pounds of clothing was sent to Overseas Relief, but only thirteen churches reached the goal of one pound of clothing

per person. How many more needs could be met if we were willing to put forth the effort to reach this goal.

The women of our smaller churches were offered \$500.00 in scholarships to Synodical Training School at King College. Sixteen took advantage of this opportunity for training and a total of 54 women from our Presbytery attended this school.

A scholarship to King College has been given to Linda Pinholster of Knoxville. Linda is an outstanding student in the College, and our prayers and interest are with her as she prepares for her life's work. A scholarship is also given to Presbyterian School of Christian Education if there is an applicant from Knoxville Presbytery. If not, this scholarship goes to a girl for Nurse's Training in the Fort Sanders Presbyterian Hospital. Brenda Jane Moore of the Epperson Church is the recipient of this scholarship.

The Women of Knoxville Presbytery are becoming more aware of the needs of our Senior Citizens and are initiating programs to meet these needs. Some of the churches are sponsoring special days of activity and fellowship for them.

The erection of several Educational Buildings and the increase in Sunday School attendance has been gratifying. Our desire as Christian women is that these added facilities and the teaching of God's Word might be the means of calling more of our fine young people into Church Vocations.

An effort has been made to reach the goal of enrolling at least "One Friend From Every Church" in the Presbytery to further the welfare and progress of Union Seminary. A total of \$840.83 was contributed in 1962. Some of the ministers of today were trained through the dedicated gifts of past "Friends of the Seminary". God grant that we may be used in a greater way this year to help enlist and train more ministers for tomorrow.

The "Startling Facts" this year challenged the women to a greater concern for winning souls to Christ. Several women have been placed on a Council for Evangelism organized in our Presbytery, and we pledge our support to this cause.

The Interdenominational Christian Conference at Knoxville College this summer was the largest ever held. Local groups of Knoxville Presbytery provided 68 scholarships of the 138 women registered for this conference. Delegates were also sponsored by our women to the Inter-Presbyterial Training School at Stillman College.

Our women have been conscious of the fact that our vocation is a call to serve God wherever we are and have served in the different communities in many ways.

In Knoxville Presbytery there are 6,209 women in 240 circles and 50 Women of the Church organizations. They have made this report possible. We are grateful to God for any accomplishments made possible through Him, but our failures are ever before us.

The Bible Studies of James and I Corinthians have been heart searching. Our prayer is that through this study of God's Word we might be good soil in which God's truth might grow. God alone can measure the results of the spiritual growth of our women.

(Mrs. W. A.) Katherine A. Peak
Presbyterial President

Mr. Sloan, coming from another denomination, was additionally examined on his willingness to work within the framework of our Presbyterian, U S., denomination, and the examination was approved. He answered in the affirmative the questions for ordination as required in **The Book of Church Order**.

The Stated Clerk presented a certificate dismissing the Rev. Samuel N. Cramer, Jr., from Mecklenburg Presbytery. The certificate was received and Presbytery proceeded with the required examinations. These were sustained in parts and as a whole.

Mr. Sloan and Mr. Cramer were enrolled as members of Knoxville Presbytery after having signed the ex animo statement.

The call from the Fairview Presbyterian Church for the Rev. Mr. Sloan, having been approved by the Commission on the Minister and His Work, was presented. The call was in the proper form and provided a salary of \$1,800 per year from the Church plus \$3,000 per year from the Home Missions Committee, and other considerations. This was found in order and placed in Mr. Sloan's hands and accepted by him.

(Salary \$1,800, with Home Missions Committee of Presbytery supplementing with \$3,000; annual vacation of four weeks; the church and the Home Missions Committee will pay to the Minister's Annuity Fund 7 1/4% of the gross salary; the free use of a manse.)

(Salary \$5,200; free use of a manse; \$800 transportation allowance; moving costs; 7 1/4% of the salary to be paid to the Ministers' Annuity Fund; Group Insurance for him and his dependents.)

The Commission recommends that Presbytery give its approval to the action of the Session of Cedar Springs Presbyterian Church in engaging the Reverend E. C. Scott, a member of Atlanta Presbytery, as interim supply.

The Commission strongly recommends that the Presbytery take action as follows with regard to the Cross Roads Church, Knoxville:

Knoxville Presbytery in session on February 5, 1963, at the Red Bank Church, notes with deep concern the reports of disunity in the Cross Roads Church.

In view of the conditions reported as existing in that congregation, the Presbytery directs that the following things be done:

1. Presbytery directs that the time between the present and the stated Spring meeting of Presbytery be a period for reflection, heart-searching, mutual forgiveness and earnest prayer, and that it be conscientiously observed by the pastor, officers and members of the church;
2. That Presbytery direct a very earnest appeal to individuals and groups in the church to cease all discussion of those matters which are reported to have caused divisions. It is of the utmost importance that all agitation be stopped at once.
3. That the pastor, officers and members lay aside their differences and endeavor sincerely and patiently to work together to advance Christ's work in their midst.
4. That the meeting of the congregation adjourn from Sunday, January 20, and scheduled to be held on Sunday morning, February 24, 1963, be held in order to keep the record straight; but that the meeting adjourn without taking any kind of action.
5. That no other meeting of the congregation be held during this period unless written permission is granted by the Commission On The Minister And His Work.
6. That Presbytery direct an appeal to the pastor, officers and members to engage in earnest prayer to God, beseeching Him to heal the wounds in the church; and that all these friends of the Lord Jesus be mindful to pray for one another.
7. That Presbytery direct the Commission On the Minister And His Work to make its members available for monthly meetings with the pastor, officers and members of the congregation. These meetings will provide opportunity for discussion, counsel and intercessory prayer.
8. That the Commission On The Minister And His Work visit the Cross Roads Church in advance of the stated Spring Meeting of Presbytery for conferences with the minister, the Session, the Board of Deacons, the Women of the Church and all other groups in the membership; and that it be directed to present to the Spring Meeting of Presbytery such recommendations as it believes may be necessary in the light of conditions existing at that time.
9. That this action of Presbytery be presented by members of the Commission on the Minister And His Work to the pastor, officers and members of the Cross Roads Church on Sunday evening, February 17, 1963.

Respectfully submitted,

A. E. Dallas, Chairman.

WORLD MISSIONS

The Rev. W. Earle Stevens, Chairman of Presbytery's World Missions Committee, presented a report on World Missions. The following recommendations were adopted:

1. That in each local Church a World Mission committee be activated to plan, coordinate, and implement the World Mission emphasis in the total educational program of the local Church; that such a committee be composed of those who have some local Church World Mission responsibilities; that the pastor be an ex-officio member of this committee; and that whenever possible this committee be an integral part of the Christian Education Committee.

That, in an effort to encourage an effective ministry of intercession in the local Church, under the advisement of the above mentioned committee, at least one prayer group be initiated and that literature and personal missionary letters be utilized from the Board of World Mission to encourage an intelligent year round prayer ministry. It is suggested that the WOTC WORLD MISSION Chairman tend to the necessary details.

3. That every Church participate in every possible way in the World Mission season February 1 through March 3, especially emphasizing the week of prayer and self-denial, February 24-March 3, and its accompanying supplemental offerings.

4. That our Churches use every possible means to sponsor or participate in a missionary conference.

5. That our Churches note especially the report of the standing committee in the minutes of the General Assembly in regard to the alleviation of suffering in the distressed areas of the world and our Church's relief program.

6. That the Presbytery endorse the project of sample drugs for the Presbyterian Medical Center, Chunju, Korea, as it is now being sponsored by the men of the Inskip Church.

7. That the Presbytery SHF outreach chairman be added to the committee.

8. That the World Mission Committee plan, staff, and promote a SHF mission conference at John Knox Camp, August 5-10, and that the Rev. James Lyons direct the camp.

9. That the Presbytery hear the Rev. George Carter, director of the Youth Caravan to Mexico, June 18-July 2.

10. That the Presbytery hear the Rev. James Lyons in regard to the Drugs-for-Korea project.

Knoxville Presbytery is deeply moved by the heart-warming hospitality of the historic First Presbyterian church of Cleveland, Tennessee.

We offer sincere thanks to the pastor, officers and membership for anticipating our every need and for contributing to a pleasant day

in the dispatch of our Lord's business in the two hundred forty eight stated meeting of the Knoxville Presbytery.

A special word of appreciation is hereby expressed to the faithful women-of-the-church who greeted us with delicious refreshments upon our arrival, prepared a bounteous dinner and served it with grace and charm. A special word of thanks is extended to the talented organist, Mrs. Paul Cate, for her inspiring service in music.

To the Giver of every good gift we offer thanks for this fruitful vine in His Kingdom, for its noble service in the past; its vision, hope, and dedicated leadership in the present and for its future "as bright as the promises of God".

A sacred experience lives in our hearts as we return to our several homes, laboring with this people in thanksgiving and prayer.

Respectively submitted,

Overture: "Because of our concern for the success and welfare of our student work on the University of Tennessee Campus we respectfully request Knoxville Presbytery within whose bounds this work is located - to overtrue the Synod of Appalachia, meeting at Sequoyah Hills Presbyterian Church, Knoxville, May 28-29

1) to take steps for a full investigation of the situation at the Presbyterian Center since the arrival of the present University Pastor, and

Excerpt from Minutes of Inskip Session of September 22, 1963

A letter from the Knoxville Presbytery was read stating that the following would appear on the Presbytery docket: "Report from the Session of the Inskip Church with regard to participation in the Ministers' Annuity Fund."

The following motion was adopted: "Moved, that the Board of Deacons be instructed to consider the possibility of including the cost of placing the Pastor in the Ministers' Annuity Fund in the budget for the calendar year 1964. We feel an obligation to the Knoxville Presbytery that this be done as soon as possible but do not feel that it is advisable now if it would require a reduction in the Pastor's take-home pay or in the amount budgeted for benevolences or world mission."

W. Gay Clark,
Clerk of Session.

The motion to docket this matter for a consideration at the Winter Meeting of Presbytery carried.

STEWARDSHIP

Elder Spencer McCallie, Chairman of the Stewardship Committee presented the report which was adopted and is as follows:

Annual Report of the Stewardship Committee of Knoxville Presbytery for the Period, January 1, 1962 through December 31, 1962 and Askings for Budgeted Benevolences for the Year 1964

We would first like to call your attention to the fact that the total askings for the benevolent budget for 1964 is \$592,038. For the year 1963 the asking was \$624,000. This reduction in askings is not due to the fact that there is not a need for the money but rather due to the fact that it is a more realistic asking based on what the giving has been in the past. All too many of our causes have not received the support that they have requested nor even the support that they actually need to do the job as it should be done. Therefore, it behooves us not to let up in this vital work of Stewardship for our Lord and His Church, but to do all we can to meet this more realistic budget. For 1963 we requested for General Assembly's Benevolent Budget \$275,808. This year's request will be \$280,497. The request for the Benevolent Budget of Synod was \$114,192; for 1964 it will be \$107,158. The Benevolent Budget for Presbytery as requested for 1963 was \$234,000; for 1964 it will be \$224,383. This is spelled out in detail on page 7.

The Stewardship Committee expresses its deep appreciation to the ministers, the officers, and the congregations of the churches of Knoxville Presbytery for the effort that they have made to meet the financial needs of our church, and again urging all of those responsible to seriously consider striving to fulfill the budget request for each agency as requested in this report. The table below shows a ranking of some of the top Presbyteries in the entire Presbyterian Church U. S., based on Total Budgeted Benevolences, Total Benevolences, Budgeted Gifts to General Assembly, and Total Gifts by

Presbyteries. This indicates that again Knoxville Presbytery was NUMBER ONE in each one of these categories. For this we can be thankful to God and grateful to our people. May we never use this table for complacency or false pride, rather may we continue to strive to lead our great church in this important field.

You will note that we exceeded the askings for the Budgeted Assembly's Causes but fell a good deal short in the Total Budgeted Benevolences in comparing the actual gifts with the askings.

With reference to the Synod the askings for 1962 were \$114,286, where the actual gifts were \$75,378. The askings for Presbytery were \$236,106, where the actual gifts were \$140,057. Your committee again feels that study needs to be made of this whole problem including the General Assembly, Synod, and the Presbytery, that a more realistic approach might be made by some of the Agencies. Certainly we are forced to realize that some causes are being neglected. It is natural that some causes would be more popular by their very nature than other causes, and yet they too are important in considering the entire program of the church.

The Synod of Appalachia has again approved additional help for King College by offering Synod members an opportunity to buy \$300.000 Scholarship Shares. Dr. J. P. McCallie, Moderator of Appalachia Synod in 1962-63, asks that each church, however small, show its interest in and responsibility for King College by sending in to King on these scholarships an additional sum, annually, equal to 3% of the average of budgeted and total benevolences as listed in Assembly's Minutes as gifts of the previous year. 3% is obtained by the number of \$300 scholarships of one for each \$10,000 of average of budgeted and total benevolences. For instance, the smaller churches, as Etowah, could send 3% of $\frac{1}{2}$ (\$294,345) equals \$10.35 or 1-30 scholarship, and the larger churches, as Chattanooga First, could send 3% of $\frac{1}{2}$ (\$140,229,278,845) equals \$6,276.11 or 21 scholarships. This would bring in a total of \$21,183 from Knoxville Presbytery and \$46,282 from the whole Synod of Appalachia, which King College needs in scholarship funds. These scholarships can be personalized, at the donor's request, and the name of recipients given, who could

then express appreciation. These scholarships accomplish three great ends: (1) helping young persons to secure a Christian education other wise unavailable (2) helping train ministers, missionaries, directors of Christian education, and Christian laity and (3) preventing indebtedness at King on its heavy current expense budget, a large part of which is supplying these necessary scholarships without help from the churches. Every church can and should have a part. This is not an additional "asking", but is a great opportunity for wise and fruitful investment of the Lord's money, "laying up treasures in heaven".

The standing committee on the General Council made the following recommendations with reference to Stewardship:

1. That the Stewardship Emphasis Season begin October 19, 1964, and continue through November 15, 1964; that November 10 be designated as "Dedication Sunday" for the Every Member Canvass; and that the theme of the Canvass be "Thanks Be to God".
2. That presbyteries use the Every Church Canvass in 1963 to:
 - a. Appeal to church officers to become titheers and to teach tithings to the members of their churches.
 - b. Inform church officers about the benevolence program of the Church and encourage them to devote an increased percentage of the budgets of their churches to benevolences in 1964.
3. That churches use the revised Every Member Canvass Manual published by the General Council to conduct Every Member Canvasses in which every family in the congregation is visited and each individual member is asked to:
 - a. Give prayerful consideration to the tithe as his minimum goal for giving to the Church.
 - b. Adopt the tithe as a minimum goal and begin to move toward it by increasing in 1964 the percentage of his income which he gives to the church.

Again the Committee feels that it would be wise for each agency of Presbytery to meet with the Stewardship Committee with its budgets' request before the summer meeting of Presbytery and have its budget then approved by the Presbytery at the summer meeting.

ADDRESS OF PATTON

The Rev. Mr. J. G. Patton, Executive Secretary of the General Council, addressed Presbytery.

TUESDAY MORNING

MINUTES

The Minutes of the Monday Session were read and approved.

Report Of Special Bills And Overtures Committee

The following report of the Special Bills and Overtures Committee was presented by Ruling Elder Richard Bacon and was adopted:

The Bills & Overtures Committee appointed by the Moderator of Knoxville Presbytery at its 249th Stated Meeting held at the Mars Hills Presbyterian Church in Athens, Tennessee, on July 9, 1963, having considered the following overture:

"We overture the General Assembly to request the Board of Annuities to provide for the retired insurance coverage by the Annuities rules so that a retiree will not be subject to compulsory expenses."

Submits the following report to Knoxville Presbytery at its 250th Stated Meeting:

There are approximately 1,000 retired ministers and lay personnel of the Presbyterian Church in the United States who receive from the Ministers' Annuity Fund and from other sources (such as Federal Social Security payments) total annual incomes exceeding \$1,800 as individuals or \$2,800 as couples. From this group there is a required contribution of \$50 per year per individual toward the cost of Major Medical benefits for Retired Personnel totaling approximately \$50,000 per year.

Additionally there are about 500 retired ministers and lay personnel of the Presbyterian Church in the United States whose total incomes fall short of those cited above and who, therefore, received regular support from Ministerial Relief Funds during the year 1962 totaling over \$600,000. Major Medical benefits for this group are now provided without any contribution from the retirees.

The overture under consideration, therefore, is faulty to the extent that it does not recognize that approximately one-third of the retired ministers and lay personnel of the church now have Major Medical coverage without cost to themselves.

If by the phrase "by the Annuities rules" it is intended that approximately \$50,000 now contributed each year by retirees toward the cost of the Major Medical coverage be replaced by an equal amount from the Ministers' Annuity Fund, the committee would question the wisdom of diverting such substantial monies from their intended use to the possible jeopardy of promised regular monthly income later on.

If, on the other hand, the intent of the overture be the waiving of the \$50,000 retiree contribution by substituting monies from Ministerial Relief Funds, the committee would hasten to point out the inequity of dipping into funds needed for the relief of a truly indigent group of retirees to the very slight advantage of a less needy group of retirees.

Accordingly, it is apparent that since the Board of Annuities & Relief can only distribute available funds and can in no wise create new monies, an overture, such as is under consideration, favoring one group of retirees would necessarily work to the disadvantage of another. Furthermore, the committee, in the course of its study of this overture, has seen ample evidence of the wisdom of Dr. George H. Vick and his associates in effectively distributing the offerings of the church to its servants in retirement.

The committee, therefore, recommends that no overture be forwarded to the General Assembly, but rather that the brethren be urged to remind their congregations of the need for greater liberality in their giving through the Joy Gift each year. Only in this way-through additional giving-can the Board of Annuities & Relief continue to improve the level of support available to the faithful servants of the church who are in retirement.

Respectfully submitted,

James L. Fowle, Chairman

COMMISSION ON MINISTER AND HIS WORK

The Rev. Mr. A. E. Dallas, Chairman of the Commission on the Minister and His Work, presented the following report, which was adopted as amended and is as follows:

To The Presbytery of Knoxville:

The Commission On The Minister And His Work presents the following report:

The Commission endeavors to maintain close ties with those church which are without pastors and to give them as much help as possible.

Recommendations:

1. That Presbytery give its approval to the service rendered by the Rev. J. Harper Brady as Interim Supply of St. Elmo church in the months of July, August and September; and that it give the Session of St. Elmo church permission to engage the Reverend Dr. Brady as Interim Supply for an additional period of service.
2. That Presbytery give permission to the Session of Lookout Mountain church to engage the Reverend George H. Vick as Interim Supply, with the understanding that his ministry will be limited to his filling the pulpit of the church.
3. That Presbytery give its approval to the calls of the Lenior City and Toqua churches for the pastoral service of the Reverend C. McCoy Franklin for a period of one year beginning on June 9, 1963.
4. That Presbytery rescind its action taken at the Stated Summer Meeting 1963 in relation to the Reverend William C. Mounts (Minutes of Presbytery, Page 6, Paragraph 5 in Report of Commission On The Minister And His Work) and that it give its approval to the action of the Session of Sequoyah Hills church in calling Mr. Mounts to serve as Stated Supply for one year.

The Reverend DeWitt F. Helm was dismissed to the Presbytery of Granville on July 20, 1963.

The Session of John Sevier church presented informally a request to make use of the services of a member of the congregation — Mr. John D. Shore — in visitation and in the conduct of Sunday evening services.

The Commission, having discussed this matter fully, presents a procedure and requests that Presbytery approve it and authorize its members to meet with the Session of the church and explain it in fullest measure;

The congregation has the right to elect Mr. Shore to the office of Ruling Elder. Election should be followed by a period of instruction. Then the way will be open for the ordination and installation of Mr. Shore. The Session may then say to the new member, "Mr. Shore, we wish you to undertake a work of visitation in the congregation and the community, and to be prepared to conduct Sunday evening services".

This service will end automatically when it is possible to secure a pastor for the church. There will be an experimental period of three months. A monthly report should be made to the Session; and the Session in turn should send the report to the Commission On The Minister And His Work.

Respectfully submitted,
A. E. Dallas, Chairman.

HUFFAKER DISMISSED

Presbytery voted to send a letter of dismissal to Winchester Presbytery for the Rev. Mr. James Huffaker.

BACHMAN MEMORIAL HOME

The Rev. Mr. Arthur H. Pflug made an oral report for Bachman Memorial Home, which was received as information.

PRESBYTERY'S HOME MISSIONS

The Rev. Mr. James L. Fowle, Chairman of the Executive Committee on Home Missions, made the report, which was adopted.

The Home Missions program in Knoxville Presbytery is operating without debt and is in a healthy condition. The wisdom of retaining Home Missions as the prime thrust of the program in witnessing in Jerusalem and all Judea and Samaria, even as World Missions carries the Gospel to foreign areas, has been vindicated in Knoxville Presbytery where it is a full-time assignment. The two phases of our Presbytery's program of Missions have received enthusiastic support from the church membership because (1) these have Scriptural methods for (2) spreading the Gospel and (3) are blessed by God in the ministry to men.

Knoxville Presbytery adopted in 1955 a program called "Forward with Christ in Equipment" totalling \$1,000,000. The Home Missions Committee started promoting this program in 1956, on the basis of \$100,000 a year from local congregations, from interested friends and from Home Missions funds for investment in property and buildings and equipment. After one year, \$196,000 in equipment had been realized. As of today, after nearly eight years of this \$1,000,000 program for capital improvements, more than \$900,000 worth of buildings and property and equipment is being used which was not in use by our Presbytery and its churches in January 1956. Six new churches have been established during this period and one congregation is requesting organization. This is Home Missions in Knoxville Presbytery.

A petition for organization has been signed by residents of the Gatlinburg area of Sevier County. Rev. Joseph A. Greer, the evangelist in charge of this work, is present with the petition and is willing to address the Presbytery. We rejoice that the Home Missions, or Church Extension, season has been returned to the Fall of the year. The General Assembly requests a special supplement offering for Home Missions, or Church Extension, to be taken in every congregation on October 20th, or a convenient Sunday in October.

Recommendations:

1. That Presbytery request each congregation to make a special supplementary offering for Home Missions, as requested by

the General Assembly, and that this offering be divided 20% for the General Assembly's work and 80% for Knoxville Presbytery's Home Mission program.

2. That the Season for Home Mission emphasis be set, as done by the General Assembly, for October 13th through 20th.

James L. Fowle, chairman.

GATLINBURG PETITION AND COMMISSION

Upon presentation to Presbytery of a petition requesting the organization of a Presbyterian Church in Gatlinburg, the following Commission was appointed to examine the petition to see if it be in order and to proceed with organization arrangements:

Rev. Joe Mack, Chairman; Rev. Lane G. Adams, Rev. Fred Fowler, Rev. Don Brandon, Rev. William R. Smith, Rev. Donald Munson, Elder Frank Slagle, Elder Charles Sexton, Elder Frank Fowler, Elder Charles Lewis.

The Commission was authorized to set the date, time, and place of the new organization.

Committee Concerning Home Missions Superintendent

Presbytery voted to ask the following men: the Rev. Mr. James L. Fowle, the Rev. Mr. John H. McKinnon, the Rev. Mr. William S. Thorington, the Rev. Mr. D. R. Greenhoe, the Rev. Mr. Robert S. Hough, the Rev. Mr. Fred Z. Woodward, and the Rev. Mr. George H. Murray, III, to serve as a Special Committee to investigate the possibility of broadening the job description of the soon-to-be-elected Superintendent of Home Missions and to report back at this meeting of Presbytery.

Presbytery took recess at 10:45 A. M.

With the singing of a hymn and prayer, Presbytery reconvened at 11:10 A. M. for the order of the day.

STATED WINTER MEETING

Knoxville, Tennessee, February 4, 1964

The Presbytery of Knoxville met in its 251st Stated Session in the Lake Forest Presbyterian Church, Knoxville, Tennessee, on Tuesday February 4, 1964, at 10:00 A. M. The Rev. John Morrison, Moderator, called the meeting to order and led in worship with a hymn, prayer, and the reading from the tenth chapter of Hebrews.

LORD'S SUPPER

The Sacrament of the Lord's Supper was celebrated. The Rev. Jimmy Lyons and the Rev. William C. Mounts presided at the Lord's Table. They were assisted by four Ruling Elders from Presbytery.

FREDERICK D. STEVENSON MEMORIAL

1884-1964

Elder J. E. McShane of the Corbin Church read a Memorial to the Rev. F. D. Stevenson, deceased. Presbytery was then led in prayer by the Rev. Everett Hellmuth. The Memorial was adopted and is as follows:

Frederick D. Stevenson

1884 - 1964

The Reverend Frederick D. Stevenson, an Honorably Retired member of Knoxville Presytery, entered into the joys of his Lord at a hospital in Cincinnati, Ohio, on Friday, January 3, 1964. Funeral services were conducted in the Corbin, Kentucky, Presbyterian Church on Monday, January 6, by the pastor, the Rev. E. A. Hellmuth, Jr., assisted by Dr. D. R. Greenhoe, Stated Clerk of Knoxville Presbytery, and by the Rev. Edward Gayhart of Guerrant Presbytery. Interment followed in Pine Hill Cemetery, Corbin, Ky.

Frederick D. Stevenson was born near Cedar Bluff, Tazewell County, Virginia, on November 1, 1884, the son of Marion Augustus Stevenson and Virginia Whicker Stevenson. On June 22, 1920, he was married to Roberta Munford Booth in Atlanta, Ga. To this union were born two daughters, Roberta Booth and Margaret Virginia, the former surviving him.

He was graduated from Washington and Lee University in 1909, and from Union Theological Seminary of Virginia in 1912. Mr. Ste-

Stevenson was ordained by Kanawah Presbytery on October 9, 1912, and was called to his first pastorate at St. Albans, W. Virginia, where he served for three years. During 1915 and 1916 he studied at White's Bible School in New York City, and did post-graduate work at Columbia University.

He then moved to Atlanta, and taught as professor of the Bible and of Sociology at Agnes Scott College. He served later as pastor of the Moore Memorial Presbyterian Church in Atlanta. During the summer of 1918 he worked with the Y.M.C.A. in the United States Army.

Following the end of World War I, Mr. Stevenson was called as Stated Supply of the Westminster Presbyterian Church in Atlanta, and he also taught for short periods at Atlanta Theological Seminary, now a part of Vanderbilt University, and at Oglethorpe University.

During the fall of 1919 Mr. Stevenson organized and built the Peachtree Road Presbyterian Church, which is at the present time, called Peachtree Presbyterian Church and located at a different street address in Atlanta. It has some 2400 members. From 1926 to 1929, he served as superintendent of Home Missions in Tuscaloosa Presbytery.

In 1929, Mr. Stevenson was called to be the pastor of the church at Sweetwater, Tenn., where he served until Dec. 31, 1939. While at Sweetwater he had what was probably a unique experience that of a late brother being pastor of the Methodist Church, just across the street from the Presbyterian Church.

On January 1, 1940, Mr. Stevenson accepted his last earthly call to the Corbin, Kentucky, Presbyterian Church, where for 16 years he was the shepherd of that flock. He was Honorably Retired by Knoxville Presbytery as of June 30, 1956.

We learned many things from Mr. Stevenson while he was our pastor at Corbin, particularly tolerance. Certainly tolerance is a Christian grace, like temperance, patience, and love. Love never failed the Apostle Paul and it never failed Mr. Stevenson.

Mr. Stevenson was a man of many talents. (He loved and was, well prepared for the teaching profession,) yet he consistently returned to a greater love, the pastorate. An amateur botanist of more than mean ability, he would always find God in nature. An expert horticulturist, his gardens produced luscious vegetables and beautiful flowers, both domestic and exotic. His life was characterized by a deep humility and genuine love for people; and by a deep devotion to his Lord and to his church. The Peachtree Presbyterian Church in Atlanta, the Fork Creek Chapel near Sweetwater, the love and esteem of former co-workers, former pupils and parishioners all remain as monuments to his labor of love.

He is survived by his widow, Mrs. Roberta Booth Stevenson of Corbin, by one daughter, Mrs. Richard F. Hobson and two grandchildren of Cincinnati, Ohio; by one brother and one sister, Robert L. Stevenson and Mrs. Elizabeth Deyerle, both of Charleston, West Virginia.

BACHMAN MEMORIAL HOME

To the Officers and Members of the Committee
Bachman Memorial Home, Incorporated
Cleveland, Tennessee
Gentlemen:

We have examined the books of account and certain supporting records relating to cash transactions of the Operating Fund of the Bachman Memorial Home, Incorporated, Cleveland, Tennessee, for the period from January 1, 1963 to December 31, 1963.

The scope of this examination consisted of a verification of the recorded cash receipts and disbursements. Cash receipts for the period under review were traced from the records of receipts into the depository, and disbursements verified through the canceled checks. We did not inquire behind these accounting records to confirm cash receipts at the source.

A summary transcript of other accounts, including savings accounts, has been made a part of this report and will be identified as Schedule 2 through 8.

In our opinion, the accompanying statement of Cash Receipts and Disbursements (Schedule 1) presents a true transcript of the recorded Operating Fund transactions for the period from January 1,

1963 to December 31, 1963, inclusive.

Respectfully submitted,
William M. McGheeDated at Chattanooga, Tennessee

2. From Col. J. Stuart Bennett, regarding his work as Chaplain in the United States Air Force. This was received as information, and the Stated Clerk ordered to write Col. Bennett a letter of commendation.

STATISTICAL REPORT

The Stated Clerk reported on the 1963 Statistical Reports for the churches of Presbytery. This was received as information.

RECESS

Presbytery took recess for Committee Meetings and Lunch at 12:20 P. M. and was led in prayer.

AFTERNOON SESSION

Presbytery reconvened at 2:00 P. M. and was opened with prayer and the singing of a hymn.

STAUFFER HONORABLY RETIRED

The Rev. John E. Stauffer requested Presbytery that he be Honorably Retired effective March 1, 1964. After a number of expressions of affection and appreciation, Presbytery voted to retire honorably Mr. Stauffer. Presbytery was notified that the Little Brick Church joins with Mr. Stauffer in asking Presbytery to dissolve the pastoral relationship on March 1, 1964. Presbytery so voted.

WOMAN'S WORK

The Rev. D. R. Freeman, Chairman of the Woman's Work Committee, introduced Mrs. Paul M. Smith, President of the Women of Knoxville Presbyterial. Mrs. Smith presented her report, which was adopted and is as follows:

The theme for the year "Our Unity in Christ" has challenged the women of Knoxville Presbytery. As Christian Women we have become more conscious of the fact that our Christian service should not stop in the Women of the Church organization or in the local church. It reaches out in many ways, in the home, in the community and to the uttermost parts of the world.

There was 100% participation in the 1963 Birthday Objective for Evangelistic Work in Brazil and Medical Work in Mexico. Mrs. J. E. Wilson, a member of the Caravan to Brazil, visited many of the churches of our Presbytery and brought us first-hand information about this great work. Our contribution to the offering was \$7,872.42. Our Synod ranked second in per capita gifts.

A new church, the West Hills Presbyterian Church of Knoxville, was organized on February 24, 1963, with 60 charter members. Soon after this date a new Women of the Church organization came into being. We shall look forward to the building of the Gatlinburg Church and to the organization of another group of women there.

The White Cross quota for Knoxville Presbytery was accepted. More of each item asked for as gifts was received and packed into

large barrels for shipment to Kasha Dispensary. The donations of clothing for Overseas Relief was generous but could have been much more.

Although Knoxville Presbytery leads all others in our General Assembly in giving to World Missions, there remains much more that we have failed to do as Christian women and mothers. "The fields are truly white unto harvest but the laborers are few." Our prayers are that more of our choice young people will volunteer for missionary service.

Over half of our churches use the Every-Member Plan of the Presbyterian Survey. Stress has been placed on The New Covenant Life Curriculum through Workshops in the Presbytery and by study in local churches. Some of the churches are entering the first phase of the Curriculum this fall. About 23 churches have made preparation for this.

Linda Pinholster from Knoxville was our scholarship girl at King for the year 1962-63 and Barbara Jean Taylor of Farner for the current year 1963-64. Brenda Jayne Moore of the Epperson Church is being sponsored for the second year at Fort Sanders Presbyterian Hospital for Nursing. Over 642 children attended church camps this summer.

The women have given generously of their time and efforts in behalf of Bachman Home. All of the children are sponsored by local groups. Two hundred fifty attended Bachman Day. I wish space would permit me to tell you about all of the work going on here. Many of our women have offered their own labor of love in the painting and redecorating of the buildings. A Bachman sewing day will be started soon and it is hoped that many groups will participate. Three students from here are enrolled in college this year.

Our four District Chairmen have had a busy year. Districts One and Two tried a new plan of one hour conferences with an Inspirational message on "Unity in Christ" by Dr. Ludwig DeWitz from Columbia Theological Seminary. Districts Three and Four preferred the usual all day conferences consisting of information, inspiration and fellowship. An hour of sharing by groups with Presbyterial officers seemed to be helpful. Dr. William G. Neville of Brazil spoke on the Birthday Objective.

More women are using the Moderator Plan of Bible Study and find it helpful. This has resulted in increased interest and participation by the younger women of the church. Others prefer using the same Bible teacher for each Circle meeting, but report there has been more discussion by circle members. Our women reported that the Circle Bible Study was the backbone of the Women of the Church and the most helpful and inspirational part of it. Training opportunities have been provided for our Women both locally and beyond. Fifty-five women attended Synodical Training School. The Presbyterial offered \$300 in scholarships to the smaller churches. Over fifty women were sponsored by our local groups to the Interdenominational Christian

Conference and twenty-five or more attended the Montreat Conference. Many more church family dinners and programs are being sponsored by our women.

An overnight Spiritual Retreat and planning session was held at Camp John Knox on September 13-14 for the Presbyterial Board and included the incoming officers, with a total of 37 including guests.

A Louisville League of Support representative was added this year to the Standing Committees to promote the Louisville Seminary, one of the two seminaries supported by our Synod.

God alone can evaluate the Spiritual Growth of our women. The success of our organization, as well as all our Christian effort, depends on the faithfulness of each officer and member.

We are a part of a great team—6,055 women in 50 churches and 230 circles—working together to serve Christ and make Him known. It was a blessing to the president to be a part of this team.

(Mrs. Paul M.) Edith Smith
Presbyterial President

PRESTON RECEIVED AS CANDIDATE

The Rev. Christy Morgan, Chairman of the Committee on Candidates, presented Mr. George Kline Preston, III, of the Fifth Avenue Church, recommending that Presbytery examine him, looking forward to taking him under our care and oversight as a Candidate for the Gospel Ministry. The Moderator conducted the required examinations, which were sustained as satisfactory. The required questions were asked and answered in the affirmative, and this young man was enrolled as a Candidate. A charge was given by the Rev. Perry Mobley, pastor of the Candidate, and prayer was offered by Elder J. Park McCallie. The examination was closed with the benediction.

BILLS AND OVERTURES

The following report of the Bills and Overtures Committee on the request of the three Kentucky churches was presented by Rev. John Morrison, chairman, and was approved:

In response to the overtures from Middlesboro, Moore Memorial and Straight Creek Churches, we recommend that Knoxville Presbytery be reconstituted to include only Whitly and Knox Counties in Kentucky, thus approving the request of these churches for transfer to Guerrant Presbytery in the Synod of Kentucky.

In order to expedite this matter there should be a called meeting of the Synod of Appalachia, and we recommend that Knoxville Presbytery overture the Synod of Appalachia to call a meeting for the purpose of considering this request, and if approved, overture the General Assembly, asking that the boundaries of the Synods of Appalachia and Kentucky be changed accordingly.

Therefore, the following overture was ordered to be sent to the Synod of Appalachia:

The Presbytery of Knoxville, in session in the Lake Forest Presbyterian Church, Knoxville, Tennessee on February 4, 1964, respectfully requests the Synod of Appalachia, in a called meeting prior to the meeting of the General Assembly on April 23, 1964, to overture the General Assembly, asking that the boundary lines of the Synod be changed in order to permit the following Churches to be in Guarrant Presbytery, Synod of Kentucky:- First Church, Middlesboro, Ky.; Moore Memorial, Pikeville, Ky.; and Straight Creek, Arjay, Ky.

D. R. Greenhoe, Stated Clerk
Knoxville, Presbytery

After debate the following overture to withdraw from the National Council of Churches was ordered sent to the General Assembly by a vote of 65 to 32:

The Presbytery of Knoxville, in session in the Lake Forest Presbytery Church, Knoxville, Tennessee on February 4, 1964, respectfully overtures the General Assembly in session at Montreat, N. C. on April 23, 1964, to withdraw from membership in the National Council of Churches.

Attached are a list of reasons for this Overture.

D. R. Greenhoe, Stated Clerk
Presbytery of Knoxville

MACK HONORABLY RETIRED

The Rev. Joseph B. Mack requested that he be honorably retired as of January 1, 1964. The Presbytery so approved.

RECESS

Presbytery took a brief recess.

After recess Presbytery voted to authorize the Records Committee to sign the approval of the Sessional Minutes in the place of the Moderator.

RECEPTION OF DUNLAP AND CRUMPTON

The Stated Clerk presented certificates dismissing the Rev. J. Witherspoon Dunlap from Pee Dee Presbytery and the Robert T. Crumpton from South Mississippi Presbytery. The certificates were received, and Presbytery proceeded with the required examinations. These were sustained in parts and as a whole, and Mr. Dunlap and Mr. Crumpton were enrolled as members of Knoxville Presbytery after signing the ex animo statement.

The call of the Home Missions Committee to Mr. Dunlap to serve as the Executive Secretary of Church Extension for Knoxville Presbytery was presented in the proper form. It provided for a salary of \$6600 per year and other considerations. The call to Mr. Dunlap was found in order placed in his hands, and accepted by him.

The call of the Cross Roads Church to Mr. Crumpton to serve as pastor was presented. It was in the regular form and provided for a salary of \$4500 per year and other considerations (plus a supplement of \$500 from the Home Missions Committee). It was found in order and placed in Mr. Crumpton's hands and accepted by him.

Both calls had been approved by the Commission on the Minister and His Work.

Brandon, Elders Clyde McLemore, Frank Slagle and E. J. Fisher.

HOME MISSIONS REPORT

An oral report on the work of Presbytery's Home Missions Committee was given by Rev. John Thompson, Chairman of the Home Missions Committee.

The following recommendations were then adopted:

PRESBYTERY'S HOME MISSIONS

Rev. J. W. Dunlap, D. D., the newly installed Executive Secretary of Church Extension, has been working in the Presbytery since the first of the year. After February 15th, his address will be 1817 Lake Ave., S.W., Knoxville, Tenn. 37916.

The Treasurer's Report shows balances in the bank for the Revolving Fund and for the Current Fund, with all bills paid. Gatlinburg, which has priority for financial support for its unique work, is building up its reserve for a church home and still needs unergirding with both prayers and finances.

During the past year West Hills Presbyterian Church and Gatlinburg Presbyterian Church were organized and added to Knoxville Presbytery's family. Dr. Dunlap has been holding services for the proposed Northside Presbyterian Church, Cleveland, for four Sundays. The survey for this church was made by Miss Bessie May Stribling, to whom we owe a hearty vote of thanks. A petition requesting organization of Northside Presbyterian Church was presented to the Home Missions Committee. The committee found the petition in order and ordered it forwarded to Presbytery, with the recommendation that it be acted on favorably.

All Home Missions churches have regular preaching. However, support of Home Missions pastors has not kept pace with the mounting cost of the work among our churches. Both local memberships and the Home Missions Committee are responsible for supporting more adequately the ministers of the Gospel who bring the Good News of Salvation within the bounds of Knoxville Presbytery.

RECOMMENDATIONS:

1. That Presbytery approve the request to organize Northside

Presbyterian Church, Cleveland, and appoint a commission to act on the request.

2. That Presbytery adopt the minimum cash salary of \$4,800 and a manse for a married minister who has been regularly ordained and who has met the educational requirements of our Church; that enrollment in the Ministers' Annuity Fund be required; and that enrollment in the Group Insurance Plan be paid for all ministers by their employing groups.

3. That Presbytery approve the budget as adopted by the Home Missions Committee for the year 1964:

HOME MISSIONS BUDGET FOR 1964

1. Support of Organized Work	\$ 23,120
2. Missions and Outposts	\$ 12,900
3. Retirement and Group Insurance	\$ 7,000
4. Building Repairs and Property Insurance ..	\$ 6,500
5. New Properties and New Buildings	\$ 50,000
6. Administration	\$ 12,000
7. Miscellaneous	\$ 6,300
Contingent Fund	\$ 2,180

TOTAL BUDGET for Operating in 1964...\$120,000
21% of Presbytery's Benevolent Budget\$124,328

4. That the membership of the churches in the entire Presbytery have their attention directed to the opportunity of a unique Gospel work being done in Gatlinburg and that all be urged to support this work with the prayers and the financial interest of every group and of each individual throughout Knoxville Presbytery.

John H. Thompson, Jr.
Chairman

The following Home Missions records and data were ordered placed in the Minutes; as words of personal appreciation for the Rev. Joseph B. Mack, retiring Superintendent of Home Missions, were expressed on the floor of Presbytery:

MINUTES OF COMMISSION

The following minutes of the Commission to Organize the Gatlinburg Presbyterian Church were admitted to record:

The Commission was convened at 2:50 P. M. on October 20, 1963, at the First Methodist Church, Gatlinburg, Tennessee. The Rev. Joseph B. Mack presided and opened with prayer. All members of the Commission were present and were:

Ministers	Ruling Elders
Joseph B. Mack, Chairman	S. Frank Fowler
Lane G. Adams	Charles F. Lewis
Don R. Brandon	Charles F. Sexton
Fred C. Fowler III	J. Frank Slagle
W. Donald Munson, Jr.	
Wm. R. Smith, III	

The Rev. W. D. Munson, Jr., was elected clerk. Also present and recognized were the Rev. J. Woodward Stone, the host pastor of the First Methodist Church, the Rev. Joseph A. Greer and Mr. R. S. Reynolds.

A service of worship in the church sanctuary was led by Mr. Greer with the prayer of invocation given by Mr. Smith. Mr. Adams preached from II Corinthians 6:9-11 under the topic, "The Church - A Hospital For Sinners, Not A Rest Home For Saints."

After the worship service Mr. Mack presided for the Service of Organization. He first, in behalf of the Presbytery and the Commission, thanked Dr. Stone and the members of the Methodist Church and Mr. Johnny Ray King, organist, for their hospitality and assistance.

Mr. Greer was then thanked for leading the service of worship. Members of the Commission were introduced to the congregation.

Mr. Greer presented to the Commission a petition to Knoxville Presbytery asking for organization of a church in Gatlinburg. This petition is attached hereto and made a part of these minutes. Mr. Mack invited any other present to add their names to the petitioners, explaining that they could be received by transfer of letter, reaffirmation of faith or profession of faith. All signing the petition were received by transfer of letter except the Misses Ward who were examined and received by reaffirmation of faith. Mr. Mack asked the Constitutional questions to the petitioners and all present gave assent. These were then declared enrolled as members in the Presbyterian Church in the U. S.

Rev. Don Brandon proposed the Constitutional questions to the petitioners for organization of a new Presbyterian Church. All answered affirmatively; and they were declared to constitute a Presbyterian Church. Mr. Brandon led a prayer of dedication. The matter of a name for the church was resolved by Dr. Mack who declared them to be the Gatlinburg Presbyterian Church. This was acceptable to all members present.

Mr. Frank Fowler then moderated the election of elders for the new congregation. Messrs. Robert Simmons, Grant Cantrell and J. Frank Slagle were elected. Mr. Sexton asked these three the Constitutional questions for the ordination and installation of Messrs. Simmons and Cantrell and the installation of Mr. Slagle, who previously had received ordination. Mr. Smith led in prayer with members of the Commission laying on hands. A charge to the new elders was made by Mr. Fred Fowler, who spoke on their spiritual responsibility and authority under the Word of God. Mr. Lewis charged the members of the congregation. Mr. Munson gave a prayer of thanksgiving.

Following is a list of the charter members of the Church:

Miss Margaret Craig	Mrs. Frank Slagle

Miss Betty Clark	Mrs. Frank Venable
Mr. J. Frank Slagle	

The Commission elected Mr. Greer to be Moderator of the Session of the Gatlinburg Presbyterian Church. The service of organization was closed by Mr. Greer who pronounced the Benediction.

The Commission heard and approved the minutes and were dismissed by prayer by Mr. Smith.

Respectfully submitted,
Joseph B. Mack, Chairman

COMMISSION ON THE MINISTER AND HIS WORK

The Rev. Robert L. Williamson, Chairman of the Commission on the Minister and His Work, presented the following report, which was adopted as amended and is as follows:

The Commission on the Minister and His Work presents the following report:

The Chairman of the Commission for 1964 will be the Rev. R. L. Williamson. The Rev. F. Z. Woodward will serve as Co-Chairman.

The following items have been referred to the Commission:

(1) The resignation of the Rev. Harry S. Hassall as Stated Supply of the Chota Church. The Commission with appreciation for Mr. Hassall's service in this position, has accepted his resignation and terminated this relationship effective January 1, 1964.

(2) The call of the Cross Roads Church for the pastoral services of the Rev. Robert T. Crumpton (annual salary of \$4,500.00 from the congregation plus \$500.00 from the Home Mission Committee; manse; 7½% of the gross salary to the Ministers' Annuity Fund; annual car allowance of \$500.00; provision of stove and refrigerator for the manse; costs of moving; and one month's vacation per year).

(3) The call of the Session of the Signal Mountain Church to the Rev. James R. Boozer to become Assistant Pastor (annual salary of \$6,000.00; manse; 7½% of the gross salary to the Ministers' Annuity Fund; and car allowance). The Commission notes that the amount of the allowance is not specified, and that there is no mention of a vacation nor of bearing the costs of moving.

(4) The call of the Executive Committee of Home Missions to the Rev. J. Witherspoon Dunlap to become Executive Secretary of Church Extension of Knoxville Presbytery (annual salary of \$6,800.00; manse; 10% of the gross salary to the Ministers' Annuity Fund; Group Life and Major Medical Insurance; provision for car allowance and other expenses pertaining to this office; cost of moving; and one month's vacation per year).

The Commission notes that there is to be a relationship between the Executive Secretary of Church Extension and the Commission on the Minister and His Work. This matter has been discussed at some length, and we feel that a clarification of this relationship would be helpful.

The Commission has received the request of the Rev. James R. Boozer that the pastoral relationship between himself and the Brainerd

Hills Church be dissolved, the congregation concurring in this request. The Commission has dissolved this relationship effective December 15, 1963.

We present the following recommendations:

1. That the call for the Cross Roads Church to the Rev. Robert T. Crumpton be found in order and placed in his hands.

2. That the call from the Session of the Signal Mountain Church to the Rev. James R. Boozer be found in order and placed in his hands with the provision that attention be given to the exceptions noted above.

3. That the call of the Home Missions Committee to the Rev. J. Witherspoon Dunlap to become Presbytery's Executive Secretary of Church Extension be found in order and placed in his hands.

4. That with reference to the Executive Secretary of Church Extension serving as agent and secretary of the Commission on the Minister and His Work, Presbytery interprets this as meaning that the Executive Secretary shall attend meetings of the Commission with the exception of executive sessions.

5. That after consultation with the Pastor and Session of the Fairmont Church, that this congregation postpone an election of Elders and Deacons indefinitely, and that those officers serving under the rotary system during December 1963 continue in office for the present.

Respectfully submitted,
R. L. Williamson, Chairman

This was done with the concurrence of the Commission on the Minister and His Work.

Huff And Kaufman Received As Candidates

Christy Morgan, Chairman of the Committee on Candidates, presented Mr. James Ernest Huff, of the Inskip Church, recommending that Presbytery examine him, looking forward to taking him under our care and oversight as a Candidate for the Gospel Ministry. The Moderator conducted the required examinations, which were sustained as satisfactory. The required questions were asked and answered in the affirmative, and this young man was enrolled as a Candidate. A prayer was offered by Rev. Fred C. Fowler, III, and the charge was given by Rev. Jimmy Lyons, Pastor of the Candidate.

COMMITTEE REPORT

The Rev. R. Christy Morgan, Chairman of the Com-

mittee on Candidates, presented the following report which was adopted and is as follows:

1. The Committee on Candidates received an application to come under the care of Knoxville Presbytery from James Ernest Huff, a member of the Inskip Church, Knoxville. The commendation of the Inskip Session, recommendations from the pastor and others, Mr. Huff's academic record, physical examination report and biographical statement have been studied by the committee. A personal conference was held with the applicant.

It is the recommendation of the committee that Jim Huff be examined by the moderator on his experience of Christian grace and his motives for seeking the Ministry of the Word, looking toward receiving him under the care of Presbytery. All members of the committee were present when this recommendation was adopted.

A second applicant from the Inskip Church, Robert Franklin Sprinkle, Jr., also appeared before the committee. This presentation of two candidates by the Inskip Church is a signal honor and cause for our rejoicing. Mr. Sprinkle is to be presented to Presbytery for examination at the stated July meeting.

2. Candidate Robert C. Kaufman, under the care of Central Mississippi Presbytery, has made a request that he be transferred to the care of this Presbytery. Mr. Kaufman has become a member of the Cedar Springs Church, Knoxville. A letter of commendation from the pastor was received by the committee, as were the records of the Candidates' Committee of Central Mississippi Presbytery. The Committee held a lengthy conversation with Mr. Kaufman.

Mr. Kaufman was received under the care of Central Mississippi Presbytery on July 21, 1955. He attended Southwestern at Memphis for three years, and the University of Illinois for one year, where he received the A. B. degree in 1959. Since completing his college work, he has been employed by Young Life. He worked for this organization for approximately four years in Little Rock, Arkansas. In the fall of 1963, he became the director for Young Life in Knoxville.

Mr. Kaufman believes that God is calling him into the ministry. He is awaiting the prompting of the Holy Spirit before he commences his theological studies in one of the seminaries of our Church. The committee feels that he should continue to seek the guidance of the Spirit in this matter, and to this end has pledged itself to be in prayer for him as together we seek God's plan for his future. The committee herewith states its desire to meet with Mr. Kaufman a year hence and review the matter of his call to the ministry.

The committee recommends that Presbytery hear the statement from Mr. Kaufman which he gave to the committee concerning his call, and if this statement be deemed satisfactory by the Presbytery, that he be received by transfer as a candidate under the care of

this Presbytery. All the members of the committee were present when this recommendation was adopted.

3. The committee notes that Presbytery has five graduating seniors on its roll, two of whom have already indicated their desire to seek ordination by other Presbyteries. In order that these men be enabled to transfer without delay to Presbyteries for which they have received calls, the committee recommends that the Stated Clerk be authorized to grant letters of dismission for the following candidates should they request such letters before the July stated meeting of Presbytery:

Columbia Seminary; Robert J. Coker, M. McCoy Franklin, Jack Oates, III.

Louisville Seminary; Ralph J. Alford.

Union Seminary, Richmond; James S. Hornsby.

4. The committee recommends that its report be approved as a whole, and that it be printed in the Minutes of Presbytery.

R. Christy Morgan, Chairman
Committee on Candidates.

FALL MEETING OF PRESBYTERY

Presbytery accepted with thanks an invitation from Rev. James L. Fowle to hold its Fall Meeting in the First Presbyterian Church, Chattanooga, on October 6th, 1964, at 9:30 A. M.

COMMITTEE ON CANDIDATES

Rev. R. Christy Morgan, Chairman of the Committee on Candidates, presented the following report, which was adopted:

1. The Committee on Candidates wishes to report that since the last meeting of Presbytery Candidate James S. Hornsby has been dismissed to the Presbytery of Suwannee and Candidate McCoy Franklin has been dismissed to Guerrant Presbytery, both for examination and ordination.

2. Candidate Ralph Judson Alford, who has just completed his middler year at Louisville Seminary, has requested permission to engage in a one year internship at the First Presbyterian Church of St.

Joseph, Missouri. The committee recommends that the request be granted.

3. Candidate Alford has also inquired concerning his status with this Presbytery once his home church, the First Church of Middlesboro, has been transferred to Guerrant Presbytery. The committee recommends that the Stated Clerk be authorized to give letters of transfer for Mr. Alford and Candidate James E. Haley of the Pineville Church to Guerrant Presbytery in January, 1965, when their home churches are transferred to that Presbytery.

4. The committee has two applicants, who have recently graduated from high school, to present to the Presbytery. Applicant Robert Franklin Sprinkle, Jr. is a member of the Inskip Presbyterian Church and graduated from Fulton High School in Knoxville. Applicant David Shelby Deaderick is a member of the Signal Mountain Presbyterian Church and graduated from the Baylor School in Chattanooga. The committee has reviewed the academic and health records of these applicants, the recommendations from persons who know them the recommendation of their respective sessions, and has held personal interviews with each of them. We recommend that they be examined by the Moderator with the view to their being received as candidates under the care of this Presbytery.

5. Mr. Charles William Solomon, II has made application to the committee to be received under the care of our Presbytery. The applicant attended Belhaven College in Jackson, Mississippi, his freshman year. Then he transferred to Columbia Bible College, Columbia, S. C., where he graduated in the spring of 1961. He then entered Covenant Theological Seminary of the Evangelical Presbyterian Church of St. Louis, from which he graduated this past month. He is the son of the Rev. Charles W. Solomon of Montreat. A couple of summers ago he worked as a student assistant at the Westminster Church of Chattanooga and for the past two years has been a member of that Church.

The committee has reviewed Mr. Solomon's application carefully and his academic record at the above named institutions. We have also had before us the record of the Session of the Westminster Church and the recommendations of those who know him. The committee has had Mr. Solomon's name before it for three of its meetings, one of which he was before the committee for almost two hours. There are two reasons for this unusual treatment of his application.

The first is that both the academic institutions from which Mr. Solomon received degrees are non-accredited institutions. Section 27-5 of the Book of Church Order sets forth the requirements for ordination in our Church. Part of the requirements are certificates from a standard four-year college and from a standard theological seminary, requiring not less than three years in residence. The General Assembly of our Church was asked to define what the term "standard"

meant. This definition was adopted in 1962 and may be found on pages 58 and 59 of the Assembly minutes:

- "a. The college must be accredited by the recognized regional accrediting agencies.
- "b. The seminary must be accredited by the American Association of Theological Schools.
- "c. The seminary must offer in its curriculum all the subjects necessary for texts for ordination in the Presbyterian Church in the United States."

Mr. Solomon was advised back in May that the only way our committee could consider his application was as an "extraordinary case" under the terms of sections 27-5 and 24-10 of the Book of Church Order.

The second reason for our procedure was the concern the committee shared over the influence of these institutions on Mr. Solomon's ability to serve happily and effectively as a minister of our Church.

The committee is now prepared to make the following report concerning this application:

It is the recommendation of the committee that Mr. Solomon be examined and received, if the way be clear, as an extraordinary candidate of the Presbytery under the provisions of the Book of Church Order, section 24-10, which reads as follows: "If the Presbytery judges . . . it will proceed to examine him for ordination." The recommendation of the committee includes the following requirements which are the basis of the committee's affirmative recommendation concerning this applicant:

that the period he shall serve as a candidate of this Presbytery be not less than one year nor more than two years before he shall be presented to Presbytery for examination for ordination.

that during this period the Presbytery would look with great favor on the candidate's voluntarily pursuing additional theological studies at one of the four seminaries of our Church;

that his study and practical training be under the supervision of the Committee on Candidates;

that his practical training shall include tutorial work in Reformed theology, with the Reverend James Fowle as tutor; in polity with the Reverend Dewey Greenhoe, Stated Clerk of Presbytery, as tutor; in Christian Education with the Reverend George Murray, Presbytery DCE, as tutor; in the mission of the Church with the Reverend Wayne Gehman, chairman of World Missions for the Presbytery, and the Reverend J. Witherspoon Dunlap, Executive Secretary of Church Extension, as tutors.

and that quarterly reports be made to the committee by the candidate on the nature and progress of his student work. The candidate shall bear the expense of travel to meet with his tutors. Should any tutor be providentially hindered from serving, the committee requests permission to secure a substitute. Your committee is unanimous in the above recommendations, and all members were present except one.

6. The committee recommends that its report be approved as a whole and that all necessary parts be printed in the Minutes of Presbytery.

DEADERICK, SOLOMON AND SPRINKLE ENROLLED

Robert Franklin Sprinkle, Jr., Inskip Church, and David Shelby Deaderick, Signal Mountain Church, were presented as candidates to be received under care of Presbytery, and Presbytery proceeded with their examination. The Moderator examined the Candidates on their experience of Christian grace and their motives for entering the ministry. Examination was sustained.

Charles William Solomon, II, Westminster Church, was presented as a Candidate to be received under care of Presbytery. Because Mr. Solomon attended a non-accredited college and seminary he was presented as an extraordinary case. Presbytery proceeded with the examination. The Moderator examined the Candidate on his experience of Christian grace and his motives for entering the ministry. The examination was sustained by unanimous vote.

The Moderator asked the Candidates the required questions and, while they knelt, Rev. James Lyons led in prayer. Rev. William Thorington gave the charge, and their names were included on the roll of candidates.

RECESS

Following prayer, Presbytery took recess for lunch and committee meetings.

AFTERNOON SESSION

Presbytery reconvened at 1:30 P. M. and was led in prayer by Rev. George Gracey.

COMMISSION ON MINISTER AND HIS WORK

Rev. Robert L. Williamson, Chairman, presented the report of the Commission on the Minister and His Work, which was adopted and is as follows:

"In the discharge of its duties, the Commission is endeavoring to maintain contact with our vacant churches and assist them wherever possible.

Since our last Stated Meeting, the Rev. Samuel S. Wiley has been dismissed by the Commission to the Presbytery of Granville in order that he might accept the position of Executive Director of the North Carolina Council of Churches with headquarters in Durham, N. C. This action is in accord with the authority granted the Commission to dismiss ministers under certain circumstances (see Minutes of 1964 Spring Stated Meeting, p. 8).

We would call the attention of Presbytery to a temporary arrangement whereby the John Sevier Church is being provided with preaching and pastoral services. Mr. John D. Shore, a Ruling Elder in the John Sevier Church, has been performing these services for approximately the past nine months. This arrangement was recommended by the Commission to Presbytery at the Fall Stated Meeting last year. It was approved for an experimental period of three months, with the provision that monthly reports be made to the Session and then forwarded to this Commission. The Commission has not as yet received any of these reports. We feel that under these circumstances there should be a re-evaluation of this arrangement.

We recommend the following:

1. That, since the John Sevier Church is the recipient of Home Mission funds, the Executive Committee of Home Missions re-study the present Temporary Supply relationship with Mr. John D. Shore, and that John Sevier and Lebanon continue to be considered Home Mission churches.

2. That the Rev. Fred Hill be approved as Stated Supply of the Toqua Church until the 1965 Winter Stated Meeting. The terms of this call are \$50.00 per month. This will in no way affect the terms of the call of the Madisonville Church to Mr. Hill. We further recommend that Mr. Hill be appointed Moderator of the Session of the Toqua Church during this period.

3. That the call of the Brainerd Hills Church to the Rev. Richard Love be found in order and placed in his hands. The terms of this call are \$3,600.00 annual salary, use of manse, vacation of one month, \$400 annual automobile allowance, \$330.00 annual utilities allowance, and 7½% of the salary basis to the Ministers' Annuity Fund. The Home Missions Committee has provided in its budget for the current year to supplement this salary in the amount of \$100.00

per month, to provide Ministers' Annuity Fund dues on this supplement, and to enroll the pastor in the Group Insurance and Major Medical Plan.

(Signed) R. L. Williamson, Chairman

LOVE CALLED

The call of Rev. Richard Love to serve the Brainerd Hills Church was extended to Mr. Love and was accepted by him.

The following Commission was named to install Mr. Love on July 19, 1964, at 7:00 P. M.: Rev. Arthur Pflug to moderate; Rev. William Thorington to preach the sermon; Rev. Frederick Woodward to charge the minister; Elder E. Allen to charge the congregation; Elder J. P. McCallie, prayer; and Elder Shield Wilson.

REPORT ON CAMP JOHN KNOX

Rev. Frederick Woodward gave a report from Rev. George Murray concerning the water situation at Camp John Knox which necessitated the cancellation of the Pioneer Camp, July 6-13.

REPORTS OF SPECIAL COMMITTEE

Rev. George Carter, Chairman of Committee to study the proposed amendments to the Constitution of the Presbyterian Church in the U. S., presented his report. The proposed amendments were all adopted and the count was recorded.

RESOLUTIONS

Rev. Everett Hellmuth, Chairman of the Standing Committee on Resolutions, presented the following report, which was adopted:

Knoxville Presbytery in its 253rd Stated Meeting at the Fountain City Church, Knoxville, Tennessee, July 7, 1964, wishes to express these words of thanks:

1. To God for His providence that brought us to this meeting; for the guidance of the Lord Jesus Christ; and for the inspiration of the Holy Spirit in our deliberations.

2. To the pastor, officers, and people of this church for their careful preparation and cordial hospitality.

3. To the gracious women of the host church who prepared and served such a delicious and satisfying meal.

4. To the ministers, elders, and musicians who led us in worship.

We further recommend that this resolution be read to the host church at a convenient time.

Respectfully submitted,

Elder John Sample

Rev. Everett Hellmuth, Chairman

STATEMENT OF DEVELOPMENT FUND

Rev. Don Brandon reminded Presbytery of the opportunity for growth in several fields in the Presbytery and urged congregations and individuals to make early payment of their pledge to the Development Fund in order that Presbytery can receive the benefits of these contributions.

EVANGELISM

Rev. Harry Phillips, Chairman, gave a report on Evangelism. Presbytery heard Rev. Robert Jordan report on a retreat which he and Rev. McCoy Franklin attended in preparation for the 1965 Crusade to be held in the Synod of Appalachia, March 7-14.

The report and recommendations were approved.

Report On Council Of Evangelism, Knoxville, Presbytery

Realizing that we are concerned with the low percentage in gains of new members on profession of faith in our Presbytery, the Council on Evangelism for our Presbytery concurs in the program of Evangelism passed by the 1964 Synod of Appalachia.

A retreat on evangelism was held at King College June 30 and July 1, attended by representatives from our Presbytery along with other representatives from the other Presbyteries in our Synod. The Reverend Robert Jordan and the Reverend McCoy Franklin attended from our Presbytery.

RECOMMENDATIONS:

1. The Council on Evangelism of our Presbytery would like to recommend that we now hear from Mr. Jordan and Mr. Franklin for a full report of the Synod's Evangelism Retreat.

2. The Council would further recommend that we have an Evangelistic Crusade in our Presbytery March 7-14, 1965, (the date having already been established by Synod) with each of our 61 Churches having special services during this week. It is understood that each minister in our Synod would respond to invitation to hold their services and that the host church will take care of the minister's travel and lodging, but no honorarium will be given.

3. It is further recommended that Presbytery's Treasurer be asked to send \$180 for Synod's Evangelism Committee to be used to promote this Crusade immediately.

4. It is also recommended that Presbytery's Stewardship Committee be asked to include \$1,500 for this Crusade in their 1965 budget. This money will be used to assist smaller Churches in having an evangelistic meeting in the Spring of 1965.

If Presbytery concurs, each Church will be mailed publicity concerning this endeavor and each Session is asked to take action on such a meeting by September 7, 1964.

Rev. Harry W. Phillips, Co-chairman Council
of Evangelism.

MODERATOR-IN-NOMINATION

Elder John Sample, Sequoyah Hills Church, was elected Moderator-in-Nomination by acclamation.

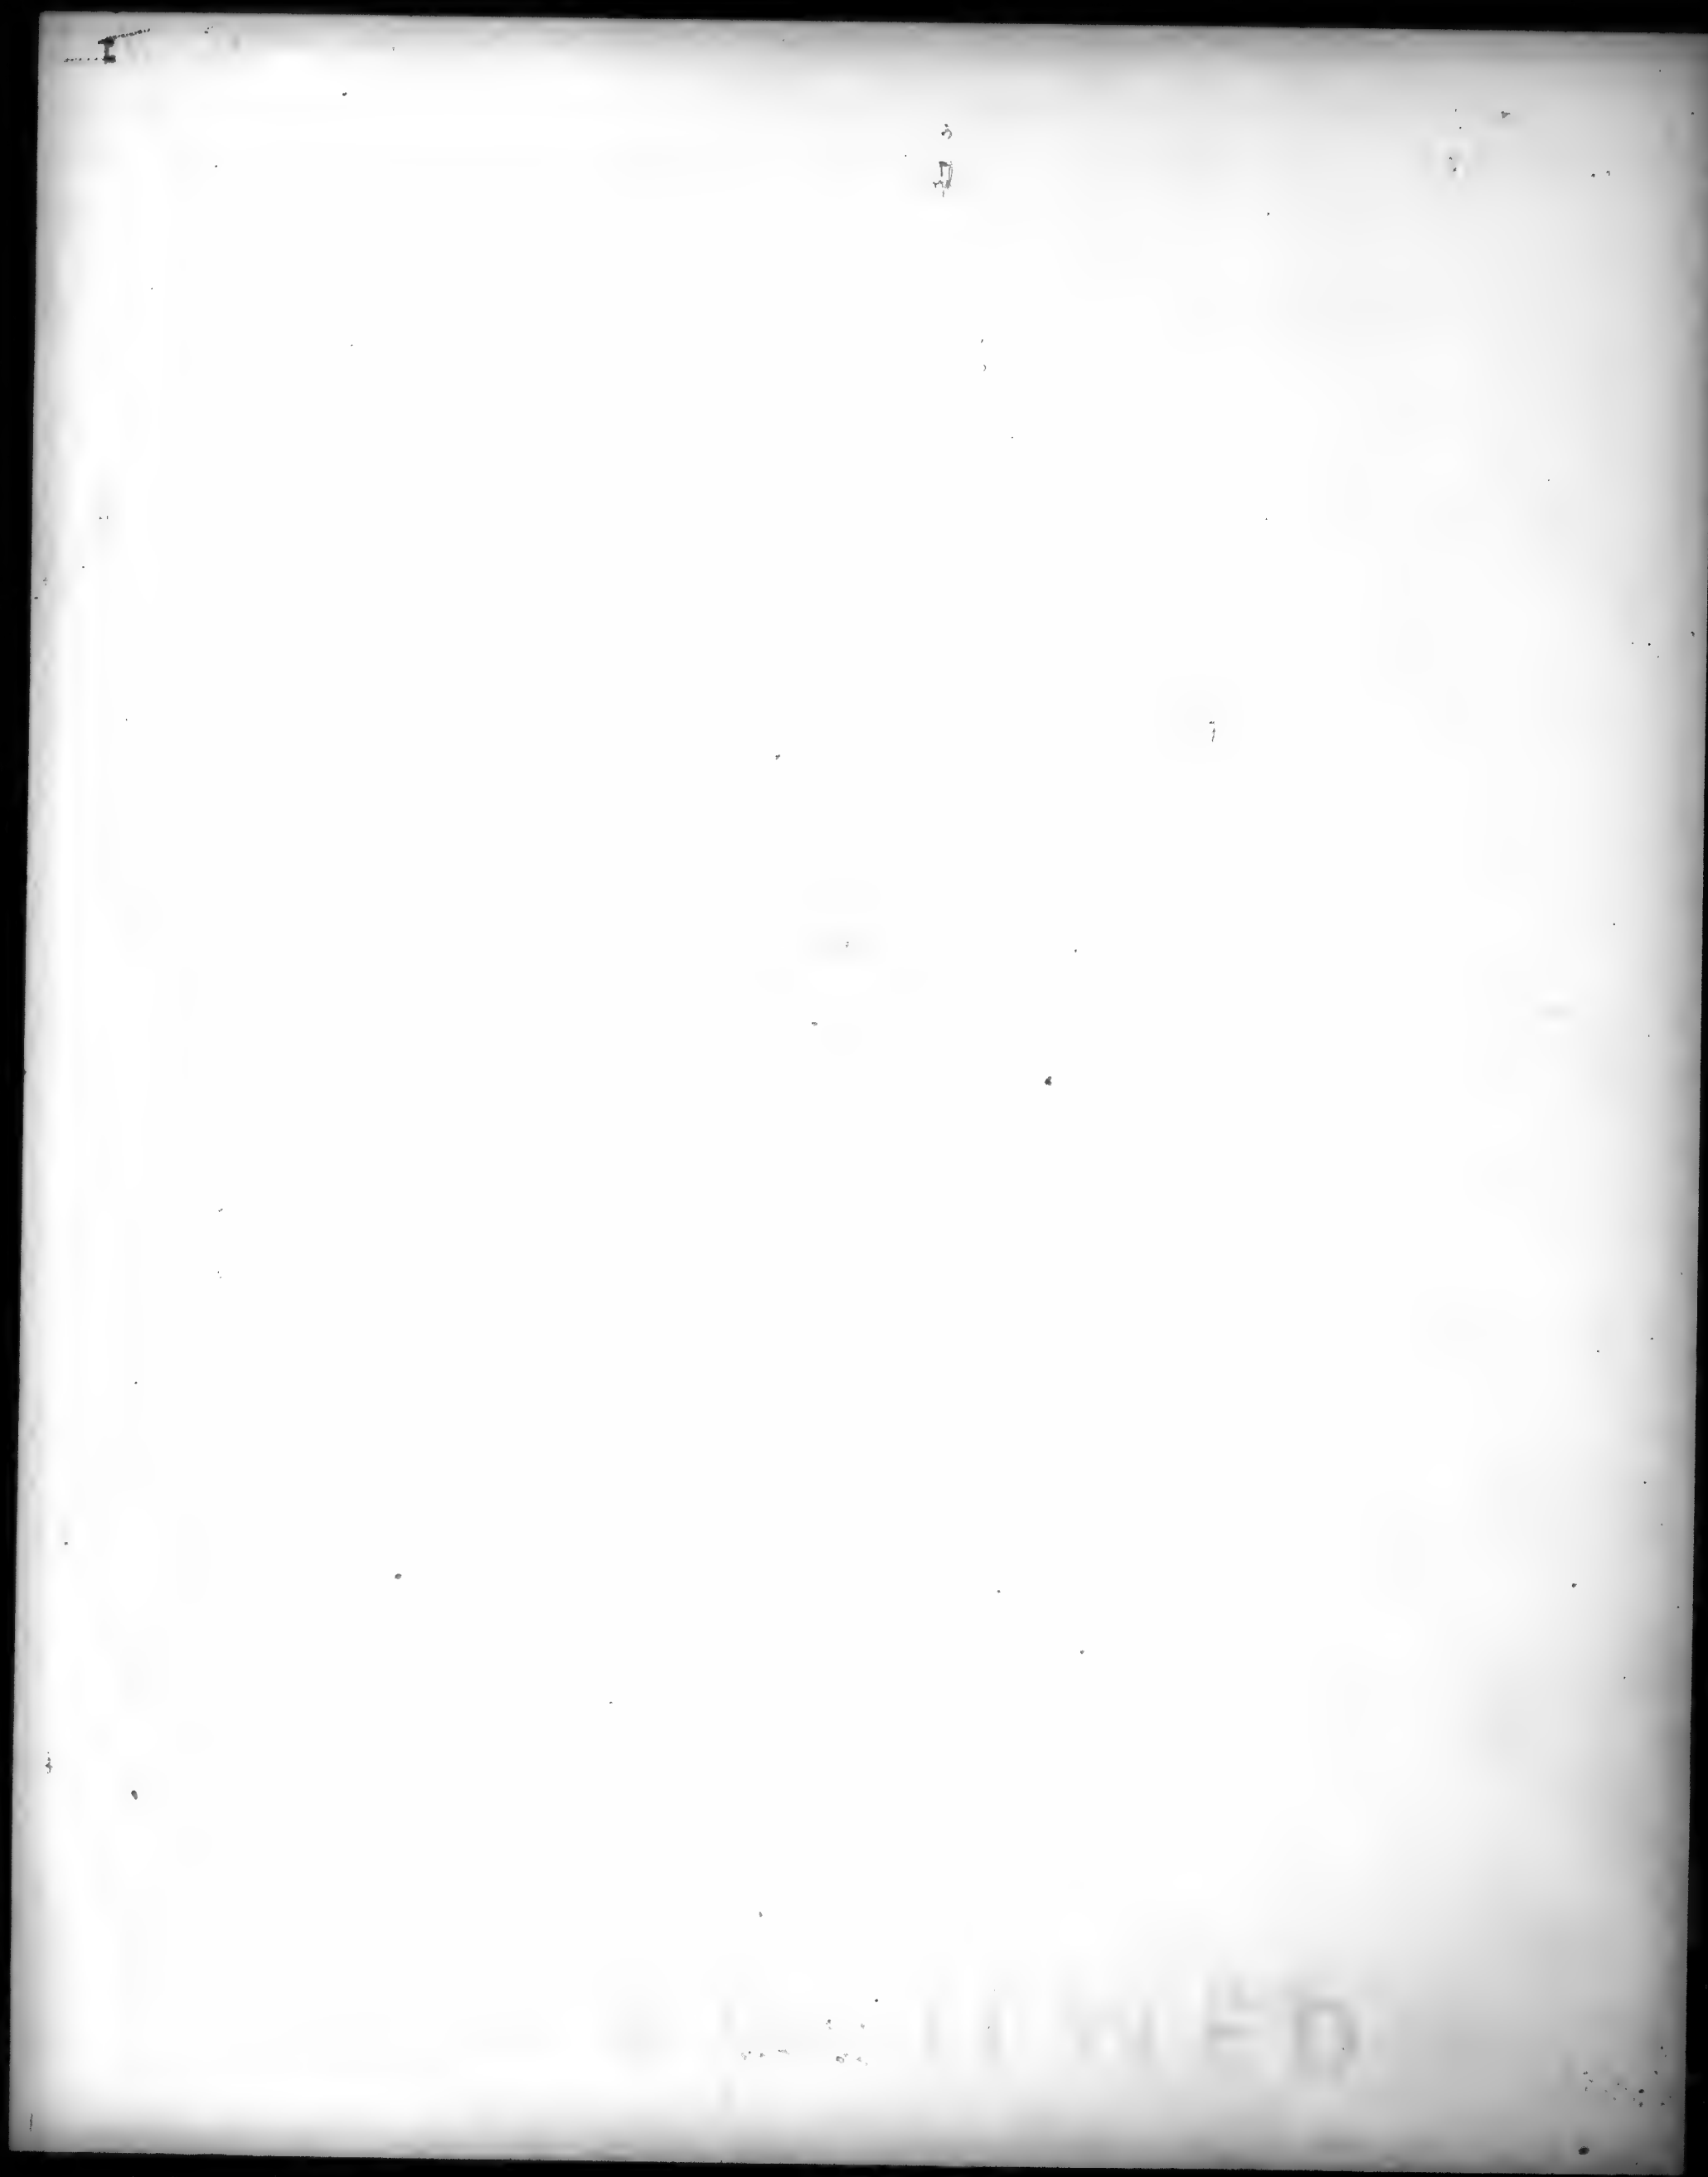

The minutes of today's meeting were read and adopted. Presbytery voted to adjourn and to meet again in the Stated Fall Meeting in the First Presbyterian Church, Chattanooga, October 6th, 1964.

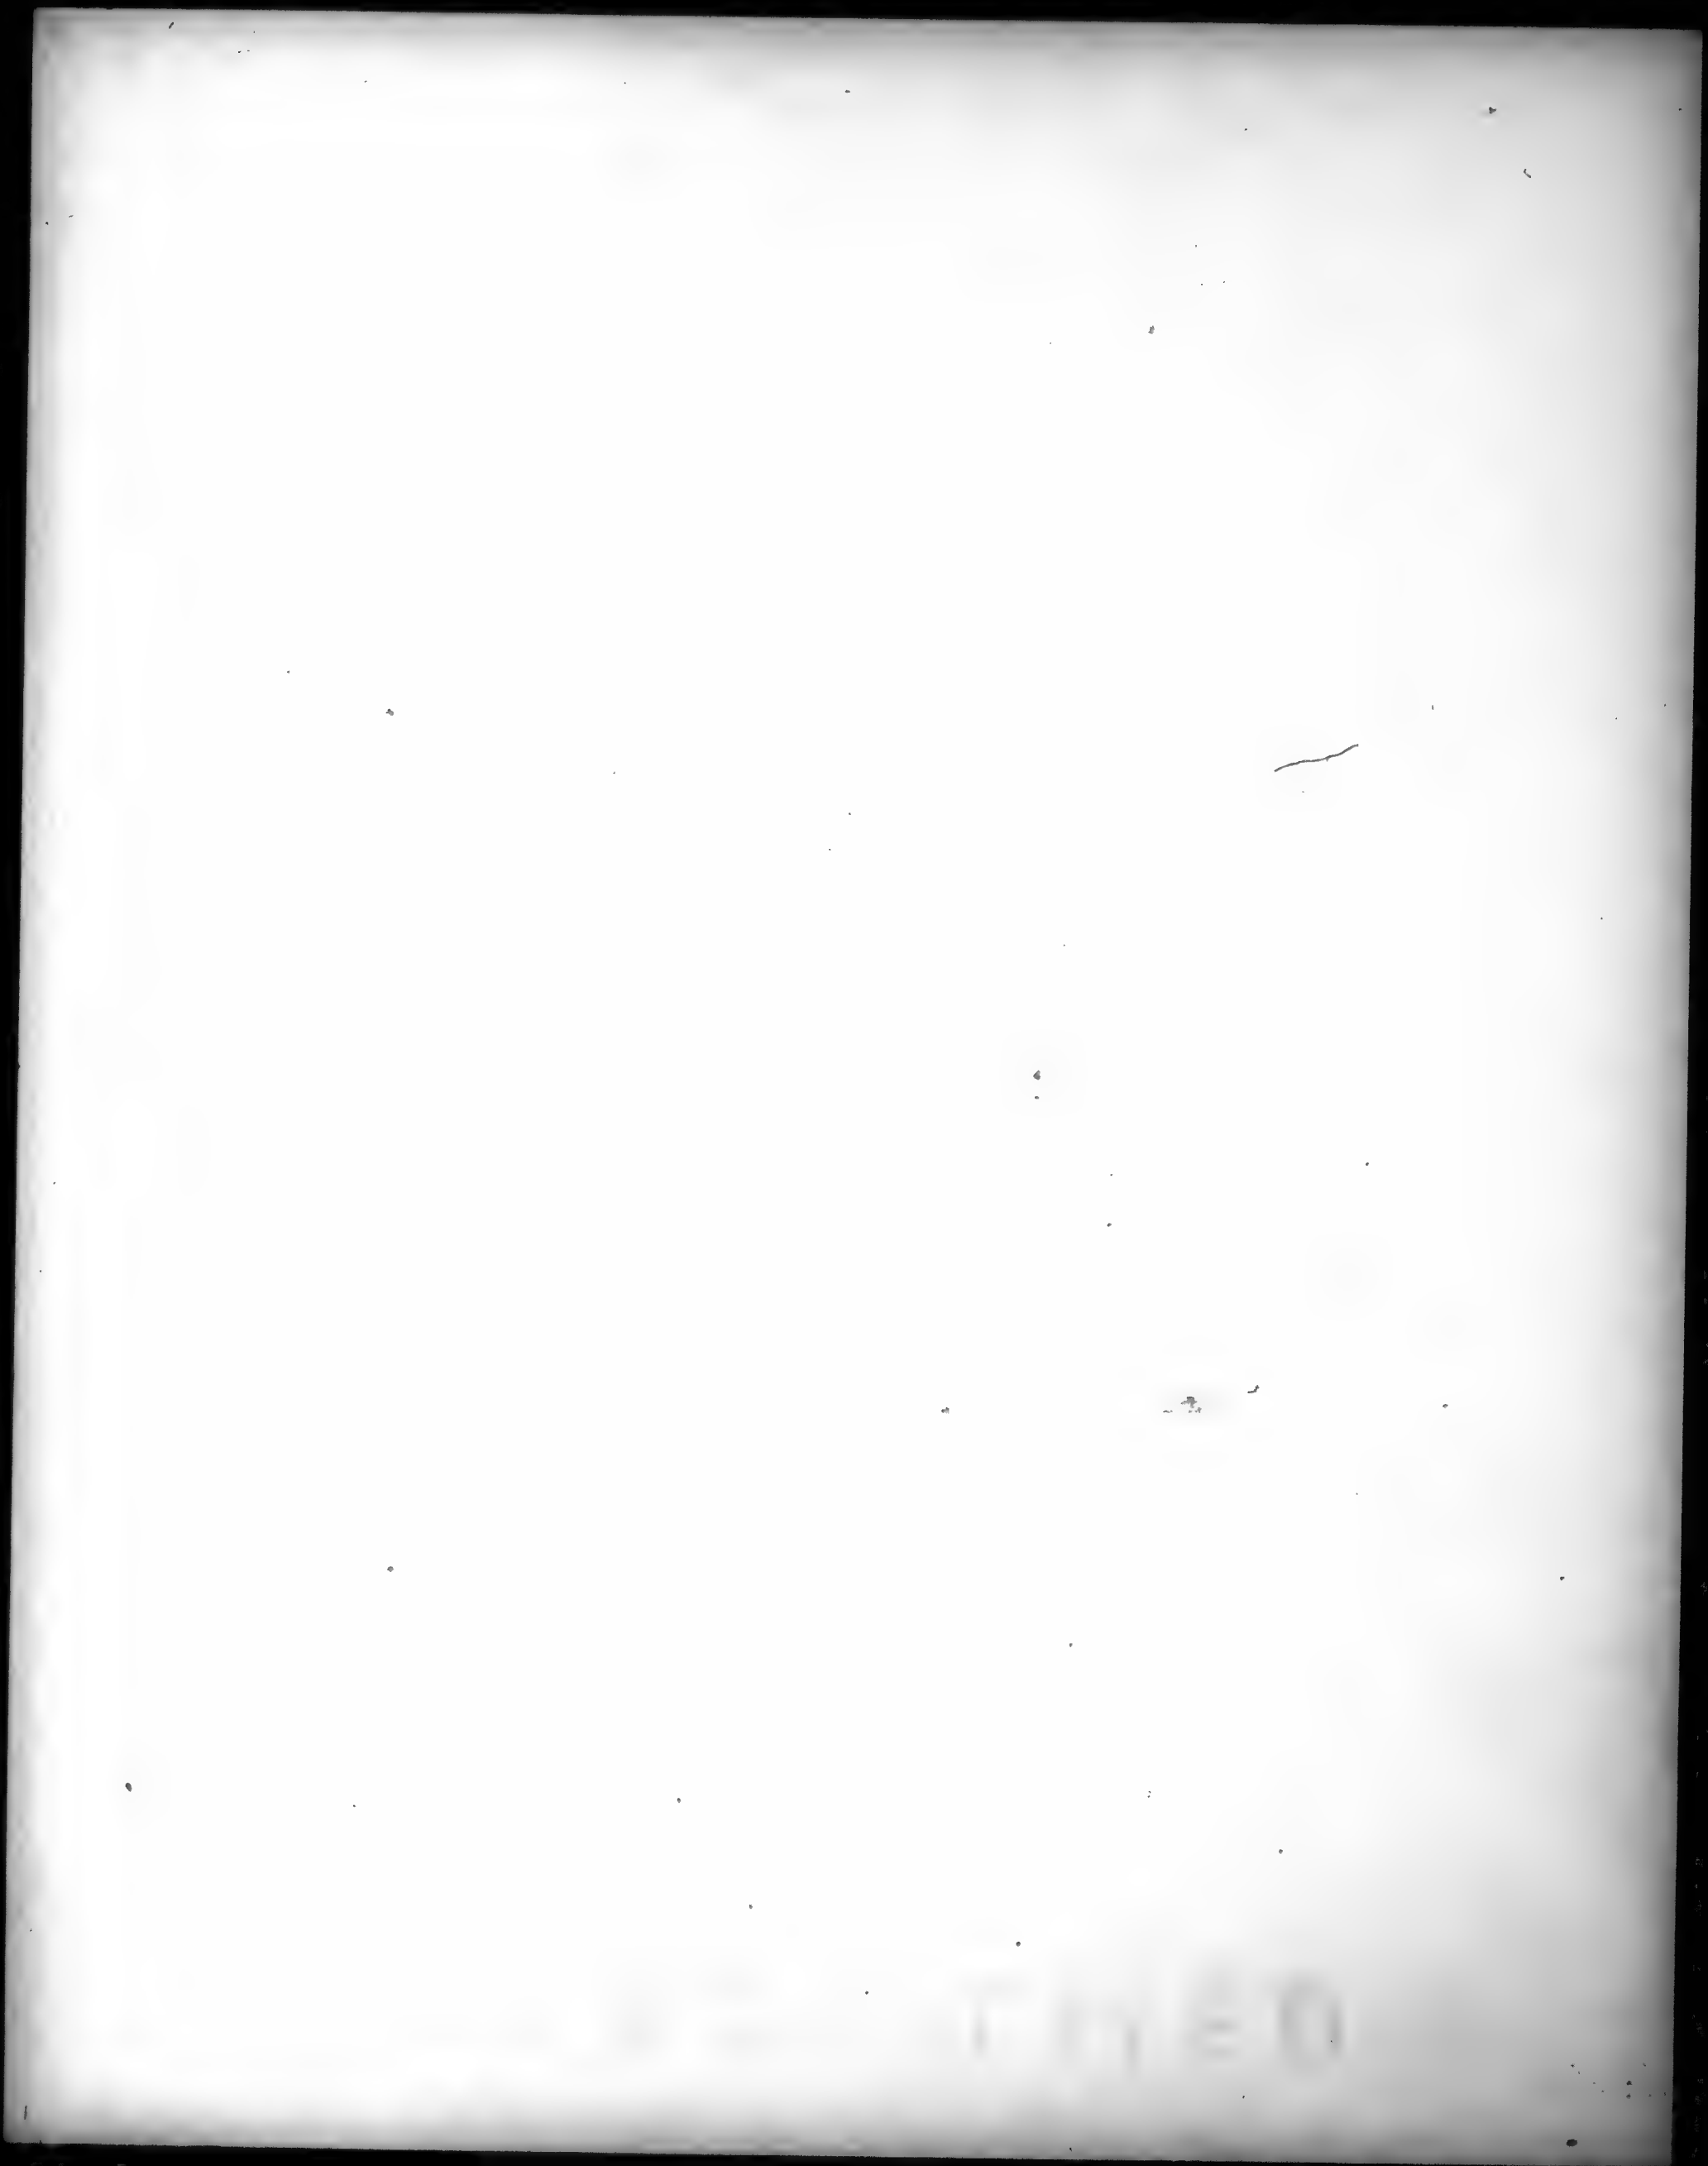

The session was adjourned with prayer.

Report Of The Commission On The Minister And His Work

The Rev. Robert L. Williamson, Chairman, presented the report of the Commission on the Minister and His Work, which was adopted and is as follows:

The Commission on the Minister and His Work is endeavoring to fulfill its responsibility of keeping in contact with the vacant churches in the Presbytery and to be of assistance to them in their efforts to obtain pastors.

Since our last Stated Meeting, the Session of the Concord Church after conferring with the Commission has invited the Rev. A. E. Dallas to serve as Interim Supply during the time this

congregation is seeking a new pastor. The Commission heartily concurs in this temporary relationship.

The Rev. Joseph M. Greer, pastor of the Gatlinburg Presbyterian Church, through an arrangement with the Home Missions Committee, is now supplying the Rocky Springs Church.

We present the following recommendations:

1. That the salary status of the Rev. Joseph M. Greer, which is now \$5,100.00 annual salary from the Home Missions Committee, be changed to \$4,500 from the Home Missions Committee and \$600.00 from the Rocky Springs Church.

2. That the call of the Northside Church, Cleveland, to the Rev. William R. Cameron be found in order and placed in his hands. The terms of the call are \$2,400.00 annual salary, 7½% of the salary basis to the Ministers' Annuity Fund, \$600.00 annual car allowance, and annual vacation of four weeks. The Home Missions Committee has provided in its budget for the remainder of the current year to supplement this salary in the amount of \$216.66 per month, to provide Ministers' Annuity Fund dues on this supplement, to provide rent for a manse, and to enroll the pastor in the Group Life and Major Medical Insurance Plan.

3. That the call of the Little Brick Church to the Rev. William M. Jarvis, Jr., be found in order and placed in his hands. The terms of the call are \$5,500 annual salary, 7½% of the salary basis to the Ministers' Annuity Fund, \$300.00 annual utilities allowance, \$1,200.00 annual manse allowance, \$600.00 annual car allowance, annual vacation of one month, and enrollment in the Group Life and Major Medical Insurance Plan.

Robert L. Williamson, Chairman

REV MANFORD SAUNDERS

A letter was received from the Rev. Manford Saunders requesting that he be dismissed to the Presbytery of Asheville. Presbytery heard from the Rev. Robert L. Williamson, Chairman of the Commission on the Minister and His Work, who gave a report concerning Mr. Saunders and offered the following resolution: "That the request of Rev. Manford Saunders to be dismissed to Asheville Presbytery be denied at present, and that he be requested to appear personally before Presbytery to present his request for dismissal and to give information regarding the nature of the work in which he will be engaged."

The resolution was approved.

Report Of The Home Missions Committee

The Rev. Don Brandon, Chairman, presented the report of the Home Missions Committee, which is as follows:

The report with its recommendations was approved and is as follows:

In the broadest sense, Home Missions may be defined as the answer of the Church to the Great Commission in every area of the homeland. Such a definition would include, of course, the work of every local church, whether self-supporting or aid-receiving, as it seeks to provide an adequate ministry within its own community. The ultimate purpose of Home Missions, both in the broadest sense and in the more limited technical sense, is threefold: First, to reach the unreached for Christ, regardless of who they are, where they may live, or what their outlook on life may be; Second, to gather those who accept Jesus as Saviour and Lord into the fellowship of existing or churches soon to be organized; and Third, to provide wherever needed the ministerial leadership necessary for the development of a well-rounded program of worship, teaching, fellowship, and counseling.

At the Presbytery level the Division of Home Missions has a number of definite concerns. It is concerned that every segment of our population be included in our missionary outreach and that every local church seek to minister to its entire community. It is concerned about existing churches, especially those that are not yet able to support a full-time ministry. It is concerned about the new churches that ought to be organized in areas of rapid population growth. It is concerned about the proper location of new churches and the possible relocation of existing churches that are poorly located. It is concerned about the adequacy of existing church buildings, and the development of the best plans for additional facilities, when needed. It is concerned about the training of leaders and the development of programs that will enable each church more effectively to serve its community, whether rural or urban.

As Dr. P. D. Miller, Executive Secretary of the Board of Church Extension, put it at the last General Assembly, "We have put our best energies in second-best things". It is time for us to dedicate ourselves to carrying out the Great Commission in every area of the homeland.

Miss Bessie May Stribling, Synod's Church Extension Worker, has completed a survey of the River Bend - North Shore section of West Knoxville. It was a favorable report.

The Home Missions Committee and the Stewardship Committee are giving careful consideration to recommending to the Presbytery the adoption of the "52 Club". The plan: Any person who desires may become a member of the club if he is willing to pay \$1.00 per week to capital funds for church extension. He can pay it quarterly, semi-annually, or annually.

The new Northside Church, Cleveland, has called Rev. William Cameron, Pastor of the First Church, Newport, as Pastor. He will begin his new duties October 1st. A new Manse has been purchased for \$17,500.00, and a one-year option has been taken on the Green property for a church site, for option payment of \$1,000.00; purchase price is \$25,000.00. A two-story house on the Green property is serving as a temporary meeting place.

The new Gatlinburg Church is under construction. Construction began September 10th. The guaranteed maximum cost is \$124,000.00. We have \$32,000.00 cash in hand. The Education Building is being constructed first. A small chapel in this unit will accommodate the winter congregations. If funds are available, the sanctuary will be constructed, also. By all means we ought to have the entire plant completed by the beginning of the next tourist season. The Building Committee is proceeding on a pay-as-you-go basis.

The Wayside Educational Building is nearing completion. It is of stone structure and will match the Sanctuary.

RECOMMENDATIONS:

1. The Week of Prayer and Self-Denial for Supplementary Offering for Church Extension was set by action of the General Assembly for October 11-18. As in previous years, 80% of such offerings will be kept in the Presbytery for the Executive Committee of Home Missions; 20% will be forwarded to the Assembly's Board of Church Extension. This church-wide effort is commended to all churches in the Presbytery, asking that a Special Offering for Church Extension be received on Sunday, October 18th, or a convenient Sunday in October. We further recommend that a quota for the Presbytery be set at \$17,000.00, or a quota for each local church of \$1.00 per member.

2. That the amount allocated for Presbytery's Home Missions (80% of offering) be designated for the down payment on the Manse purchased by the newly organized Northside Church, Cleveland.

3. That the pastors of self-supporting churches, wherever possible, exchange pulpits for a morning or evening service with an aid-receiving pastor (Home Missionary) during the week of October 11-18. (If you would like to have one of the aid-receiving pastors for a service during this season, please get in touch with the Secretary of Church Extension.

4. That the widest use be made of the printed folder prepared by the Executive Committee of Home Missions for the October emphasis.

5. That the Pastors and Sessions use the materials from the Assembly's Board of Church Extension. Mrs. Ralph Freeman, 5325 Rondo Road, Knoxville, Chairman of Church Extension in the Presbyterial, has a filmstrip available for use in the churches during October. Title of filmstrip, "Our Reshuffled People".

6. That the West Emory and Chota Churches be grouped as a field to be served by one Minister to live in the Manse at West Emory.

7. That the Lenoir City Church - Toqua grouping be dissolved, the Lenoir City Church to go full time; the Toqua Church to be supplied by Rev. Fred Hill of the Madisonville Church.

8. That Knoxville Presbytery approve affiliation with the Appalachian Council and elect Rev. J. W. Dunlap as representative.

9. That Presbytery dissolve the Lewis Chapel Church, Route 1, Dunlap, Tennessee.

LEWIS CHAPEL DISSOLVED

On recommendations by the Home Missions Committee Presbytery voted to dissolve the Lewis Chapel, effective today. The one member is to be transferred to the Church of her choice.

The Rev. George M. Conn, Jr., minister to students at East Tennessee State University, addressed Presbytery concerning the Eighth Quadrennial Convention to be held in Richmond, Va., December 27-31, 1964.

STEWARDSHIP COMMITTEE REPORT

Mr. Spencer McCallie, Chairman, presented the report of the Stewardship Committee, which was adopted and is as follows:

ANNUAL REPORT OF THE STEWARDSHIP COMMITTEE OF KNOXVILLE PRESBYTERY FOR THE PERIOD JANUARY 1, 1963 THROUGH DECEMBER 31, 1963 AND ASKINGS FOR BUDGETED

BENEVOLENCES FOR THE YEAR 1965

The total askings for the benevolent budget for 1965 is \$649,340. For the year 1964 the asking was \$592,038. If you look back to the year 1963, the asking had been \$624,000. It was reduced in 1964 from 1963's to keep the request more in line with what the giving had actually been. The Stewardship Committee hopes that our church is now able and willing to provide more budgeted funds for the necessary causes. Too many of them have not received the support that they have requested and need in order to serve the church in a way that it should be done.

We, the members of the committee feel, is is important that all of us respond to the vital work of Stewardship for our Lord in His church.

You will find the required information as to the breakdown of the \$649,340 enclosed.

Your Stewardship Committee does express its deep appreciation to the ministers, the officers, the congregations of the churches of Knoxville Presbytery for their response to the call of the church for dedicated Christian giving.

Knoxville Presbytery for years had had an outstanding record as compared to the other Presbyteries in the church. We do not mention this with pride but with thanksgiving to our people and urge them to support the church not that we might have this fine record but that we might serve the Lord by enabling the work of the church to progress.

The following tables are interested in giving the comparison of Knoxville Presbytery and the Synod of Appalachia with some of the other leaders in the four fields noted

Presbyteries	Rank	Total Budgeted Benev. Per Member	Rank	Total Benev Per Member	Rank	Budgeted Gifts To General Assembly	Rank	Total Gifts Per Member
Knoxville	1	\$32.43	1	\$54.73	1	\$19.07	1	\$142.11
N. Alabama	2	25.62	7	32.26	5	11.54	10	127.88

Enoree	3	25.24	2	40.24	9	10.61	17	120.15
Memphis	4	25.02	13	30.19	4	12.03	26	115.04

With reference to four of the leading Synods within the church the records reveal the following gifts per member and rank:

Tennessee	1	\$24.12	2	\$30.19	1	\$12.35	5	\$117.01
Appalachia	2	24.04	1	38.32	2	11.74	2	121.51
S. Carolina	3	19.16	4	29.25	10	7.60	12	107.37
Louisiana	4	19.04	11	25.17	4	9.72	4	117.66

The following table is printed to preserve the record of our progress:

YEARS	BENEVOLENCES	TOTAL GIFTS
1933-34	\$ 45,178	\$ 182,314
1934-35	44,221	194,606

Again we have exceeded the askings for the Budgeted Assembly's Causes while falling somewhat behind in the gifts to the Total Budgeted Benevolences as compared with the askings.

There has always been a problem and always will about getting adequate support for some causes as compared to other causes. We do feel that the ministers and officers of the church must realize this problem and strive to support all causes in proportion to their needs.

The Synod of Appalachia has approved of all the churches volunteering additional help to King College by sending in one hundred fifty scholarships of \$300 each, largely from individuals who can thereby do three great things for our Synod:

(1) Help young persons to secure a Christian education otherwise unobtainable;

(2) Help train ministers, missionaries, Directors of Christian Education and Christian laity; and (3) Prevent indebtedness at King College on its heavy current expense budget, as it appropriates nearly \$50,000 each year to such scholarships.

Every pastor could ask some member of his church to seek such scholarships or part thereof from members able to make these gifts to Christian Education. It is recommended that by dividing total budgeted benevolences as printed in current General Assembly's minutes by 7958 (total budgeted benevolences divided by 150 shares) each church can find out the number of \$300 scholarships its responsibility comes to. For Knoxville Presbytery this would be \$571,046 — 7958 equals 72.6 scholarship shares of \$300 each.

The record of churches in Knoxville Presbytery for 1963-64 session, as reported by King College, was as follows, up to end of fiscal year, May 31, 1964: Cross Roads - \$14; Fifth Avenue - \$525; Chattanooga First - \$5,578; Cleveland First - \$500; Fountain City - \$300; Knoxville First (W of C) - \$300; Lookout Mountain - \$1050; Sequoyah Hills - \$1,400; Signal Mountain - \$409; Total \$10,076, which was 47% of total \$23,782. First Pres. Church of Chattanooga, states it accomplished its total of 21 shares or \$6300 (not all paid by May 31) by pastor's appointment of 3 elders who made a canvass by direct

solicitation after visit and talk by Rev. Bruce Frye, asst. to President Liston of King College.

The Stewardship Committee decided not to plan a basic training session on Stewardship during 1964 but does plan to have such training sessions in 1965. This does not prohibit local groups from making any plan to have such training sessions that they would like to plan.

The Budget and Stewardship Committee recommends that the General Council adopt the following recommendations to be included in its recommendations to the General Assembly:

1. That the Stewardship Emphasis Season begin October 18, 1965, and continue through November 21, 1965; that November 14 be designated as "Dedication Sunday" for the Every Member Canvass.

2. The Presbyteries use the Every Member Canvass in 1964 to emphasize the benevolence program of the Church and the congregation's responsibility to that program.

3. That churches use the Every Member Canvass Manual published by the General Council to conduct Every Member Canvasses in which every family in the congregation is visited and that each church be asked to:

a. Commission adequately trained visitors to visit every family.

b. Make every family aware of its responsibility for the total program of the Church both on the local and benevolence level.

c. Urge every family to adopt the tithe as its minimum goal and to begin to move towards it by increasing in 1965 the percentage off its income which it gives to the Church.

4. That the members of the General Council and the personnel of the agencies of the General Assembly make themselves available for the promotion of stewardship and the entire church budget during the 1964 Stewardship season under the direction of the General Council.

COMMITTEE ON CANDIDATES

The Rev. R. Christy Morgan, Chairman, presented the report of the Committee on Candidates, which was adopted and is as follows:

1. The Committee on Candidates wishes to present the name of applicant Sam W. Anderson to Presbytery. Mr. Anderson is a member of the Cedar Springs Church. He is thirty-three years old, and has a wife and two children. His undergraduate study consisted of approximately a year's work at Washington and Lee University and the University of Tennessee. For the past eight years he has been employed by Miller's, Inc., Knoxville.

The committee has followed its regular procedure in determining the qualifications of Mr. Anderson, and has had one interview with him. Due to the fact that he does not hold a college or university degree, he is making application to Presbytery as an extraordinary case. If it be the will of Presbytery to receive him, his desire is to seek a three year certificate from Columbia Theological Seminary in Decatur.

It is the sense of the committee that Mr. Anderson possesses those qualifications which will fit him for the ministry if he can do satisfactorily the academic work of the above named seminary. The committee therefore recommends that he be examined and received, if the way be clear, as an extraordinary candidate of the Presbytery under the provisions of the Book of Church Order, section 24-10. This recommendation includes the following requirements before he shall be presented to Presbytery for examination for ordination:

that the period he shall serve as a candidate of this Presbytery be not less than three years;

that he receive a certificate in lieu of a diploma from Columbia Theological Seminary indicating that he has successfully and satisfactorily completed the three years of academic study required for this certificate;

and that his practical training be under the supervision of the Committee on Candidates.

2. The committee wishes to report that Candidate William Solomon has enrolled as a special student at Columbia Theological Seminary, and that it has approved two courses requiring five hours of class per week. The Presbytery tutors are asked to wait for their schedule with Mr. Solomon.

Three recommendations were presented from the Board of Trustees. These were adopted as they were presented, and follow:

"First, (that Presbytery) call upon our Churches to be even more mindful of their obligation here at Bachman. We have many needs at present and for the future that can be met if presented to our people.

"Second, our Board of Trustees requests that Knoxville Presbytery name its Stated Clerk an ex officio member of the Board of Trustees of Bachman Memorial Home, Inc.

"Third, our Board of Trustees requests that our by-laws be so amended to allow the election of two vice-chairmen, rather than the one now prescribed."

RESOLUTIONS COMMITTEE REPORT

The Reverend Fred Lupton reported for the Resolutions Committee. During the luncheon hour, thanks was given to the Bachman ladies for a delicious luncheon. A gold fountain pen inscribed with his name was presented to D. R. Greenhoe, who served this Presbytery as Stated Clerk from the fall of 1941 through 1964. The following resolutions of the committee were approved by Presbytery:

1. To express our thanks to Bachman Home and Mr. Pflug for the wonderful hospitality shown to Presbytery,
2. To express our gratitude to Mr. Greenhoe for the years of faithful service given to this Presbytery as Stated Clerk, and to thank him for the example of Christian leadership he has set before us all,
3. To express our gratitude to Ruling Elder John Sample for the leadership he gave this Presbytery as Moderator.

SALARY OF CENTRAL TREASURER

The salary of the central treasurer, the Reverend D. R. Greenhoe, was increased to \$1,000 annually, effective in 1965.

WOMEN'S WORK

Mrs. Paul M. Smith, President of the Women of the Church of Knoxville Presbytery, was presented to the Presbytery. She read the annual report of her group, which was adopted by Presbytery, and follows.

Through emphasis on "Christian Worship" we feel that the Women of Knoxville Presbytery have developed a more worshipful attitude, a closer fellowship, and a more abiding love for our Lord and Saviour, Jesus Christ. Almost without exception the evaluation sheets sent in by the local Presidents indicated a real evidence of spiritual growth.

The Birthday Objective, "Challenge to Compassion," was well

received and the largest offering ever received for a "Home Mission" cause was reported. The Women of Knoxville Presbytery contributed \$15,248.62 and ranked fourth in per capita giving.

A new church, Northside Presbyterian Church, Cleveland, Tennessee, was organized on February 16, 1964. Through the help of the First Presbyterian Church of Cleveland, the Women's Work in the Northside Church became active almost immediately.

Knoxville Presbytery continues to lead all others in our General Assembly in giving to World Missions. This is due to a great extent to the wonderful work being done by the First Presbyterian Church in Chattanooga. This church supports seventy-two missionaries and at the end of their World Mission Conference this year raised \$115,000 for missions. We do feel that this concern is spreading to other areas of our Presbytery. It is expressed in many ways—increased number of Mission Conferences, Missionary speakers and films, interest in Missionary children and furlough homes, making baby clothes for needy Korean mothers, collecting and sending thousands of dollars worth of sample drugs, and many prayer bands for Missionaries and missions.

Our women continue to enjoy the White Cross work. The quota was gladly accepted, and more of each item than requested was received. Much clothing was collected for Overseas Relief. Thirteen churches reached the goal of one pound per member.

The young people of our Presbytery are being sought for Christ through the Mission Conference at Rock Eagle, Georgia, and at this time, a World Mission Conference especially for the young people of the Synod of Appalachia is being planned.

Barbara Jean Taylor of Farner is being sponsored for the second year at King College and Brenda Jayne Moore of Epperson Church for her third year at Fort Sanders Presbyterian Hospital for Nursing. These Scholarships are made possible by using the offerings of our District Conferences and one of the offerings taken at the Annual Presbyterial meeting. Therefore, many of our women have a part in making these scholarships possible. Knoxville Presbytery also participates in the Synod of Appalachia Scholarship Fund which sponsors Miss Darlene Long to Stillman College, for the fourth consecutive year.

Much is being done to reach the International Students for Christ. They are being entertained in the homes, taken by bus to

church, and some are being "adopted" by local people. Perhaps in this way we can witness for Christ and our American way of life.

More than 450 women attended the four District Conferences and received special training for the Revised Plan of Women's Work. Forty-six women attended the Synodical Training School, and several attended commuter's day. The sum of \$215.00 was offered in scholarships for the Home Mission Churches. Fifty-three women were sponsored to the Interdenominational Christian Conference; about twenty-five attended the Montreat Women's Conference, and twenty-one adults and five young people attended the World Mission Conference.

Much is being done in the field of Christian Education. About half of our churches use the every-member plan for receiving the Presbyterian Survey. Twenty-four churches used the Covenant Life Curriculum in the adult departments of Sunday School during the past year, and approximately the same number will begin using it in other departments of the Sunday School in the fall of 1964. More and more churches are taking advantage of the Presbyterian Guidance Center located on the campus of King College, and the Women of the Church are proud of the part they have had in its development.

The women have given generously of their time and efforts in behalf of Bachman Home. Mrs. Gerald Rosendale has done much to stimulate interest in seeking many improvements for the home. In a very special way the children are really our own, and our sincere desire is that all of the Women of the Presbytery may respond to their needs.

The Women of Knoxville Presbytery are especially proud of King College for its high academic standards as well as its effective promotion of Christian ideals and aims. More churches are beginning to include King in their budget, send memorial gifts, and a few churches have groups other than the women who maintain scholarships for deserving students to King College.

Forty-six churches accepted the Revised Plan of Women's Work and plan to officially move into it this fall. Most of the churches accepted the Revised Plan with enthusiasm, some with reluctance, but all in good faith with the realization that it is a flexible plan which must be adapted to meet the needs of the local church. The remaining number felt that they could best serve their Lord by continuing the work as it has been done.

The Women of Knoxville Presbytery continue to consider the Bible Study the most important part of the women's work, and the

moderator plan of study continues to be stressed. This plan has led to more participation, and more study, leading to more spiritual growth.

Knoxville Presbytery now has 6,079 women in 51 churches and 237 circles. This shows an increase of one church, 24 women, and eight circles over the previous year. Our Presbyterian theme for the year has been, "Each one win one." If every woman had won one woman for Christ—think what a difference it would have made!

Presbytery voted to discontinue the practice of paying \$25 to the Church entertaining Presbytery, and that each person attending the meeting pay \$1 for his lunch.

HOME MISSIONS COMMITTEE REPORT

The Reverend Don R. Brandon, Chairman of the Home Missions Committee, presented their report. Presbytery adopted the report and its recommendations, except that recommendation number 6 was referred to the Stewardship Committee. The report is as follows:

The Lenoir City Manse has been completed in 1964, and the Reverend Robert Potter has been called as pastor. The Self-Denial offering for Church Extension (80% went to the Home Missions Committee) amounted to \$10,710.00 and was designated for payment on the \$17,600.00 Manse of the Northside Church (organized February 14, 1964). The Reverend William Cameron was called as pastor, October 1, 1964.

Knoxville Presbytery has accepted the invitation to meet in stated meetings in 1965 with three Home Mission Churches, namely, Corbin, May 3rd, Wayside, July 6th, and Gatlinburg, October 5th. The Corbin and Gatlinburg churches will entertain Presbytery in new Sanctuaries; the Wayside Church has recently completed a new Educational Building. The Home Missions Committee gave grants to aid each of these building programs. The Soddy Church hopes to break ground for a new church in the early spring. A 5½ acre church site has been purchased for re-location on highway #27, in front of the new Soddy-Daisy Junior High School. The Knoxville West Hills Church, organized in 1963, will build a \$90,000.00 Educational Building in 1965. This is the first unit of the church plant.

The Lyons Bend Road-Northshore Drive Sunday School started November 16, 1964, in the Rocky Hill School in West Knoxville. Eighty five residents of this community have signed a petition to Knoxville Presbytery for the organization of a Presbyterian Church.

The Reverend J. W. Dunlap is organizing pastor. Miss Beattie May Stribling, Synod's Church Extension Worker, has assisted Mr. Dunlap in this work from Sept. 1st to Feb. 2nd. Mr. Frank Marsh, Jr., chairman of the Steering Committee, is present with the petition and is willing to address the Presbytery.

The Executive Secretary of Church Extension (Home Missions) has moved his office from the Little Brick Church to Lake Forest Church in Knoxville. This office space is furnished the Committee free gratis.

Miss Effie Bley, Home Missionary in Bell County, Kentucky, Missions for at least 30 years, reached retirement on January 31, 1965. The Bell County Churches were transferred to Guerrant Presbytery, January 1, 1965. Miss Bley is due a tribute of praise by Knoxville Presbytery. For many years Miss Bley conducted weekly Bible classes in 20 county schools in Bell County around Pineville. She has been instrumental in initiating and carrying on numerous outpost Sunday Schools scattered throughout the county, and has used her summers for Vacation Bible Schools in these same communities, sometimes conducting as many as 14 in a single summer. These external statistics as they are, fail to indicate, as many other statements, the saintly humility, the evangelical grace which have been the real power behind the work of this saintly woman.

BILLS AND OVERTURES COMMITTEE

The Reverend D. R. Greenhoe, Chairman, read the following report:

"The Standing Committee on Bills and Overtures reports that we have had three papers placed in our hands. Two of these make the same request, namely that we overture the General Assembly to withdraw from the National Council of Churches. We recommend that this be done. A second request is that we send copies of our overture to all Presbyteries. We do not recommend that. An overture from Union Presbytery asks that we exchange fraternal delegates at stated meetings. We recommend that we do this once a year, and that the Moderator, whoever he may be, be named that delegate, and that he go or appoint someone to take his place."

MODERATOR ELECTED

Ruling Elder Ferman L. "Rocky" Young was elected the Moderator.

INTRODUCTIONS AND COURTESIES

The Reverend Marion A. Boggs, former Moderator of the General Assembly and presently serving as interim pastor of the Fifth Avenue Church, was introduced to Presbytery and invited to sit as a visiting brother. Mr. Boggs is a member of Florida Presbytery. Miss Ann Broom, a missionary under the Board of World Missions and who assisted at the Conversations on Leadership Conference, was introduced. Ruling Elders attending Presbytery for the first time were introduced. Mr. William Solomon, Student Supply of the St. Elmo Church, was in attendance.

The Reverend John Morrison, Host Pastor, welcomed the Presbytery to its first meeting in the Wayside Church and told of the arrangements made for Presbytery's comfort.

THE DOCKET

The Reverend Mr. Morrison presented the docket for today's meeting and it was adopted. Presbytery proceeded with business.

STATED CLERK'S REPORT

The Stated Clerk reported that minutes of the following commissions of Presbytery have been received and appear to be in order:

Commission to organize the Westminster Presbyterian Church, Knoxville;

Commission to install the Reverend John M. Magee as Pastor of the Concord Church;

Commission to install the Reverend Robert A. Potter as Pastor of the Lenoir City Church.

Presbytery received the minutes, and ordered that they be printed with the minutes of this meeting (see Appendix, page 20).

The Clerk reported that the Commission on the Minister and His Work had dissolved the following relationships and granted letters of dismissal to the ministers:

Samuel N. Cramer, as assistant pastor of the Lookout Mountain Church, effective March 7, 1965, and dismissed to Columbia Presbytery;

Joseph A. Greer, as evangelist for the Home Mission Committee, effective March 15, and dismissed to South Carolina Presbytery;

E. Perry Mobley, as pastor of the Fifth Avenue Church, effective March 31, 1965, and dismissed to Winston-Salem Presbytery.

A Certificate of Reception for Samuel N. Cramer has been received from Columbia Presbytery.

A Certificate of Transfer for Candidate Donald Ray Hendrix from Atlanta Presbytery was reported, along with a letter from the President of Columbia Seminary indicating that Mr. Hendrix had completed the academic requirements to graduate from Columbia in June of this year.

A communication from the Inter-Agency Committee of the General Assembly was read announcing a committee which will propose guidelines for presbyteries and synods as they seek to coordinate their work as it is projected in the 1965 **Plan Book**. Presbytery adopted the following recommendation:

"That Presbytery establish a Special Committee of three members who can communicate with this Assembly committee, and who can study and make recommendations for the revision of Presbytery's Manual; that they be nominated by the Nominating Committee; and that the Stated Clerk be an ex officio member of the Special Committee.

A communication from Union Presbytery of the United Presbyterian Church was presented, which indicated that the Reverend Donald L. Barker would be their fraternal delegate to our summer stated meeting. A request from Union Presbytery was referred to the Bills and Overtures Committee.

A request from the Presbyterian Appalachian Council for \$50 was referred to the Home Missions Committee for payment.

The Stated Clerk explained the irregularity of the action of a ruling elder of the Cedar Springs Church in releasing the contents of its overture to the Winter Stated Meeting to the press as though these contents were the basis of Presbytery's overture to the General Assembly. Presbytery had not heard the contents of the Cedar Springs overture.

On the recommendation of the program committee for the summer stated meeting, Presbytery voted to invite the Moderator of the General Assembly to give an address before the Presbytery.

COMMISSIONERS TO THE ASSEMBLY

Presbytery's eight commissioners to the 1965 General Assembly reported their attendance and participation in the work of the Assembly either in person or by letter.

STANDING COMMITTEES

The Moderator appointed the following Standing Committees:

Bills and Overtures—Fred Fowler, Chairman, William Childress, George Long, George Thompson, and Charles Wallace.

Resolutions—George Carter, Chairman, Robert A. Potter and John McCord.

CANDIDATES' COMMITTEE REPORT

The Reverend R. Christy Morgan, Chairman of the Candidates' Committee, presented the Committee's report, which was approved with its recommendations, and is as follows:

CANDIDATES' COMMITTEE REPORT

1. The Committee on Candidates has interviewed two applicants who wish to be received under the care of Presbytery. The Committee recommends that Jerome Warren Brock, of the Cedar Springs Church, and Stephen Bradley Woodward, of the Westminster Church (Chattanooga), be examined by the Moderator with the view to their being received as Candidates. Both applicants are students at Columbia Theological Seminary.
2. Your Committee recommends that Presbytery permit Mr. Woodward to labor as a student supply within the bounds of South Carolina Presbytery during the summer months, and that he be permitted to preach.
3. Candidate Donald Ray Hendrix has been dismissed to this Presbytery by Atlanta Presbytery, in order that he might accept the Call of the Session of the Central Church to serve as assistant pastor. The Commission on the Minister and His Work has reported to this committee that the call is in order. A letter from the President of Columbia Theological Seminary certifies that Mr. Hendrix has completed all the academic work required for the B. D. degree, and that he will receive his diploma during the June exercises. Your committee has had a conference with Mr. Hendrix and recommends that Presbytery proceed with his examination with the view to his being ordained to the Ministry of the Word.
4. Candidate James E. Huff has requested a loan of \$200 from the Board of Christian Education for the 1965-66 school year. Your committee recommends that it be granted.
5. Candidate Arnold K. Newman will be employed during the summer of 1965 by the Sweetwater Presbyterian Church. We commend this Church for using one of our own men. Two of our candidates have written that they are seeking summer employment and would prefer working in our Presbytery. Any Church which may desire the services of either Sam Anderson or Ronald Ragan is asked to contact the committee chairman.
6. The Candidates' Committee is all too frequently informed of financial needs of our candidates, and we find ourselves helpless to render assistance beyond approving the Board of Christian Education loan. We feel the situation is serious enough to request funds from the Presbytery with which we may help our candidates. We recommend that Presbytery endorse our request for funds in the amount

of \$1,000 annually to the Stewardship Committee of Presbytery, to begin in 1966. If funds can be made available to your Committee, a plan governing the use of the funds will be submitted to Presbytery for approval before any funds are disbursed. A letter setting forth our specific needs will be sent to the Stewardship Committee if this request is granted.

7. We recommend that the Stated Clerk be granted permission to give letters of transfer to the 1965 seminary graduates as the requests are received, and report the same to Presbytery.

8. The Conversations on Leadership for the Mission of the Church was held this past weekend with 19 young people and 7 staff members present. The leaders did an excellent job in promoting the needs of the Church before our young people, and the Committee thanks them heartily for their ministry. The only regrettable factor concerning this conference is that 45 Churches out of 58 did not take advantage of this opportunity to challenge some youth in their Church to consider a church vocation.

R. Christy Morgan, Chairman

Mr. Morgan presented applicant Stephen Bradley Woodward of the Westminster Church (Chattanooga) and Jerome Warren Brock of the Cedar Springs Church, and Presbytery proceeded to examine them with the view of receiving them under the care of Presbytery.

The Moderator examined them on their experience of Christian grace and on their motives for becoming a minister of the Gospel. This examination was approved as satisfactory.

The Moderator then asked the required questions which were answered in the affirmative, after which the Reverend Harold O'Bannon led Presbytery in prayer while the candidates knelt. A charge to the candidates was given by the Reverend Earle Stevens, Jr.

The Moderator declared these men duly received as candidates for the Gospel Ministry, and the Reverend John Morrison pronounced the benediction.

Mr. Morgan presented Candidate Donald Ray Hendrix, who had been called by the Central Presbyterian Church Session to serve as assistant pastor with duties as Minister of Education. Presbytery proceeded to examine Mr. Hendrix with a view to his being ordained.

The Reverend Willard Peak gave a review of Mr. Hendrix Thesis, which was written on "The Teaching Ministry of the Holy Spirit." The Reverend James Boozer gave a review of Mr. Hendrix' Exegesis of John 14:25-26. These papers were approved by consent.

The examination of Mr. Hendrix continued as follows:

Personal Christian Experience	The Moderator
Theology	The Reverend George Carter
English Bible	The Reverend Earle Stevens, Jr.
Sacraments	The Reverend James Newsome
Church Government	The Reverend Eugene Norris

RECESS

Following prayer led by the Reverend Herbert Barks, Jr., in which the family of the Reverend Jimmy Lyons was especially remembered, Presbytery took recess for lunch and committee meetings. During this time the Committee on Resolutions made a partial report.

AFTERNOON SESSION

Presbytery reconvened at 1:30 P. M. with the singing of a hymn. Mr. Don Hendrix read the Scripture, using Romans 9:30-33, and preached a sermon on the subject: "A Believing Faith." Following the sermon Presbytery sustained the examination of Mr. Hendrix in its parts and as a whole.

COMMISSION TO ORDAIN MR. HENDRIX

Presbytery approved the following Commission to ordain Mr. Don Hendrix to the Ministry of the Word at the Central Presbyterian Church, Chattanooga, on June 6th at 5:30 P. M.

Ministers

Robert Lawrence, to preside
Robert S. Hough,
charge the minister
Richard Carter

Ruling Elders

C. G. Milligan,
charge the congregation
A. W. Goree
George Thompson

Presbytery voted to invite the Reverend Allen Johnson of the Presbytery of South Carolina to serve with this Commission and preach the sermon.

REPORT OF COMMISSION ON THE MINISTER AND HIS WORK

The Reverend Robert L. Williamson, Chairman, presented the report of the Commission on the Minister and His Work, which was approved with its recommendations, and is as follows:

Since our last Stated Meeting the following items of business have been transacted by the Commission:

1. The Rev. Samuel N. Cramer, Assistant Pastor at Lookout Mountain Church, was dismissed on March 7, 1965 to the Presbytery of Columbia in order that he might accept the calls of the Bethany, Frankewing, and Petersburg Churches in middle Tennessee. The Session of the Lookout Mountain Church in accordance with the Book of Church Order (26-3, b) had previously received the resignation of Mr. Cramer, and after consultation with the Commission dissolved his relationship with them as Assistant Pastor.

2. The relationship between the Rev. Joseph A. Greer and Presbytery's Home Missions Committee as an Evangelist serving the Gatlinburg area was dissolved at Mr. Greer's request on March 15, 1965, in order that he might accept the position of Associate Pastor of the First Church, Clinton, S. C. The Home Missions Committee has concurred in this request. Mr. Greer has been dismissed to the Presbytery of South Carolina.

3. The relationship between the Rev. E. Perry Mobley and the Fifth Avenue Church, Knoxville, was dissolved at Mr. Mobley's request on March 31, 1965, in order that he might accept the call of the Reynolda Church in Winston-Salem, N. C. The congregation of the Fifth

Avenue Church has concurred in this request. Mr. Mobley has been dismissed to the Presbytery of Winston-Salem.

Interim Supplies have recently been secured by two vacant churches in Knoxville. They are the Rev. John E. Stauffer at the Fairmont Church, and the Rev. Marion A. Boggs, former Moderator of the General Assembly, at the Fifth Avenue Church. The Commission heartily concurs in these temporary relationships.

The Commission has received the request of the Rev. John Morrison that the relationship between himself and the Wayside Church be dissolved effective June 30, 1965, and that he be placed on honorable retirement as of that date. The Wayside Church in a congregational meeting has concurred in this request.

We present the following recommendations:

1. That Presbytery grant the request of the Rev. John Morrison that the relationship between himself and the Wayside Church be dissolved, and that he be placed on honorable retirement effective June 30, 1965, with gratitude for his faithful service in the Church and assurances of our prayers for continued fruitfulness in God's Kingdom.

2. That the call from the Session of the Central Church, Chattanooga, to Mr. Don Hendrix as Assistant Pastor, to serve in the area of Christian Education, be found in order and placed in his hands. The terms of the call are annual salary of \$4,200, 7½% of the salary basis in the Minister's Annuity Fund, rent allowance of \$900 per year, car allowance of \$900 per year, enrollment in the Group Life & Major Medical Plan, social security payments, and annual vacation of one month. Mr. Hendrix has completed his work at Columbia Seminary and will graduate in June. We further recommend that after sustaining his examination, a commission be appointed to conduct his ordination following his graduation from seminary.

Robert L. Williamson, Chairman

REVEREND JOHN MORRISON

The Reverend John Morrison was given an expression of appreciation by Presbytery for his faithful and devoted service by a standing vote.

CALL ACCEPTED BY MR. HENDRIX

The call of the Central Presbyterian Church to Mr. Don Hendrix was placed in his hands by the Moderator and was accepted by him. Mr. Hendrix is to sign the ex animo statement of Presbytery on the occasion of his ordination, at which time he is enrolled as a member of this Presbytery.

CHRISTIAN EDUCATION REPORT

The Reverend Frederick Z. Woodward, Chairman of the Christian Education Committee, presented the report for this committee, which was received to be printed in Presbytery's records. Recommendation I. was deferred to the summer stated meeting, with the request that copies of the Manual be mailed to members of Presbytery beforehand. Recommendation II. was referred as requested. The report follows.

I. Council on Children's Work

A. Plans are progressing for the Knoxville Area Lab. School to be held at the Sequoyah Presbyterian Church, July 11 (Sunday Afternoon) thru July 16th. Nursery, Kindergarten, Primary, Junior) teachers with professional training in the use of the new CLC materials being introduced this Fall. Daily sessions of the Lab. School will start at 8:30 A. M. A few out-of-town teachers may be accommodated at their own hospitality expense. For further information contact George Murray.

B. The two area CLC Previews for Knoxville Presbytery will be held in September. A change in date should be noted. Chattanooga Preview on Sept. 19 Knoxville Preview on September 26. Plans include preview of the Oct. '65-Sept. '66 materials for all Church School Classes, from Nursery thru Adults.

C. Two Vacation Church School Consultations are planned for the immediate future:

2. Lake Forest Presbyterian Church, May 12, 10:00 A. M.-12:30 P. M. for the Knoxville Area.

Help will be provided for the Kindergarten, Primary, Junior and Pioneer Group Teachers who will be Vacation School Teachers this summer.

II. Council on Youth Work

A. The Midwinter Conference at Gatlinburg was well attended and well received. Over 400 Youth and Adults were present. Exceptionally fine behavior brought many compliments from Gatlinburg business men. Next year's program will be planned for the same weekend. The Committee plans to request judicious planning on the part of Synod's World Mission Committee if there is a Synod World Mission's Conference scheduled for early next Spring.

B. The 1965 Presbytery-wide Spring Youth Rally was held at Camp John Knox on Sunday, April 24th. The theme, "Is Christianity Really Enough?", was well developed by Mr. Don Hendrix, feature speaker, and followed up by small group discussions led by members of Presbytery's Youth Council.

E. Brochures for Presbytery's Summer Youth Program have been distributed to all churches and we urge greater participation on the part of local church youth.

F. Rev. Fred Hill has been appointed to Synod's Vocational Guidance Committee to represent Knoxville Presbytery.

III. Council on Adult Work and Family Nurture

"Stewards of the Word" was the theme for this year's Presbytery-wide Spring Men's Rally, held at T.M.I., Sweetwater, Sunday, May 2. Changes in program planning and calendar events on the Synod and General Assembly level of Men's Work has caused the Men's Presbytery-wide Rally to be moved from the Fall to the Spring. The MOTC Fall Rallies will be on the district level. Men's Work will continue to upgrade the importance of local men's groups supporting the total local Church program.

New officers for 1965-66, to take office October 1, 1965, will be:

President—Dr. Marvin P. Woodward	Signal Mt.
Secretary—Edward Morris	Rivermont

District 4—Harry Phillips	Rivermont

IV. Council on Leadership Training

The ever increasing training activity in the total program of Christian Education via. Systematic Study, Home and Family Nurture, Worship and Work of the Church, and other related areas, causes many additional problems in securing and training sufficient number of qualified leaders in Presbytery's training program. Local Churches will be asked to be more and more re-

sponsible for encouraging individuals from their own congregations to share in the Presbytery Program.

V. Council on the Camp

Recent accomplishments include the following:

1. Newly installed water system in operation.
2. New Steel Storage Tank in operation and paid for
3. Total Camp indebtedness including water system now under \$30,000.00
4. Camp Facilities ready for 1965 Summer Program
5. Improvements on road, to second peninsula, and extension of water line to provide area for tent camping are under way.
6. Concrete Boat Ramp installed

VI. The Committee has spent many months in revising its By-laws (now called "Manual of Operation") to meet the increasing scope in program and training activity on the Presbytery level. The new format is patterned after the Synod C. E. Committee and is intended to facilitate more efficient operation.

RECOMMENDATIONS:

I. We recommend that the new C. E. Committee Manual of Operations (a copy of which is filed with the Stated Clerk) be substituted for the C. E. By-laws in Presbytery's Manual:

that the C. E. Committee be permitted to operate under the new Manual of Operations;
that the Presbytery Manual, when revised, include the new Manual of Operations.

II. We recommend that the Nominating Committee of Presbytery fill the vacancy of Rev. Joe Greer with Rev. Robert Lawrence, in the Class of 1966-(1).

F. Z. Woodward, Chairman

HOME MISSIONS COMMITTEE REPORT

The Reverend Don R. Brandon, Chairman, presented the report of the Home Missions Committee, which was approved with its recommendations, and is as follows:

The Executive Committee of Home Missions submits the following report:

RECOMMENDATIONS:

1. That every congregation be encouraged to observe October 10-17, 1965 as a week of prayer and self-denial for Church Extension, during which time supplemental offerings will be made for the extension work of our denomination.

2. That the Presbytery follow the same plan of former years of retaining 80% of such supplementary offerings for the use of the Presbytery Home Missions Committee, and remit 20% to the Board of Church Extension for distribution to areas of particular need.

3. That the amount allocated for Presbytery Home Missions (80% of the offering) be designated for the construction of the Educational Building of the Knoxville West Hills Church, unless otherwise designated. This is the first unit of this newly organized church, and will have a small chapel in which the congregation can worship for the present. The West Hills Church, organized in 1963, meets in the West Hills School, in a rapidly growing area in Knoxville, and has 101 members.

4. We further recommend that a quota of the supplemental offerings be set at \$17,000.00, or \$1.00 per member.

5. That the Presbytery concur in the request of the Session of the John Sevier Church that the services of Lay Worker John D. Shore not be continued, effective immediately. This special arrangement with Mr. Shore to do visitation and conduct Sunday morning and evening services has been continued at each stated Meeting of Presbytery since the fall meeting of Presbytery, 1963.

6. That Mr. and Mrs. Shore be thanked for their services to the John Sevier Church.

Don R. Brandon, Chairman

Jeff Kesterson, Chairman

BILLS AND OVERTURES

The Reverend Fred Fowler, Chairman, gave the report for the Committee on Bills and Overtures, replying to Union Presbytery's request that we send a delegate to each of their stated meetings for fellowship, it being understood that this Presbytery wishes to exchange greetings only on an annual basis. The following report was adopted:

"The Presbytery of Knoxville appreciates your graciousness in inviting a fraternal delegate to all of your meetings and hereby extends to the Presbytery of Union the same courtesy.

"It is our hope to carry out Presbytery's February action by having someone represent us at your June meeting, and we now express a willingness to do so on other occasions when there may be items of common interest.

"Our thinking is that, since the boundaries of our Presbyteries do not coincide, our fellowship would be advanced more by maintaining some contact with both of your Presbyteries that touch our area.

"To this end we are inviting the Presbytery of St. Andrew also to exchange delegates on a once a year basis."

RESOLUTIONS COMMITTEE

The Reverend George Carter, Chairman of the Committee on Resolutions, presented the following report, which was approved and is as follows:

Knoxville Presbytery, in its 256th meeting at the Wayside Presbyterian Church, Signal Mountain, Tennessee, May 3, 1965, wishes to express these words of thanks:

1. To God our Father for the opportunities for service, for the guidance of the Holy Spirit, and for the work we have been enabled to do.

2. To the pastor, officers, and congregation of the Wayside church for their careful preparation and cordial hospitality.

3. To the gracious ladies of the host church who prepared and served the noon meal.

We wish to commend the Wayside church for their new Educational Building and furnishings.

George Carter, Chairman
Robert A. Potter
John W. McCord

A copy of this resolution was ordered sent to the Session of the Wayside church.

CANDIDATES' COMMITTEE REPORT

The Reverend R. Christy Morgan, Chairman of the Candidates' Committee, presented the Committee's annual report. The report was approved and its recommendations adopted, with the following amendment to recommendation No. 1 by a vote of 27 to 26:

"That the period he shall serve as candidate be nine months, beginning in September, 1965."

REPORT

1. The Committee on Candidates has held quarterly meetings since its last annual report to Presbytery. The annual report is presented to Presbytery following these important items of business. The Committee wishes to present Applicant Ferman L. "Rocky" Young under the Book of Church Order extraordinary case (section 24-10).

Mr. Young has met with your committee, and we unanimously hold him in high esteem and affection. For nineteen years he has served on the staff of the First Presbyterian Church, Chattanooga, as Director of Christian Education. In this position he has ably served the Lord Christ, and his influence has been widely experienced by ministers and youth alike throughout our Presbytery and Synod. Mr. Young is 48 years of age, he is married and has one child. His academic work includes 4 years of college study and special work in physical education while serving in the armed forces. Prior to his present vocation in Christian Education, he was employed by the YMCA.

Mr. Young has the endorsement of his Session, and the Committee has received many commendations for Mr. Young from persons we have written. Your Committee has felt an usually heavy responsibility in formulating a recommendation to Presbytery concerning this applicant. Under the terms of the recommendation which we make, we feel that Mr. Young should be enrolled as a Candidate for the ministry of Word under the care of Presbytery.

Our recommendations are:

that the period he shall serve as a candidate be two years;

that during this time he shall pursue a tutorial program of study under the supervision of this committee;

that during this period of time he shall pursue two full quarters

of academic study at one of the theological seminaries of our Church, the courses to be approved by this committee.

The Committee voted an additional recommendation to the Session of the First Presbyterian Church requesting that they consider giving Mr. Young a leave of absence at full salary to pursue the seminary studies.

2. Candidate C. William Solomon has continued a very favorable student ministry at the St. Elmo Presbyterian Church. We foresee that he will complete his tutorial programs in the near future. We recommend that his examination for ordination be set for the fall stated meeting of Presbytery, and that the Committee be authorized to assign his written parts of trial.

3. The Committee wishes to present the following roll of candidates and their status beginning this fall. All candidates presented satisfactory annual reports to the Committee except Mr. Kaufman, who requested permission to present a delayed report, and Messrs. Smith and Tripp, from whom we have had no word.

The Commission on the Minister and His Work is endeavoring to fulfill its responsibility of keeping in contact with the vacant churches in our Presbytery to assist them in their efforts to obtain pastors.

The Reverend J. Gordon Bradford has requested that the pastoral relationship between himself and the Covenant Church in Oak Ridge be dissolved effective June 30, 1965 in order that he might accept a call to the First Presbyterian Church of Tifton, Georgia. The Covenant Church in a regularly called congregational meeting has concurred with Mr. Bradford in this request. This relationship has been dissolved by the Commission, and Mr. Bradford has been dismissed to the Presbytery of Southwest Georgia. The pulpit of the Covenant Church is now being supplied by the Rev. A. E. Dallas and the Reverend Joseph Mack.

The period of three months during which the Reverend Marion A. Boggs was serving as Interim Supply of the Fifth Avenue Church Knoxville has not expired. The Fifth Avenue Church has now engaged the Rev. A. Douglas McArn of Laurinburg, N. C., as their new Interim Supply.

We present the following recommendations:

1. That the call of the Westminster Church, Knoxville, to the Reverend William C. Mounts be found in order and placed in his hands. The terms of the call are annual salary of \$900.00, 7½% of the salary basis to the MAF, \$1,200.00 manse allowance, \$600.00 annual car allowance, and annual vacation of one month. The Home Missions Committee has provided in its budget for the remainder of the current year to supplement this salary on the basis of \$5,100.00 annually, 10 % of this salary to the MAF, and enrollment of the pastor in the Group Life & Major Medical Plan.

2. That the call of the LaFollette Church to Mr. Frank R. Sells, a graduate of Columbia Theological Seminary, be found in order and placed in his hands, pending the sustaining of his examination before presbytery. The terms of the call are annual salary of \$4,800.00, 7½% of the salary basis to the MAF, use of manse, \$500.00 annual car allowance, annual vacation of one month, enrollment in the Group Life and Major Medical Plan, and defraying the costs of moving.

3. That the call of the Sequoyah Hills Church to Mr. Frank D. Weathersby, a graduate of Columbia Theological Seminary, to the position of Associate Pastor serving in the area of Christian Education, be found in order and placed in his hands, pending the sustaining of his examination before presbytery. The terms of the call are annual salary of \$4,800.00, 7½% of the salary basis to the MAF, manse, utilities, car allowance of \$50.00 per month, enrollment in the Group Life & Major Medical Plan, annual vacation of one month, and defraying the costs of moving.

COMMITTEE ON CHRISTIANITY AND HEALTH

The Reverend Fred Lupton reported for the Committee on Christianity and Health. The report was adopted and is as follows:

The Committee on Christianity and Health of Knoxville Presbytery met June 22 and 24 with Mr. Richard Carter and Mr. Fred Lupton present. Dr. J. T. Bradsher was not able to attend.

It was suggested to the Committee that it be merged with the committee seeking a chaplain for Fort Sanders Hospital. This committee is not in favor of a merger because of differences in function.

The Committee decided it could serve the brethren of the church by preparing a brief comment on the material published by and available from the Permanent Committee on Christianity and Health of the General Assembly, 341, Ponce de Leon Avenue, Atlanta, Georgia, or from T. H. McDill, Columbia Theological Seminary, Decatur, Georgia. (Printed material was distributed)

M., with Ministers Robert Lawrence, Richard Carter, Robert S. Hough and Ruling Elders A. W. Goree, C. G. Milligan and George Thompson present and was opened with prayer by A. W. Goree.

A quorum was present. The Reverend Robert Lawrence was elected Chairman and the Reverend Richard Carter as Clerk. Present also was the Reverend J. Allen Johnson, a friend of the Candidate, who had been invited by the Presbytery to preach the sermon.
